

Water Act 2003

2003 CHAPTER 37

PART 3

MISCELLANEOUS

Water conservation

82 Water conservation: requirements on relevant undertakers

In section 3(2)(a) of the WIA (environmental duties in relation to proposals relating to the functions of a relevant undertaker), after “special interest” there is inserted “and, in the case of the exercise of such a power by a company holding an appointment as a relevant undertaker, as to further water conservation”.
