### *Defined benefits and money purchase arrangements*

#### *Trivial commutation lump sum death benefit*

20 (1) A lump sum death benefit is a trivial commutation lump sum death benefit [<sup>F42</sup>if condition A or B is met.]

[<sup>F43</sup>(1A) Condition A is that the lump sum—

- (a) is paid to a dependant entitled under the pension scheme to pension death benefit in respect of the member, and
- (b) extinguishes the dependant's entitlement under the pension scheme to pension death benefit and lump sum death benefit in respect of the member.

(1B) Condition B is that—

- (a) the lump sum is paid after the member's death to an individual entitled to be paid a pension under the scheme—
  - (i) which the member was entitled to be paid immediately before the member's death, and
  - (ii) which is payable to the individual under pension rule 2 (see section 165),
- (b) if the pension is an annuity or scheme pension payable by an insurance company, the lump sum extinguishes all entitlements in respect of the member under the contract concerned, and
- (c) if the pension is a scheme pension payable by the scheme administrator, the lump sum extinguishes all entitlements to receive a scheme pension in respect of the member from the scheme administrator under pension rule 2.]

(2) But if the amount of a lump sum falling within sub-paragraph (1) exceeds [<sup>F44</sup>£30,000], the excess is not a trivial commutation lump sum death benefit.

[<sup>F45</sup>(3) The Treasury may by order substitute for the amount for the time being specified in sub-paragraph (2) such larger amount as is specified in the order.]
