- (6) This paragraph has effect subject to paragraph 7.

Exemptions from duty to notify under paragraph 6

- 7 (1) Paragraph 6 does not apply to a taxable person in relation to a scheme—
 - (a) where the taxable person is not a group undertaking in relation to any other undertaking and conditions A and B below, as they have effect in relation to the scheme, are met in relation to the taxable person, or
 - (b) where the taxable person is a group undertaking in relation to any other undertaking and conditions A and B below, as they have effect in relation to the scheme, are met in relation to the taxable person and every other group undertaking.
- (2) Condition A is that the total value of the person's taxable supplies and exempt supplies in the period of twelve months ending immediately before the beginning of the relevant period is less than the minimum turnover.

Power to exclude exemption

- (2) In determining for the purposes of sub-paragraph (1) whether any separation of business activities is artificial, regard shall be had to the extent to which the different persons carrying on those activities are closely bound to one another by financial, economic and organisational links.
- (3) If the Commissioners make a direction under this section—
 - (a) the persons named in the direction shall be treated for the purposes of paragraph 7 as a single taxable person carrying on the activities of a business described in the direction with effect from the date of the direction or, if the direction so provides, from such later date as may be specified in the direction, and
 - (b) if paragraph 7 would not exclude the application of paragraph 6, in respect of any notifiable scheme, to that single taxable person, it shall not exclude the application of paragraph 6, in respect of that scheme, to the persons named in the direction.
- (4) The Commissioners shall not make a direction under this section naming any person unless they are satisfied—
 - (a) that he is making or has made taxable or exempt supplies,
 - (b) that the activities in the course of which he makes those supplies form only part of certain activities, the other activities being carried on concurrently or previously (or both) by one or more other persons, and
 - (c) that, if all the taxable and exempt supplies of the business described in the direction were taken into account, conditions A and B in paragraph 7(2) and (3), as those conditions have effect in relation to designated schemes, would not be met in relation to that business.
- (5) A direction under this paragraph shall be served on each of the persons named in it.

- (2) On receiving the prescribed information, the Commissioners may—
- (a) allocate a reference number to the scheme (if they have not previously done so under this paragraph), and
 - (b) notify the person who provided the information of the number allocated.

Penalty for failure to notify use of notifiable scheme

- 10 (1) A person who fails to comply with paragraph 6 shall be liable, subject to sub-paragraphs (2) and (3), to a penalty of an amount determined under paragraph 11.
- (2) Conduct falling within sub-paragraph (1) shall not give rise to liability to a penalty under this paragraph if the person concerned satisfies the Commissioners or, on appeal, a tribunal that there is a reasonable excuse for the failure.
- (3) Where, by reason of conduct falling within sub-paragraph (1)—
- (a) a person is convicted of an offence (whether under this Act or otherwise), or
 - (b) a person is assessed to a penalty under section 60,
- that conduct shall not give rise to a penalty under this paragraph.

Amount of penalty

- 11 (1) Where the failure mentioned in paragraph 10(1) relates to a notifiable scheme that is not a designated scheme, the amount of the penalty is £5,000.
- (2) Where the failure mentioned in paragraph 10(1) relates to a designated scheme, the amount of the penalty is 15 per cent. of the VAT saving (as determined under sub-paragraph (3)).
- (3) For this purpose the VAT saving is—
- (a) to the extent that the case falls within paragraph 6(1)(a), the aggregate of—
 - (i) the amount by which the amount of VAT that would, but for the scheme, have been shown in returns in respect of the relevant periods as payable by the taxable person exceeds the amount of VAT that was shown in those returns as payable by him, and
 - (ii) the amount by which the amount of VAT that was shown in such returns as payable to the taxable person exceeds the amount of VAT that would, but for the scheme, have been shown in those returns as payable to him, and

Penalty assessments

- 12 (1) Where any person is liable under paragraph 10 to a penalty of an amount determined under paragraph 11, the Commissioners may, subject to sub-paragraph (3), assess the amount due by way of penalty and notify it to him accordingly.
- (2) The fact that any conduct giving rise to a penalty under paragraph 10 may have ceased before an assessment is made under this paragraph shall not affect the power of the Commissioners to make such an assessment.
- (3) In a case where the penalty falls to be calculated by reference to the VAT saving as determined under paragraph 11(3) and the VAT that would, but for the scheme, have been shown in returns as payable by or to the taxable person cannot be readily attributed to any one or more prescribed accounting periods, it shall be treated for the purposes of this Schedule as VAT that would, but for the scheme, have been shown as payable by or to the taxable person in returns for such period or periods as the Commissioners may determine to the best of their judgment and notify to the person liable for the penalty.
- (4) No assessment to a penalty under this paragraph shall be made more than two years from the time when facts sufficient, in the opinion of the Commissioners, to indicate that there has been a failure to comply with paragraph 6 in relation to a notifiable scheme came to the Commissioners' knowledge.

SCHEDULE 3

Section 28

CORPORATION TAX: THE NON-CORPORATE DISTRIBUTION RATE: SUPPLEMENTARY PROVISIONS

PART 1

GENERAL PROVISIONS

Introduction

- 1 The provisions of this Schedule supplement section 13AB (corporation tax: the non-corporate distribution rate).

Meaning of “non-corporate distribution”

- 2 (1) A “non-corporate distribution” means a distribution made by a company to a recipient who is not a company.
 “Recipient” here means the person beneficially entitled to the distribution.
- (2) A distribution made to a partnership is treated as made to the partners notwithstanding that the partnership is regarded as a legal person, or as a body corporate, under the law of the country or territory under which it is formed.

Calculation of company’s “underlying rate of corporation tax”

- 3 (1) A company’s underlying rate of corporation tax for an accounting period is determined as follows:

Step One

Take the company’s basic profits for the accounting period (“BP”).

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step Two

Find the amount of corporation tax chargeable on those profits apart from section 13AB (“CT”).

Step Three

The company’s underlying rate of corporation tax is the percentage determined as follows—

$$\left(\frac{\text{CT}}{\text{BP}} \right) \times 100$$

(2) In determining CT—

- (a) apply the rate of corporation tax fixed for companies generally, and
- (b) if the company is entitled to and claims relief under section 13 (small companies' relief) or section 13AA (corporation tax starting rate), apply the provisions of those sections.

But take no account of any other relief that is given by reducing the amount or rate of tax payable (as opposed to the amount of the profits chargeable to tax).

Matching: distributions not exceeding basic profits

- 4 Where in an accounting period the total amount of the distributions made (or treated as made) by a company does not exceed the amount of its basic profits, the amount of the company’s basic profits matched with non-corporate distributions is equal to the total amount of the non-corporate distributions made (or treated as made) by the company in that period.

Matching: distributions exceeding basic profits

- 5 Where in an accounting period the total amount of the distributions made (or treated as made) by a company exceeds its basic profits, the amount of the company’s basic profits for that period matched with non-corporate distributions is—

PART 2

ALLOCATION OF EXCESS NCDs TO OTHER COMPANIES

Allocation of excess NCDs to other companies

- 6 (1) This Part of this Schedule provides for the allocation to other companies of any amount by which the total amount of the non-corporate distributions made (or treated as made) by a company (the “distributing company”) in an accounting period (the “distribution period”) exceeds the amount of the company’s basic profits for that period that are matched under paragraph 5.
- (2) That amount is referred to in this Schedule as “excess NCDs”.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) A company to which an amount of excess NCDs is allocated (a “recipient company”) is treated as if it had made a non-corporate distribution of that amount in the period to which it is allocated.

Allocation of excess NCDs to other group companies

- 7 (1) If at the end of the distribution period the distributing company is a member of a group, excess NCDs must be allocated, so far as possible, to the other group companies.

The allocation must be made in accordance with the following rules.

- (2) Excess NCDs may not be allocated to a recipient company unless it has available profits for the accounting period to which they are to be allocated.
- (3) The amount of a recipient company’s available profits for an accounting period is given by:

$$BP - NCD$$

where—

BP is the amount of that company’s basic profits for that accounting period, and

NCD is the total amount of non-corporate distributions made (or treated as made) by that company in that period.

- (4) The maximum amount of excess NCDs that may be allocated to an accounting period of a recipient company is:

$$\left(\frac{NCD}{D} \right) \times AP$$

where—

NCD is the total amount of the non-corporate distributions made (or treated as made) by the distributing company in the distribution period;

D is the total amount of all the distributions made (or treated as made) by that company in that period; and

AP is the amount of the recipient company’s available profits for that period.

- (5) In determining the amount of a company’s available profits at any time account shall only be taken of excess NCDs allocated to it by virtue of an allocation made before that time that remains (or so far as it remains) effective.

Allocation of excess NCDs: period or periods to which amount to be allocated

- 8 (1) Excess NCDs falling to be allocated to another company under paragraph 7 (allocation to other group companies) may be allocated to any accounting period identified by this paragraph as a corresponding accounting period.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

If there is more than one such period, excess NCDs must be allocated to the first to the full extent possible before any allocation is made to the second, and so on.

- (2) The accounting period of a recipient company that includes the last day of the distribution period is its first corresponding accounting period.

Unless that accounting period is shorter than the distribution period, it is the recipient company's only corresponding accounting period.

- (3) If the first corresponding accounting period is shorter than the distribution period, any subsequent accounting period of the recipient company beginning before the end of the period specified in sub-paragraph (4) is a corresponding accounting period.
- (4) The period referred to in sub-paragraph (3) is a period—
- (a) of the same length as the distribution period, and
 - (b) beginning on the same day as the recipient company's first corresponding accounting period.

Allocation of excess NCDs: degrouping

- 9 (1) This paragraph applies where a company ("company A") ceases to be a member of the same group as another company ("company B") but the companies remain under the control of the same person or persons.

This is referred to below as "degrouping".

- (2) If at the end of any accounting period of company A ending on or after the degrouping but no more than two years after the degrouping—
- (a) company A has excess NCDs that (apart from this paragraph) cannot be allocated to other companies,
 - (b) the business activities of company A and any other companies in the same group as that company are negligible, and
 - (c) the business activities of company B and any other companies in the same group as that company are not negligible,

the provisions of sub-paragraphs (3) to (5) below apply.

The end of the accounting period when the above conditions are met is referred to in those provisions as "the relevant time".

- (3) Company B and any other companies in the same group as that company at the relevant time (the "B group") shall be treated for the purposes of allocating the excess NCDs as if they were members of the same group as company A.
- (4) Any excess NCDs remaining after any allocation made by virtue of sub-paragraph (3) must be allocated—
- (a) to company B or, if different, the company in the B group that at the relevant time has the greatest number of members who are not companies, and
 - (b) to the accounting period of that company that includes the relevant time.

This allocation is not subject to the restrictions in paragraph 7 on the amount that may be allocated to another company.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If there is more than one company answering the description in sub-paragraph (4) (a), the excess NCDs shall be apportioned between them according to the amount of their basic profits for the accounting period to which the amount falls to be allocated.
- (6) In this paragraph “control” shall be construed in accordance with section 416(2) to (6).

Allocation of excess NCDs: procedure

- 10 (1) The basic rule is that the allocation of excess NCDs to another company must be made by the distributing company with the agreement of the recipient company.
- (2) If excess NCDs are not so allocated within nine months after—
 - (a) in a case within paragraph 7, the end of the distribution period, or
 - (b) in a case within paragraph 9, the relevant time within the meaning of that paragraph,
 they may be allocated at any time thereafter by an officer of the Board.
- (3) An allocation under sub-paragraph (1) or (2) may be varied—
 - (a) by agreement between the relevant companies, or
 - (b) if further excess NCDs are required to be allocated and no variation is agreed within one year after its becoming apparent that a variation is required, by an officer of the Board.

Any such variation may in turn be varied as mentioned in paragraph (a) or (b).

- (4) No allocation or variation of an allocation of excess NCDs may be made after the end of the period of one year after whichever of the following last occurs—
 - (a) the final determination of the tax affairs of the distributing company in relation to the distribution period,
 - (b) in a case within paragraph 7, the final determination of the tax affairs of all recipient or potential recipient companies in relation to accounting periods that are or could be corresponding accounting periods, or
 - (c) in a case within paragraph 9, the final determination of the tax affairs of all recipient or potential recipient companies in relation to accounting periods to which an allocation may be made under that paragraph.
- (5) If circumstances arise as a result of which the tax affairs of any such company for any such period are reopened, an allocation or variation of an allocation may (and shall if necessary) be made at any time before the end of the period of one year after the tax affairs of the company are again finally determined.
- (6) For the purposes of sub-paragraphs (4) and (5) the tax affairs of a company for a period are finally determined when the amounts are conclusively determined within the meaning of paragraph 88 of Schedule 18 to the Finance Act 1998 (c. 36) (company tax returns: conclusiveness of amounts stated in return).
- (7) References in this paragraph to variation of an allocation include reducing the amount allocated to nil.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Allocation of excess NCDs: amounts proving to be excessive

- 11 (1) This paragraph applies where an amount of excess NCDs allocated to another company in accordance with this Part of this Schedule later proves to be excessive.
- (2) The excess shall revert to the distributing company.
- (3) If allocations to two or more companies are involved, the amounts shall revert in the opposite order to that in which the allocations were made.
- (4) In the case of allocations made at the same time, the amounts reverting to the distributing company shall be in proportion to the original allocations.

Allocation of excess NCDs to companies not resident in the United Kingdom

- 12 (1) The provisions of this Part of this Schedule as to the allocation of excess NCDs to other companies apply, with any necessary modifications, to companies that are not resident in the United Kingdom as they apply to companies that are so resident.
- (2) In particular, references to the company's basic profits and accounting periods shall be read in relation to a company that is not resident in the United Kingdom as references to what would have been the case if the company had been resident in the United Kingdom at all material times.

PART 3

OTHER SUPPLEMENTARY PROVISIONS

Carry forward of excess NCDs

- 13 (1) Any excess NCDs not allocated to another company under Part 2 shall be carried forward by the distributing company.
- (2) That company shall be treated as if it had made a non-corporate distribution of the amount carried forward (in addition to any distributions actually made by it) in its next accounting period.
- (3) Where an allocation is made under paragraph 9(4) references in this paragraph to the distributing company shall be read as references to the company to which that allocation is made (which is treated by virtue of paragraph 6(3) as having made a distribution in the accounting period to which the allocation is made).

Definition of a group

- 14 (1) For the purposes of section 13AB and this Schedule a company and all its 51% subsidiaries form a group, and if any of those subsidiaries have 51% subsidiaries the group includes them and their 51% subsidiaries, and so on.
- (2) The question whether a company is a 51% subsidiary shall be determined in accordance with section 838, subject to the following provisions.
- (3) A company ("company A") shall be treated for the purposes of this Schedule as if it were a 51% subsidiary of another company ("company B") if company B has rights to, or in fact receives, more than 50% of the distributions made by company A.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) For the purposes of this paragraph a company shall be treated as not being the owner—
- (a) of any share capital that it owns directly if a profit on the sale of the shares would be treated as a trading receipt of its trade, or
 - (b) of any share capital that it owns indirectly and that is owned directly by a body corporate for which a profit on the sale of the shares would be treated as a trading receipt of its trade.

Accounting period treated as ending if company ceases to be a member of a group

- 15 (1) Section 13AB and this Schedule apply in relation to an accounting period of a company in which it ceases to be a member of the group as if there were two accounting periods, one ending immediately before the company ceases to be a member of the group and the other consisting of the remainder of the period.
- (2) For this purpose a company ceases to be in a group if it and another company cease to be in the same group, whether as a result it is no longer in a group, becomes a member of another group or continues to be in the same group as one or more other companies.

Treatment of distributions made otherwise than in an accounting period

- 16 For the purposes of section 13AB and this Schedule, a non-corporate distribution made by a company otherwise than in an accounting period of the company shall be treated as made in the next accounting period of the company.

Holding companies treated as carrying on a business

- 17 (1) For the purposes of section 13AB and this Schedule a holding company that is not otherwise carrying on a business shall be deemed to be carrying on a business and to be within the charge to corporation tax.
- (2) For this purpose “a holding company” means a company that has one or more 51% subsidiaries from which it receives or has received one or more distributions.

Interpretation

- 18 In section 13AB and this Schedule—
- “basic profits” means the amount of a company’s profits for an accounting period on which corporation tax finally falls to be borne;
 - “corresponding accounting period”, in relation to a recipient company, has the meaning given by paragraph 8;

 - (c) there has been no previous benefit crystallisation event in relation to the member and the pension scheme,
 - (d) it extinguishes the member’s entitlement to benefits under the pension scheme, and
 - (e) it is paid when the member has not reached the age of 75.
- (2) But if a lump sum falling within sub-paragraph (1) exceeds an amount equal to the aggregate of the member’s contributions under the pension scheme, the excess is not a short service refund lump sum.
- (3) “Pensionable service”, “normal pension age” and “short service benefit” have the same meaning as in the Pension Schemes Act 1993 (see section 181 (1) of that Act).

Refund of excess contributions lump sum

- 6 (1) A lump sum is a refund of excess contributions lump sum if—
- (a) it is paid in respect of a tax year in which the excess contributions condition is met in respect of the member, and
 - (b) it is paid before the end of the period of six years beginning with the last day of the tax year in respect of which it is paid.
- (2) But if a lump sum falling within sub-paragraph (1) exceeds the member’s available excess contributions allowance for the tax year in respect of which it is paid, the excess is not a refund of excess contributions lump sum.
- (3) The excess contributions condition is met in respect of a member and a tax year if the amount of relievable pension contributions (see section 188(2) and (3)) paid in respect of the member in the tax year exceeds the maximum amount of relief to which the member is entitled for the tax year under section 190 (annual limit for relief).
- (4) If no refund of excess contributions lump sum has been paid to the member in respect of a tax year (by any registered pension scheme), the available excess contributions allowance for that tax year is—

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If one or more refund of excess contributions lump sums have been paid to the member in respect of a tax year, the available excess contributions allowance for that tax year is—

RPC – MAR – ALS

or, if the amount resulting from that calculation is negative, is nil.

- (6) In this paragraph—

RPC is the amount of the relivable pension contributions paid in respect of the member in the tax year,

MAR is the maximum amount of relief to which the member is entitled for the tax year under section 190, and

ALS is the aggregate of the refund of excess contributions lump sums previously paid to the member in respect of the tax year.

Trivial commutation lump sum

- 7 (1) For the purposes of this Part a lump sum is a trivial commutation lump sum if—
- (a) it is paid when no trivial commutation lump sum has previously been paid to the member (by any registered pension scheme) or, if such a lump sum has previously been paid, before the end of the commutation period,
 - (b) on the nominated date, the value of the member's pension rights does not exceed the commutation limit,
 - (c) it is paid when all or part of the member's lifetime allowance is available,
 - (d) it extinguishes the member's entitlement to benefits under the pension scheme, and
 - (e) it is paid when the member has reached the age of 60 but has not reached the age of 75.
- (2) The commutation period is the period beginning with the day on which a trivial commutation lump sum is first paid to the member and ending 12 months after that day.
- (3) The nominated date is the day within the period of three months ending with the first day of the commutation period nominated by the member (or, if no date is nominated, is the first day of the commutation period).
- (4) The commutation limit is 1% of the standard lifetime allowance on the nominated date.
- (5) The value of the member's pension rights on the nominated date is the aggregate of—
- (a) the value of the member's relevant crystallised pension rights on that date (calculated in accordance with paragraph 8), and
 - (b) the value of the member's uncrystallised rights on that date (calculated in accordance with paragraph 9).
- 8 (1) The value of the member's relevant crystallised pension rights on the nominated date is the aggregate of—
- (a) the value of the member's relevant crystallised pension rights on 5th April 2006, calculated in accordance with paragraph 10 of Schedule 36 (as if

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- the member were the individual mentioned there), as adjusted under sub-paragraph (2), and
- (b) the aggregate of the amounts crystallised on benefit crystallisation events in the period beginning with 6th April 2006 and ending with the nominated date, as adjusted under sub-paragraph (3).
- (2) The adjustment referred to in sub-paragraph (1)(a) is the multiplication of the value of the member's relevant crystallised pension rights on 5th April 2006 by—

$$\frac{\text{SLAN}}{\text{FSLA}}$$

where—

SLAN is the standard lifetime allowance on the nominated date, and

FSLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

- (3) The adjustment referred to in sub-paragraph (1)(b) is the multiplication of the amount crystallised by a previous benefit crystallisation event by—

$$\frac{\text{SLAN}}{\text{PSLA}}$$

where—

SLAN is the standard lifetime allowance on the nominated date, and

PSLA is the standard lifetime allowance when the previous benefit crystallisation event occurred.

- 9 (1) The value of the member's uncrystallised rights on the nominated date is the aggregate value of the member's uncrystallised rights on that date under each arrangement relating to the member under a registered pension scheme.
- (2) The value on the nominated date of the member's uncrystallised rights under such an arrangement is to be calculated in accordance with section 212 (valuation of uncrystallised rights for purposes of section 210).

Winding-up lump sum

- 10 (1) For the purposes of this Part a lump sum is a winding-up lump sum if—
- the pension scheme is an occupational pension scheme,
 - the pension scheme is being wound-up,
 - the member's employer meets the conditions in sub-paragraph (3),
 - it is paid when all or part of the member's lifetime allowance is available,
 - it extinguishes the member's entitlement to benefits under the pension scheme, and
 - it is paid when the member has not reached the age of 75.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) But if a lump sum falling within sub-paragraph (1) exceeds 1% of the standard lifetime allowance when the lump sum is paid, the excess is not a winding-up lump sum.
- (3) The conditions are that the employer—
- (a) has made contributions under the pension scheme in respect of the member,
 - (b) is not making contributions under any other registered pension scheme in respect of the member, and
 - (c) undertakes to the Inland Revenue not to make such contributions during the period of one year beginning with the day on which the lump sum is paid.

Lifetime allowance excess lump sum

- 11 For the purposes of this Part a lump sum is a lifetime allowance excess lump sum if—
- (a) it is paid when none of the member’s lifetime allowance is available,
 - (b) it is not a short service refund lump sum or a refund of excess contributions lump sum,
 - (c) it does not reduce the rate of payment of any pension to which the member has become (actually) entitled, or extinguish the member’s entitlement to payment of any such pension,
 - (d) it is paid when the member has reached normal minimum pension age (or the ill-health condition is met), and
 - (e) it is paid when the member has not reached the age of 75.

Interpretation of Part 1

- 12 (1) Expressions used in this Part of this Schedule and in Schedule 28 have the same meaning in this Part of this Schedule as in Schedule 28.
- (2) Where all or part of the member’s lifetime allowance is available immediately before a lump sum is paid, sub-paragraph (3) applies to the lump sum if—
- (a) its amount exceeds the member’s available lifetime allowance, and
 - (b) but for that fact, it would satisfy all the requirements of paragraph 1(1), 4(1), 7 (1) or 10(1).
- (3) For the purposes of this Schedule, the whole of the lump sum (and not only so much of it as does not exceed the member’s available lifetime allowance) is to be treated as paid when all or part of the member’s lifetime allowance is available.
- (4) But sub-paragraph (3) does not apply—
- (a) in the case of a lump sum that would satisfy all the requirements of paragraph 1(1), to so much of it as would be prevented from being a pension commencement lump sum by paragraph 1(2), and
 - (b) in the case of a lump sum that would satisfy all the requirements of paragraph 10(1), to so much of it as would be prevented from being a winding-up lump sum by paragraph 10(2).
- (5) Where by virtue of paragraph 1(2), 5(2), 6(2) or 10(2) an excess is not an authorised lump sum of one description, that does not prevent the excess being an authorised lump sum of another description.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) “Authorised lump sum” means a lump sum authorised to be paid by the lump sum rule.

 - (b) it is paid in respect of a defined benefits arrangement,
 - (c) it is paid before the end of the period of two years beginning with the day on which the member died, and
 - (d) it is not a pension protection lump sum death benefit, trivial commutation lump sum death benefit or winding-up lump sum death benefit.

Pension protection lump sum death benefit

- 14 (1) For the purposes of this Part a lump sum death benefit is a pension protection lump sum death benefit if—
- (a) the member had not reached the age of 75 at the date of the member’s death,
 - (b) it is paid in respect of a defined benefits arrangement,
 - (c) it is paid in respect of a scheme pension to which the member was entitled at the date of the member’s death, and
 - (d) the member has specified that it is to be treated as a pension protection lump sum death benefit (instead of a defined benefits lump sum death benefit).
- (2) But if the amount of a lump sum falling within sub-paragraph (1) exceeds the pension protection limit, the excess is not a pension protection lump sum death benefit.
- (3) The pension protection limit is—

AC – AP – TPLS

where—

AC is the amount crystallised by reason of the member becoming entitled to the pension (see section 216),

AP is the amount of the pension paid in respect of the period between the member becoming entitled to the pension and the member’s death, and

TPLS is the total amount of pension protection lump sum death benefit previously paid in respect of the pension under this paragraph.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (a) had not been applied for purchasing a scheme pension, a lifetime annuity, a dependants' scheme pension or a dependants' annuity, and
 - (b) had not been designated under the arrangement as available for the payment of unsecured pension.
- (3) But if an amount falling within sub-paragraph (1) exceeds the permitted maximum, the excess is not an uncrystallised funds lump sum death benefit.
- (4) The permitted maximum is the aggregate of—
- (a) the amount of the sums, and
 - (b) the market value of the assets,
- which constitute the relevant uncrystallised funds immediately before the payment is made.

 - (b) it is paid in respect of income withdrawal to which the member was entitled under an arrangement at the date of the member’s death.
- (2) A lump sum death benefit is also an unsecured pension fund lump sum death benefit if—

 - (b) the dependant had not reached the age of 75 at the date of the dependant’s death, and
 - (c) it is paid in respect of dependants' income withdrawal to which the dependant was entitled at the date of the dependant’s death in respect of an arrangement relating to the member.
- (3) But if the amount of a lump sum falling within sub-paragraph (1) or (2) exceeds the permitted maximum, the excess is not an unsecured pension fund lump sum death benefit.
- (4) The permitted maximum is the aggregate of—

- (3) But if the amount of a lump sum falling within sub-paragraph (1) or (2) exceeds the permitted maximum, the amount of the excess is not a charity lump sum death benefit.
- (4) The permitted maximum is the aggregate of—
- (a) the amount of the sums, and

- (a) the member had not reached the age of 75 at the date of the member's death,
 - (b) it is paid to a dependant entitled under the pension scheme to pension death benefit in respect of the member,
 - (c) it is paid before the day on which the member would have reached the age of 75, and
 - (d) it extinguishes the dependant's entitlement under the pension scheme to pension death benefit and lump sum death benefit in respect of the member.
- (2) But if the amount of a lump sum falling within sub-paragraph (1) exceeds 1% of the standard lifetime allowance on the date the lump sum is paid, the excess is not a trivial commutation lump sum death benefit.

- 21 (1) For the purposes of this Part a lump sum death benefit is a winding-up lump sum death benefit if—
- (a) the pension scheme is being wound-up,

Definitions

Charge of adequate value

- 1 (1) A charge is of adequate value if it meets conditions A, B and C.
- (2) Condition A is that, at the time the charge is given, the market value of the assets subject to the charge—
- (a) in the case of the first charge to secure the loan, is at least equal to the amount owing (including interest), and
 - (b) in any other case, is at least equal to the lower of that amount and the market value of the assets subject to the previous charge.
- (3) Condition B is that if, at any time after the charge is given, the market value of the assets charged is less than would be required under condition A if the charge were given at that time, the reduction in value is not attributable to any step taken by the pension scheme, the sponsoring employer or a person connected with the sponsoring employer.
- (4) Condition C is that the charge takes priority over any other charge over the assets.

Loan repayment date

- 2 (1) “Loan repayment date” means the date by which the total amount owing (including interest) must be paid.
- (2) A standard loan repayment date is a loan repayment date before the end of the period of five years beginning with the date on which the loan is made.

Loan year

- 3 (1) “Loan year” means—
- (a) the period of 12 months beginning with the date on which the loan is made, and
 - (b) each succeeding period of 12 months.
- (2) But in the period of 12 months in which the loan repayment date falls, the loan year ends on the loan repayment date (and that loan year is the last loan year).

Required amount

- 4 “The required amount”, in relation to a period beginning with the date on which the loan is made and ending with the last day of a loan year, is—

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Loan does not comply with section 179(1) when made

- 5 (1) If a loan does not comply with section 179 (1) (authorised employer loan) when it is made, there is an unauthorised payment of an amount equal to the largest of such of amounts 1, 2, A, B, and C as arise in relation to the loan.
- (2) Paragraphs 12 to 16 explain amounts 1, 2, A, B and C.

Loan ceases to be secured by charge of adequate value

- 6 If at any time after a loan is made the loan ceases to be secured by a charge of adequate value, there is an unauthorised payment equal to amount 2 (see paragraph 13).

Further reduction in value of charge which is not of adequate value

- 7 (1) If at any time after a loan is made—
- (a) the loan is secured by a charge which is not of adequate value, and
 - (b) an event mentioned in sub-paragraph (2) occurs,

 - (c) a reduction in the value of the assets charged which does not comply with condition B, and
 - (d) the charge ceasing to comply with condition C.
- (3) The amount of the unauthorised payment is—

$$AAE - ABE$$

where—

AAE is amount 2 (see paragraph 13) calculated after the event, and

ABE is amount 2 (see paragraph 13) calculated before the event.

- (4) Paragraph 1 defines conditions A, B and C.

Loan ceases to comply with repayment terms

- 8 (1) If at any time after a loan is made—
- (a) there is an alteration in the repayment terms, and
 - (b) as a result the repayment terms cease to comply with one or more paragraphs of section 179(2) (authorised repayment terms),
- there is an unauthorised payment of an amount equal to the larger of such of amounts A, B, and C (see paragraphs 14 to 16) as arise when that paragraph or those paragraphs are not complied with.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (a) there is an alteration in the repayment terms, and
 - (b) as a result the deterioration condition is met in relation to one or more paragraphs of section 179(2) (authorised repayment terms) which were not complied with before the alteration,
- there is an unauthorised payment of an amount calculated in accordance with sub-paragraphs (3) and (4).

- (2) The deterioration condition is met in relation to a paragraph if—

$$AAA > ABA$$

- (3) For each paragraph in relation to which the deterioration condition is met, calculate—

$$AAA - ABA$$

- (4) There is an unauthorised payment of an amount equal to the largest of the amounts calculated under sub-paragraph (3).

- (5) In this paragraph—

AAA, in relation to a paragraph of section 179(2) which was not complied with before the alteration in the repayment terms, is the amount arising when that paragraph is not complied with, calculated after the alteration in the repayment terms, and

ABA, in relation to such a paragraph, is the amount arising when that paragraph is not complied with, calculated before the alteration in the repayment terms.

Prevention of double charging

- 10 (1) This paragraph applies if on any date there is an unauthorised payment under more than one of paragraphs 6 to 9.
- (2) There is a single unauthorised payment.
- (3) The amount of the unauthorised payment is an amount equal to the amount of the greater or greatest of the unauthorised payments under those paragraphs.

Total unauthorised payments not to exceed amount of loan

- 11 If the aggregate amount of the unauthorised payments in relation to a loan under paragraphs 5 to 10 exceeds the amount of the loan when it was made, the excess is to be treated as not being an unauthorised payment.

Amount 1

- 12 (1) Amount 1 arises if paragraph (a) of section 179 (1) (amount of loan must not exceed 50% of pension scheme assets) is not complied with.

Status: Point in time view as at 02/12/2004.

(2) Amount 2 is—

$$AO - VA$$

where—

(2) Amount B is—

 - (b) if the individual had not reached the lowest age at which a pension may be paid under a pension scheme within paragraph 1(1)(a) to a person in good health without giving the Board of Inland Revenue grounds for withdrawing the approval of the pension scheme, that that fact would not give the Board such grounds.
- (6) For the purposes of this paragraph an arrangement relating to an individual relates to an employment if—
- (a) the earnings by reference to which benefits under the arrangement are calculated are earnings from the employment, or
 - (b) the person who is the employer in relation to the employment pays contributions under the arrangement in respect of the individual.
- 10 (1) The value of the individual’s relevant crystallised pension rights on 5th April 2006 is—

- (a) in the case of a money purchase arrangement that is not a cash balance arrangement, if a relevant contribution is paid under the arrangement (see paragraph 14), and
 - (b) in the case of a cash balance arrangement or defined benefits arrangement, if, when a benefit crystallisation event or transfer that is a permitted transfer by virtue of paragraph 12(8)(a) (a “relevant event”) occurs in relation to the individual and the arrangement, the relevant crystallised amount exceeds the appropriate limit (see paragraph 15).
- 14 (1) For the purposes of paragraph 13(a) a relevant contribution is paid under the arrangement if—
- (a) a relievable pension contribution is paid by or on behalf of the individual under the arrangement,
 - (b) a contribution is paid in respect of the individual under the arrangement by an employer of the individual, or
 - (c) a contribution paid by an employer of the individual otherwise than in respect of the individual subsequently becomes held for the purposes of the provision under the arrangement of benefits to or in respect of the individual.
- (2) But the following are not relevant contributions for the purposes of paragraph 13(a)—
- (a) contributions which may be applied only for the provision of benefits in respect of the individual after the individual’s death, and
 - (b) minimum payments under section 8 of the Pension Schemes Act 1993 (c. 48) or section 4 of the Pension Schemes (Northern Ireland) Act 1993 (c. 49) or any amount recovered under regulations made under subsection (3) of either of those sections.
- 15 (1) For the purposes of paragraph 13(b) “the relevant crystallised amount” is—
- (a) if the relevant event is the first relevant event occurring in relation to the individual and to the arrangement or any other cash balance arrangement or defined benefits arrangement related to the arrangement (“the first relevant event”), the amount crystallised by that event, and
 - (b) otherwise, the aggregate of the amount crystallised by the relevant event and the amount crystallised by the relevant event, or by each of the relevant events, which has or have previously occurred in relation to the individual and to the arrangement or any other cash balance arrangement or defined benefits arrangement related to the arrangement.
- (2) If the relevant event is a permitted transfer which is not a benefit crystallisation event, sub-paragraph (1) applies as if the amount crystallised by the event were the aggregate of—

 - (b) the market value of any assets held for the purposes of, or representing accrued rights under, the arrangement [^{F26}which are transferred].
- (3) For the purposes of this paragraph (and paragraph 16) another arrangement is related to the arrangement if—
- (a) the other arrangement relates to the individual, and
 - (b) both the arrangement and the other arrangement relate to the same employment;

and whether an arrangement relates to an employment is to be determined in accordance with paragraph 9(6).

- (4) For the purposes of paragraph 13(b) “the appropriate limit”, in relation to a relevant event, is the greater of—
 - (a) the value of the individual’s rights on 5th April 2006 under the arrangement, or (where there is or are one or more other cash balance arrangements or defined benefits arrangements related to the arrangement) the aggregate of the value of the individual’s rights under the arrangement and the other arrangement or arrangements, arrived at in accordance with paragraphs 8 and 9, as increased by the relevant indexation percentage (see sub-paragraph (5)), and
 - (b) what would be the value of those rights, so arrived at, on the assumptions specified in sub-paragraph (6).
- (5) For the purposes of sub-paragraph (4)(a) “the relevant indexation percentage”, in relation to a relevant event, means whichever is the greatest of—
 - (a) the percentage by which an amount would be increased if it were increased for the period beginning with 6th April 2006 and ending with the date on which the relevant event occurs at an annual rate of 5%,
 - (b) the percentage by which an amount would be increased if it were increased for that period at an annual percentage rate referred to in regulations made by the Board of Inland Revenue, and
 - (c) the percentage by which the retail prices index for the month in which the relevant event occurs is higher than that for April 2006.
- (6) The assumptions referred to in sub-paragraph (4)(b) are—
 - (a) that the individual’s age on 5th April 2006 were what it is at the time of the first relevant event (so that neither paragraph 8(6) nor section 277(a) applies in arriving at what would be the value of the rights under paragraph 8), and
 - (b) that the amount of the earnings which would have fallen to be taken into account under the arrangement for calculating the amount of benefits payable to or in respect of the individual (if the individual became entitled to the present payment of benefits in respect of the rights under the arrangement on that date) were the lesser of the two amounts specified in sub-paragraph (7).
- (7) The amounts referred to in sub-paragraph (6)(b) are—
 - (a) the current amount of the relevant pensionable earnings immediately before the first relevant event, and
 - (b) the post-commencement earnings limit (see paragraphs 16 and 17).
- (8) But sub-paragraph (6)(b) applies in relation to an arrangement under a pension scheme within paragraph 1(1)(c) or (e) as if for “the lesser of the two amounts specified in sub-paragraph (7)” there were substituted “the amount specified in sub-paragraph (7)(a) ”.
- (9) In this paragraph “the relevant pensionable earnings” means the description of earnings (or the portion of the description of earnings) of the individual by reference to which the amount of benefits payable to or in respect of the individual would have fallen to be calculated if the individual became entitled to the present payment of benefits in respect of the rights under the arrangement on 5th April 2006.

- (10) For the purposes of sub-paragraph (7)(a) “the current amount” of the relevant pensionable earnings immediately before the first relevant event is the amount of the relevant pensionable earnings which, at that time, would fall to be taken into account in calculating the amount of benefits payable to or in respect of the individual under the arrangement if the individual became entitled to the present payment of benefits at that time (but subject to sub-paragraph (11)).
- (11) If at that time the individual is absent from work in connection with pregnancy, maternity, paternity or adoption, the current amount of the relevant pensionable earnings at that time includes what would be likely to be included in that amount if the individual were not so absent.

- (2) The post-commencement earnings limit is the lesser of amount A and amount B.
- (3) Amount A is 7.5% of the standard lifetime allowance when the first relevant event occurs.
- (4) Amount B is the amount of the individual’s employment income from the employment to which the arrangement relates for the best period of 12 months during the appropriate three year period.
- (5) The appropriate three year period is the period of three years ending with the time when the first relevant event occurs.
- (6) A period of 12 months during the appropriate three year period is the best period of 12 months during the appropriate three year period if the amount of the individual’s employment income from the employment to which the arrangement relates is greater for that period of 12 months than for any other period of 12 months during the appropriate three year period.

Pre-commencement pension credits

- 18 (1) This paragraph makes provision for the operation of a lifetime allowance enhancement factor in relation to all benefit crystallisation events occurring in relation to an individual where before 6th April 2006 the individual has acquired rights under a pension scheme within paragraph 1 (1) by virtue of having become entitled to a pension credit.
- (2) The lifetime allowance enhancement factor is the pre-commencement pension credit factor.
- (3) The pre-commencement pension credit factor is—

$$\frac{\text{IAPC}}{\text{SLA}}$$

where—

IAPC is the amount which is the appropriate amount for the purposes of section 29 (1) of WRPA 1999 or Article 26 (1) of WRP(NI)O 1999 in relation to the pension credit, as increased by the percentage specified in sub-paragraph (4), and

SLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

- (4) The percentage is the percentage by which the retail prices index for April 2006 is greater than that for the month in which the rights were acquired.
- (5) This paragraph does not apply in the case of an individual if paragraph 7 (primary protection) applies in relation to the individual.

- (2) What would otherwise be the individual's lifetime allowance is to be reduced by the relevant percentage.

 - (b) the individual's protected pension age (see paragraph 22(8) or 23(8)) is less than 50, and
 - (c) the pension scheme is not prescribed by regulations made by the Board of Inland Revenue.
- (4) The relevant percentage is—

$$Y \times 2.5$$

where Y is the number of complete years falling between the date on which the benefit crystallisation event occurs and the date on which the individual will reach normal minimum pension age.

- (5) Sub-paragraph (6) applies where, after the occurrence in relation to the individual of a benefit crystallisation event in relation to which this paragraph has had effect, another benefit crystallisation event occurs in relation to the individual and the pension scheme.
- (6) If the amount crystallised on the previous benefit crystallisation event exceeded the available amount of the individual's lifetime allowance at the time of that benefit crystallisation event, section 219 (availability of individual's lifetime allowance) applies as if the amount crystallised were the available amount of the individual's lifetime allowance at that time.

Pre-commencement pensions

- 20 (1) This paragraph makes provision about an individual who, on 5th April 2006, has an actual (rather than a prospective) right to the payment of one or more relevant existing pensions.

 - (3) In a case where the employer has paid any sum or sums with a view to the provision of benefits under the scheme on or after 6th April 2006—
 - (a) section 394 of ITEPA 2003 does not apply in relation to so much of the lump sum as does not exceed the appropriate fraction of the amount of the market value of the assets of the scheme on 5th April 2006 as increased under sub-paragraph (4), and
 - (b) only any sum or sums paid by the employee after that date with a view to the provision of benefits under the scheme is or are to be taken into account under section 395 of ITEPA 2003 (general rules).
 - (4) For the purposes of sub-paragraph (3)(a)—
 - (a) “the appropriate fraction” of the amount of the market value of the assets of the scheme on 5th April 2006 is the same fraction as the fraction of the assets of the scheme to which the employee would have been entitled had the scheme been wound up on that date, and
 - (b) the amount of the market value of the assets of the scheme on that date is to be increased by the percentage by which the retail prices index for the month in which the lump sum is provided is greater than that for April 2006.
 - (5) In this paragraph—

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) section 151 of the Inheritance Tax Act 1984 continues to apply to the fund or scheme on and after that date for all purposes of that Act, and
 - (b) property which is part of or held for the purposes of the fund or scheme does not constitute relevant property for the purposes of Chapter 3 of Part 3 of that Act (settlements without interest in possession).
- (3) In any other case, paragraphs 57 and 58 apply to the fund or scheme on and after that date.
- 57 (1) The proportion of the assets of the fund or scheme which at any time is the protected proportion of those assets does not at that time constitute relevant property for the purposes of Chapter 3 of Part 3 of the Inheritance Tax Act 1984 (settlements without interest in possession).
- (2) “The protected proportion” of the assets of the fund or scheme at a time is—

$$\frac{\text{ACV}}{V} \times 100$$

where—

V is the market value of the assets of the fund or scheme at that time, and

ACV is the adjusted commencement value, that is an amount equal to the market value of the assets of the fund or scheme on 5th April 2006, but subject to the adjustments provided by sub-paragraph (3).

- (3) The adjustments are—
- (a) an increase by the percentage by which the retail prices index for the month of September immediately preceding the time in question is greater than that for April 2006, and
 - (b) a reduction by the amount of any relevant payments made under the fund or scheme on or after 6th April 2006 and before that time.
- (4) “Relevant payments” are payments other than—
- (a) payments of costs or expenses, or
 - (b) payments which are (or will be) income of any person for any of the purposes of income tax.
- 58 (1) Section 151 of the Inheritance Tax Act 1984 (treatment of pension rights) continues to apply to so much of the assets of the fund or scheme at any time as does not exceed the amount that is the protected amount at that time.
- (2) But sub-paragraph (1) does not affect the operation of subsection (1)(d) of section 58 of that Act (because paragraph 57 makes provision about the extent to which the assets of the fund or scheme constitute relevant property within the meaning given by that section).
- (3) If inheritance tax has not previously been chargeable (otherwise than only because of this paragraph) by reference to the value of the assets of the fund or scheme on or after 6th April 2006, the protected amount is an amount equal to the amount of the market value of the assets of the fund or scheme on 5th April 2006, but subject to the adjustments provided by sub-paragraph (4).

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The adjustments are—
- (a) an increase by the percentage by which the retail prices index for the month of September immediately preceding the time in question is greater than that for April 2006, and
 - (b) a reduction by the amount of any relevant payments made under the fund or scheme on or after 6th April 2006 and before that time.
- (5) If inheritance tax would (apart from this paragraph) have previously been chargeable by reference to the value of the assets of the fund or scheme on one or more occasions on or after 6th April 2006, the protected amount is what it was immediately before the occasion, or (where there has been more than one) the last occasion, on which inheritance tax would have been so chargeable (“the relevant tax occasion”), but—
- (a) reduced by the value of the property on which inheritance tax would have been chargeable on the relevant tax occasion, and
 - (b) subject to the adjustments provided by sub-paragraph (6).
- (6) The adjustments are —
- (a) an increase by the percentage by which the retail prices index for the month of September immediately preceding the time in question is greater than that for the month in which the relevant tax occasion fell, and
 - (b) a reduction by the amount of any payments made under the fund or scheme since the relevant tax occasion.
- (7) “Relevant payments” are payments other than—
- (a) payments of costs or expenses, or
 - (b) payments which are (or will be) income of any person for any of the purposes of income tax.

- (3) In that formula—

T is the aggregate of the tax-exempt tariffing use of the asset in the reference period by—

- (a) the disponor, so far as referable to the interest disposed of, and
- (b) each of the previous owners, so far as referable to that previous owner’s represented interest, and

(b) the proportion of any person’s interest that was transferred to any particular person.

(6) Where—

(a) the disponent or any previous owner acquired the asset or an interest in the asset from another person, and

(b) on that other person’s corresponding disposal of the asset or interest a reduction was made by virtue of this section,

use of the asset shall not be brought into account in determining T or A in the formula in subsection (2) above to the extent that it was so brought into account in relation to that corresponding disposal.

(7) Where paragraph 9 of Schedule 2 to this Act (reduction of disposal receipts in respect of brought-in assets) applies in relation to an asset, no account shall be taken for the purposes of this section of any use of the asset during the initial period.

- (b) any right of either party to determine the lease or renew it.

Leases that continue after a fixed term

- 3 (1) This paragraph applies to—
- (a) a lease for a fixed term and thereafter until determined, or
 - (b) a lease for a fixed term that may continue beyond the fixed term by operation of law.
- (2) For the purposes of this Part (except section 77 (notifiable transactions)), a lease to which this paragraph applies is treated—
- (a) in the first instance as if it were a lease for the original fixed term and no longer,
 - (b) if the lease continues after the end of that term, as if it were a lease for a fixed term one year longer than the original fixed term,
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), as if it were a lease for a fixed term two years longer than the original fixed term,
- and so on.
- (3) Where the effect of sub-paragraph (2) in relation to the continuation of the lease after the end of a fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—
- (a) the purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,
 - (b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of the tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.
- (5) For the purposes of section 77 (notifiable transactions) a lease to which this paragraph applies is a lease for whatever is its fixed term.

Treatment of leases for indefinite term

- 4 (1) For the purposes of this Part (except section 77 (notifiable transactions))—
- (a) a lease for an indefinite term is treated in the first instance as if it were a lease for a fixed term of a year,

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) if the lease continues after the end of the term resulting from the application of paragraph (a), it is treated as if it were a lease for a fixed term of two years,
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), it is treated as if it were a lease for a fixed term of three years,
- and so on.
- (2) No account shall be taken for the purposes of this Part of any other statutory provision in England and Wales or Northern Ireland deeming a lease for an indefinite period to be a lease for a different term.
- (3) Where the effect of sub-paragraph (1) in relation to the continuation of the lease after the end of a deemed fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—
- (a) the purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,
 - (b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of the tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.
- (4A) For the purposes of section 77 (notifiable transactions) a lease for an indefinite term is a lease for a term of less than seven years.
- (5) References in this paragraph to a lease for an indefinite period include—
- (a) a periodic tenancy or other interest or right terminable by a period of notice,
 - (b) a tenancy at will in England and Wales or Northern Ireland, or
 - (c) any other interest or right terminable by notice at any time.

Treatment of successive linked leases

- 5 (1) This paragraph applies where—
- (a) successive leases are granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
 - (b) those grants are linked transactions.
- (2) This Part applies as if the series of leases were a single lease—
- (a) granted at the time of the grant of the first lease in the series,

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (b) for a term equal to the aggregate of the terms of all the leases, and
 - (c) in consideration of the rent payable under all of the leases.
- (3) The grant of later leases in the series is accordingly disregarded for the purposes of this Part except section 81A (return or further return in consequence of later linked transaction).

Rent

- 6 (1) For the purposes of this Part a single sum expressed to be payable in respect of rent, or expressed to be payable in respect of rent and other matters but not apportioned, shall be treated as entirely rent.
- (2) Sub-paragraph (1) is without prejudice to the application of paragraph 4 of Schedule 4 (chargeable consideration: just and reasonable apportionment) where separate sums are expressed to be payable in respect of rent and other matters.

Variable or uncertain rent

- 7 (1) This paragraph applies to determine the amount of rent payable under a lease where that amount—
- (a) varies in accordance with provision in the lease, or
 - (b) is contingent, uncertain or unascertained.
- (2) As regards rent payable in respect of any period before the end of the fifth year of the term of the lease—
- (a) the provisions of this Part apply as in relation to other chargeable consideration, and
 - (b) the provisions of section 51 (1) and (2) accordingly apply if the amount is contingent, uncertain or unascertained.
- (3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount is assumed for the purposes of this Part to be, in every case, equal to the highest amount of rent payable in respect of any consecutive twelve month period in the first five years of the term.
- In determining that amount take into account (if necessary) any amounts determined as mentioned in sub-paragraph (2)(b), but disregard paragraph 9(2) (deemed reduction of rent for overlap period in case of grant of further lease).
- (4) This paragraph has effect subject to paragraph 8 (adjustment where rent payable ceases to be uncertain).
- (5) No account shall be taken for the purposes of this Part of any provision for rent to be adjusted in line with the retail prices index.

First rent review in final quarter of fifth year

- 7A Where—
- (a) a lease contains provision under which the rent may be adjusted,
 - (b) under that provision the first (or only) such adjustment—

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (i) is to an amount that (before the adjustment) is uncertain, and
- (ii) has effect from a date (the “review date”) that is expressed as falling five years after a specified date,

and

- (c) the specified date falls within the three months before the beginning of the term of the lease,

this Schedule has effect as if references to the first five years of the term of the lease were to the period beginning with the start of the term of the lease and ending with the review date. References to the fifth year of the term of the lease shall be read accordingly.

Adjustment where rent ceases to be uncertain

- 8 (1) Where the provisions of section 51 (1) and (2) (contingent, uncertain or unascertained consideration) apply in relation to a transaction by virtue of paragraph 7 (uncertain rent) and—
- (a) the end of the fifth year of the term of the lease is reached, or
 - (b) the amount of rent payable in respect of the first five years of the term of the lease ceases to be uncertain at an earlier date,
- the following provisions have effect to require or permit reconsideration of how this Part applies to the transaction (and to any transaction in relation to which it is a linked transaction).
- (2) For the purposes of this paragraph the amount of rent payable ceases to be uncertain when—
- (a) in the case of contingent rent, the contingency occurs or it becomes clear that it will not occur, and
 - (b) in the case of uncertain or unascertained rent, the amount becomes ascertained.
- (3) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that a transaction becomes notifiable, or that additional tax is payable in respect of a transaction or that tax is payable where none was payable before—
- (a) the purchaser must make a return to the Inland Revenue within 30 days of the date referred to in sub-paragraph (1)(a) or (b),
 - (b) the return must contain a self-assessment of the tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of any tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessment and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to make land transaction return), subject to the adaptation that references to the effective date of the transaction shall be read as references to the date referred to in sub-paragraph (1)(a) or (b).

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that less tax is payable in respect of the transaction than has already been paid—
- (a) the purchaser may, within the period allowed for amendment of the land transaction return, amend the return accordingly;
 - (b) after the end of that period he may (if the land transaction return is not so amended) make a claim to the Inland Revenue for repayment of the amount overpaid.

Rent for overlap period in case of grant of further lease

- 9 (1) This paragraph applies where—
- (a) A surrenders an existing lease to B (“the old lease”) and in consideration of that surrender B grants a lease to A of the same or substantially the same premises (“the new lease”),
 - (b) the tenant under a lease (“the old lease”) of premises to which Part 2 of the Landlord and Tenant Act 1954 or the Business Tenancies (Northern Ireland) Order 1996 applies makes a request for a new tenancy (“the new lease”) which is duly executed,
 - (c) on termination of a lease (“the head lease”) a sub-tenant is granted a lease (“the new lease”) of the same or substantially the same premises as those comprised in his original lease (“the old lease”)—
 - (i) in pursuance of an order of a court on a claim for relief against re-entry or forfeiture, or
 - (ii) in pursuance of a contractual entitlement arising in the event of the head lease being terminated,
- or
- (d) a person who has guaranteed the obligations of a lessee under a lease that has been terminated (“the old lease”) is granted a lease of the same or substantially the same premises (“the new lease”) in pursuance of the guarantee.
- (2) For the purposes of this Part the rent payable under the new lease in respect of any period falling within the overlap period is treated as reduced by the amount of the rent that would have been payable in respect of that period under the old lease.
- (3) The overlap period is the period between the date of grant of the new lease and what would have been the end of the term of the old lease had it not been terminated.
- (4) The rent that would have been payable under the old lease shall be taken to be the amount taken into account in determining the stamp duty land tax chargeable in respect of the acquisition of the old lease.
- (5) This paragraph does not have effect so as to require the rent payable under the new lease to be treated as a negative amount.

Tenants' obligations etc that do not count as chargeable consideration

- 10 (1) In the case of the grant of a lease none of the following counts as chargeable consideration—

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (a) any undertaking by the tenant to repair, maintain or insure the demised premises (in Scotland, the leased premises);
 - (b) any undertaking by the tenant to pay any amount in respect of services, repairs, maintenance or insurance or the landlord's costs of management;
 - (c) any other obligation undertaken by the tenant that is not such as to affect the rent that a tenant would be prepared to pay in the open market;
 - (d) any guarantee of the payment of rent or the performance of any other obligation of the tenant under the lease;
 - (e) any penal rent, or increased rent in the nature of a penal rent, payable in respect of the breach of any obligation of the tenant under the lease.
- (2) Where sub-paragraph (1) applies in relation to an obligation, a payment made in discharge of the obligation does not count as chargeable consideration.
- (3) The release of any such obligation as is mentioned in sub-paragraph (1) does not count as chargeable consideration in relation to the surrender of the lease.

Cases where assignment of lease treated as grant of lease

- 11 (1) This paragraph applies where—
- (a) the grant of a lease is exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), or
 - (b) a lease is granted to a person as bare trustee of the grantor, with the result that the lease is treated as vested in the grantor by virtue of paragraph 3 of Schedule 16.
- (2) The first assignment of the lease that is not exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), and in relation to which the assignee does not acquire the lease as a bare trustee of the assignor, is treated for the purposes of this Part as if it were the grant of a lease by the assignor—
- (a) for a term equal to the unexpired term of the lease referred to in sub-paragraph (1), and
 - (b) on the same terms as those on which the assignee holds that lease after the assignment.
- (3) The provisions are—
- (a) section 57A (sale and leaseback arrangements);
 - (b) Part 1 or 2 of Schedule 7 (group relief or reconstruction or acquisition relief);
 - (c) section 66 (transfers involving public bodies);
 - (d) Schedule 8 (charities relief);
 - (e) any such regulations as are mentioned in section 123(3) (regulations reproducing in relation to stamp duty land tax the effect of enactments providing for exemption from stamp duty).
- (4) This paragraph does not apply where the relief in question is group relief, reconstruction or acquisition relief or charities relief and is withdrawn as

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. a result of a disqualifying event occurring before the effective date of the assignment.

- (5) For the purposes of sub-paragraph (4) “disqualifying event” means—
- (a) in relation to the withdrawal of group relief, the purchaser ceasing to be a member of the same group as the vendor (within the meaning of Part 1 of Schedule 7);
 - (b) in relation to the withdrawal of reconstruction or acquisition relief, the change of control of the acquiring company mentioned in paragraph 9(1)(a) of that Schedule or, as the case may be, the event mentioned in paragraph 11(1)(a) or (2)(a) of that Schedule;
 - (c) in relation to the withdrawal of charities relief, a disqualifying event as defined in paragraphs 2(3) or 3(2) of Schedule 8.

Assignment of lease: responsibility of assignee for returns etc

- 12 (1) Where a lease is assigned, anything that but for the assignment would be required or authorised to be done by or in relation to the assignor under or by virtue of—
- (a) section 80 (adjustment where contingency ceases or consideration is ascertained),
 - (b) section 81A (return or further return in consequence of later linked transaction),
 - (c) paragraph 3 or 4 of this Schedule (return or further return required where lease for indefinite period continues), or
 - (d) paragraph 8 of this Schedule (adjustment where rent ceases to be uncertain),
- shall, if the event giving rise to the adjustment or return occurs after the effective date of the assignment, be done instead by or in relation to the assignee.
- (2) So far as necessary for giving effect to sub-paragraph (1) anything previously done by or in relation to the assignor shall be treated as if it had been done by or in relation to the assignee.
- (3) This paragraph does not apply if the assignment falls to be treated as the grant of a lease by the assignor (see paragraph 11).

Agreement for lease

- 12A(1) This paragraph applies where in England and Wales or Northern Ireland—
- (a) an agreement for a lease is entered into, and
 - (b) the agreement is substantially performed without having been completed.
- (2) The agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.

The effective date of the transaction is that date.

- (3) Where a lease is subsequently granted in pursuance of the agreement—
- (a) the notional lease is treated as if it were surrendered at that time, and

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the lease itself is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.
 - (4) Where sub-paragraph (1) applies and the agreement is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be repaid by the Inland Revenue.
- Repayment must be claimed by amendment of the land transaction return made in respect of the agreement.
- (5) In this paragraph “substantially performed” and “completed” have the same meanings as in section 44 (contract and conveyance).

Assignment of agreement for lease

- 12B (1) This paragraph applies, in place of section 45 (contract and conveyance: effect of transfer of rights), where in England and Wales or Northern Ireland a person assigns his interest as lessee under an agreement for a lease.
- (2) If the assignment occurs without the agreement having been substantially performed, section 44 (contract and conveyance) has effect as if—
 - (a) the contract were with the assignee and not the assignor, and
 - (b) the consideration given by the assignee for entering into the contract included any consideration given by him for the assignment.
 - (3) If the assignment occurs after the agreement has been substantially performed—
 - (a) the assignment is a separate land transaction, and
 - (b) the effective date of that transaction is the date of the assignment.
 - (4) Where there are successive assignments, this paragraph has effect in relation to each of them.

Increase of rent treated as grant of new lease: variation of lease

- 13 (1) Where a lease is varied so as to increase the amount of the rent, the variation is treated for the purposes of this Part as if it were the grant of a lease in consideration of the additional rent made payable by it.
- (2) Sub-paragraph (1) does not apply to an increase of rent in pursuance of a provision contained in the lease (but see paragraph 14).

Increase of rent treated as grant of new lease: abnormal increase after fifth year

- 14 (1) This paragraph applies if, after the end of the fifth year of the term of a lease—
- (a) the amount of rent payable increases (or is increased) in accordance with the provisions of the lease, and
 - (b) the rent payable as a result (“the new rent”) is such that the increase falls to be regarded as abnormal (see paragraph 15).

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The increase in rent is treated as if it were the grant of a lease in consideration of the excess rent.
- (3) The excess rent is the difference between the new rent and the rent previously taxed.
- (4) The rent previously taxed is—
 - (a) where the provisions of this paragraph have not previously applied to a rent increase under the lease, the rent that is assumed to be payable after the fifth year of the term of the lease (in accordance with paragraph 7(3));
 - (b) where the provisions of this paragraph have previously so applied, the rent payable as a result of the last increase in relation to which the provisions of this paragraph applied.
- (5) The deemed grant is treated as—
 - (a) made on the date on which the increased rent first became payable, and
 - (b) for a term equal to the unexpired part of the original lease, and as linked with the grant of the original lease (and with any other transaction with which that transaction is linked).
- (6) The assumption in paragraph 7(3) (that the rent does not change after the end of the fifth year of the term of a lease) does not apply for the purposes of this paragraph or paragraph 15 except for the purpose of determining the rent previously taxed.

Increase of rent after fifth year: whether regarded as abnormal

- 15 Whether an increase in rent is to be regarded for the purposes of paragraph 14 as abnormal is determined as follows:— *Step One*

Find the start date, which is—

- (a) where the provisions of that paragraph have not previously applied to a rent increase under the lease, the beginning of the period by reference to which the rent assumed to be payable after the fifth year of the term of the lease is determined in accordance with paragraph 7(3);
- (b) where the provisions of that paragraph have previously so applied, the date of the last increase in relation to which the provisions of that paragraph applied.

Step Two

Divide the period between the start date and the date on which the new rent first becomes payable (“the reference period”) into—

- (a) successive periods of twelve months running from the start date (if any), and
- (b) any remaining period which does not fall within paragraph (a).

Step Three

Find the factor by which the retail prices index has increased over each period identified in step two.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

This is a figure expressed as a decimal and determined by the formula—

If, in relation to any period, RD is equal to or less than RI, the factor by which the retail prices index has increased over the period in question shall be treated as nil.

If, in relation to any period, the figure determined in accordance with the formula would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

Step Four

Find the relevant factor for each period identified in step two.

This is a figure expressed as a decimal and determined by the formula—

where—

m is the number of months in the period in question (treating part of a month as a whole month), and

r is the factor by which the retail prices index has increased over the period in question, determined under step three.

If, in relation to any period, the figure determined in accordance with the formula would have more than 3 decimal places, round it to the nearest third decimal place.

Step Five

Find the uplift factor for the reference period as follows.

If there is only one period identified in step two, the uplift factor for the reference period is the relevant factor for that period.

If there are only two periods identified in step two, the uplift factor for the reference period is calculated by multiplying the relevant factors for those periods.

If there are more than two periods identified in step two, the uplift factor for the reference period is calculated by—

- (a) multiplying the relevant factors for the first two periods,
- (b) multiplying the result by the relevant factor for the next period,
- (c) if there are further periods, multiplying the result by the relevant factor for the next period,

until all periods have been taken into account.

If the uplift factor for the reference period would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

Step Six

The rent increase is regarded as abnormal if the new rent is greater than:

Reduction of rent or term

- 15A(1) Where a lease is varied so as to reduce the amount of the rent, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessee.
- (2) Where a lease is varied so as to reduce the term, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessor.

Surrender of existing lease in return for new lease

- 16 Where a lease is granted in consideration of the surrender of an existing lease between the same parties—
- (a) the grant of the new lease does not count as chargeable consideration for the surrender, and
 - (b) the surrender does not count as chargeable consideration for the grant of the new lease.

Paragraph 5 (exchanges) of Schedule 4 (chargeable consideration) does not apply in such a case.

Assignment of lease: assumption of obligations by assignee

- 17 In the case of an assignment of a lease the assumption by the assignee of the obligation—
- (a) to pay rent, or
 - (b) to perform or observe any other undertaking of the tenant under the lease,
- does not count as chargeable consideration for the assignment.

Reverse premium

- 18 (1) In the case of the grant, assignment or surrender of a lease a reverse premium does not count as chargeable consideration.
- (2) A “reverse premium” means—
- (a) in relation to the grant of a lease, a premium moving from the landlord to the tenant;
 - (b) in relation to the assignment of a lease, a premium moving from the assignor to the assignee;
 - (c) in relation to the surrender of a lease, a premium moving from the tenant to the landlord.

Provisions relating to leases in Scotland

- 19 (1) In the application of this Part to Scotland—
- (a) any reference to the term of a lease is to the period of the lease, and
 - (b) any reference to the reversion on a lease is to the interest of the landlord in the property subject to the lease.

Status: Point in time view as at 02/12/2004.

- (2) Where in Scotland there is a lease constituted by concluded missives of let (“the first lease”) and at some later time a lease is executed (“the second lease”)—
- (a) the first lease is treated as if it were surrendered at that time, and
 - (b) the second lease is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.
- (3) Where in Scotland—
- (a) there is an agreement (including missives of let not constituting a lease) under which a lease is to be executed, and
 - (b) the agreement is substantially performed without a lease having been executed,
- the agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.
- The effective date of the transaction is when the agreement is substantially performed.
- (4) Where sub-paragraph (3) applies and at some later time a lease is executed—
- (a) the notional lease is treated as if it were surrendered at that time, and
 - (b) the lease itself is treated for the purposes of paragraph 9 as if it were granted in consideration of that surrender.
- (5) References in sub-paragraphs (2) to (4) to the execution of a lease are to the execution of a lease that either is in conformity with, or relates to substantially the same property and period as, the missives of let or other agreement.
- (6) Where sub-paragraph (3) applies and the agreement is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be repaid by the Inland Revenue.
- Repayment must be claimed by amendment of the land transaction return made in respect of the agreement.”.
- (3) In section 51 (contingent, uncertain or unascertained consideration), after subsection (4) add—
- “(5) This section applies in relation to chargeable consideration consisting of rent only to the extent that it is applied by paragraph 7 of Schedule 17A.”.
- (4) In section 80 (adjustment where contingency ceases or consideration becomes certain)—
- (a) in subsection (3) for “land transaction return” substitute “ return under section 76 (general requirement to make land transaction return), subject to the adaptation that references to the effective date of the transaction shall be read as references to the date of the event as a result of which the return is required ”; and

Transfer of chargeable interest from a partnership: sum of the lower proportions

- 20 (1) The sum of the lower proportions in relation to a transaction to which paragraph 18 applies is determined as follows:—

Step One

Identify the relevant owner or owners.

A person is a relevant owner if—

- (a) immediately after the transaction, he is entitled to a proportion of the chargeable interest, and
- (b) immediately before the transaction, he was a partner or connected with a partner.

Step Two

For each relevant owner, identify the corresponding partner or partners.

A person is a corresponding partner in relation to a relevant owner if, immediately before the transaction—

- (a) he was a partner, and
- (b) he was the relevant owner or was connected with the relevant owner.

Step Three

For each relevant owner, find the proportion of the chargeable interest to which he is entitled immediately after the transaction.

Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step Four

Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—

- (a) the proportion of the chargeable interest attributable to the partner, or
- (b) if lower, the partnership share attributable to the partner.

The proportion of the chargeable interest attributable to the partner is—

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. - (i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;
- (ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

Paragraph 21 provides for determining the partnership share attributable to the partner.

Step Five

Add together the lower proportions of each person who is a corresponding partner in relation to one or more relevant owners.

The result is the sum of the lower proportions.

- (2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled to the chargeable interest as beneficial tenants in common (or, in Scotland, as owners in common) in equal shares.

Transfer of chargeable interest from a partnership: partnership share attributable to partner

- 21 (1) This paragraph provides for determining the partnership share attributable to a partner for the purposes of paragraph 20 (1) (see Step Four).
- (2) Paragraph 22 applies for determining the partnership share attributable to a partner where—
 - (a) the effective date of the transfer of the relevant chargeable interest to the partnership was before 20th October 2003, or
 - (b) the effective date of the transfer of the relevant chargeable interest to the partnership was on or after that date and—

 - (ii) any tax payable in respect of the transfer has been duly paid under this Part.
- (3) Where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20th October 2003 but neither of the conditions in sub-paragraphs (i) and (ii) of sub-paragraph (2)(b) is met, the partnership share attributable to the partner is zero.
- (4) The relevant chargeable interest is—
 - (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 18 applies, or
 - (b) where the transaction to which paragraph 18 applies is the grant or creation of a chargeable interest, the chargeable interest out of which that interest is granted or created.

Status: Point in time view as at 02/12/2004.

Changes to legislation: Finance Act 2004 is up to date with all changes known to be in force on or before 05 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 22 (1) Where this paragraph applies, the partnership share attributable to the partner is determined as follows:—

Step One

Find the partner's actual partnership share on the relevant date.

In a case falling within paragraph 21(2)(a), the relevant date—

- (a) if the partner was a partner on 19th October 2003, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

In a case falling within paragraph 21(2)(b), the relevant date—

- (a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

Step Two

Add to that partnership share any increases in the partner's partnership share which—

- (a) occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies, and
- (b) count for this purpose.

The result is the increased partnership share.

An increase counts for the purpose of paragraph (b) only if—

- (i) where the transfer which resulted in the increase took place on or before the date on which the Finance Act 2004 was passed, the instrument by which the transfer was effected has been duly stamped with *ad valorem* stamp duty under the enactments relating to stamp duty;
- (ii) where the transfer which resulted in the increase took place after that date, any tax payable in respect of the transfer has been duly paid under this Part.

Step Three

Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies.

The result is the partnership share attributable to the partner.

- (2) If the effect of applying Step Three would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
- (3) In a case falling within paragraph 21(2)(a), if the partner ceased to be a partner before 19th October 2003, the partnership share attributable to the partner is zero.

Status: Point in time view as at 02/12/2004.
