SUPPLEMENTARY PROVISIONS ABOUT NUCLEAR TRANSFER SCHEMES

Identification of property to which scheme applies

- 1 A nuclear transfer scheme may set out the property, rights and liabilities to be transferred in one or more of the following ways—
 - (a) by specifying or describing them in particular;
 - (b) by identifying them generally by reference to, or to a specified part of, an undertaking from which they are to be transferred; or
 - (c) by specifying the manner in which they are to be determined.
