Prohibition orders

24 Operation of prohibition orders

- (1) This section deals with the time when a prohibition order becomes operative.
- (2) The general rule is that a prohibition order becomes operative at the end of the period of 28 days beginning with the date specified in the notice as the date on which it is made.
- (3) The general rule is subject to subsection (4) (suspended orders) and subsection (5) (appeals).
- (4) If the order is suspended under section 23, the order becomes operative at the time when the suspension ends.

This is subject to subsection (5).
- (5) If an appeal is brought against the order under Part 3 of Schedule 2, the order does not become operative until such time (if any) as is the operative time for the purposes of this subsection under paragraph 14 of that Schedule (time when order is confirmed on appeal, period for further appeal expires or suspension ends).
- (6) If no appeal against a prohibition order is made under that Part of that Schedule within the period for appealing against it, the order is final and conclusive as to matters which could have been raised on an appeal.

Status: This is the original version (as it was originally enacted).

- (7) Sections 584A and 584B of the Housing Act 1985 (c. 68) provide for the payment of compensation where certain prohibition orders become operative, and for the repayment of such compensation in certain circumstances.
