[^{F8}38A Section 38 contribution notice: meaning of “material detriment test”

- (1) For the purposes of section 38 the material detriment test is met in relation to an act or failure if the Regulator is of the opinion that the act or failure has detrimentally affected in a material way the likelihood of accrued scheme benefits being received (whether the benefits are to be received as benefits under the scheme or otherwise).

Status: Point in time view as at 06/04/2010.

Changes to legislation: Pensions Act 2004, Cross Heading: Contribution notices where avoidance of employer debt is up to date with all changes known to be in force on or before 26 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In this section any reference to accrued scheme benefits being received is a reference to benefits the rights to which have accrued by the relevant time being received by, or in respect of, the persons who were members of the scheme before that time.
- (3) In this section “the relevant time” means—
 - (a) in the case of an act, the time of the act, or
 - (b) in the case of a failure—
 - (i) the time when the failure occurred, or
 - (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period;and, in the case of acts or failures to act forming part of a series, any reference in this subsection to an act or failure is a reference to the last of the acts or failures in that series.
- (4) In deciding for the purposes of section 38 whether the material detriment test is met in relation to an act or failure, the Regulator must have regard to such matters as it considers relevant, including (where relevant)—
 - (a) the value of the assets or liabilities of the scheme or of any relevant transferee scheme,
 - (b) the effect of the act or failure on the value of those assets or liabilities,
 - (c) the scheme obligations of any person,
 - (d) the effect of the act or failure on any of those obligations (including whether the act or failure causes the country or territory in which any of those obligations would fall to be enforced to be different),
 - (e) the extent to which any person is likely to be able to discharge any scheme obligation in any circumstances (including in the event of insolvency or bankruptcy),
 - (f) the extent to which the act or failure has affected, or might affect, the extent to which any person is likely to be able to do as mentioned in paragraph (e), and
 - (g) such other matters as may be prescribed.
- (5) In subsection (4) “scheme obligation” means a liability or other obligation (including one that is contingent or otherwise might fall due) to make a payment, or transfer an asset, to—
 - (a) the scheme, or
 - (b) any relevant transferee scheme in respect of any persons who were members of the scheme before the relevant time.
- (6) In this section—
 - (a) “relevant transferee scheme” means any work-based pension scheme to which any accrued rights to benefits under the scheme are transferred;
 - (b) any reference to the assets or liabilities of any relevant transferee scheme is a reference to those assets or liabilities so far as relating to persons who were members of the scheme before the relevant time.
- (7) For the purposes of subsection (6)(a) the reference to the transfer of accrued rights of members of a pension scheme to another pension scheme includes a reference to the extinguishing of those accrued rights in consequence of the obligation to make a payment, or transfer an asset, to that other scheme.
- (8) In this section—

- (a) “work-based pension scheme” has the meaning given by section 5(3);
 - (b) any reference to rights which have accrued is to be read in accordance with section 67A(6) and (7) of the Pensions Act 1995 (reading any reference in those subsections to a subsisting right as a reference to a right which has accrued).
- (9) In deciding for the purposes of this section whether an act or failure has detrimentally affected in a material way the likelihood of accrued scheme benefits being received, the following provisions of this Act are to be disregarded—
- (a) Chapter 3 of Part 2 (the Board of the Pension Protection Fund: pension protection), and

38B Section 38 contribution notice issued by reference to material detriment test: defence

- (1) This section applies where—
- (a) a warning notice is given to any person (“P”) in respect of a contribution notice under section 38, and
 - (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the material detriment test is met in relation to an act or deliberate failure to act to which P was a party.
- (2) If the Regulator is satisfied that P has shown that—
- (a) conditions A and C are met, and
 - (b) where applicable, condition B is met,
- the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in subsection (1)(b).
- (3) Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which the act or failure might detrimentally affect in a material way the likelihood of accrued scheme benefits being received.
- (4) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential detrimental effects that the act or failure might have on the likelihood of accrued scheme benefits being received.
- (5) Condition C is that, having regard to all relevant circumstances prevailing at the relevant time, it was reasonable for P to conclude that the act or failure would not detrimentally affect in a material way the likelihood of accrued scheme benefits being received.

Status: Point in time view as at 06/04/2010.

Changes to legislation: Pensions Act 2004, Cross Heading: Contribution notices where avoidance of employer debt is up to date with all changes known to be in force on or before 26 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances.
- (7) For the purposes of condition C—
- (a) “the relevant time” means the time at which the act occurred or the failure to act first occurred;
 - (b) the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at that time (including acts or failures to act which have occurred before that time and P's expectation at that time of other acts or failures to act occurring).
- (8) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in subsection (2) if P shows in the case of each of the acts or failures in the series that—
- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
 - (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown.
- (9) The matters to be shown are that—
- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together,
 - (b) condition B is (where applicable) met in relation to that effect, and
 - (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred).
- (10) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group—
- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of subsection (8), and
 - (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in subsection (9).

Nothing in paragraph (b) is to be read as preventing P from showing the matters mentioned in subsection (8)(a).

- (11) If—
- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in subsection (8)(a) or (b) are met, but
 - (b) does show in the case of some of them that those matters are met,
- the acts or failures within paragraph (b) are not to count for the purposes of section 38A as acts or failures to act in the series.
- (12) In this section—
- (a) “a warning notice” means a notice given as mentioned in section 96(2)(a);
 - (b) any reference to an act or failure to which a person is a party has the same meaning as in section 38(6)(a);

Status: Point in time view as at 06/04/2010.

(c) any reference to the accrued scheme benefits being received has the same meaning as in section 38A;

and subsection (9) of section 38A applies for the purposes of conditions A to C as it applies for the purposes of that section.

39 The sum specified in a section 38 contribution notice

(1) The sum specified by the Regulator in a contribution notice under section 38 may be either the whole or a specified part of the shortfall sum in relation to the scheme.

(2) Subject to subsection (3), the shortfall sum in relation to a scheme is—

- (a) in a case where, at the relevant time, a debt was due from the employer to the trustees or managers of the scheme under section 75 of the Pensions Act 1995 (c. 26) (“the 1995 Act”) (deficiencies in the scheme assets), the amount which the Regulator estimates to be the amount of that debt at that time, and
- (b) in a case where, at the relevant time, no such debt was due, the amount which the Regulator estimates to be the amount of the debt under section 75 of the 1995 Act which would become due if—
 - (i) subsection (2) of that section applied, and
 - (ii) the time designated by the trustees or managers of the scheme for the purposes of that subsection were the relevant time.

(3) Where the Regulator is satisfied that the act or failure to act falling within section 38(5) resulted—

- (a) in a case falling within paragraph (a) of subsection (2), in the amount of the debt which became due under section 75 of the 1995 Act being less than it would otherwise have been, or
- (b) in a case falling within paragraph (b) of subsection (2), in the amount of any such debt calculated for the purposes of that paragraph being less than it would otherwise have been,

the Regulator may increase the amounts calculated under subsection (2)(a) or (b) by such amount as the Regulator considers appropriate.

(4) For the purposes of this section “the relevant time” means [^{F9}(subject to subsection (4A))] —

- (a) in the case of an act falling within subsection (5) of section 38, the time of the act, or
- (b) in the case of a failure to act falling within that subsection—
 - (i) the time when the failure occurred, or
 - (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period.

[^{F10}(4A) In the case of a series of acts or failures to act, “the relevant time” is determined by reference to whichever of the acts or failures in the series is, in the Regulator's opinion, most appropriate.]

- (5) For the purposes of this section—
- (a) references to a debt due under section 75 of the 1995 Act include a contingent debt under that section, and
 - (b) references to the amount of such a debt include the amount of such a contingent debt.

- (b) the transferee scheme,
the Regulator determines to be more appropriate in the circumstances.
- (4) In any case where section 39 has effect in relation to the transferee scheme by virtue of subsection (3), any reference in that section to a debt under section 75 of the 1995 Act is a reference to so much of that debt as, in the Regulator's opinion, is attributable to those members of the transferee scheme who were members of the initial scheme.

- (1) In section 39A a “transferee scheme”, in relation to any time, means any work-based pension scheme—
- (a) to which the accrued rights of at least two persons who were members of the initial scheme have been transferred, and
 - (b) of which any of those persons are members at that time.
- (2) For the purposes of section 39A(1) and subsection (1) above it does not matter whether any rights are transferred to a work-based pension scheme directly from the initial scheme or following one or more other transfers to other work-based pension schemes.
- (3) For the purposes of section 39A and this section references to the transfer of accrued rights of members of a pension scheme to another pension scheme include references to the extinguishing of those accrued rights in consequence of the obligation to make a payment, or transfer an asset, to that other scheme.

- (a) “the 1995 Act” means the Pensions Act 1995;
 - (b) “work-based pension scheme” has the meaning given by section 5(3);

- (5) Section 39A applies even if the initial scheme—

 - (b) otherwise ceases to exist at the time of the transfer or at any subsequent time.
- (6) Accordingly, in any such case, in subsection (1) of that section—
 - (a) the reference to a scheme to which section 38 applies is a reference to a scheme which was such a scheme before the transfer;
 - (b) the reference to any conditions in section 38 being met is a reference to any conditions in that section that, but for the transfer, would have been met in relation to the scheme.
- (7) Nothing in section 39A or this section is to be read as preventing the Regulator from issuing a contribution notice in relation to the initial scheme.
- (8) Regulations may make provision applying, with or without modifications, any provision made by or under section 39A or this section in relation to any scheme or other arrangement in any case where the accrued rights of persons who were members of the initial scheme are transferred or extinguished directly or indirectly in consequence of or otherwise in connection with—

40 Content and effect of a section 38 contribution notice

- (1) This section applies where a contribution notice is issued to a person under section 38.
- (2) The contribution notice must—

 - (b) specify the sum which the person is stated to be under a liability to pay, and

- (4) In such a case, the Regulator may, on behalf of the trustees or managers of the scheme, exercise such powers as the trustees or managers have to recover the debt.
- (5) But during any assessment period (within the meaning of section 132) in relation to the scheme, the rights and powers of the trustees or managers of the scheme in relation to any debt due to them by virtue of a contribution notice are exercisable by the Board of the Pension Protection Fund to the exclusion of the trustees or managers and the Regulator.
- (6) Where, by virtue of subsection (5), any amount is paid to the Board in respect of a debt due by virtue of a contribution notice, the Board must pay the amount to the trustees or managers of the scheme.
- (7) Where the contribution notice states that the person is under a liability to pay the sum specified in the notice to the Board, the sum is to be treated as a debt due from the person to the Board.
- (8) Where the contribution notice so specifies, the person to whom the notice is issued (“P”) is to be treated as jointly and severally liable for the debt with any persons specified in the notice who are persons to whom corresponding contribution notices are issued.
- (9) For the purposes of subsection (8), a corresponding contribution notice is a notice which—
 - (a) is issued as a result of the same act or failure to act falling within subsection (5) of section 38 as the act or failure as a result of which P’s contribution notice is issued,
 - (b) specifies the same sum as is specified in P’s contribution notice, and
 - (c) specifies that the person to whom the contribution notice is issued is jointly and severally liable with P, or with P and other persons, for the debt in respect of that sum.
- (10) A debt due by virtue of a contribution notice is not to be taken into account for the purposes of section 75(2) and (4) of the Pensions Act 1995 (c. 26) (deficiencies in the scheme assets) when ascertaining the amount or value of the assets or liabilities of a scheme.
