Part 1: Registration

Section 21 Official copies

113. **Section 21** provides for the admissibility in evidence, and the issue, of official copies. There is no provision in section 21 or elsewhere in Part 1 for official searches of the register (for which purpose regulations were made under the 1965 Act): it is expected that instead, non-statutory provision will be made for searches in an amendment to form CON29 Part II published by the Law Society.
