Part 4: Schools Causing Concern

Section 61: School requiring significant improvement

280. This section provides that a maintained school is eligible for intervention if, following an inspection under Chapter 1 of Part 1 of the 2005 Act, the Chief Inspector has given a notice under *subsection (3)(a)* of section 13 of the 2005 Act that the school requires significant improvement, as defined by section 44 of the 2005 Act.
281. *Paragraph (b)* has the effect that, where there is a further inspection, a school is only eligible for intervention under this section if, following the inspection, the notice to the Secretary of State has not been superseded by either a report that the school no longer requires significant improvement or an additional notice to the Secretary of State that the school requires special measures.
