- (a) an employee has contractual rights against an NHS trust to benefits in the event of his redundancy, and
 - (b) he also has statutory rights against the trust under Part 11 of the Employment Rights Act 1996 (c. 18) (redundancy payments),

SCHEDULE 12 **E+W**

Section 33

SECTION 33 ARRANGEMENTS: TRANSFER OF STAFF

Application of Schedule

1 This Schedule applies where, under any arrangements under regulations under section 33, any functions of a body (“the transferor”) will be exercised by another body (“the transferee”).

Orders transferring staff

- 2 (1) The Welsh Ministers may by order transfer to the transferee any specified description of employees of the transferor.
- (2) An order may be made under this paragraph only if any prescribed requirements about consultation have been complied with in relation to each of the employees to be transferred.

Effect of order on contracts of employment

- 3 (1) The contract of employment of an employee transferred by an order under paragraph 2—
 - (a) is not terminated by the transfer, and
 - (b) has effect from the date of the transfer as if originally made between the employee and the transferee.
- (2) In particular—

Status: Point in time view as at 03/11/2008. This version of this Act contains provisions that are not valid for this point in time.

- (3) Sub-paragraphs (1) and (2) do not transfer an employee's contract of employment, or the rights, powers, duties and liabilities under or in connection with it, if he informs the transferor or the transferee that he objects to the transfer.
- (4) Where an employee objects as mentioned in sub-paragraph (3), his contract of employment with the transferor is terminated immediately before the date on which the transfer would occur; but he must not be treated, for any purpose, as having been dismissed by that body.
- (5) This paragraph does not affect any right of an employee transferred by an order under paragraph 2 to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right arises by reason only that, under this paragraph, the identity of his employer changes unless the employee shows that, in all the circumstances, the change is a significant change and is to his detriment.

Effect of order on pension rights

- 4 (1) An order under paragraph 2 may provide that, in the case of an employee of any specified description who is transferred by the order, paragraph 3 does not apply in relation to—

- (3) The provision which may be made by virtue of sub-paragraph (2) includes provision—
- (a) for any such employee's contract of employment with the transferee to have effect with any specified modifications,
 - (b) for relevant pension provisions of any specified description to have effect in the case of any such employee with any such modifications.
- (4) In this paragraph “relevant pension provisions” means the provisions of an occupational pension scheme within the meaning of the Pension Schemes Act 1993 (c. 48), with the exception (if the order under paragraph 2 so provides) of any provisions of such a scheme falling within a description specified in the order.

Divided employments

- 5 (1) Where an employee will be transferred by an order under paragraph 2 but will continue to be employed for certain purposes by the transferor, the order may provide that the contract of employment of the employee is, on the date on which the employee is transferred, divided so as to constitute two separate contracts of employment between the employee and the transferor and between the employee and the transferee.
- (2) Where an employee's contract of employment is divided as provided under sub-paragraph (1)—
- (a) the order must provide for paragraph 3 to have effect in the case of the employee and his contract of employment subject to appropriate modifications, and
