- (2) The first condition is that the continued inclusion of the practitioner in the list would be prejudicial to the efficiency of the services which those included in the list undertake to provide (and such a case is referred to in this Chapter as an “efficiency case”).
- (3) The second condition is that the practitioner—
 - (a) has (whether on his own or together with another) by an act or omission caused, or risked causing, detriment to any health scheme by securing or trying to secure for himself or another any financial or other benefit, and
 - (b) knew that he or the other was not entitled to the benefit,(and such a case is referred to in this Chapter as a “fraud case”).
