- (2) If an NHS trust order makes the provision referred to in sub-paragraph (1), then, at any time during the period referred to in that sub-paragraph, the NHS trust must be regarded as properly constituted (and may carry out its limited functions accordingly) notwithstanding that, at that time, all or any of the executive directors have not yet been appointed.
- (3) If an NHS trust order makes the provision referred to in sub-paragraph (1), the order may require a Strategic Health Authority, Special Health Authority or Local Health Board to discharge such liabilities of the NHS trust as—

 - (b) are of a description specified in the order.

Transfer of staff to NHS trusts

 - (b) on or after that earlier date but before its operational date the NHS trust makes an offer of employment by the NHS trust to a person who at that time is employed by a Special Health Authority, Primary Care Trust or Local Health Board to work (whether solely or otherwise) at, or for the purposes of, the hospital or other establishment or facility which will become the responsibility of the NHS trust, and
 - (c) as a result of the acceptance of the offer, the person to whom it was made becomes an employee of the NHS trust,
- sub-paragraphs (4) and (5) have effect in relation to that person's contract of employment as if he were a person to whom this paragraph applies and as if any reference in those sub-paragraphs to the operational date of the NHS trust were a reference to the date on which he takes up employment with the NHS trust.
- (7) Sub-paragraphs (4) and (5) do not affect any right of an employee to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right arises by reason only of the change in employer effected by this paragraph.
- (8) A scheme under this paragraph may designate a person either individually or as a member of a class or description of employees.
- (9) In the case of a person who falls within sub-paragraph (1)(b), a scheme under this paragraph may provide that, with effect from the NHS trust's operational date, his contract of employment (his “original contract”) must be treated, in accordance with the scheme, as divided so as to constitute—

- (a) all the rights, powers, duties and liabilities of the transferor under or in connection with the employee's contract of employment are by virtue of this sub-paragraph transferred to the transferee, and
 - (b) anything done before the date of the transfer by or in relation to the transferor in respect of the employee or his contract of employment is deemed from that date to have been done by or in relation to the transferee.
- (3) Sub-paragraphs (1) and (2) do not transfer an employee's contract of employment, or the rights, powers, duties and liabilities under or in connection with it, if he informs the transferor or the transferee that he objects to the transfer.
- (4) Where an employee objects as mentioned in sub-paragraph (3), his contract of employment with the transferor is terminated immediately before the date on which the transfer would occur; but he must not be treated, for any purpose, as having been dismissed by that body.
- (5) This paragraph does not affect any right of an employee transferred by an order under paragraph 2 to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right arises by reason only that, under this paragraph, the identity of his employer changes unless the employee shows that, in all the circumstances, the change is a significant change and is to his detriment.

Effect of order on pension rights

- 4 (1) An order under paragraph 2 may provide that, in the case of an employee of any specified description who is transferred by the order, paragraph 3 does not apply in relation to—
- (a) so much of the employee's contract of employment as relates to relevant pension provisions, or
 - (b) any rights, powers, duties or liabilities under or in connection with that contract, or otherwise arising in connection with the employee's employment, and relating to such provisions.
- (2) If an order under paragraph 2 provides as mentioned in sub-paragraph (1), the order may in relation to any such employee make such provision (if any) as the Welsh Ministers consider appropriate with respect to all or any of the matters mentioned in paragraphs (a) and (b) of that sub-paragraph.
- (3) The provision which may be made by virtue of sub-paragraph (2) includes provision—
- (a) for any such employee's contract of employment with the transferee to have effect with any specified modifications,
 - (b) for relevant pension provisions of any specified description to have effect in the case of any such employee with any such modifications.
- (4) In this paragraph “relevant pension provisions” means the provisions of an occupational pension scheme within the meaning of the Pension Schemes Act 1993 (c. 48), with the exception (if the order under paragraph 2 so provides) of any provisions of such a scheme falling within a description specified in the order.

Divided employments

- 5 (1) Where an employee will be transferred by an order under paragraph 2 but will continue to be employed for certain purposes by the transferor, the order may provide that the contract of employment of the employee is, on the date on which the employee is transferred, divided so as to constitute two separate contracts of employment between the employee and the transferor and between the employee and the transferee.
- (2) Where an employee's contract of employment is divided as provided under subparagraph (1)—
- (a) the order must provide for paragraph 3 to have effect in the case of the employee and his contract of employment subject to appropriate modifications, and
 - (b) paragraph 4 similarly applies only so far as appropriate in connection with the employee's employment by the transferee.
