- (5) In the case of a disposal within subsection (1)(c), the going concern condition is that the value of what is disposed of at the time of disposal is attributable to the value of the company's business as a going concern.

- (3) The future earnings condition is met if, ignoring all capital amounts, the individual will receive full consideration for the prospective income or receipts, whether as a partner in a partnership or as an employee or otherwise.
- (4) The references in subsections (1) and (3) to income or receipts include references to payments for any description of copyright, licence, franchise or other right deriving its value from the individual's activities (including past activities).
