[^{F504}217A] Implied terms of management services agreements relating to qualifications

- (1) Each management services agreement in relation to social housing of a registered provider, whenever entered into, is to be treated as including the terms set out in subsection (4).
- (2) In this section, a “management services agreement”, in relation to social housing of a registered provider, means an agreement under which one person (a “services provider”) agrees with another person (the “services recipient”) to provide services in connection with the management of social housing provided by the registered provider or to arrange for the provision of such services.
- (3) For the purposes of subsection (2)—
 - (a) an agreement does not include a contract of employment or a contract of apprenticeship, and
 - (b) the services recipient may be the registered provider or another person.
- (4) The terms are that—
 - (a) the services provider must secure that its relevant managers who are involved in the provision of services in connection with the management of social housing to which the agreement relates meet the qualification standard at all times;
 - (b) in the event that the services provider does not comply with the term set out in paragraph (a), the services provider will take such action to rectify the non-compliance as is reasonably required by the services recipient;
 - (c) the services provider must comply with any reasonable request for information demonstrating whether or not the services provider is complying with the term in paragraph (a) that is made by the registered provider who provides the social housing to which the agreement relates or (if different) the services recipient.
- (5) A relevant manager of a services provider under a management services agreement “meets the qualification standard” if—
 - (a) a standard is in force under section 194A which requires the registered provider who provides the social housing to which the agreement relates to take steps to secure that the manager has, or is working towards, a qualification or type of qualification in housing management, and
 - (b) the manager has or (as the case may be) is working towards such a qualification,
 or if there is no standard in force under section 194A which imposes a requirement described in paragraph (a).
- (6) A term of a management services agreement is not binding on the services recipient to the extent it would—
 - (a) exclude or restrict the liability of the services provider for breach of a term implied by this section, or
 - (b) prevent an obligation under a term implied by this section arising or limiting its extent.

 - (c) require the registered provider to prepare and submit to the regulator a plan (a “performance improvement plan”) setting out the action the provider will take to address the issues identified,
