SCHEDULE 2

TRADING SCHEMES

PART 1

SCHEMES LIMITING ACTIVITIES

Trading

- 9 (1) The regulations must provide for the participants in a trading scheme to trade in any allowances or credits under the scheme.
- (2) The regulations may also provide for trading in the allowances or credits by third parties authorised in accordance with the regulations.
- (3) The regulations must specify the circumstances in which trading is permitted.
- (4) The regulations may require trading to be notified to the administrator of the trading scheme.
