

Climate Change Act 2008

2008 CHAPTER 27

PART 1

CARBON TARGET AND BUDGETING

Indicative annual ranges

12 Duty to provide indicative annual ranges for net UK carbon account

- (1) As soon as is reasonably practicable after making an order setting the carbon budget for a budgetary period, the Secretary of State must lay before Parliament a report setting out an indicative annual range for the net UK carbon account for each year within the period.
- (2) An “indicative annual range”, in relation to a year, is a range within which the Secretary of State expects the amount of the net UK carbon account for the year to fall.
- (3) Before laying a report under this section before Parliament, the Secretary of State must consult the other national authorities on the indicative annual ranges set out in the report.
- (4) The Secretary of State must send a copy of the report to those authorities.

Status:

Point in time view as at 26/11/2008.

Changes to legislation:

Climate Change Act 2008, Section 12 is up to date with all changes known to be in force on or before 04 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations.
