  - (b) persons who share a protected characteristic have needs that are different from the needs of persons who do not share it, or
  - (c) participation in an activity by persons who share a protected characteristic is disproportionately low.
- (2) This Act does not prohibit P from taking any action which is a proportionate means of achieving the aim of—
  - (a) enabling or encouraging persons who share the protected characteristic to overcome or minimise that disadvantage,
  - (b) meeting those needs, or
  - (c) enabling or encouraging persons who share the protected characteristic to participate in that activity.
