

Flood and Water Management Act 2010

CHAPTER 29

FLOOD AND WATER MANAGEMENT ACT 2010

PART 1

FLOOD AND COASTAL EROSION RISK MANAGEMENT

1. Key concepts and definitions

- 1 “Flood” and “coastal erosion”
- 2 “Risk”
- 3 “Risk management”
- 4 “Flood risk management function”
- 5 “Coastal erosion risk management function”
- 6 Other definitions

2. Strategies, co-operation and funding

- 7 National flood and coastal erosion risk management strategy: England
- 8 National flood and coastal erosion risk management strategy: Wales
- 9 Local flood risk management strategies: England
- 10 Local flood risk management strategies: Wales
- 11 Effect of national and local strategies: England
- 12 Effect of national and local strategies: Wales
- 13 Co-operation and arrangements
- 14 Power to request information
- 15 Civil sanctions
- 16 Funding
- 17 Levies

3. Supplemental powers and duties

- 18 Reports about flood and coastal erosion risk management

Status: Point in time view as at 18/12/2015.

Changes to legislation: Flood and Water Management Act 2010 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 19 Local authorities: investigations
- 20 Ministerial directions
- 21 Lead local authorities: duty to maintain a register

4. Regional Flood and Coastal Committees

- 22 Establishment
- 23 Consultation and consent
- 24 Membership
- 25 Money
- 26 “The Minister”
- 26A “The appropriate agency”

5. General

- 27 Sustainable development
- 28 Power to make further amendments
- 29 Restructuring
- 30 Designation of features
- 31 Amendment of other Acts

PART 2

MISCELLANEOUS

- 32 Sustainable drainage
- 33 Reservoirs
- 34 Special administration
- 35 Provision of infrastructure
- 36 Water use: temporary bans
- 37 Civil sanctions
- 38 Incidental flooding or coastal erosion: appropriate agency
- 39 Incidental flooding or coastal erosion: local authorities
- 40 Building regulations: flood resistance
- 41 Compulsory works orders
- 42 Agreements on new drainage systems
- 43 Drainage: concessionary charges for community groups
- 44 Social tariffs
- 45 Water and sewerage charges: non-owner occupiers
- 46 Abolition of Fisheries Committee (Scotland)

PART 3

GENERAL

- 47 Pre-consolidation amendments
- 48 Subordinate legislation
- 49 Technical provision

SCHEDULES

SCHEDULE 1 — Risk Management: Designation of Features

Status: Point in time view as at 18/12/2015.

Changes to legislation: Flood and Water Management Act 2010 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“Designating authority”

- 1 In this Schedule “designating authority” means— (a) the Environment Agency,...
