  - (c) it does not matter if the sum of money or asset is not actually used as mentioned.
- (6) Subsections (7) and (8) apply for the purpose of determining the likely effective duration of a lease of any premises granted to a relevant person (“the original lease”) for the purposes of subsection (1)(e).
- (7) If there are circumstances which make it likely that the original lease will be extended for any period, the effective duration of the original lease is to be determined on the assumption that the original lease will be so extended.
- (8) Further, if—
- (a) A is, or is likely to become, entitled to a later lease, or the grant of a later lease, of the same premises, or
  - (b) it is otherwise likely that A will be granted a later lease of the same premises,
- the original lease is to be treated as continuing until the end of the later lease (and subsection (7) also applies for the purpose of determining the duration of the later lease).
- (9) In subsection (8)—
- (a) references to A include references to—
    - (i) any person linked with A, and
    - (ii) the person to whom the original lease was granted where the original lease was not granted to A or any person linked with A, and
  - (b) references to the same premises include references to any premises which include the whole or part of the same premises.
- (10) In this section “lease” and “premises” have the same meaning as they have in Chapter 4 of Part 3 of ITTOIA 2005.

#### **Relevant steps: making asset available**

554(1) A person (“P”) takes a step within this section if, without transferring the asset to the relevant person, P—

- (a) at any time, makes an asset available for a relevant person to benefit from in a way which is substantially similar to the way in which the relevant person would have been able to benefit from the asset had the asset been transferred to the relevant person at that time, or
- (b) at or after the end of the relevant period, makes an asset available for a relevant person to benefit from.

(2) If—

- (a) before the end of the relevant period, P makes available an asset for a relevant person to benefit from, and
  - (b) at the end of the relevant period, P continues to make the asset available for the relevant person to benefit from,
- P is treated as taking a step within this section by virtue of subsection (1)(b) at the end of the relevant period.
- (3) For the purposes of subsections (1) and (2)—
    - (a) references to making an asset available are references to making it available in any way, however informal,
    - (b) it does not matter if the relevant person has no legal right to benefit from the asset, and
    - (c) it does not matter if the relevant person does not actually benefit from the asset.
  - (4) In subsections (1) and (2) “the relevant period” means the period of two years starting with the day on which A's employment with B ceases.
  - (5) In subsections (1) and (2) “relevant person”—
    - (a) means A or a person chosen by A or within a class of person chosen by A, and
    - (b) includes, if P is taking a step on A's behalf or otherwise at A's direction or request, any other person.
  - (6) In subsection (5) references to A include references to any person linked with A.
  - (7) The following factors (among others) may be taken into account in determining whether a step within this section is taken by virtue of subsection (1)(a)—
    - (a) any limitations on the way in which the relevant person may benefit from the asset,
    - (b) the period over which the asset is being made available and (if relevant) the extent to which that period covers the expected remaining useful life of the asset,
    - (c) the extent to which the relevant person has, or is to have, a say over the disposal of the asset, and
    - (d) the extent to which the relevant person may benefit from any proceeds arising from the disposal of the asset or otherwise have a say in the way the proceeds are used.

- (a) the loan is a loan on ordinary commercial terms within the meaning of section 176, ignoring conditions B and C in that section, and
- (b) there is no connection (direct or indirect) between the relevant step and a tax avoidance arrangement.

(2) Chapter 2 does not apply by reason of a relevant step taken by a person (“P”), which is not the payment of a sum of money by way of a loan, if—

- (a) the step is taken for the sole purpose of a transaction which P has with A and which P entered into in the ordinary course of P's business,
- (b) a substantial proportion of P's business involves similar transactions with members of the public,
- (c) the terms on which P entered into the transaction with A are substantially the same as the terms on which P normally enters into similar transactions with members of the public, and

  - (e) the terms on which similar transactions are offered by P under the package of benefits mentioned in paragraph (c)(ii) or (d) (as the case may be) are generous enough to enable substantially all of the employees of B to whom the package is available to take advantage of what is offered (if they want to),
  - (f) the terms on which P entered into the transaction with A are substantially the same as the terms on which P normally enters into similar transactions with employees of B under the package of benefits,
  - (g) if B is a company, a majority of B's employees to whom the package of benefits is available do not have a material interest (as defined in section 68) in B, and

  - (c) the deferred remuneration is awarded on terms (“the deferred remuneration terms”) the main purpose of which is to defer the provision to A of the deferred remuneration to a specified date (“the vesting date”) which is after the award date, while providing that the award of the deferred remuneration is revoked if specified conditions are not met on or before the vesting date,
  - (d) the vesting date is not more than five years after the award date,
  - (e) as at the award date, there is a reasonable chance that the award of the deferred remuneration will be revoked because not all the specified conditions will be met on or before the vesting date,
  - (f) if the deferred remuneration were to be provided to A by any person on the award date, that action would, for the purposes of Part 11, be a payment of PAYE employment income of A in respect of A's employment with B,
  - (g) before the end of the vesting date, a person (“P”) takes a relevant step within section 554B by reason of which Chapter 2 would apply apart from this section,

- (2) In addition to the provision relating to revocation required by subsection (1)(c) (which must be included), the deferred remuneration terms may also provide that the award of the deferred remuneration is partly revoked if specified conditions are not met on or before the vesting date.

- (ii) a just and reasonable proportion of any relevant income (see subsection (12)), and
- (b) by reason of which Chapter 2 is to apply (subject only to section 554A(4)).
- (7) Subsection (8) applies if neither subsection (10) nor subsection (11) applies to the earmarked deferred remuneration or to a part of it.
- (8) This Part has effect as if a relevant step within section 554B were taken at the end of the vesting date—
- (a) the subject of which is—

    - (ii) a sum of money the amount of which is to be determined by reference to the market value of any relevant shares at the time the sum is to be paid,

- (3) Chapter 2 does not apply by reason of a relevant step within section 554B (by reason of which it would otherwise apply) taken by a person (“P”) if—
- (a) the subject of the relevant step is relevant shares (“earmarked shares”) which are earmarked, or otherwise start being held, solely with a view to the meeting of—
    - (i) an award of relevant shares or a sum of money made to A under B's employee share scheme as mentioned in subsection (1)(a) in relation to which the requirements of subsection (1)(b) to (e) are met, or
    - (ii) an award of relevant shares or a sum of money which is expected to be made to A under B's employee share scheme as mentioned in subsection (1)(a) and in relation to which the requirements of subsection (1)(b) to (e) would be met,
  - (b) the number of relevant shares of any type which are earmarked shares does not exceed the maximum number of relevant shares of that type which might reasonably be expected to be needed for meeting the award or expected award, and
  - (c) there is no connection (direct or indirect) between the relevant step and a tax avoidance arrangement.
- (4) If the relevant step mentioned in subsection (3) is taken in relation to an expected award as mentioned in subsection (3)(a)(ii), subsection (5) applies if—
- (a) the award is not made before the end of the date (“the final award date”) falling immediately after the period of three months starting with the date on which P takes the relevant step, and

- with subsection (1) applying only in relation to the separate relevant step mentioned in paragraph (a).

  - (d) subsection (3) does not apply.
- (3) This subsection applies if it is reasonable to suppose that, taking into account the type of investments from which the income derives (directly or indirectly), in essence, the income represents a return from sum or asset R which exceeds the return which might be expected applying the assumption that all relevant connected persons are acting at arm's length of each other.

- “section 390 scheme rights” means rights which A has under an overseas pension scheme and which—

- “tax-exempt provision” and “tax-relieved contribution” have the meaning given by paragraph 3(3) and (4) of Schedule 34 to FA 2004.

### **Power to exclude other relevant steps**

- 554(1) The Commissioners for Her Majesty's Revenue and Customs may by regulations provide for Chapter 2 not to apply—
- (a) by reason of a relevant step falling within a specified description, or
  - (b) in the cases otherwise specified in the regulations.
- (2) Regulations under this section may, in consequence of provision within subsection (1)—
- (a) provide—
    - (i) for a relevant step to be treated for the purposes of this Part as if it were two or more separate relevant steps,
    - (ii) for the provision within subsection (1) to apply only to one or some of the separate relevant steps, and
    - (iii) for the sum of money or asset which is the subject of the relevant step to be apportioned between the separate relevant steps on a just and reasonable basis,

### *Interpretation*

#### **Interpretation: general**

- 554Z1) This section applies for the purposes of this Part.
- (2) “A” and “B” are defined in section 554A(1)(a).
  - (3) “Arrangement” includes any agreement, scheme, settlement, transaction, trust or understanding (whether or not it is legally enforceable).
  - (4) “Market value” has the same meaning as it has for the purposes of TCGA 1992 by virtue of Part 8 of that Act.
  - (5) Section 170(2) to (11) of TCGA 1992 applies for the purpose of determining whether a company is a member of a group of companies.
  - (6) And for that purpose, section 170(2) to (11) is to be read as if for “75 per cent” (wherever occurring) there were substituted “ 51 per cent ” (with section 1154(2) of CTA 2010 applying accordingly).
  - (7) References to the payment of a sum of money include (in particular) references to the payment of a sum of money by way of a loan.
  - (8) “Pension scheme” has the same meaning as in Part 4 of FA 2004 (see section 150(1) of that Act).
  - (9) “Relevant step” is defined in section 554A(2).
  - (10) References to a relevant step which involves a sum of money are references to—
    - (a) a step within section 554B where the subject of the relevant step is a sum of money,
    - (b) a step within section 554C(1)(a), or
    - (c) a step within section 554C(1)(d) where the subject of the relevant step is a sum of money.
  - (11) References to the asset which is the subject of a relevant step are, in the case of a step within section 554C(1)(e), references to the lease granted.
  - (12) For this purpose, the lease granted is to be treated as including any extensions of the lease, or any later lease, which by virtue of section 554C(7) or (8) is taken into account in determining the likely effective duration of the lease for the purposes of section 554C(1)(e).

- (13) “Tax avoidance arrangement” means an arrangement which has a tax avoidance purpose.
- (14) For the purposes of subsection (13) an arrangement has a tax avoidance purpose if subsection (15) applies to a person who is a party to the arrangement.
- (15) This subsection applies to a person if the main purpose, or one of the main purposes, of the person in entering into the arrangement is the avoidance of tax or national insurance contributions.
- (16) The following paragraphs apply for the purpose of determining whether any relevant step or any other step is connected with a tax avoidance arrangement—
- (a) the step is connected with a tax avoidance arrangement if (for example) the step is taken (wholly or partly) in pursuance of—
    - (i) the tax avoidance arrangement, or
    - (ii) an arrangement at one end of a series of arrangements with the tax avoidance arrangement being at the other end, and
  - (b) it does not matter if the person taking the step is unaware of the tax avoidance arrangement.

**Interpretation: persons linked with A**

554Z(1) In this Part references to any person linked with A are references to—

- (a) any person who is or has been connected with A,
  - (b) a close company in which A or a person within any other paragraph of this subsection is or has been a participator,
  - (c) a company in which A or a person within any other paragraph of this subsection is or has been a participator and which would be a close company if it were a UK resident company, or
  - (d) a company which is a 51% subsidiary of a company within paragraph (b) or (c).
- (2) In applying section 993 of ITA 2007 for the purposes of subsection (1)—
- (a) a man and woman living together as if they were spouses of each other are treated as if they were spouses of each other, and
  - (b) two people of the same sex living together as if they were civil partners of each other are treated as if they were civil partners of each other.
- (3) In subsection (1) “participator”—

## CHAPTER 2 **U.K.**

### TREATMENT OF RELEVANT STEP FOR INCOME TAX PURPOSES

#### *Employment income*

#### **Value of relevant step to count as employment income**

- 554Z(1) If this Chapter applies by reason of a relevant step, the value of the relevant step (see section 554Z3) counts as employment income of A in respect of A's employment with B—
- (a) if the relevant step is taken before A's employment with B starts, for the tax year in which the employment starts, or
  - (b) otherwise, for the tax year in which the relevant step is taken.
- (2) If the relevant step gives rise to—
- (a) an amount which (apart from this subsection) would be treated as earnings of A under a provision of the benefits code, or
  - (b) any income of A which (apart from this subsection) would be dealt with under Chapter 3 of Part 4 of ITTOIA 2005,
- subsection (1) applies instead of that provision of the benefits code or Chapter 3 of Part 4 of ITTOIA 2005 (as the case may be).
- (3) In particular, in a case in which the relevant step is the making of an employment-related loan (within the meaning of Chapter 7 of Part 3), the effect of subsection (2)(a) is that the loan is not to be treated for any tax year as a taxable cheap loan for the purposes of that Chapter.

#### **Value of relevant step**

- 554Z(1) If the relevant step involves a sum of money, its value is the amount of the sum.
- (2) In any other case, the value of the relevant step is—
- (a) the market value when the relevant step is taken of the asset which is the subject of the step, or
  - (b) if higher, the cost of the relevant step.
- (3) Subsection (2)(a) is subject to sections 437 and 452.
- (4) Subsection (2)(b) is to be ignored if—
- (a) the relevant step is within section 554C(1)(c), and
  - (b) any of Chapters 2 to 4A of Part 7 apply by virtue of the acquisition.
- (5) Subsection (2)(b) is also to be ignored if section 554Z7 applies.
- (6) In subsection (2)(b) the reference to the cost of the relevant step is to the expense incurred in connection with the relevant step (including a proper proportion of any expense relating partly to the relevant step and partly to other matters) by the person or persons at whose cost the relevant step is taken.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (7) Subsections (1) and (2) are subject to sections 554Z4, 554Z5, 554Z6, 554Z7 and 554Z8, which, so far as applicable, are to be applied in that order.

### Residence issues

- 554Z(4) After the value of the relevant step is determined under section 554Z3, the particular tax year or years which the value of the relevant step is “for” are to be determined.
- (2) For this purpose, apply sections 16(1) to (4) and 17(1) to (3) as if the value of the relevant step were general earnings.
- (3) Subsection (4) applies if the value of the relevant step, or a part of it, is “for” a tax year in which A is non-UK resident.
- (4) The value, or the part of it, is to be reduced so far as it is not in respect of duties performed in the United Kingdom.
- (5) The question of the extent to which the value, or the part of it, is not in respect of duties performed in the United Kingdom is to be determined on a just and reasonable basis.
- (6) This section does not change the tax year for which the value of the relevant step counts as employment income under section 554Z2(1).

### Overlap with earlier relevant step

- 554Z(5) This section applies if there is overlap between—
- (a) the sum of money or asset (“sum or asset P”) which is the subject of the relevant step, and
- (b) the sum of money or asset (“sum or asset Q”) which was the subject of an earlier relevant step (“the earlier relevant step”) by reason of which this Chapter applied in respect of A's employment with B.
- (2) The value of the relevant step (after any reductions under section 554Z4) is reduced (but not below nil)—
- (a) if the overlap covers the whole of sum or asset Q, by the value of the earlier relevant step, or
- (b) if the overlap covers only part of sum or asset Q, by the part of the value of the earlier relevant step which corresponds to the part of sum or asset Q covered by the overlap as determined on a just and reasonable basis.
- (3) In subsection (2) references to the value of the earlier relevant step are to that value—
- (a) after any reductions made to it under section 554Z4 or this section or section 554Z7, but
- (b) before any reductions made to it under section 554Z6 or 554Z8.
- (4) For the purposes of this section there is overlap between sum or asset P and sum or asset Q so far as—
- (a) they are the same sum of money or asset, or
- (b) sum or asset P, essentially, replaces sum or asset Q.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (5) Further, if any reductions were made under this section to the value of the earlier relevant step, sum or asset P is treated as overlapping with any other sum of money or asset so far as the other sum of money or asset was treated as overlapping with sum or asset Q for the purposes of this section.

### **Overlap with certain earnings**

554Z(6) This section applies if the relevant step gives rise to relevant earnings of A from A's employment with B—

- (a) which are, in accordance with section 16 and (if applicable) section 17, “for” a tax year in which A is UK resident, or
  - (b) which are, in accordance with section 29 and (if applicable) section 30, “for” a tax year in which A is non-UK resident but which are in respect of duties performed in the United Kingdom for the purposes of section 27(1)(a).
- (2) The value of the relevant step (after any reductions under section 554Z4 or 554Z5) is reduced (but not below nil) by the amount of the relevant earnings.
- (3) For the purposes of this section the following are “relevant” earnings—
- (a) earnings within Chapter 1 of Part 3,
  - (b) amounts treated as earnings under Chapter 12 of Part 3, and
  - (c) a deemed employment payment under section 50 or any part of such a payment.
- (4) But anything which is exempt income, or which falls within Chapter 3 of Part 4 of ITTOIA 2005, is not “relevant”.

### **Exercise price of share options**

554Z(7) Subsection (3) applies if—

- (a) the relevant step is a step within section 554B (other than one treated as being taken by section 554L(5), (7) or (9) or 554M(4), (6) or (8)),
- (b) B is a company,
- (c) there is an arrangement (“B's employee share scheme”) under which, in respect of A's employment with B, a right (“a relevant share option”) may be granted to A—
  - (i) to acquire relevant shares, or
  - (ii) to receive a sum of money the amount of which is to be determined by reference to the market value of any relevant shares at the time the sum is to be paid,
- (d) in order to exercise the relevant share option so as—
  - (i) to acquire the relevant shares, or
  - (ii) to receive the sum of money,

A would, under the terms of the option, have to pay a sum of money the amount of which can be determined at the time of the grant of the option,
- (e) the subject of the relevant step is relevant shares (“earmarked shares”) which are earmarked, or otherwise start being held, solely with a view to providing shares, or paying a sum of money, pursuant to—

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (i) a relevant share option granted to A under B's employee share scheme as mentioned in paragraph (c) in relation to which the requirements of paragraph (d) are met, or
  - (ii) a relevant share option which is expected to be granted to A under B's employee share scheme as mentioned in paragraph (c) and in relation to which the requirements of paragraph (d) would be met,
  - (f) the number of relevant shares of any type which are earmarked shares does not exceed the maximum number of relevant shares of that type which might reasonably be expected to be needed for providing shares, or paying a sum of money, pursuant to the relevant share option which is granted or expected to be granted, and
  - (g) there is no connection (direct or indirect) between the relevant step and a tax avoidance arrangement.
- (2) Subsection (3) also applies if—
- (a) the relevant step is a step treated as being taken by section 554L(9) or 554M(8), and
  - (b) in order to exercise the relevant share option to which the step relates so as—
    - (i) to acquire the shares which are the subject of the relevant step, or
    - (ii) to receive the sum of money determined by reference to the market value of those shares,

A would, under the terms of the option, have to pay a sum of money the amount of which can be determined at the time the option is granted.
- (3) The value of the relevant step (after any reductions under sections 554Z4 to 554Z6) is to be reduced (but not below nil) by—
- (a) the amount of the sum of money which A would have to pay as mentioned in subsection (1)(d) or (2)(b), or
  - (b) if the value of the relevant step was reduced under section 554Z4, X% of the amount of that sum of money.
- (4) In subsection (3)(b) “X%” means the proportion of the value of the relevant step (as determined under section 554Z3) left after the reduction under section 554Z4.
- (5) If subsection (3) applies by virtue of subsection (1) and the relevant step is taken in relation to an expected grant of a relevant share option as mentioned in subsection (1)(e)(ii), subsection (7) applies if—
- (a) the grant is not made before the end of the date (“the final grant date”) falling immediately after the period of three months starting with the date on which the relevant step is taken, and
  - (b) as at the end of the final grant date, any of the earmarked shares continue to be held by or on behalf of P solely on the basis mentioned in subsection (1)(e).
- (6) If subsection (3) applies by virtue of subsection (1), subsection (7) also applies if at any time after the taking of the relevant step—

- (a) any of the earmarked shares cease to be held by or on behalf of P solely on the basis mentioned in subsection (1)(e), but
  - (b) the shares continue to be held by or on behalf of P on the basis mentioned in section 554B(1)(a) or (b).
- (7) This Part has effect as if a relevant step within section 554B were taken at the end of the final grant date or when the shares cease to be held as mentioned in subsection (6)—
- (a) the subject of which is the earmarked shares mentioned in subsection (5)(b) or (6), and
  - (b) by reason of which this Chapter is to apply (subject only to section 554A(4)).
- (8) In this section “relevant shares” has the meaning given by section 554I(4).

### **Cases where consideration given for relevant step**

554Z~~8~~) Subsection (2) applies if—

- (a) the relevant step is a step within section 554C(1)(a) to (c),
  - (b) the relevant step is for consideration given by A in the form of the transfer of an asset to P from A,
  - (c) the transfer by A of the asset is made before, or at or about, the time the relevant step is taken and is not by way of a loan, and
  - (d) there is no connection (direct or indirect) between the transfer by A of the asset and a tax avoidance arrangement.
- (2) The value of the relevant step (after any reductions under sections 554Z4 to 554Z6) is reduced (but not below nil) by—
- (a) the market value of the asset transferred by A at the time of its transfer, or
  - (b) if the value of the relevant step was reduced under section 554Z4, X% of that market value.
- (3) For the purposes of subsection (1)(d) it is (in particular) to be assumed that the transfer by A of the asset is connected with a tax avoidance arrangement if—
- (a) before the transfer, the asset was transferred to A by another person by way of a loan, or
  - (b) the asset is, or carries with it, any rights or interests under the relevant arrangement or any arrangement which is connected (directly or indirectly) with the relevant arrangement.
- (4) In subsection (3)(b) “the relevant arrangement” has the meaning given by section 554A(1)(b).
- (5) Subsection (6) applies if—
- (a) the relevant step is a step within section 554C(1)(b) or (c) or (e) or 554D and does not also involve a sum of money,
  - (b) the relevant step is for consideration given by A in the form of the payment of a sum of money to P by A, and
  - (c) the payment is made before, or at or about, the time the relevant step is taken.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (6) The value of the relevant step (after any reductions under sections 554Z4 to 554Z6) is reduced (but not below nil) by—
  - (a) the amount of the consideration given, or
  - (b) if the value of the relevant step was reduced under section 554Z4, X% of the amount of that consideration.
- (7) In subsections (2)(b) and (6)(b) “X%” means the proportion of the value of the relevant step (as determined under section 554Z3) left after the reduction under section 554Z4.
- (8) In this section references to A include references to any person linked with A.

### *Remittance basis*

#### **Remittance basis: A is ordinarily UK resident**

- 554Z9) Subsection (2) applies if—
- (a) the value of the relevant step, or a part of it, is “for” a tax year (“the relevant tax year”) as determined under section 554Z4,
  - (b) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to A for the relevant tax year,
  - (c) A is ordinarily UK resident in the relevant tax year,
  - (d) A's employment with B in the relevant tax year is employment with a foreign employer, and
  - (e) the duties of A's employment with B in the relevant tax year are performed wholly outside the United Kingdom.
- (2) A's employment income by virtue of section 554Z2(1), or the relevant part of it, is “taxable specific income” in a tax year so far as it is remitted to the United Kingdom in that year.
  - (3) For this purpose, any income which is remitted before A's employment with B starts is treated as being remitted in the tax year in which the employment starts.
  - (4) Subsection (5) applies if in the relevant tax year—
    - (a) A has associated employments, and
    - (b) the duties of the associated employments are not performed wholly outside the United Kingdom.
  - (5) The amount of A's employment income to which subsection (2) applies is limited to such amount as is just and reasonable, having regard to—
    - (a) A's employment income for the relevant tax year from all associated employments, together with A's employment with B,
    - (b) the proportion of that income which is general earnings to which section 22 applies or is employment income to which section 41A applies,
    - (c) the nature of and time devoted to the duties performed outside the United Kingdom, and those performed in the United Kingdom, in the relevant tax year, and
    - (d) all other relevant circumstances,

and, if the amount of A's employment income to which subsection (2) would otherwise apply exceeds that limit, the amount of A's employment income to which that subsection applies is instead to be such amount as is just and reasonable.

- (6) In this section “associated employments” means employments with B or with employers associated with B; and section 24(5) and (6) applies for the purposes of this subsection.

### **Remittance basis: A is not ordinarily resident**

554Z1(1) Subsection (2) applies if—

- (a) the value of the relevant step, or a part of it—
    - (i) is “for” a tax year (“the relevant tax year”) as determined under section 554Z4, and
    - (ii) is not in respect of duties performed in the United Kingdom,
  - (b) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to A for the relevant tax year, and
  - (c) A is not ordinarily UK resident in the relevant tax year.
- (2) A's employment income by virtue of section 554Z2(1), or the relevant part of it, is “taxable specific income” in a tax year so far as it is remitted to the United Kingdom in that year.
- (3) For this purpose, any income which is remitted before A's employment with B starts is treated as being remitted in the tax year in which the employment starts.
- (4) The question of the extent to which the value of the relevant step, or any part of it, is not in respect of duties performed in the United Kingdom is to be determined on a just and reasonable basis.

### **Remittance basis: supplementary**

554Z1(1l) Subsection (2) applies if section 554Z9(1)(a) or 554Z10(1)(a) applies to a part (“the relevant part”) of the value of the relevant step.

- (2) Any reduction to the value of the relevant step to be made under any of sections 554Z5 to 554Z8 is to be made so that X% of the reduction is made by way of reducing the relevant part.
- (3) In subsection (2) “X%” means the proportion of the value of the relevant step represented by the relevant part before any reductions under any of sections 554Z5 to 554Z8.
- (4) For the purpose of applying section 554Z9(2) or 554Z10(2), see Chapter A1 of Part 14 of ITA 2007 for the meaning of “remitted to the United Kingdom” etc.
- (5) If the relevant step involves a sum of money, for the purposes of that Chapter the sum of money is treated as deriving from A's employment income (or the relevant part of it) to which section 554Z9(2) or 554Z10(2) applies.
- (6) In any other case, for the purposes of that Chapter the asset which is the subject of the relevant step is treated as deriving from A's employment

income (or the relevant part of it) to which section 554Z9(2) or 554Z10(2) applies.

- (7) Subsection (8) applies if—
- (a) after the relevant step is taken, there is another relevant step (“the later relevant step”) by reason of which this Chapter applies in respect of A's employment with B, and
  - (b) within the meaning of section 554Z5, there is overlap between the sum of money or asset (“sum or asset R”) which is the subject of the relevant step and the sum of money or asset (“sum or asset S”) which is the subject of the later relevant step.
- (8) Except so far as, in any event—
- (a) sum or asset S and sum or asset R are the same sum of money or asset, or
  - (b) sum or asset S derives from sum or asset R,
- for the purposes of Chapter A1 of Part 14 of ITA 2007 sum or asset S is treated, to the extent of the overlap, as deriving from sum or asset R.
- (9) Subsections (10) and (11) apply if—
- (a) the relevant tax year within the meaning of section 554Z9 or 554Z10 is the tax year 2007-08 or any earlier tax year, and
  - (b) A—
    - (i) was UK resident in that year, but
    - (ii) was not domiciled in the United Kingdom, or was not ordinarily UK resident, in that year.
- (10) Section 554Z9 or 554Z10 (as the case may be) applies as if section 809B of ITA 2007 applied to A for the relevant tax year.
- (11) In section 554Z9(1)(d) the reference to a foreign employer is to be read as not including a person resident in the Republic of Ireland.

- 554Z10(1) Subsection (3), (4) or (5) (as the case may be) applies if the relevant step is a step within section 554C or 554D and—
- (a) the relevant step is taken on or after A's death, or
  - (b) if relevant, any of A's employment income by virtue of section 554Z2(1) is remitted to the United Kingdom on or after A's death.

But none of those subsections applies if A's employment with B never started before A's death.

- (2) In subsections (3) to (5) “the relevant person” means the relevant person (within the meaning of section 554C(1) or 554D(1) or (2)) in relation to the relevant step.
- (3) If the relevant person is A, A's personal representatives are liable for, as the case may be, the income tax on—

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (a) A's employment income by virtue of section 554Z2(1), or
  - (b) so much of that income as is remitted.
- (4) If the relevant person is an individual other than A, the amount which, as the case may be—
- (a) counts as employment income of A, or
  - (b) is remitted,
- is to count as an amount of employment income of the relevant person for the tax year in which the relevant step is taken or the income is remitted.
- (5) If the relevant person is not an individual, the relevant taxable person is chargeable to income tax on the amount which, as the case may be—
- (a) counts as employment income of A, or
  - (b) is remitted.
- (6) In subsection (5) “the relevant taxable person” is to be read as follows—
- (a) if the person (or any of the persons) who took the relevant step is UK resident, “the relevant taxable person” is the person (or each of the UK resident persons) who took the relevant step,
  - (b) if paragraph (a) does not apply and B is still alive or in existence when the relevant step is taken, “the relevant taxable person” is B, or
  - (c) if neither paragraph (a) nor paragraph (b) applies, “the relevant taxable person” is the non-UK resident person (or each of the non-UK resident persons) who took the relevant step.
- (7) For the purposes of subsection (5)—
- (a) the rate of tax is the rate applying for the purposes of section 394(2) (see section 394(4)) at the time of the relevant step or remittance of income, and
  - (b) the tax is charged for the tax year in which the relevant step is taken or the income is remitted.
- (8) If there is more than one relevant person in relation to the relevant step, the amount which, as the case may be—
- (a) counts as employment income of A, or
  - (b) is remitted,
- is to be apportioned between the relevant persons on a just and reasonable basis with subsections (3) to (5) applying accordingly.

### **Subsequent income tax liability**

554Z1(1) This section applies if—

- (a) after the relevant step is taken, another event (“the later event”) occurs,
- (b) other than by virtue of—
  - (i) this Chapter,
  - (ii) Chapters 2 to 5 of Part 7, or
  - (iii) Part 9,

the later event would (apart from this section) give rise to a liability for income tax of A or any other person on an amount (“the later amount”), and

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (c) it is just and reasonable for this section to apply in order to avoid a double charge to income tax in respect of the sum of money or asset which is the subject of the relevant step.
- (2) So far as it is just and reasonable in order to avoid a double charge to income tax as mentioned in subsection (1)(c), there is to be no liability to income tax on the later amount by virtue of the later event.

**Relief where earmarking not followed by further relevant step**

- 554Z1(4) An application for relief may be made by A (or, if A has died, A's personal representatives) to an officer of Revenue and Customs if—
- (a) this Chapter has applied by reason of a relevant step (“the original relevant step”) within section 554B taken by a person (“P”),
  - (b) there occurs an event (“the relevant event”) which is not a relevant step in relation to a relevant sum or asset,
  - (c) by reason of the relevant event no further relevant step is or will be taken by P or any other person in relation to any relevant sum or asset, and
  - (d) there is no connection (direct or indirect) between the relevant event and a tax avoidance arrangement.
- (2) In section 554Z(15) the reference to the avoidance of tax includes (in particular) a reference to the avoidance of tax by way of obtaining relief under this section.
- (3) In subsection (1) “relevant sum or asset” means—
- (a) the sum of money or asset which is the subject of the original relevant step, or
  - (b) a sum of money or asset which (directly or indirectly) has arisen or derived, or may arise or derive, from the sum of money or asset mentioned in paragraph (a).
- (4) The application for relief must be made within four years from the time when the relevant event occurs.
- (5) If an officer of Revenue and Customs is satisfied that the requirements in subsection (1) are met, the officer must give such relief as the officer considers just and reasonable (if any) in respect of income tax paid on any previously charged amount.
- (6) In subsection (5) “previously charged amount” means—
- (a) the amount which counted as employment income of A under this Chapter as a result of this Chapter applying by reason of the original relevant step, or
  - (b) any amount treated by section 222 as earnings of A in relation to the notional payment (within the meaning of that section) which B is treated as having made by virtue of the original relevant step.
- (7) Subsection (8) applies if, by virtue of this Chapter having applied by reason of the original relevant step, any tax liability of A or any other person arising from another event is reduced (including to nil) by virtue of section 554Z5 or 554Z13 or otherwise.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (8) In determining what is a just and reasonable amount of relief, the officer of Revenue and Customs must have regard (in particular) to the reduction in the tax liability and reduce the amount of relief which would otherwise have been given accordingly (including to nil).
- (9) The relief is to be given by repayment or otherwise as appropriate.
- (10) In relation to times after the relief is given, the Tax Acts have effect as if this Chapter had never applied by reason of the original relevant step.

- 554Z15 The following provisions apply for the purposes of this Chapter—
- (a) section 38 (but as if references to general earnings were to the value of the relevant step or a part of it),

    - (b) in connection with that arrangement (directly or indirectly), relevant benefits are to be provided (directly or indirectly) out of the contribution by a relevant third person,
    - (c) the provision of the relevant benefits would be a relevant step, and
    - (d) the contribution is neither a tax-relieved contribution nor tax-exempt provision.
  - (3) In subsection (2)—
    - “relevant benefits” has the same meaning as in Chapter 2 of Part 6, but ignoring section 393B(2)(a),
    - “relevant third person” means a person within section 554A(7)(a) to (c) (ignoring this Chapter), and

- (b) an undertaking which is to be performed only on or following the meeting of a condition (including a condition which might never be met).

### **Employer etc to be treated as relevant third person etc**

554Z1(7) If B takes a step within section 554Z18 or 554Z19, Chapters 1 and 2 have effect in relation to the step—

- (a) as if B were a relevant third person for the purposes of section 554A(1)(d), and
  - (b) as if the step were a relevant step within section 554B (if it would not otherwise be).
- (2) For the purpose of determining whether Chapter 2 applies by reason of the step, Chapter 1 has effect—
- (a) as if sections 554F to 554O, 554S to 554U, 554W and 554X were omitted,
  - (b) if the step is within section 554Z18, as if sections 554Q(2)(d), (3) and (4) and 554R(1)(c) and (d), (2) and (3) were omitted, and
  - (c) if the step is within section 554Z19, as if sections 554Q and 554R were omitted.
- (3) If Chapter 2 applies by reason of the step, Chapter 2 has effect as if sections 554Z7 to 554Z12 were omitted.
- (4) If Chapter 2 does not apply by reason of the step by virtue of section 554E(3) or (6), section 554E(10) and (11) does not apply in relation to the step.
- (5) For further modifications of Chapters 1 and 2, see sections 554Z18(3) and (4), 554Z19(5) and (6), 554Z20 and 554Z21.
- (6) Regulations under section 554Y may (in particular) make provision covering cases in which Chapters 1 and 2 have effect as provided for by this section.
- (7) In this Chapter—

### **Earmarking etc**

554Z1(8) B takes a step within this section if—

- (a) a sum of money or asset held by or on behalf of B is earmarked (however informally) by B with a view to the relevant undertaking being performed at a later time (wholly or partly) out of—
  - (i) that sum of money or asset, or
  - (ii) any sum of money or asset which may arise or derive (directly or indirectly) from it, or

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (b) a sum of money or asset otherwise starts being held by or on behalf of B, specifically with a view, so far as B is concerned, to the relevant undertaking being performed at a later time (wholly or partly) out of—
  - (i) that sum of money or asset, or
  - (ii) any sum of money or asset which may arise or derive (directly or indirectly) from it.
- (2) For the purposes of subsection (1)(b) it does not matter whether or not the sum of money or asset in question has previously been held by or on behalf of B on a basis which is different to that mentioned in subsection (1)(b).
- (3) Subsection (4) applies if, in the application of section 554Q or 554R in any case, the relevant step mentioned in section 554Q(2)(a) or 554R(6)(a) is a step within this section taken by B.
- (4) In section 554Q(2)(c) or 554R(6)(c) (as the case may be) the reference to section 554B(1)(a) or (b) is to be read as a reference to subsection (1)(a) or (b) above.

#### **Provision of security**

- 554Z19) B takes a step within this section if B provides security for the performance of the relevant undertaking.
- (2) For the purposes of this Part, the sum of money or asset which is the subject of the step is to be taken to be—
    - (a) any sums of money which, as at the time the step is taken, are the subject of the security, and
    - (b) any assets which, as at that time, are the subject of the security, and references to the sum of money or asset which is the subject of a relevant step are to be read accordingly.
  - (3) If, when the step is taken, the security covers other undertakings as well as the relevant undertaking, the sums of money and assets within subsection (2) (a) and (b) are to be apportioned between the relevant undertaking and the other undertakings on a just and reasonable basis.
  - (4) Subsections (2) and (3) are subject to section 554Z20(7).
  - (5) Section 554Q does not apply in any case in which the relevant step mentioned in section 554Q(2)(a) would be a step within this section taken by B.
  - (6) Section 554R(6) does not apply in any case in which the relevant step mentioned in section 554R(6)(a) would be a step within this section taken by B.
  - (7) In this Chapter references to providing security for the performance of an undertaking are references to providing such security in any way, however informal.

### **Valuation of step within section 554Z19**

- (2) Section 554Z3 has effect as if subsections (3) and (4) below were substituted for subsections (1) to (6) of that section.
- (3) The value of the relevant step is—
- (a) the amount to be paid as a contribution under the relevant undertaking determined, as at the time the step is taken, on a just and reasonable basis assuming that any condition to be met before any payment is made will be met, or
  - (b) if lower, the value of the security.
- (4) For the purposes of subsection (3)(b) the value of the security—
- (a) consists of—
    - (i) the total amount of the sums of money included in the subject of the step (see section 554Z19(2)(a)), and
    - (ii) the total market value, as at the time the step is taken, of the assets included in the subject of the step (see section 554Z19(2)(b)), but
  - (b) is to be subject to a just and reasonable reduction to take account of any term of the security which limits the total amount which may be made available under the security for the performance of the relevant undertaking to an amount which is lower than the amount determined under paragraph (a).
- (5) The following subsections apply if, as at the end of the day of an anniversary of the taking of the step (“the anniversary day”), B continues to provide the security for the performance of the relevant undertaking.
- (6) This Part has effect as if B's continuing to provide the security were a new step (“the anniversary step”) within section 554Z19—
- (a) which is taken by B at the end of the anniversary day, and
  - (b) by reason of which Chapter 2 is to apply by virtue of section 554Z17 (subject only to section 554A(4)).
- (7) If the total amount of the sums of money which are the subject of the security (“the security sums”) varies from time to time, for the purpose of determining the sums of money included in the subject of the anniversary step, in section 554Z19(2)(a) the reference to the time the step is taken is to be read as a reference to the time during the preceding year at which the total amount of the security sums is at its highest.
- (8) For the purposes of subsection (4)(a)(ii) the market value of any asset included in the subject of the anniversary step may be determined as at any time during the preceding year (so long as the asset is the subject of the security, or one of the assets which is the subject of the security, as at that time).
- (9) In subsections (7) and (8) “the preceding year” means the year ending with the anniversary day.

- (2) Section 554Z14 has effect in relation to the step with the following modifications.

- (4) Subsection (1)(c) has effect as if for the words from “no further relevant step” to “any relevant sum or asset” there were substituted “the relevant contribution (or any part of it) will not be paid or a relevant benefit will not be provided”.
- (5) Subsection (1) has effect as if subsection (6) below were substituted for subsection (3).
- (6) In subsection (1)—
  - (a) “the relevant contribution” means the contribution to be paid under the relevant undertaking (within the meaning of Chapter 3), and

    - (i) the likely effects of the donation and the arrangements, and

- (3) “Linked person” means—
  - (a) the person who made the donation (“the donor”), or
  - (b) a person who is connected with the donor at a relevant time.
- (4) In subsection (3) “relevant time” means a time during the period which begins with the earliest, and ends with the latest, of the following times—

  - (a) directly or indirectly from the charity to which the donation is made or a connected charity,
  - (b) for one or more linked persons who are not charities (each of whom is referred to in this Part as “a potentially advantaged person”).

- (4) Where, as a result of the substantial donor transaction, non-charitable expenditure would (in the absence of this sub-paragraph) be treated as incurred under section 504(2) of that Act on or after 1 April 2011, that expenditure is not to be treated as so incurred.
- (5) The substantial donor transaction is “tainted” if (and only if) it is reasonable to assume from—
- (a) the likely effects of the relevant relievable gifts and the substantial donor transaction, and
  - (b) the circumstances in which the relevant relievable gifts were made and the circumstances in which the substantial donor transaction was entered into, that the relevant relievable gifts (or one or more of them) would not have been made and the transaction would not have been entered into independently of one another.

“(j) group mismatch schemes (see Part 21B).”

2 After Part 21A of that Act insert—

### “PART 21B **U.K.**

#### GROUP MISMATCH SCHEMES

#### **Losses and profits from group mismatch schemes to be disregarded**

938A) This section applies to a company that—

- (a) is (at any time) a party to a group mismatch scheme, and
- (b) is a member of the scheme group.

(2) No scheme loss or profit made by the company in any accounting period in relation to the scheme is to be brought into account as a debit or credit for the purposes of Part 5 of CTA 2009 (loan relationships) or Part 7 of that Act (derivative contracts).

(3) An amount that would, apart from this section, be brought into account for the purposes of Part 5 or 7 of that Act as respects any matter—

- (a) is treated, for the purposes of section 464(1) or (as the case may be) 699(1) of that Act (priority of Part 5 or 7 for corporation tax purposes) as if it were so brought into account, and
- (b) accordingly, may not be brought into account for any other corporation tax purposes as respects that matter.

#### **Meaning of “a group mismatch scheme” and “the scheme group”**

938B) A scheme is “a group mismatch scheme” if—

- (a) the parties to the scheme are, or include, members of the same group, and
- (b) condition A or B is met.

(2) Condition A is that, at the time the scheme is entered into, there is no practical likelihood that the scheme will fail to secure a relevant tax advantage of £2 million or more.

(3) The Treasury may by order substitute a higher amount for the amount for the time being specified in subsection (2).

(4) Any such substitution is to have effect in relation to schemes entered into on or after the day on which the order comes into force.

(5) Condition B is that—

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) the purpose, or one of the main purposes, of any member of the scheme group in entering into the scheme is to obtain the chance of securing a relevant tax advantage (of any amount), and
  - (b) at the time the scheme is entered into—
    - (i) there is no chance that the scheme will secure a relevant tax disadvantage, or
    - (ii) there is such a chance, but the expected value of the scheme is nevertheless a positive amount.
- (6) If, at the time the company enters into the scheme, there are chances that the scheme would, if carried out, secure different relevant tax advantages or disadvantages in different circumstances, the amounts and probabilities of each must be taken into account in determining the expected value of the scheme.
- (7) In determining whether condition A or B is met, it is to be assumed that the parties to the scheme carry it out.
- (8) Where, at the time the scheme is entered into, the length of the scheme period is uncertain, condition A or B is met if it would be met on any reasonable assumption as to the length of the scheme period.
- (9) In determining whether condition A or B is met, section 938A (scheme profits and losses to be left out of account) is to be disregarded.
- (10) In this Part “the scheme group” means the group mentioned in subsection (1) (a).

### **Meaning of “scheme loss” and “scheme profit”**

- 938(1) A loss or profit made by a company in an accounting period is a “scheme loss” or “scheme profit” in relation to a group mismatch scheme if the loss or profit—
- (a) arises from a transaction, or series of transactions, that forms part of the scheme,
  - (b) is, or is comprised in, an amount that is brought into account as a debit or credit for the purposes of Part 5 or 7 of CTA 2009, and
  - (c) meets the first or second asymmetry condition.
- (2) The first asymmetry condition is that the loss or profit affects the amount of any relevant tax advantage secured by the scheme.
- (3) Where, at the end of the accounting period—
- (a) it is not certain whether the scheme will secure a relevant tax advantage, or
  - (b) it is not certain what the amount of the relevant tax advantage secured by the scheme will be,
- a loss or profit is to be treated as meeting the first asymmetry condition if, at that time, there is a chance that the scheme will secure a relevant tax advantage and that the loss or profit will affect its amount.
- (4) Where—
- (a) a loss or profit meets the conditions in subsection (1)(a) and (b), and

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (b) a part, but not the whole, of the loss or profit meets the first asymmetry condition,  
only that part of the loss or profit is a “scheme loss” or “scheme profit”.
- (5) The second asymmetry condition is that the loss or profit—
  - (a) does not meet the first asymmetry condition, but
  - (b) arises from a transaction, or series of transactions, that might (if events had turned out differently) have given rise to a loss or profit that would have done so.
- (6) References in this section to a loss or profit include a loss or profit arising in respect of interest or expenses.
- (7) In determining whether the condition in subsection (1)(b) or the first or second asymmetry condition is met, section 938A (scheme profits and losses to be left out of account) is to be disregarded.

#### **Meaning of “relevant tax advantage” etc and “the scheme period”**

- 938D(1) In this Part “relevant tax advantage”, in relation to a scheme, means an economic profit that—
- (a) is made by the scheme group over the scheme period,
  - (b) meets the condition in subsection (3), and
  - (c) is not negligible.
- (2) In this Part “relevant tax disadvantage”, in relation to a scheme, means an economic loss that—
- (a) is made by the scheme group over the scheme period,
  - (b) meets the condition in subsection (3), and
  - (c) is not negligible.
- (3) The condition is that the economic profit or loss arises as a result of asymmetries in the way different members of the scheme group bring, or do not bring, amounts into account as debits and credits for the purposes of Part 5 or 7 of CTA 2009.
- (4) A reference in this section to asymmetries includes, in particular—
- (a) asymmetries relating to quantification, and
  - (b) asymmetries relating to timing.
- (5) In this section—
- (a) a reference to an economic profit includes an increase in an economic profit and a decrease in an economic loss, and
  - (b) a reference to an economic loss includes an increase in an economic loss and a decrease in an economic profit.
- (6) In this Part “the scheme period”, in relation to a scheme, means the period during which the scheme has effect.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

### **Meaning of “group”**

- 938E) For the purposes of this Part a company (“company A”) is a member of a group, in relation to a scheme, if any other company is at any time in the scheme period associated with company A.
- (2) The group consists of company A and each company in relation to which the condition in subsection (1) is met.
  - (3) For the purposes of this section a company (“company B”) is associated with company A at a time (“the relevant time”) if any of the following five conditions is met.
  - (4) The first condition is that the financial results of company A and company B, for a period that includes the relevant time, meet the consolidation condition.
  - (5) The second condition is that there is a connection between company A and company B for the accounting period of company A in which the relevant time falls.
  - (6) The third condition is that, at the relevant time, company A has a major interest in company B or company B has a major interest in company A.
  - (7) The fourth condition is that—
    - (a) the financial results of company A and a third company, for a period that includes the relevant time, meet the consolidation condition, and
    - (b) at the relevant time the third company has a major interest in company B.
  - (8) The fifth condition is that—
    - (a) there is a connection between company A and a third company for the accounting period of company A in which the relevant time falls, and
    - (b) at the relevant time the third company has a major interest in company B.
  - (9) In this section, the financial results of any two companies for any period meet “the consolidation condition” if—
    - (a) they are required to be comprised in group accounts,
    - (b) they would be required to be comprised in such accounts but for the application of an exemption, or
    - (c) they are in fact comprised in such accounts.
  - (10) In subsection (9), “group accounts” means accounts prepared under—
    - (a) section 399 of the Companies Act 2006, or
    - (b) any corresponding provision of the law of a territory outside the United Kingdom.
  - (11) The following provisions apply for the purposes of this section—
    - sections 466 to 471 of CTA 2009 (companies connected for accounting period), and
    - sections 473 and 474 of CTA 2009 (meaning of “major interest”).

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

### Meaning of references to economic profits and losses

- 938(F) An economic profit or loss is to be computed for the purposes of this Part taking into account, in particular—
- (a) profits and losses made as a result of the operation of the Corporation Tax Acts, and
  - (b) any adjustments required to reflect the time value of money.
- (2) A reference in this Part to an economic profit or loss made by the scheme group over the scheme period is to an economic profit or loss made in that period by the members of the group considered together.
- (3) In determining for the purposes of this Part the amount of an economic profit or loss made by the scheme group over the scheme period, profits and losses made by a member of the group are to be taken into account only to the extent that they are attributable to times at which the member is a party to the scheme.

### Tax capacity assumption

- 938(G) This section applies for the purpose of determining whether a scheme will, or might, secure a relevant tax advantage.
- (2) The economic profits and losses made by the scheme group over the scheme period must be calculated on the assumption that each company that is at any time a party to the scheme—
- (a) obtains the full tax benefit of any loss made by that company in relation to a loan relationship or a derivative contract during the period, and
  - (b) incurs the full tax cost of any profit made by that company in relation to a loan relationship or a derivative contract during the period.
- (3) The “full tax benefit” of a loss is the reduction in the liability of the company to corporation tax that would result if—
- (a) the loss were brought into account as a debit or as a reduction in a credit for the purposes of Part 5 or 7 of CTA 2009, and
  - (b) the company's profits chargeable to corporation tax, disregarding the loss, were equal to the debit (or the reduction in the credit) determined by reference to the loss.
- (4) The “full tax cost” of a profit is the increase in the liability of the company to corporation tax that would result if—
- (a) the profit were brought into account as a credit or as a reduction in a debit for the purposes of Part 5 or 7 of CTA 2009, and
  - (b) the company's profits chargeable to corporation tax, disregarding the profit, were nil.

### Meaning of “scheme”

- 938H In this Part “scheme” includes any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving a single transaction or two or more transactions.

*Status: Point in time view as at 17/12/2014.*

- 1 In section 139 of TCGA 1992 (reconstruction involving transfer of business), after subsection (1A) insert—
  - “(1B) Nothing in section 179(3D) prevents the two companies being treated as mentioned in subsection (1).”
- 2 In section 171A of TCGA 1992 (election to reallocate gain or loss to another member of the group), omit subsection (7).
- 3 (1) Section 179 of TCGA 1992 (company ceasing to be member of group) is amended as follows.
  - (2) In subsection (1)(a) for “company B is a member of a group” substitute “ company A and company B are members of the same group ”.
  - (3) In subsection (1A) omit the words from “For this purpose” to the end.
  - (4) For subsection (2) substitute—
    - “(2) Where two companies cease to be members of the group at the same time, subsection (1) does not have effect as respects the acquisition of an asset by one of the companies from the other if condition A or B is met.
  - (2ZA) Condition A is that the companies—
    - (a) are both 75 per cent subsidiaries and effective 51 per cent subsidiaries of another company on the date of the acquisition, and
    - (b) remain both 75 per cent subsidiaries and effective 51 per cent subsidiaries of that other company until immediately after they cease to be members of the group.
  - (2ZB) Condition B is that one of the companies—
    - (a) is both a 75 per cent subsidiary and an effective 51 per cent subsidiary of the other on the date of the acquisition, and
    - (b) remains both a 75 per cent subsidiary and an effective 51 per cent subsidiary of the other until immediately after the companies cease to be members of the group.”
  - (5) For subsection (2A)(a) substitute—

  - (6) After subsection (3) insert—
    - “(3A) Any chargeable gain or allowable loss which would otherwise accrue to company A on the sale referred to in subsection (3) does not so accrue if—
      - (a) company A ceases to be a member of the group in consequence of—
        - (i) a disposal of shares in company A or another member of the group made by a member of the group, or

- (ii) two or more such disposals,
  - (b) either—
    - (i) subsection (3B) applies to the disposal or, if there is more than one disposal, to at least one of them, or
    - (ii) sub-paragraph (i) does not apply but had subsection (3B) applied to the disposal or, if there is more than one disposal, to each of them, any gain arising on the disposal or disposals would not have been a chargeable gain by virtue of Schedule 7AC, and
  - (c) in the absence of this subsection, section 535 of CTA 2010 (UK REITS: exemption of gains) would not apply to the chargeable gain or allowable loss which would accrue to company A on the sale.
- (3B) This subsection applies to a disposal of shares if—
- (a) the company making the disposal is resident in the United Kingdom at the time of the disposal,
  - (b) the shares are chargeable assets in relation to that company immediately before that time, or
  - (c) any part of the chargeable gain or allowable loss accruing on the disposal is treated as a gain or loss accruing to a person by virtue of section 13(2) (attribution of gains to members of non-resident companies).
- In this section “group disposal” means a disposal within subsection (3A)(a) to which this subsection applies and the company making the disposal is referred to as “the transferor company”.
- (3C) For the purposes of subsections (3A) and (3B), the question whether there is a disposal is to be determined ignoring section 127 (share reorganisations etc treated as not involving disposal).
- (3D) If subsection (3A) applies, any chargeable gain or allowable loss accruing to the transferor company on a group disposal (other than a group disposal to which section 127 applies) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A), as if the amount of the consideration for the group disposal were increased by the amount of the gain, and
  - (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the group disposal.
- (3E) If subsection (3A) applies, and section 127 applies to a group disposal, any chargeable gain or allowable loss accruing to the transferor company on a disposal of the new holding arising from the group disposal (or any part of that holding) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A)—
    - (i) as if an amount equal to the amount of the gain were excluded from the expenditure allowable as a deduction under section 38 in the computation of the gain or loss accruing on the disposal (but not so as to reduce that expenditure below nil), and

(ii) where (ignoring sub-paragraph (i)) the amount of the gain exceeds the expenditure allowable as such a deduction, as if a gain equal to that excess accrued on the disposal of the new holding (or, if the disposal is of a part of the new holding, a gain equal to the corresponding part of that excess accrued on that disposal), in addition to any gain or loss that actually accrues on the disposal of the new holding or part, and

(b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the disposal.

In this subsection “new holding” has the meaning given by section 126.

(3F) If there is more than one group disposal, the references in subsections (3D) and (3E) to the amount of the gain or loss which would accrue to company A in the absence of subsection (3A) are to be read, in relation to each disposal, as references to—

- (a) such proportion of that amount as the transferor companies in relation to the group disposals jointly elect as the appropriate proportion in relation to the disposal in question, or
- (b) where no election is made, the proportion of that amount attributable to that disposal if that amount is divided equally between the group disposals.

(3G) An election under subsection (3F) must—

- (a) specify the appropriate proportion in relation to each group disposal, and
- (b) be made, by notice to an officer of Revenue and Customs, no later than 2 years after the end of the first accounting period of a company in which any chargeable gain or allowable loss on a group disposal accrues.

(3H) If a group disposal by a company consists of shares of more than one class, then, for the purposes of subsections (3D) and (3E), the company may apportion any increase or deduction to be made between the classes of shares in such manner as it considers appropriate.”

(7) For subsection (5) substitute—

“(5) Subsections (6) to (8) apply where—

- (a) in the absence of subsection (6), company A would be treated by virtue of subsection (3) as selling an asset at any time, by reason of ceasing to be a member of the group, and
- (b) company A ceases to be a member of the group by reason only of the fact that the principal company of that group becomes a member of another group.”

(8) In subsection (6)—

- (a) for “The company” to “but” substitute “ Subsection (3) does not apply to treat company A as selling the asset at that time; but ”, and
- (b) for “the company in question” (in each place) substitute “ company A ”.

(9) In subsection (7) for “the company” (in both places) substitute “ company A ”.

(10) After that subsection insert—

“(7A) Any chargeable gain or allowable loss which would otherwise accrue to company A on the sale referred to in subsection (6) does not so accrue if—

(a) company A ceases at the relevant time to satisfy the conditions in subsection (7) in consequence of—

(i) a disposal of shares in company A, or another member of the other group mentioned in subsection (5)(b), made by a member of that other group, or

(ii) two or more such disposals,

(b) either—

(i) subsection (3B) applies to the disposal or, if there is more than one disposal, to at least one of them, or

(ii) sub-paragraph (i) does not apply but had subsection (3B) applied to the disposal or, if there is more than one disposal, to each of them, any gain arising on the disposal or disposals would not have been a chargeable gain by virtue of Schedule 7AC, and

(c) in the absence of this subsection, section 535 of CTA 2010 (UK REITS: exemption of gains) would not apply to the chargeable gain or allowable loss which would accrue to company A on the sale.

(7B) Where subsection (7A) applies, subsections (3C) to (3H) apply to the calculation of any chargeable gain or allowable loss accruing on a disposal within subsection (7A)(a) to which subsection (3B) applies (a “relevant disposal”) with the following modifications—

(a) in subsections (3C) to (3H) for the references to a group disposal substitute references to a relevant disposal, and

(b) in subsections (3C), (3D) and (3E) for the references to subsection (3A) substitute references to subsection (7A).”

(11) In subsection (8) for the words from “the company” to the end substitute “ company A on the sale referred to in subsection (6) is to be treated as accruing immediately before the relevant time. ”

(12) In subsection (10), for paragraph (a) substitute—

“(a) two companies are associated with each other if one is a 75 per cent subsidiary of the other or both are 75 per cent subsidiaries of another company.”

(13) After that subsection insert—

“(10A) For the purposes of this section an asset is a “chargeable asset” in relation to a company at any time if any gain accruing to the company on a disposal of the asset by the company at that time—

(a) would be a chargeable gain and would by virtue of section 10B form part of its chargeable profits for corporation tax purposes, or

(b) would, but for Schedule 7AC (exemptions for disposals by companies with substantial shareholdings), be within paragraph (a).”

## “PART 3A U.K.”

### EXEMPT PERIODS

#### Introductory

- 15A The provisions of this Part of this Schedule have effect for the purposes of section 748(1)(f).

#### Beginning of exempt period

- 15B (1) An exempt period begins in relation to a company (“X”) at a time (“the relevant time”) when—
- (a) X is resident outside the United Kingdom,
  - (b) X is controlled by persons resident in the United Kingdom,
  - (c) there is at least one relevant UK corporate investor in X, and
  - (d) the requirements of paragraph 15C or 15D are met.
- (2) There is a “relevant UK corporate investor in X” at a particular time if, at that time, there is a company which—
- (a) is resident in the United Kingdom, and
  - (b) would, on the assumptions set out in sub-paragraph (3), be a company to which an apportionment of X’s chargeable profits for the relevant accounting period would fall to be made in circumstances where section 747(5) would not prevent tax being chargeable on the company under section 747(4).
- (3) The assumptions are—
- (a) X has chargeable profits for the relevant accounting period,
  - (b) an apportionment of those profits falls to be made under section 747(3) for that period, and
  - (c) no reduction of those profits arises under section 751A, 751AA or 751AB.
- (4) “The relevant accounting period” means the accounting period of X in which the time mentioned in sub-paragraph (2) falls.
- 15C (1) The requirements of this paragraph are that—
- (a) no company was, at any time before the relevant time, a relevant UK corporate investor in X,
  - (b) no asset owned by X, or part of the business carried on by X, at the relevant time was previously owned, or carried on, by a company which—
    - (i) was under the control of persons resident in the United Kingdom at any time it owned the asset or carried on the part of the business, and
    - (ii) is or has been related to X,
  - (c) condition A, B, C or D is met, and
  - (d) no disqualifying relevant transaction occurs (see paragraph 15E).

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (2) Condition A is that, immediately before the relevant time, X—
    - (a) was in existence, but
    - (b) was not a member of the same group of companies as any person who, at the relevant time, was a controlling UK person.
  - (3) Condition B is that—
    - (a) at the relevant time X is controlled by a company which is resident in the United Kingdom, and
    - (b) immediately before that time, X was controlled by that same company but that company was not then resident in the United Kingdom.
  - (4) Condition C is that—
    - (a) at the relevant time—
      - (i) X is controlled by a company which is resident in the United Kingdom (“the intermediate parent”), and
      - (ii) the intermediate parent is controlled by a company which is not resident in the United Kingdom (“the parent”), and
    - (b) immediately before that time X was controlled by the parent but not the intermediate parent.
  - (5) Condition D is that X—
    - (a) is a controlled foreign company at the time it is formed, and
    - (b) is formed by one or more persons for the purpose of controlling one or more companies in circumstances where it is expected that an exempt period will begin in relation to one or more of those companies at the time when X begins to control the company or companies.
  - (6) In this paragraph “controlling UK person” means a person resident in the United Kingdom who alone, or together with other such persons, controls X.
- 15D
- (1) The requirements of this paragraph are that—
    - (a) the relevant time falls after 23 March 2011,
    - (b) X has an accounting period during which 23 March 2011 falls,
    - (c) no company was, at any time during that accounting period, a relevant UK corporate investor in X,
    - (d) no company was, immediately before the relevant time, a relevant UK corporate investor in X,
    - (e) at the relevant time X is controlled by a company which—
      - (i) is resident in the United Kingdom, and
      - (ii) is not under the control of another body corporate, or two or more other bodies corporate taken together, and
    - (f) no disqualifying relevant transaction occurs (see paragraph 15E).

- (a) a relevant transaction occurs at the relevant time (whether or not the transaction occurs pursuant to an agreement entered into by X before that time), or
  - (b) a relevant transaction occurs on or after 9 December 2010 but before the relevant time and that transaction forms part of an avoidance scheme.
- (3) “Relevant transaction” means—
- (a) the making by X of a loan or advance of an amount (other than a negligible amount) to a person who, at the time it is made, is related to X and subject to United Kingdom tax,
  - (b) an increase (other than an increase of a negligible amount) in the amount of an existing loan or advance made by X to a person who, at the time of the increase, is related to X and subject to United Kingdom tax,
  - (c) a change in the terms or conditions of an existing loan or advance made by X where—
    - (i) the loan or advance is to a person who, at the time the change is made, is related to X and subject to United Kingdom tax, and
    - (ii) the change has an effect (other than a negligible effect) on the amount of interest payable, or
  - (d) a transaction to which sub-paragraph (4) applies.
- (4) This sub-paragraph applies to a transaction if—

  - (b) the results of the transaction are reflected in the profits arising in an accounting period of X and are not negligible in value, and
  - (c) the results of the transaction alone, or together with the results of one or more other transactions, achieves a reduction in United Kingdom tax.
- (5) A transaction achieves, or two or more transactions together achieve, a reduction in United Kingdom tax if, had the transaction or transactions not been effected, any person—
- (a) would have been liable for any such tax or for a greater amount of any such tax, or

(6) In this paragraph—

“avoidance scheme” means a scheme the main purpose, or one of the main purposes, of any party to which in entering into the scheme is to secure that section 748(1)(f) prevents an apportionment falling to be made under section 747(3) as regards an accounting period, or accounting periods, of X;

“scheme” means any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving one or more transactions;

  - (2) If an early termination event occurs after the relevant time but before the time the exempt period would end under sub-paragraph (1), the exempt period ends immediately before that event.
  - (3) An early termination event occurs if and when—
    - (a) a relevant transaction occurs, whether or not the transaction occurs pursuant to an agreement entered into by X before that time, or

### UK RESIDENT COMPANIES: PROFITS OF FOREIGN PERMANENT ESTABLISHMENTS

#### *Exemption*

#### **18A Exemption for profits or losses of foreign permanent establishments**

- (1) If a UK resident company makes an election under this section, exemption adjustments are to be made at the appropriate stages in calculating the taxable total profits of the company for each relevant accounting period.
- (2) For that purpose “exemption adjustments” means any such adjustments as are appropriate to secure that there are left out of account any profits and losses taken into account in arriving at the foreign permanent establishments amount in relation to any relevant accounting period.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (3) In this Chapter “relevant accounting period”, in relation to a company by which an election is made under this section, means an accounting period of the company to which the election applies (as to which see section 18F).
- (4) For the purposes of this Chapter the “foreign permanent establishments amount”, in relation to an accounting period of a company, is—
  - (a) the aggregate of the relevant profits amount in the case of each relevant foreign territory in relation to which there is a relevant profits amount for the accounting period, less
  - (b) the aggregate of the relevant losses amount in the case of each relevant foreign territory in relation to which there is a relevant losses amount for the accounting period.
- (5) In this Chapter “relevant foreign territory”, in relation to a company, means a territory outside the United Kingdom in which the company carries on, or has carried on, business through a permanent establishment.
- (6) For the purposes of this Chapter “relevant profits amount”, in relation to a relevant foreign territory and an accounting period of a company, means—
  - (a) in the case of a full treaty territory, profits which would be taken to be attributable to the permanent establishment of the company in the territory for the purpose of ascertaining the amount of any credit to be allowed under TIOPA 2010 (in respect of tax paid under the law of the relevant foreign territory) against corporation tax if the company were to be liable to corporation tax for the accounting period (apart from this Chapter), or
  - (b) in the case of any other territory, profits which would be taken to be so attributable for that purpose if the territory were a full treaty territory and the double taxation arrangements having effect in relation to the territory were in the terms of the OECD model.
- (7) For the purposes of this Chapter “relevant losses amount”, in relation to a relevant foreign territory and an accounting period of a company, means—
  - (a) in the case of a full treaty territory, any losses which would be taken to be attributable to the permanent establishment of the company in the territory on the application of the same rules and principles as fall to be applied under subsection (6)(a), and
  - (b) in the case of any other territory, any losses which would be taken to be so attributable on that basis if it were a full treaty territory and the double taxation arrangements having effect in relation to the relevant foreign territory were in the terms of the OECD model.
- (8) Subsection (9) applies if the amount of any credit to be allowed under TIOPA 2010 in relation to a company in the case of a full treaty territory does not depend on the profits taken to be attributable to the permanent establishment of the company in the territory because tax under the law of the territory is charged, pursuant to the double taxation arrangements having effect in relation to the territory, otherwise than by reference to such profits (as an alternative to a charge by reference to such profits).
- (9) The reference in subsection (6)(a) to profits which would be taken to be attributable to the permanent establishment of the company in the territory is to the profits that would be so taken if tax under the law of the territory were

- (10) For the purposes of subsections (6) and (7) if double taxation arrangements having effect in relation to a relevant foreign territory do not include provision for the credit to be allowed against tax to be computed by reference to the same profits as those by reference to which the tax was computed under the law of the relevant foreign territory, they are to be assumed to do so.
- (11) This section is subject to the following provisions of this Chapter.

### **18B Chargeable gains etc**

- (1) The exemption adjustments required to be made by section 18A(1) include, in the case of any gains or losses on the disposal or realisation of assets which are relevant in the calculation of the taxable total profits of a company for a relevant accounting period, adjustments to remove the effect of any gains or losses relating to the assets taken into account in computing the foreign permanent establishments amount in relation to any relevant accounting period (so that, in appropriate cases, a gain may be increased to reflect a loss so taken into account or a loss increased to reflect a gain so taken into account).
- (2) The references in section 18A(6) to profits which would be taken to be attributable to the permanent establishment of a company in a territory include any gains in respect of immovable property which has been used for the purposes of the business carried on by the company through the permanent establishment in the territory (to such extent as is appropriate having regard to the extent to which it has been so used); and the references to losses in section 18A(7) are to be construed accordingly.
- (3) The references in section 18A(6) to profits which would be taken, in the case of a company in relation to which an election under section 18A has effect, to be attributable to the permanent establishment of the company in a territory (including as extended by subsection (2)) do not include any gains which would be taken to be so attributable for the purposes of ascertaining credit to be allowed in respect of tax payable under the law of the territory before the election has effect; and the references to losses in section 18A(7) are to be construed accordingly.

### **18C Capital allowances etc**

- (1) Any allowance under Part 2 of CAA 2001 which, but for section 18A and for section 15(2A)(b) of CAA 2001, could be claimed under section 3(1) of that Act in respect of assets provided for the purposes of a permanent establishment in a territory outside the United Kingdom through which business is or has been carried on by a company in relation to which an election under section 18A has effect (and any charge in connection with any such allowance) is to be made automatically and reflected in any calculation for any relevant accounting period of the company of the profits or losses attributable to business carried on by the company through such a permanent establishment.

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (2) In the application of section 13 of CAA 2001 by virtue of subsection (1) on the taking effect of the election under section 18A, references to “market value” have effect as references to “transition value” within the meaning of section 62A of that Act in relation to any plant or machinery in the case of which that is the disposal value under section 61 of that Act.
- (3) In determining any relevant profits amount or relevant losses amount under section 18A(6) or (7) in relation to a company there are to be left out of account any profits or losses arising from a plant or machinery lease under which the company is a lessor if an allowance under CAA 2001 has been made to the company or a connected company in respect of expenditure on the provision of any plant or machinery subject to the lease (otherwise than in accordance with this section).
- (4) Section 70K of that Act (meaning of “plant or machinery lease” and “lessor”) applies for the purposes of subsection (3).
- (5) In determining for the purposes of section 18A the amount of any credit to be allowed under TIOPA 2010 in respect of tax under the law of a relevant foreign territory in the case of a company, it is to be assumed that the company made any claim or election (other than a claim for allowances under Part 2 of CAA 2001) which would reduce any relevant profits amount, or increase the relevant losses amount, by any means, and within any time limit, applicable to it.

#### **18D Payments subject to deduction**

- (1) In determining any relevant profits amount or relevant losses amount under section 18A(6) or (7) in relation to a company there are to be left out of account profits or losses referable to any transaction between a person who is UK resident and a permanent establishment in a territory outside the United Kingdom through which the company carries on, or has carried on, business (“the foreign territory in question”) if the condition in subsection (2) is met.
- (2) That condition is that the UK resident would be obliged under Part 15 of ITA 2007 to deduct income tax that is not repayable from payments in respect of the transaction if the payments were made to a company resident in the foreign territory in question (taking account of any double taxation arrangements having effect in relation to the foreign territory in question).
- (3) But subsection (1) does not apply if the company is a bank unless the transaction forms part of arrangements the main purpose, or one of the main purposes, of which is the avoidance of an obligation under Part 15 of ITA 2007 to deduct income tax from any payments.
- (4) Section 1120 of CTA 2010 (meaning of “bank”) applies for the purposes of subsection (3).

#### **18E Employee share acquisitions**

- (1) Any relief which would be given under Chapter 2 or 3 of Part 12 is to be taken into account in determining any relevant profits amount or relevant losses amount in the case of a company under section 18A(6) or (7) in relation to

a relevant foreign territory in so far as it is linked to the business carried on by the company through a permanent establishment in the territory.

- (2) The extent to which any such relief is so linked is to be determined on a just and reasonable basis having regard to the extent to which the work of the employees concerned contributes to the purposes of the business so carried on.

### **18F Effect of election**

- (1) An election made by a company under section 18A—
- (a) (subject to subsection (6)) is irrevocable, and
  - (b) applies to all accounting periods of the company beginning on or after the relevant day.
- (2) “The relevant day” is the day on which, at the time of the election, the accounting period following that in which the election is made is expected to begin.
- (3) Subsection (4) applies if an accounting period of the company (“the straddling period”) begins before, and ends on or after, the relevant day.
- (4) It is to be assumed, for the purposes of the Corporation Tax Acts, that the straddling period consists of two separate accounting periods—
- (a) the first beginning with the straddling period and ending immediately before the relevant day, and
  - (b) the second beginning with that day and ending with the straddling period.
- (5) Where for those purposes it is necessary to apportion the profits and losses for the straddling period to different parts of the period, that apportionment is to be made on a just and reasonable basis.
- (6) The election can be revoked at any time before the relevant day.

### *Anti-diversion rule*

### **18G Anti-diversion rule**

- (1) This section applies for the purposes of this Chapter if the lower level of tax test is met for any relevant accounting period of a company in relation to any permanent establishment through which the company carries on, or has carried on, business in a territory outside the United Kingdom.
- (2) If there is an adjusted relevant profits amount in relation to the territory for the relevant accounting period, that amount is to be taken to be nil (but this is subject to section 18I).
- (3) For the purposes of this Chapter “adjusted”, in relation to a relevant profits amount, is what the relevant profits amount would be if it were determined without reference to gains and losses which are chargeable gains or allowable losses for the purposes of corporation tax.
- (4) The lower level of tax test is met for a relevant accounting period in relation to a permanent establishment in a territory if—

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (a) the amount of tax paid under the law of that territory in respect of the adjusted relevant profits amount in accordance with a relevant treaty provision, is less than
  - (b) 75% of the amount of corporation tax that would be payable in respect of that amount if it were subject in full to corporation tax, ignoring any credit which would be allowed against it under section 18(3) of TIOPA 2010 and assuming, where there is more than one rate of corporation tax applicable to the relevant accounting period, that it were chargeable at the average rate over the accounting period.
- (5) In subsection (4)(a) “a relevant treaty provision” means—
- (a) provision in double taxation arrangements having effect in relation to the territory, or
  - (b) if no double taxation arrangements have effect in relation to the territory, provision in the terms of the OECD model.
- (6) This section does not apply if—
- (a) the adjusted relevant profits amount in relation to the territory for the relevant accounting period would (apart from subsection (2)) be less than the entry limit (as to which see subsection (7)), or
  - (b) the motive test is met (as to which see section 18H).
- (7) “The entry limit” is—
- (a) £200,000, or
  - (b) if the relevant accounting period is less than 12 months, a proportionately reduced amount.

### **18H The motive test**

- (1) The motive test is met if conditions A and B are met.
- (2) Condition A is that in so far as any relevant transaction, or two or more transactions at least one of which was a relevant transaction (taken together), achieved a reduction in United Kingdom tax either—
  - (a) the reduction was minimal, or
  - (b) it was not the main purpose, or one of the main purposes, of the transaction, or of those transactions taken together, to achieve the reduction.
- (3) In subsection (2) “relevant transaction” means a transaction the results of which are reflected in such of the company's profits in the accounting period as are attributable to the permanent establishment.
- (4) For the purposes of subsection (2) a transaction achieves (or transactions achieve) a reduction in United Kingdom tax if, had the transaction (or transactions) not been effected, any person—
  - (a) would (disregarding section 18G(2)) have been liable for United Kingdom tax or for a greater amount of United Kingdom tax, or
  - (b) would (disregarding that provision) not have been entitled to a relief from, or repayment of, United Kingdom tax or would have been entitled to a smaller relief from, or repayment of, United Kingdom tax.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (5) For the purposes of subsection (2) it is the main purpose, or one of the main purposes, of a transaction (or of transactions taken together) to achieve a reduction in United Kingdom tax if that is the main purpose, or one of the main purposes, of—
- (a) the company, or
  - (b) a person who has an interest in the company at any time during the relevant accounting period;
- and section 749B of ICTA (persons who have an interest in a company) applies for the purposes of paragraph (b) as for the purposes of Chapter 4 of Part 17 of that Act.
- (6) Condition B is that it was not the main reason, or one of the main reasons, for the company carrying on business through the permanent establishment to achieve a reduction in United Kingdom tax by a diversion of profits from the United Kingdom.
- (7) For the purposes of subsection (6) the fact that the company carries on the business through the permanent establishment achieves a reduction in United Kingdom tax by a diversion of profits from the United Kingdom if it is reasonable to make the supposition in subsection (8).
- (8) That supposition is that, if the company did not carry on business through any permanent establishment and there were no related companies—
- (a) the whole or a substantial part of the receipts which are reflected in the profits attributable to the permanent establishment would have been received by the company otherwise than through the permanent establishment or by another UK resident company which is a non-electing company or an individual resident in the United Kingdom, and
  - (b) the company, that other UK resident company, that individual resident in the United Kingdom or any other person resident in the United Kingdom either—
    - (i) would (disregarding section 18G(2)) have been liable for United Kingdom tax or for a greater amount of United Kingdom tax, or
    - (ii) would (disregarding that provision) not have been entitled to a relief from, or repayment of, United Kingdom tax or would have been entitled to a smaller relief from, or repayment of, United Kingdom tax.
- (9) For the purposes of subsection (8) a company is “related” to the company if—
- (a) either it is a UK resident company in relation to which an election under section 18A has effect or it is not a UK resident company,
  - (b) it is connected with, or is an associate of, the company, and
  - (c) it fulfils or could fulfil, directly or indirectly, the same functions as those of the permanent establishment.
- (10) Companies are associates for the purposes of subsection (9) if they are associated for the purposes of Chapter 4 of Part 19 of CTA 2010 (see section 882).

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (11) References in subsection (8) to a UK resident company include a company which it is reasonable to assume would have been established if the permanent establishment did not exist.
- (12) For the purposes of subsection (8) a UK resident company is a non-electing company if no election under section 18A has effect in relation to the company.
- (13) In this section “United Kingdom tax” means corporation tax, income tax or capital gains tax.

### **18I Proportionate reduction in certain cases**

- (1) This section applies if—
  - (a) condition A in section 18H is not met, but
  - (b) condition B in that section is met.
- (2) If there is an adjusted relevant profits amount in relation to the territory for the relevant accounting period, section 18G(2) has effect to cause it to be reduced by only any such amount as it is just and reasonable to regard as referable to tainted relevant transactions.
- (3) In subsection (2) “tainted relevant transactions” means relevant transactions which achieve a reduction in United Kingdom tax, other than any in relation to which the condition in section 18H(2)(b) is met.

*Companies with total opening negative amount*

### **18J Companies with total opening negative amount**

- (1) The following sections make provision about a company in relation to which an election under section 18A has effect if there is a total opening negative amount in the case of the company at the beginning of the company's first relevant accounting period.
- (2) To determine for the purposes of this Chapter whether there is a total opening negative amount at the beginning of the company's first relevant accounting period, take the following steps.
  - Step 1* Take the adjusted foreign permanent establishments amount in relation to the earliest affected prior accounting period in relation to which that amount is negative.
  - Step 2* Add to the amount arrived at under step 1 the adjusted foreign permanent establishments amount in relation to the next affected prior accounting period (but not so as to cause the result to exceed nil).
  - Step 3* Add to the amount arrived at under step 2 the adjusted foreign permanent establishments amount in relation to each remaining affected prior accounting period, starting with the earliest (but not so as to cause the result to exceed nil). If after the application of the preceding steps there is a negative amount for the last affected prior accounting period there is a total opening negative amount at the beginning of the company's first relevant accounting period of an amount equal to that negative amount.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (3) In subsection (2) “affected prior accounting period” means—
  - (a) the accounting period of the company in which the election under section 18A is made, and
  - (b) any earlier accounting period of the company ending less than 6 years before the end of that accounting period.
- (4) For the purposes of subsection (2) the “adjusted” foreign permanent establishments amount is what the foreign permanent establishments amount would be if it were determined without reference to gains or losses which are chargeable gains or allowable losses for the purposes of corporation tax.

### **18K Total opening negative amount: “matching”**

- (1) At the end of each relevant accounting period of the company (starting with the first) the total opening negative amount is to be reduced (or further reduced) by the amount of any aggregate relevant profits amount of the company for the accounting period (but not to below nil).
- (2) In any relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) does not apply in relation to the aggregate relevant profits amount of the company for the accounting period.
- (3) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) is disapplied by subsection (2) only in relation to so much of the aggregate relevant profits amount of the company for the accounting period as is equal to the total opening negative amount of the company at the beginning of the accounting period.
- (4) The company may, in its company tax return for that relevant accounting period, specify to which part of the aggregate relevant profits amount of the company for the accounting period section 18A(1) is to apply by virtue of subsection (3).
- (5) In this Chapter “aggregate relevant profits amount”, in relation to an accounting period, means the aggregate of the relevant profits amount in the case of each relevant foreign territory in relation to which there is a relevant profits amount for the accounting period.
- (6) This section is subject to section 18L.

### **18L Streaming**

- (1) If a streaming election has effect in relation to the company sections 18M and 18N apply (instead of section 18K).
- (2) For the purposes of this section “streaming election” means an election, made at the same time as the company's election under section 18A, which—
  - (a) states that sections 18M and 18N are to have effect in relation to the company (instead of section 18K), and
  - (b) specifies which of the territories that are relevant foreign territories in relation to the company are to be streamed territories for the

purposes of the operation of sections 18M and 18N in relation to the company.

- (3) Subject to subsection (4), a streaming election is irrevocable.
- (4) A streaming election can be revoked at any time before the first relevant accounting period of the company.
- (5) A streaming election does not have effect unless the company, in the company tax return for the first relevant accounting period of the company, specifies how much of the amount eligible to be streamed to each streamed territory is to constitute for the purposes of sections 18M and 18N the streamed opening negative amount at the beginning of that relevant accounting period.
- (6) For the purposes of subsection (5) the amount eligible to be streamed to a territory by the company is the amount that would be the total opening negative amount of the company at the beginning of the first relevant accounting period of the company if at all material times the territory were the only relevant foreign territory in relation to the company.

#### **18M Streamed opening negative amounts: “matching”**

- (1) At the end of each relevant accounting period of the company (starting with the first) the streamed opening negative amount in relation to a territory is to be reduced (or further reduced) by the amount of any relevant profits amount of the company for the territory for the accounting period (but not to below nil).
- (2) In any relevant accounting period of the company for which there is a reduction under subsection (1) in relation to a territory, section 18A(1) does not apply in relation to the relevant profits amount of the company for the territory for the accounting period.
- (3) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1) in relation to a territory, section 18A(1) is disapplied by subsection (2) only in relation to so much of the relevant profits amount of the company for the territory for the accounting period as is equal to the streamed opening negative amount in relation to the territory at the beginning of the accounting period.
- (4) The company may, in its company tax return for that relevant accounting period, specify to which part of the relevant profits amount of the company for the territory for the accounting period section 18A(1) is to apply by virtue of subsection (3).

#### **18N Residual opening negative amount: “matching”**

- (1) At the end of each relevant accounting period of the company (starting with the first) the residual opening negative amount is to be reduced (or further reduced) by the amount of any residual aggregate relevant profits amount of the company for the accounting period (but not to below nil).
- (2) For the purposes of this section the “residual opening negative amount”, at the beginning of the company's first relevant accounting period, is—

*Status: Point in time view as at 17/12/2014.*

- (a) the total opening negative amount of the company at that time, less
  - (b) the aggregate of the streamed opening negative amounts of the company at that time.
- (3) For the purposes of this section the “residual aggregate relevant profits amount”, in relation to an accounting period, means the amount (if any) by which—
- (a) the aggregate relevant profits amount of the company for the accounting period, exceeds
  - (b) the aggregate of so much of any relevant profits amounts of the company for the accounting period as has effect to bring about a reduction under section 18M(1) for the accounting period.
- (4) In any relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) does not apply in relation to the residual aggregate relevant profits amount of the company for the accounting period.
- (5) But in the case of the last relevant accounting period of the company for which there is a reduction under subsection (1), section 18A(1) is disapplied by subsection (4) only in relation to so much of the residual aggregate relevant profits amount of the company for the accounting period as is equal to the residual opening negative amount of the company at the beginning of the accounting period.
- (6) The company may, in its company tax return for that relevant accounting period, specify to which of the amounts forming part of the residual aggregate relevant profits amount of the company for the accounting period section 18A(1) is to apply by virtue of subsection (4).

### **180 Transfers of foreign permanent establishment business**

- (1) This section applies if—
- (a) business carried on by a company (“the transferor”) through a permanent establishment in a territory outside the United Kingdom is transferred to a connected company that is (or later becomes) a UK resident company (“the transferee”), and
  - (b) there is a transferred total opening negative amount in relation to the business transferred.
- (2) In a case where the transferor had not made an election under section 18A before the transfer took place, or such an election had not had effect before that time, the “transferred total opening negative amount” is the amount that would have been the total opening negative amount in the case of the transferor at the beginning of the transferor's first relevant accounting period if—
- (a) the only business carried on by the transferor was the business transferred,
  - (b) the transfer had not taken place,
  - (c) the transferor's first relevant accounting period had begun on the day after the transfer day, and
  - (d) any reference in section 18J(3) to the accounting period in which the election is made were a reference to the period beginning with

the accounting period in which the transfer took place and ending with the transfer day.

- (3) In a case where an election made by the transferor under section 18A had effect before the transfer took place, the “transferred total opening negative amount” is—
- (a) the amount that would have been the total opening negative amount in the case of the transferor on the transfer day if the accounting period in which the transfer took place had ended on that day (the “remaining total opening negative amount”), less
  - (b) the amount that would have been the remaining total opening negative amount if the transferor had never carried on the business transferred.

But the transferred total opening negative amount cannot be below nil.

- (4) In a case where—
- (a) an election made by the transferee under section 18A first has effect after the transfer takes place, and
  - (b) the accounting period of the transferee in which the transfer took place is an affected prior accounting period for the purposes of section 18J(2),

there is to be added to the adjusted foreign permanent establishments amount in relation to that accounting period a negative amount equal to so much (if any) of the transferred total opening negative amount as is attributable to profits or losses arising after the beginning of the earliest affected prior accounting period of the transferee.

- (5) In a case where an election made by the transferee under section 18A had effect before the transfer took place, sections 18K to 18N have effect in relation to the transferee and the transferred total opening negative amount as if—
- (a) any reference to the total opening negative amount were a reference to the transferred total opening negative amount,
  - (b) any reference to the first relevant accounting period were a reference to the period beginning with the day after the transfer day and ending immediately before the start of the next accounting period of the transferee, and
  - (c) the requirement in section 18L(2) that a streaming election be made at the same time as the company's election under section 18A did not apply.
- (6) Where for the purposes of this section it is necessary to apportion the profits and losses for any accounting period to different parts of that period, that apportionment is to be made on a just and reasonable basis.
- (7) Any amount included in a transferred total opening negative amount is to be disregarded in the application of sections 18J to 18N in the case of the transferor after the transfer day.
- (8) In this section “the transfer day” means the day on which the transfer of the business takes place.

### *Special cases*

#### **18P Exclusions**

- (1) If a company is a small company at any time during a relevant accounting period, there is for that relevant accounting period no relevant profits amount or relevant losses amount for the purposes of this Chapter in relation to any relevant foreign territory that is not a full treaty territory.
- (2) If a company is a close company at any time during a relevant accounting period, so much of the profits of the company for the relevant accounting period as derives from gains which are chargeable gains for the purposes of corporation tax is not to be regarded as forming part of a relevant profits amount or relevant losses amount of the company for the purposes of this Chapter.

#### **18Q Insurance companies**

- (1) So much of the profits or losses of a company as consists of profits or losses arising from basic life assurance and general annuity business (as defined in section 431(2) of ICTA) is not to be regarded as forming part of a relevant profits amount or relevant losses amount of the company for the purposes of this Chapter.
- (2) In determining what part of any items brought into account as mentioned in section 83(2)(a), (b), (c) or (d) of FA 1989 (receipts to be taken into account) as profits attributable to a permanent establishment in a territory outside the United Kingdom through which the company carries on business are referable to life assurance business or gross roll-up business, section 432E of ICTA (apportionment: participating funds) has effect as if—
  - (a) references in that section to the surplus of the relevant business were to the surplus of the business carried on through the permanent establishment, and
  - (b) subsections (3) to (4A) of that section and section 432F of that Act were omitted.
- (3) No amount which, by virtue of any enactment, is to be regarded as being brought into account by a company as an increase in the value of non-linked assets is to be regarded for the purposes of this Chapter as being attributable to a permanent establishment in a territory outside the United Kingdom through which the company carries on business.
- (4) Any election under section 107(4) of FA 2000 (general insurance: adjustment for technical provision) is to be ignored for the purposes of this Chapter.

### *Interpretation*

#### **18R Meaning of “full treaty territory”**

- (a) double taxation arrangements have been made in relation to the territory, and
  - (b) the arrangements contain a relevant non-discrimination provision.
- (2) “Relevant non-discrimination provision” means a provision to the effect that the taxation on a permanent establishment of an enterprise of a state which is party to the arrangements (a “contracting state”) is not to be less favourably levied in any other contracting state than the taxation levied on enterprises of that other contracting state carrying on the same activities.

- (3) On receiving an application under subsection (1), an officer of Revenue and Customs must decide whether to discharge the scheme administrator's liability.
- (4) An officer of Revenue and Customs must notify the scheme administrator of the decision on the application.
- (5) The discharge of the scheme administrator's liability does not affect the liability of any other person in respect of the same amount.

## PART 2 U.K.

### COMMENCEMENT AND TRANSITIONAL PROVISION

- 27 (1) The amendments made by Part 1 have effect for the tax year 2011-12 and subsequent tax years.
- (2) Apart from the amendments made by paragraph 16(2) and (4), such of the amendments as apply in relation to pension input periods have effect in relation to pension input periods ending in the tax year 2011-12 but beginning earlier (as well as those beginning in that tax year).
- 28 (1) This paragraph applies where—
- (a) the pension input period in respect of any arrangement relating to the individual which ends in the tax year 2011-12 begins before 14 October 2010 (a “straddling pension input period”), and
  - (b) the total pension input amount in the case of the individual for that tax year exceeds £50,000.
- (2) The following provisions apply for arriving at the amount in respect of which the annual allowance charge is charged for that tax year (instead of the charge being in respect of the amount by which the total pension input amount exceeds the amount of the annual allowance).
- (3) Treat each straddling pension input period as if it were 2 separate pension input periods—
- (a) one beginning when the straddling pension input period begins and ending with 13 October 2010 (a “pre-announcement period”), and
  - (b) the other beginning with 14 October 2010 and ending when the straddling pension input period ends (a “post-announcement period”).
- And treat any pension input period in respect of any arrangement relating to the individual which ends in the tax year 2011-12 which is not a straddling pension input period as if it were a post-announcement period.
- (4) Arrive at the pension input amount in respect of each post-announcement period (as if it were a pension input period ending in the tax year 2011-12) and aggregate those amounts.
- (5) Deduct £50,000 from that aggregate.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

The result (or, if a negative amount, nil) is the post-announcement periods total.

- (6) Arrive at the pension input amount in respect of each pre-announcement period (as if it were a pension input period ending in the tax year 2011-12) and aggregate those amounts.

In the case of a defined benefits arrangement, subsections (4) and (5) of section 234 of FA 2004 are to apply for the purposes of this calculation as if the references to “16” were to “10”.

- (7) Deduct from that aggregate the difference between £255,000 and the lesser of—  
(a) £50,000, and  
(b) the aggregate arrived at under sub-paragraph (4).

The result (or, if a negative amount, nil) is the pre-announcement periods total.

- (8) Aggregate the post-announcement periods total and the pre-announcement periods total.
- (9) Deduct any amount by which (apart from this paragraph) the annual allowance in the case of the individual for the tax year would have been increased by virtue of section 228A of FA 2004 or, if less, by so much of any such amount as equals that aggregate.
- (10) Any result is the amount in respect of which the annual allowance charge is charged for the tax year 2011-12.

29 Where paragraph 28 applies in the case of the individual, section 228A of FA 2004 has effect in the case of the individual for tax years subsequent to the tax year 2011-12—

- (a) as if the references in subsections (3)(a) and (b) of that section to the amount of the annual allowance for that tax year were to £50,000, and  
(b) as if any amount deducted under sub-paragraph (9) of that paragraph had been “used-up” within the meaning of that section.

30 (1) This paragraph has effect in relation to the application of section 228A of FA 2004 for the tax years 2011-12, 2012-13 and 2013-14.

- (2) The assumptions in sub-paragraph (3) are to be made in determining—  
(a) whether the amount of the annual allowance for the tax years 2008-09, 2009-10 and 2010-11 exceeded the total pension input amount in the case of the individual for the tax year, and  
(b) whether any excess of the annual allowance over the total pension input amount in the case of the individual for any of those tax years has been used up.

- (3) The assumptions are—  
(a) that the annual allowance for each of the tax years 2008-09, 2009-10 and 2010-11 was £50,000, and  
(b) that the provisions of Part 4 of FA 2004 apply in relation to pension input periods in respect of arrangements relating to the individual that end in any of those tax years subject to the amendments made by this Schedule (including that inserting section 228A).

31 In determining under section 233 of FA 2004 the pension input amount in respect of an arrangement relating to an individual for a pension input period of the

- arrangement that ends in the tax year 2009-10, 2010-11 or 2011-12, there is to be deducted from what would otherwise be the pension input amount so much of any contributions refund lump sum (within the meaning of paragraph 15 of Schedule 35 to FA 2009) paid to the individual (or the personal representatives of the individual) as is attributable to contributions paid under the arrangement in the pension input period.
- 32 Section 237B has effect in relation to the tax year 2011-12 as if the reference in subsection (5)(a) of that section to 31 July in the year following that in which the tax year ends were to 31 December 2013.
- 33 Section 254(7A) has effect in relation to the tax year 2011-12 as if the reference in that provision to 31 December in the year following that in which the tax year ends were to 31 March 2014.
- 34 Expressions used in this Part of this Schedule and Part 4 of FA 2004 have the same meaning in this Part of this Schedule as in that Part of that Act.

- 13 The amendments made by Part 1 have effect for the tax year 2012-13 and subsequent tax years.
- 14 (1) This paragraph applies on and after 6 April 2012 in the case of an individual—
- (a) who has one or more arrangements under a registered pension scheme on that date,
- (b) in relation to whom paragraph 7 of Schedule 36 to FA 2004 (primary protection) does not make provision for a lifetime allowance enhancement factor, and
- (c) in relation to whom paragraph 12 of that Schedule (enhanced protection) does not apply on that date,
- if notice of intention to rely on it is given to an officer of Revenue and Customs.

- if notice of intention to rely on it is given to an officer of Revenue and Customs.]

<sup>F28</sup>(2) .....

- (3) Part 4 of FA 2004 has effect in relation to the individual as if the standard lifetime allowance were the greater of the standard lifetime allowance and £1,800,000 (the standard lifetime allowance for the tax year 2011-12).
  - (4) But this paragraph ceases to apply if on or after 6 April 2012—

  - (c) in the case of a hybrid arrangement—
    - (i) where the benefits that may be provided to or in respect of the individual under the arrangement include money purchase benefits other than cash balance benefits, if a relevant contribution is paid under the arrangement on or after 6 April 2012, and
    - (ii) in any case, if there is an increase in the value of the individual's rights under the arrangement at any time on or after that date (but subject to sub-paragraph (12)).
- (6) For the purposes of sub-paragraphs (5)(b) and (c)(ii) and (12) whether there is an increase in the value of the individual's rights under the arrangement (and its amount if there is) is to be determined—
- (a) in the case of a cash balance arrangement (or a hybrid arrangement under which cash balance benefits may be provided to or in respect of the individual under the arrangement), by reference to whether there is an increase in the amount that would, on the valuation assumptions, be available for the provision of benefits to or in respect of the member (and, if there is, the amount of the increase), and
  - (b) in the case of a defined benefits arrangement (or a hybrid arrangement under which defined benefits may be provided to or in respect of the individual under the arrangement), by reference to whether there is an increase in the benefits amount.

RVF is the relevant valuation factor.

- (8) Paragraph 17A of Schedule 36 to FA 2004 (impermissible transfers) applies for the purposes of sub-paragraph (4)(b) but as if the references to a relevant existing arrangement were to the arrangement and the reference in sub-paragraph (2) to 5 April 2006 were to 5 April 2012.

- (9) Sub-paragraphs (7) to (8B) of paragraph 12 of Schedule 36 to FA 2004 (when there is a permitted transfer) apply for the purposes of sub-paragraph (4)(c); and where there is a permitted transfer—
- (a) if it is a permitted transfer by virtue of sub-paragraph (8)(a) of paragraph 12, this paragraph applies in relation to the arrangement to which the transfer is made,

    - (i) the percentage specified (or, where more than one arrangement includes such provision, the higher or highest of the percentages specified), plus
    - (ii) the relevant statutory increase percentage; or
  - (c) otherwise—
    - (i) an increase in the consumer prices index, or
    - (ii) if higher, the relevant statutory increase percentage.
- Where both paragraphs (a) and (b) would otherwise apply giving different percentages, the paragraph giving the higher percentage applies.

## PART 2 U.K.

### CHARGING OF BANK LEVY

#### *Bank levy to be charged in relation to certain groups of entities*

- 4 (1) The bank levy is charged if, as at the end of a period of account (“the chargeable period”) of an entity (“the parent entity”)—
- (a) the parent entity is a parent and is not a subsidiary of any other entity, and
  - (b) the group (“the relevant group”) for which the parent entity is the parent is a group within sub-paragraph (2).
- (2) The groups within this sub-paragraph are—
- (a) a UK banking group,
  - (b) a building society group,
  - (c) a foreign banking group, or
  - (d) a relevant non-banking group.
- See Part 3 of this Schedule for the definitions of these groups.
- (3) “Group”, “parent” and “subsidiary” have the meaning given by those provisions of international accounting standards relating to the preparation of consolidated financial statements (whether or not the parent entity prepares financial statements under those standards).
- (4) Accordingly, for the purposes of this Schedule the members of the relevant group are—
- (a) the parent entity, and
  - (b) any other entity which, as at the end of the chargeable period, is a member of the group for the purposes of the provisions mentioned in sub-paragraph (3).
- (5) Sub-paragraphs (3) and (4) are subject to what follows.
- (6) Sub-paragraph (7) applies if—
- (a) as at the end of the chargeable period—
    - (i) the parent entity is resident in a territory outside the United Kingdom,
    - (ii) generally accepted accounting practice for entities resident in that territory is or includes US GAAP, and

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (iii) the parent entity is a parent for the purposes of those provisions of US GAAP which relate to the preparation of consolidated financial statements (as well as being a parent for the purposes of the provisions mentioned in sub-paragraph (3)), and
  - (b) the parent entity prepares consolidated financial statements for the chargeable period under US GAAP.
- (7) The relevant group is the group for which the parent entity is the parent for the purposes of the provisions of US GAAP mentioned in sub-paragraph (6)(a)(iii) (instead of the provisions mentioned in sub-paragraph (3)) and, accordingly, for the purposes of this Schedule the members of the relevant group are—
- (a) the parent entity, and
  - (b) any other entity which, as at the end of the chargeable period, is a member of the group for the purposes of the provisions of US GAAP mentioned in sub-paragraph (6)(a)(iii).
- (8) This paragraph applies in relation to periods of account ending on or after 1 January 2011.

*Bank levy to be charged in relation to certain entities which are not members of groups*

- 5 (1) The bank levy is charged if, as at the end of a period of account (“the chargeable period”) of an entity (“the relevant entity”), the relevant entity—
- (a) is a UK resident bank, a building society or a relevant foreign bank, and
  - (b) does not fall within sub-paragraph (2) or (3).
- (2) An entity falls within this sub-paragraph if it is an entity in relation to which paragraph 4(1) applies as at the end of the chargeable period.
- (3) An entity (“A”) falls within this sub-paragraph if—
- (a) there is another entity (“B”) in relation to which paragraph 4(1) applies as at the end of the chargeable period (or in relation to which paragraph 4(1) would apply if B had a period of account ending at the same time as the chargeable period), and
  - (b) A is (or would be) a member of the relevant group.
- (4) This paragraph applies in relation to periods of account ending on or after 1 January 2011.

*Steps for determining the amount of the bank levy*

- 6 (1) This paragraph applies where the bank levy is charged as provided for by paragraph 4 or 5.
- (2) Here are the steps to be taken to determine the amount of the bank levy.
- Step 1* In accordance with Part 4 of this Schedule, determine the amount of the chargeable equity and liabilities of the relevant group or the relevant entity (as the case may be).
- Step 2* If the amount of the chargeable equity and liabilities is not more than £20,000,000,000, the amount of the bank levy is nil and no further steps are taken. If the amount of the chargeable equity and liabilities is more than £20,000,000,000, go to Step 3.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

*Step 3* Determine how much of the chargeable equity and liabilities are long term equity and liabilities and how much are short term liabilities.

*Step 4* Determine the proportion (“A%”) of the chargeable equity and liabilities which is long term equity and liabilities and the proportion (“B%”) of the chargeable equity and liabilities which is short term liabilities.

*Step 5* Reduce the amount of the long term chargeable equity and liabilities by an amount equal to A% of £20,000,000,000 and the amount of the short term chargeable liabilities by an amount equal to B% of £20,000,000,000.

*Step 6* If the chargeable period is 12 months, go straight to Step 7. If not, adjust the amount of the long term chargeable equity and liabilities and the amount of the short term chargeable liabilities as follows. Divide the amount by 365 and then multiply the result by the number of days in the chargeable period.

*Step 7* Charge the amount of the long term chargeable equity and liabilities at the rate of [<sup>F37</sup>0.078%]. Charge the amount of the short term chargeable liabilities at the rate of [<sup>F38</sup>0.156%]

(3) The bank levy is to be paid as provided for by Part 6 of this Schedule.

- (2) The chargeable equity and liabilities of the relevant entity is the amount of its UK allocated equity and liabilities (see paragraph 24) as at the end of the chargeable period.

*Definition of “UK allocated equity and liabilities”*

- 24 (1) Take Steps 1 to 4 to determine the amount of the UK allocated equity and liabilities of a relevant foreign bank as at the end of the chargeable period. Take Steps 5 and 6 to determine how much of that amount is to be treated as long term equity and liabilities and how much as short term liabilities for the purposes of Step 3 in paragraph 6(2).
- Step 1* Determine the amount (“A”) of the bank's assets as at the end of the chargeable period (subject to any adjustment under paragraph 25(5)).
- Step 2* In accordance with paragraph 26, determine the amount (“B”) of the assets, as at the end of the chargeable period, of the permanent establishment through which the bank carries on a trade in the United Kingdom (subject to any adjustment under paragraph 25(6)). The proportion which B is of A is “X%”.
- Step 3* In accordance with paragraph 27, determine the amount (“C”) of the bank's chargeable equity and liabilities.
- Step 4* The amount of the UK allocated equity and liabilities is X% of C.
- Step 5* Determine the proportion (“Y%”) of C which is long term equity and liabilities.
- Step 6* For the purposes of Step 3 in paragraph 6(2), treat Y% of the amount of the UK allocated equity and liabilities as long term equity and liabilities and the rest as short term liabilities.
- (2) For the purposes of this paragraph and paragraphs 25 to 27, assets, equity and liabilities of a relevant foreign bank or the permanent establishment through which it carries on a trade in the United Kingdom are to be determined by reference to—

- (b) relief under Schedule 7 or Schedule 8 is available for it or would be available for it on the making of a claim or has been withdrawn from it.
- (5) A reference in this Schedule to an interest in a dwelling is to any chargeable interest in or over a dwelling.
- (6) But, in the case of a dwelling subject to a lease granted for an initial term of more than 21 years, any interest that is a superior interest in relation to the lease is to be ignored in determining whether a transaction is a relevant transaction.

#### *Key terms*

- 3 (1) A chargeable transaction to which this Schedule applies is referred to in this Schedule as a “relevant transaction”.
- (2) A relevant transaction is a “single dwelling transaction” if its main subject-matter consists of—
  - (a) an interest in a single dwelling, or
  - (b) an interest in a single dwelling and other property.
- (3) In relation to such a transaction, the single dwelling is referred to as “the dwelling”.
- (4) A relevant transaction is a “multiple dwelling transaction” if its main subject-matter consists of—
  - (a) an interest in at least two dwellings, or
  - (b) an interest in at least two dwellings and other property.
- (5) In relation to such a transaction, those dwellings are referred to as “the dwellings”.

#### *The relief*

- 4 (1) If relief under this Schedule is claimed for a relevant transaction, the amount of tax chargeable in respect of the transaction is—
  - (a) a percentage of the consideration attributable to dwellings, plus
  - (b) a percentage of the remaining consideration (if any).
- (2) “The consideration attributable to dwellings” is—
  - (a) for a single dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwelling,
  - (b) for a multiple dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwellings in total.
- (3) “The remaining consideration” is the chargeable consideration for the transaction less the consideration attributable to dwellings.
- (4) The percentages are determined in accordance with paragraph 5.
- (5) If the whole or part of the chargeable consideration for a relevant transaction is rent, sub-paragraph (1) has effect subject to section 56 and Schedule 5.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (6) “Attributable” means attributable on a just and reasonable basis.

*The percentages*

- 5 (1) For the purposes of paragraph 4(1)(a), the percentage is the percentage that would be applied under section 55 if—
- (a) the relevant land consisted entirely of residential property, and
  - (b) the relevant consideration were the fraction produced by dividing total dwellings consideration by total dwellings.
- (2) But if that percentage turns out to be 0%, the percentage for the purposes of paragraph 4(1)(a) is 1%.
- (3) For a transaction that is not one of a number of linked transactions, “total dwellings consideration” is the consideration attributable to dwellings for that transaction (see paragraph 4(2)).
- (4) For one of a number of linked transactions, “total dwellings consideration” is—
- (a) the total of the consideration attributable to dwellings for that transaction and all the other linked transactions that are relevant transactions, plus
  - (b) so much of the chargeable consideration for any of the linked transactions (whether or not relevant transactions) as is not included in the calculation under paragraph (a) but is attributable to the same dwellings by reference to which that calculation is made.
- (5) “Total dwellings” is the total number of dwellings by reference to which total dwellings consideration is calculated.
- (6) In the application of sub-paragraph (1), no account is to be taken of—
- (a) section 116(7), or
  - (b) paragraph 9A(4) of Schedule 5.
- (7) For the purposes of paragraph 4(1)(b), the percentage is the percentage that (but for this Schedule) would be applied under section 55 to the chargeable consideration for the transaction.

*Adjustment for change of circumstances*

- 6 (1) This paragraph applies if—
- (a) relief under this Schedule is claimed for a relevant transaction,
  - (b) an event occurs in the relevant period, and
  - (c) had the event occurred immediately before the effective date of the transaction—
    - (i) the transaction would not have been a relevant transaction or the percentage applied by virtue of paragraph 4(1)(a) would have been higher, and
    - (ii) more tax would have been payable in respect of the transaction as a result.
- (2) If this paragraph applies, tax is chargeable on the transaction as if the event had occurred immediately before the effective date of the transaction.

*Status: Point in time view as at 17/12/2014.*

*Changes to legislation: Finance Act 2011 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (3) In that case—
- (a) the purchaser must make a return to Her Majesty's Revenue and Customs before the end of the period of 30 days beginning with the date of the event,
  - (b) the return must contain a self-assessment of the tax chargeable in respect of the transaction on the basis of the information contained in the return,
  - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
  - (d) the additional tax payable must be paid not later than the filing date for the return.
- (4) The provisions of section 78A and Schedule 10 apply to a return under this paragraph as they apply to a return under section 76, but with references in Schedule 10 to the effective date of the transaction being read as references to the date of the event.
- (5) “The relevant period” means the shorter of—
- (a) the period of 3 years beginning with the effective date of the transaction, and
  - (b) the period beginning with the effective date of the transaction and ending with the date on which the purchaser disposes of the dwelling, or the dwellings, to a person who is not connected with the purchaser.
- (6) In relation to a transaction effected on completion of a contract that was substantially performed before completion, sub-paragraph (5) applies as if references to the effective date of the transaction were to the date on which the contract was substantially performed.
- (7) In this paragraph—
- “completion” has the same meaning as in section 44;
  - “contract” includes any agreement (including, in the case of Scotland, missives of let not constituting a lease);
  - “event” includes any change of circumstance or change of plan;
  - “substantially performed” has the same meaning as in section 44.

- (4) Land that subsists, or is to subsist, for the benefit of a dwelling is taken to be part of that dwelling.

  - (b) the main subject-matter of the transaction consists of or includes an interest in a building, or a part of a building, that is to be constructed or adapted under the contract for use as a single dwelling, and
