CHAPTER 2

CHARGE TO TAX ON I - E BASIS ETC

Separate businesses etc

66 Separate businesses for BLAGAB and other long-term business

- (1) If an insurance company carries on—
- (a) basic life assurance and general annuity business, and
 - (b) other long-term business,
- the general rule is that business within paragraphs (a) and (b) is to be treated for corporation tax purposes as two separate businesses carried on by the company.
- (2) One of the separate businesses is to consist of the basic life assurance and general annuity business.
- (3) The other separate business is to be regarded for corporation tax purposes as a single trade consisting of the other long-term business.
- (4) If an insurance company carries on—
- (a) life assurance business none of which is basic life assurance and general annuity business, and
 - (b) PHI business,
- the company is to be treated for corporation tax purposes as carrying on a single trade consisting of the businesses within paragraphs (a) and (b).
- (5) For the purposes of this Part “non-BLAGAB long-term business” means—
- (a) a single trade within subsection (3) or (4), or
 - (b) in a case where an insurance company carries on life assurance business none of which is basic life assurance and general annuity business but does not carry on other long-term business, that life assurance business.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) If an insurance company carries on short-term insurance business, that business is to be regarded for corporation tax purposes as a separate trade.

67 Exception where BLAGAB small part of long-term business

- (1) There is an exception to the general rule set out in section 66(1) if for an accounting period of an insurance company substantially all of its long-term business is not basic life assurance and general annuity business.
- (2) In that case, there is for the accounting period to be no separate business consisting of the company's basic life assurance and general annuity business.
- (3) There is instead to be one business that is to be regarded for corporation tax purposes as a single trade of the company consisting of its long-term business.
- (4) That single trade is to be regarded as “non-BLAGAB long-term business” for the purposes of this Part.
- (5) Accordingly, references in this Part (apart from in section 66 and this section) to a company's basic life assurance and general annuity business do not include any business which, as a result of this section, is regarded as non-BLAGAB long-term business.

Modifications etc. (not altering text)

- (2) For the meaning of “I - E profit”, see section 73.

69 Exclusion of charge under s.35 of CTA 2009 etc

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) any other charge to corporation tax on income under any other provision of the Corporation Tax Acts that would otherwise have applied, and
- (c) the charge to corporation tax on chargeable gains so far as referable, in accordance with Chapter 4, to the company's basic life assurance and general annuity business.

70 Rules for calculating I - E profit or excess BLAGAB expenses

- (1) The rules set out in Chapter 3 determine whether for an accounting period an insurance company carrying on basic life assurance and general annuity business has an I - E profit or excess BLAGAB expenses (and, if so, the amount of the profit or expenses).
- (2) Those rules are referred to in this Part as “the I - E rules”.
- (3) The calculation of the I - E profit or excess BLAGAB expenses is to operate by reference to the amounts that are credited or debited in the accounts of the company for a period of account drawn up in accordance with generally accepted accounting practice.
- (4) But, in the case of amounts of a particular description, that is subject to any provision which (whether expressly or by implication) provides for that calculation to operate by reference to something else.
- (5) For the meaning of “excess BLAGAB expenses”, see section 73.

Non-BLAGAB long-term business

71 Charge to tax on profits of non-BLAGAB long-term business

 - (a) Chapter 6 (trade calculation rules applying to long-term business),
 - (b) Chapter 7 (trading apportionment rules), and
 - (c) section 131 (transfers of business).
- (3) Subsection (1) does not apply if the business is mutual business, and in that case no other provision of the Corporation Tax Acts has effect to charge the income of the business to corporation tax.

PHI only business

72 Companies carrying on only PHI business

Nothing in—

- (a) this Part, or
- (b) any other provision of the Corporation Tax Acts that makes special provision in relation to, or by reference to, long-term business carried on by insurance companies,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

is to apply in relation to a company which carries on long-term business which consists wholly of PHI business.

CHAPTER 3

THE I - E BASIS

Introduction

73 The I - E basis

This section sets out rules, in relation to the basic life assurance and general annuity business carried on by an insurance company, for determining whether the company has an I - E profit or excess BLAGAB expenses for an accounting period (and, if so, the amount of the profit or expenses).

Step 1 Calculate the income chargeable for the accounting period that is referable, in accordance with Chapter 4, to the company's basic life assurance and general annuity business. The meaning here of “income” is given by section 74.

Step 2 Calculate the BLAGAB chargeable gains of the company for the accounting period as adjusted for allowable losses (see section 75).

Step 3 Calculate so much of the amount (or the total amount) of any I - E receipt under section 92 or 93(5)(a) as is not taken into account in the calculation required by step 1 or 2.

Step 4 Add together the amounts given by the calculations required by steps 1 to 3. Reduce the total of those amounts [^{F5}by the relievable] amount of any non-trading deficit which the company has for the accounting period under section 388 of CTA 2009 (loan relationships and derivative contracts). The result is “I”.

[^{F6}In this step, “the relievable amount” of a non-trading deficit means so much of the deficit as does not exceed the total of—

- (a) the amount given by the calculation required by step 1,
- (b) the amount given by the calculation required by step 2, and
- (c) any amount of an I-E receipt under section 92 brought into account under step 3.]

Step 5 Calculate the adjusted BLAGAB management expenses of the company for the accounting period (see section 76). The result is “E”.

Step 6 Subtract E from I (which, if E is a negative figure, would have the effect of increasing the result of the calculation).

If the result is a positive amount, that is (subject to section 95) the amount for the accounting period chargeable to corporation tax under section 68. That amount is referred to in this Part as an “I - E profit”.

If the result is a negative amount, that amount is to be carried forward by the company as an expense to its next accounting period to be used in accordance with step 5 of section 76. That amount is referred to in this Part as “excess BLAGAB expenses”

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) The reference in subsection (1)(a) to income chargeable under Chapter 3 of Part 4 of CTA 2009 includes income chargeable under that Chapter in respect of distributions treated by section 548(5) of CTA 2010 as profits of a UK property business carried on by the company.

75 Meaning of “BLAGAB chargeable gains” etc

- (1) This section explains for the purposes of section 73 how to calculate the BLAGAB chargeable gains of the company for the accounting period as adjusted for allowable losses.

Step 1 First, calculate the chargeable gains—

- (a) that accrue to the company in the accounting period from the disposal of assets held for the purposes of the company's long-term business, and
- (b) that are referable, in accordance with Chapter 4, to its basic life assurance and general annuity business.

Step 2 Then, deduct from the amount of those gains—

- (a) any allowable losses that accrue to the company in the accounting period from the disposal of assets held for the purposes of the company's long-term business and that are so referable, and
- (b) so far as not previously deducted from any chargeable gains, any allowable losses that accrued to the company in a previous accounting period from the disposal of assets held for the purposes of the company's long-term business and that were so referable.

The resulting amount is the amount of the BLAGAB chargeable gains of the company for the accounting period as adjusted for allowable losses.

- (2) The deduction at step 2 may reduce an amount to nil but no further.
- (3) For the purposes of this section no account is to be taken of a chargeable gain or allowable loss accruing to the company on a disposal for the purposes of TCGA 1992 of an asset that forms part of the long-term business fixed capital of the company.
- (4) References in this section to chargeable gains or allowable losses are references to those gains or losses as calculated in accordance with the rules contained in TCGA 1992.

Definitions of expressions comprising “E”

76 Meaning of “adjusted BLAGAB management expenses”

This section explains for the purposes of section 73 how to calculate the adjusted BLAGAB management expenses of the company for the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Step 1 Calculate the ordinary BLAGAB management expenses of the company referable to the accounting period (see sections 77, 81 and 82). In making the calculation ignore so much of those expenses as is deductible under other relevant rules (see section 78(2)). If the company is an overseas life insurance company, see also section 96.

Step 2 If the expenses calculated in accordance with step 1 include acquisition expenses for the purposes of section 79, reduce the amount given by step 1 in accordance with the rules in that section (which, in the typical case, provide for six-sevenths of the adjusted amount of those expenses to be disallowed for the accounting period and relieved instead as deemed BLAGAB management expenses for the next six accounting periods).

Step 3 Calculate the total amount of any deemed BLAGAB management expenses for the accounting period (see section 78(3)). For this purpose ignore any amounts that have already been included in step 1.

Step 4 Find the basic amount by adding together the amount given by the calculation required by step 1 (adjusted, where relevant, in accordance with step 2) and the amount given by the calculation required by step 3. Adjust the basic amount by deducting from it any expenses reversed in the accounting period (see section 78(4)) and any BLAGAB trade loss relieved for the accounting period (see section 78(5)).

Step 5 Add together any amounts carried forward as expenses from the previous accounting period to the accounting period as a result of section 73 or 93 to give the carried-forward amount. Add the carried-forward amount to the basic amount or, as the case may be, the basic amount adjusted in accordance with step 4. The resulting amount is the amount of adjusted BLAGAB management expenses of the company for the accounting period.

77 Section 76: meaning of “ordinary BLAGAB management expenses” etc

- (1) This section explains for the purposes of section 76 what is meant by the “ordinary BLAGAB management expenses of the company referable to the accounting period”.
- (2) Amounts are “ordinary BLAGAB management expenses” of the company if—
 - (a) they are, in accordance with generally accepted accounting practice, debited in accounts drawn up by the company for a period of account (but see subsection (3)),
 - (b) they are expenses of management of the company's long-term business that are referable, in accordance with Chapter 4, to its basic life assurance and general annuity business, and
 - (c) they are not excluded amounts (see subsections (4) to (7)).
- (3) In a case where acquisition expenses (within the meaning of section 80) incurred in the accounting period fall to be debited in successive accounts drawn up for successive periods of account, those expenses are treated instead as if they were all debited in the accounts drawn up for the first of those periods of account.
- (4) The following are “excluded amounts”—
 - (a) amounts of a capital nature,
 - (b) re-insurance premiums,
 - (c) refunds of premiums,
 - (d) profit commissions and profit participations (however described),

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

- (5) For the purposes of subsection (4)(f) expenses or other amounts are “non-commercial amounts” payable by the company so far as the company's purpose in incurring the liability to make the payment is not a business or other commercial purpose of the company.
- (6) Amounts payable as mentioned in paragraph (g) of subsection (4) include—
- (a) amounts payable to any person acting on behalf of a person within that paragraph, and
 - (b) amounts payable to the personal representatives of a deceased person who was (or acted on behalf of a person who was) within that paragraph.
- (7) Amounts payable as mentioned in subsection (4)(g) do not include amounts payable to an insurance company which is a policyholder under the policy.
- (8) In the case of ordinary BLAGAB management expenses in respect of a period of account which coincides with or falls wholly in an accounting period of the company, all of those expenses are “referable to” the accounting period.
- (9) In the case of ordinary BLAGAB management expenses in respect of any other period of account—
- (a) those expenses are to be apportioned to the accounting period of the company in accordance with section 1172 of CTA 2010, and
 - (b) the apportioned amount of those expenses is “referable to” the accounting period.

78 Section 76: meaning of other expressions

79 Spreading of acquisition expenses

- (1) This section applies if the ordinary BLAGAB management expenses of an insurance company referable to an accounting period for the purposes of section 76 include acquisition expenses (as defined by section 80) incurred in the accounting period.
- (2) In the case of the acquisition expenses—
 - (a) a reduction is to be made at step 2 in section 76 so as to secure that only one-seventh of the adjusted amount of those expenses counts as ordinary BLAGAB management expenses of the company referable to the accounting period, and
 - (b) the remainder of that adjusted amount is to be relieved as deemed BLAGAB management expenses for succeeding accounting periods in accordance with the following provisions.
- (3) References in this section to the adjusted amount of the acquisition expenses are to—
 - (a) the amount of those expenses calculated as mentioned in step 1 of section 76 (and see, in particular, section 77(3)), less
 - (b) any amount of re-insurance commission or any repayment or refund (in whole or in part) that forms part of an I - E receipt of the company for the accounting period as a result of section 92.
- (4) The remainder of the adjusted amount of the acquisition expenses is relieved as follows.
- (5) One-seventh of the adjusted amount of the acquisition expenses is treated for the purposes of section 76 as a deemed BLAGAB management expense for each succeeding accounting period.
- (6) But, if a succeeding accounting period is less than a year, the fraction of that amount to be relieved for that period is proportionately reduced.
- (7) The reliefs operate until the whole of the adjusted amount of the acquisition expenses has been used up (and, accordingly, the rules in subsections (5) and (6) have effect subject to this subsection).
- (8) The treatment of any part of the adjusted amount of the acquisition expenses as a deemed BLAGAB management expense for an accounting period (“the period concerned”) as set out in subsections (5) to (7) is subject to the following restriction.
- (9) If expenses are reversed in the period concerned or any preceding accounting period, any acquisition expenses included in those expenses are not to count as deemed BLAGAB management expenses for the period concerned.

- (c) so much of any other expenses payable partly for that purpose, and partly for other purposes, as are properly attributable to the acquisition of business.
- (3) The exclusion from paragraph (a) of subsection (2) of commissions for persons who collect premiums from house to house does not prevent their counting as expenses under another paragraph of that subsection.
- (4) For the purposes of that subsection “the acquisition of business” includes—
 - (a) the securing of the payment of increased or additional premiums in respect of a policy of insurance issued in respect of an insurance already made, and

- (1) This section applies in relation to amounts which meet the conditions in section 77(2) (a) and (b).
- (2) The relevant permissive rules apply for the purpose of treating the amounts as ordinary BLAGAB management expenses for the purposes of section 76 as they apply for the purpose of treating amounts as expenses of management for the purposes of Chapter 2 of Part 16 of CTA 2009 (companies with investment business).
- (3) The following provisions of CTA 2009 are “relevant permissive rules”—
 - (a) section 1000 (costs of setting up employee share ownership trust),
 - (b) section 1234 (payments for restrictive undertakings),
 - (c) section 1235 (employees seconded to charities and educational establishments),

 - (a) an employer's liability to corporation tax for an accounting period is determined on the assumption that a deduction for expenditure is allowed as a result of the application by this section of section 1238(1) to (3) of CTA 2009, and
 - (b) the deduction would not otherwise have been allowed,
 section 75(2) to (4) of CTA 2009 (retraining courses: recovery of tax) apply.
- (5) If—
 - (a) an amount is treated as an ordinary BLAGAB management expense as a result of the application by this section of section 1242 of CTA 2009, and
 - (b) the amount would otherwise be regarded as an acquisition expense for the purposes of section 79,
 the expense is not to be so regarded.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) For the purposes of this section—

- (2) Section 1249(1) and (2) of CTA 2009 (unpaid remuneration) apply for the purpose of determining the period of account for which the amount is debited in the accounts of the company for the purposes of section 77; but this subsection is subject to the operation of section 79.

- (5) For the purposes of subsections (2) to (4)—
- (a) references in section 1249 or 1251 of CTA 2009 to a company with investment business are to be read as references to a company carrying on basic life assurance and general annuity business (and, accordingly, the reference in section 1251(1) to total profits is to be read as a reference to profits of basic life assurance and general annuity business), and
 - (b) references in section 1249 or 1251 of CTA 2009 to an amount being deductible under section 1219 of CTA 2009 are to be read as references to an amount being deductible as an ordinary BLAGAB management expense.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) If—
- (a) an amount is reduced as a result of subsection (4) or a corresponding rule,
 - (b) subsequently there is a rebate (however described) of the hire charges, and
 - (c) an amount representing the rebate is deductible as a reversed expense or taken into account in calculating the amount of an I - E receipt under section 92,
- the amount that would otherwise be so deductible or taken into account is reduced by 15%.
- (7) If—
- (a) an amount is reduced as a result of subsection (4) or a corresponding rule,
 - (b) subsequently a debt in respect of any of the hire charges is released otherwise than as part of a statutory insolvency arrangement, and

83 General annuity business

- (1) This section applies if an insurance company pays qualifying BLAGAB annuities in an accounting period.
- (2) An amount equal to the difference between—
- (a) the total amount of those annuities paid by the company in the accounting period, and
 - (b) the total of the amounts exempt under section 717 of ITTOIA 2005 (exemption for part of purchased life annuity payments) contained in those annuities so paid,
- is treated for the purposes of section 76 as a deemed BLAGAB management expense for the accounting period.
- (3) An annuity is a “qualifying BLAGAB annuity” if—
- (a) it is referable to the company's basic life assurance and general annuity business, and
 - (b) it is paid under a contract made by the company in an accounting period beginning on or after 1 January 1992 (but see section 85).
- (4) For the purposes of this section the amounts exempt under section 717 of ITTOIA 2005 are so much of the payments under the qualifying BLAGAB annuities as would be within the exemption under that section if—
- (a) section 718 of ITTOIA 2005 were omitted, and
 - (b) the exemption under section 717 of ITTOIA 2005 applied in relation to companies as well as individuals.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (5) If a qualifying BLAGAB annuity (“the actual annuity”) is a steep-reduction annuity, the calculations required by subsection (2)(a) and (b) are to be made as if—
- (a) the contract for the actual annuity provided instead for the annuities identified below (“the deemed annuities”), and
 - (b) the consideration for each of the deemed annuities were equal to an apportionment of the consideration for the actual annuity on a just and reasonable basis.
- (6) The deemed annuities are—
- (a) an annuity the payments in respect of which are confined to payments in respect of the actual annuity that fall to be made at the earliest time for the making in respect of that annuity of a reduced payment within section 84(1)(c), and
 - (b) an annuity the payments in respect of which are all the payments in respect of the actual annuity other than those mentioned in paragraph (a).
- (7) If a deemed annuity within subsection (6)(b) (“the later annuity”) would itself be a steep-reduction annuity, the deemed annuities—
- (a) do not include the later annuity, but
 - (b) include instead the annuities which would be identified by subsection (6) (with as many further applications of this subsection as may be necessary for securing that none of the deemed annuities is a steep-reduction annuity) if references in that subsection to the actual annuity were to the later annuity.
- (8) This section needs to be read with section 84 (meaning of “steep-reduction annuity” etc).

84 General annuity business: meaning of “steep-reduction annuity” etc

- (1) For the purposes of section 83 an annuity is a “steep-reduction annuity” if—
- (a) the amount of any payment in respect of it (but not its term) depends on a contingency other than the duration of a human life or lives,
 - (b) the annuitant is entitled to payments of different amounts at different times, and
 - (c) the payments include a payment (“a reduced payment”) of an amount which is substantially smaller than the amount of at least one of the earlier payments.
- (2) If there are different intervals between the payments, it is to be assumed for the purposes of subsection (1)(b) and (c)—
- (a) that the annuitant's entitlement, after the first payment, to payments is an entitlement to payments at yearly intervals on the anniversary of the first payment, and
 - (b) that the amount to which the annuitant is assumed to be entitled is equal to the annuitant's assumed entitlement for the year ending with the anniversary in question.
- (3) For this purpose the annuitant's assumed entitlement for a year is determined as follows—
- (a) the annuitant's entitlement to each payment is taken to accrue at a constant rate during the interval between the previous payment and that payment, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) the annuitant's assumed entitlement for a year is taken to be equal to the total amount which, in accordance with paragraph (a), is treated as accruing in the year.
- (4) In the case of an annuity to which subsection (2) applies, the reference in section 83(6) (a) to the making of a reduced payment is to be read as a reference to the making of a payment which (applying subsection (3)(a)) is taken to accrue at a rate that is substantially less than the rate at which at least one of the earlier payments is taken to accrue.
- (5) If—
- (a) a question arises whether a payment is substantially smaller than, or accrues at a rate substantially less than, an earlier payment, and
 - (b) the annuitant or (as the case may be) every annuitant is an individual who is beneficially entitled to all the rights conferred on him or her as such an annuitant,
- the question is determined without regard to so much of the difference between the amounts or rates as is referable to a reduction falling to be made as a result of a death.
- (6) If the amount of any one or more of the payments depends on a contingency, the annuitant's entitlement to the payments is determined for the purposes of section 83 and this section according to whatever is the most likely outcome in relation to the contingency (applying any relevant actuarial principles).
- (7) If an agreement or other arrangement has effect for varying the rights of the annuitant in relation to a payment, the payment is taken for the purposes of section 83 and this section to be a payment of the amount to which the annuitant is entitled in accordance with the agreement or other arrangement.
- (8) For the purposes of this section references to a contingency include a contingency consisting wholly or partly in the exercise of an option.

85 General annuity business: payments made in pre-1992 accounting periods

 - (b) the company's liabilities first include an amount in respect of that annuity in a post-1992 accounting period,
- the payment is treated for the purposes of section 83(3)(b) as if the contract had been made in a post-1992 accounting period.
- (2) If—
- (a) a payment in respect of an annuity is made by a re-insurer under a re-insurance treaty made in a pre-1992 accounting period, and
 - (b) the re-insurer's liabilities first include an amount in respect of that annuity in a post-1992 accounting period,

- (a) the total amount of sums paid (by way of premium or otherwise) by the company to the re-insurer during the accounting period and any earlier accounting periods,
 - (b) the total amount of sums paid (by way of commission or otherwise) by the re-insurer to the company during the accounting period and any earlier accounting periods,
 - (c) the total amount of the net investment return treated as accruing to the company in any earlier accounting periods, that is to say, net of tax at such rate as may be prescribed by the regulations, and
 - (d) such percentage rate of return as may be prescribed by the regulations.
- (3) The regulations may make provision dealing with the transfer of the re-insurance arrangement from one insurance company to another.
- (4) The regulations must provide that the amount of investment return treated as accruing in respect of a policy or contract in the final accounting period during which the policy or contract is in force is the amount, ascertained in accordance with the regulations, by which the overall profit exceeds the total amount treated as accruing in earlier accounting periods.
- (5) “The overall profit” means the profit over the whole period during which the policy or contract, and the re-insurance arrangement, were in force.
- (6) If the overall profit is less than the total amount treated as accruing in earlier accounting periods, the difference—
 - (a) must be set off against amounts treated as a result of section 90 as accruing in the final accounting period from other policies or contracts, and
 - (b) if not fully set off as mentioned in paragraph (a), may be carried forward for set-off against amounts treated as a result of that section as accruing in subsequent accounting periods.
- (7) The regulations may—
 - (a) make different provision for different cases or circumstances, and
 - (b) contain incidental, supplementary, consequential, transitional, transitory or saving provision.
- (8) An example of the kind of supplementary provision within subsection (7)(b) is provision requiring payments made during an accounting period to be treated as made on such date or dates as may be prescribed by the regulations.

Deemed I - E receipts

92 Certain BLAGAB trading receipts to count as deemed I - E receipts

- (1) This section applies if—
 - (a) an insurance company has receipts that are taken into account in calculating its BLAGAB trade profit or loss (see section 136) for an accounting period,
 - (b) the receipts would not fall within the charge to corporation tax apart from this section, and
 - (c) the receipts are not excluded receipts.
- (2) The appropriate amount of the receipts is an I - E receipt of the company for the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) The “appropriate amount” of the receipts is found by deducting expenses from the receipts so far as is necessary for calculating the full amount of the profits.
- (4) Chapter 1 of Part 20 of CTA 2009 (general rules for restricting deductions) is to apply to that calculation.
- (5) The following receipts are “excluded” receipts—
 - (a) premiums,
 - (b) sums received under re-insurance contracts (but see subsection (6) for exceptions),
 - (c) sums which do not fall within the charge to corporation tax because of an exemption,
 - (d) payments received under the Financial Services Compensation Scheme, and
 - (e) payments received from other insurance companies to enable the company to meet its obligations to policyholders.
- (6) A sum received under a re-insurance contract is not an excluded receipt if—
 - (a) it is a re-insurance commission (however described), or
 - (b) it is a sum calculated to any extent by reference to the ordinary BLAGAB management expenses of the company referable to the accounting period (within the meaning of section 77).

Minimum profits charge

93 Minimum profits test

- (1) This section applies if an insurance company has a BLAGAB trade profit for an accounting period.
 - (2) A comparison must be made between—
 - (a) the I - E profit or excess BLAGAB expenses for the accounting period, and
 - (b) the BLAGAB trade profit for the accounting period, adjusted as need be in accordance with sections 94^[F15], 124, 124A and 124C].
 - (3) In making the calculation required by subsection (2)(a), it is to be assumed that this Chapter has effect with the omission of subsection (5)(a) (but, apart from that, all the other rules in this Chapter have effect for the purposes of that calculation).
 - (4) If there are excess BLAGAB expenses for the accounting period, the amount of the excess is treated for the purposes of this section as a negative figure equal to that amount.
 - (5) If, for the accounting period, the adjusted BLAGAB trade profit exceeds the adjusted I - E profit or excess BLAGAB expenses—
 - (a) an amount equal to the difference is an I - E receipt of the company for the accounting period (see section 73), and
 - (b) the same amount is carried forward to the company's next accounting period as an expense (see section 76).
- [^{F16}(6) For the purposes of this section, assume that non-BLAGAB allowable losses cannot be deducted to any extent from BLAGAB chargeable gains (and, accordingly, assume that section 95 is not included in this Act).]

94 Adjustment of I - E profit or excess BLAGAB expenses

- (1) This section applies if the BLAGAB trade profit for the accounting period includes non-taxable distributions receivable by the company in that period that are referable, in accordance with Chapter 7, to the company's basic life assurance and general annuity business.
- (2) For the purposes of section 93(5) (the comparison of the BLAGAB trade profit with the I - E profit or excess BLAGAB expenses), the calculation required by section 73 is performed again but adding to the amount of “I” found by step 4 the total amount of the non-taxable distributions receivable by the company in the accounting period that are so referable.
- (3) Accordingly, once an adjustment is made in accordance with subsection (2), an amount of excess BLAGAB expenses for the accounting period might become an adjusted I - E profit for that period.
- (4) For the purposes of this Part “non-taxable distributions” means distributions that are exempt for the purposes of Part 9A of CTA 2009 (company distributions).
- (5) For the purposes of this Part the amount of a non-taxable distribution does not include any amount withheld from it on account of tax payable under the laws of a territory outside the United Kingdom.

Non-BLAGAB allowable losses

95 Use of non-BLAGAB allowable losses to reduce I - E profit

- (1) This section applies if—
 - (a) an insurance company has an I - E profit for an accounting period, and
 - (b) non-BLAGAB allowable losses have accrued to the company that are available for deduction [^{F17}under section 2A(1) of TCGA 1992, as permitted by section 210A(2) and (2A) of that Act,] from the shareholders' share of BLAGAB chargeable gains that have accrued to the company.
- (2) Those losses may be deducted from those gains in accordance with that provision so as to reduce the amount of the I - E profit for the accounting period to nil but no further.
- (3) For the purposes of subsection (1)(a), assume that non-BLAGAB allowable losses cannot be deducted from any BLAGAB chargeable gains (and, accordingly, ignore the effect of this section).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Overseas life insurance companies

96 Expenses referable to exempt FOTRA profits

- (1) This section applies if the profits for an accounting period of the basic life assurance and general annuity business carried on by an overseas life insurance company in the United Kingdom consist of or include exempt FOTRA profits.
- (2) In making the calculation required by step 1 of section 76 for the accounting period, ignore so much of the ordinary BLAGAB management expenses of the company as are referable to exempt FOTRA profits.
- (3) The relevant proportion of those expenses is to be regarded for the purposes of this section as referable to exempt FOTRA profits.
- (4) The relevant proportion is—

$$\frac{\text{FOTRA}}{\text{FOTRA} + \text{I}}$$

where—

FOTRA is the amount of the exempt FOTRA profits arising in the accounting period, and

I is the amount of I found by the calculations required by step 4 in section 73 in relation to the company's basic life assurance and general annuity business for the accounting period.

- (5) In this section “exempt FOTRA profits” means profits in respect of which no liability to corporation tax arises as a result of section 1279 of CTA 2009.

 - (b) the expenses incurred in the course of the company's long-term business, that, for the purposes of Chapter 3, are to be regarded as referable to its basic life assurance and general annuity business.
- (2) Those items are to be determined in accordance with an acceptable commercial method adopted by the company for the period of account in which the income or losses arise or the expenses are incurred.
- (3) A method is an “acceptable commercial method” if, in all the circumstances, it can reasonably be regarded as providing a fair method for the purposes of Chapter 3 for determining for a period of account what is referable to the company's basic life assurance and general annuity business.
- (4) The Treasury may make regulations for the purposes of this section—
 - (a) prescribing cases in which a method is, or is not, to be regarded as an acceptable commercial method, and
 - (b) prescribing cases in which the only acceptable commercial method is to be a method prescribed, or of a description prescribed, in the regulations.
- (5) Subject to any provision made by regulations under subsection (4), the method adopted for the purposes of this section for a period of account—

99 Application of sections 100 and 101

- (1) Sections 100 and 101 apply for determining the chargeable gains or allowable losses that, for the purposes of Chapter 3, are to be regarded as referable to a company's basic life assurance and general annuity business whenever it disposes of assets held for the purposes of its long-term business (including cases where, as a result of Chapter 8 or any other provision of the Corporation Tax Acts, it is deemed to make a disposal).
- (2) Expressions that are used in sections 100 and 101 and in TCGA 1992 have the same meaning in those sections as they have for the purposes of that Act.

100 Assets wholly or partly matched to BLAGAB liabilities

- (1) If, immediately before the disposal, the whole of the asset was matched to a BLAGAB liability, the whole of the gain or loss is referable to the company's basic life assurance and general annuity business.
- (2) If, immediately before the disposal, a part of the asset was matched to a BLAGAB liability, the appropriate portion of the gain or loss is referable to the company's basic life assurance and general annuity business.
- (3) “The appropriate proportion” means the proportion equal to the proportion of the asset matched to the BLAGAB liability.
- (4) If, as a result of Chapter 8, there is a disposal of a part of an asset where the part concerned is matched to a BLAGAB liability, the whole of the gain or loss is referable to the company's basic life assurance and general annuity business.
- (5) The concept of the whole or a part of an asset being matched to a BLAGAB liability is explained by section 138.

- (2) The gain or loss, or (as the case may be) the remaining proportion of the gain or loss, which is referable to the company's basic life assurance and general annuity business is determined in accordance with an acceptable commercial method adopted by the company for the period of account in which the disposal is made.
- (3) A method is an “acceptable commercial method” if it secures that gains or losses are referable to the company's basic life assurance and general annuity business in a way that fairly represents the contribution that the assets in question have made to that business during the period in which they have been held for the purposes of the company's long-term business.
- (4) The Treasury may make regulations for the purposes of this section—
 - (a) prescribing cases in which a method is, or is not, to be regarded as an acceptable commercial method, and
 - (b) prescribing cases in which the only acceptable commercial method is to be a method prescribed, or of a description prescribed, in the regulations.
- (5) Subject to any provision made by regulations under subsection (4), the method adopted for the purposes of this section for a period of account—
 - (a) must be consistent with the method adopted for the purposes of section 98 for that period and the method adopted for the purposes of section 115 for that period, and
 - (b) in the case of an overseas life insurance company, must also be consistent with the method for that period for attributing assets in accordance with the provision made by or under Chapter 4 of Part 2 of CTA 2009 to its permanent establishment in the United Kingdom.

- (2) If the basic life assurance and general annuity business of the company carried on by the company in the accounting period is mutual business, the policyholders' share of the I - E profit is the whole of that profit.
- (3) In any other case, the policyholders' share of the I - E profit is determined as follows.
- (4) The first step is to calculate whether the company has a BLAGAB trade profit for the accounting period, and, if so, its amount.
- (5) If the company does not have a BLAGAB trade profit for that period, the policyholders' share of the I - E profit is the whole of that profit.
- (6) If—
 - (a) the company has a BLAGAB trade profit for that period, and

“BLAGAB non-taxable distributions”, and
“the shareholders' share” of BLAGAB non-taxable distributions.

where—

BTP is the amount of the BLAGAB trade profit of the company for the accounting period,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Policyholder tax and calculation of BLAGAB trade profit or loss

106 Deduction for current policyholder tax

- (1) This section applies for the purpose of calculating the BLAGAB trade profit or loss for an accounting period of any basic life assurance and general annuity business carried on by an insurance company in a case where the company has an I - E profit for that period.

107 Expenses or receipts for deferred policyholder tax

- (1) This section applies for the purpose of calculating the BLAGAB trade profit or loss for a period of account of any basic life assurance and general annuity business carried on by an insurance company.

- (a) the closing deferred policyholder tax balance for the period of account, less
 - (b) the closing deferred policyholder tax balance for the previous period of account.
- (3) The amount—
- (a) is brought into account as an expense, if it is a negative figure, and
 - (b) is brought into account as a receipt, if it is a positive figure.

- (7) Section 108 applies for determining the closing deferred policyholder tax balance for a period of account.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

108 Meaning of “the closing deferred policyholder tax balance” etc

- (1) For the purposes of section 107 “the closing deferred policyholder tax balance for a period of account” means so much of the closing amount shown, in accordance with generally accepted accounting practice, in the accounts of the company for that period in respect of deferred tax as is wholly attributable to policyholder tax.
- (2) Provision forming part of the closing amount is “wholly attributable to policyholder tax” if—
 - (a) the provision is made in respect of a BLAGAB matter (see subsection (3)), and
 - (b) anything included in the closing amount in respect of that matter is calculated wholly by reference to the policyholders' rate of tax chargeable on the policyholders' share of the company's I - E profit for any accounting period.
- (3) A “BLAGAB matter” means—
 - (a) an amount of excess BLAGAB expenses,
 - (b) an amount of acquisition expenses falling to be relieved in the future in accordance with section 79,

 - (f) an amount in respect of the future disposal (or part disposal) of an asset which would fall to be taken into account in accordance with section 75.
- (4) If—
 - (a) for a period of account of the company the provision made in respect of a BLAGAB matter is taken into account for the purposes of section 107, and
 - (b) for a subsequent period of account of the company the provision made in respect of that matter is no longer wholly attributable to policyholder tax because the condition in subsection (2)(b) ceases to be met,there is to be a reversal in the subsequent period of account in respect of the provision (so far as section 107 does not otherwise apply in relation to the case).
- (5) The reversal in the subsequent period of account is to be made as follows—
 - (a) if the provision was an amount which for accounting purposes was regarded as an asset, a negative amount equal to that amount is to be taken into account in calculating the closing deferred policyholder tax balance for that period for the purposes of section 107, and
 - (b) if the provision was an amount which for accounting purposes was regarded as a liability, a positive amount equal to that amount is to be taken into account in calculating the closing deferred policyholder tax balance for that period for the purposes of section 107.
- (6) The Treasury may by order amend the definition of a “BLAGAB matter”.

 but, in the case of section 112, see also subsection (6) of that section.
- (2) In this Chapter references to the calculation of the profits are, in the case of the calculation of the BLAGAB trade profit or loss, to be read as references to the calculation of that profit or loss.
- (3) See also section 47 of CTA 2009 (losses calculated on same basis as profits).
- (4) In the case of the calculation of the BLAGAB trade profit or loss, see also sections 106 to 108.

110 Allocations to policyholders

- (1) In calculating the profits for an accounting period, a deduction is allowed for any amount which is allocated to policyholders or annuitants in respect of the accounting period.
- (2) But there is no deduction for an amount of a capital nature that—
 - (a) is allocated to holders of with-profits policies, and
 - (b) has not been funded from an amount credited in accounts of the business drawn up in accordance with generally accepted accounting practice (whether drawn up by the company or another company).
- (3) For this purpose a payment made in connection with the reattribution of inherited estate is to be regarded as an amount of a capital nature.
- (4) “With-profits policies” means policies under which the holders are eligible to participate in surplus.

111 Dividends and other distributions

- (1) Dividends or other distributions—
 - (a) which are receivable by the company, and
 - (b) which are referable, in accordance with Chapter 7, to the business concerned, are to be brought into account as receipts in calculating the profits.
- (2) This rule—
 - (a) applies whether or not the distributions are exempt for the purposes of Part 9A of CTA 2009 or would otherwise be dealt with under that Part, but
 - (b) does not apply in the case of distributions that are of a capital nature.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

112 Index-linked gilt-edged securities

- (1) If, for an accounting period, a company has a loan relationship which is represented by an index-linked gilt-edged security, sections 400 to 400C of CTA 2009 (adjustments for changes in index) are not to apply in calculating the profits for the accounting period.
- (2) But subsection (1) does not apply to loan relationships of the company that are qualifying PHI loan relationships.
- (3) A loan relationship is a “qualifying PHI loan relationship” if
 - (a) the loan relationship is identified in the records of the company as an asset held for the purposes of index-linked PHI business carried on by the company, and
 - (b) none of the credits or debits in respect of the loan relationship are referable to BLAGAB,but see subsection (5) for a case in which a loan relationship meeting the conditions in paragraphs (a) and (b) is not a qualifying PHI loan relationship.
- (4) Credits or debits are referable to BLAGAB if—
 - (a) they are referable, in accordance with Chapter 4, to any basic life assurance and general annuity business of the company, or
 - (b) they are taken into account in calculating the profit or loss that is, in accordance with Chapter 7, allocated to any basic life assurance and general annuity business of the company.
- (5) A loan relationship which, but for this subsection, would be a qualifying PHI loan relationship of the company is not a qualifying PHI loan relationship if the value of the loan relationship when added to the value of qualifying PHI loan relationships of the company exceeds the value of the liabilities incurred by the company for the purposes of its index-linked PHI business.
- (6) A loan relationship of the company which at any time is a qualifying PHI loan relationship is to be regarded for the purposes of this Part as an asset which is held at that time for the purposes of the company's long-term business but which is not matched to its long-term business liabilities or held by it for the purposes of any with-profits funds.
- (7) In this section—

“index-linked gilt-edged security” has the same meaning as it has in sections 400 to 400C of CTA 2009 (see section 399(4) of that Act), and

“index-linked PHI business” means PHI business so far as consisting of the effecting or carrying out of contracts of long-term insurance under which the benefits payable are linked to an index of prices published by the Statistics Board.

113 Receipts or expenses relating to long-term business fixed capital

Receipts or expenses which arise from an asset forming part of the long-term business fixed capital of the company are to be left out of account in calculating the profits.

- (2) Acquisition expenses relief is to be given to the transferee for any acquisition expenses for which, on the assumptions set out below, that relief would have been given to the transferor for an accounting period starting after the date of the transfer.
- (3) “Acquisition expenses relief” means relief given, in accordance with section 79 (spreading of acquisition expenses), at step 3 in section 76.
- (4) For the transferee's first accounting period ending after the date of the transfer, acquisition expenses relief for the acquisition expenses within subsection (2) is to be determined as if that period had started with the date after the date of the transfer.
- (5) Relief at step 5 in section 76 is to be given to the transferee for any excess BLAGAB expenses for which, on the assumptions set out below, that relief would have been given to the transferor for an accounting period starting after the date of the transfer.
- (6) For the purposes of this section it is to be assumed that—
 - (a) the transferor had continued to carry on the transferred business after the transfer, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) the transferor had an accounting date ending with the date of the transfer (if that would not otherwise be the case).
- (7) If the transfer is a transfer of part of the business, references in this section to any expenses are to be read as references to the appropriate part of the expenses.
- (8) Any relief given to the transferee as a result of this section is instead of any relief that would otherwise have been given to the transferor.

129 Intra-group transfers and demutualisation

- (1) This section applies if—
 - (a) under an insurance business transfer scheme, there is a transfer of basic life assurance and general annuity business (or any part of that business) from one insurance company to another, and

 - (b) the transferee is within the charge to corporation tax in relation to the transfer.
- (3) A transfer is “in connection with a demutualisation” if—
 - (a) it is for the purposes of the conversion of a company (under the law of any territory) from one without share capital to one with share capital (without any change of legal personality), or
 - (b) it is a transfer by a mutual life insurance company of all, or substantially all, of its basic life assurance and general annuity business to an insurance company which is not a mutual life insurance company,

and for the purposes of paragraph (b) a “mutual life insurance company” means an insurance company which carries on mutual life assurance business.
- (4) For the purpose of calculating the BLAGAB trade profit or loss of the transferor for any accounting period, any amount in respect of the transfer that is debited or credited in accounts drawn up by the transferor in accordance with generally accepted accounting practice is to be ignored.
- (5) For the purpose of calculating the BLAGAB trade profit or loss of the transferee for any accounting period, any amount in respect of the transfer that is debited or credited in accounts drawn up by the transferee in accordance with generally accepted accounting practice is to be ignored.
- (6) But if there is a difference between—
 - (a) the net amount recognised by the transferee in respect of the transfer of contracts of long-term insurance or contracts made in the course of capital redemption business, and
 - (b) the net amount recognised by the transferor in respect of the transfer of those contracts,

the amount of the difference is to be taken into account for the purpose of calculating the BLAGAB trade profit or loss of the transferee for the accounting period in which those contracts are transferred.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) The difference is to be taken into account—
- (a) as a receipt (if, when added to the net amount in subsection (6)(b), the result is the net amount in subsection (6)(a)), and
 - (b) as an expense (if, when subtracted from the net amount in subsection (6)(b), the result is the net amount in subsection (6)(a)).
- (8) The net amount recognised by an insurance company in respect of the transfer of the contracts is determined by subtracting—

- (9) The Treasury may by order amend any of subsections (6) to (8).
- (10) This section does not apply to any amount that arises in respect of a transfer so far as the transfer consists of a with-profits fund transfer.

 - (d) the company remains a member of that group or (as the case may be) does not become a controlled member of any other group.
- (4) Condition C is that—
- (a) the company is a member of a group,
 - (b) another company that is or has been a member of the group has carried out qualifying development in relation to the right, and

 - (d) those activities of those companies, taken together, have been performed for a period of 12 months beginning with the day on which T became a member of the group.
- (6) For the purposes of conditions A and B, a company becomes a controlled member of a group at any time if—

- (8) Where—
- (a) a company ceases to be a controlled member of a group at any time, and
 - (b) at that time the company holds a major interest in, or controls, any other company,
- that other company is to be treated for the purposes of conditions A and B as also having ceased to be a controlled member of the group at that time.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Meaning of “qualifying development”

- 357B(1) A company carries out “qualifying development” in relation to a right if—
- (a) it creates, or significantly contributes to the creation of, the invention, or
 - (b) it performs a significant amount of activity for the purposes of developing the invention or any item or process incorporating the invention.
- (2) The reference in subsection (1)(b) to developing the invention includes developing ways in which the invention may be used or applied.
- (3) For the purposes of section 357BC it does not matter whether the qualifying development was carried out before or after—
- (a) the company, or
 - (b) where the company is a member of a group, any member of the group,
- became the holder of the right or (as the case may be) an exclusive licence in respect of the right.

The active ownership condition

- 357B(1) A company meets the active ownership condition for an accounting period if all or almost all of the qualifying IP rights held by the company in that accounting period are rights in respect of which condition A or B is met.
- (2) Condition A is that during the accounting period the company performs a significant amount of management activity in relation to the rights.
- (3) In subsection (2) “management activity”, in relation to any qualifying IP rights, means formulating plans and making decisions in relation to the development or exploitation of the rights.
- (4) Condition B is that the company meets the development condition in relation to the rights by virtue of section 357BC(2) or (3).
- (5) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

CHAPTER 3

RELEVANT IP PROFITS

Steps for calculating relevant IP profits of a trade

Relevant IP profits

- 357(1) To determine the relevant IP profits of a trade of a company for an accounting period—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Step 1 Calculate the total gross income of the trade for the accounting period (see section 357CA).

Step 2 Calculate the percentage (“X%”) given by the following formula—

$$\frac{\text{RIPI}}{\text{TI}} \times 100$$

where—

“RIPI” is so much of the total gross income of the trade for the accounting period as is relevant IP income (see sections 357CC and 357CD), and

“TI” is the total gross income of the trade for the accounting period.

Step 3 Calculate X% of the profits of the trade for the accounting period. If there are no such profits, calculate X% of the losses of the trade (expressed as a negative figure) for the accounting period. In calculating the profits of the trade for the purposes of this step, make any adjustments required by section 357CG (and references in this step to the profits or losses of the trade are to be read subject to any such adjustments).

Step 4 Deduct from the amount given by Step 3 the routine return figure (see section 357CI). The amount given by this step is the “qualifying residual profit”.

If the amount of the qualifying residual profit is not greater than nil, go to Step 7.

Step 5 If the company has elected for small claims treatment, calculate the small claims amount in relation to the trade (see section 357CM). If the company has not, go to Step 6.

Step 6 Deduct from the qualifying residual profit the marketing assets return figure (see section 357CN).

Step 7 If the company has made an election under section 357CQ (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 5 or 6 (or, if the amount of the qualifying residual profit was not greater than nil, Step 4) any amount determined in accordance with subsection (3) of that section.

- (2) If the amount given by subsection (1) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (3) If the amount given by subsection (1) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Total gross income of trade

Total gross income of a trade

357C(A) For the purposes of this Part the “total gross income” of a trade of a company for an accounting period is the aggregate of the amounts falling within the Heads set out in—

- (a) subsection (3) (revenue),
 - (b) subsection (5) (compensation),
 - (c) subsection (6) (adjustments),
 - (d) subsection (7) (proceeds from intangible fixed assets),
 - (e) subsection (8) (profits from patent rights).
- (2) But the total gross income of the trade does not include any finance income (see section 357CB).
- (3) Head 1 is any amounts which—
- (a) in accordance with generally accepted accounting practice (“GAAP”) are recognised as revenue in the company's profit and loss account or income statement for the accounting period, and
 - (b) are brought into account as credits in calculating the profits of the trade for the accounting period.
- (4) Where the company does not draw up accounts for an accounting period in accordance with GAAP, the reference in subsection (3)(a) to any amounts which in accordance with GAAP are recognised as revenue in the company's profit and loss account or income statement for the accounting period is to be read as a reference to any amounts which would be so recognised if the company had drawn up such accounts for that accounting period.
- (5) Head 2 is any amounts of damages, proceeds of insurance or other compensation (so far as not falling within Head 1) which are brought into account as credits in calculating the profits of the trade for the accounting period.
- (6) Head 3 is any amounts (so far as not falling within Head 1) which are brought into account as receipts under section 181 of CTA 2009 (adjustment on change of basis) in calculating the profits of the trade for the accounting period.
- (7) Head 4 is any amounts (so far as not falling within Head 1) which are brought into account as credits under Chapter 4 of Part 8 of CTA 2009 (realisation of intangible fixed assets) in calculating the profits of the trade for the accounting period.
- (8) Head 5 is any profits from the sale by the company of the whole or part of any patent rights held for the purposes of the trade which are taxed under section 912 of CTA 2009 in the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Finance income

357C(1) For the purposes of this Part “finance income”, in relation to a trade of a company, means—

- (a) any credits which are treated as receipts of the trade by virtue of—
 - (i) section 297 of CTA 2009 (credits in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (credits in respect of derivative contracts),
- (b) any amount which in accordance with generally accepted accounting practice falls to be recognised as arising from a financial asset, and
- (c) any return, in relation to an amount, which—
 - (i) is produced for the company by an arrangement to which it is party, and
 - (ii) is economically equivalent to interest.

(2) In subsection (1)—

“economically equivalent to interest” is to be construed in accordance with section 486B(2) and (3) of CTA 2009, and

“financial asset” means a financial asset as defined for the purposes of generally accepted accounting practice.

(3) For the purposes of subsection (1)(c), the amount of a return is the amount which by virtue of the return would, in calculating the company's chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as a profit arising to the company from a loan relationship.

But, in calculating that profit for the purposes of this subsection, sections 486B(7) and 486C to 486E of that Act are to be ignored.

Relevant IP income

Relevant IP income

357C(1) For the purposes of this Part “relevant IP income” means income falling within any of the Heads set out in—

- (a) subsection (2) (sales income),
- (b) subsection (6) (licence fees),
- (c) subsection (7) (proceeds of sale etc),
- (d) subsection (8) (damages for infringement),
- (e) subsection (9) (other compensation).

This is subject to section 357CE (excluded income).

(2) Head 1 is income arising from the sale by the company of any of the following items—

- (a) items in respect of which a qualifying IP right held by the company has been granted (“qualifying items”);
- (b) items incorporating one or more qualifying items;

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) items that are wholly or mainly designed to be incorporated into items within paragraph (a) or (b).
- (3) For the purposes of this Part an item and its packaging are not to be treated as a single item, unless the packaging performs a function that is essential for the use of the item for the purposes for which it is intended to be used.
- (4) In subsection (3) “packaging”, in relation to an item, means any form of container or other packaging used for the containment, protection, handling, delivery or presentation of the item, including by way of attaching the item to, or winding the item round, some other article.
- (5) In a case where a qualifying item and an item that is designed to incorporate that item (“the parent item”) are sold together as, or as part of, a single unit for a single price, the reference in subsection (2)(b) to an item incorporating a qualifying item includes a reference to the parent item.
- (6) Head 2 is income consisting of any licence fee or royalty which the company receives under an agreement granting another person any of the following rights only—
- (a) a right in respect of any qualifying IP right held by the company,
 - (b) any other right in respect of a qualifying item or process, and
 - (c) in the case of an agreement granting any right within paragraph (a) or (b), a right granted for the same purposes as those for which that right was granted.
- In this subsection “qualifying process” means a process in respect of which a qualifying IP right held by the company has been granted.
- (7) Head 3 is any income arising from the sale or other disposal of a qualifying IP right or an exclusive licence in respect of such a right.
- (8) Head 4 is any amount received by the company in respect of an infringement, or alleged infringement, of a qualifying IP right held by the company at the time of the infringement or alleged infringement.
- (9) Head 5 is any amount of damages, proceeds of insurance or other compensation, other than an amount in respect of an infringement or alleged infringement of a qualifying IP right, which is received by the company in respect of an event and—
- (a) is paid in respect of any items that fell within subsection (2) at the time of that event, or
 - (b) represents a loss of income which would, if received by the company at the time of that event, have been relevant IP income.
- (10) But income is not relevant IP income by virtue of subsection (8) or (9) unless the event in respect of which the income is received, or any part of that event, occurred at a time when—
- (a) the company was a qualifying company, and
 - (b) an election under section 357A had effect in relation to it.
- (11) In a case where the whole of that event does not occur at such a time, subsection (8) or (9) (as the case may be) applies only to so much of the amount received by the company in respect of the event as on a just and reasonable apportionment is properly attributable to such a time.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (12) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

Notional royalty

357CD) This section applies where—

- (a) a company, for the purposes of any trade of the company, holds any rights mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of any such rights, and
 - (b) the rights are relevant qualifying IP rights.
- (2) For the purposes of this section a qualifying IP right is a “relevant qualifying IP right” in relation to an accounting period if—
- (a) the total gross income of the trade of the company for the accounting period includes any income arising from things done by the company that involve the exploitation by the company of that right, and
 - (b) that income is not relevant IP income or excluded income.

Such income is referred to in this section as “IP-derived income”.

- (3) The company may elect that the notional royalty in respect of the trade for the accounting period is to be treated for the purposes of this Part as if it were relevant IP income.
- (4) The notional royalty in respect of a trade of a company for an accounting period is the appropriate percentage of the IP-derived income for that accounting period.
- (5) The “appropriate percentage” is the proportion of any IP-derived income for an accounting period which the company would pay another person (“P”) for the right to exploit the relevant qualifying IP rights in that accounting period if the company were not otherwise able to exploit them.
- (6) For the purposes of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm's length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the relevant qualifying IP rights to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the relevant qualifying IP rights as it actually has,
 - (d) the relevant qualifying IP rights are conferred on the relevant day,
 - (e) the appropriate percentage for the accounting period is determined at the beginning of the accounting period,
 - (f) the appropriate percentage for the accounting period will apply for each succeeding accounting period for which the company will have the right to exploit the relevant qualifying IP rights, and
 - (g) no income other than IP-derived income will arise from anything done by the company that involves the exploitation by the company of the relevant qualifying IP rights.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) In subsection (6)(d) “the relevant day”, in relation to a relevant qualifying IP right or a licence in respect of such a right, means—
- (a) the first day of the accounting period, or
 - (b) if later, the day on which the company first began to hold the right or licence.
- (8) In determining the appropriate percentage, the company must act in accordance with—
- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (9) In this section “excluded income” means any income falling within any of the Heads in section 357CE.

Excluded income

357C(F) For the purposes of this Part income falling within any of the Heads set out in the following subsections is not relevant IP income—

- (a) subsection (2) (ring fence income),
- (b) subsection (3) (income attributable to non-exclusive licences).

(2) Head 1 is income arising from oil extraction activities or oil rights.

In this subsection “oil extraction activities” and “oil rights” have the same meaning as in Part 8 (see sections 272 and 273).

(3) Head 2 is income which on a just and reasonable apportionment is properly attributable to a licence (a “non-exclusive licence”) held by the company which—

- (a) is a licence in respect of an item or process, but
- (b) is not an exclusive licence in respect of a qualifying IP right.

(4) In a case where—

- (a) a company holds an exclusive licence in respect of a qualifying IP right, and
- (b) the licence also confers on the company (or on the company and persons authorised by it) any right in respect of the invention otherwise than to the exclusion of all other persons,

the licence is to be treated for the purposes of this Part as if it were two separate licences, one an exclusive licence that does not confer any such rights, and the other a non-exclusive licence conferring those rights.

Mixed sources of income

357C(F) This section applies to any income that—

- (a) is mixed income, or
- (b) is paid under a mixed agreement.

(2) “Mixed income” means the proceeds of sale in a case where an item falling within subsection (2) of section 357CC and an item not falling within that subsection are sold together as, or as part of, a single unit for a single price.

(3) A “mixed agreement” is an agreement providing for—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) one or more of the matters in paragraphs (a) to (c) of subsection (4), and
 - (b) one or more of the matters in paragraphs (d) to (g) of that subsection.
- (4) The matters are—
- (a) the sale of an item falling within section 357CC(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357CC(6),
 - (c) a sale or disposal falling within section 357CC(7),
 - (d) the sale of any other item,
 - (e) the grant of any other right,
 - (f) any other sale or disposal,
 - (g) the provision of any services.
- (5) So much of the income as on a just and reasonable apportionment is properly attributable to—
- (a) the sale of an item falling within section 357CC(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357CC(6), or
 - (c) a sale or disposal falling within section 357CC(7),
- is to be regarded for the purposes of this Part as relevant IP income.
- (6) But where the amount of income that on such an apportionment is properly attributable to any of the matters in paragraphs (d) to (g) of subsection (4) is a trivial proportion of the income to which this section applies, all of that income is to be regarded for the purposes of this Part as relevant IP income.

Calculating profits of trade

Adjustments in calculating profits of trade

- 357C(1) This section applies for the purposes of determining the relevant IP profits of a trade of a company for an accounting period.
- (2) In calculating the profits of the trade for the accounting period—
- (a) there are to be added the amounts in subsection (3), and
 - (b) there are to be deducted the amounts in subsection (4).
- (3) The amounts to be added are—
- (a) the amount of any debits which are treated as expenses of the trade by virtue of—
 - (i) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (debts in respect of derivative contracts), and
 - (b) the amount of any additional deduction for the accounting period obtained by the company under Part 13 of CTA 2009 for expenditure on research and development in relation to the trade.
- (4) The amounts to be deducted are any amounts of finance income brought into account in calculating the profits of the trade for the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(For the meaning of “finance income”, see section 357CB.)

- (5) In a case where there is a shortfall in R&D expenditure in relation to the trade for a relevant accounting period (see section 357CH), the amount of R&D expenditure brought into account in calculating the profits of the trade for that accounting period is to be increased by the amount mentioned in section 357CH(2).
- (6) For the purposes of subsection (5)—
- “R&D expenditure” means expenditure on research and development in relation to the trade,
- “relevant accounting period”, in relation to a company, means—
- (a) the first accounting period for which—
- (i) the company is a qualifying company, and
- (ii) an election under section 357A has effect in relation to it, and
- (b) each accounting period that begins before the end of the period of 4 years beginning with that accounting period, and
- “research and development” means activities, other than oil and gas exploration and appraisal, that fall to be treated as research and development in accordance with generally accepted accounting practice.

Shortfall in R&D expenditure

- 357CH) There is a shortfall in R&D expenditure in relation to a trade of a company for a relevant accounting period if the actual R&D expenditure of the trade for the accounting period (as adjusted under subsections (8) to (11)) is less than 75% of the average amount of R&D expenditure.
- (2) The amount that is to be added to the actual R&D expenditure for the purposes of section 357CG(5) is an amount equal to the difference between—
- (a) 75% of the average amount of R&D expenditure, and
- (b) the actual R&D expenditure, as adjusted under subsections (8) to (11).
- (3) In this section—
- (a) the “actual R&D expenditure” of a trade of a company for an accounting period is the amount of R&D expenditure that (ignoring section 357CG(5)) is brought into account in calculating the profits of the trade for the accounting period, and
- (b) “R&D expenditure” and “relevant accounting period” have the meaning given by section 357CG(6).
- (4) The average amount of R&D expenditure is—

$$\frac{E}{N} \times 365$$

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

where—

E is the amount of R&D expenditure that—

- (a) has been incurred by the company during the relevant period, and
- (b) has been brought into account in calculating the profits of the trade for any accounting period ending before the first relevant accounting period, and

N is the number of days in the relevant period.

- (5) The relevant period is the shorter of—
 - (a) the period of 4 years ending immediately before the first relevant accounting period, and
 - (b) the period beginning with the day on which the company begins to carry on the trade and ending immediately before the first relevant accounting period.
- (6) For a relevant accounting period of less than 12 months, the average amount of R&D expenditure is proportionately reduced.
- (7) Subsections (8) to (11) apply for the purposes of determining—
 - (a) whether there is a shortfall in R&D expenditure for a relevant accounting period, and
 - (b) if there is such a shortfall, the amount to be added by virtue of subsection (2).
- (8) If the amount of the actual R&D expenditure for a relevant accounting period is greater than the average amount of R&D expenditure, the difference between the two amounts is to be added to the actual R&D expenditure for the next relevant accounting period.
- (9) If—
 - (a) there is not a shortfall in R&D expenditure for a relevant accounting period, but
 - (b) in the absence of any additional amount, there would be a shortfall in R&D expenditure for that accounting period,
 the remaining portion of the additional amount is to be added to the actual R&D expenditure for the next relevant accounting period.
- (10) For the purposes of this section—
 - “additional amount”, in relation to a relevant accounting period, means any amount added to the actual R&D expenditure for that accounting period by virtue of subsection (8), (9) or (11), and
 - “the remaining portion” of an additional amount is so much of that amount as exceeds the difference between—
 - (a) the actual R&D expenditure for the relevant accounting period in the absence of the additional amount, and
 - (b) 75% of the average amount of R&D expenditure.
- (11) If—
 - (a) there is not a shortfall in R&D expenditure for a relevant accounting period, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) there would not be a shortfall in R&D expenditure for that accounting period in the absence of any additional amount, the additional amount is to be added to the actual R&D expenditure for the next relevant accounting period (in addition to any additional amount so added by virtue of subsection (8)).

Routine return figure

Routine return figure

357C(1) To determine the routine return figure in relation to a trade of a company for an accounting period—

Step 1 Take the aggregate of any routine deductions made by the company in calculating the profits of the trade for the accounting period. For the meaning of “routine deductions”, see sections 357CJ and 357CK.

Step 2 Multiply that amount by 0.1.

Step 3 Calculate X% of the amount given by Step 2. “X%” is the percentage given by Step 2 in section 357C(1).

- (2) In a case where—
- (a) the company (“C”) is a member of a group,
 - (b) another member of the group incurs expenses on behalf of C,
 - (c) had they been incurred by C, C would have made a deduction in respect of the expenses in calculating the profits of the trade for the accounting period, and
 - (d) the deduction would have been a routine deduction,
- C is to be treated for the purposes of subsection (1) as having made such a routine deduction.
- (3) Where expenses are incurred by any member of the group on behalf of C and any other member of the group, subsection (2) applies in relation to so much of the amount of the expenses as on a just and reasonable apportionment may properly be regarded as incurred on behalf of C.

Routine deductions

357C(1) For the purposes of section 357CI “routine deductions” means deductions falling within any of the Heads set out in—

- (a) subsection (2) (capital allowances),
- (b) subsection (3) (costs of premises),
- (c) subsection (4) (personnel costs),
- (d) subsection (5) (plant and machinery costs),
- (e) subsection (6) (professional services),
- (f) subsection (7) (miscellaneous services).

This is subject to section 357CK (deductions that are not routine deductions).

- (2) Head 1 is any allowances under CAA 2001.
- (3) Head 2 is any deductions made by the company in respect of any premises occupied by the company.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) Head 3 is any deductions made by the company in respect of—
- (a) any director or employee of the company, or

Companies eligible to elect for small claims treatment

- 357C(1) A company may elect for small claims treatment for an accounting period if condition A or B is met in relation to the accounting period.
- (2) Condition A is that the aggregate of the amounts of qualifying residual profit of each trade of the company for the accounting period does not exceed £1,000,000.
 - (3) Condition B is that—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

- (a) the aggregate of the amounts of qualifying residual profit of each trade of the company for the accounting period does not exceed the relevant maximum, and
 - (b) the company did not take Step 6 in section 357C(1) or 357DA(1) for the purpose of calculating the relevant IP profits of any trade of the company for any previous accounting period beginning within the relevant 4-year period.
- (4) In subsection (3)(b) “the relevant 4-year period” means the period of 4 years ending immediately before the accounting period mentioned in subsection (3)(a).
- (5) If the company has no associated company in the accounting period, the relevant maximum is £3,000,000.
- (6) If the company has one or more associated companies in the accounting period, the relevant maximum is—

where N is the number of those associated companies in relation to which an election under section 357A has effect for the accounting period.

- (7) For an accounting period of less than 12 months, the relevant maximum is proportionately reduced.
- (8) Any amount of qualifying residual profit of a trade of the company that is not greater than nil is to be disregarded for the purposes of this section.

$$\frac{SCT}{T}$$

where—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

SCT is the small claims threshold, and

T is the number of trades of the company.

$$0.75 \times QRP$$

where QRP is the aggregate of the amounts of qualifying residual profit of each trade of the company for the accounting period (but see subsection (4)).

- (4) Any amount of qualifying residual profit of a trade of the company that is not greater than nil is to be disregarded for the purposes of subsection (3).
- (5) If the company has no associated company in the accounting period, the small claims threshold is £1,000,000.

Marketing assets return figure

Marketing assets return figure

357C(N) The marketing assets return figure in relation to a trade of a company for an accounting period is—

$$NMR - AMR$$

where—

NMR is the notional marketing royalty in respect of the trade for the accounting period (see section 357CO), and

AMR is the actual marketing royalty in respect of the trade for the accounting period (see section 357CP).

(2) Where—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) AMR is greater than NMR, or
 - (b) the difference between NMR and AMR is less than 10% of the qualifying residual profit of the trade for the accounting period,
- the marketing assets return figure is nil.

Notional marketing royalty

357C(1) The notional marketing royalty in respect of a trade of a company for an accounting period is the appropriate percentage of the relevant IP income for that accounting period.

In this section “relevant IP income”, in relation to a trade of a company for an accounting period, means so much of the total gross income of the trade for the accounting period as is relevant IP income.

- (2) The “appropriate percentage” is the proportion of any relevant IP income for an accounting period which the company would pay another person (“P”) for the right to exploit the relevant marketing assets in that accounting period if the company were not otherwise able to exploit them.
- (3) For the purposes of this section a marketing asset is a “relevant marketing asset” in relation to an accounting period if the relevant IP income of the trade of the company for the accounting period includes any income arising from things done by the company that involve the exploitation by the company of that marketing asset.
- (4) For the purposes of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm's length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the relevant marketing assets to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the relevant marketing assets as it actually has,
 - (d) the right to exploit the relevant marketing assets is conferred on the relevant day,
 - (e) the appropriate percentage for the accounting period is determined at the beginning of the accounting period,
 - (f) the appropriate percentage for the accounting period will apply for each succeeding accounting period for which the company will have the right to exploit the relevant marketing assets, and
 - (g) no income other than relevant IP income will arise from anything done by the company that involves the exploitation by the company of the relevant marketing assets.
- (5) In subsection (4)(d) “the relevant day”, in relation to a relevant marketing asset, means—
 - (a) the first day of the accounting period, or
 - (b) if later, the day on which the company first acquired the relevant marketing asset or the right to exploit the asset.
- (6) In determining the appropriate percentage, the company must act in accordance with—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “marketing asset” means any of the following (whether or not capable of being transferred or assigned)—
- (a) anything in respect of which proceedings for passing off could be brought, including a registered trade mark (within the meaning of the Trade Marks Act 1994),
 - (b) anything that corresponds to a marketing asset within paragraph (a) and is recognised under the law of a country or territory outside the United Kingdom,
 - (c) any signs or indications (so far as not falling within paragraph (a) or (b)) which may serve, in trade, to designate the geographical origin of goods or services, and
 - (d) any information which relates to customers or potential customers of the company, or any other member of a group of which the company is a member, and is intended to be used for marketing purposes.

Actual marketing royalty

357C(P) The actual marketing royalty in respect of a trade of a company for an accounting period is X% of the aggregate of any sums which—

- (a) were paid by the company for the purposes of acquiring any relevant marketing assets, or the right to exploit any such assets, and
 - (b) were brought into account as debits in calculating the profits of the trade for the accounting period.
- (2) In this section—
- “relevant marketing assets” has the same meaning as in section 357CO, and
 - “X%” is the percentage given by Step 2 in section 357C(1).

Profits arising before grant of right

Profits arising before grant of right

357C(Q) This section applies where a company—

- (a) holds a right mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of such a right, or
 - (b) would hold such a right or licence but for the fact that the company disposed of any rights in the invention or (as the case may be) the licence before the right was granted.
- (2) The company may elect that, for the purposes of determining the relevant IP profits of a trade of the company for the accounting period in which the right is granted, there is to be added the amount determined in accordance with subsection (3) (the “additional amount”).
- (3) The additional amount is the difference between—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) the aggregate of the relevant IP profits of the trade for each relevant accounting period, and
 - (b) the aggregate of what the relevant IP profits of the trade for each relevant accounting period would have been if the right had been granted on the relevant day.
- (4) For the purposes of determining the additional amount, the amount of any relevant IP profits to which section 357A does not apply by virtue of Chapter 5 (relevant IP losses) is to be disregarded.
- (5) In this section “relevant accounting period” means—
- (a) the accounting period of the company in which the right is granted, and
 - (b) any earlier accounting period of the company which meets the conditions in subsection (6).
- (6) The conditions mentioned in subsection (5)(b) are—
- (a) that it is an accounting period for which an election made by the company under section 357A has effect,
 - (b) that it is an accounting period for which the company is a qualifying company, and
 - (c) that it ends on or after the relevant day.
- (7) In this section “the relevant day” is the later of—
- (a) the first day of the period of 6 years ending with the day on which the right is granted, or
 - (b) the day on which—
 - (i) the application for the grant of the right was filed, or
 - (ii) in the case of a company that holds an exclusive licence in respect of the right, the licence was granted.
- (8) Where the company would be a qualifying company for an accounting period but for the fact that the right had not been granted at any time during that accounting period, the company is to be treated for the purposes of this section as if it were a qualifying company for that accounting period.
- (9) Where the company would be a qualifying company for the accounting period in which the right was granted but for the fact that the company disposed of the rights or licence mentioned in subsection (1)(b) before the right was granted, the company is to be treated for the purposes of section 357A as if it were a qualifying company for that accounting period.

CHAPTER 4

STREAMING

Alternative method of calculating relevant IP profits: “streaming”

- 357D) A company may elect to apply section 357DA (instead of section 357C) for the purposes of determining the relevant IP profits of any trade of the company for an accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(2) An election made under subsection (1) is known as a “streaming election”.

(3) A streaming election has effect—

- (a) for the accounting period for which it is made, and
- (b) for each subsequent accounting period.

This is subject to section 357DB.

(4) If any of the mandatory streaming conditions in section 357DC is met in relation to a trade of a company for an accounting period, the company must apply section 357DA (instead of section 357C) for the purposes of determining the relevant IP profits of the trade for that accounting period.

Relevant IP profits

357DA(1) To determine the relevant IP profits of a trade of a company for an accounting period in accordance with this section—

Step 1 Take any amounts which are brought into account as credits in calculating the profits of the trade for the accounting period, other than any amounts of finance income (see section 357CB), and divide them into two “streams”, amounts of relevant IP income (see sections 357CC and 357CD) and amounts that are not amounts of relevant IP income. The stream consisting of relevant IP income is “the relevant IP income stream”.

Step 2 Take any amounts which are brought into account as debits in calculating the profits of the trade for the accounting period, other than any amounts referred to in section 357CG(3), and allocate them on a just and reasonable basis between the two streams. (See also section 357CG(5).)

Step 3 Deduct from the relevant IP income stream the amounts allocated to that stream under Step 2.

Step 4 Deduct from the amount given by Step 3 the routine return figure (see subsection (4)). The amount given by this step is the “qualifying residual profit”.

If the amount of the qualifying residual profit is not greater than nil, go to Step 7.

Step 5 If the company has elected for small claims treatment, calculate the small claims amount in relation to the trade (see section 357CM). If the company has not, go to Step 6.

Step 6 Deduct from the qualifying residual profit the marketing assets return figure (see section 357CN and subsection (6)).

Step 7 If the company has made an election under section 357CQ (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 5 or 6 (or, if the amount of the qualifying residual profit was not greater than nil, Step 4) any amount determined in accordance with subsection (3) of that section.

(2) If the amount given by subsection (1) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) If the amount given by subsection (1) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).
- (4) The routine return figure, in relation to a trade of a company for an accounting period, is 10% of the aggregate of any routine deductions which—
 - (a) have been made by the company in calculating the profits of the trade for the accounting period, and
 - (b) have been allocated to the relevant IP income stream under Step 2.
 In this subsection “routine deductions” is to be read in accordance with sections 357CJ and 357CK.
- (5) Subsections (2) and (3) of section 357CI have effect for the purposes of subsection (4) of this section as they have effect for the purposes of that section.
- (6) For the purposes of determining the marketing assets return figure in Step 6, section 357CP (actual marketing royalty) has effect as if the reference to X% of the aggregate of any sums falling within subsection (1) of that section were a reference to the aggregate of any such sums which have been allocated to the relevant IP income stream under Step 2.

Method of allocation

- 357DB(1) In this section “method of allocation” means the method of allocating, for the purposes of Step 2 in section 357DA(1), the amounts mentioned in that step.
- (2) A company that applies section 357DA for the purposes of determining the relevant IP profits of a trade of the company for an accounting period must use the same method of allocation in relation to the trade for that accounting period as it used in the last accounting period of the company for which it applied that section for the purposes of determining the relevant IP profits of the trade.
 - (3) But subsection (2) does not apply if there is a change of circumstances relating to the trade which makes the use of that method of allocation in relation to the trade for the accounting period inappropriate.
 - (4) In such a case, the company may—
 - (a) use a different method of allocation in relation to the trade for the accounting period (and subsection (2) applies accordingly for subsequent accounting periods), or
 - (b) elect not to apply section 357DA for the purposes of determining the relevant IP profits of the trade for the accounting period.
 - (5) Subsection (4)(b) does not prevent the company making a fresh streaming election in relation to the trade for any subsequent accounting period.

The mandatory streaming conditions

- 357DC(1) Mandatory streaming condition A is met in relation to a trade of a company for an accounting period if—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) any amount brought into account as a credit in calculating the profits of the trade for the accounting period is not fully recognised as revenue for the accounting period, and
 - (b) the amount, or the aggregate of any such amounts, is substantial.
- (2) An amount is a “substantial” amount for the purposes of this section if it is greater than—
 - (a) £2,000,000, or
 - (b) 20% of the total gross income of the trade for the accounting period, whichever is the lower.
- (3) But an amount is not a substantial amount for the purposes of this section if it does not exceed £50,000.
- (4) The reference in subsection (1)(a) to an amount brought into account as a credit includes a reference to any amount brought into account by virtue of section 147 of TIOPA 2010 (basic transfer-pricing rule).
- (5) Mandatory streaming condition B is met in relation to a trade of a company for an accounting period if the total gross income of the trade for the accounting period includes—
 - (a) relevant IP income, and
 - (b) a substantial amount of licensing income that is not relevant IP income.
- (6) In subsection (5) “licensing income” means income consisting of any licence fee, royalty or other payment which the company has received under an agreement granting another person any right in respect of any intellectual property held by the company.

“Intellectual property” has the meaning given by section 712(3) of CTA 2009.
- (7) Mandatory streaming condition C is met in relation to a trade of a company for an accounting period if the total gross income of the trade for the accounting period includes—
 - (a) income that is not relevant IP income, and
 - (b) a substantial amount of relevant Head 2 income.
- (8) Income is “relevant Head 2 income” for the purposes of subsection (7) if—
 - (a) it is relevant IP income received under an agreement falling within subsection (6) of section 357CC, and
 - (b) every qualifying IP right—
 - (i) in respect of which a right within paragraph (a) of that subsection is granted by the agreement, or
 - (ii) which is granted in respect of an invention in respect of which a right within paragraph (b) of that subsection is granted by the agreement,is a right in respect of which the company holds an exclusive licence.
- (9) In a case where—
 - (a) relevant IP income is received under an agreement falling within section 357CC(6), but

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(b) the condition in paragraph (b) of subsection (8) above is not met, so much of the relevant IP income as on a just and reasonable apportionment is attributable to any qualifying IP right falling within that paragraph is relevant Head 2 income for the purposes of subsection (7).

CHAPTER 5

RELEVANT IP LOSSES

Company with relevant IP losses: set-off amount

357E Where a company would be entitled to make a deduction under section 357A(2) in calculating the profits of a trade of the company for an accounting period but for the fact that there are relevant IP losses of the trade for the accounting period, there is a “set-off amount” in relation to the trade of the company for the accounting period which is equal to the amount of the relevant IP losses.

Effect of set-off amount on company with more than one trade

357E(1) This section applies where—

- (a) there is a set-off amount in relation to a trade of a company for an accounting period, and
 - (b) the company carries on any other trade.
- (2) The set-off amount is to be reduced (but not to below nil) by any relevant IP profits of that other trade for the accounting period.
- (3) Section 357A does not apply in relation to so much of the amount of relevant IP profits of that other trade for the accounting period as is equal to the amount by which the set-off amount is reduced under subsection (2).

Allocation of set-off amount within a group

357E(1) This section applies where—

- (a) there is a set-off amount in relation to a trade of a company for an accounting period,
 - (b) the company is a member of a group, and
 - (c) the set-off amount has not been reduced to nil by the operation of section 357EA(2).
- (2) The set-off amount (or so much of it as remains after the operation of section 357EA(2)) is to be reduced (but not to below nil) by any relevant IP profits of a trade of a relevant group member for the relevant accounting period.
- (3) For the purposes of this section—
- (a) “relevant group member” means another member of the group that has made an election under section 357A and is a qualifying company for the relevant accounting period, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) “relevant accounting period”, in relation to a company, means the accounting period of the company in or at the end of which the accounting period mentioned in subsection (1)(a) ends.
- (4) Section 357A does not apply in relation to so much of the amount of relevant IP profits of the trade of the relevant group member for the relevant accounting period as is equal to the amount by which the set-off amount (or so much of it as remains after the operation of section 357EA(2)) is reduced under subsection (2).
- (5) Where there is more than one relevant group member, the relevant group members may jointly determine the order in which subsection (2) is to apply to them.
- (6) If no determination is made under subsection (5), subsection (2) is to apply first to the trade that has the greatest amount of relevant IP profits of any trade of any of the relevant group members for a relevant accounting period, then to the trade that has the second greatest amount of relevant IP profits of any of those trades for such a period, and so on.

Carry-forward of set-off amount

357E(1) This section applies where—

- (a) there is a set-off amount in relation to a trade of a company for an accounting period, and
 - (b) the set-off amount has not been reduced to nil by the operation of section 357EA(2) or 357EB(2).
- (2) The set-off amount (or so much of it as remains after the operation of section 357EA(2) or 357EB(2)) is to be reduced (but not to below nil) by the amount of any relevant IP profits of the trade of the company for the current accounting period.
- The “current accounting period” is the accounting period immediately following the accounting period mentioned in subsection (1)(a).
- (3) Section 357A does not apply in relation to so much of the amount of relevant IP profits of the trade of the company for the current accounting period as is equal to the amount by which the set-off amount (or so much of it as remains after the operation of section 357EA(2) or 357EB(2)) is reduced under subsection (2).
 - (4) If any portion of the set-off amount remains after the operation of subsection (2), that portion (“the remaining portion”) is to be treated as the set-off amount in relation to the trade of the company for the current accounting period (and the provisions of this Chapter apply accordingly).
 - (5) If there are relevant IP losses of the trade of the company for the current accounting period, the set-off amount in relation to the trade of the company for that accounting period is the aggregate of the remaining portion and an amount equal to the amount of those relevant IP losses (and the provisions of this Chapter apply accordingly).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Company ceasing to carry on trade, etc

357E(1) This section applies where—

- (a) there is a set-off amount in relation to a trade of a company for an accounting period, and
- (b) at any time in the accounting period immediately following that accounting period, the company meets any of the conditions in subsection (2).

(2) The conditions are—

- (a) that the company ceases to carry on the trade,
- (b) that the company ceases to be within the charge to corporation tax in respect of the trade, or
- (c) that any election made by the company under section 357A ceases to have effect.

(3) Sections 357EA to 357EC continue to have effect in relation to the set-off amount subject to the following provisions of this section.

(4) Section 357EB has effect as if—

- (a) the reference in subsection (1)(b) to the company being a member of a group were a reference to the company having been a member of the group at the time referred to in subsection (1)(b) of this section,
- (b) for subsection (2) there were substituted—

“(2) The set-off amount (or so much of it as remains after the operation of section 357EA(2)) is to become, or be added to, the set-off amount in relation to a trade of a relevant group member for the relevant accounting period.”,

- (c) subsection (4) were omitted,
- (d) for the words after “determine” in subsection (5) there were substituted “ the relevant group member to which subsection (2) is to apply ”, and
- (e) for subsection (6) there were substituted—

“(6) If no determination is made under subsection (5), subsection (2) is to apply to the trade that has the greatest amount of relevant IP profits of any trade of any of the relevant group members for a relevant accounting period.

(7) If there is no relevant group member with any relevant IP profits of a trade for the relevant accounting period, subsection (2) is to apply to the trade that has the greatest set-off amount in relation to any trade of any of the relevant group members for a relevant accounting period.”

Licences conferring exclusive rights

357F A licence that confers any right in respect of a qualifying IP right to the exclusion of all other persons is not to be regarded as an exclusive licence if the main purpose, or one of the main purposes, of conferring the right is to secure that the licence is an exclusive licence for the purposes of this Part.

Incorporation of qualifying items

Incorporation of qualifying items

357F(A) Income arising from the sale of any item that incorporates a qualifying item is not relevant IP income if the main purpose, or one of the main purposes, of incorporating the qualifying item is to secure that income arising from any such sale is relevant IP income.

(2) “Qualifying item” has the same meaning as in section 357CC(2).

Tax advantage schemes

- (a) a company is entitled to make a deduction under section 357A(2) in calculating the profits of a trade of the company for an accounting period,
- (b) the company is or has at any time been a party to a scheme, and
- (c) the main purpose, or one of the main purposes, of the company or, where the company is a member of a group, any member of the group in being a party to the scheme is (or was) to obtain the chance of securing a relevant tax advantage.

(2) There is a “relevant tax advantage” for the purposes of this section if—

- (a) (apart from this section) there would be an increase in the amount of any deduction made under section 357A(2) in calculating the profits of a trade of the company or (as the case may be) any other member of the group for any accounting period, and
- (b) the increase would arise from—
 - (i) the avoidance of the operation of any provision of this Part,
 - (ii) artificially inflating the amount of relevant IP income brought into account in calculating those profits (see subsection (3)), or

 - (b) bringing into account in calculating those profits an additional amount of relevant IP income that wholly or substantially corresponds to a decrease in the amount of income that is not relevant IP income which is brought into account in calculating those profits.
- (4) For the purposes of this section there is a mismatch between relevant IP income and expenditure if—
- (a) any relevant IP income brought into account in calculating the profits mentioned in subsection (2)(a) is attributable to any qualifying IP right or an exclusive licence in respect of any such right, and
 - (b) any expenditure incurred in relation to that right is brought into account in calculating the profits of a trade of the company or (as the case may be) any other member of the group for an accounting period for which an election under section 357A did not have effect.
- (5) The amount of the deduction which may be made by the company for the accounting period mentioned in subsection (1)(a) is the amount that would secure that no relevant tax advantage arises (and may be nil).
- (6) In this section “scheme” includes any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving a single transaction or two or more transactions.

- 257ED) A “compliance statement” is a statement, in respect of an issue of shares, to the effect that, except so far as they fall to be met by or in relation to the individuals to whom shares included in that issue have been issued, the requirements for SEIS relief (see section 257AA)—
- (a) are for the time being met in relation to the shares to which the statement relates, and
 - (b) have been so met at all times since the shares were issued.
- (2) In determining for the purposes of subsection (1) whether the requirements for SEIS relief are met at any time in relation to the issue of shares, references in this Part to the relevant shares are read as references to the shares included in the issue.
 - (3) A compliance statement must not be made in respect of an issue of shares before at least one of the following conditions is met—
 - (a) at least 70% of the money raised by the issue has been spent for the purposes of the qualifying business activity for which it was raised;
 - (b) the new qualifying trade which constitutes the qualifying business activity or to which that activity relates has been carried on by the issuing company or a qualifying 90% subsidiary of that company for at least 4 months.
 - (4) A compliance statement must be in such form as the Commissioners for Her Majesty's Revenue and Customs direct and must—

 - (c) contain a declaration that the statement is correct to the best of the issuing company's knowledge and belief, and
 - (d) contain such other declarations as the Commissioners may reasonably require.

CHAPTER 6

WITHDRAWAL OR REDUCTION OF SEIS RELIEF

Introduction

Overview of Chapter

- 257F This Chapter provides for SEIS relief to be withdrawn or reduced under—
- (a) section 257FA (disposal of shares),
 - (b) section 257FC (call options),
 - (c) section 257FD (put options),
 - (d) section 257FE (value received by the investor),
 - (e) section 257FP (acquisition of a trade or trading asset),
 - (f) section 257FQ (acquisition of share capital), and
 - (g) section 257FR (relief subsequently found not to have been due).

Disposal of shares

- 257F(1) This section applies if—
- (a) the investor disposes of any of the relevant shares,
 - (b) the disposal takes place before period B ends, and
 - (c) SEIS relief is attributable to the shares.
- (2) If the disposal is not made by way of a bargain made at arm's length, the SEIS relief attributable to the shares must be withdrawn.
- (3) If the disposal is made by way of a bargain made at arm's length, the SEIS relief attributable to the shares must—
- (a) if it is greater than the amount given by the formula set out below, be reduced by that amount, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(b) in any other case, be withdrawn.

The formula is—

$$R \times \text{SEISR}$$

where—

R is the amount or value of the consideration received by the investor for the shares, and

SEISR is the SEIS rate.

- (4) This section does not apply to a disposal of shares to which an amount of SEIS relief is attributable if—
- (a) the disposal was made by an individual (“A”) to another individual (“B”), and
 - (b) A and B were married to, or were civil partners of, each other and living together at the time of the disposal.
- (5) Section 257HA contains rules for determining which shares of any class are treated as disposed of for the purposes of this section if the investor disposes of some but not all of the shares of that class which are held by the investor.
- (6) Nothing in this section applies to a disposal of shares occurring as a result of the investor's death.

Cases where maximum SEIS relief not obtained

- 257F(1) If the investor's liability to income tax is reduced for any tax year in respect of any issue of shares and—
- (a) the amount of the reduction (“A”), is less than
 - (b) the amount (“B”) which is equal to tax at the SEIS rate on the amount on which the investor claims SEIS relief in respect of the shares,
- section 257FA(3) has effect in relation to a disposal of any of the shares as if the amount or value referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

- (2) If section 257AB(1) and (2) applies in the case of any issue of shares as if part of the issue had been issued in a previous tax year, subsection (1) has effect as if that part and the remainder were separate issues of shares (and that part had been issued on a day in the previous tax year).
- (3) If the amount of SEIS relief attributable to any of the relevant shares has been reduced before the SEIS relief was obtained, the amount referred to in subsection (1) as A is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) Subsection (3) does not apply to a reduction of SEIS relief by virtue of section 257E(4) (attribution of SEIS relief if there is a corresponding issue of bonus shares).

Call options

- 257F(1) This section applies if the investor grants an option which, if exercised, would bind the investor to sell any of the relevant shares.
- (2) The grant of the option is treated for the purposes of section 257FA as a disposal of the shares to which the option relates.
- (3) Nothing in this section prejudices section 257CD (no pre-arranged exits).

Put options

- 257F(1) This section applies if, at any time in period A, a person grants the investor an option which, if exercised, would bind the grantor to purchase any of the relevant shares.
- (2) Any SEIS relief attributable to the shares to which the option relates must be withdrawn.
- (3) For the purposes of subsection (2) the shares to which an option relates are those which, if—
- (a) the option were exercised immediately after the grant, and
 - (b) any shares in the issuing company acquired by the investor after the grant were disposed of immediately after being acquired,
- would be treated for the purposes of section 257FA as disposed of in pursuance of the option.

Value received by investor

Value received by the investor

- 257F(1) This section applies if the investor receives any value from the issuing company at any time in period A relating to the relevant shares.
- (2) Any SEIS relief attributable to the shares must—
- (a) if it is greater than the amount given by the formula set out below, be reduced by that amount, and
 - (b) in any other case, be withdrawn.
- The formula is—

$$R \times \text{SEISR}$$

where—

R is the amount of the value received by the investor, and
SEISR is the SEIS rate.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) This section is subject to the following sections—
- (a) section 257FF (value received: receipts of insignificant value),
 - (b) section 257FJ (value received where there is more than one issue of shares),
 - (c) section 257FK (value received where part of share issue treated as made in previous tax year),
 - (d) section 257FL (cases where maximum SEIS relief not obtained),
 - (e) section 257FM (receipts of value by and from connected persons etc), and
 - (f) section 257FN (receipt of replacement value).

Sections 257FJ to 257FL are to be applied in the order in which they appear in this Part.

- (4) Value received is to be ignored, for the purposes of this section, to the extent to which SEIS relief attributable to the shares has already been withdrawn or reduced on its account.
- (5) For the purposes of this section and sections 257FF to 257FO, an individual who acquires any relevant shares on such a transfer as is mentioned in section 257H (spouses or civil partners) is treated as the investor.

Value received: receipts of insignificant value

257F(1) Section 257FE(2) does not apply if the receipt of value is a receipt of insignificant value.

This is subject to subsection (2).

- (2) If—
- (a) value is received (“the relevant receipt”) by the investor from the issuing company at any time in period A relating to the relevant shares,
 - (b) the investor has received from the issuing company one or more receipts of insignificant value at a time or times—
 - (i) during that period, but
 - (ii) not later than the time of the relevant receipt, and
 - (c) the total value of the receipts within paragraphs (a) and (b) is not an amount of insignificant value,

the investor is treated for the purposes of this Chapter as if the relevant receipt had been a receipt of an amount of value equal to that total amount.

- (3) A receipt does not fall within subsection (2)(b) if it has previously formed part of a total amount falling within subsection (2)(c).

Meaning of “a receipt of insignificant value”

257F(1) This section applies for the purposes of section 257FF.

- (2) “A receipt of insignificant value” means a receipt of an amount of insignificant value, that is, an amount of value which—
- (a) is not more than £1,000, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) if it is more than £1,000, is insignificant in relation to the amount subscribed by the investor for the relevant shares.

This is subject to subsection (3).

- (3) If at any time in the period—
 - (a) beginning 12 months before the issue of the relevant shares, and
 - (b) ending at the end of the issue date,repayment arrangements are in existence, no amount of value received by the investor is treated as a receipt of insignificant value.
- (4) For this purpose “repayment arrangements” means arrangements which provide for the investor to receive, or to be entitled to receive, any value from the issuing company at any time in period A relating to the relevant shares.
- (5) For the purposes of this section—
 - (a) the references in this section to the investor include a reference to any person who at any time in period A relating to the relevant shares is an associate of the investor (whether or not that person is such an associate at the material time), and
 - (b) the reference in subsection (4) to the issuing company includes a reference to a person who at any time in period A relating to the relevant shares is connected with that company (whether or not that person is so connected at the material time).

When value is received

257FH(1) This section applies for the purposes of sections 257FE (value received by the investor) and 257FJ (value received where there is more than one issue).

- (2) The investor receives value from the issuing company at any time when the issuing company—
 - (a) repays, redeems or repurchases any of its share capital or securities which belong to the investor or makes any payment to the investor for giving up the investor's right to any of the issuing company's share capital or any security on its cancellation or extinguishment,
 - (b) repays, in pursuance of any arrangements for or in connection with the acquisition of the shares in respect of which SEIS relief is claimed, any debt owed to the investor other than a debt which was incurred by the company—
 - (i) on or after the date of issue of those shares, and
 - (ii) otherwise than in consideration of the extinguishment of a debt incurred before that date,
 - (c) makes to the investor any payment for giving up on its extinguishment the investor's right to any debt, other than a debt in respect of a payment of the kind mentioned in subsection (3)(a) or (f) or an ordinary trade debt,
 - (d) releases or waives any liability of the investor to the issuing company or discharges or undertakes to discharge any liability of the investor to a third person,
 - (e) makes a loan or advance to the investor which has not been repaid in full before the issue of the shares in respect of which SEIS relief is claimed,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (f) provides a benefit or facility for the investor,
 - (g) transfers an asset to the investor for no consideration or for consideration less than its market value or acquires an asset from the investor for consideration greater than its market value, or
 - (h) makes to the investor any other payment except—
 - (i) an excluded payment, or
 - (ii) a payment in discharge of an ordinary trade debt.
- (3) “Excluded payment” means—
- (a) any payment or reimbursement of travelling or other expenses, exclusively and necessarily incurred by the investor or an associate of the investor in the performance of the investor's or associate's duties as a director,
 - (b) any interest which represents no more than a reasonable commercial return on money lent to the issuing company or any person connected with that company,
 - (c) any dividend or other distribution which does not exceed a normal return on the investment,
 - (d) any payment for the supply of goods which does not exceed their market value,
 - (e) any payment of rent for any property occupied by the issuing company or a person connected with that company which does not exceed a reasonable and commercial rent for the property, and
 - (f) any necessary and reasonable remuneration which meets the conditions in subsection (4).
- (4) The conditions are that the remuneration—
- (a) is paid for services rendered to the issuing company or a person connected with that company in the course of a trade or profession (not being secretarial or managerial services or services of a kind provided by the person to whom they are rendered), and
 - (b) is taken into account in calculating for tax purposes the profits of that trade or profession.
- (5) For the purposes of subsection (2)(d) the issuing company is to be treated as having released or waived a liability if the liability is not discharged within 12 months of the time when it ought to have been discharged.
- (6) For the purposes of subsection (2)(e) the following is to be treated as if it were a loan made by the issuing company to the investor—
- (a) the amount of any debt (other than an ordinary trade debt) incurred by the investor to the issuing company, and
 - (b) the amount of any debt due from the investor to a third party which has been assigned to the issuing company.
- (7) The investor also receives value from the issuing company if—

 - (b) the winding up or dissolution falls within section 257DB(4) (no tax avoidance).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (8) The investor also receives value from the issuing company if a person within subsection (9)—
- (a) purchases any of its share capital or securities which belong to the investor, or
 - (b) makes any payment to the investor for giving up any right in relation to any of the company's share capital or securities.
- (9) Those persons are—
- (a) any person who has a substantial interest in the company within the meaning of section 257BB;
 - (b) any employee of the issuing company;
 - (c) any director of the issuing company.
- (10) If because of the investor's disposal of shares in a company any SEIS relief attributable to those shares is withdrawn or reduced under section 257FA, the investor is not to be treated as receiving value from the company in respect of the disposal.
- (11) The investor is not to be treated as receiving value from the issuing company merely because of the payment to the investor, or any associate of the investor, of any remuneration for services rendered to that company as a director if the remuneration is reasonable remuneration.
- (12) For the purposes of subsection (11)—
- (a) the reference in that subsection to the payment of remuneration includes a reference to the provision of any benefit or facility, and
 - (b) in the case of an individual who is both a director and an employee of a company, the reference in that subsection to services rendered to that company as a director includes a reference to services rendered to that company as an employee.
- (13) In this section—

The amount of value received

257FI In a case falling within a provision listed in column 1 of the following table, the amount of value received for the purposes of sections 257FE and 257FJ is given by the corresponding entry in column 2 of the table.

Value received where there is more than one issue

257FII) This section applies if—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) two or more issues of shares in the issuing company have been made to the investor which include shares in respect of which the investor obtains SEIS relief, and
 - (b) value is received by the investor at any time in the applicable periods for two or more of those issues.
- (2) Section 257FE(2) has effect in relation to the shares included in each of the issues referred to in subsection (1)(b) as if the amount of value referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which the investor obtains SEIS relief in respect of the shares included in the issue in question, and

B is the sum of that amount and the corresponding amount or amounts in respect of the other issue or issues.

- (3) For the purposes of subsection (1) “the applicable period” for an issue of shares is period A in relation to those shares.

Value received where part of issue treated as made in previous tax year

257FK(1) This section applies if—

- (a) section 257FE(2) applies to an issue of shares, and
 - (b) section 257AB(1) and (2) (form and amount of SEIS relief) applies in the case of that issue as if part of the issue had been issued in a previous tax year.
- (2) This subsection explains how the calculation under section 257FE(2) is to be made.

Step 1 Apportion the amount referred to as “R” between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which the investor obtains SEIS relief in respect of the shares treated as issued in the tax year in question, and

B is the sum of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2 In relation to each of the amounts (“R1” and “R2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

of shares in those tax years. In calculating amounts X1 and X2, apply section 257FL if appropriate but do not apply section 257FJ.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

Cases where maximum SEIS relief not obtained

257F(1) If the investor's liability to income tax is reduced for any tax year in respect of any issue of shares and—

- (a) the amount of the reduction (“A”), is less than
- (b) the amount (“B”) which is equal to income tax at the SEIS rate on the amount on which the investor claims SEIS relief in respect of the shares,

section 257FE(2) has effect in relation to any value received as if the amount referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

- (2) If the amount of SEIS relief attributable to any of the relevant shares has been reduced before the SEIS relief was obtained, the amount referred to in subsection (1) as A is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.
- (3) Subsection (2) does not apply to a reduction of SEIS relief by virtue of section 257E(4) (attribution of SEIS relief where there is a corresponding issue of bonus shares).

Receipts of value by and from connected persons etc

257FM In sections 257FE, 257FF and 257FH to 257FJ—

- (a) any reference to a payment or transfer to the investor includes a reference to a payment or transfer made to the investor indirectly or to the investor's order or for the investor's benefit,
- (b) any reference to the investor includes a reference to an associate of the investor, and
- (c) any reference to the issuing company includes a reference to a person who at any time in period A relating to the relevant shares is connected with that company (whether or not that person is so connected at the material time).

Receipt of replacement value

257FN(1) If—

- (a) any SEIS relief attributable to the relevant shares would, in the absence of this section, be reduced or withdrawn under section 257FE because of a receipt of value within section 257FH(2), (7) or (8) (“the original value”),
- (b) the original supplier receives value (“replacement value”) from the original recipient and the receipt is a qualifying receipt, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(c) the amount of the replacement value is at least the amount of the original value,
section 257FE does not, because of the receipt of value, have effect to reduce or withdraw the SEIS relief.

This is subject to section 257FO(1) and (2).

(2) For the purposes of this section—

“the original recipient” means the person who receives the original value;

“the original supplier” means the person from whom that value was received.

(3) If the amount of the original value is, by virtue of section 257FJ, treated as reduced for the purposes of section 257FE(2) as it applies in relation to the relevant shares in question, the reference in subsection (1)(c) to the amount of the original value is to be read as a reference to the amount of that value ignoring the reduction.

(4) A receipt of the replacement value is a qualifying receipt for the purposes of subsection (1) if it arises—

(a) because of the original recipient doing one or more of the following—

(i) making a payment to the original supplier, other than a payment within paragraph (c) or a payment to which subsection (5) applies,

(ii) acquiring any asset from the original supplier for a consideration the amount or value of which is more than the market value of the asset,

(iii) disposing of any asset to the original supplier for no consideration or for a consideration the amount or value of which is less than the market value of the asset,

(b) if the receipt of the original value was within section 257FH(2)(d), because of an event the effect of which is to reverse the event which constituted the receipt of the original value, or

(c) if the receipt of the original value was within section 257FH(8), because of the original recipient repurchasing the share capital or securities in question, or (as the case may be) re-acquiring the right in question, for a consideration the amount or value of which is at least the amount of the original value.

(5) This subsection applies to—

(a) any payment for any goods, services or facilities, provided (whether in the course of trade or otherwise) by—

(i) the original supplier, or

(ii) any other person who, at any time in period A relating to the relevant shares, is an associate of, or is connected with, that supplier (whether or not the other person is such an associate, or is so connected, at the material time),

which is reasonable in relation to the market value of those goods, services or facilities,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) any payment of any interest which represents no more than a reasonable commercial return on any money lent to—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period A relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),
 - (c) any payment for the acquisition of an asset which does not exceed its market value,
 - (d) any payment, as rent for any property occupied by—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period A relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),of an amount not exceeding a reasonable and commercial rent for the property,
 - (e) any payment in discharge of an ordinary trade debt, and
 - (f) any payment for shares in or securities of any company in circumstances that do not fall within subsection (4)(a)(ii).
- (6) For the purposes of this section, the amount of the replacement value is—
- (a) in a case within paragraph (a) of subsection (4), the sum of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset to which sub-paragraph (ii) or (iii) of that paragraph applies and the amount or value of the consideration (if any) received for it,
 - (b) in a case within subsection (4)(b), the same as the amount of the original value, and
 - (c) in a case within subsection (4)(c), the amount or value of the consideration received by the original supplier.

Section 257FI applies for the purpose of determining the original value.

- (7) In this section—
- (a) any reference to a payment to a person (however expressed) includes a reference to a payment made to the person indirectly or to the person's order or for the person's benefit, and
 - (b) “ordinary trade debt” has the meaning given by section 257FH(13).

Section 257FN: supplementary

- 257FQ(1) The receipt of the replacement value by the original supplier is ignored for the purposes of section 257FN(1) to the extent to which it has previously been set (under that section) against a receipt of value to prevent any reduction or withdrawal of SEIS relief under section 257FE.
- (2) The receipt of the replacement value by the original supplier (“the event”) is ignored for the purposes of section 257FN if—
- (a) the event occurs before period A relating to the relevant shares,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) if the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances, or
- (c) if an appeal has been brought by the investor against an assessment to withdraw or reduce any SEIS relief attributable to the relevant shares because of the receipt of the original value, the event occurs more than 60 days after the day on which the amount of relief which falls to be withdrawn has been finally determined.

But nothing in section 257FN or this section requires the replacement value to be received after the original value.

- (3) This subsection applies if—
 - (a) the receipt of the replacement value by the original supplier is a qualifying receipt for the purposes of section 257FN(1),
 - (b) in consequence of the receipt, any receipts of value are ignored for the purposes of section 257FE as that section applies in relation to the shares in question or any other shares subscribed for by the investor, and
 - (c) the event which gives rise to the receipt is (or includes) a subscription for shares by—
 - (i) the investor, or
 - (ii) any person who at any time in period A relating to the relevant shares is an associate of the investor (whether or not the person is such an associate at the material time).
- (4) If subsection (3) applies, the person who subscribes for the shares is not to be eligible for any SEIS relief in relation to those shares or any other shares in the same issue.
- (5) In this section “the original recipient”, “the original supplier” and “replacement value” have the same meaning as in section 257FN.

Disposal of shares to which SEIS relief is attributable

3 Before section 151 insert—

Seed enterprise investment scheme

“150E) For the purpose of determining the gain or loss on any disposal of shares by an individual where—

- (a) an amount of SEIS relief is attributable to the shares, and
- (b) apart from this subsection there would be a loss,

the consideration given by the individual for the shares is to be treated as reduced by the amount of the relief.

(2) Where—

- (a) shares are disposed of by an individual after the end of the period referred to in section 257AC(2) of ITA 2007,
- (b) an amount of SEIS relief is attributable to the shares, and
- (c) (apart from this subsection) there would be a gain,

the gain is not a chargeable gain.

(3) Despite section 16(2), subsection (2) does not apply to a disposal on which a loss accrues.

(4) Subsection (5) applies where—

- (a) an individual's liability to income tax has been reduced (or treated by virtue of section 257H of ITA 2007 (spouses and civil partners) as reduced) for any tax year under section 257AB of that Act in respect of an issue of shares,
- (b) the amount of the reduction (“R”) is less than the amount (“T”) which is equal to tax at the SEIS rate on the amount subscribed for the issue, and
- (c) R is not within paragraph (b) solely by virtue of section 29(2) and (3) of ITA 2007.

(5) If there is a disposal of the shares on which there is a gain, subsection (2) applies only to so much of the gain as is found by multiplying it by the fraction—

$$\frac{R}{T}$$

(6) Any question as to—

- (a) which of any shares that—
 - (i) are acquired by an individual at different times, and
 - (ii) are shares to which SEIS relief is attributable,

a disposal relates to, or

- (b) whether a disposal relates to shares to which SEIS relief is attributable,

is to be determined for the purposes of capital gains tax as for the purposes of section 257HA of ITA 2007.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Chapter 1 of this Part has effect subject to this subsection.

- (7) Sections 104, 105 and 106A do not apply to shares to which SEIS relief is attributable.
- (8) Where—
- (a) an individual holds shares (“the existing holding”) which form part of the ordinary share capital of a company,
 - (b) there is, by virtue of any such allotment for payment as is mentioned in section 126(2)(a), a reorganisation affecting the existing holding, and
 - (c) immediately following the reorganisation, SEIS relief is attributable to the existing holding or the allotted shares,
- sections 127 to 130 do not apply in relation to the existing holding.
- (9) Sections 135 and 136 do not apply in respect of shares to which SEIS relief is attributable.
- (10) Subsection (9) does not have effect to disapply section 135 or 136 where—
- (a) the new holding consists of new ordinary shares carrying no present or future preferential right to dividends or to a company's assets on its winding up and no present or future right to be redeemed,
 - (b) the new shares are issued after the end of the relevant period, and
 - (c) the condition in subsection (11) is satisfied.
- (11) The condition is that at some time before the issue of the new shares—
- (a) the company issuing them issued eligible shares, and
 - (b) a certificate in relation to those eligible shares was issued by the company for the purposes of section 257EB(1) of ITA 2007 and in accordance with sections 257EC and 257ED of that Act.
- (12) All such adjustments of capital gains tax are to be made, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the SEIS relief being given or withdrawn.
- (13) Where shares to which SEIS relief is attributable are exchanged for other shares in circumstances such that section 257HB of ITA 2007 (acquisition of share capital by new company) applies—
- (a) subsection (9) above does not have effect to disapply section 135, and
 - (b) sections 257HB(3)(b), 257HC(2)(a) and 257HD of ITA 2007 apply for the purposes of this section as they apply for the purposes of Part 5A of that Act.
- (14) For the purposes of this section—
- “eligible shares” means shares that meet the requirements of section 257CA(2);
 - “new holding” is to be construed in accordance with sections 126, 127, 135 and 136;
 - “ordinary share capital” has the meaning given in section 989 of ITA 2007;

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

“ordinary shares”, in relation to a company, means shares forming part of its ordinary share capital;

“relevant period” means the period found by applying section 257AC(2) of ITA 2007 by reference to the company issuing the shares referred to in subsection (9) and by reference to those shares;

“the SEIS rate” has the meaning given by section 257AB(3) of ITA 2007;

“SEIS relief” means relief under Part 5A of ITA 2007 (seed enterprise investment scheme);

and that Part applies to determine whether SEIS relief is attributable to any shares and, if so, the amount of SEIS relief so attributable.

Seed enterprise investment scheme: reduction of relief

150(F) This section has effect where—

- (a) section 150E(2) applies on a disposal of shares, and
 - (b) before the disposal, value is received in circumstances where SEIS relief attributable to the shares is reduced by an amount under section 257FE(2)(a) of ITA 2007.
- (2) If section 150E(2) applies on the disposal but section 150E(5) does not, section 150E(2) applies only to so much of the gain as remains after deducting so much of it as is found by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount by which the SEIS relief attributable to the shares is reduced as mentioned in subsection (1), and

B is the amount of the relief attributable to the shares.

- (3) If section 150E(2) and (5) apply on the disposal, section 150E(2) applies only to so much of the gain as is found by—
 - (a) taking the part of the gain found under section 150E(5), and
 - (b) deducting from that part so much of it as is found by multiplying it by the fraction mentioned in subsection (2) above.
- (4) Where the SEIS relief attributable to the shares is reduced as mentioned in subsection (1) by more than one amount, “A” in subsection (2) is to be taken to be equal to the aggregate of the amounts.
- (5) The amount which is “B” in subsection (2) is to be found without regard to any reduction mentioned in subsection (1).
- (6) For the purposes of this section, Part 5A of ITA 2007 (seed enterprise investment scheme) applies to determine whether SEIS relief is attributable to any shares and, if so, the amount of SEIS relief so attributable.”

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Seed enterprise investment scheme: re-investment relief

4 After section 150F (inserted by paragraph 3 of this Schedule) insert—

“150G Seed enterprise investment scheme: re-investment

Schedule 5BB to this Act (which provides relief in respect of re-investment under the seed enterprise investment scheme in the tax year 2012-13) has effect.”

5 After Schedule 5B insert—

“SCHEDULE
5BB

SEED ENTERPRISE INVESTMENT SCHEME: RE-INVESTMENT

SEIS re-investment relief

- 1 (1) Sub-paragraph (5) applies where conditions A to C are met in relation to an individual (“the investor”).
- (2) Condition A is that—
- (a) there would (ignoring sub-paragraphs (5) and (6)) be a chargeable gain (“the original gain”) accruing to the investor at any time in the tax year 2012-13, and
 - (b) the original gain is one accruing on the disposal of an asset by the investor at any time (“the disposal time”) in that year.
- (3) Condition B is that—
- (a) the investor is eligible for SEIS relief for the tax year 2012-13 in respect of an amount subscribed for an issue of shares in a company made to the investor in that year,
 - (b) the investor makes a claim for and obtains SEIS relief for that year in respect of all or some of those shares (“the relevant SEIS shares”), and
 - (c) if the relevant SEIS shares, or any corresponding bonus shares in relation to those shares, were issued before the disposal time, they are still held by the investor at the disposal time.
- (4) Condition C is that—
- (a) the investor has made a claim under this paragraph for relief in relation to the original gain, and
 - (b) the claim is in respect of the amount on which SEIS relief is claimed by the investor in respect of the relevant SEIS shares (“the SEIS expenditure”) or part of that amount.
- (5) So much of the SEIS expenditure as—
- (a) is specified in the claim,
 - (b) is unused, and
 - (c) does not exceed so much of the original gain as is unmatched,
- is to be set against a corresponding amount of the original gain.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) Where an amount of the SEIS expenditure is set against the whole or part of the original gain under sub-paragraph (5), so much of that gain as is equal to that amount is to be treated as not being a chargeable gain.
- (7) For the purposes of this paragraph—
- (a) the SEIS expenditure is unused to the extent that it has not already been set under sub-paragraph (5) or paragraph 2(1) of Schedule 5B against the whole or any part of a chargeable gain, and
 - (b) the original gain is unmatched, in relation to the SEIS expenditure, to the extent that it has not had any other expenditure set against it under sub-paragraph (5) or paragraph 2(1) of Schedule 5B.

Restrictions on relief under paragraph 1

- 2 (1) Sub-paragraph (2) applies if the investor's tax reduction under section 257AB of ITA 2007 for the tax year 2012-13 is limited by subsection (2)(b) of that section (calculation of tax reduction where claim made for amounts subscribed for shares which exceed £100,000).
- (2) Paragraph 1(5) to (7) has effect as if references to the SEIS expenditure were references to so much of that expenditure as is given by the formula—

$$\frac{SA}{TSA} \times \pounds 100,000$$

where—

SA means the SEIS expenditure (ignoring this paragraph);

TSA means the total of the amounts subscribed for shares issued in the tax year 2012-13 in respect of which the investor is eligible for and claims SEIS relief for that tax year.

- (3) Sub-paragraph (4) applies if the amount of SEIS relief attributable to any of the relevant SEIS shares has been reduced under Chapter 6 of Part 5A of ITA 2007 before the SEIS relief was obtained (otherwise than by virtue of corresponding bonus shares being issued in respect of those shares).
- (4) Paragraph 1(5) to (7) has effect as if the SEIS expenditure were the amount found by multiplying that expenditure by the fraction—

$$\frac{R1}{R2}$$

where—

“R1” means the amount of SEIS relief attributable to the relevant SEIS shares when the relief is obtained;

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

“R2” means the amount of SEIS relief which would have been so attributable in the absence of the reduction.

- (5) In a case where sub-paragraphs (2) and (4) both apply, sub-paragraph (2) is to be applied before sub-paragraph (4).

Claims

- 3 (1) Section 257EA of ITA 2007 (time for making claims for SEIS relief) applies in relation to a claim made by the investor for the purposes of paragraph 1 in relation to the SEIS expenditure as it applies in relation to a claim for SEIS relief in respect of that expenditure.
- (2) Nothing in paragraph 1(3) prevents a claim being made by the investor under paragraph 1 before SEIS relief has actually been obtained by the investor in relation to the SEIS relief.

Attribution of SEIS re-investment relief to relevant SEIS shares

- 4 (1) References in this Schedule to the SEIS re-investment relief attributable to any shares are to be read as references to the total amount attributed to those shares in accordance with this paragraph.
- (2) Sub-paragraph (3) applies where the whole or part of the SEIS expenditure is set off against a chargeable gain under paragraph 1(5).
- (3) A proportionate part of the expenditure which is so set off is attributed to each of the relevant SEIS shares.
- (4) Sub-paragraph (5) applies if corresponding bonus shares are issued in respect of all or some of the relevant SEIS shares (“the original shares”) to which relief is attributed under this paragraph.
- (5) A proportionate part of the total amount attributed to the original shares immediately before those bonus shares are issued is attributed to each of the shares in the holding comprising the original shares and those bonus shares.

Removal or reduction of the relief

- 5 (1) This paragraph applies where in respect of shares issued to an individual—
- (a) SEIS relief is attributable to the shares,
 - (b) SEIS re-investment relief is also attributable to the shares, and
 - (c) the SEIS relief which is attributable to the shares is withdrawn or reduced under Chapters 6 and 7 of Part 5A of ITA 2007.
- (2) A chargeable gain accrues to the individual in the tax year 2012-13 on a disposal made in that tax year.
- (3) The amount of that gain is—
- (a) in a case where the SEIS relief is withdrawn, the amount of SEIS re-investment relief which is attributable to the shares immediately before the withdrawal, and
 - (b) in a case where the SEIS relief is reduced, the appropriate fraction of that amount.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) In a case where the SEIS re-investment relief is withdrawn, the SEIS re-investment relief ceases to be attributable to the shares.
- (5) In a case where the SEIS relief is reduced, the appropriate fraction of the SEIS re-investment relief ceases to be attributable to the shares.
- (6) “The appropriate fraction” is—

$$\frac{R1 - R2}{R1}$$

where—

“R1” is the total amount of the SEIS relief attributable to those shares immediately before the reduction, and

“R2” is the total amount of the SEIS relief attributable to those shares immediately after the reduction.

Transfers of shares to spouses and civil partners

- 6 (1) This paragraph applies if—
 - (a) shares to which an amount of SEIS relief is attributable were issued to an individual (“A”),
 - (b) A transferred the shares to another individual (“B”) during their lives,
 - (c) A was married to, or was the civil partner of, B at the time of the transfer, and
 - (d) subsection (4) of section 257FA of ITA 2007 (provision about disposals of shares disapplied where disposal between spouses or civil partners) prevented that section applying to the transfer.
- (2) Any chargeable gain which accrues by virtue of paragraph 5(2), as a result of SEIS relief attributable to the shares being withdrawn or reduced after the shares are transferred, is to accrue to B (instead of to A).

Adjustment of capital gains tax liability

- 7 (1) All such adjustments of capital gains tax are to be made, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of relief being obtained, or a gain accruing, under this Schedule.
- (2) In its application to an assessment made by virtue of this paragraph, section 86 of TMA 1970 (interest on overdue capital gains tax) has effect as if the relevant date were 31 January next following the tax year in which the assessment is made.

Interpretation etc

- 8 (1) In this Schedule—

“bonus shares” means shares which are issued otherwise than for payment (whether in cash or otherwise);

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

“corresponding bonus shares”, in relation to any shares (“the original shares”), means bonus shares which are in the same company, of the same class, and carry the same rights as the original shares;

“SEIS relief” has the same meaning as in Part 5A of ITA 2007.

(2) In this Schedule, references (however expressed) to an issue of shares in any company to an individual are to such of the shares in the company as are of the same class and are issued to the individual in one capacity and on the same day.

This is subject to sub-paragraph (3).

(3) If section 257AB(1) and (2) of ITA 2007 applies, in the case of any issue of shares made to an individual, as if part of the issue had been issued in a previous tax year, this Schedule has effect as if that part and the remainder were separate issues of shares (and that part had been issued on a day in the previous tax year).

(4) Part 5A of ITA 2007 applies, for the purposes of this Schedule, to determine whether SEIS relief is attributable to any shares and, if so, the amount of relief so attributable.”

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (10) The reference in subsection (5) to owning ordinary share capital indirectly is to be read in accordance with section 1155 of CTA 2010.
- (11) A company is a “private limited company” if—
 - (a) it is a body corporate whose liability is limited,
 - (b) it is not a limited liability partnership, and
 - (c) none of its shares are listed on a recognised stock exchange.

809VE Commercial trades

- (1) Section 809VD is to be read in accordance with this section.
- (2) A reference to a “trade” also includes—
 - (a) anything that is treated for corporation tax purposes as if it were a trade, and
 - (b) a business carried on for generating income from land (as defined in section 207 of CTA 2009).
- (3) A trade is a “commercial trade” if it is conducted on a commercial basis and with a view to the realisation of profits.
- (4) The carrying on of activities of research and development from which it is intended that a commercial trade will be derived, or will benefit, is to be treated as the carrying on of a commercial trade.
- (5) But preparing to carry on activities within subsection (4) is not to be treated as the carrying on of a commercial trade.

809VF Condition B

- (1) Condition B is that no relevant person has (directly or indirectly) obtained or become entitled to obtain any related benefit, and no relevant person expects to obtain any such benefit.
- (2) A “benefit”—
 - (a) includes the provision of anything that would not be provided to the relevant person in the ordinary course of business, or would be provided but on less favourable terms, but
 - (b) does not include the provision of anything provided to the relevant person in the ordinary course of business and on arm's length terms.
- (3) A benefit is “related” if—
 - (a) it is directly or indirectly attributable to the making of the investment (whether it is obtained before or after the investment is made), or
 - (b) it is reasonable to assume that the benefit would not be available in the absence of the investment.
- (4) For the purposes of subsection (2)—
 - (a) a reference to the provision of anything is to the provision of anything in money or money's worth, including property, capital, goods or services of any kind, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) “provision” includes any arrangement that allows a person to enjoy or benefit from the thing in question (whether temporarily or permanently).

809VG Income or gains treated as remitted following certain events

- (1) Subsection (2) applies if—
- (a) income or chargeable gains are treated under section 809VA(2) as not remitted to the United Kingdom as a result of a qualifying investment,
 - (b) a potentially chargeable event occurs after the investment is made, and
 - (c) the appropriate mitigation steps are not taken within the grace period allowed for each step.
- (2) The affected income or gains are to be treated as having been remitted to the United Kingdom immediately after the end of the relevant grace period.
- (3) Where the step required by section 809VI(2)(a) is not taken within the grace period allowed for that step, “the relevant grace period” is the grace period allowed for that step.
- (4) Otherwise, “the relevant grace period” is the grace period allowed for the step required by section 809VI(1) or (2)(b).
- (5) “The affected income or gains” means such portion of the income or gains mentioned in subsection (1)(a) as reflects the portion of the investment affected by the potentially chargeable event.
- (6) The portion of the investment affected is—
- (a) if the potentially chargeable event is a disposal of a part of the holding (or a part of the remaining holding), a portion equal to the portion of the holding (or remaining holding) being disposed of, and
 - (b) otherwise, the whole of the investment.
- (7) Sections 809VN (order of disposals etc) and 809VO (investments made from mixed funds) make further provision for the purposes of this section.
- (8) If a qualifying investment is made using the money or other property mentioned in section 809VA(3) together with other funds—
- (a) that investment is to be treated as two separate investments, one made using the money or other property mentioned in section 809VA(3) and one made using the other funds, and
 - (b) references in the business investment provisions to “the investment” and “the holding” relate only to the investment made using the money or other property mentioned in section 809VA(3).
- (9) If the potentially chargeable event mentioned in subsection (1)(b) is not the first such event to affect the investment, the income or gains mentioned in subsection (1)(a) do not include, as respects that investment—
- (a) any part already treated under subsection (2) as remitted to the United Kingdom as a result of an earlier event,
 - (b) any part contained in amounts already taken offshore or re-invested by way of appropriate mitigation steps following an earlier event, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) any part contained in amounts already used to make a tax deposit without which an amount mentioned in paragraph (b) would not have been enough to satisfy section 809VI(1) or (2)(b) (see section 809VK).

809VH Meaning of “potentially chargeable event”

- (1) For the purposes of section 809VG, a “potentially chargeable event” occurs if—
 - (a) the target company is for the first time neither an eligible trading company nor an eligible stakeholder company nor an eligible holding company,
 - (b) the relevant person who made the investment (“P”) disposes of all or part of the holding,
 - (c) the extraction of value rule is breached, or
 - (d) the 2-year start-up rule is breached.
- (2) The extraction of value rule is breached if—
 - (a) value (in money or money's worth) is received by or for the benefit of P or another relevant person,
 - (b) the value is received—
 - (i) from an involved company, or
 - (ii) from anyone else but in circumstances that are directly or indirectly attributable to the investment or to any other investment made by a relevant person in an involved company, and
 - (c) the value is received other than by virtue of a disposal that is itself a potentially chargeable event.
- (3) But the extraction of value rule is not breached merely because a relevant person receives value that—
 - (a) is treated for income tax or corporation tax purposes as the receipt of income or would be so treated if that person were liable to such tax, and
 - (b) is paid or provided to the person in the ordinary course of business and on arm's length terms.
- (4) Each of the following is an “involved company”—
 - (a) the target company,
 - (b) if the target company is an eligible stakeholder company, any eligible trading company in which it has made or intends to make an investment,
 - (c) if the target company is an eligible holding company, any eligible trading company that is a 51% subsidiary of it, and
 - (d) any company that is connected with a company within paragraph (a), (b) or (c).
- (5) The 2-year start-up rule is breached if—
 - (a) immediately after the end of the period of 2 years beginning with the day on which the investment was made, the target company is non-operational, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) at any time after the end of that period, the target company becomes non-operational.
- (6) The target company is “non-operational” at any time when—
- (a) it is an eligible trading company but is not trading,
 - (b) it is an eligible stakeholder company but—
 - (i) it holds no investments in eligible trading companies, or
 - (ii) none of the eligible trading companies in which it holds investments is trading, or
 - (c) it is an eligible holding company but—
 - (i) the group of which it is a member is not an eligible trading group, or
 - (ii) none of its 51% subsidiaries in the eligible trading group of which it is a member is an eligible trading company that is trading.
- (7) In subsection (6), “trading” means carrying on one or more commercial trades (including the carrying on of any activities treated under section 809VE(4) as the carrying on of a commercial trade).
- (8) If consideration for a disposal of all or part of the holding is or is to be paid in instalments, the disposal is to be treated for the purposes of this section as if it were separate disposals, one for each instalment (and each giving rise to a separate potentially chargeable event).
- (9) An event listed in subsection (1) does not count as a potentially chargeable event if it is due to an insolvency step taken for genuine commercial reasons (but this does not prevent the extraction of any value in connection with the insolvency step from counting as a potentially chargeable event).
- (10) For the purposes of subsection (9), an insolvency step is taken if—
- (a) the target company enters into administration or receivership or is wound up or dissolved,
 - (b) the target company is an eligible stakeholder company and any eligible trading company in which it holds an investment enters into administration or receivership or is wound up or dissolved,
 - (c) the target company is an eligible holding company and any eligible trading company in the group that is a 51% subsidiary of it enters into administration or receivership or is wound up or dissolved, or
 - (d) a similar step is taken in relation to a company mentioned in paragraph (a), (b) or (c) under the law of a country or territory outside the United Kingdom.

809VI The appropriate mitigation steps

- (1) If the potentially chargeable event is a disposal of all or part of the holding, the appropriate mitigation steps are regarded as taken if the whole of the disposal proceeds have been taken offshore or re-invested.
- (2) For any other case, the appropriate mitigation steps are regarded as taken if—
 - (a) P has disposed of the entire holding (or so much of it as P retains when the potentially chargeable event occurs), and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) the whole of the disposal proceeds have been taken offshore or re-invested.
- (3) But if the disposal proceeds exceed X, subsections (1) and (2)(b) apply only to so much of the proceeds as is equal to X.
- (4) “X” is—
 - (a) the sum originally invested, less
 - (b) so much of that sum as has, on previous occasions involving the same investment—
 - (i) been taken into account in determining the affected income or gains under section 809VG(2),
 - (ii) been taken offshore or re-invested in order to avoid the application of that section, or
 - (iii) been used to make a tax deposit without which the amount actually taken offshore or re-invested would not have been enough to satisfy subsection (1) or (2)(b) (see section 809VK).
- (5) “The sum originally invested” means the amount of the money, or the market value of the other property, used to make the investment.
- (6) Market value is to be assessed for these purposes as at the date of the relevant event (see section 809VA).
- (7) Proceeds are “re-invested” if a relevant person uses them to make another qualifying investment (or the proceeds are themselves a qualifying investment) whether in the same or a different company.
- (8) In cases where a breach of the extraction of value rule occurs in connection with the winding-up or dissolution of the target company—
 - (a) subsection (2)(a) does not apply,
 - (b) the reference in subsection (2)(b) to the disposal proceeds is to the value received, and
 - (c) references in this section and in succeeding provisions of the business investment provisions to the disposal proceeds are to be read as references to the value received.

809VJ The grace period allowed for the appropriate mitigation steps

- (1) The grace period allowed for the step mentioned in section 809VI(2)(a) is the period of 90 days beginning—
 - (a) if the potentially chargeable event is a breach of the extraction of value rule, with the day on which the value is received, and
 - (b) otherwise, with the day on which a relevant person first became aware or ought reasonably to have become aware of the potentially chargeable event.
- (2) The grace period allowed for the step mentioned in section 809VI(1) and (2) (b) is the period of 45 days beginning with the day on which the disposal proceeds first became available for use by or for the benefit of P or any other relevant person.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) An officer of Revenue and Customs may agree in a particular case to extend the grace period allowed for an appropriate mitigation step in exceptional circumstances.
- (4) An officer of Revenue and Customs may agree in a particular case to extend the grace period allowed for an appropriate mitigation step in circumstances specified in regulations made by the Commissioners.
- (5) Regulations under subsection (4) may have effect in relation to investments made before the day on which the regulations are made.
- (6) Nothing in subsection (4) or in regulations made under it limits the power conferred by subsection (3).
- (7) The powers conferred on officers of Revenue and Customs by subsections (3) and (4) include power to agree to extend a grace period for a length of time that is indefinite but is capable of becoming definite by means identified in the agreement (such as the satisfaction of conditions).

809VK Retention of funds to meet CGT liabilities

- (1) This section applies if—
 - (a) there is a disposal of all or part of the holding,
 - (b) the disposal counts as a potentially chargeable event or is part of the appropriate mitigation steps taken in consequence of a potentially chargeable event,
 - (c) a chargeable gain (but not a loss) accrues to P on the disposal,
 - (d) P is chargeable to capital gains tax (but not corporation tax) in respect of that gain, and
 - (e) the actual disposal proceeds are less than Y.
- (2) The difference between the actual disposal proceeds and Y is referred to in this section as “the shortfall”.
- (3) “The actual disposal proceeds” means the disposal proceeds but disregarding section 809Z8(4).
- (4) “Y” is the sum of—
 - (a) the amount (if any) that would, but for this section, be required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b), and
 - (b) the amount found by applying the highest potential CGT rate to the amount (computed in accordance with TCGA 1992) of the chargeable gain accruing to P on the disposal.
- (5) The highest potential CGT rate is—
 - (a) if the chargeable gain accrues to P as the trustees of a settlement or accrues to the personal representatives of P, the rate specified in section 4(3) of TCGA 1992, and
 - (b) otherwise, the rate specified in section 4(4) of that Act (regardless of the rate at which income tax is chargeable in respect of P's income).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) If this section applies, the amount that is required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b) is reduced by the permitted amount.
- (7) “The permitted amount” is so much of the shortfall as is used, within the grace period allowed for taking the disposal proceeds offshore or re-investing them, to make a deposit in respect of which a certificate of tax deposit is issued to P under section 12 of the National Loans Act 1968.
- (8) A reduction may not be made under subsection (6) unless—
 - (a) when details of the deposit are confirmed to Her Majesty's Revenue and Customs, the confirmation letter states that this section is intended to apply to the deposit, and
 - (b) the amount of the deposit is no greater than the shortfall.

809VL Effect of taking appropriate mitigation steps within grace period

- (1) This section explains the effect for the purposes of this Chapter in cases where section 809VG(2) does not apply because the appropriate mitigation steps were taken within the grace period allowed for each step.
- (2) If disposal proceeds were taken offshore as part of those steps, nothing in section 809VA(2) prevents anything subsequently done in relation to those proceeds (or anything deriving from them) from counting as a remittance of the underlying income or gains to the United Kingdom at the time when the thing is subsequently done.
- (3) If disposal proceeds were re-invested as part of those steps—
 - (a) the underlying income or gains continue to be treated under section 809VA(2) as not remitted to the United Kingdom, and
 - (b) the business investment provisions apply to the re-investment as they apply to the original investment.
- (4) In the application of the business investment provisions to the re-investment—
 - (a) treat the potentially chargeable event mentioned in section 809VG(1)(b) as the relevant event,
 - (b) treat the underlying income or gains as the income or gains treated under section 809VA(2) as not remitted to the United Kingdom as a result of the re-investment, and
 - (c) treat the amount used to make the re-investment as the sum originally invested.
- (5) If the re-investment is made using more than the minimum amount of disposal proceeds required to satisfy section 809VI(1) or (2)(b)—
 - (a) that investment is to be treated as two separate investments, one made using the minimum amount of disposal proceeds and one made using the excess, and
 - (b) references in the business investment provisions to “the investment” and “the holding” relate only to the investment made using the minimum amount of disposal proceeds.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) “The underlying income or gains” means the affected income or gains (within the meaning of section 809VG) or, if one part of the disposal proceeds is taken offshore and the other part re-invested, a corresponding proportion of the affected income or gains.
- (7) A further claim must be made in accordance with section 809VA in respect of the re-investment and, if no such claim is made on or before the first anniversary of the 31 January following the tax year in which the re-investment was made, section 809VG(2) applies, as respects the original investment, as if the appropriate mitigation steps had not been taken within the grace period allowed for each step.
- (8) Section 809VM makes further provision in cases involving a tax deposit.

809VM Cases involving tax deposits

- (1) This section applies in cases where—
 - (a) section 809VG(2) did not apply because the appropriate mitigation steps were taken within the grace period allowed for each step,
 - (b) the amount required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b) had been reduced under section 809VK, and
 - (c) but for that reduction, the amount that was actually taken offshore or re-invested would not have been enough to satisfy section 809VI(1) or (2)(b).
- (2) The tax deposit that gave rise to the reduction is referred to in this section as “the tax deposit”.
- (3) Use of the tax deposit to pay the relevant tax liability does not count as remitting the underlying income or gains to the United Kingdom (and, accordingly, section 809VA(2) continues to apply to the income or gains).
- (4) If any of the CTD conditions is breached, the underlying income or gains are to be treated as having been remitted to the United Kingdom immediately after the day on which the breach occurs.
- (5) “The underlying income or gains” means such portion of the affected income or gains (within the meaning of section 809VG) as is—
 - (a) represented by the payment, in the case of subsection (3), or
 - (b) affected by the breach, in the case of subsection (4).
- (6) The CTD conditions are as follows—
 - (a) the tax deposit must not be used to pay a tax liability other than the relevant tax liability,
 - (b) if any of the tax deposit is withdrawn by the depositor, the amount withdrawn must be taken offshore or re-invested within the period of 45 days beginning with the day on which the withdrawal was made, and
 - (c) any part of the tax deposit that has been neither used to pay a tax liability nor withdrawn by the due date must be withdrawn by the depositor and taken offshore or re-invested within the period of 45 days beginning with that date.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) Where the CTD conditions were not breached because the requisite amount was taken offshore or re-invested within the 45-day period mentioned in subsection (6)(b) or (c)—
- (a) section 809VL applies to the amount taken offshore or re-invested as it applies to disposal proceeds, but
 - (b) read the reference in section 809VL(4)(a) to the potentially chargeable event as a reference to—
 - (i) the withdrawal, in a case within subsection (6)(b), and
 - (ii) the due date, in a case within subsection (6)(c).
- (8) For the purposes of this section—
- (a) “the relevant tax liability” means P's liability to capital gains tax for the tax year in which the disposal took place,
 - (b) “the due date” means the date by which the relevant tax liability is required to be paid,
 - (c) “re-invested” has the meaning given in section 809VI(7), and
 - (d) references to withdrawal include repayment for whatever reason.

809VN Order of disposals etc

- (1) Subsection (2) applies if at any time income or chargeable gains of an individual are treated under section 809VA as not remitted to the United Kingdom as a result of—
- (a) more than one qualifying investment made in the same target company,
 - (b) more than one qualifying investment made in companies in the same eligible trading group, or
 - (c) qualifying investments made in an eligible trading company and in an eligible stakeholder company that holds investments in that trading company.
- (2) In the application of section 809VG at that time—
- (a) treat the investments and holdings as if they were a single qualifying investment and a single holding, and
 - (b) assume that a disposal of all or part of that deemed single holding affects the deemed single investment in the order in which the qualifying investments were made (that is to say, on a first in, first out basis).
- (3) Subsection (4) applies if at any time—
- (a) income or chargeable gains of an individual are treated under section 809VA as not remitted to the United Kingdom as a result of one or more qualifying investments,
 - (b) in addition to that investment or those investments, a relevant person holds at least one other investment in the same target company, the same eligible trading group or a related eligible company, and
 - (c) that other investment is not a qualifying investment.
- (4) In the application of section 809VG at that time—
- (a) treat the investments and holdings as if they were a single investment and a single holding, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) assume that a disposal of all or part of that deemed single holding is a disposal of a holding from a qualifying investment until the holdings from all the qualifying investments have been disposed of.
- (5) The reference to a “related eligible company”—
 - (a) in relation to an eligible trading company, is to an eligible stakeholder company that holds investments in that company, and
 - (b) in relation to an eligible stakeholder company, is to an eligible trading company in which that company holds investments.
- (6) Subsections (2) and (4) apply whether the investments in question are held by the same relevant person or different ones.

809VO Investments made from mixed funds

- (1) This section applies if—
 - (a) but for section 809VA(2), income or gains would have been remitted to the United Kingdom by virtue of a relevant event, and
 - (b) section 809Q (transfers from mixed funds) would have applied in determining the amount that would have been so remitted.
- (2) The relevant event counts as an offshore transfer for the purposes of section 809R(4).
- (3) The holding is to be treated as containing a proportion of each kind of income and capital contained in the invested property equal to the fixed proportion.
- (4) “The fixed proportion” is the proportion of that kind of income or capital contained in the invested property by virtue of subsection (2).
- (5) “The invested property” means the money or other property used to make the investment.
- (6) Subsection (7) applies in cases where—
 - (a) section 809VG(2) does not apply because an amount is taken offshore, re-invested or used to make a tax deposit, or
 - (b) section 809VM(4) does not apply because an amount is taken offshore or re-invested.
- (7) The amount taken offshore, re-invested or used to make a tax deposit is treated, immediately after that step, as containing the fixed proportion of each kind of income and capital contained in the holding.
- (8) In cases where section 809VG(2) applies—
 - (a) the affected income or gains are so much of the fixed amount of each kind of income or gain mentioned in subsection (1)(a) as reflects the portion of the investment affected by the potentially chargeable event (see section 809VG(6)),
 - (b) “the fixed amount” is the amount of that kind of income or gain that the holding is treated as containing by virtue of subsection (3), and
 - (c) section 809Q does not apply in determining the affected income or gains.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(9) Section 809R(2) and (3) and section 809S apply for the purposes of this section.”

8 After the sections inserted by paragraph 7 insert the heading “ *Relief for certain UK services* ”.

9 Immediately before section 809X insert the heading “*Exempt property relief*”.

Formerly exempt property used to make investment

10 In section 809Y (property that ceases to be exempt property treated as remitted), after subsection (5) insert—

“(6) Subsection (1) does not apply to property that ceases to be exempt property if—

- (a) the property, or anything into which it is converted, is used by a relevant person to make a qualifying investment within the period of 45 days beginning with the day on which it ceased to be exempt property, and
- (b) the remittance basis user makes a claim for relief under this subsection on or before the first anniversary of the 31 January following the tax year in which the property ceases to be exempt property.

(7) The reference in subsection (6)(a) to anything into which property is converted is—

- (a) if the property is disposed of, the disposal proceeds, and
- (b) if the property is converted into money in some other way, the money into which it is converted,

(including where the disposal or conversion occurs after the property ceases to be exempt property).

(8) If subsection (1) does not apply by virtue of subsection (6)—

- (a) the property (or thing into which it was converted) used to make the investment is to be treated as containing or deriving from an amount of each kind of income and gain mentioned in section 809Q(4)(a) to (h) equal to the fixed amount,
- (b) the income or gains treated under section 809X as not remitted to the United Kingdom continue to be treated as not remitted to the United Kingdom even though the property has ceased to be exempt property, and
- (c) the business investment provisions apply to the income and gains as they apply to income or gains treated under section 809VA(2) as not remitted to the United Kingdom.

(9) “The fixed amount” is the amount of that kind of income or gain contained in the property when it was brought to, or received or used in, the United Kingdom (as mentioned in section 809X).

(10) If the investment is made using more than just the property (or thing into which it was converted), treat only the part made using the property (or thing into which it was converted) as “the investment” for the purposes of the business investment provisions.”

- 11 In section 809Z2 (personal use rule), in subsection (2), omit paragraph (a) (including the word “and” at the end of it).
- 12 In section 809Z4 (temporary importation rule), in subsection (3)—
- (a) omit “or” at the end of paragraph (b),
 - (b) insert “ or ” at the end of paragraph (c), and
 - (c) after that paragraph insert—
 - “(d) all or any part of the income or chargeable gains contained in the property (or from which the property derives) is treated, or continues to be treated, under section 809VA(2), 809Y(8)(b) or 809YC(2) as not remitted to the United Kingdom.”

Interpretation provisions

- 13 In section 809M (meaning of “relevant person”), in subsection (1), for “sections 809L, 809N and 809O” substitute “ this Chapter ”.
- 14 In section 809Z7 (interpretation of Chapter), omit subsection (7).
- 15 For the heading of that section substitute “ **Meaning of “foreign income and gains” etc** ”.
- 16 After that section insert—

“809Z8 Meaning of “the disposal proceeds”

- (1) In this Chapter, in relation to a sale or other disposal, “the disposal proceeds” means—
 - (a) the consideration for the disposal, less
 - (b) any agency fees that are deducted before the consideration is paid or otherwise made available to or for the benefit of the person making the disposal (“the transferor”) or any other relevant person.
- (2) The following rules apply in determining the consideration for the disposal.
- (3) If the consideration is provided in the form of anything other than money, the amount of the consideration is the market value of the thing at the time of the disposal.
- (4) If the disposal is made other than by way of a bargain made at arm's length, the disposal is deemed to be made for a consideration equal to the market value, immediately before the disposal, of the thing being disposed of.
- (5) Without limiting the generality of subsection (4), a disposal made to another relevant person or to a person connected with a relevant person is treated in all cases as made other than by way of a bargain at arm's length.
- (6) In subsection (1), “agency fees” means fees and other incidental costs of the disposal that are charged to the transferor by any person by or through whom the disposal is effected, but excluding any such fees or costs that—
 - (a) are charged to the transferor by another relevant person, or
 - (b) are to be passed on to or otherwise applied for the benefit of a relevant person.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) The exclusion mentioned in subsection (6) does not apply to the extent that the fees or costs—
- (a) relate to a service actually provided by the relevant person to the transferor in connection with effecting the disposal, and
 - (b) do not exceed the amount that would be charged for that service if it were provided in the ordinary course of business and on arm's length terms.

809Z9 Taking proceeds etc offshore or investing them

- (1) This section applies to a provision of this Chapter that is satisfied if something (for example, disposal proceeds) is taken offshore or used by a relevant person to make a qualifying investment.
- (2) Things are to be regarded as “taken offshore” if (and only if) they are taken outside the United Kingdom such that, on leaving the United Kingdom, they cease to be available—
- (a) to be used or enjoyed in the United Kingdom by or for the benefit of a relevant person, or
 - (b) to be used or enjoyed in any other way that would count as remitting income or gains to the United Kingdom.
- (3) If—
- (a) the thing required to be taken offshore or invested is money, and
 - (b) it is paid temporarily into an account pending satisfaction of the provision,
- the provision is satisfied only if the money actually taken offshore or invested is taken from the same account.
- (4) If the thing required to be taken offshore or invested is something in money's worth, the provision may be satisfied—
- (a) by taking the thing offshore or investing it, or
 - (b) by taking offshore or investing money or other property of the equivalent value.
- (5) “The equivalent value” is the market value of the thing in money's worth, assessed as at the date of the sale or other disposal in relation to which the provision is triggered.
- (6) If the consideration for a disposal is deemed under section 809Z8(4), the provision may be satisfied by taking offshore or investing money or other property of a value equal to—
- (a) the amount of the deemed consideration, less
 - (b) any agency fees (within the meaning of section 809Z8) that are deducted before the actual consideration is paid or otherwise made available to or for the benefit of a relevant person.
- (7) Subsections (4)(b) and (6) do not apply in the case of other property of the equivalent value if the other property is—
- (a) exempt property under section 809X,
 - (b) consideration for the disposal of any such exempt property, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) consideration for the disposal of all or part of the holding (see section 809VC) relating to a qualifying investment.
- (8) Money or other property taken offshore or invested in accordance with subsection (4)(b) or (6) is to be treated for the purposes of this Chapter—
 - (a) as deriving from the thing required to be taken offshore or invested, and
 - (b) as having the same composition of kinds of income and capital as that thing.
- (9) A provision to which this section applies may be satisfied—
 - (a) by taking the whole thing offshore or investing the whole thing, or
 - (b) by taking one part offshore and investing the other part.
- (10) References in this section to something being “invested” are to something being used by a relevant person to make a qualifying investment.
- (11) The provisions to which this section applies include section 809VB(2) but in that case—
 - (a) disregard references in this section to investment, and
 - (b) the assessment date for the purposes of subsection (5) is the date of the relevant event (see section 809VA(3)(b)).

809Z10 General interpretation

In this Chapter—

“the business investment provisions” means sections 809VA to 809VO;

“the Commissioners” means the Commissioners for Her Majesty’s Revenue and Customs;

“market value” has the same meaning as in TCGA 1992 (see in particular sections 272 and 273 of that Act);

“qualifying investment” has the meaning given by section 809VC (and references to making a qualifying investment are to be read in accordance with that section);

“relevant person” has the meaning given by section 809M;

“the remittance basis user”, in relation to income or chargeable gains of an individual, means that individual.”

Application of Part 2

- 17 The amendments made by this Part of this Schedule have effect where the relevant event (as defined in section 809VA of ITA 2007) or the ceasing to be exempt property (as defined in section 809Y of that Act) occurs on or after 6 April 2012.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

PART 3

SALES OF EXEMPT PROPERTY

Relief from deemed remittance rule

18 After section 809Y of ITA 2007 (property that ceases to be exempt property treated as remitted) insert—

“809YA Exception to section 809Y: proceeds taken offshore or invested

- (1) Section 809Y(1) does not apply to property if—
 - (a) it ceases to be exempt property because the whole of it is sold whilst it is in the United Kingdom, and
 - (b) conditions A to F are met.
- (2) Condition A is that the sale is to a person other than a relevant person.
- (3) Condition B is that the sale is by way of a bargain made at arm's length.
- (4) Condition C is that, once the sale is completed, no relevant person—
 - (a) has any interest in the property,
 - (b) is able or entitled to benefit from the property by virtue of any interest, right or arrangement, or
 - (c) has any right (whether conditional or unconditional) to acquire any interest mentioned in paragraph (a) or ability or entitlement mentioned in paragraph (b).
- (5) Condition D is that the whole of the disposal proceeds are released (whether in one go or in instalments) on or before the final deadline.
- (6) “The final deadline” is the first anniversary of the 5 January following the tax year in which the property ceases to be exempt property (within the meaning of section 809Y).
- (7) Condition E is that—
 - (a) the whole of the disposal proceeds are taken offshore or used by a relevant person to make a qualifying investment within the period of 45 days beginning with the day on which the proceeds are released, or
 - (b) if the disposal proceeds are paid in instalments, each instalment is taken offshore or used by a relevant person to make a qualifying investment within the period of 45 days beginning with the day on which the instalment is released.
- (8) But if any of the disposal proceeds are released in the period of 45 days ending with the final deadline, Condition E is satisfied, as respects those proceeds, only if they are taken offshore or used by a relevant person to make a qualifying investment on or before the final deadline.
- (9) Condition F is that, if Condition E is satisfied wholly or in part by using disposal proceeds to make a qualifying investment, the remittance basis user makes a claim for relief under section 809YC(2) on or before the first

anniversary of the 31 January following the tax year in which the property is sold.

- (10) For the purposes of this section, proceeds or instalments are “released” on the day on which they first become available for use by or for the benefit of any relevant person.
- (11) This section does not apply if the sale is made as part of or as a result of a scheme or arrangement the main purpose or one of the main purposes of which is the avoidance of tax.

809YB Condition E: supplementary

- (1) An officer of Revenue and Customs may agree in a particular case to extend any period within which disposal proceeds (or instalments) must be taken offshore or used by a relevant person to make a qualifying investment in order to satisfy Condition E.
- (2) The power to agree to an extension is exercisable only in exceptional circumstances and only if the remittance basis user requests such an extension.

809YC Effect of disappling section 809Y

- (1) This section has effect if section 809Y(1) does not apply to property by virtue of section 809YA.
- (2) The income and gains treated under section 809X as not remitted to the United Kingdom continue to be treated after the sale as not remitted to the United Kingdom even though the property has ceased to be exempt property.
- (3) But nothing in subsection (2) prevents anything done in relation to any part of the disposal proceeds after that part is taken offshore (or used to make a qualifying investment) from counting as a remittance of the underlying income or gains to the United Kingdom at the time when the thing is done.
- (4) Treat the disposal proceeds as containing or deriving from an amount of each kind of income and gain mentioned in section 809Q(4)(a) to (h) equal to the amount of that kind of income or gain contained in the exempt property when it was brought to, or received or used in, the United Kingdom (as mentioned in section 809X).
- (5) Where Condition E was met by using the disposal proceeds to make a qualifying investment—
 - (a) the business investment provisions apply to the income and gains that continue, by virtue of subsection (2), to be treated as not remitted as they apply to income or gains that are treated under section 809VA(2) as not remitted, and
 - (b) if the investment was made using more than just the disposal proceeds, treat only the part of the investment made using the disposal proceeds as “the investment” for the purposes of those provisions.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

809YD Chargeable gains accruing on sales of exempt property

- (1) This section applies to an individual (“P”) if—
 - (a) a chargeable gain (but not a loss) accrues to a person on a sale of exempt property,
 - (b) but for section 809YA, section 809Y(1) would have applied to the property by virtue of the sale, and
 - (c) P is either—
 - (i) the person to whom the gain accrues, or
 - (ii) a person to whom a part of the gain is treated as accruing under section 13 of TCGA 1992 (members of non-resident companies).
- (2) The relevant UK gain is to be treated for the purposes of this Chapter as if—
 - (a) it were a foreign chargeable gain of P, and
 - (b) in the case of section 809E, it were not part of P's UK income and gains.
- (3) Accordingly, if section 809F applies to P for the applicable tax year and P is not domiciled in the United Kingdom in that year, the relevant UK gain is charged in accordance with section 12 of TCGA 1992 as if it were a foreign chargeable gain.
- (4) The relevant UK gain is—
 - (a) in a case falling within subsection (1)(c)(i), the gain accruing to P,
 - (b) in a case falling within subsection (1)(c)(ii), the part of the gain treated as accruing to P.
- (5) The applicable tax year is —
 - (a) if section 10A of TCGA 1992 (temporary non-residents) applies in P's case and the relevant UK gain is within subsection (2) of that section, the year of return as defined in that section,
 - (b) otherwise, the tax year in which the relevant UK gain accrues.
- (6) In applying this Chapter to the relevant UK gain—
 - (a) treat the amount of any gains mentioned in section 809Q(4)(e) contained in the disposal proceeds by virtue of section 809YC(4) as increased by the amount of the relevant UK gain,
 - (b) disregard section 809U, and
 - (c) anything done in relation to any part of the disposal proceeds before the part is taken offshore or used to make a qualifying investment (or both) does not count as a remittance to the United Kingdom of any of the relevant UK gain.
- (7) The relevant UK gain is to be treated for the purposes of the following provisions of TCGA 1992 as if it fell within the definition of foreign chargeable gains in section 12(4) of that Act—
 - (a) section 10A,
 - (b) section 12,
 - (c) section 14A, and
 - (d) sections 16ZB to 16ZD.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (8) This section has effect despite section 14A(2) of TCGA 1992.
- (9) This section does not apply with respect to a chargeable gain if P gives notice to Her Majesty's Revenue and Customs under this subsection.
- (10) A notice under subsection (9)—
 - (a) must be in writing and must identify the gain in question,
 - (b) must be given on or before the first anniversary of the 31 January following the applicable tax year, and
 - (c) may not be revoked after that first anniversary.”

Application of Part 3

- 19 The amendment made by this Part of this Schedule has effect in relation to exempt property that is sold on or after 6 April 2012 (including property sold pursuant to a contract entered into before that date so long as the contract only becomes unconditional on or after that date).

PART 4

NOMINATED INCOME

Disapplication of ordering rules

- 20 (1) Section 809I of ITA 2007 (remittance basis charge: income and gains treated as remitted) is amended as follows.
- (2) In subsection (1)—
 - (a) omit “and” at the end of paragraph (a), and
 - (b) at the end of paragraph (b) insert “, and
 - (c) the £10 test is met for that year.”
 - (3) In subsection (3), after “earlier tax year” insert “ (each such year for which the individual has made a nomination under that section being referred to as a “nomination year”) ”.
 - (4) After subsection (4) insert—
 - “(5) The £10 test is met for the tax year mentioned in subsection (1)(a) (“year X”) if, taking each nomination year separately, the cumulative total as respects at least one nomination year exceeds £10.
 - (6) In relation to a nomination year—
 - (a) “the cumulative total” means the sum, for all the tax years in aggregate up to and including year X, of the amounts of relevant income and gains remitted to the United Kingdom in those tax years from that nomination year, and
 - (b) “relevant income and gains” means the income and chargeable gains nominated by the individual under section 809C for that nomination year.”

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Application of Part 4

- 21 The amendments made by this Part of this Schedule have effect for determining whether section 809I of ITA 2007 applies for the tax year 2012-13 or any subsequent tax year.

SCHEDULE 13

Section 48

EMPLOYER ASSET-BACKED PENSION CONTRIBUTIONS ETC

PART 1

DENIAL OF RELIEF FOR CONTRIBUTIONS PAID DURING PERIOD 29 NOVEMBER 2011 TO 21 FEBRUARY 2012

- 1 In Chapter 4 of Part 4 of FA 2004 (registered pension schemes: tax reliefs and exemptions) after section 196A insert—

“196B Employer asset-backed contributions: denial of relief (1)

- (1) An employer (“E”) is not to be given relief in respect of a contribution (“E’s contribution”) paid by E under a registered pension scheme if conditions A, B and C are met.
- (2) Condition A is that—
- (a) under an arrangement (“the asset-backed arrangement”)—
 - (i) a person (“the borrower”) receives money or another asset (“the advance”) from another person (“the lender”),
 - (ii) the borrower, or a person connected with the borrower, makes a disposal of an asset (“the security”) to or for the benefit of the lender or a person connected with the lender, and
 - (iii) the lender, or a person connected with the lender, is entitled to payments in respect of the security,
 - (b) the borrower is E or a person connected with E, and
 - (c) the advance is (wholly or partly) paid or provided by the lender out of E’s contribution (directly or indirectly),
- and the case is not one in relation to which either condition A in section 196C or condition A in section 196D is met.
- (3) For the purposes of subsection (2)(a)(iii) it does not matter if an entitlement of the lender, or a person connected with the lender, is subject to any condition.
- (4) Condition B is that the asset-backed arrangement is not a structured finance arrangement.
- (5) Condition C is that it is reasonable to suppose that the amount of one or more of the payments mentioned in subsection (2)(a)(iii) has been, or is to be, determined (wholly or partly) on the basis that, in essence, the whole or a

part of the advance represents a loan which is (wholly or partly) to be repaid by way of one or more of those payments.

- (6) For the purposes of subsection (5) it does not matter—
- (a) that the repayment of the loan might be subject to any condition, or
 - (b) that the accounts of any person do not record a financial liability in respect of the whole or a part of the advance or that the whole or a part of the advance is not otherwise treated as representing a loan for the purposes of the accounts of any person,
- but, subject to that, all relevant circumstances are to be taken into account in order to get to the essence of the matter.
- (7) For the purposes of this section—
- (a) the borrower and the lender are not connected with one another if that would otherwise be the case,
 - (b) if the borrower is not E, references to a person connected with the borrower include a person connected with E who would not otherwise be connected with the borrower, and
 - (c) “loan” includes any advance of money.

196C Employer asset-backed contributions: denial of relief (2)

- (1) An employer (“E”) is not to be given relief in respect of a contribution (“E’s contribution”) paid by E under a registered pension scheme if conditions A and B are met.
- (2) Condition A is that—

 - (b) the transferor is E or a person connected with E,
 - (c) the transferor, or a person connected with the transferor, is a member of the partnership immediately after the disposal (whether or not a member immediately before it),
 - (d) under the asset-backed arrangement the partnership receives money or another asset (“the advance”) from a person (“the lender”) other than the transferor,
 - (e) the advance is (wholly or partly) paid or provided by the lender out of E’s contribution (directly or indirectly),
 - (f) there is a relevant change in relation to the partnership (see section 196E), and
 - (g) under the asset-backed arrangement the share in the partnership’s profits of the person involved in the relevant change (see section 196E) is determined by reference (wholly or partly) to payments in respect of the security.
- (3) If the transferor is not E, for the purposes of this section references to a person connected with the transferor include a person connected with E who would not otherwise be connected with the transferor.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) For the purposes of subsection (2)(g) it does not matter if any determination of the share in the partnership's profits of the person involved in the relevant change as mentioned is subject to any condition.
- (5) Condition B is that the asset-backed arrangement is not a structured finance arrangement.

196D Employer asset-backed contributions: denial of relief (3)

- (1) An employer (“E”) is not to be given relief in respect of a contribution (“E's contribution”) paid by E under a registered pension scheme if conditions A and B are met.
- (2) Condition A is that—
 - (a) a partnership holds an asset (“the security”) at any time before an arrangement (“the asset-backed arrangement”) is made,
 - (b) under the asset-backed arrangement the partnership receives money or another asset (“the advance”) from another person (“the lender”),
 - (c) the advance is (wholly or partly) paid or provided by the lender out of E's contribution (directly or indirectly),
 - (d) there is a relevant change in relation to the partnership (see section 196E), and
 - (e) under the asset-backed arrangement the share in the partnership's profits of the person involved in the relevant change (see section 196E) is determined by reference (wholly or partly) to payments in respect of the security.
- (3) For the purposes of subsection (2)(e) it does not matter if any determination of the share in the partnership's profits of the person involved in the relevant change as mentioned is subject to any condition.
- (4) Condition B is that the asset-backed arrangement is not a structured finance arrangement.

196E What is a “relevant change in relation to the partnership” etc?

- (1) For the purposes of sections 196C and 196D there is a relevant change in relation to the partnership if condition X or Y is met.
- (2) Condition X is that, in connection with the asset-backed arrangement, the lender or a person connected with the lender becomes a member of the partnership at any time.
- (3) Condition Y is that—
 - (a) in connection with the asset-backed arrangement, there is at any time a change in a member's share in the partnership's profits, and
 - (b) the member is the lender or a person connected with the lender or a person who in connection with the asset-backed arrangement becomes at any time connected with the lender.
- (4) For the purposes of subsections (2) and (3) an event occurs in connection with the asset-backed arrangement if it occurs directly or indirectly in consequence of it or otherwise in connection with it.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (5) For the purposes of sections 196C and 196D references to the person involved in the relevant change are—
- (a) if it is condition X that is met, to the lender or the person connected with the lender (as the case may be), and
 - (b) if it is condition Y that is met, to the member of the partnership in whose share in the partnership's profits there is a change.

196F Employer asset-backed contributions: anti-avoidance

- (1) This section applies if—
- (a) an employer (“E”) pays a contribution (“E’s contribution”) under a registered pension scheme,
 - (b) conditions A and C in section 196B are met or condition A in section 196C or 196D is met,
 - (c) the asset-backed arrangement is a structured finance arrangement and, accordingly, condition B in section 196B, 196C or 196D (as the case may be) is not met,
 - (d) at any time (“the relevant time”) E, or a person connected with E, enters into an arrangement (“the avoidance arrangement”), and
 - (e) the main purpose, or one of the main purposes, of E or the person connected with E in entering into the avoidance arrangement is to secure that the total amount of the relevant payments will be less than the amount of E’s contribution.
- (2) If the relevant time is the same as the time at which the advance is received or earlier, section 196B, 196C or 196D (as the case may be) applies in relation to E’s contribution as if condition B in that section were met.
- (3) Otherwise, the amount of the relevant financial liability as at the relevant time is treated as follows as relevant—
- (a) for corporation tax purposes, the amount is treated as if it were a profit which E has in respect of E’s loan relationships chargeable to corporation tax under section 299 of CTA 2009 for E’s accounting period in which the relevant time falls, or
 - (b) for income tax purposes, the amount is treated as if it were an amount of income of E chargeable to income tax under Chapter 8 of Part 5 of ITTOIA 2005 for the tax year in which the relevant time falls.
- (4) The amount treated as profit or income by subsection (3)(a) or (b) is not to exceed the total amount of relief given in respect of E’s contribution.
- (5) For the purposes of this section—
- (a) “the advance” and “the asset-backed arrangement” have the same meaning as in section 196B, 196C or 196D (as the case may be),
 - (b) “the relevant financial liability” means the financial liability mentioned in section 809BZA(3), 809BZF(3) or 809BZJ(3) of ITA 2007 or section 758(3), 763(3) or 767(3) of CTA 2010 (as the case may be) in respect of the advance,
 - (c) “the relevant payments” means the payments which reduce that liability as so mentioned, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (d) the amount of the relevant financial liability as at the relevant time is to be determined in accordance with generally accepted accounting practice.

196G Employer asset-backed contributions: reduction of financial liability under structured finance arrangement

- (1) This section applies if—
 - (a) an employer (“E”) pays a contribution (“E’s contribution”) under a registered pension scheme,
 - (b) conditions A and C in section 196B are met or condition A in section 196C or 196D is met,
 - (c) the asset-backed arrangement is a structured finance arrangement and, accordingly, condition B in section 196B, 196C or 196D (as the case may be) is not met, and
 - (d) there occurs an event (“the relevant event”)—
 - (i) which is not the making of a relevant payment, but
 - (ii) by virtue of which, in accordance with generally accepted accounting practice, the amount of the relevant financial liability is reduced to nil or in part.
- (2) If the relevant financial liability is reduced to nil, Chapter 5B of Part 13 of ITA 2007 or Chapter 2 of Part 16 of CTA 2010 (as the case may be) is no longer to apply in relation to the asset-backed arrangement from when the relevant event occurs.
- (3) But no person is, by virtue of subsection (2), to be placed in a position which is more advantageous than the position in which the person would have been had this section never applied; and, in order to give effect to this principle, such assessments to tax or adjustments to any assessment to tax as are just and reasonable are to be made.
- (4) In any case, the amount of the reduction of the relevant financial liability mentioned in subsection (1)(d) is treated as follows as relevant—
 - (a) for corporation tax purposes, the amount is treated as if it were a profit which E has in respect of E’s loan relationships chargeable to corporation tax under section 299 of CTA 2009 for E’s accounting period in which the relevant event occurs, or
 - (b) for income tax purposes, the amount is treated as if it were an amount of income of E chargeable to income tax under Chapter 8 of Part 5 of ITTOIA 2005 for the tax year in which the relevant event occurs.
- (5) The amount treated as profit or income by subsection (4)(a) or (b) is not to exceed the total amount of relief given in respect of E’s contribution.
- (6) For the purposes of this section—
 - (a) “the advance” and “the asset-backed arrangement” have the same meaning as in section 196B, 196C or 196D (as the case may be),
 - (b) “the relevant financial liability” means the financial liability mentioned in section 809BZA(3), 809BZF(3) or 809BZJ(3) of ITA 2007 or section 758(3), 763(3) or 767(3) of CTA 2010 (as the case may be) in respect of the advance,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) “relevant payment” means a payment which reduces that liability as so mentioned, and
- (d) the amount of the relevant financial liability before its reduction by virtue of the relevant event and the amount of the reduction are to be determined in accordance with generally accepted accounting practice.

196H Employer asset-backed contributions: extension of section 196G

- (1) This section applies if—
 - (a) an employer (“E”) pays a contribution (“E’s contribution”) under a registered pension scheme,
 - (b) conditions A and C in section 196B are met or condition A in section 196C or 196D is met,
 - (c) the asset-backed arrangement is a structured finance arrangement and, accordingly, condition B in section 196B, 196C or 196D (as the case may be) is not met, and
 - (d) after the beginning of 21 March 2012, an event (“the relevant event”) listed in subsection (4) occurs.
- (2) Section 196G applies as if the relevant event were an event (other than the making of a relevant payment) by virtue of which, in accordance with generally accepted accounting practice, the amount of the relevant financial liability is reduced to nil.
- (3) For this purpose, in section 196G(4) references to E’s accounting period, or the tax year, in which the relevant event occurs are to be read as references to E’s accounting period, or the tax year, in which falls the time immediately before the occurrence of the relevant event.
- (4) The events are—

 - (i) a person (“the borrower”) receives money or another asset (“the advance”) from another person (“the lender”),
 - (ii) the borrower, or a person connected with the borrower, makes a disposal of an asset (“the security”) to or for the benefit of the lender or a person connected with the lender, and

and the case is not one in relation to which either condition A in section 196D or condition A in section 196F is met.
- (3) For the purposes of subsection (2)(a)(iii) it does not matter if an entitlement of the lender, or a person connected with the lender, is subject to any condition.
- (4) Condition B is that the asset-backed arrangement is not an acceptable structured finance arrangement (see section 196C).
- (5) Condition C is that it is reasonable to suppose that the amount of one or more of the payments mentioned in subsection (2)(a)(iii) has been, or is to be, determined (wholly or partly) on the basis that, in essence, the whole or a part of the advance represents a loan which is (wholly or partly) to be repaid by way of one or more of those payments.
- (6) For the purposes of subsection (5) it does not matter—
 - (a) that the repayment of the loan might be subject to any condition, or
 - (b) that the accounts of any person do not record a financial liability in respect of the whole or a part of the advance or that the whole or a part of the advance is not otherwise treated as representing a loan for the purposes of the accounts of any person,but, subject to that, all relevant circumstances are to be taken into account in order to get to the essence of the matter.
- (7) For the purposes of this section—
 - (a) the borrower and the lender are not connected with one another if that would otherwise be the case,
 - (b) if the borrower is not E, references to a person connected with the borrower include a person connected with E who would not otherwise be connected with the borrower, and
 - (c) “loan” includes any advance of money.

 - (a) in accordance with generally accepted accounting practice, the borrower's accounts for the period in which the advance is received record a financial liability (“the recorded financial liability”) in respect of the advance, and
 - (b) the asset-backed arrangement is a type 1 finance arrangement for the purposes of Chapter 5B of Part 13 of ITA 2007 or Chapter 2 of Part 16 of CTA 2010 (finance arrangements).

- (b) the advance is money which is paid by the lender directly to the borrower wholly and directly out of E's contribution, and
 - (c) the advance and the recorded financial liability (as originally recorded) are both of an amount equal to the amount of E's contribution.
- (4) Condition O is that, as at the time the advance is paid, the position of the lender is as follows—
- (a) it is the lender (and not any person connected with the lender) who is entitled to the payments mentioned in section 196B(2)(a)(iii),
 - (b) those payments are to arise at times which have been fixed and fall at intervals of no more than one year (but allowing for payments otherwise due to arise on a non-working day to arise on the next working day),
 - (c) the lender is to receive each payment no later than 3 months after the day on which the payment arises (but allowing for payments otherwise due to be received on a non-working day to be received on the next working day),
 - (d) on receipt by the lender, each payment is directly to become part of the sums held for the purposes of the registered pension scheme,
 - (e) the payments are all to be of the same amount,
 - (f) the total amount of the payments is not to be less than the amount of E's contribution, and

- (5) For the purposes of subsection (4)(b) the first payment is to arise no later than one year after the day on which the advance is paid.
- (6) For the purposes of subsection (4)(e) the following are to be ignored—
- (a) negligible differences in the amounts of payments;
 - (b) differences in the amounts of payments which would be caused by a term of the asset-backed arrangement that requires the amounts of all outstanding payments to be increased periodically by a percentage which cannot be higher than the highest of the following—
 - (i) the percentage increase in the consumer prices index for the reference period, being a period determined, in relation to each periodic increase, under the term of the asset-backed arrangement in question;
 - (ii) the percentage increase in the retail prices index for the reference period;
 - (iii) the percentage for the reference period which corresponds to 5% per annum.
- (7) For the purposes of subsection (4), in determining the lender's position, regard must be had (in particular) to any arrangements connected (directly or indirectly) to the asset-backed arrangement.

SCHEDULE 14

Section 49

GIFTS TO THE NATION

PART 1

INTRODUCTION

Qualifying gifts

- 1 (1) For the purposes of this Schedule, a person makes a “qualifying gift” if the person makes a gift in the circumstances described in sub-paragraph (2).
- (2) The circumstances are—
- (a) the person offers to give pre-eminent property to be held for the benefit of the public or the nation,
 - (b) the person is legally and beneficially entitled to the property and the property is not owned jointly (or in common) with others,
 - (c) the offer is made in accordance with a scheme set up by the Secretary of State for the purposes of this Schedule,
 - (d) the offer is registered in accordance with the scheme,
 - (e) the offer, or a part of the offer, is accepted in accordance with the scheme, and
 - (f) the gift is made pursuant to the offer, or the part of the offer, accepted.
- (3) In this Schedule—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) “the agreed terms” means the terms on which acceptance is agreed, as recorded in the manner prescribed by the scheme, and
- (b) “the offer registration date” means the date when the offer was registered in accordance with the scheme.

PART 2

INCOME TAX AND CAPITAL GAINS TAX

Taxes affected

- 2 (1) This Part applies to an individual's liability to income tax and capital gains tax.
- (2) It does not apply to any liability arising as a trustee or personal representative.
- (3) Subject to sub-paragraph (2)—
 - (a) a reference in this Part to an individual's “tax liability” is to the individual's liability to income tax and capital gains tax, and
 - (b) references to an amount of or on account of “tax” are to be read accordingly.

The basic rule

- 3 (1) If an individual (“N”) makes a qualifying gift, a portion of N's tax liability for each relevant tax year is to be treated as satisfied, as if N had paid that portion when it became due (or on the offer registration date, if the portion became due before that date).
- (2) A “relevant tax year” is a tax year identified in the agreed terms as a tax year to which this paragraph is to apply.
- (3) Up to 5 tax years may be identified in the agreed terms, but each one must be either—
 - (a) the tax year in which the offer registration date falls, or
 - (b) one of the 4 tax years following that tax year.

The portion treated as satisfied

- 4 (1) The portion of N's tax liability for a relevant tax year that is to be treated as satisfied is an amount equal to the smaller of—
 - (a) the tax reduction figure allocated to that tax year, and
 - (b) the amount of N's tax liability for that tax year less any portion of that amount that is treated as satisfied in consequence of any qualifying gift made by N on a previous occasion.
- (2) The amount determined under sub-paragraph (1) may be nil.
- (3) The tax reduction figure allocated to a tax year is such part of the total tax reduction figure as is expressed in the agreed terms to be allocated to that tax year.
- (4) The figures allocated to the relevant tax years must in total add up to no more than the total tax reduction figure.
- (5) “The total tax reduction figure” is 30% of the value set out in the agreed terms as the agreed value of the property forming the subject of the qualifying gift.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) The Treasury may by order substitute a different percentage for the percentage specified for the time being in sub-paragraph (5).

Order in which benefit is applied

- 5 (1) If the tax reduction figure allocated to a relevant tax year is less than the amount determined under paragraph 4(1)(b) for that tax year, the benefit of paragraph 3(1) is to be applied to N's tax liability in the order specified in the agreed terms.
- (2) If no order is specified, the order is—
- (a) first, to N's liability to income tax for that year, and
 - (b) then, to N's liability to capital gains tax for that year.

Effect of basic rule on interest and penalties

- 6 (1) This paragraph explains the effect of paragraph 3(1) as regards late payment interest and late payment penalties.
- (2) The effect is that liability to pay amounts specified in sub-paragraph (3) ceases when the qualifying gift is made, as if the liability had never arisen.
- (3) The amounts are—
- (a) any late payment interest that accrued on the relevant portion during the negotiation period, and
 - (b) any late payment penalty to which N became liable in the negotiation period for failing to pay the relevant portion (together with any interest on such a penalty).
- (4) “The relevant portion” is the portion of N's tax liability for a relevant tax year that is treated under paragraph 3 as satisfied.
- (5) In determining for the purposes of sub-paragraph (2) whether or to what extent—
- (a) late payment interest accruing on an amount of or on account of N's tax liability for the relevant tax year is attributable to the relevant portion, or
 - (b) a late payment penalty incurred for failing to pay an amount of or on account of N's tax liability for the relevant tax year is attributable to the relevant portion,
- any attribution or apportionment is to be done in the way that maximises the relief obtained by N by virtue of this paragraph.
- (6) “The negotiation period” is the period—
- (a) beginning with the offer registration date, and
 - (b) ending with the day on which the qualifying gift is made.
- (7) Nothing in this paragraph affects any late payment interest that accrued, or any late payment penalty to which N became liable, before the offer registration date.

Changes to N's tax liability

- 7 (1) If the amount of N's tax liability for a relevant tax year is revised at any time, the portion of that liability that is treated under paragraph 3(1) as satisfied is to be re-calculated.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) But nothing in this paragraph permits any revision of the agreed terms.

Gifts set aside etc

- 8 If a qualifying gift is set aside or declared void after it is made—
- (a) the portion of N's tax liability for each relevant tax year that is treated as satisfied ceases to be treated as satisfied,
 - (b) the effect described in paragraph 6 is negated, and
 - (c) N is required to pay the portion due for each relevant tax year, together with any late payment interest and late payment penalties in respect of it, by the later of—
 - (i) the end of the period of 30 days beginning with the day on which the gift was set aside or declared void, and
 - (ii) the day by which N would have been required to pay those amounts but for this Schedule.

Suspension pending negotiations

- 9 (1) An individual who makes an offer in the circumstances described in paragraph 1 (a “potential donor”) may make a request under this paragraph if—
- (a) the offer is registered in accordance with the scheme,
 - (b) the offer includes a proposal (“the donor proposal”) of what should be in the agreed terms,
 - (c) the potential donor will be required to pay an amount of or on account of tax for a relevant tax year by a certain date, and
 - (d) the negotiations are not expected to conclude before that date (referred to as “the due date”).
- (2) For the purposes of this paragraph, the negotiations “conclude” when—
- (a) a qualifying gift is made pursuant to the offer,
 - (b) the offer is withdrawn by the potential donor, or
 - (c) the offer is rejected.
- (3) A request under this paragraph is a request that the potential donor's obligation to pay the amount by the due date be suspended until the negotiations conclude.
- (4) But the running total of amounts for which suspension may be requested under this paragraph in respect of the same offer and the same relevant tax year must not exceed the proposed tax reduction figure for that tax year.
- (5) “The proposed tax reduction figure” for a tax year is the amount shown in the donor proposal as the proposed tax reduction figure for that year.
- (6) A request under this paragraph—
- (a) must be made in writing to HMRC at least 45 days before the due date, and
 - (b) must be accompanied by a copy of the donor proposal and such other information as an officer of Revenue and Customs may reasonably require.
- (7) In considering whether or to what extent to agree to a request, HMRC must have regard to all the circumstances of the case (including, for example, the creditworthiness of the potential donor).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (8) HMRC may impose conditions with respect to the suspension.
- 10 (1) Suspension under paragraph 9 of a potential donor's obligation to pay an amount of or on account of tax stops the donor from becoming liable to late payment penalties for or in connection with the failure to pay that amount by the due date.
- (2) But it does not stop late payment interest from accruing on that amount from the due date.
- (3) HMRC may by notice in writing to the potential donor withdraw its agreement to the suspension with effect from such date, before conclusion of the negotiations, as may be specified in the notice.
- (4) If it does so, the potential donor must pay the amount, together with any late payment interest that has accrued on it since the due date, by the end of the period of 30 days beginning with the date specified in the notice.
- (5) The last day of that 30-day period is to be treated for the purposes of any enactment relating to late payment penalties as the date on or before which the amount must be paid.
- (6) Paragraph 11 explains what happens once the negotiations conclude (depending on the outcome of the negotiations).

Conclusion of negotiations

- 11 (1) This paragraph applies if a potential donor's obligation to pay an amount of or on account of tax remains suspended under paragraph 9 when the negotiations conclude (within the meaning of that paragraph).
- (2) The potential donor must pay the amount, together with any late payment interest that has accrued on it since the due date, within the period of 30 days beginning with the day on which the negotiations concluded.
- (3) The last day of that 30-day period is to be treated for the purposes of any enactment relating to late payment penalties as the date on or before which the amount must be paid.
- (4) But if the negotiations conclude because a qualifying gift is made pursuant to the offer or a part of the offer—
- (a) sub-paragraph (2) is to be read subject to paragraph 3(1) (and its effect as described in paragraph 6), and
 - (b) accordingly, the potential donor is only required to pay so much as is not treated as satisfied under paragraph 3(1).
- (5) If the negotiations conclude in relation to a part only of the offer—
- (a) this paragraph is to be given effect as far as reasonably practicable in relation to that part, and
 - (b) on receipt of a revised copy of the donor proposal, HMRC may give effect to paragraph 9 in relation to the part of the offer that remains under negotiation.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

PART 3

CORPORATION TAX

Taxes affected

- 12 (1) This Part applies to a company's liability to corporation tax.
- (2) A reference in this Part to a company's "tax liability" is to the company's liability to corporation tax.
- (3) References to an amount of or on account of "tax" are to be read accordingly.

The basic rule

- 13 (1) If a company ("C") makes a qualifying gift, a portion of C's tax liability for the relevant accounting period is to be treated as satisfied, as if C had paid that portion when it became due (or on the offer registration date, if the portion became due before that date).
- (2) "The relevant accounting period" is the accounting period of C's in which the offer registration date falls.

The portion treated as satisfied

- 14 (1) The portion of C's tax liability for the relevant accounting period that is to be treated as satisfied is an amount equal to the smaller of—
- (a) the tax reduction figure, and
 - (b) the amount of C's tax liability for that period less any portion of that amount that is treated as satisfied in consequence of any qualifying gift made by C on a previous occasion.
- (2) The amount determined under sub-paragraph (1) may be nil.
- (3) The tax reduction figure is—
- (a) 20% of the value set out in the agreed terms as the agreed value of the property forming the subject of the qualifying gift, or
 - (b) such lower figure as may be specified in the agreed terms as the tax reduction figure.
- (4) The Treasury may by order substitute a different percentage for the percentage specified for the time being in sub-paragraph (3)(a).

Effect of basic rule on interest and penalties

- 15 (1) This paragraph explains the effect of paragraph 13 as regards late payment interest and late payment penalties.
- (2) The effect is that liability to pay amounts specified in sub-paragraph (3) ceases when the qualifying gift is made, as if the liability had never arisen.
- (3) The amounts are—
- (a) any late payment interest that accrued on the relevant portion during the negotiation period, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) any late payment penalty to which C became liable in the negotiation period for failing to pay the relevant portion (together with any interest on such a penalty).
- (4) “The relevant portion” is the portion of C's tax liability for the relevant accounting period that is treated under paragraph 13 as satisfied.
- (5) In determining for the purposes of sub-paragraph (2) whether or to what extent—
- (a) late payment interest accruing on an amount of or on account of C's tax liability for the relevant accounting period is attributable to the relevant portion, or
 - (b) a late payment penalty incurred for failing to pay an amount of or on account of C's tax liability for the relevant accounting period is attributable to the relevant portion,
- any attribution or apportionment is to be done in the way that maximises the relief obtained by C by virtue of this paragraph.
- (6) “The negotiation period” is the period—
- (a) beginning with the offer registration date, and
 - (b) ending with the day on which the qualifying gift is made.
- (7) Nothing in this paragraph affects any late payment interest that accrued, or any late payment penalty to which C became liable, before the offer registration date.

Changes to C's tax liability

- 16 (1) If the amount of C's tax liability for the relevant accounting period is revised at any time, the portion of that liability that is treated under paragraph 13 as satisfied is to be re-calculated.
- (2) But nothing in this paragraph permits any revision of the agreed terms.

Gifts set aside etc

- 17 If a qualifying gift is set aside or declared void after it is made—
- (a) the portion of C's tax liability for the relevant accounting period treated as satisfied ceases to be treated as satisfied,
 - (b) the effect described in paragraph 15 is negated, and
 - (c) C is required to pay the portion due, together with any late payment interest and late payment penalties in respect of it, by the later of—
 - (i) the end of the period of 30 days beginning with the day on which the gift was set aside or declared void, and
 - (ii) the day by which C would have been required to pay those amounts but for this Schedule.

Suspension pending negotiations

- 18 (1) A company that makes an offer in the circumstances described in paragraph 1 (a “potential donor”) may make a request under this paragraph if—
- (a) the offer is registered in accordance with the scheme,
 - (b) the offer includes a proposal (“the donor proposal”) of what should be in the agreed terms,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) the potential donor will be required to pay an amount of or on account of tax for the relevant accounting period by a certain date, and
 - (d) the negotiations are not expected to conclude before that date (referred to as “the due date”).
- (2) For the purposes of this paragraph, the negotiations “conclude” when—
 - (a) a qualifying gift is made pursuant to the offer,
 - (b) the offer is withdrawn by the potential donor, or
 - (c) the offer is rejected.
- (3) A request under this paragraph is a request that the potential donor's obligation to pay the amount by the due date be suspended until the negotiations conclude.
- (4) But the running total of amounts for which suspension may be requested under this paragraph in respect of the same offer must not exceed the proposed tax reduction figure.
- (5) “The proposed tax reduction figure” is the amount shown in the donor proposal as the proposed tax reduction figure.
- (6) A request under this paragraph—
 - (a) must be made in writing to HMRC at least 45 days before the due date, and
 - (b) must be accompanied by a copy of the donor proposal and such other information as an officer of Revenue and Customs may reasonably require.
- (7) In considering whether or to what extent to agree to a request, HMRC must have regard to all the circumstances of the case (including, for example, the creditworthiness of the potential donor).
- (8) HMRC may impose conditions with respect to the suspension.
- 19 (1) Suspension under paragraph 18 of a potential donor's obligation to pay an amount of or on account of tax stops the donor from becoming liable to late payment penalties for or in connection with the failure to pay that amount by the due date.
- (2) But it does not stop late payment interest from accruing on that amount from the due date.
- (3) HMRC may by notice in writing to the potential donor withdraw its agreement to the suspension with effect from such date, before conclusion of the negotiations, as may be specified in the notice.
- (4) If it does so, the potential donor must pay the amount, together with any late payment interest that has accrued on it since the due date, by the end of the period of 30 days beginning with the date specified in the notice.
- (5) The last day of that 30-day period is to be treated for the purposes of any enactment relating to late payment penalties as the date on or before which the amount must be paid.
- (6) Paragraph 20 explains what happens once the negotiations conclude (depending on the outcome of the negotiations).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Conclusion of negotiations

- 20 (1) This paragraph applies if a potential donor's obligation to pay an amount of or on account of tax remains suspended under paragraph 18 when the negotiations conclude (within the meaning of that paragraph).
- (2) The potential donor must pay the amount, together with any late payment interest that has accrued on it since the due date, within the period of 30 days beginning with the day on which the negotiations concluded.
- (3) The last day of that 30-day period is to be treated for the purposes of any enactment relating to late payment penalties as the date on or before which the amount must be paid.
- (4) But if the negotiations conclude because a qualifying gift is made pursuant to the offer or a part of the offer—
- (a) sub-paragraph (2) is to be read subject to paragraph 13 (and its effect as described in paragraph 15), and
 - (b) accordingly, the potential donor is only required to pay so much as is not treated as satisfied under paragraph 13.
- (5) If the negotiations conclude in relation to a part only of the offer—
- (a) this paragraph is to be given effect as far as reasonably practicable in relation to that part, and
 - (b) on receipt of a revised copy of the donor proposal, HMRC may give effect to paragraph 18 in relation to the part of the offer that remains under negotiation.

Section 147

PART 2: TRANSITIONAL PROVISION

PART 1

DEEMED RECEIPTS OR EXPENSES

General outline of the provision of this Part of this Schedule

- 1 (1) This Part of this Schedule makes provision, by reference to the 2012 balance sheet and the 2012 periodical return of an insurance company (see paragraphs 2 to 4), for deeming amounts to be receipts or expenses of basic life assurance and general annuity business, or non-BLAGAB long-term business, carried on by the company (see paragraphs 9(1) and (2) and 10(1) and (2)).
- (2) Those amounts are determined in accordance with provision made by or under paragraphs 5 to 8.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) The deeming is to have effect for the purpose of calculating the BLAGAB trade profit or loss or (as the case may be) for the purpose of calculating for corporation tax purposes the profits of the non-BLAGAB long-term business (see paragraphs 9(3) and 10(3)).
- (4) The general rule is that, subject to exceptions, the receipts or expenses are treated as arising over a 10-year period (see paragraphs 11 to 15).
- (5) Special provision is made in relation to the operation of sections 83YC to 83YF of FA 1989 (see paragraph 16).
- (6) Anti-avoidance provision is made by paragraphs 17 to 19.
- (7) Provision in relation to overseas life insurance companies is made by paragraph 20.

Basic concepts

- 2 In this Part of this Schedule—
 - “the 2012 balance sheet”, in relation to an insurance company, means—
 - (a) an actual balance sheet of the company drawn up as at the end of 31 December 2012 in accordance with generally accepted accounting practice, or
 - (b) a deemed balance sheet of the company under paragraph 3, and
 - “the 2012 periodical return”, in relation to an insurance company, means—
 - (a) an actual periodical return of the company covering a period ending immediately before 1 January 2013, or
 - (b) a deemed periodical return of the company under paragraph 4.
- 3 (1) This paragraph applies if an insurance company does not have a balance sheet drawn up as at the end of 31 December 2012 in accordance with generally accepted accounting practice.
 - (2) For the purposes of this Part of this Schedule the company is deemed to have drawn up a balance sheet as at the end of 31 December 2012 in accordance with generally accepted accounting practice.
 - (3) For the purposes of this Part of this Schedule the entries shown in this deemed balance sheet are deemed to be those entries which would have been shown in an actual balance sheet of the company drawn up as mentioned in sub-paragraph (1).
 - (4) The generally accepted accounting practice that is to be applicable for the purposes of sub-paragraphs (2) and (3) is the practice that is actually adopted for the accounts of the company drawn up for the period in which 31 December 2012 falls.
- 4 (1) This paragraph applies if an insurance company does not have a periodical return covering a period ending immediately before 1 January 2013.
 - (2) For corporation tax purposes the company is deemed to have a periodical return covering the period—
 - (a) beginning immediately after the last period ending before 1 January 2013 that is covered by a periodical return of the company, and
 - (b) ending immediately before 1 January 2013.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) This deemed periodical return is deemed to contain such entries as would be included in an actual periodical return of the company covering the period beginning and ending as mentioned in sub-paragraph (2)(a) and (b).
- (4) For corporation tax purposes the period beginning and ending as mentioned in sub-paragraph (2)(a) and (b) is deemed to be a period of account of the company.

The comparison etc

- 5 (1) In the case of an insurance company, a comparison must be made between—
 - (a) the amount attributed to shareholders as at 31 December 2012 (see sub-paragraphs (2) to (4)), and
 - (b) the cumulative taxed surplus as at 31 December 2012 (see sub-paragraph (5) and (6)).
- (2) The amount attributed to shareholders as at 31 December 2012 is—
 - (a) the amount shown in line 75 of Form 14 of the 2012 periodical return in respect of the whole of the company's long-term business, less
 - (b) the amount (if any) shown in the 2012 balance sheet of the company in respect of the fund for future appropriations or unallocated divisible surplus.
- (3) In prescribed cases the amount attributed to shareholders as at 31 December 2012 is to be found by making prescribed adjustments to the amount found by sub-paragraph (2)(a) and (b).
- (4) In sub-paragraph (3) “prescribed” means prescribed, or of a description prescribed, by regulations made by the Treasury.

The regulations may be made so as to have effect in relation to any period beginning before but ending on or after the day on which the regulations are made (as well as in relation to periods no part of which falls before that day).
- (5) The cumulative taxed surplus as at 31 December 2012 is found by adding together the amounts (if any) found by the following paragraphs—
 - (a) the amount shown in line 13 of Form 14 of the 2012 periodical return in respect of the whole of the company's long-term business but excluding the amount representing any undistributed demutualisation surplus of the company for the period of account ending immediately before 1 January 2013, and
 - (b) the total amount brought into account for any period of account of the company as a result of section 83YA(3) of FA 1989 less the total amount brought into account for any period of account as a result of section 83YA(4) of FA 1989 (changes in value of assets brought into account: non-profit companies).
- (6) In sub-paragraph (5)(a) “undistributed demutualisation surplus” means the undistributed demutualisation surplus of the company for the period of account in question for the purposes of section 444AF of ICTA.
- (7) The difference between the amount attributed to shareholders as at 31 December 2012 and the cumulative taxed surplus as at 31 December 2012 is referred to in this Part of this Schedule as “the total transitional difference”.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (9) If the cumulative taxed surplus as at 31 December 2012 exceeds the amount attributed to shareholders as at 31 December 2012, the total transitional difference is a negative figure.
- 6 (1) The insurance company—
- (a) must, by comparing amounts shown in the 2012 periodical return with amounts shown in the 2012 balance sheet, determine the particular items that, when taken together, result in the total transitional difference, and
 - (b) must allocate a positive or negative amount to each of those items.
- (2) The positive or negative amounts allocated to those items in accordance with this paragraph must, when added together, equal the total transitional difference.
- (3) The Treasury may make regulations prescribing—
- (a) the way in which the comparison or determination under sub-paragraph (1) (a) must be done, and
 - (b) the method for making the allocation under sub-paragraph (1)(b).
- (4) The provision that may be made by regulations under sub-paragraph (3)(a) includes provision prescribing descriptions of amounts which are, or are not, to be compared with each other.
- 7 (1) Each of the items determined in accordance with paragraph 6(1)(a) is a “relevant computational item” for the purposes of this Part of this Schedule except in so far as it consists of an excluded item.
- (2) An item is “an excluded item” in so far as it—
- (a) represents an amount forming part of the company's deferred acquisition costs which is included in its 2012 balance sheet and which has been taken into account in calculating its life assurance trade profits,
 - (b) represents an amount which is included in the company's 2012 balance sheet as an asset in respect of the value of future profits arising from a business (or part of a business) transferred to the company (but excluding an asset so far as it is regarded for accounting purposes as internally-generated),
 - (c) represents an outstanding contingent loan or an outstanding re-insurance amount,
 - (d) represents an asset to which Part 8 of CTA 2009 (intangible fixed assets) applies for an accounting period of the company beginning on or after 1 January 2013, or
 - (e) falls within a description of item excluded for the purposes of this paragraph by regulations made by the Treasury.
- (3) In sub-paragraph (2)(c) “outstanding contingent loan” means the total amount of the credits brought into account by the company as part of total income—

- (a) for the period of account ending immediately before 1 January 2013, or
 - (b) for any earlier period of account,
- in respect of the re-insurance of relevant liabilities (within the meaning of section 83YC of FA 1989) to the extent that they have not ceased to be re-insured before that date.

- (a) in calculating the BLAGAB trade profit or loss of any basic life assurance and general annuity business, or
 - (b) in calculating for corporation tax purposes the profits of non-BLAGAB long-term business,
- in so far as the amount consists of an excluded item as a result of falling within sub-paragraph (2)(a) to (d) or, in a case where the regulations provide for the application of this sub-paragraph, within sub-paragraph (2)(e).
- 8 (1) Each relevant computational item must be apportioned between—
- (a) any basic life assurance and general annuity business carried on by the company as at 31 December 2012,
 - (b) any gross roll-up business carried on by the company as at that date, and
 - (c) any PHI business carried on by the company as at that date.
- (2) The Treasury may make regulations for apportioning for the purposes of this Part of this Schedule relevant computational items between those businesses (including provision for the whole amount of a relevant computational item to be apportioned to one of those businesses).
- (3) A relevant computational item (or a part of a relevant computational item) allocated in accordance with this paragraph to the company's basic life assurance and general annuity business or gross roll-up business is dealt with in accordance with paragraph 9 or 10.
- (4) But a relevant computational item (or a part of a relevant computational item) allocated in accordance with this paragraph to the company's PHI business is ignored in the application of the remaining provisions of this Part of this Schedule.

- (3) This paragraph does not apply to a receipt which consists of a relevant court-protected item within the meaning of paragraph 12.
- (4) This paragraph is subject to paragraphs 13 to 15 (transfers and cessation of business etc).
- 12 (1) For the purposes of this paragraph a “relevant court-protected item” means a relevant computational item that relates to an excess of assets over liabilities held in a non-profit fund in respect of which an order made by a court is in force preventing the distribution of the excess (in any circumstances whatever) before the end of a period specified in the order.
- (2) A receipt within paragraph 9 or 10 consisting of a relevant court-protected item is to be treated as arising over the period of 10 years beginning with the relevant day.
- (3) The relevant day is whichever of the following days occurs first—
- (a) the day on which the court order ceases to be in force, or
 - (b) 1 January 2015.

- (4) The amount of the receipt apportioned to (and treated as arising in) any accounting period falling wholly or partly in that 10-year period is to be determined in proportion to the number of days of the accounting period falling within that 10-year period.
- (5) This paragraph is subject to paragraphs 13 to 15 (transfers and cessation of business etc).
- 13 (1) This paragraph applies if—
- (a) under an insurance business transfer scheme, there is a transfer from one insurance company to another of basic life assurance and general annuity business (or any part of that business) or non-BLAGAB long-term business (or any part of that business),
 - (b) the transfer is a relevant intra-group transfer, and
 - (c) the transfer occurs at a time when the full amount of the receipts or expenses within paragraph 9 or 10 of the business the whole or part of which is transferred has not been treated as arising.
- (2) A transfer is a “relevant intra-group transfer” for the purposes of this paragraph if—
- (a) the transferor and the transferee are members of the same group of companies when the transfer occurs (as determined in accordance with section 170(2) to (11) of TCGA 1992), and
 - (b) the transferee is within the charge to corporation tax in relation to the transfer.
- (3) The receipts or expenses are to continue to be dealt with in accordance with the provisions of this Schedule, but are treated as arising to the transferee over so much of the 10-year period in question as falls on or after the date on which the transfer takes place.
- (4) If only part of a business is transferred—
- (a) the appropriate [^{F74}amount] of the receipts or expenses is treated as arising to the transferee over so much of the 10-year period in question as falls on or after the date on which the transfer takes place, and
 - (b) the remainder of the receipts or expenses is treated as arising to the transferor over so much of that period.
- [^{F75}(5) In sub-paragraph (4)(a), “the appropriate amount” means the amount which fairly represents the value of the receipts or expenses attributable to the part of the business transferred immediately before the transfer.]
- (6) For the purposes of this paragraph and paragraphs 11 and 12 the accounting periods of the transferor and the transferee in which the transfer takes place are deemed to end immediately before the transfer takes place.

 - (b) it is not amongst C's business or other commercial purposes.
- (3) If a tax advantage connected to the operation of the transitional rules arises to C, an officer of Revenue and Customs may make such adjustments as are required to negate the tax advantage so far as referable to the unallowable purpose on a just and reasonable apportionment.

PART 2

SPECIFIC TRANSITIONAL PROVISIONS

Insurance company with BLAGAB consisting wholly of protection business

- 21 (1) This paragraph applies if—
- (a) in its first accounting period to which this Part applies an insurance company carries on business which, under the old law, would have been basic life assurance and general annuity business,
 - (b) the business in question consists wholly of the effecting or carrying out of contracts of long-term insurance in relation to which the condition in section 62(2)(a) is met, and
 - (c) some or all of the contracts are made before 1 January 2013.
- (2) On or before the filing date for that accounting period, the company may make an election for the contracts made before that date to be treated for the purposes of section 62 as if they were made on or after that date.
- (3) Accordingly, no relief is available for any amount that, but for the election, would have constituted excess BLAGAB expenses for that accounting period.
- (4) The election has effect for the first accounting period of the company to which this Part applies and all subsequent accounting periods.
- (5) The election is irrevocable.
- (6) In this paragraph—
- “the filing date”, in relation to an accounting period of an insurance company, means the date which, for the purposes of paragraph 14 of Schedule 18 to FA 1998, is the filing date for the company's tax return for that period, and
- “the old law” means the law as it had effect immediately before the day on which this Act is passed.

Disregard of amounts previously taken into account for tax purposes

- 22 (1) This paragraph applies if, for an accounting period ending before 1 January 2013, an amount is taken into account in calculating the profits of an insurance company arising from life assurance business in accordance with the provisions applicable for the purposes of the taxation of such profits under section 35 of CTA 2009 (charge on trade profits).
- (2) For any accounting period beginning on or after 1 January 2013—
- (a) the amount is not to be taken into account in calculating the BLAGAB trade profit or loss of any basic life assurance and general annuity business carried on by the company, and
 - (b) the amount is not to be taken into account in calculating for corporation tax purposes the profits of any non-BLAGAB long-term business carried on by the company.
- [^{F78}(3) If the business mentioned in sub-paragraph (1) (or any part of that business) is transferred under an insurance business transfer scheme to another insurance company—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) references in sub-paragraph (2) to the company include the transferee, and
- (b) references in sub-paragraph (2) to the amount include an amount that derives from the amount mentioned in sub-paragraph (1) and include so much of an amount as is taken into account in any calculation required under section 129(6)(a) or (b) and as is referable to the amount mentioned in sub-paragraph (1) (and, accordingly, section 129(7) is subject to the operation of this paragraph.)]

Textual Amendments

F78 Sch. 17 para. 22(3) inserted (30.9.2013) by [The Insurance Companies \(Amendment to Schedule 17 to the Finance Act 2012 \(Transitional Provision\)\) Regulations 2013 \(S.I. 2013/2244\)](#), regs. 1(1), **2(2)** (with reg. 1(2))

- 23 For the purposes of section 76 an expense is to be treated as deductible under another relevant rule so far as it was brought into account at Step 1 in section 76(7) of ICTA as an expense referable to an accounting period ending before 1 January 2013.

Intangible fixed assets

- 24 (1) This paragraph applies to assets—
- (a) which, under the old law, were assets excluded from Part 8 of CTA 2009 (intangible fixed assets), and
 - (b) which, as a result of provision made by this Part of this Act, become assets which are not excluded from Part 8 of that Act.
- (2) Any expenditure incurred before 1 January 2013 on an asset to which this paragraph applies is to be left out of account in determining any amount to be brought into account under Part 8 of CTA 2009.
- (3) Section 780 of CTA 2009 (company ceasing to be member of group: deemed realisation and re-acquisition at market value) is not to apply in relation to any asset to which this paragraph applies.
- (4) For the purposes of this paragraph references to an asset's exclusion from Part 8 of CTA 2009 includes its exclusion from that Part except as respects royalties.
- (5) In this paragraph “the old law” means the law as it had effect immediately before the day on which this Act is passed.

Assets held for purposes of long-term business

- 25 (1) The rules in sections 116 to 118 apply in relation to anything occurring on or after 1 January 2013 (and the rules in section 440 of ICTA, including as modified, apply in relation to anything occurring before that date).
- (2) Accordingly, the replacement of the rules in section 440 of ICTA with the different rules in sections 116 to 118 is not by itself sufficient to give rise to a deemed disposal and re-acquisition for the purposes of corporation tax on chargeable gains.
- 26 (1) The rules in sections 119 to 121 apply in relation to securities held on or after 1 January 2013 (and the rules in section 440A of ICTA, including as modified, apply in relation to securities held before that date).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) The replacement of the separate holdings given by section 440A of ICTA (including as modified) with the separate holdings given by sections 119 to 121 is, for the purposes of corporation tax on chargeable gains, not to be treated as involving a disposal or acquisition that gives rise to a chargeable gain or allowable loss.
- (3) But see paragraph 27 for provision for carrying forward the base cost of the old holdings into the base cost of the new holdings.
- 27 (1) This paragraph applies if—
- (a) immediately before 1 January 2013 securities are treated, as a result of section 440A of ICTA (including as modified), as separate holdings of a company for the purposes of corporation tax, and
 - (b) the securities that are comprised in those separate holdings (the “old holdings”) are, as at 1 January 2013, comprised in separate holdings of the company as determined by the rules in sections 119 to 121 (the “new holdings”).
- (2) Each new holding is treated for the purposes of corporation tax on chargeable gains as if it were a holding of the company with a base cost and an indexation allowance as at 1 January 2013 equal to the total of the base costs and indexation allowances of the old holdings that are carried into the new holding.
- (3) In the case of securities (“new securities”) comprised in a new holding, the amount of the base cost or indexation allowance of an old holding that is carried into the new holding is equal to the proportion which the new securities derived from the old holding bear to all of the securities comprised in the old holding.
- (4) For the purpose of calculating the indexation allowance of a new holding in respect of any period falling on or after 1 January 2013, it is to be assumed that, on that date, there had been a disposal of the holding for a consideration of such amount as would secure that on the disposal neither a gain nor a loss would accrue to the company.
- (5) For the purposes of this paragraph—
- (a) references to a base cost are—
 - (i) in the case of a section 104 holding, references to the amount of qualifying expenditure within the meaning of section 110 of TCGA 1992, and
 - (ii) in the case of a 1982 holding, references to the amount of expenditure that would fall to be deducted if the holding were disposed of,
 - (b) references to an indexation allowance are—
 - (i) in the case of a section 104 holding, references to the indexation allowance as found in accordance with section 110 of TCGA 1992, and
 - (ii) in the case of a 1982 holding, references to the indexation allowance within the meaning of Chapter 4 of Part 2 of that Act,
 - (c) the base cost and the indexation allowance of an old holding are calculated on the assumption that the holding is disposed of immediately before 1 January 2013,
 - (d) “section 104 holding” has the same meaning as in section 104(3) of TCGA 1992, and
 - (e) “1982 holding” has the same meaning as in section 109 of that Act.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- 28 (1) This paragraph applies in a case where—
- (a) section 210B(2) to (4) of TCGA 1992 would, but for this Part of this Act, have applied in relation to a disposal and acquisition of section 440A securities, and
 - (b) the identification in accordance with those subsections of the section 440A securities disposed of with the section 440A securities acquired would have involved—
 - (i) identifying securities disposed of before 1 January 2013 with securities acquired on or after that date, or
 - (ii) identifying securities acquired before 1 January 2013 with securities disposed of on or after that date.
- (2) The securities disposed of are to be identified with the securities acquired (if necessary applying the rules in section 210B(3) and (4) of TCGA 1992 and subject to section 105(1) of that Act), and—
- (a) in a case within sub-paragraph (1)(b)(i), the securities acquired are not therefore to be comprised in a separate holding of securities within any of sections 119 to 121 of this Act, and
 - (b) in a case within sub-paragraph (1)(b)(ii), the securities acquired are not therefore to be regarded as comprised in a separate holding of securities within section 440A of ICTA (including as applied).
- (3) In this paragraph “section 440A securities” has the same meaning as in section 210B of TCGA 1992.

Carry-forward of trading losses and excess management expenses

- 29 (1) Any unused losses arising to an insurance company in an accounting period ending before 1 January 2013 from gross roll-up business may be relieved in subsequent accounting periods in accordance with section 45 of CTA 2010 (carry forward of trade loss against subsequent trade profits) as if they were losses that had arisen from non-BLAGAB long-term business.
- (2) For this purpose a loss is “unused” so far as no relief has been given for it under—
- (a) section 436A of ICTA (including as applied by any provision of Part 2 of Schedule 7 to FA 2007), or
 - (b) any other provision of the Corporation Tax Acts.
- 30 (1) Any unused losses arising to an insurance company in an accounting period ending before 1 January 2013 from PHI business may be relieved in subsequent accounting periods in accordance with section 45 of CTA 2010 as if they were losses that had arisen from non-BLAGAB long-term business.
- (2) For this purpose a loss is “unused” so far as, but for this Part of this Act, it would have been available for carry forward under section 45 of CTA 2010 for use in relation to profits of the PHI business for subsequent accounting periods.
- 31 (1) The appropriate part of any unused life assurance trade losses arising to an insurance company in an accounting period ending before 1 January 2013 is to be treated for the purposes of section 124 as if it were the unrelieved loss available for relief in subsequent accounting periods in accordance with that section.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) A “life assurance trade loss” means a loss arising to an insurance company from life assurance business which is calculated in accordance with the life assurance trade profits provisions.
- (3) A life assurance trade loss is “unused” so far as no relief is given for it under—
- (a) section 85A or 89 of FA 1989, or
 - (b) any other provision of the Corporation Tax Acts.
- (4) The “appropriate” part of any unused life assurance trade losses is the amount (if any) by which—
- (a) the amount of the unused life assurance trade losses, exceeds
 - (b) the amount of unused losses arising to an insurance company in an accounting period ending before 1 January 2013 from gross roll-up business (with the definition of “unused” in paragraph 29(2) applying here).
- 32 (1) This paragraph applies if, but for this Part of this Act, an amount would have been carried forward to an accounting period of an insurance company under section 76(12) or (13) of ICTA (expenses of insurance companies).
- (2) The amount is to be treated for the purposes of step 5 of section 76 as an expense from a previous accounting period carried forward as a result of section 73 to the accounting period of the company beginning on 1 January 2013.
- 33 (1) This paragraph applies if, but for this Part of this Act, any amount of expenses would, as a result of section 86(8) and (9) of FA 1989 (relief for fraction of acquisition expenses for earlier accounting periods), have been relieved in an accounting period of an insurance company beginning on or after 1 January 2013.
- (2) Relief is to continue to be given for the expenses in question as follows—
- (a) the amount of the relief for each accounting period is to be determined in accordance with section 86(8) and (9) of FA 1989 (despite their repeal by this Part of this Act), and
 - (b) the relief is to be given by treating the amount of the expenses as deemed BLAGAB management expenses for the accounting periods in question for the purposes of section 76.
- (3) But relief is not to be given as a result of sub-paragraph (2) for any expenses for any accounting period (“the period concerned”) if the expenses are reversed in the period concerned or any preceding accounting period.

Relief for BLAGAB trade losses for accounting period beginning on or after 1 January 2013

- 34 (1) This paragraph applies if—
- (a) an insurance company carries on basic life assurance and general annuity business in an accounting period beginning on or after 1 January 2013, and
 - (b) the company has a BLAGAB trade loss for the accounting period.
- (2) For the purposes of section 37(6) of CTA 2010 (as applied by section 123) the company is to be treated as carrying on that business in a previous accounting period if the company carried on life assurance business in that period.

- (2) Where—
- (a) company A transfers all of its basic life assurance and general annuity business and non-BLAGAB business to another company (“company B”), and
 - (b) the transfer is a relevant intra-group transfer,
- for the purposes of this Part the assets form part of the long-term business fixed capital of company B instead of company A.
- (3) “Relevant intra-group transfer” has the same meaning for the purposes of this paragraph as it has for the purposes of paragraph 13.]

- (2) Section 371BC applies in relation to a CFC's accounting period if (and only if)—
 - (a) the CFC has chargeable profits for the accounting period, and
 - (b) none of the exemptions set out in Chapters 10 to 14 applies for the accounting period.
 - (3) A CFC's chargeable profits for an accounting period are its assumed taxable total profits for the accounting period determined on the basis—
 - (a) that the CFC's assumed total profits for the accounting period are limited to only so much of those profits as pass through the CFC charge gateway, and
 - (b) that amounts are to be relieved against the assumed total profits at step 2 in section 4(2) of CTA 2010 only so far as it is just and reasonable for them to be so relieved having regard to paragraph (a).
 - (4) “The CFC charge gateway” is explained in section 371BB.
 - (5) Subsection (3) is subject to section 371SB(7) and (8) (which relates to settlement income included in a CFC's chargeable profits).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

The CFC charge gateway

371B(1) Take the following steps to determine the extent to which a CFC's assumed total profits for an accounting period pass through the CFC charge gateway.

Step 1 In accordance with Chapter 3, determine which (if any) of Chapters 4 to 8 apply for the accounting period. If none of those Chapters applies, none of the CFC's assumed total profits pass through the CFC charge gateway and step 2 is not to be taken.

Step 2 Determine the extent to which the CFC's assumed total profits fall within any of the Chapters which applies for the accounting period. The CFC's assumed total profits pass through the CFC charge gateway so far as they fall within any of those Chapters.

(2) Subsection (1) is subject to—

- (a) Chapter 9 (exemptions for profits from qualifying loan relationships), and
- (b) section 371JE (which provides for adjustments of profits which would otherwise pass through the CFC charge gateway linked to the exemption set out in Chapter 10).

Charging the CFC charge

371B(1) Take the following steps if, as provided for by section 371BA(2), this section applies in relation to a CFC's accounting period.

Step 1 In accordance with Chapter 15, determine the persons (“the relevant persons”) who have relevant interests in the CFC at any time during the accounting period. If none of the relevant persons is a company which meets the UK residence condition (see subsection (2)), the CFC charge is not charged in relation to the accounting period and no further steps are to be taken.

Step 2 In accordance with Chapter 16, determine the CFC's creditable tax for the accounting period.

Step 3 In accordance with Chapter 17, apportion the CFC's chargeable profits and creditable tax among the relevant persons.

Step 4 Take each relevant person which is a company meeting the UK residence condition and, in accordance with section 371BD, determine if the company is a chargeable company. If there are no chargeable companies, the CFC charge is not charged in relation to the accounting period and step 5 is not to be taken.

Step 5 The CFC charge is charged on each chargeable company as follows. A sum equal to—

- (a) corporation tax at the appropriate rate on P% of the CFC's chargeable profits, less
- (b) Q% of the CFC's creditable tax,

is charged on the chargeable company as if it were an amount of corporation tax charged on the company for the relevant corporation tax accounting period. This step is subject to sections 371BG and 371BH.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) A company meets the UK residence condition if it is UK resident at a time during the accounting period when it has a relevant interest in the CFC.
- (3) For the purpose of taking step 5 in subsection (1) in relation to a chargeable company (“CC”)—
- “the appropriate rate”, subject to section 371BH, means—
- (a) the rate of corporation tax applicable to CC's profits of the relevant corporation tax accounting period on which corporation tax is chargeable (see section 4(1) and (2) of CTA 2010), or
 - (b) if there is more than one such rate, the average rate over the whole of the relevant corporation tax accounting period,
- “P%” means the percentage of the CFC's chargeable profits apportioned to CC,
- “Q%” means the percentage of the CFC's creditable tax apportioned to CC, and
- “the relevant corporation tax accounting period” means CC's accounting period for corporation tax purposes during which the CFC's accounting period ends.

 - (b) the percentages (if any) of those profits which are apportioned at that step to relevant persons who, at any time during the accounting period, are connected or associated with C.

 - (i) which was taken by C or any person connected or associated with C, and
 - (ii) which, at the time it was taken, could reasonably have been expected to cause that requirement to be met.
- (2) “The relevant time” means—

 - (b) if C has no relevant interests in the offshore fund at the beginning of the accounting period, the time when C first has a relevant interest during the accounting period.

- (6) Condition C is that any dividend or other distribution received at any time during the relevant corporation tax accounting period by CC from the CFC (directly or indirectly) by virtue of its holding the relevant shares is (or would be) income, or brought into account in determining any income, of CC chargeable to corporation tax for that period.
- (7) Subsection (8) applies if—
 - (a) CC has the relevant interest, or the part of a relevant interest, by virtue of section 371OB(3) or (4),
 - (b) the CFC is an offshore fund (as defined in section 355) which does not meet the qualifying investments test in section 493 of CTA 2009, and

 - (ii) Q% is to be reduced by the same proportion as P% is reduced under sub-paragraph (i).
- (4) Condition D is that, at all times during the CFC's accounting period, CC has the relevant interest, or the part of a relevant interest, by virtue of its holding shares (“the relevant shares”) in the CFC (directly or indirectly).
- (5) Condition E is met if the following requirement is met in relation to a time during the relevant corporation tax accounting period.
- (6) The requirement is that any increase (or any part of any increase) in the value of the relevant shares which occurs at that time is not (or would not be) brought into account at step 1 in section 73 of FA 2012 in determining whether CC has an I-E profit for the relevant corporation tax accounting period.
- (7) Condition F is met if the following requirement is met in relation to a time during the relevant corporation tax accounting period.
- (8) The requirement is that any dividend or other distribution (or any part of any dividend or other distribution) received at that time by CC from the CFC (directly or indirectly) by virtue of its holding the relevant shares is not (or would not be) brought into account at step 1 in section 73 of FA 2012 in determining whether CC has an I-E profit for the relevant corporation tax accounting period.
- (9) Condition G is that the assets which represent the relevant interest, or the part of a relevant interest, during the CFC's accounting period are (to any extent) assets held by CC for the purposes of CC's long-term business.
- (10) “The apportioned profit” means so much of P% as is attributable to CC having the relevant interest, or the part of a relevant interest, during the CFC's accounting period.
- (11) Take the following steps to determine the “BLAGAB component” of the apportioned profit.
 - Step 1* Assume that the apportioned profit is income falling within section 74(1)(j) of FA 2012 paid to CC at the end of the CFC's accounting period.
 - Step 2* Calculate how much of that income would be referable, in accordance with Chapter 4 of Part 2 of FA 2012, to CC's basic life assurance and general annuity business. That amount is the “BLAGAB component” of the apportioned profit.
- (12) The “policyholders' share” of the BLAGAB component of the apportioned profit is equal to the policyholders' share of the I - E profit for the relevant corporation tax accounting period as determined in accordance with the rules contained in Chapter 5 of Part 2 of FA 2012.

CHAPTER 3

THE CFC CHARGE GATEWAY: DETERMINING WHICH (IF ANY) OF CHAPTERS 4 TO 8 APPLIES

Does Chapter 4 apply?

371C(A) Chapter 4 (profits attributable to UK activities) applies for a CFC's accounting period unless condition A, B, C or D is met.

- (2) Condition A is that, at no time during the accounting period, does the CFC hold assets or bear risks under an arrangement to which both subsections (3) and (4) apply.
- (3) This subsection applies to an arrangement if—
 - (a) the main purpose, or one of the main purposes, of the arrangement is to reduce or eliminate any liability of any person to tax or duty imposed under the law of the United Kingdom, and
 - (b) in consequence of the arrangement, at any time the CFC expects its business to be more profitable than it would otherwise be (other than negligibly so).
- (4) This subsection applies to an arrangement if—
 - (a) there is an expectation that, as a consequence of the arrangement, one or more persons will have liabilities to tax or duty imposed under the law of any territory reduced or eliminated, and
 - (b) it is reasonable to suppose that, but for that expectation, the arrangement would not have been made.
- (5) Condition B is that, at no time during the accounting period, does the CFC have any UK managed assets or bear any UK managed risks (see subsection (9)).
- (6) Condition C is that, at all times during the accounting period, the CFC has itself the capability to ensure that the CFC's business would be commercially effective were—
 - (a) the UK managed assets of the CFC, and
 - (b) the UK managed risks borne by the CFC,
 to stop being UK managed.
- (7) In subsection (6) the reference to the capability of the CFC includes (in particular) its capability to select persons not connected with it to provide it with goods or services and to manage the transactions it has with persons not connected with it.
- (8) In determining if the requirements of subsection (6) are met at any time (“the relevant time”) during the accounting period, assume—
 - (a) that the CFC would continue to carry on the same business as it is actually carrying on at the relevant time, and
 - (b) that no relevant UK activities (see subsection (10)) by which any asset or risk was UK managed would be replaced—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (i) by activities carried on by any person connected with the CFC at any time, or
 - (ii) in any other way which relies to any extent upon the CFC receiving (directly or indirectly) resources or other assistance from a person connected with it at any time.
- (9) An asset or risk is “UK managed” if—
- (a) the acquisition, creation, development or exploitation of the asset, or
 - (b) the taking on, or bearing, of the risk,
- is managed or controlled to any significant extent by way of relevant UK activities.
- (10) “Relevant UK activities” means activities carried on in the United Kingdom—
- (a) by the CFC, otherwise than through a UK permanent establishment, or
 - (b) by companies connected with the CFC under arrangements which would not, it is reasonable to suppose, be entered into by companies not connected with each other.
- (11) Condition D is that the CFC's assumed total profits consist only of one or both of the following—
- (a) non-trading finance profits;
 - (b) property business profits.

Does Chapter 5 apply?

- 371CB(1) Subject to sections 371CC and 371CD, Chapter 5 (non-trading finance profits) applies for a CFC's accounting period if (and only if) the CFC has non-trading finance profits.
- (2) In this section and Chapter 5 references to the CFC's non-trading finance profits are to those profits excluding any profits falling within subsection (3) or (4) or Chapter 8 (solo consolidation).
- (3) Profits fall within this subsection so far as they arise from the investment of funds held by the CFC for the purposes of a trade—
- (a) which is carried on by the CFC, and
 - (b) no trading profits of which pass through the CFC charge gateway for the accounting period.
- (4) Profits fall within this subsection so far as they arise from the investment of funds held by the CFC for the purposes of a UK property business or overseas property business carried on by the CFC.
- (5) Neither subsection (3) nor subsection (4) applies in relation to funds—
- (a) held only or mainly because of a prohibition or restriction on the CFC paying dividends or making other distributions imposed under—
 - (i) the law of the territory in which the CFC is incorporated or formed,
 - (ii) the articles of association or other document regulating the CFC, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

 - (c) held with a view to acquiring shares in any company or making any capital contribution to a person,
 - (d) held with a view to acquiring, developing or otherwise investing in land at a time after the end of the relevant 12 month period,
 - (e) held only or mainly for contingencies, or
 - (f) held only or mainly for the purpose of reducing or eliminating a liability of any person to tax or duty imposed under the law of any territory.

- (7) “The relevant 12 month period” means the period of 12 months after the end of the accounting period.
- (8) In the case of a chargeable company which makes a claim under Chapter 9, in this section and Chapter 5 references to the CFC's non-trading finance profits are to those profits excluding also the CFC's qualifying loan relationship profits (as defined in Chapter 9).

Incidental non-trading finance profits: the 5% rule

- 371C(1) This section applies in relation to a CFC's accounting period if one or both of the following requirements is met—
- (a) the CFC has trading profits or property business profits (or both);
 - (b) the CFC has exempt distribution income and, at all times during the accounting period, a substantial part of its business is the holding of shares or securities in companies which are its 51% subsidiaries.
- (2) Chapter 5 does not apply for the accounting period if the CFC's non-trading finance profits are no more than 5% of the relevant amount.
- (3) “The relevant amount” is—
- (a) if the requirement of subsection (1)(a) is met, the total of the CFC's trading profits and property business profits determined before deduction of interest or any tax or duty imposed under the law of any territory,

- (a) the requirement of subsection (1)(b) is met (whether or not the requirement of subsection (1)(a) is also met),
 - (b) at any time during the accounting period, a 51% subsidiary of the CFC (“the CFC subsidiary”) is also a CFC, and
 - (c) the CFC subsidiary has relevant non-trading finance profits as determined in accordance with subsection (6) or (7).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (5) The CFC subsidiary's relevant non-trading finance profits are to be added to the CFC's non-trading finance profits.
- (6) If—
 - (a) the CFC subsidiary has an accounting period (“the relevant period”) which is the same as the CFC's accounting period or otherwise falls wholly within the CFC's accounting period, and
 - (b) by virtue of this section or section 371CD, Chapter 5 does not apply (in the case of the CFC subsidiary) for the relevant period,the CFC subsidiary's “relevant non-trading finance profits” are its non-trading finance profits for the relevant period.
- (7) If—
 - (a) the CFC subsidiary has an accounting period (“the relevant period”) which otherwise overlaps with the CFC's accounting period, and
 - (b) by virtue of this section or section 371CD, Chapter 5 does not apply (in the case of the CFC subsidiary) for the relevant period,the CFC subsidiary's “relevant non-trading finance profits” are a just and reasonable proportion of its non-trading finance profits for the relevant period.
- (8) In this section references to the CFC's trading profits are to those profits excluding any of them which pass through the CFC charge gateway for the accounting period.
- (9) “Exempt distribution income” means any dividends or other distributions which are not brought into account in determining the CFC's assumed total profits on the basis that they would be exempt for the purposes of Part 9A of CTA 2009 (company distributions).
- (10) This section needs to be read with section 371CD.

Incidental non-trading finance profits: the further 5% rule

- 371CD(1) This section applies in relation to a CFC's accounting period if—
- (a) the requirements of section 371CC(1)(a) and (b) are both met, but
 - (b) the CFC's non-trading finance profits (as added to under section 371CC(5) if applicable) are more than 5% of the relevant amount for the purposes of section 371CC(2).
- (2) Chapter 5 does not apply for the accounting period if the CFC's adjusted non-trading finance profits are no more than 5% of the total of the CFC's exempt distribution income (as defined in section 371CC(9)).
 - (3) The CFC's “adjusted non-trading finance profits” are its non-trading finance profits excluding any profits falling within section 371CB(3) or (4).
 - (4) Subsection (5) applies if any CFC subsidiary's relevant non-trading finance profits are added under section 371CC(5) to the CFC's non-trading finance profits for the purposes of section 371CC(2).
 - (5) The CFC subsidiary's relevant non-trading finance profits are also to be added to the CFC's adjusted non-trading finance profits for the purposes of subsection (2) above.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

 - (b) at any time during the accounting period, the CFC has funds or other assets which derive (directly or indirectly) from UK connected capital contributions.
- (2) The CFC's trading finance profits are to be treated for the purposes of this Part as if they were non-trading finance profits (and, accordingly, Chapter 6 cannot apply for the accounting period) if—
- (a) the CFC is a group treasury company in the accounting period, and
 - (b) a notice is given to an officer of Revenue and Customs requesting that the CFC's trading finance profits be treated as if they were non-trading finance profits.
- (3) Profits treated as non-trading finance profits under subsection (2) are not to be taken to fall within section 371CB(3) or (4).
- (4) Section 316(5) to (11) (group treasury companies) applies for the purpose of determining if a CFC is a “group treasury company” as if references to the relevant period were to the accounting period.
- (5) For this purpose, section 337(1) (definition of “the worldwide group”) applies with the omission of paragraph (a).
- (6) A notice under subsection (2)(b)—
- (a) may be given only by a company or companies determined under subsection (7) or (8), and
 - (b) must be given—
 - (i) within 20 months after the end of the accounting period, or
 - (ii) within such longer period as an officer of Revenue and Customs may allow.
- (7) A company may give a notice if—

- (9) In subsections (7) and (8) “X%” means the total percentage of the CFC's chargeable profits which would be apportioned to chargeable companies at step 3 in section 371BC(1) were section 371BC (charging the CFC charge) to apply in relation to the accounting period.

Does Chapter 7 apply?

371C(F) Chapter 7 (captive insurance business) applies for a CFC's accounting period if (and only if)—

- (a) at any time during the accounting period, the main part of the CFC's business is insurance business, and

 - (b) the UK resident bank must meet requirements of the FSA Handbook in relation to its capital,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) any fall in the value of the shares held in the CFC would be (wholly or mainly) ignored for the purpose of determining if the UK resident bank meets those requirements of the FSA Handbook, and

CHAPTER 4

THE CFC CHARGE GATEWAY: PROFITS ATTRIBUTABLE TO UK ACTIVITIES

Introduction to Chapter

- 371DA(1) Take the steps set out in section 371DB(1) to determine the CFC's profits falling within this Chapter for the purposes of step 2 in section 371BB(1) (the CFC charge gateway).
- (2) In this Chapter references to the CFC's assumed total profits are to those profits excluding its non-trading finance profits and property business profits (if any).
- (3) For the purposes of this Chapter—
- (a) “the OECD Report” means the Report on the Attribution of Profits to Permanent Establishments of the Organisation for Economic Co-operation and Development (“OECD”) dated 22 July 2010,
 - (b) terms used which are also used in the OECD Report have the same meaning as they have in the OECD Report,
 - (c) “the CFC group” means the CFC taken together with the companies with which it is connected as those companies may change from time to time,
 - (d) “the provisional Chapter 4 profits” has the meaning given at step 7 in section 371DB(1),

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (e) “the relevant assets and risks” has the meaning given at step 1 in section 371DB(1), subject to any exclusions at step 2 or 6,
 - (f) “SPF” means a significant people function or a key entrepreneurial risk-taking function,
 - (g) an SPF is a “UK SPF” so far as the SPF is carried out in the United Kingdom—
 - (i) by the CFC, otherwise than through a UK permanent establishment, or
 - (ii) by a company connected with the CFC, and
 - (h) an SPF is a “non-UK SPF” so far as it is not a UK SPF.
- (4) The Treasury may by regulations amend this Chapter as they consider appropriate to take account of any relevant document published by OECD from time to time.
- (5) “Relevant document” means—
- (a) a document which replaces, updates or supplements the report mentioned in subsection (3)(a), or
 - (b) a document which replaces, updates or supplements a document falling within paragraph (a) or a document which is a relevant document by virtue of this paragraph.

The steps

371D~~B~~) Here are the steps referred to in section 371DA(1).

The steps are to be taken in accordance with the principles set out in the OECD Report (so far as relevant).

Step 1 Identify the assets which the CFC has or has had, and the risks which the CFC bears or has borne, and from which amounts included in the CFC's assumed total profits have arisen. The identified assets and risks are called “the relevant assets and risks”

Step 2 Exclude from the relevant assets and risks any asset or risk to which subsection (2) applies (subject to subsections (3) and (4)).

Step 3 Identify the SPFs carried out by the CFC group which are relevant to—

- (a) the economic ownership of the assets included in the relevant assets and risks, or
- (b) the assumption and management of the risks included in the relevant assets and risks.

For this purpose, assume that the CFC group is a single company.

Step 4 Determine the extent to which the SPFs identified at step 3 are UK SPFs and the extent to which they are non-UK SPFs. If none of the SPFs is a UK SPF to any extent, then no profits fall within this Chapter and no further steps are to be taken.

Step 5 Assume that the UK SPFs determined at step 4 are carried out by a permanent establishment which the CFC has in the United Kingdom and, accordingly, determine the extent to which the assets and risks included in the relevant assets and risks would be attributed to the permanent establishment. For this purpose, assume that the non-UK

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

SPFs determined at step 4 are all carried out by the CFC itself (if that is not otherwise the case).

Step 6 Exclude from the relevant assets and risks any asset or risk, or any assets or risks taken together, to which section 371DC applies.

Step 7 Re-determine the CFC's assumed total profits on the basis that the CFC—

- (a) does not hold, or has not held, the assets included in the relevant assets and risks, and
- (b) does not bear, or has not borne, the risks included in the relevant assets and risks,

so far as they would be attributed to the permanent establishment mentioned at step 5. “The provisional Chapter 4 profits” are the CFC's assumed total profits so far as they are left out of the re-determined profits.

Step 8 Exclude from the provisional Chapter 4 profits any amounts which are required to be excluded by section 371DD, 371DE or 371DF. The remaining profits (if any) fall within this Chapter.

- (2) This subsection applies to an asset or risk if the CFC's assumed total profits are only negligibly higher than what they would be if the CFC—
 - (a) did not hold, or had not held, the asset to any extent at all, or
 - (b) did not bear, or had not borne, the risk to any extent at all.
- (3) The total number of assets and risks which may be excluded at step 2 in subsection (1) is limited as follows.
- (4) As well as applying to each asset and risk separately, subsection (2) must also apply to all the assets and risks included in the total number taken together.

Exclusion: UK activities a minority of total activities

371DQ) For the purposes of step 6 in section 371DB(1), this section applies to an asset or risk included in the relevant assets and risks if amount A is no more than 50% of amount B.

- (2) Amount A is the total of—
 - (a) the gross amounts (that is, the amounts before deduction of expenses or transfers to or from reserves) of the CFC's income which would not have become receivable during the accounting period had the CFC—
 - (i) not held the asset, or
 - (ii) not borne the risk,
 so far as it would be attributed to the permanent establishment mentioned at step 5 in section 371DB(1), and
 - (b) the additional expenses which the CFC would have incurred during the accounting period had the CFC—
 - (i) not held the asset, or
 - (ii) not borne the risk,
 so far as it would be so attributed.
- (3) Amount B is the total of—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) the gross amounts (that is, the amounts before deduction of expenses or transfers to or from reserves) of the CFC's income which would not have become receivable during the accounting period had the CFC—
 - (i) not held the asset to any extent at all, or
 - (ii) not borne the risk to any extent at all, and
 - (b) the additional expenses which the CFC would have incurred during the accounting period had the CFC—
 - (i) not held the asset to any extent at all, or
 - (ii) not borne the risk to any extent at all.
- (4) Subsection (5) applies if it is not reasonably practicable to separate a number of assets or risks included in the relevant assets and risks for the purpose of determining amounts A and B in relation to each of those assets or risks separately.
- (5) In subsections (1) to (3) references to an asset or risk are to be read as references to those assets or risks taken together.

Exclusion: economic value

371D(1) Subsection (2) applies if—

- (a) an asset or risk is included in the relevant assets and risks,
 - (b) the SPFs which are relevant to the economic ownership of the asset, or the assumption and management of the risk, are wholly or partly UK SPFs as determined at step 4 in section 371DB(1), and
 - (c) as a result of that determination, an amount is included in the provisional Chapter 4 profits.
- (2) The amount is to be excluded from the provisional Chapter 4 profits if—
- (a) the net economic value to the CFC group which results from the holding of the asset, or the bearing of the risk, exceeds what that value would have been had the asset been held, or the risk been borne, solely by UK resident companies connected with the CFC, and
 - (b) the relevant non-tax value is a substantial proportion of the excess value mentioned in paragraph (a).
- (3) “Net economic value” does not include any value which derives (directly or indirectly) from the reduction or elimination of any liability of any person to tax or duty imposed under the law of any territory outside the United Kingdom.
- (4) “The relevant non-tax value” is the excess value mentioned in subsection (2)
- (a) so far as it does not derive (directly or indirectly) from the reduction or elimination of any liability of any person to tax or duty imposed under the law of the United Kingdom.
- (5) Subsection (6) applies if—
- (a) there are SPFs which are relevant to the economic ownership of a number of assets, or the assumption and management of a number of risks, included in the relevant assets and risks, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) it is not reasonably practicable to separate those assets or risks for the purpose of determining the extent to which the SPFs are relevant to the economic ownership of each of those assets, or the assumption and management of each of those risks, separately.
- (6) In subsections (1) and (2) references to an asset or risk are to be read as references to those assets or risks taken together.

Exclusion: independent companies' arrangements

371D(E) Subsection (2) applies if—

- (a) an asset or risk is included in the relevant assets and risks,
 - (b) the SPFs which are relevant to the economic ownership of the asset, or the assumption and management of the risk, are wholly or partly UK SPFs as determined at step 4 in section 371DB(1),
 - (c) as a result of that determination, an amount is included in the provisional Chapter 4 profits, and
 - (d) the UK SPFs are carried out by companies connected with the CFC under arrangements made between the CFC and those companies.
- (2) The amount is to be excluded from the provisional Chapter 4 profits if it is reasonable to suppose that, were the SPFs which are UK SPFs not to be carried out by companies connected with the CFC, the CFC would enter into arrangements with companies not connected with the CFC which—
- (a) would be structured in the same way as the arrangements mentioned in subsection (1)(d), and
 - (b) would, in relation to the CFC's business, have the same commercial effect as those arrangements.
- (3) Subsection (4) applies if—
- (a) there are SPFs which are relevant to the economic ownership of a number of assets, or the assumption and management of a number of risks, included in the relevant assets and risks, and
 - (b) it is not reasonably practicable to separate those assets or risks for the purpose of determining the extent to which the SPFs are relevant to the economic ownership of each of those assets, or the assumption and management of each of those risks, separately.
- (4) In subsection (1) references to an asset or risk are to be read as references to those assets or risks taken together.

Exclusion: trading profits (the basic rule)

371D(F) All trading profits are to be excluded from the provisional Chapter 4 profits if the following conditions are met—

- (a) the business premises condition (see section 371DG),
- (b) the income condition (see section 371DH),
- (c) the management expenditure condition (see section 371DI),
- (d) the IP condition (see section 371DJ), and
- (e) the export of goods condition (see section 371DK).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) Trading profits are also to be excluded from the provisional Chapter 4 profits in accordance with section 371DI(7) and (8) (so far as applicable).
- (3) This section is subject to section 371DL (anti-avoidance).

Exclusion: trading profits (business premises condition)

CHAPTER 5

THE CFC CHARGE GATEWAY: NON-TRADING FINANCE PROFITS

The basic rule

- 371E(A) The CFC's profits falling within this Chapter for the purposes of step 2 in section 371BB(1) (the CFC charge gateway) are its non-trading finance profits so far as they fall within any of sections 371EB to 371EE.
- (2) In this Chapter references to the CFC's non-trading finance profits are to be read in accordance with section 371CB(2) and, so far as applicable, section 371CB(8).

UK activities

- 371E(B) To determine the extent to which the CFC's non-trading finance profits fall within this section, take steps 1 to 5 and 7 in section 371DB(1) as if references in section 371DB to the CFC's assumed total profits were references to its non-trading finance profits.
- (2) Non-trading finance profits fall within this section so far as they would be included in the provisional Chapter 4 profits as determined on the basis mentioned in subsection (1).

Capital investment from the UK

- 371E(C) Non-trading finance profits fall within this section so far as they arise from relevant UK funds or other assets.
- (2) Subsection (3) applies in relation to any profits which (apart from subsection (3)) would fall within this section if—
- (a) an amount of expenditure incurred by the CFC in managing the relevant UK funds or other assets itself was brought into account in calculating the profits, and
 - (b) it is reasonable to suppose that the amount of expenditure is less than the fee which a company not connected with the CFC would charge the CFC for carrying out the same management activities.
- (3) There is to be deducted from the profits an amount representing what it is reasonable to suppose the difference between the amount of expenditure and the fee would be.
- (4) “Relevant UK funds or other assets” means—
- (a) funds or other assets which represent, or derive (directly or indirectly) from, any capital contribution to the CFC made (directly or indirectly) by a UK connected company (whether in relation to an issue of shares in the CFC or otherwise),
 - (b) funds or other assets which represent, or derive (directly or indirectly) from, any amounts included in the CFC's chargeable profits for any earlier accounting period in relation to which the CFC charge is charged,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) funds or other assets which represent, or derive (directly or indirectly) from, any amounts which, by virtue of section 174 (transfer pricing: claims by disadvantaged person), are left out of account in determining the CFC's assumed total profits for the accounting period or any earlier accounting period, or
 - (d) funds or other assets—
 - (i) which represent, or derive (directly or indirectly) from, any funds or other assets received by the CFC (directly or indirectly) from a UK connected company, and
 - (ii) which are not covered by paragraphs (a) to (c).
- (5) In subsection (4)(d)(i) the reference to funds or other assets received by the CFC does not include funds or other assets received—
- (a) in exchange for goods or services provided by the CFC, or
 - (b) by way of a loan.
- (6) “UK connected company” means—
- (a) a UK resident company connected with the CFC, or
 - (b) a non-UK resident company connected with the CFC acting through a UK permanent establishment.

Arrangements in lieu of dividends etc to UK resident companies etc

371E(1) Non-trading finance profits fall within this section so far as they arise from an arrangement (other than a relevant finance lease) in relation to which the following condition is met.

- (2) The condition is that—
- (a) the arrangement is made by the CFC (directly or indirectly)—
 - (i) with a UK resident company connected with the CFC, or
 - (ii) with a non-UK resident company connected with the CFC for the purposes of a UK permanent establishment of the non-UK resident company, and
 - (b) it is reasonable to suppose—
 - (i) that the arrangement is made as an alternative to the CFC paying dividends or making any other distribution to the other company (directly or indirectly), and
 - (ii) that the main reason, or one of the main reasons, for that is a reason relating to a liability, or potential liability, of any person to tax or duty imposed under the law of any territory.

Leases to UK resident companies etc

371E(1) Non-trading finance profits fall within this section so far as they arise from a relevant finance lease in relation to which the following condition is met.

- (2) The condition is that—
- (a) the lease is made by the CFC (directly or indirectly)—
 - (i) with a UK resident company connected with the CFC, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (ii) with a non-UK resident company connected with the CFC for the purposes of a UK permanent establishment of the non-UK resident company, and
- (b) it is reasonable to suppose—
 - (i) that the lease is made as an alternative to the other company purchasing (directly or indirectly) the asset which is the subject of the lease, and
 - (ii) that the main reason, or one of the main reasons, for that is a reason relating to a liability, or potential liability, of any person to tax or duty imposed under the law of any territory.

CHAPTER 6

THE CFC CHARGE GATEWAY: TRADING FINANCE PROFITS

The basic rule

371F(A) Take the following steps to determine the CFC's profits falling within this Chapter for the purposes of step 2 in section 371BB(1) (the CFC charge gateway).

This is subject to regulations under section 371FD or 371FE.

Step 1 Determine if, during the accounting period, the CFC's free capital exceeds what it is reasonable to suppose its free capital would be were it a company which is not the 51% subsidiary of any other company. If there is excess free capital, “the step 1 amount” is—

- (a) the excess free capital, or
- (b) if less, the CFC's free capital so far as deriving (directly or indirectly) from UK connected capital contributions.

Step 2 This step applies only if the CFC carries on insurance business during the accounting period; if it does not, go straight to step 3. Determine if, during the accounting period when the CFC is carrying on insurance business, the CFC's free assets exceeds what it is reasonable to suppose its free assets would be were it a company which is not the 51% subsidiary of any other company. If there is excess free assets, “the step 2 amount” is—

- (a) the excess free assets, or
- (b) if less, the CFC's free assets so far as deriving (directly or indirectly) from UK connected capital contributions.

Step 3 If no excesses are determined at steps 1 and 2, no profits fall within this Chapter. Otherwise, the profits falling within this Chapter are the CFC's trading finance profits so far as it is reasonable to suppose that those profits arise from the investment or other use of the step 1 amount or the step 2 amount (or both

- (2) For the purposes of step 1 in subsection (1) the CFC's “free capital” is the funding it has for its business so far as the funding does not give rise to debits which are brought into account in determining the CFC's non-trading finance profits or trading finance profits.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) For the purposes of step 2 in subsection (1) the CFC's "free assets" is the amount by which the value of its assets exceeds its loan capital.
- (4) Subsections (2) and (3) are subject to sections 371FB and 371FC and subsection (3) is also subject to subsection (6).
- (5) Subsection (6) applies if—
 - (a) the CFC, acting outside its insurance business, gives a guarantee against losses of an insurance business of another company which is connected with the CFC,
 - (b) the guarantee is necessary for the purpose of meeting regulatory requirements applicable to the other company's insurance business,
 - (c) in consequence of having given the guarantee, the CFC is required by regulatory requirements applicable to its insurance business to hold more assets than it would otherwise be required to hold, and
 - (d) during the accounting period, the CFC holds assets solely for the purpose of meeting that requirement for more assets.
- (6) The value of the assets held by the CFC as mentioned in subsection (5)(d) is to be deducted from the CFC's free assets.
- (7) For the purposes of this section the "value" of an asset is the amount which it is reasonable to suppose the CFC would obtain for the transfer of all the CFC's rights in respect of the asset from a person not connected with the CFC.

Qualifying loan relationships

- 371FB(1) Subsection (2) applies if, during the CFC's accounting period, the CFC is the ultimate debtor in relation to a qualifying loan relationship (within the meaning of Chapter 9) of another CFC ("the creditor CFC").
- (2) E% of the principal outstanding during the CFC's accounting period on the loan which is the subject of the qualifying loan relationship is to be added to the CFC's free capital or free assets (as the case may be).
- (3) "E%" is given by the following formula—

$$\frac{100\% \times EP}{P}$$

where—

EP is the total amount of the profits of the qualifying loan relationship which are exempt, and

P is the total amount of the profits of the qualifying loan relationship.

- (4) For the purposes of subsection (3)—
 - (a) references to the profits of the qualifying loan relationship are to the profits of the qualifying loan relationship for accounting periods of

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- the creditor CFC which fall wholly or partly in the CFC's accounting period,
- (b) the profits of the qualifying loan relationship for an accounting period of the creditor CFC are to be determined in accordance with Chapter 9,
 - (c) the steps in subsection (5) are to be taken to determine the amount of the profits of the qualifying loan relationship for an accounting period of the creditor CFC which are “exempt”, and
 - (d) the profits of the qualifying loan relationship for an accounting period of the creditor CFC which falls only partly in the CFC's accounting period, and the amount of those profits which are exempt, are to be apportioned between—
 - (i) the part of the creditor CFC's accounting period which falls in the CFC's accounting period, and
 - (ii) the part which does not,with only those profits, and the amount of exempt profits, apportioned to the part mentioned in sub-paragraph (i) being included in P or EP (as the case may be).
- (5) Here are the steps referred to in subsection (4)(c).

The steps are to be taken separately in relation to each chargeable company which makes a claim under Chapter 9 in relation to the creditor CFC's accounting period.

The amount of the profits of the qualifying loan relationship for the creditor CFC's accounting period which are exempt is the total of the amounts given by step 2.

Step 1 Determine the amount of the profits of the qualifying loan relationship for the accounting period which, in the case of the chargeable company, are exempt under Chapter 9.

Step 2 Multiply the amount determined at step 1 by P% (as defined in section 371BC(3), ignoring sections 371BG(3)(a) and 371BH(3)(b)).

Loans from foreign permanent establishments of UK resident companies

371F(1) Subsection (2) applies if—

- (a) there is a company (“C”) which has made an election under section 18A of CTA 2009 (exemption for profits or losses of foreign permanent establishments),
- (b) during a relevant accounting period of C which begins on or after 1 January 2013, C has a creditor relationship which, applying the assumptions set out in section 18H(3) of CTA 2009 in relation to C for the relevant accounting period, would be a qualifying loan relationship (within the meaning of Chapter 9 of this Part) of C in relation to which the CFC would be the ultimate debtor,
- (c) in the application of section 18H(2) of CTA 2009 for the relevant accounting period, C makes a claim under Chapter 9 of this Part (as applied by section 18H(2)), and
- (d) the relevant accounting period falls wholly or partly in the CFC's accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) 75% of the principal outstanding during the CFC's accounting period on the loan which is the subject of the qualifying loan relationship is to be added to the CFC's free capital or free assets (as the case may be).
- (3) Terms used in this section which are defined in section 18A of CTA 2009 have the meaning given by that section.

Exclusion: banking business

- 371F(1) The HMRC Commissioners may by regulations provide that, if specified conditions are met, step 3 in section 371FA(1) is not to apply in relation to the CFC's trading finance profits so far as they arise from banking business, or banking business of a specified description, carried on by the CFC.
- (2) Regulations under subsection (1) may (in particular) make provision by reference to—
 - (a) the territory in which a CFC is resident or any territory in which its banking business is regulated or carried on, or
 - (b) the regulatory requirements imposed from time to time in any territory in relation to banking business.

Exclusion: insurance business

- 371F(1) The HMRC Commissioners may by regulations provide that, if specified conditions are met, step 3 in section 371FA(1) is not to apply in relation to the CFC's trading finance profits so far as they arise from insurance business, or insurance business of a specified description, carried on by the CFC.
- (2) In subsection (1) “insurance business” does not include insurance business so far as consisting of the effecting or carrying out of contracts of insurance covered by section 371GA(2) (UK insurance contracts), including the investment of premiums received from such contracts.
 - (3) Regulations under subsection (1) may (in particular) make provision by reference to—
 - (a) the territory in which a CFC is resident or any territory in which its insurance business is regulated or carried on, or
 - (b) the regulatory requirements imposed from time to time in any territory in relation to insurance business.

CHAPTER 7

The basic rule

- 371G(1) The CFC's profits falling within this Chapter for the purposes of step 2 in section 371BB(1) (the CFC charge gateway) are any amounts included in its assumed total profits so far as they—
- (a) arise from the CFC's insurance business,
 - (b) fall within subsection (2), and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) fall within subsection (7) where applicable.
- (2) An amount falls within this subsection if it derives (directly or indirectly) from—
 - (a) a contract of insurance which is entered into with—
 - (i) a UK resident company connected with the CFC, or
 - (ii) a non-UK resident company connected with the CFC acting through a UK permanent establishment, or
 - (b) a contract of insurance which—
 - (i) is entered into with a UK resident person, and
 - (ii) is linked (directly or indirectly) to the provision of goods or services to the UK resident person by a UK connected company.
- (3) In subsection (2)(b)(ii)—
 - “services” does not include services provided as part of insurance business, and
 - “UK connected company” means—
 - (a) a UK resident company connected with the CFC, or
 - (b) a non-UK resident company connected with the CFC acting through a UK permanent establishment.
- (4) Subsection (2)(a)(i) does not cover a premium paid under a contract of insurance if—
 - (a) the UK resident company has made an election under section 18A of CTA 2009 (exemption for profits or losses of foreign permanent establishments), and
 - (b) the premium is wholly brought into account for the purpose of determining any exemption adjustment in relation to the company under that section.
- (5) Subsection (2)(a) covers a contract of reinsurance only so far as the original contract of insurance would fall within subsection (2)(a).
- (6) Subsection (7) applies in relation to an amount if—
 - (a) the CFC is resident in an EEA state for the accounting period, and
 - (b) the amount does not arise from the activities of a permanent establishment which the CFC has in a territory which is not an EEA state.
- (7) An amount falls within this subsection so far as it derives (directly or indirectly) from a contract of insurance if—
 - (a) the insured has no significant UK non-tax reason for entering into the contract of insurance, or
 - (b) if the contract of insurance is a contract of reinsurance, the original insured has no significant UK non-tax reason for entering into the original contract of insurance.
- (8) “UK non-tax reason” means a reason other than one relating to a liability, or potential liability, of any person to tax or duty imposed under the law of the United Kingdom.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (9) In this section “original contract of insurance”, in relation to a contract of reinsurance which is one in a chain of contracts of reinsurance, means the original contract of insurance reinsured by the first contract in the chain; and in subsection (7)(b) the reference to the original insured is to be read accordingly.

CHAPTER 8

THE CFC CHARGE GATEWAY: SOLO CONSOLIDATION

The basic rule

- 371H(A) The CFC's profits falling within this Chapter for the purposes of step 2 in section 371BB(1) (the CFC charge gateway) are any amounts included in its assumed total profits which are not also included in the CFC's relevant profits amount.
- (2) The CFC's “relevant profits amount” is what the relevant profits amount would be for the purposes of Chapter 3A of Part 2 of CTA 2009 (see section 18A(6) of that Act) in relation to the CFC were that amount to be determined as if—
- the CFC were a permanent establishment in a territory outside the United Kingdom of the UK resident company mentioned in section 371CG(2)(b) or the UK resident bank mentioned in section 371CG(3), and
 - the CFC's accounting period were a relevant accounting period of that UK resident company or UK resident bank for the purposes of that Chapter.

CHAPTER 9

EXEMPTIONS FOR PROFITS FROM QUALIFYING LOAN RELATIONSHIPS

The basic rule

- 371I(A) This Chapter applies if—
- apart from this Chapter, Chapter 5 (non-trading finance profits) would apply for a CFC's accounting period,
 - the CFC's non-trading finance profits include qualifying loan relationship profits, and
 - the business premises condition set out in section 371DG is met.
- (2) A chargeable company (“company C”) in relation to the accounting period may make a claim to an officer of Revenue and Customs for step 2 in section 371BB(1) (the CFC charge gateway) to be taken, in the case of company C only, subject to this Chapter.
- (3) If company C makes a claim, in the case of company C only, the CFC's qualifying loan relationship profits pass through the CFC charge gateway so far as (and only so far as) they are not exempt under this Chapter.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) The CFC's "qualifying loan relationship profits" are the profits of all its qualifying loan relationships taken together.
- (5) The extent to which those profits are "exempt" is to be determined—
 - (a) firstly, by applying either section 371IB or section 371ID to each of the CFC's qualifying loan relationships, and
 - (b) secondly, by applying section 371IE (if relevant).
- (6) Section 371IF sets out how to determine the profits of a qualifying loan relationship.
- (7) Sections 371IG to 371II define "qualifying loan relationship" etc.
- (8) Section 371IJ contains provision about claims under this Chapter.
- (9) In this Chapter references to the CFC's non-trading finance profits are to those profits excluding any profits—
 - (a) falling within section 371CB(3) or (4) or Chapter 8 (solo consolidation), or
 - (b) arising from a relevant finance lease.
- (10) In this Chapter—
 - (a) "loan relationship" has the meaning given by section 302(1) of CTA 2009 (and does not include anything which, although not falling within section 302(1), is treated for any purpose as if it were a loan relationship), and
 - (b) other terms used which are defined in Part 5 of CTA 2009 are to be read accordingly.
- (11) See section 371CB(8) which deals with the interaction between this Chapter and section 371CB and Chapter 5 in the case of a chargeable company which makes a claim under this Chapter.

Loans funded out of qualifying resources

- 371IB) This section applies to a qualifying loan relationship if company C's claim under this Chapter states that this section is to apply to the qualifying loan relationship.
- (2) X% of the profits of the qualifying loan relationship are exempt if company C's claim establishes—
 - (a) that, at all times during the relevant period, at least X% of the principal outstanding on the relevant loan (as that may vary from time to time during the relevant period) is funded by the CFC wholly out of qualifying resources, and
 - (b) that the ultimate debtor in relation to the qualifying loan relationship (see section 371IG(2) to (7)) is resident at all times during the relevant period in one territory only and that its territory of residence does not change at any time during the relevant period.
 - (3) "X%" is the percentage specified in company C's claim for the purposes of this section in relation to the qualifying loan relationship (which may be 100%).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) “The relevant period” means—
- (a) the accounting period, or
 - (b) if for any part of the accounting period no principal is outstanding on the relevant loan, the part of the accounting period during which there is principal outstanding.
- (5) “The relevant loan” means the loan which is the subject of the qualifying loan relationship.
- (6) “Qualifying resources” means—
- (a) profits of the CFC's business so far as it consists of the making of loans to relevant members of the CFC group which are used solely for the purposes of the business of the CFC group in the relevant territory, or
 - (b) funds or other assets received by the CFC in relation to shares held by the CFC in, or issued by the CFC to, members of the CFC group.
- (7) Funds or other assets received by the CFC fall within subsection (6)(b) only so far as they derive (directly or indirectly) from—
- (a) profits of the business of the CFC group in the relevant territory,
 - (b) the qualifying value of relevant pre-acquisition funds or other assets (see section 371IC), or
 - (c) an issue of shares which meets the following requirements—
 - (i) the shares are shares in a member of the CFC group (“the parent member”) which is not the 75% subsidiary of any company,
 - (ii) the shares are ordinary shares which are not redeemable, and
 - (iii) the shares are issued to persons who are not members of the CFC group.
- (8) Subsection (9) applies if the qualifying loan relationship is made under, or is otherwise connected (directly or indirectly) with, an arrangement under which a member of the CFC group incurs a debt in the United Kingdom to—
- (a) a non-UK resident person, or
 - (b) a UK resident person who is not a member of the CFC group.
- (9) It is to be assumed for the purposes of subsection (2) that, at all times during the relevant period, the amount of funds or other assets—
- (a) out of which the principal outstanding on the relevant loan is funded by the CFC, and
 - (b) which are not qualifying resources,
- is no less than the amount of the debt mentioned in subsection (8).
- (10) For the purposes of this section and section 371IC—
- (a) subject to subsections (11) and (12), “the CFC group”, as at any time, means the CFC taken together with the companies with which it is connected at that time,
 - (b) a member of the CFC group is “relevant” if it is resident in the relevant territory and no other territory,
 - (c) “the relevant territory” means the territory of residence of the ultimate debtor mentioned in subsection (2)(b),

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (d) references to the business of the CFC group in the relevant territory do not include the making of loans to persons resident outside the relevant territory,
 - (e) references to the profits of the business of the CFC group in the relevant territory do not include—
 - (i) profits arising (directly or indirectly) from funds or other assets received by relevant members of the CFC group in relation to shares held by them in members of the CFC group which are not relevant members, or
 - (ii) so far as not covered by sub-paragraph (i), profits arising (directly or indirectly) from the business of the CFC group in any territory outside the relevant territory, and
 - (f) section 931U of CTA 2009 (definitions of “ordinary share” and “redeemable”) applies as it applies for the purposes of Part 9A of CTA 2009 (company distributions).
- (11) If the CFC is controlled by one UK resident company only (“the controller”), in relation to any time before the CFC came to be controlled by the controller, except in subsection (6), references to the CFC group include references to the controller taken together with any companies with which it is connected at that time.
- (12) If the CFC is controlled by two or more UK resident companies which are all connected with each other (“the controllers”), in relation to any time—
 - (a) before which the CFC came to be controlled by the controllers, and
 - (b) at which the controllers (or those of the controllers which exist at that time) are all connected with each other,except in subsection (6), references to the CFC group include references to the controllers (or those of the controllers which exist) taken together with any other companies with which they are all connected at that time.

What is the “qualifying value” of “relevant pre-acquisition funds or other assets”?

3711Q) This section applies for the purposes of section 3711B(7)(b).

- (2) It applies if—
 - (a) a member of the CFC group acquires shares in a company (“the target company”) from persons who are not members of that group (“the unconnected persons”),
 - (b) in consideration for the acquisition of the shares, a member of the CFC group (“the parent member”) which is not the 51% subsidiary of any company issues shares to the unconnected persons, and
 - (c) the value of the consideration given for the acquisition of the shares by the parent member and any other members of the CFC group represents wholly or partly the value or a part of the value of any funds or other assets held by the target company.
- (3) Those funds or other assets are “relevant pre-acquisition funds or other assets” and, subject to what follows, their value or the part of their value represented by the value of the consideration is their “qualifying value”.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) The qualifying value is to be reduced by Y% if one or both of the following paragraphs applies—
- (a) the issue of shares by the parent member to the unconnected persons represents only part of the consideration given for the acquisition of the shares in the target company;
 - (b) in connection with the acquisition of the shares in the target company, an extraordinary distribution is made to persons holding shares in the parent member.
- (5) “Y%” is given by the following formula—

$$\frac{100\% \times B}{A + B}$$

where—

A is the value of the consideration which is in the form of the issue of shares by the parent member to the unconnected persons, and

B is, as the case may be—

- (a) the value of the consideration which is not in the form of the issue of shares by the parent member to the unconnected persons,
- (b) the value of the extraordinary distribution, or
- (c) the total of the values given by paragraphs (a) and (b).

The 75% exemption

371I(1) This section applies to a qualifying loan relationship if section 371IB does not apply to the qualifying loan relationship.

- (2) 75% of the profits of the qualifying loan relationship are exempt.

Matched interest

371I(2) This section applies if—

- (a) there are profits of qualifying loan relationships (“the leftover profits”) which are not exempt after either section 371IB or section 371ID has been applied to each qualifying loan relationship,
- (b) the relevant corporation tax accounting period (as defined in section 371BC(3)) in relation to company C is a relevant accounting period of company C in relation to a period of account of the worldwide group,
- (c) the CFC's accounting period ends in that period of account, and
- (d) apart from this section—
 - (i) the charging of a sum on company C at step 5 in section 371BC(1) would cause section 314A (financing income amounts of chargeable companies) to apply in the case of company C, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (ii) the relevant finance profits (see section 314A(1)(d)) would include the leftover profits.
- (2) All the leftover profits are exempt if, ignoring the relevant amounts, the tested income amount for the period of account is equal to or exceeds the tested expense amount for that period.
- (3) Otherwise, Z% of the leftover profits are exempt if the relevant amounts would cause the tested income amount for the period of account to exceed the tested expense amount for that period.
- (4) “Z%” is given by the following formula—

$$\frac{100\% \times E}{I + R}$$

where—

E is the amount of the excess which would be caused by the relevant amounts,

I is the amount of any increase in the tested income amount which would be caused by the relevant amounts, and

R is the amount of any reduction in the tested expense amount which would be caused by the relevant amounts.

- (5) “The relevant amounts” are—
- (a) the financing income amount for the period of account which company C would have as a result of the application of section 314A as mentioned in subsection (1)(d) so far as it would include the leftover profits, and
- (b) any other financing income amounts for the period of account corresponding to the amount given by paragraph (a) which members of the worldwide group who make claims under this Chapter in relation to any CFC would have.
- (6) For the purposes of subsection (5)(a) assume that company C's financing income amount would include P% of the leftover profits.
- (7) “P%” has the meaning given by section 371BC(3), subject to sections 371BG(3)(a) and 371BH(3)(b).
- (8) Subject to what follows, terms used in this section which are defined in Part 7 (tax treatment of financing costs and income) have the same meaning as they have in Part 7.
- (9) In subsections (2) to (4) references to the tested income amount or the tested expense amount are to that amount determined without regard to any debits, credits or other amounts arising from UK banking business or insurance business.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (10) But subsection (9) does not apply for the purpose of determining any financing income amount under section 314A or affect the way in which any such amount is to be taken into account in determining the tested income amount or the tested expense amount.
- (11) “UK banking business or insurance business” means banking business or insurance business carried on by—
- (a) a UK resident company, or
 - (b) a non-UK resident company acting through a UK permanent establishment.
- (12) Part 7 has effect for the purposes of this section with the following modifications.
- (13) In section 261 (application of Part 7) the following are to be omitted—
- (a) in subsection (1), the words from “for which” to the end, and
 - (b) subsections (2) to (5).
- (14) Section 337(1)(a) (which limits “the worldwide group” to “large” groups) is to be omitted.

Determining the profits of a qualifying loan relationship

371IF Take the following steps to determine the profits of a qualifying loan relationship for the purposes of this Chapter.

Step 1 Determine the credits from the qualifying loan relationship which are brought into account in determining the CFC's non-trading finance profits. The result is “the step 1 credits”.

Step 2 Determine the credits and debits which are brought into account in determining the CFC's non-trading finance profits so far as they—

- (a) are from any derivative contract or other arrangement (other than a qualifying loan relationship) entered into by the CFC as a hedge of risk in connection with the qualifying loan relationship, and
- (b) are attributable to the hedge of risk.

If the credits exceed the debits add the excess to the step 1 credits and if the debits exceed the credits subtract the deficit from the step 1 credits. The result is “the step 2 credits”.

Step 3 Allocate to the qualifying loan relationship a just and reasonable proportion of the credits from the CFC's relevant debtor relationships which are brought into account in determining the CFC's non-trading finance profits (so far as not reflected in the step 2 credits). Add the credits to the step 2 credits. The result is “the step 3 credits”. A debtor relationship of the CFC is “relevant” if the loan which is the subject of it is used by the CFC to fund the loan which is the subject of the qualifying loan relationship

Step 4 Allocate to the qualifying loan relationship a just and reasonable proportion of the credits and debits which are brought into account in determining the CFC's non-trading finance profits so far as they—

- (a) are from any derivative contract or other arrangement (other than a qualifying loan relationship or a relevant debtor

relationship) entered into by the CFC as a hedge of risk in connection with a relevant debtor relationship, and

(b) are attributable to the hedge of risk.

If the credits exceed the debits add the excess to the step 3 credits and if the debits exceed the credits subtract the deficit from the step 3 credits. The result is “the step 4 credits”.

Step 5 Allocate to the qualifying loan relationship a just and reasonable proportion of—

(a) the debits from the CFC's loan relationships which are brought into account in determining the CFC's non-trading finance profits (so far as not reflected in the step 4 credits), and

(b) any amounts set off under Chapter 16 of Part 5 of CTA 2009 (non-trading deficits) against amounts which, apart from the set off, would be included in the CFC's non-trading finance profits.

Reduce the step 4 credits accordingly to give the profits of the qualifying loan relationship.

What is a “qualifying loan relationship”?

371I(G) In this Chapter “qualifying loan relationship” means a creditor relationship of the CFC—

- (a) the ultimate debtor in relation to which is a qualifying company, and
- (b) which is not prevented from being a qualifying loan relationship by section 371IH.

(2) In this Chapter “the ultimate debtor”, in relation to a creditor relationship of the CFC, means the debtor in relation to the creditor relationship.

This is subject to what follows.

(3) Subsection (4) or (5) (as the case may be) applies if—

- (a) there is a loan (“loan A”) which is the subject of a creditor relationship of the CFC,
- (b) loan A, or a part of loan A, is made and used to fund (directly or indirectly) another loan (“loan B”) to a person (“P”), and
- (c) loan B, or a part of loan B, is not made and used to fund (directly or indirectly) a further loan to any person.

(4) If all of loan A is made and used to fund (directly or indirectly) loan B, the ultimate debtor in relation to the CFC's creditor relationship mentioned in subsection (3)(a) is P.

(5) If only part of loan A is made and used to fund (directly or indirectly) loan B—

- (a) that part of loan A is to be treated for the purposes of this Chapter as a separate loan giving rise to a separate creditor relationship of the CFC, and
- (b) the ultimate debtor in relation to that separate creditor relationship is P.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) If the requirement of subsection (3)(c) is met in relation to a part of loan B only, in subsections (4) and (5) references to loan B are to be read as references to that part of loan B only.
- (7) But neither subsection (4) nor subsection (5) applies if—
- (a) the debtor (“D”) in relation to the CFC's creditor relationship is a qualifying company the main business of which is banking business or insurance business,
 - (b) the use of loan A, or the part of loan A, as mentioned in subsection (3)(b) occurs in the ordinary course of D's banking business or insurance business (as the case may be), and
 - (c) P is not a UK resident qualifying company.
- (8) In this section “qualifying company” means a company which—
- (a) is connected with the CFC, and
 - (b) is controlled by the UK resident person or persons who control the CFC.

Exclusions from definition of “qualifying loan relationship”

- 371I(1) If the ultimate debtor in relation to a creditor relationship of the CFC is a non-UK resident company, the creditor relationship cannot be a qualifying loan relationship so long as some or all of the company's debits—
- (a) are being brought into account for the purposes of Chapter 4 of Part 2 of CTA 2009 (UK permanent establishments of non-UK resident companies) in determining the company's profits which are attributable to a UK permanent establishment, or
 - (b) are being brought into account for the purposes of Part 3 of ITTOIA 2005 (property income) in determining the company's profits of a UK property business.
- (2) If the ultimate debtor in relation to a creditor relationship of the CFC is a UK resident company, the creditor relationship can be a qualifying loan relationship only so long as—
- (a) an election under section 18A of CTA 2009 (exemption for profits or losses of foreign permanent establishments) is in effect in relation to the company, and
 - (b) all the company's debits are being brought into account for the purpose of determining exemption adjustments in relation to the company under that section.
- (3) If the ultimate debtor in relation to a creditor relationship of the CFC is another CFC, the creditor relationship cannot be a qualifying loan relationship so long as—
- (a) some or all of the other CFC's debits are relevant to the application of Chapters 3 to 8 or Chapter 12 in the case of the other CFC, and
 - (b) as a result of that, the CFC charge is not being charged in relation to the other CFC's accounting periods or any sums charged are less than what they would otherwise have been.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) In subsections (1) to (3) references to the debits of the company which is the ultimate debtor in relation to a creditor relationship of the CFC are references to—
- (a) the ultimate debtor's debits in relation to the loan which is the subject of the CFC's creditor relationship, or
 - (b) if the ultimate debtor is determined in accordance with section 371IG(4) or (5), the ultimate debtor's debits in relation to loan B.
- (5) A creditor relationship of the CFC cannot be a qualifying loan relationship if it is, or is connected (directly or indirectly) to, an arrangement the main purpose, or one of the main purposes, of which is for the ultimate debtor in relation to the creditor relationship to provide (directly or indirectly) funding for—
- (a) a loan to another person, or
 - (b) so far as not covered by paragraph (a), an arrangement intended to produce for any person a return in relation to any amount which it is reasonable to suppose would be a return by reference to the time value of that amount of money.
- (6) Subsection (5) does not apply if—
- (a) the main business of the ultimate debtor is banking business or insurance business, and
 - (b) the funding for the loan or arrangement would be provided in the ordinary course of the ultimate debtor's banking business or insurance business (as the case may be).
- (7) A creditor relationship of the CFC cannot be a qualifying loan relationship if—
- (a) the main business of the ultimate debtor in relation to the creditor relationship is banking business or insurance business, and
 - (b) the creditor relationship is, or is connected (directly or indirectly) to, an arrangement the main purpose, or one of the main purposes, of which is for the ultimate debtor to provide (directly or indirectly) funding for a loan or arrangement as mentioned in subsection (5)(a) or (b) in order to obtain a tax advantage for the ultimate debtor.
- (8) A creditor relationship of the CFC cannot be a qualifying loan relationship if the loan which is the subject of the creditor relationship is made to any extent (other than a negligible one) out of funds received by the CFC (directly or indirectly)—
- (a) from a relevant UK connected company other than by way of a loan, or
 - (b) as a result of an arrangement which gives rise to a deduction in the calculation of the profits of a trade of a relevant UK connected company (apart from the ultimate debtor) for the purposes of Part 3 of CTA 2009 (trading income).
- (9) For the purposes of subsection (8) a company is “relevant UK connected” if—
- (a) the company is a UK resident company connected with the CFC,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) the company's main business is banking business or insurance business, and
 - (c) the company's banking business or insurance business (as the case may be) is a trade.
- (10) A creditor relationship of the CFC cannot be a qualifying loan relationship if—
- (a) the CFC receives relevant UK funds or other assets for the purpose of funding the loan which is the subject of the CFC's creditor relationship,
 - (b) the provision of the relevant UK funds or other assets is itself funded (wholly or partly and directly or indirectly) by a loan made to a UK connected company by—
 - (i) a non-UK resident person, or
 - (ii) a UK resident person who is not connected with the CFC,
 - (c) the relevant loan is wholly or mainly used to repay wholly or partly another loan made to the ultimate debtor by a person not connected with the ultimate debtor, and
 - (d) the events mentioned in paragraphs (a) to (c) take place under, or are otherwise connected (directly or indirectly) with, an arrangement the main purpose, or one of the main purposes, of which is to obtain a tax advantage for any person.
- (11) In subsection (10)—
- (a) “relevant UK funds or other assets” and “UK connected company” have the same meaning as in section 371EC, and
 - (b) in paragraph (c) “the relevant loan” means—
 - (i) the loan which is the subject of the CFC's creditor relationship, or
 - (ii) if the ultimate debtor is determined in accordance with section 371IG(4) or (5), loan B.
- (12) In subsections (4)(b) and (11)(b)(ii) references to loan B do not include any part of loan B—
- (a) which loan A is not made and used to fund, or
 - (b) in relation to which the requirement of section 371IG(3)(c) is not met.

Power to amend definitions

371II The HMRC Commissioners may by regulations amend this Chapter—

- (a) so as to amend the definition of “qualifying resources” for the purposes of section 371IB, or
- (b) so as to amend the definition of “qualifying loan relationship” or “ultimate debtor” for the purposes of this Chapter.

Claims

371I(1) A claim under this Chapter must be made by being included in company C's company tax return for the relevant corporation tax accounting period (as defined in section 371BC(3)).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) The claim may be included in the return originally made or by amendment.
- (3) The claim may be amended or withdrawn by company C only by amending the return.
- (4) A claim under this Chapter may be made, amended or withdrawn at any time up to whichever is the last of the following dates—
 - (a) the first anniversary of the filing date for company C's company tax return for the relevant corporation tax accounting period under paragraph 14 of Schedule 18 to FA 1998;
 - (b) if notice of enquiry is given into that return under paragraph 24 of that Schedule, 30 days after the enquiry is completed;
 - (c) if after such an enquiry an officer of Revenue and Customs amends the return under paragraph 34(2) of that Schedule, 30 days after notice of the amendment is issued;

- (7) The time limits otherwise applicable to amendment of a company tax return do not apply to an amendment to the extent that it makes, amends or withdraws a claim under this Chapter within the time allowed by or under this section.
- (8) In subsection (4) references to an enquiry into a company tax return do not include an enquiry restricted to a previous amendment making, amending or withdrawing a claim under this Chapter.
- (9) An enquiry is so restricted if—

CHAPTER 10

THE EXEMPT PERIOD EXEMPTION

Introduction to Chapter

371JA1) This Chapter sets out an exemption called “the exempt period exemption” for the purposes of section 371BA(2)(b).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) Section 371JE also provides for adjustments of profits which would otherwise pass through the CFC charge gateway (see section 371BB(2)(b)) linked to the exempt period exemption.

The basic rule

- 371J(B) The exempt period exemption applies for a CFC's accounting period if—
- (a) the accounting period ends during an exempt period of the CFC (see sections 371JC and 371JD),
 - (b) the subsequent period condition is met, and
 - (c) the chargeable company condition is met.
- (2) The subsequent period condition is met if—
- (a) the CFC does not cease to be a CFC before having at least one accounting period which begins after the end of the exempt period, and
 - (b) section 371BC (charging the CFC charge) does not apply in relation to the CFC's first accounting period to begin after the end of the exempt period (see section 371BA(2)).
- (3) The chargeable company condition is met if, at all times during the relevant period—
- (a) the charging condition in section 371JC is met, and
 - (b) each company which would be a chargeable company for the purposes of that condition is an original chargeable company or is connected with an original chargeable company.
- (4) In subsection (3)—
- “original chargeable company” means a company which, for the purposes of the charging condition in section 371JC, would be a chargeable company at the beginning of the exempt period, and
- “the relevant period” means the period which—
- (a) begins immediately after the beginning of the exempt period, and
 - (b) ends at the end of the CFC's first accounting period to begin after the end of the exempt period.
- (5) This section is subject to section 371JF (anti-avoidance).

When does an exempt period begin?

- 371J(C) An exempt period of a CFC begins at any time (“the relevant time”) during an accounting period of the CFC if—
- (a) the initial condition is met,
 - (b) the charging condition is met at the relevant time, and
 - (c) at no time during the relevant preceding period (if there is one) is the charging condition met.
- (2) The initial condition is met if—
- (a) immediately before the relevant time, the company (“C”) which is the CFC is carrying on a business, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) if the relevant time is the time at which C is incorporated or formed, C is incorporated or formed by one or more persons for the purpose of controlling one or more companies in circumstances where it is expected that an exempt period will begin in relation to one or more of those companies when C begins to control the company or companies.
- (3) To determine if the charging condition is met at any time, assume—
 - (a) that the company which is the CFC is a CFC at the time in question if that is not otherwise the case,
 - (b) that the time in question is itself an accounting period of the CFC, and
 - (c) that section 371BC (charging the CFC charge) applies in relation to the assumed accounting period.
- (4) The charging condition is met at the time in question if, as a result of steps 1, 3 and 4 in section 371BC(1), there would be one or more chargeable companies in relation to the assumed accounting period.
- (5) “The relevant preceding period” means the period of 12 months ending immediately before the relevant time, excluding any part of that period during which the company which is the CFC does not exist.

How long is an exempt period?

- 371J**D**) Subject to what follows, an exempt period of a CFC lasts 12 months.
- (2) Subsection (3) applies if a notice is given to an officer of Revenue and Customs requesting that the length of an exempt period of a CFC be extended (or further extended).
 - (3) An officer of Revenue and Customs may extend (or further extend) the length of the exempt period.
 - (4) A notice under subsection (2) must be given no later than the end of the exempt period (as it stands at the time the notice is given).
 - (5) A notice under subsection (2) may be given only by a company which, at the time the notice is given, would be a chargeable company for the purposes of the charging condition in section 371JC.

Adjustment of profits passing through the CFC charge gateway

- 371J**E**) This section applies for a CFC's accounting period if—
- (a) the accounting period begins, but does not end, during an exempt period of the CFC, and
 - (b) the subsequent period condition and the chargeable company condition in section 371JB are both met.
- (2) The CFC's assumed total profits which would otherwise pass through the CFC charge gateway are to be adjusted to ensure that no profits which arise in the exempt period, as determined on a just and reasonable basis, pass through the CFC charge gateway.
 - (3) This section is subject to section 371JF (anti-avoidance).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Anti-avoidance

371J(F) The exempt period exemption does not apply for a CFC's accounting period (“the relevant accounting period”) if condition A or B is met.

(2) Condition A is that—

- (a) an arrangement is entered into at any time,
- (b) the main purpose, or one of the main purposes, of the arrangement is to secure a tax advantage for any person,
- (c) the arrangement is linked to the exempt period exemption applying or being expected to apply (apart from this section)—
 - (i) for the relevant accounting period, or
 - (ii) for that period and one or more other accounting periods of the CFC, and
- (d) the arrangement involves one or both of the following—
 - (i) the CFC holding assets which give rise to non-trading finance profits or trading finance profits of the CFC, or
 - (ii) the CFC holding intellectual property which gives rise to any income of the CFC.

(3) Condition B is that—

- (a) an arrangement is entered into at any time,
- (b) in consequence of the arrangement, the length of any accounting period of the CFC is less than 12 months, and
- (c) the main purpose, or one of the main purposes, of the arrangement is to secure that the exempt period exemption applies—
 - (i) for the relevant accounting period, or
 - (ii) for that period and one or more other accounting periods of the CFC.

(4) In this section references to the exempt period exemption include references to section 371JE.

Amendment of company tax returns

371J(G) This section applies in relation to a company's company tax return for a corporation tax accounting period if an exempt period of a CFC falls (wholly or partly) in the corporation tax accounting period.

- (2) Any amendment of the return which relates to the application (or non-application) of the exempt period exemption or section 371JE for an accounting period of the CFC may be made by the company at any time no later than 12 months after the relevant filing date.
- (3) “The relevant filing date” means the date which is the filing date under paragraph 14 of Schedule 18 to FA 1998 for the company's company tax return for its corporation tax accounting period in which ends the CFC's first accounting period to begin after the end of the exempt period.
- (4) “Corporation tax accounting period” means an accounting period for corporation tax purposes.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

CHAPTER 11

THE EXCLUDED TERRITORIES EXEMPTION

Introduction to Chapter

371KA This Chapter sets out an exemption called “the excluded territories exemption” for the purposes of section 371BA(2)(b).

The basic rule

371K(1) The excluded territories exemption applies for a CFC's accounting period if—

- (a) the CFC is resident (see section 371KC) in an excluded territory for the accounting period,
 - (b) the total of the following amounts is no more than the threshold amount for the accounting period (see section 371KD)—
 - (i) the CFC's category A income (if any) for the accounting period (see sections 371KE and 371KF),
 - (ii) the CFC's category B income (if any) for the accounting period (see section 371KG),
 - (iii) the CFC's category C income (if any) for the accounting period (see section 371KH), and
 - (iv) the CFC's category D income (if any) for the accounting period (see section 371KI),
 - (c) the IP condition is met (see section 371KJ), and
 - (d) the CFC is not, at any time during the accounting period, involved in an arrangement the main purpose, or one of the main purposes, of which is to obtain a tax advantage for any person.
- (2) In this Chapter “excluded territory” means a territory specified as such in regulations made by the HMRC Commissioners.
- (3) The HMRC Commissioners may also by regulations, in relation to CFCs resident in a specified excluded territory or to other specified cases, do one or more of the following—
- (a) provide that one or both of the requirements set out in subsection (1)(b) and (c) does not have to be met in order for the excluded territories exemption to apply;
 - (b) modify one or both of those requirements, including by modifying any provision of this Chapter mentioned in subsection (1)(b) or (c);
 - (c) specify further requirements which must be met in order for the excluded territories exemption to apply.
- (4) If an amount is included in more than one of the categories of income mentioned in subsection (1)(b)(i) to (iv), the amount is to be counted only once in determining if the threshold amount is exceeded.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

How to determine the territory in which a CFC is resident

- 371K(C) For the purposes of this Chapter the territory in which a CFC is resident for an accounting period is to be determined in accordance with this section; and in this Chapter “the CFC's territory” means that territory as so determined.
- (2) The CFC is taken to be resident in the territory determined in accordance with section 371TA.
 - (3) But section 371TA(1)(b) is to be applied only if, at all times during the accounting period, the CFC or persons with interests in the CFC are liable under the law of the territory in question to tax on the CFC's income.
 - (4) If, as a result of subsection (3), no territory of residence can be determined, the excluded territories exemption cannot apply for the accounting period.

What is “the threshold amount”?

- 371K(D) The threshold amount for a CFC's accounting period is—
- (a) 10% of the CFC's accounting profits for the accounting period, or
 - (b) if more, £50,000.
- (2) If the accounting period is less than 12 months, the amount specified in subsection (1)(b) is to be reduced proportionately.
 - (3) In this Chapter references to a CFC's accounting profits for an accounting period are to be read ignoring section 371VD(7) and (8).

Category A income: the basic rule

- 371K(E) A CFC's category A income for an accounting period consists of any gross amounts (that is, amounts before deduction of expenses or transfers to or from reserves) of any relevant income to which subsection (3), (4) or (5) applies. This is subject to section 371KF.
- (2) “Relevant income” means any income of the CFC which—
 - (a) is brought into account in determining the CFC's accounting profits for the accounting period, or
 - (b) is not so brought into account but arises in the accounting period.
 - (3) This subsection applies to any relevant income (apart from any dividend or other distribution of a company) so far as it is exempt from tax in the CFC's territory.
 - (4) This subsection applies to any relevant income so far as the tax which falls to be paid in respect of the relevant income in the CFC's territory is at a reduced rate by virtue of a provision having effect under the law of that territory the purpose of which is (wholly or mainly) to encourage (directly or indirectly) investment in that territory.
 - (5) This subsection applies to any relevant income if—
 - (a) any tax falls to be paid in respect of the relevant income in the CFC's territory,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) under the law of that territory, the CFC, any person who has an interest in the CFC or any person connected with the CFC is entitled to any repayment of tax or any payment in respect of a credit for tax, and
- (c) that repayment or payment—
 - (i) is directly or indirectly in respect of the whole or part of the tax mentioned in paragraph (a), but
 - (ii) is not a form of relief in respect of losses incurred by the CFC.

Category A income: permanent establishments in excluded territories

371K(F) This section applies if—

- (a) a CFC's category A income for an accounting period would include (apart from this section) the gross amount of any relevant income which arises from the activities of a permanent establishment (“PE”) which the CFC has in a territory outside the CFC's territory, and
 - (b) the territory in which PE is established is an excluded territory.
- (2) The gross amount of that relevant income is to be included in the CFC's category A income only so far as it would also have been included had the references in section 371KE(3) to (5) to the CFC's territory instead been references to the territory in which PE is established.

Category B income

371K(G) A CFC's category B income for an accounting period consists of any notional interest which—

- (a) is deducted from any of the CFC's relevant income for tax purposes under the law of the CFC's territory or any territory in which the CFC has a permanent establishment, but
 - (b) is not deducted in determining the CFC's assumed taxable total profits for the accounting period.
- (2) But the CFC's category B income is not to exceed its relevant non-local income.
- (3) “Notional interest” means an amount representing a notional interest expense or other financing charge calculated by reference to any of the CFC's equity or debt.
- (4) “Relevant income” has the same meaning as in section 371KE.
- (5) “Relevant non-local income” means the gross amount (that is, the amount before deduction of expenses or transfers to or from reserves) of any non-trading income—
- (a) which is included in the CFC's relevant income, and
 - (b) which is received (directly or indirectly) from—
 - (i) a person resident outside the CFC's territory, or
 - (ii) a permanent establishment which a person resident in the CFC's territory (apart from the CFC itself) has in a territory outside the CFC's territory.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Category C income

371KH A CFC's category C income for an accounting period is the total of the following amounts—

- (a) amounts included in the CFC's accounting profits for the period which fall within section 371VD(4)(a) (whether or not those amounts would have been included in those profits apart from section 371VD(4)(a)), and
- (b) amounts included in those profits by virtue only of section 371VD(4)(b).

Category D income

371K(1) A CFC's category D income for an accounting period consists of the gross amounts (that is, the amounts before deduction of expenses or transfers to or from reserves) of any income which—

- (a) is brought into account in determining the CFC's accounting profits for the accounting period, and
- (b) is to be included in the CFC's category D income in accordance with subsection (3) or (4).

(2) Subsection (3) applies if—

- (a) income arises from any provision made or imposed by means of an arrangement as between the CFC and any company connected with the CFC,
- (b) in the CFC's territory, the income is reduced by an amount (“the relevant amount”) for tax purposes on the basis that the income is more than what it would have been had the company connected with the CFC not been connected with the CFC, and
- (c) there is not in any territory a corresponding increase for tax purposes in the income of a company connected with the CFC.

(3) The relevant amount is to be included in the CFC's category D income.

(4) Income is to be included in the CFC's category D income so far as the tax which falls to be paid in respect of the income in the CFC's territory is at a reduced rate by virtue of a ruling or other decision or an arrangement made in relation to the CFC by a governmental authority in that territory.

The IP condition

371K(1) This section applies for the purposes of section 371KB(1)(c).

(2) The IP condition is met unless—

- (a) the CFC's assumed total profits for the accounting period include amounts arising from intellectual property held by the CFC (“the exploited IP”),
- (b) all or parts of the exploited IP were—
 - (i) transferred (directly or indirectly) to the CFC by persons related to the CFC at times during the relevant period, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (ii) otherwise derived (directly or indirectly) at times during that period out of or from intellectual property held at times during that period by persons related to the CFC,
 - (c) as a result of those transfers or other derivations, the value of the intellectual property held by those persons related to the CFC, taken together, has been significantly reduced from what it would otherwise have been, and
 - (d) if only parts of the exploited IP were so transferred or derived, the significance condition is met.
- (3) The significance condition is met if—
- (a) the parts of the exploited IP (“the UK derived IP”) which were transferred or otherwise derived as mentioned in subsection (2)(b) are, taken together, a significant part of the exploited IP, or
 - (b) as a result of the transfers or other derivations of the UK derived IP, the CFC's assumed total profits for the accounting period are significantly higher than what they would otherwise have been.
- (4) In relation to a non-UK resident person who is related to the CFC, in this section references to the transfer or holding of intellectual property by a person related to the CFC are limited to, as the case may be—
- (a) the transfer of intellectual property which before the transfer was held by the non-UK resident person (wholly or partly) for the purposes of a permanent establishment which the person has in the United Kingdom, or
 - (b) the holding of intellectual property by the non-UK resident person (wholly or partly) for those purposes.
- (5) “The relevant period” means the period covering the accounting period and the 6 years before the accounting period.

CHAPTER 12

THE LOW PROFITS EXEMPTION

Introduction to Chapter

371LA This Chapter sets out an exemption called “the low profits exemption” for the purposes of section 371BA(2)(b).

The basic rule

371LB (1) The low profits exemption applies for a CFC's accounting period if subsection (2), (3), (4) or (5) applies.

- (2) This subsection applies if the CFC's accounting profits for the accounting period are no more than £50,000.
- (3) This subsection applies if the CFC's assumed taxable total profits for the accounting period are no more than £50,000.
- (4) This subsection applies if—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) the CFC's accounting profits for the accounting period are no more than £500,000, and
 - (b) the amount of those profits representing non-trading income is no more than £50,000.
- (5) This subsection applies if—
- (a) the CFC's assumed taxable total profits for the accounting period are no more than £500,000, and
 - (b) the amount of those profits representing non-trading income is no more than £50,000.
- (6) If the accounting period is less than 12 months, the amounts specified in subsections (2), (3), (4)(a) and (b) and (5)(a) and (b) are to be reduced proportionately.

Anti-avoidance

371L(1) The low profits exemption does not apply for a CFC's accounting period (“the relevant accounting period”) if condition A or B is met.

- (2) Condition A is that—
- (a) an arrangement is entered into at any time,
 - (b) in consequence of the arrangement, the low profits exemption would (apart from this section) apply for the relevant accounting period, and
 - (c) the main purpose, or one of the main purposes, of the arrangement is to secure that the low profits exemption applies—
 - (i) for the relevant accounting period, or
 - (ii) for that period and one or more other accounting periods of the CFC.
- (3) Condition B is that, at any time during the relevant accounting period, the CFC's business is, wholly or mainly, the provision of UK intermediary services.
- (4) For the purposes of subsection (3) the CFC provides “UK intermediary services” if—
- (a) a UK resident individual (“the service provider”) personally performs, or is under an obligation personally to perform, services in the United Kingdom for a person (“the client”), and
 - (b) the services are provided not under a contract directly between the service provider and the client but under an arrangement involving the CFC.
- (5) The low profits exemption does not apply for a CFC's accounting period by virtue of section 371LB(2) or (4) if condition C is met.
- (6) Condition C is that, in determining the CFC's assumed taxable total profits for the accounting period, Part 21B of CTA 2010 (group mismatch schemes) has effect so as to exclude an amount from being brought into account as a debit or credit for the purposes of Part 5 of CTA 2009 (loan relationships) or Part 7 of that Act (derivative contracts).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

CHAPTER 13

THE LOW PROFIT MARGIN EXEMPTION

Introduction to Chapter

371MA This Chapter sets out an exemption called “the low profit margin exemption” for the purposes of section 371BA(2)(b).

The basic rule

371MB) The low profit margin exemption applies for a CFC's accounting period if the CFC's accounting profits for the period are no more than 10% of the CFC's relevant operating expenditure.

- (2) In this section references to the CFC's accounting profits are to those profits as determined before any deduction for interest.
- (3) The CFC's “relevant operating expenditure” is its operating expenditure brought into account in determining its accounting profits for the accounting period, excluding—
 - (a) the cost of goods purchased by the CFC, other than goods used by the CFC in the territory in which it is resident for the accounting period, and
 - (b) any expenditure which gives rise, directly or indirectly, to income of a person related to the CFC.

Anti-avoidance

371MC The low profit margin exemption does not apply for a CFC's accounting period (“the relevant accounting period”) if—

- (a) an arrangement is entered into at any time,
- (b) in consequence of the arrangement, the low profit margin exemption would (apart from this section) apply for the relevant accounting period, and
- (c) the main purpose, or one of the main purposes, of the arrangement is to secure that the low profit margin exemption applies—
 - (i) for the relevant accounting period, or
 - (ii) for that period and one or more other accounting periods of the CFC.

CHAPTER 14

THE TAX EXEMPTION

Introduction to Chapter

371NA This Chapter sets out an exemption called “the tax exemption” for the purposes of section 371BA(2)(b).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

The basic rule

371NB(1) Take the following steps to determine if the tax exemption applies for a CFC's accounting period.

Step 1 Applying section 371TB, determine the territory (“the CFC's territory”) in which the CFC is resident for the accounting period. If no territory of residence can be determined by applying section 371TB, the tax exemption cannot apply and no further steps are to be taken.

Step 2 Determine the amount of tax (“the local tax amount”) which is paid in the CFC's territory in respect of the CFC's local chargeable profits arising in the accounting period (applying section 371NC so far as relevant). If the local tax amount is determined under designer rate tax provisions (see section 371ND), the tax exemption cannot apply and step 3 is not to be taken.

Step 3 In accordance with section 371NE, determine the amount of the corresponding UK tax for the accounting period. The tax exemption applies if the local tax amount is at least 75% of the corresponding UK tax.

- (2) Subsection (3) applies if an amount of tax is paid in the CFC's territory by a person (whether or not the CFC) in respect of any of the CFC's local chargeable profits arising in the accounting period taken together with other amounts.
- (3) For the purposes of step 2 in subsection (1) the amount of tax is to be apportioned between the CFC's local chargeable profits in question and the other amounts on a just and reasonable basis.
- (4) In this Chapter references to the CFC's local chargeable profits are to its profits as determined for tax purposes under the law of the CFC's territory, ignoring any capital gains or losses.

Reductions to “the local tax amount”

371NQ(1) This section applies for the purposes of step 2 in section 371NB(1).

- (2) The local tax amount is to be reduced to what it would have been—
 - (a) had any income, or any income and expenditure (where the income exceeds the expenditure), to which subsection (3) applies not been brought into account in determining the CFC's local chargeable profits arising in the accounting period in respect of which tax is paid in the CFC's territory, and
 - (b) had any expenditure to which subsection (4) applies been brought into account in determining those profits.
- (3) This subsection applies to any income, or any income and expenditure, of the CFC—
 - (a) which is brought into account in determining the CFC's local chargeable profits arising in the accounting period in respect of which tax is paid in the CFC's territory, but
 - (b) which does not fall to be brought into account in determining the CFC's assumed taxable total profits for the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) This subsection applies to any expenditure of the CFC—
 - (a) which is not brought into account in determining the CFC's local chargeable profits arising in the accounting period in respect of which tax is paid in the CFC's territory, but
 - (b) which does fall to be brought into account in determining the CFC's assumed taxable total profits for the accounting period.
- (5) Subsection (6) applies if—
 - (a) in the CFC's territory any tax falls to be paid in respect of the CFC's local chargeable profits arising in the accounting period,
 - (b) under the law of that territory, any repayment of tax, or any payment in respect of a credit for tax, is made to any person, and
 - (c) that repayment or payment is directly or indirectly in respect of the whole or part of the tax mentioned in paragraph (a).
- (6) The local tax amount is to be reduced (or further reduced after any reduction under subsection (2)) by the amount of that repayment or payment.

What are “designer rate tax provisions”?

- 371ND(1) For the purposes of step 2 in section 371NB(1) “designer rate tax provisions” means provisions—
- (a) which appear to the HMRC Commissioners to be designed to enable companies to exercise significant control over the amount of tax which they pay, and
 - (b) which are specified in regulations made by the HMRC Commissioners.
- (2) Regulations under subsection (1) may make different provision for different cases or with respect to different territories.

How to determine “the corresponding UK tax”

- 371NE(1) For the purposes of step 3 in section 371NB(1) “the corresponding UK tax” is the amount of corporation tax which, applying the corporation tax assumptions, would be charged in respect of the CFC's assumed taxable total profits for the accounting period.
- (2) In determining that amount of corporation tax—
- (a) ignore any relief from corporation tax attributable to the local tax amount which would be given to the CFC by virtue of Part 2 (double taxation relief) in respect of any income, and
 - (b) deduct from what would otherwise be that amount of corporation tax—
 - (i) any amount which, applying the corporation tax assumptions, would be set off against corporation tax on the CFC's assumed taxable total profits by virtue of section 967 of CTA 2010 (cases in which a company receives a payment bearing income tax), and
 - (ii) any amount of income tax or corporation tax actually charged in respect of any income included in the CFC's assumed taxable total profits.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) In subsection (2)(b) the references to an amount being set off or an amount actually charged do not include so much of any such amount as has been or falls to be repaid to the CFC whether on the making of a claim or otherwise.

CHAPTER 15

RELEVANT INTERESTS IN A CFC

Introduction

Application of Chapter

- 3710A This Chapter applies for the purpose of determining the persons who have “relevant interests” in a CFC for the purposes of step 1 in section 371BC(1).

Provision about interpretation

- 3710B(1) This section applies for the purposes of this Chapter.
- (2) A person's interest in a company is an “indirect” interest so far as the person has the interest by virtue of having an interest in another company; and references to a “direct” interest in a company are to be read accordingly.
- (3) An interest held by an open-ended investment company within the meaning of Chapter 2 of Part 13 of CTA 2010 (see sections 613 and 615) is treated as held by the company's shareholders in proportion to their shareholdings.
- (4) An interest held by the trustees of an authorised unit trust is treated as held by the persons who have rights under the trust in proportion to their rights.
- (5) An interest held by a bare trustee or nominee (including by virtue of subsection (3) or (4)) is treated as held by the person or persons for whom the bare trustee or nominee holds the interest.
- (6) “Bare trustee” means a person acting as trustee for—
- (a) a person absolutely entitled as against the trustee,
 - (b) two or more persons who are so entitled,
 - (c) a person who would be so entitled but for being a minor or otherwise lacking legal capacity, or
 - (d) two or more persons who would be so entitled but for all or any of them being a minor or otherwise lacking legal capacity.
- (7) Subsection (8) applies in a case not covered by subsection (5) if—
- (a) an interest is held in a fiduciary or representative capacity (including by virtue of subsection (3) or (4)), and
 - (b) there are one or more identifiable beneficiaries.
- (8) The interest is taken to be held by that beneficiary or, as the case may be, apportioned between those beneficiaries on a just and reasonable basis.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

What is a “relevant interest” in a CFC?

“Relevant interests” of UK resident companies

371O(1) A UK resident company's interest in a CFC is a “relevant interest”, except so far as subsection (2) applies to it.

- (2) This subsection applies to the interest so far as it is an indirect interest which the UK resident company has by virtue of having an interest in another UK resident company.

“Relevant interests” of persons related to UK resident companies

371O(1) This section applies if, by virtue of section 371OC, a UK resident company (“UKRC”) has a relevant interest in a CFC.

- (2) A related person's interest in the CFC is a “relevant interest”, except so far as subsection (4) or (5) applies to it.
- (3) “Related person” means a person, other than a UK resident company, who is connected or associated with UKRC.
- (4) This subsection applies to the related person's interest so far as it is an indirect interest which the related person has by virtue of having an interest in a UK resident company or another related person.
- (5) This subsection applies to the interest so far as it is the same as UKRC's relevant interest in the CFC by virtue of UKRC having an interest in the related person.

Other “relevant interests”

371O(1) This section applies if a person (“P”) has a direct interest in a CFC which is not a relevant interest by virtue of section 371OC or 371OD.

- (2) P's direct interest is a “relevant interest”, except so far as subsection (3) applies to it.
- (3) This subsection applies to P's direct interest so far as it is the same as another person's relevant interest in the CFC by virtue of the other person having an interest in P.
- (4) In subsection (3) the reference to another person's relevant interest is to another person's relevant interest by virtue of section 371OC or 371OD.

CHAPTER 16

CREDITABLE TAX OF A CFC

What is “creditable tax”?

371P(1) For the purposes of step 2 in section 371BC(1) a CFC's creditable tax for an accounting period is the total of—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) the amount of any relief from corporation tax attributable to any foreign tax which, applying the corporation tax assumptions, would be given to the CFC by virtue of Part 2 (double taxation relief) in respect of any income included or represented in the CFC's chargeable profits for the accounting period,
 - (b) any amount of relevant income tax which, applying the corporation tax assumptions, would be set off against corporation tax on the CFC's chargeable profits for the accounting period by virtue of section 967 of CTA 2010 (cases in which a company receives a payment bearing income tax),
 - (c) any amount of income tax or corporation tax actually charged in respect of any income included or represented in the CFC's chargeable profits for the accounting period, and
 - (d) any amount of a foreign CFC charge paid in respect of any income included or represented in the CFC's chargeable profits for the accounting period.
- (2) In subsection (1)(a) “foreign tax” means—
- (a) the local tax amount, or
 - (b) any tax under the law of a relevant foreign territory.
- (3) In subsection (1)(b) “relevant income tax” means income tax which the CFC bears by deduction on a payment so far as the payment is included or represented in the CFC's chargeable profits.
- (4) In subsection (1)(d) “foreign CFC charge” means a charge under the law of a relevant foreign territory (by whatever name known) which is similar to the CFC charge.
- (5) In subsection (1)(b) to (d) references to an amount being set off, an amount actually charged or an amount paid do not include so much of any such amount as has been or falls to be repaid to the CFC or any other person whether on the making of a claim or otherwise.
- (6) “Relevant foreign territory” means a territory outside the United Kingdom other than the territory in which the CFC is resident for the accounting period.

CHAPTER 17

APPORTIONMENT OF A CFC'S CHARGEABLE PROFITS AND CREDITABLE TAX

Introduction

Application of Chapter

- 371QA This Chapter applies for the purpose of apportioning a CFC's chargeable profits and creditable tax for an accounting period among the relevant persons as required by step 3 in section 371BC(1).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Provision about interpretation

- 371QB) This section applies for the purposes of this Chapter.
- (2) Section 371OB applies as it applies for the purposes of Chapter 15.
 - (3) “Ordinary shares”, in relation to any company, means shares of a single class, however described, which is the only class of share issued by the company.
 - (4) For the purposes of subsection (3)—
 - (a) “share” includes a fraction of a share, and
 - (b) shares issued by a company which are paid up to different amounts are not to be taken to be of a single class.
 - (5) A person (“P”) holds ordinary shares in the CFC “indirectly” if P directly holds ordinary shares in a company which is share-linked to the CFC.
 - (6) A company is “share-linked” to the CFC if it has an interest in the CFC only by virtue of it holding directly—
 - (a) ordinary shares in the CFC, or
 - (b) ordinary shares in another company which is share-linked to the CFC (whether by virtue of paragraph (a) or this paragraph),and “share-linked company” means a company which is share-linked to the CFC.

How are the apportionments to be made?

The basic rules

- 371QC) If conditions X to Z are met, the CFC's chargeable profits and creditable tax are to be apportioned among the relevant persons in accordance with section 371QD.
- (2) If not, the percentage of the chargeable profits and the percentage of the creditable tax to be apportioned to each relevant person is to be determined on a just and reasonable basis.
 - (3) Condition X is that the relevant persons all have their relevant interests by virtue only of their holding, directly or indirectly, ordinary shares in the CFC.
 - (4) Condition Y is that each relevant person meets the requirement that the person is either—
 - (a) UK resident at all times during the accounting period, or
 - (b) non-UK resident at all times during the accounting period.
 - (5) Condition Z is that no company which has an intermediate interest in the CFC at any time in the accounting period has that interest otherwise than by virtue of holding, directly or indirectly, ordinary shares in the CFC.
 - (6) A company (“C”) has an “intermediate interest” in the CFC if—
 - (a) C has an interest in the CFC, and
 - (b) one or more of the relevant persons have relevant interests in the CFC by virtue of having an interest in C.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Apportionments to be made in proportion to shareholding

- 371QD) If conditions X to Z in section 371QC are met, apply subsections (2) and (3) to each relevant person.
- (2) Determine the percentage (“P%”) of the issued ordinary shares in the CFC represented by the relevant person's relevant interest.
 - (3) P% of the CFC's chargeable profits and P% of the CFC's creditable tax is then apportioned to the relevant person.
 - (4) This section is supplemented by sections 371QE and 371QF.

Indirect shareholdings

- 371QE) This section applies to the relevant interest of a relevant person (“R”) so far as R has that interest by virtue of holding, indirectly, ordinary shares in the CFC (“the relevant shares”).
- (2) The percentage of the issued ordinary shares in the CFC represented by R's relevant interest (so far as this section applies to it) is given by the following formula—

$$P \times S$$

where—

P is the product of the appropriate fractions of R and each of the share-linked companies through which R indirectly holds the relevant shares, other than the share-linked company which directly holds the relevant shares, and

S is the percentage of the issued ordinary shares in the CFC which the relevant shares represent.

- (3) “The appropriate fraction”, in relation to any person who directly holds ordinary shares in a share-linked company, means that fraction of the issued ordinary shares in the share-linked company which the holding represents.
- (4) If R has different indirect holdings of shares in the CFC (as in the case where different shares are held through different share-linked companies)—
 - (a) apply subsection (2) separately in relation to each holding (reading references to the relevant shares accordingly), and
 - (b) then add the separate results together to give the total percentage of the issued ordinary shares in the CFC represented by R's relevant interest (so far as this section applies to it).

Variable shareholdings

- 371QF) This section applies if the percentage of the issued ordinary shares in the CFC represented by a relevant person's relevant interest varies during the accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) That percentage is taken to be the percentage equal to the sum of the relevant percentages for each holding period.
- (3) “Holding period” means a part of the accounting period during which the percentage of the issued ordinary shares in the CFC represented by the relevant person's relevant interest remains the same.
- (4) “Relevant percentage”, in relation to a holding period, means the percentage given by the following formula—

$$\frac{P \times H}{A}$$

where—

P is the percentage of the issued ordinary shares in the CFC represented by the relevant person's relevant interest during the holding period,

H is the number of days in the holding period, and

A is the number of days in the accounting period.

Anti-avoidance

- 371Q(1) This section applies in relation to an accounting period (“the relevant accounting period”) of a CFC if—
- (a) at any time an arrangement is entered into, and
 - (b) the main purpose, or one of the main purposes, of the arrangement is to obtain for any person a tax advantage within section 1139(2) (da) of CTA 2010 in relation to—
 - (i) the relevant accounting period, or
 - (ii) that period and one or more other accounting periods of the CFC.
- (2) The CFC's chargeable profits and creditable tax for the relevant accounting period are to be apportioned in accordance with section 371QC(2) (and not section 371QD if that section would otherwise apply).
 - (3) The apportionments must (in particular) be made in a way which, so far as practicable, counteracts the effects of the arrangement mentioned in subsection (1)(a) so far as those effects are referable to the purpose mentioned in subsection (1)(b).

CHAPTER 18

CONTROL ETC

Overview of Chapter

- 371RA(1) Sections 371RB and 371RE set out how to determine for the purposes of this Part if a company is “controlled” by another person or persons.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (2) Section 371RC sets out certain cases in which a non-UK resident company which would not otherwise be a CFC is to be taken to be a CFC for the purposes of this Part.

 - (b) if the whole of C's income were distributed, receive (directly or indirectly and whether at the time of the distribution or later) over 50% of the distributed amount, or
 - (c) in the event of the winding-up of C or in any other circumstances, receive (directly or indirectly and whether at the time of the winding-up or other circumstances or later) over 50% of C's assets which would then be available for distribution.
- (3) For the purposes of subsection (2) any rights which P has as a relevant bank are to be ignored.
- (4) In subsection (2)—
- (a) in paragraph (a) the reference to C's share capital is to C's share capital excluding any share capital held by relevant banks,
 - (b) in determining for the purposes of paragraph (b) the percentage of the distributed amount which it is reasonable to suppose P would receive, ignore any rights of a relevant bank which would entitle the bank directly to receive a percentage of the distributed amount at the time of the distribution, and
 - (c) in determining for the purposes of paragraph (c) the percentage of C's assets which it is reasonable to suppose P would receive, ignore any rights of a relevant bank which would entitle the bank directly to receive a percentage of C's assets at the time of the winding-up or other circumstances.
- (5) “Relevant bank” means a person (“RB”) who—
- (a) carries on banking business which is regulated in the territory in which RB is resident, and
 - (b) is acting, in the ordinary course of that business, in relation to money lent to C by RB in the ordinary course of that business.

- 371R(1) This section applies to a non-UK resident company (“C”) if—
- (a) in accordance with section 371RB(7), two persons (“the controllers”) control C, and
 - (b) one of the controllers is UK resident and the other is non-UK resident.
- (2) If conditions X and Y are met, C is to be taken to be a CFC (if C would not otherwise be).
- (3) Condition X is that the UK resident controller has interests, rights and powers representing at least 40% of the holdings, rights and powers in respect of which the controllers fall to be taken as controlling C.
- (4) Condition Y is that the non-UK resident controller has interests, rights and powers representing—
- (a) at least 40%, but
 - (b) no more than 55%,
- of the holdings, rights and powers in respect of which the controllers fall to be taken as controlling C.

Legal and economic control: supplementary provision

- 371R(1) Subsection (2) applies for the purpose of—
- (a) determining, in accordance with section 371RB, if a person, or two or more persons, control a company, or
 - (b) determining if condition X or Y in section 371RC is met in relation to two persons who control a company.
- (2) There is to be attributed to each person all the rights and powers mentioned in subsection (3) (so far as they would not otherwise be attributed to the person).

 - (c) if P is UK resident, rights and powers of any UK resident person who is connected with P, and
 - (d) if P is UK resident, rights and powers which would, in accordance with subsection (2), be attributed to a UK resident person (“Q”) who

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

is connected with P if Q were P (including rights and powers which would be attributed to Q by virtue of this paragraph).

- (4) Rights and powers fall within this subsection so far as they—
- (a) are required, or may be required, to be exercised in one or more of the following ways—
 - (i) on behalf of P,
 - (ii) under the direction of P, or

Control determined by reference to accounting standards

- 371RE) A person (“P”) “controls” a company (“C”) at any time when P is C's parent undertaking.
- (2) But C is not to be taken to be a CFC by virtue of subsection (1) at the time in question unless the 50% condition is met at that time.
 - (3) To determine if the 50% condition is met at the time in question, assume—
 - (a) that C is a CFC at that time,
 - (b) that that time is itself an accounting period of the CFC, and
 - (c) that section 371BC (charging the CFC charge) applies in relation to the assumed accounting period.
 - (4) The 50% condition is met at the time in question if, as a result of steps 1 and 3 in section 371BC(1), at least 50% of the CFC's chargeable profits would be apportioned to P taken together with its UK resident subsidiary undertakings (if any).
 - (5) “Parent undertaking” and “subsidiary undertaking” are to be read in accordance with Financial Reporting Standard 2 issued in July 1992 by the Accounting Standards Board, as from time to time modified, amended or revised.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) For the purposes of this section it does not matter if P does not prepare, or is not required to prepare, consolidated financial statements in accordance with Financial Reporting Standard 2 (but see section 371RF(3)).

(3) The Treasury may by regulations make provision corresponding to section 371RE—

- (a) which operates by reference to any other accounting standard dealing with consolidated financial statements, and
- (b) which is to apply, instead of section 371RE, to determine if a person “controls” a company where that person prepares, or is required to prepare, consolidated financial statements in accordance with that standard.

(4) The Treasury may by regulations provide that, if specified conditions are met, a company is not to be taken to be a CFC by virtue of—

- (a) section 371RE, or
- (b) provision corresponding to section 371RE contained in regulations under subsection (3).

(5) In subsections (3) and (4) references to section 371RE are to that section as amended from time to time by regulations under subsection (1).

CHAPTER 19

ASSUMED TAXABLE TOTAL PROFITS, ASSUMED TOTAL PROFITS AND THE CORPORATION TAX ASSUMPTIONS

Overview

Overview of Chapter

371SA This Chapter explains the concepts of “assumed taxable total profits” and “assumed total profits” (see section 371SB) and “the corporation tax assumptions” (see section 371SC) which are referred to in this Part.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

“Assumed taxable total profits” and “assumed total profits”

What are “assumed taxable total profits” and “assumed total profits”?

- 371S(B) For the purposes of this Part a CFC's “assumed taxable total profits” for an accounting period are what, applying the corporation tax assumptions, would be the CFC's taxable total profits of the accounting period for corporation tax purposes.
- (2) “Taxable total profits” has the meaning given by section 4(2) of CTA 2010 (calculation of taxable total profits).
 - (3) But, for this purpose, in section 4(3) of CTA 2010—
 - (a) step 1 is to be applied subject to subsections (4) to (6) below, and
 - (b) step 2 is to be ignored.
 - (4) Any income which accrues during the accounting period to the trustees of a settlement in relation to which the CFC is a settlor or a beneficiary is to be added to the income determined at step 1.
 - (5) If there is more than one settlor or beneficiary in relation to the settlement, the income is to be apportioned between the CFC and the other settlors or beneficiaries on a just and reasonable basis.
 - (6) If by virtue of subsection (4) any income (“the settlement income”) is added to the income determined at step 1, any dividend or other distribution which derives from the settlement income is to be excluded from the income determined at step 1.
 - (7) Subsection (8) applies if there is any income which, by virtue of subsection (4), would (apart from subsection (8)) be included in—
 - (a) the chargeable profits for an accounting period of a CFC which is a beneficiary in relation to a settlement, and
 - (b) the chargeable profits for an accounting period of a CFC which is a settlor in relation to the settlement.
 - (8) If the CFC charge is charged in relation to the beneficiary's accounting period, the income is not to be included in the settlor's chargeable profits.
 - (9) For the purposes of this Part a CFC's “assumed total profits” for an accounting period are its assumed taxable total profits for the period before taking step 2 in section 4(2) of CTA 2010.

“The corporation tax assumptions”

What are “the corporation tax assumptions”?

- 371S(C) In this Part “the corporation tax assumptions” means the assumptions set out in sections 371SD to 371SR.
- (2) The corporation tax assumptions are to be applied in determining the following for an accounting period (“the relevant accounting period”) of a CFC—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) the CFC's assumed taxable total profits in accordance with section 371SB(1),
- (b) the corresponding UK tax in accordance with section 371NE, and
- (c) the CFC's creditable tax in accordance with Chapter 16.

UK residence etc

371SD(1) Assume—

- (a) that the CFC is UK resident at all times during the relevant accounting period,
- (b) if the relevant accounting period is not the CFC's first accounting period, that the CFC has been UK resident from the beginning of the CFC's first accounting period, and
- (c) except where the CFC ceases to be a CFC at the end of the relevant accounting period, that the CFC will continue to be UK resident until it ceases to be a CFC,

and that the CFC is, has been and will continue to be within the charge to corporation tax, and that its accounting periods (as determined in accordance with section 371VB) are accounting periods for corporation tax purposes, accordingly.

(2) Subsection (1)—

- (a) does not require it to be assumed that there is any change in the place or places at which the CFC carries on its activities, and
- (b) requires (in particular) that it be assumed that the CFC does not get the benefit of section 1279 of CTA 2009 (exemption for profits from securities free of tax to residents abroad).

(3) If the CFC is (actually) UK resident immediately before the beginning of its first accounting period, assume that its UK residence from the beginning of that accounting period (as assumed in accordance with subsection (1)) is not continuous with its (actual) UK residence before the beginning of that accounting period.

(4) Except where the relevant accounting period is the CFC's first accounting period, assume that a determination of the CFC's assumed taxable total profits has been made for all previous accounting periods back to (and including) the CFC's first accounting period.

(5) Subsection (4) applies (in particular) for the purpose of applying any relief which is relevant to two or more accounting periods.

(6) In this section references to the CFC's first accounting period are to the CFC's accounting period which begins when it becomes a CFC.

Close company

371SE Assume that the CFC is not a close company.

Claims and elections

371SF(1) In relation to any relief under the Corporation Tax Acts which is dependent upon the making of a claim or election, assume the CFC—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) to have made that claim or election which would give the maximum amount of relief, and
 - (b) to have made that claim or election within any applicable time limit.
- (2) Subsection (1) does not cover (so far as it would otherwise do so) a claim or election under—
- (a) section 18A of CTA 2009 (exemption for profits or losses of foreign permanent establishments),
 - (b) section 1275 of CTA 2009 (relief for unremittable income),
 - (c) section 9A of CTA 2010 (designated currency of a UK resident investment company), or
 - (d) regulations made under paragraph 16 of Schedule 8 to FA 2006 (election for lease to be treated as long funding lease).
- (3) Subsection (1) is also subject to section 371SK(5).

Disapplication of assumption in section 371SF(1)

371S**G**(1) This section applies if a notice is given to an officer of Revenue and Customs requesting that the CFC be assumed—

- (a) not to have made for the relevant accounting period a specified claim or election otherwise covered by section 371SF(1),
 - (b) to have made for the relevant accounting period a specified claim or election, being different from one assumed by section 371SF(1) but being one which (subject to compliance with any applicable time limit) could have been made by a company within the charge to corporation tax, or
 - (c) to have disclaimed or required the postponement, in whole or in part, of a specified allowance for the relevant accounting period if (subject to compliance with any applicable time limit) a company within the charge to corporation tax could have disclaimed the allowance or required such a postponement (as the case may be).
- (2) In determining for the purposes of section 371BA(3) the CFC's assumed total profits and the amounts to be relieved against those profits at step 2 in section 4(2) of CTA 2010—
- (a) the assumption set out in the notice under subsection (1) is to be applied so far as relevant, and
 - (b) the assumption set out in section 371SF(1) is to be disapplied to the extent necessary as a consequence.
- (3) In determining the CFC's creditable tax—
- (a) the assumption set out in the notice under subsection (1) is to be applied so far as relevant, and
 - (b) the assumption set out in section 371SF(1) is to be disapplied to the extent necessary as a consequence.
- (4) The claims which may be specified in a notice under subsection (1) by virtue of paragraph (b) include claims under the provision mentioned in section 371SF(2)(b) or 371SK(5).
- (5) A notice under subsection (1)—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) may be given only by a company or companies determined under subsection (6) or (7), and
 - (b) must be given—
 - (i) within 20 months after the end of the relevant accounting period, or
 - (ii) within such longer period as an officer of Revenue and Customs may allow.
- (6) A company may give a notice if—
- (a) the company would be a chargeable company were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period, and
 - (b) the percentage of the CFC's chargeable profits which would be apportioned to the company at step 3 in section 371BC(1) would represent more than half of X%.
- (7) Two or more companies may together give a notice if—
- (a) the companies would all be chargeable companies were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period, and
 - (b) the percentage of the CFC's chargeable profits which would be apportioned to the companies, taken together, at step 3 in section 371BC(1) would represent more than half of X%.
- (8) In subsections (6) and (7) “X%” means the total percentage of the CFC's chargeable profits which would be apportioned to chargeable companies at step 3 in section 371BC(1) were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period.

Elections under section 9A of CTA 2010

371S(1) This section applies if—

- (a) during the relevant accounting period or any earlier accounting period of the CFC, a notice is given to an officer of Revenue and Customs requesting that the CFC be assumed to have made an election under section 9A of CTA 2010 (designated currency of a UK resident investment company) in the form specified in the notice, and
 - (b) the time at which the notice is given is a time at which, applying the corporation tax assumptions apart from this section, the CFC would have been able to make an election under that section in the form specified in the notice (see, in particular, section 9A(2)).
- (2) Assume—
- (a) that an election under section 9A of CTA 2010 has been made by the CFC in the form specified in the notice under subsection (1) at the time in question, and
 - (b) that, accordingly, sections 9A and 9B of that Act apply to determine the effect (if any) of that election.
- (3) Subsection (2)(b) does not apply if—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) a notice is given to an officer of Revenue and Customs revoking the notice under subsection (1), and
 - (b) the time at which the notice revoking the notice under subsection (1) is given is a time at which, applying the corporation tax assumptions apart from this section and the assumption in subsection (2)(a), the CFC would have been able to revoke its assumed election under section 9A of CTA 2010.
- (4) A notice under subsection (1) or (3) may be given only by a company or companies determined under subsection (5) or (6).
- (5) A company may give a notice if—
- (a) the company would be likely to be a chargeable company in relation to the applicable accounting period were section 371BC (charging the CFC charge) to apply in relation to that period, and
 - (b) the percentage of the CFC's chargeable profits for the applicable accounting period which would be likely to be apportioned to the company at step 3 in section 371BC(1) would represent more than half of X%.
- (6) Two or more companies may together give a notice if—
- (a) the companies would all be likely to be chargeable companies in relation to the applicable accounting period were section 371BC (charging the CFC charge) to apply in relation to that period, and
 - (b) the percentage of the CFC's chargeable profits for the applicable accounting period which would be likely to be apportioned to the companies, taken together, at step 3 in section 371BC(1) would represent more than half of X%.
- (7) In subsections (5) and (6) (and this subsection)—
- “the applicable accounting period” means the accounting period of the CFC during which the notice under subsection (1) or (3) (as the case may be) is given, and
- “X%” means the total percentage of the CFC's chargeable profits for the applicable accounting period which would be likely to be apportioned to chargeable companies at step 3 in section 371BC(1) were section 371BC (charging the CFC charge) to apply in relation to the applicable accounting period.

Modification of sections 6 and 7 of CTA 2010

371S(1) This section applies if—

- (a) in accordance with section 371SH, the CFC is assumed to have made an election under section 9A of CTA 2010, but
 - (b) applying the corporation tax assumptions apart from this section, section 6 or 7 of CTA 2010 could not apply in relation to the CFC for a period of account because the CFC does not prepare its accounts in accordance with generally accepted accounting practice.
- (2) If sterling is the CFC's designated currency for the period of account, assume that section 6 of CTA 2010 applies in relation to the CFC as if the words “in accordance with generally accepted accounting practice” were—
- (a) omitted from subsection (1A)(a), and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

 - (b) it is reasonable to assume that the main purpose, or one of the main purposes, of the CFC being a party to the arrangement is to obtain a tax advantage within section 1139(2)(da) of CTA 2010 for any person by obtaining what would, applying the corporation tax assumptions apart from this section, be a relevant tax advantage in relation to the CFC.
- (2) Chapter 2A of Part 6 of CTA 2009 is to be assumed to apply in relation to the return.
- (3) In subsection (1)(b) the reference to obtaining what would be a relevant tax advantage is to be read in accordance with section 486D(4) of CTA 2009.

CHAPTER 20

RESIDENCE OF CFCS

The basic rule

- 371T(A) For the purposes of this Part a CFC is taken to be resident for an accounting period (“the relevant accounting period”) in—
- (a) the territory determined by applying section 371TB, or
 - (b) if no territory can be determined by applying that section—
 - (i) if subsection (2) applies, the territory in which the CFC is taken to be resident under the double taxation arrangements in question, or
 - (ii) otherwise, the territory in which the CFC is incorporated or formed.
- (2) This subsection applies if the CFC is incorporated or formed in the United Kingdom but is taken to be non-UK resident by virtue of section 18 of CTA 2009 (companies treated as non-UK resident under double taxation arrangements).
- (3) This section is subject to section 371KC and step 1 in section 371NB(1).

How to determine the territory in which the CFC is resident

- 371T(B) The CFC is taken to be resident in the territory under the law of which, at all times during the relevant accounting period, the CFC is liable to tax by reason of domicile, residence or place of management.
- (2) If there are two or more territories (each of which is called an “eligible territory”) falling within subsection (1), the CFC is taken to be resident in only one of the eligible territories.
 - (3) To determine that territory, go through the following subsections.

If two or more subsections apply, the earlier or earliest subsection takes precedence.
 - (4) If an election or designation under subsection (8) or (9) has effect for the relevant accounting period by virtue of section 371TC(9)(b), the CFC is taken to be resident in the eligible territory which is the subject of the election or designation.
 - (5) If, at all times during the relevant accounting period, the CFC's place of effective management is situated in one of the eligible territories only, the CFC is taken to be resident in that territory.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

 - (b) immediately before the end of the relevant accounting period, over 50% of the amount of the CFC's assets is situated in one of those eligible territories,

the CFC is taken to be resident in the territory in which over 50% of the amount of the CFC's assets is situated.

For this purpose, the amount of the CFC's assets is determined by reference to their market value immediately before the end of the relevant accounting period.

- (7) If, immediately before the end of the relevant accounting period, over 50% of the amount of the CFC's assets is situated in one of the eligible territories, the CFC is taken to be resident in that territory.

For this purpose, the amount of the CFC's assets is determined by reference to their market value immediately before the end of the relevant accounting period.

- (8) If, in accordance with section 371TC(1), an election specifying an eligible territory is made, the CFC is taken to be resident in that territory.
- (9) If an officer of Revenue and Customs designates an eligible territory on a just and reasonable basis (see section 371TC(6) to (8)), the CFC is taken to be resident in that territory.

 - (d) must state, in relation to each company making the election, the percentage of the CFC's chargeable profits for the relevant accounting period which would be likely to be apportioned to the company at step 3 in section 371BC(1) were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period,
 - (e) must be signed on behalf of each company making the election, and
 - (f) is irrevocable.
- (2) A company may make an election if it is likely that, were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period, the company would be a chargeable company whose apportioned percentage of the CFC's chargeable profits for the relevant accounting period would represent more than half of X%.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) Two or more companies may together make an election if it is likely that, were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period, the companies would all be chargeable companies whose apportioned percentage of the CFC's chargeable profits for the relevant accounting period would, taken together, represent more than half of X%.
- (4) In subsections (2) and (3) "X%" means the total percentage of the CFC's chargeable profits for the relevant accounting period which would be likely to be apportioned to chargeable companies were section 371BC (charging the CFC charge) to apply in relation to the relevant accounting period.
- (5) In subsections (2) to (4) references to apportioned percentages of the CFC's chargeable profits for the relevant accounting period are to the percentages apportioned at step 3 in section 371BC(1).
- (6) A designation under section 371TB(9) is irrevocable.

 - (b) each successive accounting period of the CFC until subsection (10) applies to an accounting period,regardless of any change in the persons who have interests in the CFC or any change in those interests.
- (10) This subsection applies to an accounting period ("the later period") if—
 - (a) one or more of the territories which were eligible territories in relation to the relevant accounting period does not fall within section 371TB(1) in relation to the later period, or
 - (b) some other territory also falls within section 371TB(1) in relation to the later period.

“discovery assessment” means a discovery assessment or discovery determination under paragraph 41 of that Schedule (including an assessment by virtue of paragraph 52 of that Schedule), and

“the Taxes Acts” has the same meaning as in TMA 1970.

Application of the Taxes Acts to the CFC charge

371UB) The provision of step 5 in section 371BC(1) relating to the charging of a sum as if it were an amount of corporation tax is to be taken as applying all enactments applying generally to corporation tax.

(2) This is subject to—

- (a) the provisions of the Taxes Acts, and
- (b) any necessary modifications.

(3) The enactments referred to in subsection (1) include—

- (a) those relating to returns of information and the supply of accounts, statements and reports,
- (b) those relating to the assessing, collecting and receiving of corporation tax,
- (c) those conferring or regulating a right of appeal, and
- (d) those concerning administration, penalties, interest on unpaid tax and priority of tax in cases of insolvency under the law of any part of the United Kingdom.

(4) In particular, TMA 1970 is to have effect as if—

- (a) any reference to corporation tax included a reference to a sum charged at step 5 in section 371BC(1) as if it were an amount of corporation tax, and
- (b) any reference to profits of a company included, in the case of a chargeable company in relation to a CFC's accounting period, references to the percentage of the CFC's chargeable profits in respect of which the company is charged at step 5 in section 371BC(1).

(5) Nothing in—

- (a) paragraph 10 of Schedule 18 to FA 1998 (claims or elections in company tax returns), or
- (b) Schedule 1A to TMA 1970 (claims or elections not included in returns),

 - (b) a company tax return is made or amended using for the apportionment a particular basis adopted by the company making the return.
- (2) An officer of Revenue and Customs may determine that another basis is to be used for the apportionment; and matters are then to proceed as if that were the only basis allowed by the Taxes Acts.
- (3) The officer's determination may be questioned on an appeal against an amendment of the company's tax return made under paragraph 30 or 34 of Schedule 18 to FA 1998.
- (4) But it may be questioned only on the ground that the basis of apportionment determined by the officer is not just and reasonable.

Relief against sum charged

- 371UD(1) Subsection (2) applies if (apart from subsection (2)) a chargeable company in relation to a CFC's accounting period is entitled, or on the making of a claim would be entitled, to a deduction in respect of a relevant allowance for the relevant corporation tax accounting period.
- (2) The company may make a claim under this subsection for relief in respect of the relevant allowance.
- (3) If the company makes a claim, the relief is given by setting off the relevant sum against the sum charged on the company at step 5 in section 371BC(1).
- (4) "The relevant sum" is the sum equal to corporation tax at the appropriate rate on so much of the relevant allowance as is specified in the claim.
- (5) So much of the relevant allowance as is specified in the claim is to be taken for the purposes of the Tax Acts as having been allowed as a deduction in accordance with the appropriate provision of those Acts.
- (6) No other relief is available against a sum charged on a company at step 5 in section 371BC(1).
- (7) In this section—
- (a) "the appropriate rate" and "the relevant corporation tax accounting period" have the meaning given by section 371BC(3), and

- (vii) any non-trading deficit on the company's loan relationships.
- (8) But, in relation to a sum charged on a company by virtue of section 371BH(2), in this section—
- (a) “the appropriate rate” means the rate given by section 371BH(3)(a), and
 - (b) “relevant allowance” means any adjusted BLAGAB management expenses for the purposes of section 73 of FA 2012.

Appeals affecting more than one person

371U(F) This section applies if—

- (a) a relevant appeal involves any question concerning the application of this Part in relation to a particular person, and
 - (b) the resolution of that question is likely to affect the liability under this Part of any other person in relation to the CFC concerned.
- (2) Each of the following is a “relevant appeal”—
- (a) an appeal under paragraph 34(3) of Schedule 18 to FA 1998 against an amendment of a company tax return, and
 - (b) an appeal under paragraph 48 of that Schedule against a discovery assessment.
- (3) The appeal is to be conducted as follows.
- (4) Each of the persons whose liability under this Part is likely to be affected by the resolution of the question is entitled to be a party to the proceedings.
- (5) The tribunal must determine the question separately from any other questions in the proceedings.
- (6) The tribunal's determination on the question is to have effect as if made in an appeal to which each of those persons was a party.

Recovery of sum charged from other UK resident companies

371U(F) This section applies if a sum charged on a company (“the defaulting company”) at step 5 in section 371BC(1) as if it were an amount of corporation tax is not fully paid before the date on which it is due and payable in accordance with the Taxes Acts.

- (2) An officer of Revenue and Customs may give a notice of liability to another UK resident company which holds or has held (directly or indirectly) the whole or any part of the same interest in the CFC concerned as is or was held by the defaulting company.
- (3) If such a notice is given to a company (“the responsible company”), the following are payable by the responsible company—
 - (a) the whole or, as the case may be, the corresponding part of the sum charged so far as it is unpaid as at the time the notice is given,
 - (b) the whole or, as the case may be, the corresponding part of any unpaid interest due on the sum charged as at the time the notice is given, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

- (c) any interest accruing on the sum charged after the notice is given so far as referable to the sum payable by the responsible company under paragraph (a).
- (4) Subsection (5) applies if any sum payable by the responsible company under subsection (3) is not fully paid by the end of the period of 3 months starting with the date on which the notice is given.
- (5) Without affecting the right of recovery from the responsible company, the outstanding amount may be recovered from the defaulting company.

- (7) But if subsection (6) would work unfavourably in the company's case, the company may elect for that subsection not to apply in relation to it and for any amounts that could be deducted in calculating those adjusted ring fence profits instead to be deducted in the order specified in the election.

Section 191

MACHINE GAMES DUTY

PART 1

IMPOSITION OF DUTY

The duty

- 1 A duty of excise, to be known as machine games duty, is to be charged on the playing of dutiable machine games in the United Kingdom.

Dutiable machine games

- 2 (1) A “machine game” is a game (whether of skill or chance or both) played on a machine for a prize.
- (2) A machine game is “dutiable” if—
- (a) the prize or at least one of the prizes that can be won from playing the game on the machine is or includes cash, and
- (b) the maximum amount of cash that a player can win from playing the game on the machine exceeds the lowest charge payable for playing the game on the machine.
- (3) “Cash” means money or anything that may reasonably be considered to equate to money, including—
- (a) anything that can be used in the same way as if it were money, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

- (4) The things mentioned in sub-paragraph (3) include—
- (a) anything of an intangible nature (such as points), and
 - (b) anything that a person has as a result of the taking of any step by someone else (such as the crediting of an account).
- (5) If an adult would reasonably assume that a machine game satisfies the tests in sub-paragraph (2)(a) and (b) (taking into account the way in which the game is presented and all the other circumstances of the case), the game is taken to be a dutiable machine game, whether or not it does in fact satisfy those tests.
- (6) In identifying for the purposes of this paragraph the lowest charge payable for playing a game, any offer that waives or permits a player to pay less than the charge that the player would be required to pay without the offer is disregarded.
- (7) Paragraph 3 makes further provision about what counts as a dutiable machine game for the purposes of this Schedule.
- 3 (1) A game that would otherwise be a dutiable machine game does not count as one if—
- (a) it involves betting on future real events,
 - (b) bingo duty is charged on the playing of it,
 - (c) lottery duty is charged on the taking of a ticket or chance in it, or
 - (d) it is a real game of chance and playing it—
 - (i) amounts to dutiable gaming for the purposes of section 10 of FA 1997, or
 - (ii) would do so but for subsection (3), (3B) or (4) of that section.
- (2) A “real game of chance” is a game of chance (within the meaning of [F82Part 3 of FA 2014]) that is non-virtual.
- (3) A game consisting of several stages counts as a dutiable machine game if—
- (a) at least one stage would (if played on its own) be a dutiable machine game, or
 - (b) the stages (taken together) amount to a dutiable machine game.
- (4) If more than one game can be played on a given machine, each game is to be considered separately in deciding whether it is a dutiable machine game.

- (4) References to a machine being “adapted” include a machine to which anything has been done, including the installation of computer software on it.

Accounting periods

- 14 (1) An accounting period for machine games duty is a period of 3 consecutive months.
- (2) The first day of an accounting period is such day as HMRC may direct.
- (3) A direction under sub-paragraph (2) may apply generally or only to a particular case or class of case.
- (4) HMRC may agree with a registered person to make either or both of the following changes for the purposes of that person's liability to machine games duty—
- (a) to treat specified periods (whether longer or shorter than 3 months) as accounting periods,
 - (b) to begin accounting periods on days other than those applying by virtue of sub-paragraph (2).
- (5) HMRC may by direction make transitional arrangements for periods (whether of 3 months or otherwise) to be treated as accounting periods where—
- (a) a person becomes or ceases to be registered, or
 - (b) an agreement under sub-paragraph (4) begins or ends.
- (6) If there is reason to believe that a person who is liable for machine games duty may not discharge that liability as it falls due from time to time—
- (a) HMRC may by direction specify shorter periods to be treated as accounting periods for the purposes of that person's liability to machine games duty,
 - (b) any such direction continues to have effect until it is withdrawn by HMRC (unless otherwise specified in the direction), and
 - (c) withdrawal of a direction does not prevent the giving of further directions in respect of the same person.

Valuing prizes

- 15 (1) This paragraph applies in valuing prizes for the purposes of this Schedule (including in determining the maximum amount of cash that can be won from playing a machine game).
- (2) The value of a prize includes any portion that—
- (a) represents a refund of the charge payable for playing the game, or
 - (b) is calculated by reference to the amount of any such charge.
- (3) The value of a prize in the form of something that is reasonably considered to equate to money is equal to the amount of money to which the thing is reasonably considered to equate.
- (4) For a prize in the form of a currency other than sterling or in the form of something that is reasonably considered to equate to such a currency—
- (a) the value of the prize is, in relation to any day, the sterling equivalent of that currency determined by reference to the London closing rate for that currency for the previous day, and
 - (b) for the purposes of paragraph 7(3), the day in relation to which the value is assessed is the last day of the relevant accounting period.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (5) The value of a prize other than cash depends on the person (“A”) from whom the person paying out the prize (“B”) obtained it—
 - (a) if A was not connected with B when B obtained the prize from A, the value is the cost to B of obtaining the prize from A,
 - (b) if A was connected with B when B obtained the prize from A, the value is the smaller of—
 - (i) the cost to B of obtaining the prize from A, and
 - (ii) the amount that it would have cost B, at the time B obtained the prize, to obtain it from a person not connected with B.
- (6) Whether A is connected with B is to be determined in accordance with section 1122 of CTA 2010.
- (7) If the value of a prize other than cash cannot reasonably be determined in accordance with sub-paragraph (5), the value of the prize is such amount as is just and reasonable.
- (8) For the purposes of sub-paragraph (5), an amount paid by way of value added tax on the acquisition of a thing is to be treated as part of its cost (whether or not the amount is taken into account for the purpose of a credit or refund).
- (9) The Commissioners may by regulations make further provision about the way in which prizes are to be valued for the purposes of this Schedule.
- (10) This paragraph applies to a part of a prize as it applies to a whole prize, and references to a prize are to be read accordingly.

- 16 (1) This paragraph applies in determining for the purposes of this Schedule the amount of a charge (or the highest or lowest charge) payable or due for playing a machine game.
- (2) If the amount of a charge in money's worth cannot be determined, it is assumed to be such amount as is just and reasonable.
- (3) If a composite charge is payable or due for the opportunity to play a machine game more than once, the amount of the charge payable or due for each individual go is to be determined on a just and reasonable basis.
- (4) If a composite charge is payable or due for the opportunity to play a machine game and for something else, the amount of the charge payable or due for playing the game is to be determined on a just and reasonable basis.
- (5) The Commissioners may by regulations make further provision about the way in which the amount of charges is to be determined for the purposes of this Schedule.
- (6) Sub-paragraph (7) applies if—
 - (a) a dutiable machine game is played in pursuance of an offer that permits the player to pay nothing or less than the charge that the player would have been required to pay without the offer,
 - (b) the offer was made available to the player by way of winnings from an activity in respect of which another duty of excise or value added tax is charged, and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) the value of the offer is deductible in calculating the amount of that other duty or value added tax payable in respect of that activity.
- (7) The amount of the charge due from the player for playing the dutiable machine game is taken for the purposes of paragraph 7 to be the amount that the player would have been required to pay without the offer.

- (2) HMRC may give a notice under this paragraph to any person they believe to be a registrable person in respect of the premises.

Publication of register

PROSPECTIVE

- 25
- (1) The MGD register is to contain such details of those who are entered on the register and of the premises in respect of which they are registered as the Commissioners think fit.
 - (2) The Commissioners may publish the register (or a part of it).
 - (3) If they choose not to publish it or they choose to publish only a part of it, the Commissioners must nonetheless make arrangements for the provision of a copy of an entry in the register (or the unpublished part of it) to a member of the public on request.
 - (4) But the Commissioners may refuse a request under sub-paragraph (3) if the person making the request does not pay a fee specified by the Commissioners.
 - (5) The fee must not exceed the reasonable cost (including any indirect cost) of meeting the request.

Profit-sharers

- 26
- (1) Sub-paragraph (2) applies if—
 - (a) it appears to HMRC that machine games duty may be chargeable in respect of a machine,

 - (c) either—
 - (i) HMRC do not know the identity of any of those responsible for the premises (see paragraph 12), or
 - (ii) HMRC do know the identity of one or more such persons but none of them is in the United Kingdom.
 - (2) HMRC may give a notice under this paragraph to any person they believe to be beneficially entitled to a share of the machine's takings.
 - (3) The notice must inform the person to whom it is given (“P”) that P will become liable to pay a share of the duty in accordance with this paragraph unless, within the specified period—
 - (a) P provides HMRC with sufficient information to identify a person in the United Kingdom who is responsible for the premises, or

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (4) The specified period is—
 - (a) such period of 30 days or more as is specified in the notice, or
 - (b) such other period as may be agreed between HMRC and P.
- (5) If P fails to satisfy sub-paragraph (3)(a) or (b) within the specified period, HMRC may assess to the best of their judgement an amount equal to P's share of the machine games duty that would have been due in respect of the machine for an accounting period on the assumptions set out in sub-paragraph (6).
- (6) The assumptions are—
 - (a) that P had been liable for machine games duty in respect of the machine in the accounting period in accordance with paragraph 11,
 - (b) that the machine had been the only machine in respect of which P was so liable, and
 - (c) that the dutiable machine games in respect of which P is beneficially entitled to a share of the takings had been the only dutiable machine games played on the machine.
- (7) P's share is a percentage equal to the share of the machine's takings to which P is beneficially entitled.
- (8) An assessment under this paragraph may relate to more than one machine, more than one set of premises and more than one accounting period.
- (9) But it may not relate to a period that began more than 4 years before the date of the assessment.
- (10) An amount assessed under this paragraph is deemed to be an amount of machine games duty assessed under section 12 of FA 1994 and due from P in accordance with regulations under paragraph 19 of this Schedule.
- (11) P is not entitled to any repayment from HMRC of an amount assessed under this paragraph if HMRC subsequently identify a person responsible for the premises.
- (12) But if, after P has paid such an amount, HMRC make an assessment under section 12 of FA 1994 of an amount of machine games duty due from another person in respect of the same takings from the same machine for the same accounting period, account must be taken in that assessment of the amount paid by P.

 - (b) the amount (if less) determined in accordance with sub-paragraph (3).

- Step 1* Calculate the amount of duty that would have been paid if the period for which the licence was granted had been the number of complete months beginning with the date on which the licence was granted and ending immediately before the go-live date. The day immediately following the end of that period of complete months is referred to as “day X”.
- Step 2* Add to the amount calculated under Step 1 an amount representing the duty payable for the period of days beginning with day X and ending with the day before the go-live date. - (5) HMRC must grant the application once it has received payment of an amount of duty payable on the licence (or new licence) in respect of the necessary period.

- (7) Schedule 4 to BGDA 1981 and any regulations made under that Schedule apply (subject to any modifications specified by the Commissioners in a notice published for the purposes of this paragraph) to an amount of duty payable in accordance with this paragraph as to an amount of duty payable in accordance with section 23 of that Act.
- (8) Nothing in this paragraph affects the operation of that Act with respect to the provision of amusement machines in the necessary period in a case where no application is made under this paragraph or an application is not granted.
- (9) But if a default licence is granted under Schedule 4A to BGDA 1981 for the necessary period, the amount of duty that may be assessed under paragraph 4 of that Schedule is limited to the amount that would have been payable if an application had been made for a licence under this paragraph.
- 61 (1) This paragraph applies to licences to be granted under section 21 of BGDA 1981 on or after 2 January 2013 (a “final month licence”).
- (2) Section 21(3) of that Act has effect as if—
- (a) the requirement to grant amusement machine licences for a period of one or more whole months were omitted, and
 - (b) the power to grant amusement machine licences for a period not exceeding 12 months were a power to grant such licences for a period ending with a day that is no later than the day before the go-live date.
- (3) The requirement in section 21(4) of that Act to grant special amusement machine licences for a period of 12 months has effect in relation to a final month licence as if it were a requirement to grant a licence for the period beginning with the date of grant and ending with the day before the go-live date.

- 62 (1) The enactments repealed by this Part of this Schedule continue to have effect on and after the go-live date in relation to the provision of amusement machines before that date.
- (2) Enactments continuing to have effect by virtue of sub-paragraph (1) are to be read with any necessary modifications.
 - (3) Without prejudice to the generality of sub-paragraph (2), paragraph 4 of Schedule 4A to BGDA 1981 (assessment of amount equivalent to duty) is to be read as if the reference in sub-paragraph (3) to the due date were a reference to the day before the go-live date.

“SCHEDULE
A1

BETTING DUTIES: DOUBLE TAXATION RELIEF

Introduction

- 1 This Schedule sets out the rules for determining whether credit is allowed under section 5E or 8ZA for qualifying foreign tax paid by P.

Definitions

- 2 (1) This Schedule is to be read as follows.
- (2) “The applicable class”—
- (a) in the case of section 5E, has the meaning given in that section, and
 - (b) in the case of section 8ZA, means dutiable pool bets.
- (3) A “reconciliation period” is—
- (a) if P has monthly accounting periods, a period consisting of 12 consecutive accounting periods,
 - (b) if P has quarterly accounting periods, a period consisting of 4 consecutive accounting periods, and
 - (c) if P has any other length of accounting period, a period consisting of such number of consecutive accounting periods as would produce a period as near as possible to 365 days.
- (4) In relation to an accounting period, a reference to “the reconciliation period” is to the reconciliation period in which that accounting period falls.

Credit allowed

- 3 (1) To determine whether credit is allowed for an accounting period—
- (a) calculate the notional UK liability and the notional foreign liability for the accounting period, and
 - (b) compare the two figures.
- (2) No credit is allowed if either figure is nil or both figures are nil.
- (3) Subject to that, credit is allowed of an amount equal to the smaller of the two figures (or, if they are the same, of an amount equal to that figure).

Notional UK liability

- 4 The notional UK liability for an accounting period is calculated as follows—
- Step 1* If the applicable class is a class to which a provision of sections 2 to 4 applies, calculate P's net stake receipts for the period in accordance

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

with section 5 but by reference to eligible bets (rather than bets of the applicable class).

If the applicable class is the class to which section 5AB applies, calculate the commission charges in accordance with that section relating to eligible bets determined in the period (rather than bets to which that section applies).

If the applicable class is dutiable pool bets, calculate P's net pool betting receipts for the period in accordance with section 7A but by reference to eligible bets (rather than dutiable pool bets).

In calculating P's net stake receipts or net pool betting receipts for the purposes of this Step, do not carry forward to the period any losses in respect of eligible bets that arose in an accounting period before the start of the reconciliation period.

Step 2 If the amount calculated under Step 1 is nil or a negative amount, the notional UK liability for the period is nil.

Otherwise, apply the appropriate rate to the amount calculated under Step 1. The result is the notional UK liability for the period.

“The appropriate rate” is the percentage specified in whichever of section 2(3), 3(3)(a), 3(3)(b), 4(3), 5AB(4) or 7(2) applies to the applicable class, as in force for the accounting period in question.

Notional foreign liability

5 The notional foreign liability for an accounting period is calculated as follows—

Step 1 Calculate the amount of qualifying foreign tax that would be payable by P for the accounting period if the tax were charged solely in respect of eligible bets and accounted for by reference to periods corresponding to P's accounting periods.

Any apportionment needed for this calculation is to be done on a just and reasonable basis.

If the law under which the qualifying foreign tax is imposed provides for losses to be carried forward, do not carry forward to the period any losses (in respect of eligible bets) that arose before the start of the reconciliation period.

Step 2 If the amount calculated under Step 1 is nil, the notional foreign liability for the period is nil.

Otherwise, calculate the sterling equivalent of the amount calculated under Step 1. The result is the notional foreign liability for the period.

The sterling equivalent is to be calculated using the London closing exchange rate for the last day of the accounting period.

Clawback

6 (1) This paragraph applies if in respect of the applicable class of bets—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

 - (a) the loss multiplied by the rate at which the qualifying foreign tax is charged in respect of eligible bets,
 - (b) the loss multiplied by the appropriate rate (as defined in paragraph 4) for the applicable class of bets, and
 - (c) the repayment (or the sum of the repayments) made to P for the reconciliation period.
- (4) “The loss” means the negative amount mentioned in sub-paragraph (1)(b) but expressed as a positive number.
- (5) If there is more than one rate at which the qualifying foreign tax is charged in respect of eligible bets, each rate is to be applied to an appropriate portion of the loss in order to arrive at the amount under sub-paragraph (3)(a).
- (6) If all or part of the qualifying foreign tax is calculated other than on a net receipts basis, sub-paragraph (3) has effect as if paragraph (a) were omitted.
- (7) Any amount due from P under this paragraph is to be treated as if it were an amount of unpaid general betting duty or, as the case may be, pool betting duty.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) If the event is a retrospective change in the way in which the qualifying foreign tax is charged or calculated, the amount for which credit is allowed under section 5E or 8ZA is to be recalculated in accordance with this Schedule.
- (4) In any other case, the amount for which credit is allowed under section 5E or 8ZA is to be reduced by a just and reasonable sum to reflect the amount of tax waived or refunded or the deduction or relief given.
- (5) If it transpires (on account of this paragraph or otherwise) that a repayment or part of a repayment under section 5E or 8ZA should not have been made, P is liable for the amount that should not have been repaid, as if it were unpaid general betting duty or, as the case may be, pool betting duty.
- (6) Section 1122 of the Corporation Tax Act 2010 (connected persons) applies for the purposes of sub-paragraph (1)(c).”
- 8 (1) Schedule 1 (betting duties) is amended as follows.
- (2) In paragraph 2, after sub-paragraph (4) insert—
- “(5) Regulations under this paragraph may also in particular include provision about claims for repayment under section 5E and about the making of any such repayment, including provision about—

- (b) the form, content and delivery of claims,
- (c) the evidence required to satisfy the Commissioners of the validity of claims, and
- (d) the investigation and processing of claims.”
- (3) In paragraph 2A, after sub-paragraph (3) insert—
- “(4) Regulations under sub-paragraph (2) may also include provision about claims for repayment under section 8ZA and about the making of any such repayment, including provision about anything mentioned in paragraph 2(5) (a) to (d).”
- 9 After Schedule 4A insert—

SCHEDULE 27

Section 196

ANTI-FORESTALLING CHARGE TO VAT

PART 1

ANTI-FORESTALLING CHARGE TO VAT

Introductory

- 1 In this Schedule—
- “date of the VAT change” means 1 October 2012;
 - “pre-change supply” means a supply of a description specified in paragraph 3 which—
 - (a) is treated as taking place before the date of the VAT change, and
 - (b) if it had been treated as taking place on that date, would have been charged to VAT at the standard rate as a result of the amendments made by Schedule 26.

The charge

- 2 (1) There is an anti-forestalling charge to value added tax on any pre-change supply which—
- (a) is treated as taking place on or after 21 March 2012, and
 - (b) is a supply linked to the post-change period (see paragraph 4).
- (2) “Chargeable pre-change supply” means a supply to which sub-paragraph (1) applies.
- (3) An anti-forestalling charge to value added tax under this Schedule is to be treated for all purposes as if it were value added tax charged in accordance with VATA 1994.

The supplies

- 3 (1) The descriptions of supplies are—
- (a) the supply, in the course of an approved alteration of a protected building, of any services, other than the services of an architect, surveyor or any person acting as consultant or in a supervisory capacity,
 - (b) the supply of building materials to a person to whom the supplier is supplying services within paragraph (a) which include the incorporation of the materials into the building (or its site),
 - (c) the grant of facilities for the self storage of goods, or
 - (d) the grant of a right to receive a supply within paragraph (c).
- (2) The Notes to Group 6 in Schedule 8 to VATA 1994 have effect for the purposes of sub-paragraph (1)(a) and (b) as they had effect for the purposes of items 1 to 3 of that Group on 21 March 2012.
- (3) For the purposes of this Schedule a right to receive a supply includes—
- (a) any option to receive that supply, and
 - (b) any interest deriving from such an option.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Supplies linked to the post-change period

- 4 (1) A supply of services within paragraph 3(1)(a) or (c) is linked to the post-change period if, and to the extent that, the services are carried out or provided on or after the date of the VAT change.
- (2) A supply of goods within paragraph 3(1)(b) is linked to the post-change period if, and to the extent that, the goods are incorporated into the building concerned (or its site) on or after that date.
- (3) A supply within paragraph 3(1)(d) is linked to the post-change period if, and to the extent that, the services to which the grant relates are carried out or provided on or after that date.

Power to modify this Schedule

- 5 (1) The Treasury may by order modify this Schedule for the purposes of preventing an anti-forestalling charge from arising, in the circumstances specified in the order, in relation to any description of supplies specified in the order.
- (2) An order under this paragraph may contain provision having retrospective effect.
- (3) An order under this paragraph is to be made by statutory instrument.
- (4) A statutory instrument containing an order under this paragraph is subject to annulment in pursuance of a resolution of the House of Commons.

PART 2

LIABILITY AND AMOUNT

Liability

- 6 (1) An anti-forestalling charge under this Schedule on a chargeable pre-change supply—
- (a) is a liability of the supplier (subject to sub-paragraph (2)), and
- (b) becomes due on the date of the VAT change (rather than at the time of supply).
- (2) If, on the date on which the anti-forestalling charge becomes due, the person who would be liable to pay the charge under sub-paragraph (1)—
- (a) is not a taxable person, but
- (b) is treated as a member of a group under sections 43A to 43D of VATA 1994, the anti-forestalling charge is a liability of the representative member of the group.

Amount

- 7 (1) The amount of the anti-forestalling charge on a chargeable pre-change supply is the amount of VAT that would be chargeable on the supply if it were subject to VAT at 20%.
- This is subject to any reduction under sub-paragraph (2).
- (2) If the chargeable pre-change supply is not wholly linked to the post-change period, the anti-forestalling charge is the relevant proportion of that amount.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(3) The relevant proportion is—

$$\frac{P}{W}$$

where—

P is so much of the consideration for the chargeable supply as is attributable, on a just and reasonable basis, to that part of the supply (or, in the case of a grant of a right, that part of the supply to which the right relates) which is linked to the post-change period;

W is the whole of the consideration for the chargeable pre-change supply.

PART 3

ADMINISTRATION AND INTERPRETATION

Person ceasing to be taxable person before anti-forestalling charge due

- 8 (1) This paragraph applies if, on the date on which an anti-forestalling charge under this Schedule becomes due (“the due date”), the person who is liable to pay the charge under paragraph 6 is not a taxable person.
- (2) The anti-forestalling charge must be accounted for by that person in accordance with VATA 1994 (and regulations made under that Act) as if it were VAT due in the last period for which the person was required to make a return by or under VATA 1994.
- (3) If an amount assessed as due by way of an anti-forestalling charge under this Schedule would (in the absence of this sub-paragraph) carry interest from a date earlier than the due date, it is to be treated as only carrying interest from the due date.

Adjustment of contracts following the VAT change

- 9 (1) This paragraph applies where—
- (a) a contract for the supply of goods or services is made before the date of the VAT change, and
 - (b) there is an anti-forestalling charge under this Schedule on the supply.
- (2) The consideration for the supply is to be increased by an amount equal to the anti-forestalling charge, unless the contract provides otherwise.

Invoices

- 10 Regulations under paragraph 2A of Schedule 11 to VATA 1994 (VAT invoices) may make provision about the provision, replacement or correction of invoices in connection with an anti-forestalling charge under this Schedule.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Interpretation: general

- 11 (1) Expressions used in this Schedule and in VATA 1994 have the same meaning in this Schedule as in that Act.
- (2) In this Schedule “treated as taking place” means treated as taking place for the purposes of the charge to VAT.

SCHEDULE 28

Section 203

NON-ESTABLISHED TAXABLE PERSONS

New Schedule 1A

- 1 In VATA 1994, after Schedule 1 insert—

“SCHEDULE
1A

REGISTRATION IN RESPECT OF TAXABLE SUPPLIES: NON-UK ESTABLISHMENT

Liability to be registered

- 1 (1) A person becomes liable to be registered under this Schedule at any time if conditions A to D are met.
- (2) Condition A is that—
- (a) the person makes taxable supplies, or
 - (b) there are reasonable grounds for believing that the person will make taxable supplies in the period of 30 days then beginning.
- (3) Condition B is that those supplies (or any of them) are or will be made in the course or furtherance of a business carried on by the person.
- (4) Condition C is that the person has no business establishment, or other fixed establishment, in the United Kingdom in relation to any business carried on by the person.
- (5) Condition D is that the person is not registered under this Act.
- 2 (1) A person does not become liable to be registered by virtue of paragraph 1(2) (b) if the reason for believing that taxable supplies will be made in the 30-day period mentioned there is that a business, or part of a business, carried on by a taxable person is to be transferred to the person as a going concern in that period.
- (2) But if the transfer takes place, the transferee becomes liable to be registered under this Schedule at the time of the transfer if conditions A to D in paragraph 1 are met in relation to the transferee at that time.
- (3) In determining for the purposes of sub-paragraph (2) whether condition B is met, the reference in paragraph 1(3) to a business is to be read as a reference to the business, or part of the business, that is transferred to the transferee.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- 3 A person is treated as having become liable to be registered under this Schedule at any time when the person would have become so liable under paragraph 1 or 2 but for any registration that is subsequently cancelled under—
- (a) paragraph 11,
 - (b) paragraph 13(3) of Schedule 1,
 - (c) paragraph 6(2) of Schedule 2,
 - (d) paragraph 6(3) of Schedule 3, or
 - (e) paragraph 6(2) of Schedule 3A.
- 4 (1) A person does not cease to be liable to be registered under this Schedule except in accordance with sub-paragraph (2).
- (2) A person who has become liable to be registered under this Schedule ceases to be so liable at any time if the Commissioners are satisfied that—

 - (b) the person is no longer a person in relation to whom condition C in paragraph 1 is met.

Notification of liability and registration

- 5 (1) A person who becomes liable to be registered by virtue of paragraph 1(2)(a) or 2(2) must notify the Commissioners of the liability before the end of the period of 30 days beginning with the day on which the liability arises.
- (2) The Commissioners must register any such person (whether or not the person so notifies them) with effect from the beginning of the day on which the liability arises.
- 6 (1) A person who becomes liable to be registered by virtue of paragraph 1(2)(b) must notify the Commissioners of the liability before the end of the period by reference to which the liability arises.
- (2) The Commissioners must register any such person (whether or not the person so notifies them) with effect from the beginning of the period by reference to which the liability arises.

Notification of end of liability

- 7 (1) A person registered under paragraph 5 or 6 who, on any day, ceases to make or have the intention of making taxable supplies in the course or furtherance of a business carried on by that person must notify the Commissioners of that fact within 30 days beginning with that day.
- (2) But the person need not notify the Commissioners if on that day the person would otherwise be liable or entitled to be registered under this Act (disregarding for this purpose the person's registration under this Schedule and any enactment that prevents a person from being liable to be registered under different provisions at the same time).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Cancellation of registration

- 8 (1) The Commissioners must cancel a person's registration under this Schedule if—

 - (b) the person requests the cancellation.
- (2) The cancellation is to be made with effect from—
- (a) the day on which the request is made, or
 - (b) such later day as may be agreed between the Commissioners and the person.
- (3) But the Commissioners must not cancel the registration with effect from any time unless they are satisfied that it is not a time when the person would be subject to a requirement to be registered under this Act.
- 9 (1) The Commissioners may cancel a person's registration under this Schedule if they are satisfied that the person has ceased to be liable to be registered under this Schedule.
- (2) The cancellation is to be made with effect from—

- 10 In determining for the purposes of paragraphs 8 and 9 whether a time is a time when a person would be subject to a requirement, or entitled, to be registered under this Act, so much of any provision of this Act as prevents a person from becoming liable or entitled to be registered when the person is already registered or when the person is so liable under any other provision must be disregarded.
- 11 (1) The Commissioners may cancel a person's registration under this Schedule if they are satisfied that the person was not liable to be registered under this Schedule on the day on which the person was registered.
- (2) The cancellation is to be made with effect from the day on which the person was registered.
- 12 Paragraphs 8 to 11 are subject to paragraph 18 of Schedule 3B (cancellation of registration under this Schedule of persons seeking to be registered under that Schedule etc).

- (b) would all be zero-rated if the person were a taxable person.

- (3) If there is a material change in the nature of the supplies made by a person exempted under this paragraph, the person must notify the Commissioners of the change—
- (a) within 30 days beginning with the day on which the change occurred, or
 - (b) if no particular day is identifiable as that day, within 30 days of the end of the quarter in which the change occurred.
- (4) If it appears to the Commissioners that a request under this paragraph should no longer be acted upon on or after any day or has been withdrawn on any day, they must register the person who made the request with effect from that day.
- (5) A reference in this paragraph to supplies is to supplies made in the course or furtherance of a business carried on by the person.

 - (b) in calculating the amount payable by way of levy on the taxable supply, only the proportion of the supply that is the same as the proportion of the energy used by the recycling process to produce the corresponding product (as determined for the purposes of paragraph (a)) is to be treated as being a supply for use in scrap metal recycling.

- (b) the amount payable by way of levy on that deemed supply is—

Reduced rate of inheritance tax

“SCHEDULE 1A

GIFTS TO CHARITIES ETC: TAX CHARGED AT LOWER RATE

Application of this Schedule

- 1 (1) This Schedule applies if—
- (a) a chargeable transfer is made (under section 4) on the death of a person (“D”), and
 - (b) all or part of the value transferred by the chargeable transfer is chargeable to tax at a rate other than nil per cent.
- (2) The part of the value transferred that is chargeable to tax at a rate other than nil per cent is referred to in this Schedule as “TP”.

The relief

- 2 (1) If the charitable giving condition is met—
- (a) the tax charged on the part of TP that qualifies for the lower rate of tax is to be charged at the lower rate of tax, and
 - (b) the tax charged on any remaining part of TP is to be charged at the rate at which it would (but for this Schedule) have been charged on the whole of TP in accordance with section 7.
- (2) For the purposes of this paragraph, the charitable giving condition is met if, for one or more components of the estate (taking each component separately), the donated amount is at least 10% of the baseline amount.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) Paragraph 3 defines the components of the estate.
- (4) Paragraphs 4 and 5 explain how to calculate the donated amount and the baseline amount for each component.
- (5) The part of TP that “qualifies for the lower rate of tax” is the part attributable to all the property in each of the components for which the donated amount is at least 10% of the baseline amount.
- (6) The lower rate of tax is 36%.

The components of the estate

- 3 (1) For the purposes of paragraph 2, the components of the estate are—
 - (a) the survivorship component,
 - (b) the settled property component, and
 - (c) the general component.
- (2) The survivorship component is made up of all the property comprised in the estate that, immediately before D's death, was joint (or common) property liable to pass on D's death—
 - (a) by survivorship (in England and Wales or Northern Ireland),
 - (b) under a special destination (in Scotland), or
 - (c) by or under anything corresponding to survivorship or a special destination under the law of a country or territory outside the United Kingdom.

- (4) The general component is made up of all the property comprised in the estate other than—
 - (a) property in the survivorship component,
 - (b) property in the settled property component, and
 - (c) property that forms part of the estate by virtue of section 102(3) of the Finance Act 1986 (gifts with reservation).

 - (b) is property in relation to which section 23(1) applies.

The baseline amount

- 5 The baseline amount, for a component of the estate, is the amount calculated in accordance with the following steps—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Step 1 Determine the part of the value transferred by the chargeable transfer that is attributable to property in that component.

Step 2 Deduct from the amount determined under Step 1 the appropriate proportion of the available nil-rate band.

“The appropriate proportion” is a proportion equal to the proportion that the amount determined under Step 1 bears to the value transferred by the chargeable transfer as a whole.

“The available nil-rate band” is the amount (if any) by which—

- (a) the nil-rate band maximum (increased, where applicable, in accordance with section 8A), exceeds
- (b) the sum of the values transferred by previous chargeable transfers made by D in the period of 7 years ending with the date of the relevant transfer.

Step 3 Add to the amount determined under Step 2 an amount equal to so much of the value transferred by the relevant transfer as (in total) is attributable to property that—

- (a) forms part of that component, and
- (b) is property in relation to which section 23(1) applies.

The result is the baseline amount for that component.

Rules for determining whether charitable giving condition is met

- 6 (1) For the purpose of calculating the donated amount and the baseline amount, any amount to be arrived at in accordance with section 38(3) or (5) is to be arrived at assuming the rate of tax is the lower rate of tax (see paragraph 2(6)).
- (2) For the purpose of calculating the donated amount, section 39A does not apply to a specific gift of property in relation to which section 23(1) applies (but that section does apply to such a gift for the purpose of calculating the baseline amount).
- (3) Subject to sub-paragraphs (1) and (2), the provisions of this Act apply for the purpose of calculating the donated amount and the baseline amount as for the purpose of calculating the tax to be charged on the value transferred by the chargeable transfer.

Election to merge parts of the estate

- 7 (1) An election may be made under this paragraph if, for a component of the estate, the donated amount is at least 10% of the baseline amount.
- (2) That component is referred to as “the qualifying component”.
- (3) The effect of the election is that the qualifying component and one or more eligible parts of the estate (as specified in the election) are to be treated for the purposes of this Schedule as if they were a single component.
- (4) Accordingly, if the donated amount for that deemed single component is at least 10% of the baseline amount for it, the property in that component is to be included in the part of TP that qualifies for the lower rate of tax.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (5) In relation to the qualifying component—
- (a) each one of the other two components of the estate is an “eligible part” of the estate, and
 - (b) all the property that forms part of the estate by virtue of section 102(3) of the Finance Act 1986 (gifts with reservation) is also an “eligible part” of the estate.
- (6) The election must be made by all those who are appropriate persons with respect to the qualifying component and each of the eligible parts to be treated as a single component.
- (7) “Appropriate persons” means—
- (a) with respect to the survivorship component, all those to whom the property in that component passes on D's death (or, if they have subsequently died, their personal representatives),
 - (b) with respect to the settled property component, the trustees of all the settled property in that component,
 - (c) with respect to the general component, all the personal representatives of D or, if there are none, all those who are liable for the tax attributable to the property in that component, and
 - (d) with respect to property within paragraph (b) of sub-paragraph (5), all those in whom the property within that paragraph is vested when the election is to be made.

Opting out

- 8 (1) If an election is made under this paragraph in relation to a component of the estate, this Schedule is to apply as if the donated amount for that component were less than 10% of the baseline amount for it (whether or not it actually is).
- (2) The election must be made by all those who are appropriate persons (as defined in paragraph 7(7)) with respect to the component.

Elections: procedure

- 9 (1) An election under this Schedule must be made by notice in writing to HMRC within two years after D's death.
- (2) An election under this Schedule may be withdrawn by notice in writing to HMRC given—
- (a) by all those who would be entitled to make such an election, and
 - (b) no later than the end of the period of two years and one month after D's death.
- (3) An officer of Revenue and Customs may agree in a particular case to extend the time limit in sub-paragraph (1) or (2)(b) by such period as the officer may allow.

- (a) the subject-matter of the transaction includes a chargeable interest other than a higher threshold interest, and

PART 1

INTRODUCTION

The Agreement and the Joint Declaration

- 1 In this Schedule—
- (a) “the Agreement” means the agreement signed on 6 October 2011 between the United Kingdom and the Swiss Confederation on co-operation in the area of taxation, as amended by a protocol signed by them on 20

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

March 2012 and by a mutual agreement signed by them on 18 April 2012 implementing article XVIII of that protocol,

- (b) “the Joint Declaration” means the joint declaration (concerning a tax finality payment) forming an integral part of that protocol,
- (c) “the start date” is the date on which the Agreement enters into force in accordance with its terms (see Article 44), and
- (d) references to a numbered Article are to the Article of that number in the Agreement.

PART 2

THE PAST

Taxes affected

- 2 (1) The taxes affected by this Part are—
- (a) income tax,
 - (b) capital gains tax,
 - (c) inheritance tax, and
 - (d) VAT.
- (2) Accordingly, this Part affects—
- (a) amounts of income on which income tax is charged,
 - (b) chargeable gains,
 - (c) the value of property forming part of the value transferred by a chargeable transfer, and
 - (d) the value of supplies on which VAT is charged.
- (3) An amount falling within one (or more) of those descriptions is referred to as a “taxable amount” and, in relation to such an amount, “tax” means whichever of the taxes mentioned in sub-paragraph (1) is (or are) charged on it.

Application of this Part

- 3 (1) This Part applies if—
- (a) a one-off payment is levied in accordance with Part 2 of the Agreement,
 - (b) a certificate is issued under Article 9(4) to a person (“P”) in respect of that payment, and
 - (c) the certificate is approved by P or considered approved by virtue of that Article.
- (2) The certificate is referred to in this Part as “the Part 2 certificate”.

Qualifying amounts

- 4 (1) The Part 2 certificate applies to taxable amounts in respect of which the conditions in sub-paragraph (2) are met.
- (2) The conditions are—
- (a) P is liable to tax on the amount,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (b) the amount is untaxed,
 - (c) the taxable event took place before the start date, and
 - (d) the necessary link with the certificate can be demonstrated.
- (3) The necessary link is—
- (a) in a case falling within Article 9(3) (non-UK domiciled individuals opting for self-assessment method), that the amount is included in the omitted taxable base by reference to which the one-off payment was calculated, and
 - (b) in any other case, that the amount forms part of or is represented by the assets comprised in the relevant capital by reference to which the one-off payment was calculated (referred to in the Agreement as C_r).
- (4) For the purposes of sub-paragraph (3)(b), amounts are assumed to be attributed to assets in the way that produces the most beneficial outcome for P.
- (5) Paragraph 11 makes further provision about the interpretation of sub-paragraph (2).
- (6) Amounts to which the Part 2 certificate applies in accordance with this paragraph are referred to in this Part as “qualifying amounts”.

Eligibility for clearance

- 5 (1) The effect of the Part 2 certificate depends on whether P is eligible for clearance.
- (2) P is “eligible for clearance” if—
- (a) none of the circumstances listed in Article 9(13)(a) to (e) apply (tax investigations etc), and
 - (b) Article 12(1) does not apply (wrongful behaviour in relation to non-UK domiciled status).
- (3) Otherwise, P is “not eligible for clearance”.

Effect if P eligible for clearance

- 6 (1) This paragraph sets out the effect of the Part 2 certificate if P is eligible for clearance.
- (2) P ceases to be liable to tax on qualifying amounts.
- (3) Sub-paragraph (2) does not apply to a qualifying amount if—
- (a) the amount was held in the United Kingdom,
 - (b) at some point during the period beginning with 6 October 2011 and ending immediately before the start date, it ceased to be held in the United Kingdom, and
 - (c) after that point (but before the start date) it began to be held in Switzerland.
- (4) Instead, such part of the one-off payment as is attributable (on a just and reasonable basis) to the qualifying amount is to be treated as if it were a credit allowable against the tax due from P taking account of that amount.
- (5) The meaning of tax due “taking account of” an amount is explained in Part 5 of this Schedule.
- (6) The form in which a qualifying amount was held in the United Kingdom is irrelevant (so references in sub-paragraph (3) to the amount include an asset representing the amount).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (7) The total qualifying amounts to which sub-paragraphs (2) and (4) can apply as a result of the Part 2 certificate is limited to X.
- (8) If the total exceeds X, the particular qualifying amounts to which those sub-paragraphs apply are assumed to be those that would produce the most beneficial outcome for P.
- (9) X is—
 - (a) in a case falling within Article 9(3), the value of the omitted taxable base by reference to which the one-off payment was calculated, and
 - (b) in any other case, the value shown in the Part 2 certificate as the value of the relevant capital (C_T).

Ceasing to be liable to tax

- 7 (1) The result of “ceasing to be liable” to tax on a qualifying amount depends on the tax (or taxes) in respect of which the amount is untaxed.
- (2) For income tax or capital gains tax, the result is that the amount is no longer liable to be brought into account in assessing the income tax or capital gains tax due from P for the tax year in which the amount would otherwise be liable to be brought into account.
- (3) For inheritance tax, the result is that any inheritance tax due from P in respect of the chargeable transfer and attributable to the property whose value is included in the amount is no longer due from P.
- (4) For VAT, the result is that P is no longer required to account for output tax on the amount in determining the VAT payable by P for the prescribed accounting period in which P would otherwise be required to account for output tax on the amount.
- (5) But—
 - (a) ceasing to be liable to tax on a qualifying amount does not affect P's liability to tax on any other amount, and
 - (b) P's liability to tax on any other amount remains what it would have been, had the qualifying amount been brought into account in calculating that liability.
- (6) Accordingly, if the qualifying amount were ever to be brought into account and it were found that the tax assessed on any other amount should have been higher as a result, P would remain liable for the extra tax due on that other amount and for any associated ancillary charge.
- (7) For the purposes of sub-paragraphs (5) and (6), the qualifying amount is assumed to form the top slice of the total sum on which P is liable to tax.

Effect if P not eligible for clearance

- 8 (1) This paragraph sets out the effect of the Part 2 certificate if P is not eligible for clearance.
- (2) The one-off payment is to be treated as if it were a credit allowable against the tax due from P taking account of qualifying amounts.
- (3) The one-off payment is to be applied for the purposes of sub-paragraph (2)—
 - (a) in the order specified in sub-paragraph (4), and

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

(b) subject to that, in the way that produces the most beneficial outcome for P.

(4) The order is—

- (a) first, for VAT,
- (b) then, for income tax,
- (c) then, for capital gains tax, and
- (d) finally, for inheritance tax.

Interest, penalties etc

- 9 (1) Where, by virtue of this Part, P ceases to be liable to tax on a qualifying amount, P also ceases to be liable to any ancillary charge directly connected with that amount.
- (2) Where, by virtue of this Part, all or part of a one-off payment is treated as if it were a credit allowable against the tax due from P taking account of a qualifying amount, the credit may also be used to offset any ancillary charge directly connected with that amount.
- (3) Sub-paragraph (4) applies in the case of a qualifying amount that is part only of—
- (a) an amount of income on which income tax is charged,
 - (b) a chargeable gain,
 - (c) the value of property forming part of the value transferred by a chargeable transfer, or
 - (d) the value of a supply on which VAT is charged.
- (4) The amount of any ancillary charge directly connected with that qualifying amount is determined by apportioning the ancillary charge directly connected with the income, gain or value on a just and reasonable basis.

Repayments

- 10 Nothing in this Part entitles any person to a repayment or refund of tax, save for any repayment or refund to which P may be entitled by virtue of paragraph 6(4) or 8(2) if the credit allowable under that paragraph exceeds the total amount of tax against which the credit is allowable.

Paragraph 4: supplementary provision

- 11 (1) This paragraph explains how paragraph 4(2) is to be read for each description of taxable amount.
- (2) For income and chargeable gains—
- (a) the reference to P being “liable to tax” includes a case where P would be so liable if the income or gain were to be remitted to the United Kingdom,
 - (b) “the taxable event” takes place when the income arises or the gain accrues (whether or not, in a remittance basis case, it is remitted to the United Kingdom), and
 - (c) the income or gain is “untaxed” if it has not been brought into account in an assessment to income tax or, as the case may be, capital gains tax for the tax year in which it is required to be brought into account.
- (3) For the value of property forming part of the value transferred by a chargeable transfer—

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (a) “the taxable event” takes place when the chargeable transfer is made (or, in the case of a potentially exempt transfer, when death occurs), and
 - (b) the value of the property is “untaxed” if it has not been brought into account in determining the value transferred by the chargeable transfer.
- (4) For the value of supplies on which VAT is charged—
- (a) “the taxable event” takes place when P makes the supply, and
 - (b) the value of the supply is “untaxed” if output tax on the supply has not been accounted for in determining the VAT payable by P for the prescribed accounting period in which P is required to account for output tax on the supply.
- (5) Paragraph 4(2)(a) is not satisfied in a case where P is liable to tax only because the liability has been transferred to P as a result of action taken by HMRC (for example, as a result of a notice given under section 77A of VATA 1994 or a direction given under regulation 81 of the Income Tax (PAYE) Regulations 2003 (S.I. 2003/2682)).

Refund of one-off payment

- 12 If a one-off payment is refunded by HMRC in accordance with Article 15(3), this Part ceases to apply with respect to that payment.

PART 3

THE FUTURE: INCOME TAX AND CAPITAL GAINS TAX

Taxes affected

- 13 The taxes affected by this Part are—
- (a) income tax, and
 - (b) capital gains tax.

Application of this Part

- 14 (1) This Part applies if—
- (a) a sum is levied under Article 19 on an amount of income or a gain of a person, and
 - (b) a certificate is issued to the person under Article 30(1) in respect of the levying of that sum (or sums that include that sum).
- (2) This Part also applies if—
- (a) a retention is made under EUSA from an amount of income or a gain of a person,
 - (b) a tax finality payment, as contemplated by the Joint Declaration, is made on the same income or gain, and
 - (c) a certificate is issued to the person under the Joint Declaration in respect of the making of that payment (or payments that include that payment).
- (3) In this Part—
- (a) the person is referred to as “P”,
 - (b) the certificate is referred to as “the relevant certificate”,

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (c) the amount of income, or the gain, is referred to as “the cleared amount”,
- (d) the account or deposit (within the meaning of the Agreement) to which the certificate relates (or to which certificates relate that include the certificate) is referred to as “the underlying account”, and
- (e) the sum levied under Article 19 on the cleared amount or, as the case may be, the tax finality payment made on it is referred to as “the transferred sum”.

Effect of relevant certificate

- 15
- (1) The effect of the relevant certificate depends on whether P makes an election under paragraph 16 in respect of the underlying account for the applicable year.
 - (2) “The applicable year” is the tax year for which P is liable to income tax or, as the case may be, capital gains tax on the cleared amount.
 - (3) If P makes an election, the transferred sum is to be treated as if it were a credit allowable against the income tax or, as the case may be, capital gains tax due from P for the applicable year.
 - (4) If P does not make an election, P ceases to be liable to income tax or, as the case may be, capital gains tax on the cleared amount.
 - (5) Sub-paragraph (4) is to be read in accordance with paragraph 7.
 - (6) Where P ceases to be liable to tax on the cleared amount, P also ceases to be liable to any ancillary charge directly connected with that amount.

Election

- 16
- (1) P may make an election under this paragraph in respect of the underlying account for a tax year if all the affected amounts are included in full in a return (or amended return) made by P under Part 2 of TMA 1970 for that tax year.
 - (2) In relation to a tax year, an amount is an “affected amount” if—
 - (a) a certificate is issued to P under Article 30(1) or the Joint Declaration in respect of the levying of a sum, or the making of a tax finality payment, on that amount,
 - (b) the account or deposit to which the certificate relates is the underlying account, and
 - (c) the amount is required to be brought into account in assessing the income tax or capital gains tax due from P for that tax year.
 - (3) An election under this paragraph must be made in the return or amended return in which the affected amounts are included.
 - (4) An election may only be made under this paragraph if it is accompanied by all the relevant certificates relating to the underlying account.
 - (5) For the purposes of paragraph 15, P is treated as making an election under this paragraph in respect of the underlying account for a tax year if a claim is made under Part 3 of TIOPA 2010 (double taxation relief for special withholding tax) in relation to any of the affected amounts.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (6) Section 143 of TIOPA 2010 (taking account of special withholding tax in calculating income or gains) applies with any necessary modifications in relation to a tax finality payment as it applies in relation to special withholding tax.

Other credits to be allowed first

- 17 Other than a credit allowed under Part 3 of TIOPA 2010, any credit for foreign tax allowed under that Act against the income tax or, as the case may be, capital gains tax due from P for the applicable year is to be allowed before effect is given to paragraph 15(3).

Repayments

- 18 (1) Sub-paragraph (2) applies if the amount of a credit allowable under paragraph 15(3) exceeds the amount of income tax or, as the case may be, capital gains tax due from P for the applicable year (before set-off).
- (2) The excess is to be set against any amount of the other tax (income tax or capital gains tax) due from P for that year.
- (3) Nothing in this Part entitles any person to a repayment or refund of tax, save for any repayment to which P may be entitled as a result of paragraph 15(3) if, in relation to a credit allowable under that paragraph, there is any remaining balance after applying—
- (a) sub-paragraph (2), and
 - (b) section 138(4)(a) or 140(5)(a) of TIOPA 2010, if applicable to the cleared amount.

Relationship with special withholding tax rules

- 19 The Joint Declaration does not count for the purposes of section 136(6)(b) of TIOPA 2010 (definition of “special withholding tax”) as a corresponding provision of international arrangements.

PART 4

THE FUTURE: INHERITANCE TAX

Taxes affected

- 20 This Part affects inheritance tax.

Application of this Part

- 21 (1) This Part applies if—
- (a) an amount is withheld under Article 32(2) in respect of relevant assets of a deceased person (“P”), and
 - (b) a certificate is issued under Article 32(6) in respect of the withholding of that amount.
- (2) The certificate is referred to in this Part as “the Article 32 certificate”.

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

- (3) The relevant assets in relation to which the Article 32 certificate is issued are referred to as “the cleared assets”.
- (4) Any reference in this Part to “the chargeable transfer” is to the transfer made (under section 4 of IHTA 1984) on P's death.

Effect of Article 32 certificate

- 22
- (1) The cleared assets are to be treated as if they were excluded property in determining the value of P's estate immediately before P's death.
 - (2) As a result, any ancillary charge directly connected with those assets is also extinguished.
 - (3) But—
 - (a) treating the cleared assets as if they were excluded property does not affect any liability to inheritance tax on the rest of P's estate, and
 - (b) that liability remains what it would have been, had the cleared assets not been treated as excluded property.
 - (4) Accordingly, if the cleared assets were ever to be included in an account or further account under section 216 or 217 of IHTA 1984 in respect of the chargeable transfer and it were found that the inheritance tax charged on the value of the property in P's estate other than the cleared assets should have been higher, the extra tax charged on the value of that other property remains due, together with any associated ancillary charge.
 - (5) For the purposes of sub-paragraphs (3) and (4), the value of the cleared assets is assumed to form the highest part of the value transferred by the chargeable transfer.

Election in respect of Article 32 certificates

- 23
- (1) This paragraph applies if the cleared assets for each of the Article 32 certificates issued in respect of P's death are included in full in an account or further account delivered in respect of P's death under section 216 or 217 of IHTA 1984 within the time permitted for delivering such an account or further account.
 - (2) The person who delivers the account or further account may elect to disapply paragraph 22.
 - (3) An election under this paragraph must be made in writing at the same time as the account or further account in which all the cleared assets are included, and signed by each person delivering the account or further account.
 - (4) An election may only be made under this paragraph if it is accompanied by each of the Article 32 certificates.
 - (5) If an election is made under this paragraph—
 - (a) paragraph 22 does not apply to the cleared assets for any of the Article 32 certificates issued in respect of P's death, and
 - (b) the amounts withheld under Article 32(2) are instead to be treated as if they were credits allowable against the inheritance tax due on the value transferred by the chargeable transfer (calculated with the value of all those cleared assets brought into account).

Status: Point in time view as at 01/12/2020. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2012. (See end of Document for details)

Repayments

- 24 Nothing in this Part entitles any person to a repayment or refund of tax, save for any repayment to which a person may be entitled as a result of paragraph 23 if the credit allowable under that paragraph exceeds the inheritance tax due from the person on the value transferred by the chargeable transfer.

PART 5

GENERAL PROVISIONS

- 25 No obligation of secrecy (whether imposed by statute or otherwise) prevents HMRC from disclosing information pursuant to a request made by virtue of Article 36 (reciprocity measures of the United Kingdom).

- (2) But in the application of Part 2 to such amounts—
- (a) a reference to the value of a supply on which VAT is charged is a reference to the value of the supply shown in the invoice mentioned in paragraph 5(2) of that Schedule,
 - (b) “the taxable event” takes place when the invoice is issued,
 - (c) the value of the supply shown in the invoice is “untaxed” if the amount otherwise recoverable under paragraph 5(3) of that Schedule has not been recovered, and
 - (d) “ceasing to be liable” to tax on the value of that supply means that the amount otherwise recoverable is no longer recoverable.
