- (2) The maximum allowance under section 51A of CAA 2001 for the first straddling period is the sum of each maximum allowance that would be found if—
- so much (if any) of the first straddling period as falls before the relevant date,
 - so much of the first straddling period as falls on or after the relevant date but before 1 January 2013, and
 - so much of the first straddling period as falls on or after 1 January 2013,

- 2 (1) This paragraph applies where the first straddling period begins before the relevant date.
- (2) So far as concerns expenditure incurred before the relevant date, the maximum allowance under section 51A of CAA 2001 for the first straddling period is what would have been the maximum allowance for that period if the amendment made by section 7(1) had not been made.

 - (b) the policy is neither a protected policy nor a pure protection policy.
- (13) In subsection (12)(b)—

 - “pure protection policy” has the meaning given by paragraph A6(1)(c) of that Schedule.
- (14) A policy which is a new policy in relation to a policy “related” to policy X (whether by virtue of subsection (12) or this subsection) is also “related” to policy X if it meets the requirements of subsection (12)(a) and (b) when issued.
- (15) A policy ceases to be “related” to policy X if it ceases to meet those requirements.
- (16) If policy X is a restricted relief qualifying policy as provided for by paragraph A2(14) of Schedule 15 to ICTA, references in this section to policy X becoming a restricted relief qualifying policy are to be read as references to the policy determined under subsection (17) becoming a restricted relief qualifying policy.
- (17) The policy is—
- (a) the policy (“policy Y”) in relation to which policy X was the new policy, or

- (a) condition B in that section is met, and
 - (b) the person who created the trusts has died.
- (3) In relation to an event occurring on or after 6 April 2013, section 485 (disregard of certain events in relation to qualifying policies) does not apply in relation to a policy if the policy is a restricted relief qualifying policy (see paragraph A2 of Schedule 15 to ICTA).
- (4) If any personal representatives or trustees are liable for tax charged under this Chapter as a result of subsection (3), section 463A(3) is to apply in the case of the personal representatives or the trustees—
- (a) as if the reference to the individual were to the personal representatives or to the trustees, and
 - (b) as if the restricted relief qualifying policy were policy X.
- (5) For this purpose—
- (a) in section 463B(12)(a) the reference to the individual is to be read as a reference to the deceased, and
 - (b) a policy—
 - (i) which would otherwise have ceased to be “related” to policy X for the purposes of section 463B on the deceased's death, but
 - (ii) which continues to run after the deceased's death,is to be treated as “related” to policy X after the deceased's death.
- (6) A policy which is a new policy (as defined in paragraph 17 of Schedule 15 to ICTA) in relation to a policy treated as “related” to policy X under subsection (5)(b) or this subsection is also to be treated as “related” to policy X if, apart from the deceased's death, it would meet the requirements of section 463B(12)(a) and (b) on its issue.
- (7) A policy treated as “related” to policy X under subsection (5)(b) or (6) ceases to be so treated if, apart from the deceased's death, it would cease to meet the requirements of section 463B(12)(a) and (b).

 - (c) in relation to an event occurring after the relevant event—
 - (i) an individual is liable for tax charged under this Chapter on a gain from the policy, and
 - (ii) but for the application of paragraph A1 in relation to the policy, section 463A(3) would have applied in the case of the individual so as to reduce the gain.
- (2) Section 463A(3) is to apply in the case of the individual in relation to the gain as if the policy were policy X.
- (3) But, for this purpose, section 463B(5) has effect as if the references to the policy X period were to the part of that period falling before the relevant event.
- (4) If section 528 also applies in the case of the individual in relation to the gain, section 463A(3) is to be applied to the gain before section 528 and, accordingly, the reduction to be made under section 528 is to be determined by reference to the gain as reduced by section 463A(3).

463E Transitional protection for policies issued in respect of insurances made on or after 21 March 2012 but before 6 April 2013

 - (a) a policy (“policy Z”) is issued,
 - (b) the issue of policy Z is an event falling within paragraph A2(3) of Schedule 15 to ICTA by virtue of paragraph (e),

 - (e) after the variation, policy Z is not a qualifying policy by virtue of paragraph A1(2) of that Schedule,
 - (f) in relation to an event occurring after the variation, an individual is liable for tax charged under this Chapter on a gain from policy Z, and

where—

G is the amount of the gain (apart from this subsection),

TPV is the total amount of premiums payable under policy Z before the variation, and

TP is the total amount of premiums payable under policy Z before the chargeable event.

(3) If section 528 also applies in the case of the individual in relation to the gain, subsection (2) is to be applied to the gain before section 528 and, accordingly, the reduction to be made under section 528 is to be determined by reference to the gain as reduced by subsection (2).

(4) Section 463A(10) to (12) applies for the purposes of subsection (2).”

- (5) Condition A is that, on the relevant day, it is highly likely that the amount, or any part of it, would (disregarding this Part) be the subject of, or brought into account as a deduction in, a relevant claim for an accounting period ending on or after the relevant day.

 - (a) (disregarding subsection (7)) subsection (2) would prevent a deductible amount being brought into account by a company as a deduction in any accounting period ending on or after the relevant day, and
 - (b) in the absence of the profit transfer arrangements and disregarding any deductible amounts, the company would have an amount of total profits for that accounting period.
- (7) Subsection (2) applies only in relation to such proportion of the deductible amount mentioned in subsection (6)(a) as is just and reasonable.”

In this subsection "ring fence trade" has the meaning given by section 277 of CTA 2010.

 - (4) The Treasury may by order replace the percentage for the time being specified in subsection (2) or (3) with a different percentage.

Payment of credit

Payment of R&D expenditure credit

- 104(N) This section applies if a company is entitled to an R&D expenditure credit for an accounting period under this Chapter.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The amount to which the company is entitled in respect of the R&D expenditure credit (“the set-off amount”) is to be treated in the following way—

Step 1 The set-off amount is to be applied in discharging any liability of the company to pay corporation tax for the accounting period. If any of the set-off amount is remaining, go to step 2.

Step 2 If the amount remaining after step 1 is greater than the net value of the set-off amount (see subsection (3)), that amount is to be reduced to the net value of the set-off amount. For provision about the treatment of the amount deducted under this step from the amount remaining after step 1, see section 104O.

Step 3 If the amount remaining after step 2 is greater than the company's total expenditure on workers for the accounting period (see section 104P)—

- (a) that amount is to be reduced to the amount of that expenditure (which may be nil), and
- (b) the amount deducted under paragraph (a) from the amount remaining after step 2 is to be treated for the purposes of this section as an amount of R&D expenditure credit to which the company is entitled for its next accounting period.

If any of the set-off amount is remaining, go to step 4.

Step 4 The amount remaining after step 3 is to be applied in discharging any liability of the company to pay corporation tax for any other accounting period. If any of the set-off amount is remaining, go to step 5.

Step 5 If the company is a member of a group, it may surrender the whole or any part of the amount remaining after step 4 to any other member of the group (see section 104R). If no such surrender is made, or any of the set-off amount is otherwise remaining, go to step 6.

Step 6 The amount remaining after step 5 is to be applied in discharging any other liability of the company to pay a sum to the Commissioners under or by virtue of an enactment or under a contract settlement. If any of the set-off amount is remaining, go to step 7.

Step 7 The amount remaining after step 6 is payable to the company by an officer of Revenue and Customs. But this is subject to section 104S (restrictions on payment of R&D expenditure credit).

- (3) To determine the net value of the set-off amount for the purposes of step 2 in subsection (2), deduct from the set-off amount amount A and, in the case of a ring fence trade, amount B.

Amount A is the amount equal to the corporation tax that would be chargeable on the set-off amount if—

- (a) it did not include any amount treated as an amount of R&D expenditure credit for the accounting period by virtue of step 3 in subsection (2), and
- (b) it was an amount of profits (or in the case of a ring fence trade, ring fence profits) of the company for the accounting period and corporation tax on such profits was chargeable at the main rate.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Amount B is the amount equal to the supplementary charge that would be chargeable on the set-off amount if—

- (a) it did not include any amount treated as an amount of R&D expenditure credit for the accounting period by virtue of step 3 in subsection (2), and
- (b) it was an amount of adjusted ring fence profits for the accounting period.

(4) In this section—

“the Commissioners” means the Commissioners for Her Majesty's Revenue and Customs,

“contract settlement” means an agreement made in connection with any person's liability to make a payment to the Commissioners under or by virtue of an enactment,

- (b) the amount of the set-off amount remaining after step 1 in section 104N(2) is greater than the net value of the set-off amount.

(2) An amount equal to the difference between—

- (a) the amount remaining after step 1 in section 104N(2), and
- (b) the net value of the set-off amount,

(“the step 2 amount”) is to be applied in discharging any liability of the company to pay corporation tax for any subsequent accounting period.

This is subject to subsection (3).

(3) If the company is a member of a group, it may surrender the whole or any part of the step 2 amount to any other member of the group (the “relevant group member”).

In such a case, section 104R(3) applies to the amount surrendered as it applies to an amount of R&D expenditure credit surrendered under step 5 in section 104N(2).

(4) If any of the amount surrendered under subsection (3) is remaining after the operation of step 3 in section 104R(3), it is to be treated for the purposes of this section as if it had not been surrendered to the relevant group member.

(5) Any amounts to be applied under subsection (2) or (3) in discharging any liability of a company to pay corporation tax for an accounting period are to be so applied before any amounts that may be so applied under step 1, 4 or 5 in section 104N(2).

- (7) Any reference in this section to the set-off amount, or the net value of the set-off amount, is to be read in accordance with section 104N.

- (3) The relevant portion of any staffing costs for an accounting period incurred by a relevant group company in providing externally provided workers for the company is the sum of the amounts to be determined in the case of each of those workers as follows—

Surrender of credit to other group companies

- 104R) This section applies if—
- (a) a company is entitled to an R&D expenditure credit under this Chapter for an accounting period (“the surrender period”), and
 - (b) the company surrenders the whole or any part of the credit to another member of the group (the “relevant group member”) under step 5 in section 104N(2).

- the company is not entitled to be paid that amount, and
 - that amount is extinguished.
- (3) But if the company becomes a going concern on or before the last day on which an amendment of the company's tax return for the accounting period could be made under paragraph 15 of Schedule 18 to FA 1998, the company is entitled to be paid that amount.

(2) In those sections—

“the completion period” means the accounting period of the company—

- (a) in which the relevant programme is completed, or
- (b) if the company does not complete the relevant programme, in which it abandons television production activities in relation to the programme,

“loss relief” includes any means by which a loss might be used to reduce the amount in respect of which the company, or any other person, is chargeable to tax,

“pre-completion period” means an accounting period of the company before the completion period, and

“the separate programme trade” means the company's separate trade in relation to the relevant programme (see section 1216B).

Restriction on use of losses while programme in production

1216DA(1) This section applies if in a pre-completion period a loss is made in the separate programme trade.

(2) The loss is not available for loss relief except to the extent that it may be carried forward under section 45 of CTA 2010 to be set against profits of the separate programme trade in a subsequent period.

Use of losses in later periods

1216DB(1) This section applies to the following accounting periods of the company (“relevant later periods”)—

- (a) the completion period, and
- (b) any subsequent accounting period during which the separate programme trade continues.

(2) Subsection (3) applies if a loss made in the separate programme trade is carried forward under section 45 of CTA 2010 from a pre-completion period to a relevant later period.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. - (4) Subsection (5) applies if in a relevant later period a loss is made in the separate programme trade.
- (5) The amount of the loss that may be—
 - (a) deducted from total profits of the same or an earlier period under section 37 of CTA 2010, or
 - (b) surrendered as group relief under Part 5 of that Act,
 is restricted to the amount (if any) that is not attributable to television tax relief (see subsection (6)).
- (6) The amount of a loss in any period that is attributable to television tax relief is calculated by deducting from the total amount of the loss the amount there would have been if there had been no additional deduction under Chapter 3 in that or any earlier period.
- (7) This section does not apply to a loss to the extent that it is carried forward or surrendered under section 1216DC.

 - (b) company A ceases to carry on its separate trade in relation to that programme (“trade X”) (see section 1216B), and
 - (c) if company A had not ceased to carry on trade X, it could have carried forward an amount under section 45 of CTA 2010 to be set against profits of trade X in a later period (“the terminal loss”).
- (2) If on cessation of trade X company A—
- (a) is the television production company in relation to another qualifying programme, and
 - (b) is carrying on its separate trade in relation to that programme (“trade Y”),
- it may (on making a claim) make an election under subsection (3).
- (3) The election is to have the terminal loss (or a part of it) treated as if it were a loss brought forward under section 45 of CTA 2010 to be set against the profits of trade Y in the first accounting period beginning after the cessation and so on.
- (4) Subsection (5) applies if on cessation of trade X—
- (a) there is another company (“company B”) that is the television production company in relation to a qualifying programme,

- (7) The Treasury may, in relation to the surrender of a loss under subsection (5) and the resulting claim under subsection (6), make provision by regulations corresponding, subject to such adaptations or other modifications as appear to them to be appropriate, to that made by Part 8 of Schedule 18 to FA 1998 (company tax returns: claims for group relief).
- (8) “Qualifying programme” means a relevant programme in relation to which the conditions for television tax relief are met (see 1216C(2)).

Activities of video games development company treated as a separate trade

1217B) This Chapter applies for corporation tax purposes to a company that is the video games development company in relation to a video game.

- (2) The company's activities in relation to the video game are treated as a trade separate from any other activities of the company (including any activities in relation to any other video game).
- (3) In this Chapter the separate trade is called “the separate video game trade”.
- (4) The company is treated as beginning to carry on the separate video game trade—
 - (a) when the design of the video game begins, or
 - (b) if earlier, when any income from the video game is received by the company.

Calculation of profits or losses of separate video game trade

1217BA) This section applies for the purpose of calculating the profits or losses of the separate video game trade.

- (2) For the first period of account the following are brought into account—
 - (a) as a debit, the costs of the video game incurred (and represented in work done) to date, and
 - (b) as a credit, the proportion of the estimated total income from the video game treated as earned at the end of that period.
- (3) For subsequent periods of account the following are brought into account—

- (4) The proportion of the estimated total income treated as earned at the end of a period of account is given by—

$$\frac{C}{T} \times I$$

where—

C is the total to date of costs incurred (and represented in work done),

T is the estimated total cost of the video game, and

I is the estimated total income from the video game.

Supplementary

Income from the video game

1217B(1) References in this Chapter to income from the video game are to any receipts by the company in connection with the production or exploitation of the video game.

- (a) video game development activities in connection with the video game, or
 - (b) activities with a view to exploiting the video game.
- (2) This is subject to any provision of the Corporation Tax Acts prohibiting the making of a deduction, or restricting the extent to which a deduction is allowed, in calculating the profits of a trade.
- (3) Expenditure that (apart from this subsection) would be regarded as of a capital nature by reason only of being incurred on the creation of an asset (the video game) is treated as being of a revenue nature.

- (2) Accordingly—
- (a) payments in advance for work to be done are ignored until the work has been carried out, and
 - (b) deferred payments are recognised to the extent that the work is represented in the state of completion.
- (3) The costs incurred on the video game are taken to include an amount that has not been paid only if it is the subject of an unconditional obligation to pay.
- (4) If an obligation is linked to income being earned from the video game, no amount is to be brought into account in respect of the costs of the obligation unless an appropriate amount of income is or has been brought into account.

Estimates

- 1217BE Estimates for the purposes of this Chapter must be made as at the balance sheet date for each period of account, on a just and reasonable basis taking into consideration all relevant circumstances.

- (2) If the Secretary of State is not satisfied that those requirements are met, the Secretary of State must refuse the application.
- (3) An interim certificate—

- (5) If it appears to the Secretary of State that a video game certified under this Part ought not to have been certified, the Secretary of State may revoke its certification.

L is the amount of the company's loss for the period in the separate video game trade, and

RUL is the amount of any relevant unused loss of the company (see subsection (4)).

1217C(1) The company may surrender the whole or part of its surrenderable loss in an accounting period.

- (3) The election is to have the terminal loss (or a part of it) treated as if it were a loss brought forward under section 45 of CTA 2010 to be set against the profits of trade Y in the first accounting period beginning after the cessation and so on.
- (4) Subsection (5) applies if on cessation of trade X—

CHAPTER 5 U.K.

PROVISIONAL ENTITLEMENT TO RELIEF

Introduction

1217E) In this Chapter—

“the company” means the video games development company in relation to a video game,

“the completion period” means the accounting period of the company—

- (a) in which the video game is completed, or
- (b) if the company does not complete the video game, in which it abandons video game development activities in relation to it,

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“interim accounting period” means any earlier accounting period of the company during which video game development activities are carried on in relation to the video game,

“interim certificate” and “final certificate” have the meaning given by section 1217CC,

“the separate video game trade” means the company's separate trade in relation to the video game (see section 1217B), and

“special video games relief” means—

- (a) video games tax relief, or
 - (b) relief under section 1217DC (transfer of terminal losses from one video game to another).
- (2) The company's company tax return for the completion period must state that the video game has been completed or that the company has abandoned video game development activities in relation to it (as the case may be).

Certification as a British video game

1217E(1) The company is not entitled to special video games relief for an interim accounting period unless its company tax return for the period is accompanied by an interim certificate.

- (2) If an interim certificate ceases to be in force (otherwise than on being superseded by a final certificate) or is revoked, the company—
 - (a) is not entitled to special video games relief for any period for which its entitlement depended on the certificate, and
 - (b) must amend accordingly its company tax return for any such period.
- (3) If the video game is completed by the company—
 - (a) its company tax return for the completion period must be accompanied by a final certificate,
 - (b) if that requirement is met, the final certificate has effect for the completion period and for any interim accounting period, and
 - (c) if that requirement is not met, the company—
 - (i) is not entitled to special video games relief for any period, and
 - (ii) must amend accordingly its company tax return for any period for which such relief was claimed.
- (4) If the company abandons video game development activities in relation to the video game—
 - (a) its company tax return for the completion period may be accompanied by an interim certificate, and
 - (b) the abandonment of video game development activities does not affect any entitlement to special video games relief in that or any previous accounting period.
- (5) If a final certificate is revoked, the company—
 - (a) is not entitled to special video games relief for any period, and
 - (b) must amend accordingly its company tax return for any period for which such relief was claimed.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

The UK expenditure condition

1217EB) The company is not entitled to special video games relief for an interim accounting period unless—

- (a) its company tax return for the period states the amount of planned core expenditure on the video game that is UK expenditure, and
- (b) that amount is such as to indicate that the condition in section 1217CE (the UK expenditure condition) will be met on completion of the video game.

If those requirements are met, the company is provisionally treated in relation to that period as if that condition was met.

(2) If such a statement is made but it subsequently appears that the condition will not be met on completion of the video game, the company—

- (a) is not entitled to special video games relief for any period for which its entitlement depended on such a statement, and
- (b) must amend accordingly its company tax return for any such period.

(3) When the video game is completed or the company abandons video game development activities in relation to it (as the case may be), the company's company tax return for the completion period must be accompanied by a final statement of the amount of core expenditure on the video game that is UK expenditure.

(4) If that statement shows that the condition in section 1217CE is not met, the company—

- (a) is not entitled to special video games relief for any period, and
- (b) must amend accordingly its company tax return for any period for which such relief was claimed.

- 938(1) This section applies to a company that is (at any time) a party to a tax mismatch scheme.
- (2) No scheme loss or profit made by the company in any accounting period in relation to the scheme is to be brought into account as a debit or credit for the purposes of Part 5 of CTA 2009 (loan relationships) or Part 7 of that Act (derivative contracts).
- (3) An amount that would, apart from this section, be brought into account for the purposes of Part 5 or 7 of that Act as respects any matter—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) is treated, for the purposes of section 464(1) or (as the case may be) 699(1) of that Act (priority of Part 5 or 7 for corporation tax purposes), as if it were so brought into account, and
- (b) accordingly, may not be brought into account for any other corporation tax purposes as respects that matter.

Meaning of “tax mismatch scheme”

938(P) A scheme is a tax mismatch scheme if condition A or B is met.

- (2) Condition A is that, at the time the scheme is entered into, there is no practical likelihood that the scheme will fail to secure a relevant tax advantage of £2 million or more.
- (3) The Treasury may by order substitute a higher amount for the amount for the time being specified in subsection (2).
- (4) Any such substitution is to have effect in relation to schemes entered into on or after the day on which the order comes into force.
- (5) Condition B is that—
 - (a) the purpose, or one of the main purposes, of the company in entering into the scheme is to obtain the chance of securing a relevant tax advantage (of any amount), and
 - (b) at the time the scheme is entered into—
 - (i) there is no chance that the scheme will secure a relevant tax disadvantage, or
 - (ii) there is such a chance, but the expected value of the scheme is nevertheless a positive amount.
- (6) If, at the time the company enters into the scheme, there are chances that the scheme would, if carried out, secure different relevant tax advantages or disadvantages in different circumstances, the amounts and probabilities of each must be taken into account in determining the expected value of the scheme.
- (7) In determining whether condition A or B is met, it is to be assumed that the parties to the scheme carry it out.
- (8) Where, at the time the scheme is entered into, the length of the scheme period is uncertain, condition A or B is met if it would be met on any reasonable assumption as to the length of the scheme period.
- (9) In determining whether condition A or B is met, section 938O (scheme profits and losses to be left out of account) is to be disregarded.

Meaning of “scheme loss” and “scheme profit”

938(Q) A loss or profit made by a company in an accounting period is a “scheme loss” or “scheme profit” in relation to a tax mismatch scheme if the loss or profit—

- (a) arises from a transaction, or series of transactions, that forms part of the scheme,

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) is, or is comprised in, an amount that is brought into account as a debit or credit for the purposes of Part 5 or 7 of CTA 2009, and
 - (c) meets the first or second asymmetry condition.
- (2) The first asymmetry condition is that the loss or profit affects the amount of any relevant tax advantage secured by the scheme.
- (3) Where, at the end of the accounting period—
- (a) it is not certain whether the scheme will secure a relevant tax advantage, or
 - (b) it is not certain what the amount of the relevant tax advantage secured by the scheme will be,
- a loss or profit is to be treated as meeting the first asymmetry condition if, at that time, there is a chance that the scheme will secure a relevant tax advantage and that the loss or profit will affect its amount.
- (4) Where—
- (a) a loss or profit meets the conditions in subsection (1)(a) and (b), and
 - (b) a part, but not the whole, of the loss or profit meets the first asymmetry condition,
- only that part of the loss or profit is a “scheme loss” or “scheme profit”.
- (5) The second asymmetry condition is that the loss or profit—
- (a) does not meet the first asymmetry condition, but
 - (b) arises from a transaction, or series of transactions, that might (if events had turned out differently) have given rise to a loss or profit that would have done so.
- (6) References in this section to a loss or profit include a loss or profit arising in respect of interest or expenses.
- (7) In determining whether the condition in subsection (1)(b) or the first or second asymmetry condition is met, section 938O (scheme profits and losses to be left out of account) is to be disregarded.

Meaning of “relevant tax advantage” etc and “the scheme period”

- 938R(1) In this Part “relevant tax advantage”, in relation to a scheme, means an economic profit that—
- (a) is made by the company over the scheme period,
 - (b) meets the condition in subsection (3), and
 - (c) is not negligible.
- (2) In this Part “relevant tax disadvantage”, in relation to a scheme, means an economic loss that—
- (a) is made by the company over the scheme period,
 - (b) meets the condition in subsection (3), and
 - (c) is not negligible.
- (3) The condition is that the economic profit or loss arises as a result of asymmetries in the way that the company brings, or does not bring, amounts into account as debits and credits for the purposes of Part 5 or 7 of CTA 2009.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) A reference in this section to asymmetries includes, in particular—
 - (a) asymmetries relating to quantification, and
 - (b) asymmetries relating to timing.
- (5) In this section—
 - (a) a reference to an economic profit includes an increase in an economic profit and a decrease in an economic loss, and
 - (b) a reference to an economic loss includes an increase in an economic loss and a decrease in an economic profit.
- (6) In this Part “the scheme period”, in relation to a scheme, means the period during which the scheme has effect.

Meaning of references to economic profits and losses

- 938(S) An economic profit or loss is to be computed for the purposes of this Part taking into account, in particular—
- (a) profits and losses made as a result of the operation of the Corporation Tax Acts, and
 - (b) any adjustments required to reflect the time value of money.
- (2) In determining for the purposes of this Part the amount of an economic profit or loss made by the company over the scheme period, profits and losses made by the company are to be taken into account only to the extent that they are attributable to times at which the company is a party to the scheme.

Tax capacity assumption

- 938(I) This section applies for the purpose of determining whether a scheme will, or might, secure a relevant tax advantage.
- (2) The economic profits and losses made by the company over the scheme period must be calculated on the assumption that the company—
- (a) obtains the full tax benefit of any loss made by the company in relation to a loan relationship or a derivative contract during the period, and
 - (b) incurs the full tax cost of any profit made by the company in relation to a loan relationship or a derivative contract during the period.
- (3) The “full tax benefit” of a loss is the reduction in the liability of the company to corporation tax that would result if—
- (a) the loss were brought into account as a debit or as a reduction in a credit for the purposes of Part 5 or 7 of CTA 2009, and
 - (b) the company's profits chargeable to corporation tax, disregarding the loss, were equal to the debit (or the reduction in the credit) determined by reference to the loss.
- (4) The “full tax cost” of a profit is the increase in the liability of the company to corporation tax that would result if—
- (a) the profit were brought into account as a credit or as a reduction in a debit for the purposes of Part 5 or 7 of CTA 2009, and

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the company's profits chargeable to corporation tax, disregarding the profit, were nil.

Meaning of “scheme”

938U In this Part “scheme” includes any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving a single transaction or two or more transactions.

Priority

938V For the purposes of this Part the following provisions are to be treated as of no effect—

- (a) section 441 of CTA 2009 (loan relationships for unallowable purposes);
- (b) section 690 of that Act (derivative contracts for unallowable purposes);
- (c) Part 6 of TIOPA 2010 (tax arbitrage);
- (d) Part 7 of that Act (tax treatment of financing costs and income).”

““a tax mismatch scheme (in Part 21BA)	section 938P”.

5 In section 231(8) of TIOPA 2010 (tax arbitrage: overview), for the words from “section” to the end substitute “ sections 938N and 938V of CTA 2010 (this Part treated as of no effect for the purposes of Parts 21B and 21BA of CTA 2010 (group mismatch and tax mismatch schemes)). ”

6 (1) The amendments made by this Schedule have effect in relation to schemes entered into at any time (including any time before the commencement date).

Status: Point in time view as at 01/04/2014.

- (2) But section 938O in Part 21BA of CTA 2010 (as inserted by paragraph 3 of this Schedule) does not apply to—
- (a) scheme losses or profits that relate to a time before the commencement date, or
 - (b) scheme profits that relate to a time on or after that date but are made in relation to a scheme entered into before that date.
- (3) In this paragraph “the commencement date” means 5 December 2012.

But this is subject to subsection (4).

- (3) The amount is—

- (7) For the purposes of subsection (1), the market value of the shares is to be determined ignoring—
- (a) any election under section 431 (election for market value of restricted shares to be calculated as if not restricted), and

“Employee shareholders

236B Exemption for employee shareholder shares

- (1) A gain which accrues on the first disposal of an exempt employee shareholder share is not a chargeable gain.
- (2) A share is an exempt employee shareholder share if it is—
 - (a) an employee shareholder share, and
 - (b) exempt in accordance with sections 236C and 236D.
- (3) In this section and sections 236C to 236G—

shares are “acquired” by an employee if the employee becomes beneficially entitled to them (and they are acquired at the time when the employee becomes so entitled);

“employee shareholder share” means a share acquired in consideration of an employee shareholder agreement and held by the employee;

“employee shareholder agreement” means an agreement by virtue of which an employee is an employee shareholder (see section 205A(1) (a) to (d) of the Employment Rights Act 1996);

“employee” and “employer company”, in relation to an employee shareholder agreement, mean the individual and the company which enter into the agreement.

236C Only first £50,000 of shares under associated agreements to be exempt

- (1) An employee shareholder share acquired in consideration of an employee shareholder agreement (“the relevant agreement”) is exempt for the purposes of section 236B only if, immediately after its acquisition, the total value of qualifying shares which have been acquired by the employee does not exceed £50,000.
- (2) “Qualifying share” means an employee shareholder share in—
 - (a) the employer company in relation to the relevant agreement, or
 - (b) an associated company of that company,

which is acquired by the employee in consideration of an agreement within subsection (3).
- (3) An agreement is within this subsection if it is—
 - (a) the relevant agreement,
 - (b) another employee shareholder agreement with the same employer company, or
 - (c) an employee shareholder agreement with an associated company of that company.

Status: Point in time view as at 01/04/2014.

- (a) a company is an “associated company” of another if—
 - (i) one of the two has control of the other, or
 - (ii) both are under the control of the same person or persons, and
 - (b) if a company controls another when an employee shareholder agreement is entered into with the employee, paragraph (a) applies as if that continued to be the case (in addition to any other circumstances) when any subsequent employee shareholder agreement is entered into with that employee.
- (5) But subsection (4)(b) does not apply as between two companies if—
- (a) one of the companies has been dissolved,
 - (b) the period of two years beginning with the date of the dissolution has passed, and
 - (c) the employee has not, at any time in that period, been engaged in any office or employment (including engagement under a contract for services) with any company which is an associated company of the dissolved company.
- (6) If a number of qualifying shares are acquired by an employee on a day and—
- (a) before that day, the value of qualifying shares that have been acquired by the employee does not exceed £50,000, and
 - (b) at the end of that day, that value does exceed that sum,
- the appropriate proportion of the shares (rounded down, if necessary, to the nearest share) is to be treated for the purposes of subsection (1) as having been acquired separately and before the others.
- (7) The “appropriate proportion” is the following—

$$\frac{50000 - B}{T}$$

where—

B is the value of qualifying shares acquired before the day;

T is the total value of qualifying shares acquired on the day.

- (8) For the purposes of this section, the value of a share (at any time) is its unrestricted market value at the time when it was acquired by the employee.
- (9) The unrestricted market value of a share when it is acquired by an employee is what the market value of the share would be immediately after the acquisition, but for any restriction.

For this purpose “restriction” has the meaning given by section 432(8) of ITEPA 2003 (restricted securities for the purposes of Chapter 2 of Part 7 of that Act).

- (b) subsection (1) required the relevant EMI shares to be treated as disposed of after the remainder of the relevant shares.”

4 (1) Section 106A (identification of securities for capital gains tax purposes) is amended as follows.

 - (b) that gain or loss is an ATED-related gain chargeable to, or an ATED-related loss allowable for the purposes of, capital gains tax under section 2B.
- (2) That gain or loss does not accrue to the company on that disposal.
- (3) But, on a subsequent disposal of the whole or part of the asset, the whole or a corresponding part of the gain or loss—
 - (a) is deemed to accrue to the company (in addition to any gain or loss that actually accrues on that subsequent disposal), and
 - (b) (if that would not otherwise be the case) is to be treated as an ATED-related gain or loss accruing on a relevant high value disposal.
- (4) Nothing in this section affects the treatment, for the purposes of this Act, of any gain or loss which is not ATED-related and accrues on the disposal of the asset deemed to have been made by virtue of section 185(2).”

- 14 In section 271 (miscellaneous exemptions)—

- 16 After Schedule 4 insert—

“SCHEDULE 4ZZA U.K.

RELEVANT HIGH VALUE DISPOSALS: GAINS AND LOSSES

Introductory

- 1 This Schedule applies for the purposes of determining in relation to a relevant high value disposal made by a person (“P”)—
 - (a) whether a gain or loss which is ATED-related accrues to P on the disposal, and
 - (b) whether a gain or loss which is not ATED-related accrues to P on the disposal.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Assets held on 5 April 2013: no paragraph 5 election

- 2 If the interest disposed of was held by P on 5 April 2013—
- (a) paragraph 3 applies for the purposes of computing the gain or loss accruing to P which is ATED-related, and
 - (b) paragraph 4 applies for the purposes of computing the gain or loss accruing to P which is not ATED-related.
- 3 (1) An amount equal to the relevant fraction of the notional post-April 2013 gain or loss is the ATED-related gain or loss (as the case may be).
- (2) “Notional post-April 2013 gain or loss” means the gain or loss which (in the absence of section 2B and this Schedule) would have accrued on the relevant high value disposal had P acquired the interest on 5 April 2013 for a consideration equal to its market value on that date.
- (3) For the purposes of sub-paragraph (2), the amount of the gain or loss accruing to P is to be computed (whether or not that would otherwise be the case) as if P were within the charge to capital gains tax (but not within the charge to corporation tax on chargeable gains).
- (4) “The relevant fraction” is—

$$\frac{CD}{TD}$$

where—

“CD” is the number of days in the relevant ownership period which are ATED chargeable days;

“TD” is the total number of days in the relevant ownership period.

- (5) “The relevant ownership period” means the period beginning with 6 April 2013 and ending with the day before the day on which the relevant high value disposal occurs.
- (6) “ATED chargeable day” means any day by virtue of which condition C in section 2C(4) is met in relation to the relevant high value disposal.
- 4 (1) The gain or loss accruing on the relevant high value disposal which is not ATED-related is computed as follows.
- Step 1* Determine the amount of the notional pre-April 2013 gain or loss.
- Step 2* In a case where there is a notional post-April 2013 gain—
- (a) determine the amount of that gain remaining after the deduction of the ATED-related gain determined under paragraph 3, and
 - (b) adjust that remaining gain by reducing it by the notional indexation allowance.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 3 In a case where there is a notional post-April 2013 loss, determine the amount of that loss remaining after deduction of the ATED-related loss determined under paragraph 3.

Step 4 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any adjusted gain determined under Step 2 or (as the case may be) any loss determined under Step 3,

(treating any amount which is a loss as a negative amount).

If the result is a positive amount, that amount is the gain on the relevant high value disposal which is not ATED-related.

If the result is a negative amount, that amount (expressed as a positive number) is the loss on the relevant high value disposal which is not ATED-related.

- (2) “The notional pre-April 2013 gain or loss” means the gain or loss which would have accrued on 5 April 2013 had the interest been disposed of for a consideration equal to its market value on that date.
- (3) For the purposes of sub-paragraph (2), the amount of the gain or loss accruing to P is to be computed (whether or not that would otherwise be the case) as if P were within the charge to corporation tax on chargeable gains (but not within the charge to capital gains tax).
- (4) Paragraph 3(2) and (3) (meaning of “notional post-April 2013 gain or loss”) also applies for the purposes of this paragraph.
- (5) “Notional indexation allowance” means the relevant fraction of an amount equal to the difference between—
 - (a) the indexation allowance which (in the absence of section 2B and this Schedule) would be made under Chapter 4 of Part 2 in determining the gain accruing on the relevant high value disposal were that gain being computed for corporation tax purposes, and
 - (b) the indexation allowance which is made under Chapter 4 of Part 2 in determining the notional pre-April 2013 gain.
- (6) “The relevant fraction” is—

$$\frac{\text{TD} - \text{CD}}{\text{TD}}$$

where “CD” and “TD” have the same meaning as in paragraph 3(4).

Election for paragraph 2 to 4 not to apply to a chargeable interest

- 5 (1) A person may make an election under this paragraph for paragraphs 2 to 4 not to apply in relation to a chargeable interest held by (or any part of which is held by) the person on 5 April 2013.
- (2) An election is irrevocable.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) An election must be made by being included in a tax return under the Management Act for the tax year in which the first relevant high value disposal by the person of the chargeable interest (or any part of it) on or after 6 April 2013 occurs.
- (4) The reference in sub-paragraph (3) to an election being included in a return includes an election being included by virtue of an amendment of the return.
- (5) All such adjustments are to be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to an election.
- (6) In this paragraph “chargeable interest” has the same meaning as in Part 3 of the Finance Act 2013 (annual tax on enveloped dwellings) (see section 107 of that Act).

Cases where election made or assets acquired after 5 April 2013

- 6 (1) This paragraph applies if—
 - (a) an election is made by P under paragraph 5 in respect of the chargeable interest which (or a part of which) is the subject of the relevant high value disposal, or
 - (b) the chargeable interest (or part) disposed of by the relevant high value disposal was not held by P throughout the period beginning with 5 April 2013 and ending with the disposal.
- (2) The ATED-related gain or loss accruing on the relevant high value disposal is computed as follows.

Step 1 Determine the amount of the gain or loss which would accrue to P, ignoring section 2B and this Schedule (but not the remainder of this Step). For this purpose, the amount of the gain or loss is to be computed (whether or not that would otherwise be the case) as if P were within the charge to capital gains tax (but not within the charge to corporation tax on chargeable gains).

Step 2 An amount equal to the relevant fraction of that gain or loss is the ATED-related gain or loss accruing on the relevant high value disposal.
- (3) The gain or loss accruing on the relevant high value disposal which is not ATED-related is to be computed as follows.

Step 1 In a case where there is a gain under Step 1 of sub-paragraph (2)

 - (a) determine the amount of the gain remaining after the deduction of the ATED-related gain, and
 - (b) adjust the remaining gain by reducing it by an amount equal to the notional indexation allowance.

That adjusted gain is the gain accruing on the relevant high value disposal which is not ATED-related.

Step 2 In a case where there is a loss under Step 1 of sub-paragraph (2), determine the amount of the loss remaining after deduction of the ATED-related loss. That remaining loss is the loss accruing on the relevant high value disposal which is not ATED-related.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) “Notional indexation allowance” means the relevant fraction of the indexation allowance which would be made under Chapter 4 of Part 2 in determining the gain under Step 1 in sub-paragraph (2) were that gain being computed for corporation tax purposes.
- (5) Subject to sub-paragraph (6), “the relevant fraction”—
- (a) in sub-paragraph (2) has the same meaning as in paragraph 3(4), and
 - (b) in sub-paragraph (4) has the same meaning as in paragraph 4(6).
 - (6) For the purpose of determining the relevant fraction under sub-paragraph (5), paragraph 3(5) has effect as if the relevant ownership period began on the day on which P acquired the interest or, if later, 31 March 1982.

Adjustments of ATED chargeable days

- 7 (1) This paragraph applies where, as a result of a claim under section 106(3) of the Finance Act 2013 (adjustment of chargeable amount), or an amendment of or adjustment to such a claim, there is an alteration in the number of ATED chargeable days.
- (2) All such adjustments are to be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to any change in liability to tax as a result of that alteration.”
- 17 In Schedule 7A (restriction on set-off of pre-entry losses), after paragraph 10 insert—
- “10A Section 161(3ZB)(a) and (b) does not apply to a loss if, in the absence of an election under section 161(3ZA), the loss would have been a pre-entry loss.”

Notice of enquiry

- 8 (1) An officer of Revenue and Customs may enquire into a return if sub-paragraph (2) has been complied with.
- (2) Notice of the intention to make an enquiry must be given—

Status: Point in time view as at 01/04/2014.

Scope of enquiry

- 9 (1) An enquiry extends to anything contained in the return, or required to be contained in the return, that relates—

 - (b) after an enquiry into the return has been completed.
- (3) The enquiry is limited to—
 - (a) matters to which the amendment relates, and

- 10 (1) If at a time when an enquiry is in progress into a return an officer of Revenue and Customs forms the opinion—
 - (a) that the amount stated in the self assessment contained in the return as the amount of tax payable is insufficient, and
 - (b) that unless the assessment is immediately amended there is likely to be a loss of tax to the Crown,
 the officer may by notice in writing to the relevant person amend the assessment to make good the deficiency.
- (2) If the enquiry is one that is limited by paragraph 9(2) and (3) to matters arising from an amendment of the return, sub-paragraph (1) above applies only so far as the deficiency is attributable to the amendment.
- (3) For the purposes of this paragraph the period during which an enquiry is in progress is the whole of the period—

Status: Point in time view as at 01/04/2014.

- (a) no closure notice may be given in relation to the enquiry, and
 - (b) no application may be made for a direction to give a closure notice.
- (2) Proceedings on a referral are “in progress” where—
- (a) notice of referral has been given and has not been withdrawn, and
 - (b) the questions referred have not been finally determined.
- (3) A question referred has been “finally determined” when—
- (a) it has been determined by the tribunal, and
 - (b) there is no further possibility of the determination being varied or set aside (disregarding any power to grant permission to appeal out of time).

Effect of determination

- 14 (1) A determination under paragraph 11 is binding on the parties to the referral in the same way, and to the same extent, as a decision on a preliminary issue in an appeal.
- (2) The officer of Revenue and Customs conducting the enquiry must take the determination into account—
- (a) in reaching conclusions on the enquiry, and

- (3) The question determined may not be reopened on an appeal, except to the extent that it could be reopened if it had been determined as a preliminary issue in that appeal.

Tribunal to which referrals are made

- 15 (1) Where the question to be referred under paragraph 11 is of the market value of any single-dwelling interest, the referral is to be made to—
- (a) the Upper Tribunal, if the land is in England and Wales;
 - (b) the Lands Tribunal for Scotland, if the land is in Scotland;

- (3) References to “the tribunal” in paragraphs 11 and 13 are to be read accordingly.

Completion of enquiry

- 16 (1) An enquiry under paragraph 8 is completed when an officer of Revenue and Customs informs the relevant person by a notice (a “closure notice”) that the enquiry is complete and states the conclusions reached in the enquiry.
- (2) A closure notice must either—
- (a) state that in the officer's opinion no amendment of the return is required, or
 - (b) make the amendments of the return required to give effect to the officer's conclusions.
- (3) A closure notice takes effect when it is issued.

Direction to complete enquiry

- 17 (1) The relevant person may apply to the tribunal for a direction that a closure notice is to be given within a specified period.

- (a) the First-tier Tribunal, or
 - (b) where determined by or under Tribunal Procedure Rules, the Upper Tribunal.

PART 4 U.K.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) an officer of Revenue and Customs has reason to believe that a person (“P”) is chargeable to tax for a chargeable period in respect of a single-dwelling interest,

 - (c) the relevant filing date has passed.

 - (c) the relevant filing date has passed.
- (4) “The relevant filing date” means the date by which the officer believes a return was required to be delivered.
- (5) The officer may make a determination (an “HMRC determination”) to the best of the officer's information and belief of the amount of tax to which P is chargeable for the period concerned with respect to the interest.
- (6) Notice of the determination must be given to P and must state the date on which it is issued.
- (7) No HMRC determination may be made more than 4 years after the end of the chargeable period to which it relates.

Determination to have effect as a self assessment

- 19 (1) A determination under paragraph 18 has effect for enforcement purposes as if it were a self assessment made by P.
- (2) In sub-paragraph (1) “for enforcement purposes” means for the purposes of section 165 and Schedule 12 to FA 2003 (collection and recovery of tax etc).
- (3) Nothing in this paragraph affects any liability of a person to a penalty for failure to deliver a return.

Determination superseded by actual self assessment

- 20 (1) If after an HMRC determination has been made P delivers a return for the chargeable period with respect to the interest in question, the self assessment included in that return supersedes the determination.
- (2) Sub-paragraph (1) does not apply to a return delivered—
- (a) more than 4 years after the power to make the determination first became exercisable, or
 - (b) more than 12 months after the date of the determination,
- whichever is the later.
- (3) Where—

PART 5 U.K.

HMRC ASSESSMENTS

Assessment where loss of tax discovered

- 21 (1) Sub-paragraph (2) applies if an officer of Revenue and Customs discovers that—

 - (b) an assessment of the tax chargeable on a person for a chargeable period in respect of a single-dwelling interest is or has become insufficient, or
 - (c) relief has been given that is or has become excessive.
- (2) An officer of Revenue and Customs may make an assessment (a “discovery assessment”) in the amount or further amount that ought in the officer's opinion to be charged in order to make good to the Crown the loss of tax.
- (3) The functions of an officer of Revenue and Customs under this paragraph are also exercisable by the Commissioners for Her Majesty's Revenue and Customs.

Assessment to recover excessive repayment of tax

- 22 (1) If an amount of tax has been, but ought not to have been, repaid to a person that amount may be assessed and recovered as if it were unpaid tax.

- (2) The first case is where the situation mentioned in paragraph 21(1) or 22(1) was brought about carelessly or deliberately by—

- (b) a person acting on behalf of the taxpayer, or
 - (c) a person who was a partner of the taxpayer at the relevant time.
- (3) The second case is where it could not reasonably have been expected that an officer of Revenue and Customs in possession of the information made available to HMRC before the relevant time would be aware at the relevant time of the situation mentioned in paragraph 21(1) or 22(1).
- (4) In sub-paragraph (3) “the relevant time” means the time HMRC—
- (a) ceased to be entitled to give a notice of enquiry into the return, or
 - (b) completed their enquiries into the return.
- (5) For this purpose information is regarded as made available to HMRC if—

- (6) In sub-paragraph (5)(c) and (d) “relevance” means relevance as regards the situation mentioned in paragraph 21(1) or 22(1).
- (7) No assessment may be made under paragraph 21 or 22 if—
- (a) the situation mentioned in paragraph 21(1) or 22(1) is attributable to a mistake in the return as to the basis on which the tax liability ought to have been calculated, and
 - (b) the return was in fact made on the basis prevailing, or in accordance with the practice generally prevailing, at the time it was made.

Time limit for assessments

- 25 (1) The general rule is that no assessment may be made more than 4 years after the end of the chargeable period to which the assessment relates.

 - (a) while an enquiry is in progress into a relevant return, or
 - (b) within the period of one year beginning with the date on which the repayment in question was made.
- (6) In sub-paragraph (5)—
 - “in progress” is to be read in accordance with paragraph 11(4);
 - “relevant return” means a return delivered by the taxpayer and relating to the chargeable period and the interest in question.
- (7) If the taxpayer has died—
 - (a) any assessment on the personal representatives must be made within 4 years after the death, and
 - (b) an assessment is not to be made by virtue of sub-paragraph (2) in respect of a chargeable period that ended more than 6 years before the death.
- (8) Any objection to the making of an assessment on the ground that the time limit for making it has expired can only be made on an appeal against the assessment.
- (9) In this paragraph “related person”, in relation to the taxpayer, means—
 - (a) a person acting on the taxpayer's behalf, or

- (a) that there was reasonable excuse for not giving the notice before the relevant time limit, and
 - (b) that the request has been made without unreasonable delay.
- (4) If a request of the kind mentioned in sub-paragraph (3) is made, HMRC must notify the appellant whether or not HMRC agree to the request.
- (5) In this paragraph “relevant time limit”, in relation to notice of appeal, means the time before which the notice must to be given (disregarding this paragraph).

 - (b) paragraph 46(3) (right to withdraw from agreement) does not apply in relation to that notional agreement.
- (5) Sub-paragraph (4) does not apply to the matter in question if, or to the extent that, the appellant notifies the appeal to the tribunal.
- (See paragraph 44 for the circumstances in which the appellant may do so after accepting HMRC's offer of a review).
- (6) HMRC may not take the action mentioned in sub-paragraph (1) at any time if before that time—
- (a) HMRC have given a notification under this paragraph in relation to the matter in question,
 - (b) the appellant has given a notification under paragraph 39 in relation to the matter in question, or
 - (c) the appellant has notified the appeal to the tribunal.

- (2) The nature and extent of the review are to be such as appear appropriate to HMRC in the circumstances.
- (3) For the purpose of sub-paragraph (2), HMRC must, in particular, have regard to steps taken before the beginning of the review—
 - (a) by HMRC in deciding the matter in question, and
 - (b) by any person in seeking to resolve disagreement about the matter in question.
- (4) The review must take account of any representations made by the appellant at a stage which gives HMRC a reasonable opportunity to consider them.

 - (a) upheld,
 - (b) varied, or
 - (c) cancelled.
- (6) HMRC must notify the appellant of the conclusions of the review and their reasoning within—

 - (a) in a case where the appellant required the review, the day when HMRC notified the appellant of HMRC's view of the matter in question,
 - (b) in a case where HMRC offered the review, the day when HMRC received notification of the appellant's acceptance of the offer.
- (8) If HMRC do not give notice of the conclusions of the review within the period specified in sub-paragraph (6), the review is treated as having concluded that HMRC's view of the matter in question is upheld.
- (9) If sub-paragraph (8) applies, HMRC must notify the appellant of the conclusions which the review is treated as having reached.

Effect of conclusions of review

- 42 (1) If HMRC give notice of the conclusions of a review (see paragraph 41)—

 - (b) paragraph 46(3) (withdrawal from agreement) does not apply in relation to that notional agreement.
- (2) Sub-paragraph (1) does not apply to the matter in question if, or to the extent that, the appellant notifies the appeal to the tribunal (see paragraphs 43 and 44).

Notifying appeal to tribunal after appellant has required review

- 43 (1) Where HMRC have notified an appellant under paragraph 39(1)(a) of their view of a matter to which an appeal under paragraph 35 relates, the appellant—

- (b) may notify the appeal to the tribunal after the end of that period only if the tribunal gives permission.
- (2) Except where sub-paragraph (3) applies, the post-review period is the period of 30 days beginning with the date of the document in which HMRC give notice of the conclusions of the review in accordance with paragraph 41(6).
- (3) If the period specified in paragraph 41(6) ends without HMRC having given notice of the conclusions of the review, the post-review period is the period that—
 - (a) begins with the day following the last day of the period specified in paragraph 41(6), and
 - (b) ends 30 days after the date of the document in which HMRC give notice of the conclusions of the review in accordance with paragraph 41(9).

Notifying appeal to tribunal after HMRC have offered review

- 44
- (1) Where HMRC have offered to review the matter to which a notice of an appeal under paragraph 35 relates, the right of the appellant at any time to notify the appeal to the tribunal depends on whether or not the appellant has accepted the offer at that time.
 - (2) If the appellant has accepted the offer, the appellant—
 - (a) may not notify the appeal to the tribunal before the beginning of the post-review period;
 - (b) may notify the appeal to the tribunal after the end of that period only if the tribunal gives permission.

Settling of appeals by agreement

- 46 (1) In relation to an appeal of which notice has been given under paragraph 36, “settlement agreement” means an agreement between the appellant and an officer of Revenue and Customs that is—
- (a) entered into before the appeal is determined, and
 - (b) to the effect that the decision appealed against should be upheld without variation, varied in a particular manner or discharged or cancelled.
- (2) Where a settlement agreement is entered into in relation to an appeal, the consequences are to be the same (for all purposes) as if, at the time the agreement was entered into, the tribunal had decided the appeal and had upheld the decision without variation, varied it in that manner or discharged or cancelled it, as the case may be.
- (3) Sub-paragraph (2) does not apply if, within 30 days from the date when the settlement agreement was entered into, the appellant gives notice in writing to HMRC that it wishes to withdraw from the agreement.
- (4) Where a settlement agreement is not in writing—
- (a) sub-paragraph (2) does not apply unless the fact that an agreement was entered into, and the terms agreed, are confirmed by notice in writing given by HMRC to the appellant or by the appellant to the HMRC, and
 - (b) the references in sub-paragraphs (2) and (3) to the time when the agreement was entered into are to be read as references to the time when the notice of confirmation was given.
- (5) Sub-paragraph (6) applies where notice of an appeal has been given under paragraph 36 and—
- (a) the appellant notifies HMRC, orally or in writing, that the appellant does not wish to proceed with the appeal, and
 - (b) HMRC do not, within 30 days after that notification, give the appellant notice in writing indicating that they are unwilling that the appeal should be withdrawn.
- (6) Sub-paragraphs (1) to (4) have effect as if, at the date of the appellant's notification, the appellant and an officer of Revenue and Customs had agreed (orally or in writing, as the case may be) that the decision under appeal should be upheld without variation.
- (7) References in this paragraph to an agreement being entered into with an appellant, and to the giving of notice or notification by or to the appellant, include references to an agreement being entered into, or notice or notification being given by or to, a person acting on behalf of the appellant in relation to the appeal.

Appeal does not postpone recovery of tax

- 47 (1) Where there is an appeal under paragraph 35, the tax charged by the amendment or assessment in question remains due and payable as if there had been no appeal.
- (2) Sub-paragraph (1) is subject to paragraphs 48 and 49.

Application for payment of tax to be postponed

- 48 (1) If the appellant has grounds for believing that the amendment or assessment overcharges the appellant to tax, or as a result of the conclusion stated in the closure notice the tax charged on the appellant is excessive, the appellant may—

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date.  - (b) if the appellant does not agree with a determination made by HMRC under paragraph (a), refer the application for postponement to the tribunal within 30 days from the date of the document notifying HMRC's determination.
- (2) An application under sub-paragraph (1)(a) must state the amount believed to be overcharged to tax and the grounds for that belief.
- (3) An application may be made more than 30 days after the specified date if there is a change in the circumstances of the case as a result of which the appellant has grounds for believing that it is overcharged to tax by the decision appealed against.
- (4) If, after an application under sub-paragraph (1) has been determined, there is a change in the circumstances of the case as a result of which either party has grounds for believing that the amount determined has become either excessive or insufficient, that party may (if the parties cannot agree on a revised determination) apply to the tribunal for a revised determination of that amount.
- (5) An application under sub-paragraph (4) may be made at any time before the determination of the appeal.
- (6) An application under this paragraph is to be subject to the relevant provisions of Part 5 of the Taxes Management Act 1970 (see, in particular, section 48(2)(b) of that Act).
- (7) The amount of tax of which payment is to be postponed pending the determination of the appeal is the amount (if any) by which it appears that there are reasonable grounds for believing that the appellant is overcharged.
- (8) Where an application under this paragraph has been determined, section 163 has effect in relation to any tax of which payment is not postponed as if—
 - (a) the tax were payable in accordance with an assessment under paragraph 22 issued on the date on which the application was determined, and
 - (b) there was no appeal against that assessment.
- (9) In this paragraph “specified date” has the meaning given by paragraph 36.

Agreement to postpone payment of tax

- 49
- (1) If the appellant and an officer of Revenue and Customs agree that payment of an amount of tax should be postponed pending the determination of the appeal, the consequences are to be the same (for all purposes) as if the tribunal had, at the time when the agreement was entered into, made a direction to the same effect as the agreement. This is without prejudice to the making of a further agreement or further direction.
 - (2) Where the agreement is not in writing—
 - (a) sub-paragraph (1) does not apply unless the fact that an agreement was entered into, and the terms agreed, are confirmed by notice in writing given by the officer of Revenue and Customs to the appellant or by the appellant to that officer, and
 - (b) the reference in sub-paragraph (1) to the time when the agreement was entered into is to be read as a reference to the time when notice of confirmation was given.

- (2) If the tribunal decides that the appellant is overcharged by a self assessment or any other assessment, the assessment must be reduced accordingly.
- (3) If the tribunal does not so decide, the assessment is to stand good.
- (4) If it appears to the tribunal that the appellant is undercharged to tax by a self assessment or any other assessment, the assessment must be increased accordingly.

- (a) the tax were payable in accordance with an assessment under paragraph 22 issued on the date on which HMRC issues to the appellant a notice of the total amount payable in accordance with the determination, and
- (b) there had been no appeal against that assessment.
- (3) The reference in sub-paragraph (2) to “relevant tax” is to any tax payable in accordance with the determination, so far as it is tax—
- (a) the payment of which had been postponed, or
- (b) which would not have been charged by the amendment or assessment if there had been no appeal.

Payment of tax where there is a further appeal

- 53 (1) Where a party to an appeal to the tribunal under paragraph 35 makes a further appeal, tax is to be payable or repayable in accordance with the determination of the tribunal or court (as the case may be), even though the further appeal is pending.
- (2) But if the amount charged by the assessment is altered by the order or judgment of the Upper Tribunal or court, then—
- (a) if too much tax has been paid, the amount overpaid must be refunded, with any interest allowed by the order or judgment, and

“SCHEDULE
 2A U.K.”

TRANSACTIONS ENTERED INTO BEFORE COMPLETION OF CONTRACT

Pre-completion transactions

- 1 (1) This Schedule applies where—
 - (a) a person (“the original purchaser”) enters into a contract (“the original contract”) for the acquisition by that person of a chargeable interest under which the acquisition is to be completed by a conveyance, and
 - (b) there is a pre-completion transaction.
- (2) A transaction is a “pre-completion transaction” for the purposes of sub-paragraph (1) if—
 - (a) as a result of the transaction a person other than the original purchaser (“the transferee”) becomes entitled to call for a conveyance to that person of the whole or part of the subject-matter of the original contract, and
 - (b) immediately before the transaction took place a person was entitled under the original contract to call for a conveyance of the whole or part of that subject-matter.
- (3) A transaction that effects a person's acquisition of the whole or part of the subject-matter of the original contract is not a pre-completion transaction.
- (4) The grant or assignment of an option is not a pre-completion transaction.
- (5) The fact that a transaction has the effect of discharging the original contract does not prevent that transaction from being a pre-completion transaction.
- (6) The reference in sub-paragraph (1)(a) to a contract does not include a contract that is an assignment of rights in relation to another contract.
- (7) In this Schedule references to “part of the subject-matter of the original contract”—
 - (a) are to a chargeable interest that is the same as the chargeable interest referred to in sub-paragraph (1)(a) except that it relates to part only of the land concerned, and
 - (b) also include, so far as is appropriate, interests or rights appurtenant or pertaining to the chargeable interest.
- (8) This Schedule does not apply where paragraph 12B of Schedule 17A (assignment of agreement for lease) applies.

Other key expressions

- 2 (1) A pre-completion transaction is an “assignment of rights” if the entitlement of the transferee referred to in paragraph 1(2)(a) is an entitlement to exercise rights under the original contract.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) A pre-completion transaction other than an assignment of rights is referred to in this Schedule as a “free-standing transfer”.
- (3) In this Schedule “the transferor”, in relation to a pre-completion transaction, means a party to the pre-completion transaction who immediately before the pre-completion transaction took place was entitled to call for a conveyance of (what became) the subject-matter of the pre-completion transaction.
- (4) References in this Schedule to the “subject-matter” of a pre-completion transaction—
 - (a) are to the chargeable interest the conveyance of which the transferee is entitled to call for as a result of the pre-completion transaction, and
 - (b) include, so far as appropriate, any interest or right appurtenant or pertaining to the chargeable interest.

Tax not charged on transferee by reason of the pre-completion transaction

- 3 The transferee is not regarded as entering into a land transaction by reason of the pre-completion transaction.

Assignments of rights: application of rules about completion and consideration

- 4 (1) This paragraph applies if the pre-completion transaction is an assignment of rights.
- (2) If the subject-matter of the original contract is conveyed to the transferee, the conveyance is taken to effect the completion of the original contract (despite section 44(10)).
- (3) Sub-paragraphs (4) to (6) apply if—
 - (a) the subject-matter of the original contract is conveyed to the transferee, or
 - (b) the original contract is substantially performed by the transferee.
- (4) The transferee is taken to be the purchaser under the land transaction effected as mentioned in section 44(3), or treated as effected under section 44(4).
- (5) For the purpose of determining the chargeable consideration for that land transaction, the land transaction is taken to give effect to a contract the consideration under which is—
 - (a) the consideration under the original contract, and
 - (b) the consideration for the assignment of rights.

Paragraph 1 of Schedule 4 has effect accordingly (but this sub-paragraph does not allow any amount of consideration given by a person to be counted twice in determining the chargeable consideration).

- (6) In any case in which there is a relevant connection between parties as mentioned in paragraph 12(2) (minimum consideration rule), the chargeable consideration for the land transaction mentioned in sub-paragraph (4) of this paragraph is calculated (regardless of whether the consideration is taken to be the amount in paragraph (a), (b) or (c) of sub-paragraph 12(2)), as if in paragraph 1(1) of Schedule 4 the words, “or a person connected with him” were omitted.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (7) The original contract is said to be “substantially performed by the transferee” where a land transaction is treated under section 44(4) as effected by reason of—
- (a) the transferee under the assignment of rights, or a person connected with the transferee, taking possession of the whole, or substantially the whole, of the subject-matter of the original contract, or
 - (b) a substantial amount of the consideration being paid or provided by the transferee or a person connected with the transferee, or
 - (c) consideration paid or provided by a person within paragraph (b) amounting, when taken together with consideration paid or provided by another person, to a substantial amount of the consideration.
- (8) References in sub-paragraph (7) to possession and to the payment or provision of a substantial amount of the consideration are to be read in accordance with section 44(6) and (7).
- (9) In sub-paragraph (5) “the consideration”—
- (a) in relation to the land transaction, means (what is to be taken to be) the consideration for the acquisition of the subject-matter of the land transaction;
 - (b) in relation to the original contract, means the consideration for the acquisition of the subject-matter of that contract;
 - (c) in relation to the assignment of rights, means the consideration for the transferee's acquisition of the rights to which that contract relates.

Assignment of rights: transferor treated as making separate acquisition

- 5 (1) Where paragraph 4(4) to (6) applies (assignment of rights: original contract completed or substantially performed) this Part of this Act has effect as if—
- (a) the effective date of the land transaction mentioned in paragraph 4(4) (“the transferee's land transaction”) were also the effective date of another land transaction (a “notional land transaction”), and
 - (b) the original purchaser were the purchaser under that notional land transaction.

The notional land transaction is referred to below as “associated with” the assignment of rights under which the original purchaser is the transferor.

- (2) Where sub-paragraph (1) applies and the assignment of rights mentioned in paragraph 4(1) (“the implemented assignment of rights”) was preceded by one or more related assignments of rights, then for the purposes of this Part of this Act there is taken to be, for each assignment of rights (other than the first) in the chain formed by the implemented assignment of rights and those preceding assignments of rights, an additional land transaction in the case of which—
- (a) the effective date is the effective date of the transferee's land transaction, and
 - (b) the purchaser is the transferor under that assignment of rights.

The additional land transaction is referred to below as “associated with” the assignment of rights.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purpose of determining the chargeable consideration for the notional land transaction, Schedule 4 has effect as if paragraph 1(1) of that Schedule provided that the chargeable consideration is (except as otherwise expressly provided) the total of amounts A and B.
- (4) For the purpose of determining the chargeable consideration for any additional land transaction, Schedule 4 has effect as if paragraph 1(1) of that Schedule provided that the chargeable consideration is (except as otherwise expressly provided) the total of amounts A, B and C.
- (5) For the purposes of sub-paragraphs (3) and (4)—
- A is the total amount of any consideration in money or money's worth given (whether directly or indirectly) by any of the following as consideration under the original contract—
- (a) the transferee under the assignment of rights with which the notional land transaction or (as the case requires) the additional land transaction is associated;
 - (b) where that assignment of rights is one in a chain of successive transactions that are pre-completion transactions in relation to the original contract (all having at least part of their subject-matter in common), the transferee under any subsequent pre-completion transaction in that chain;
 - (c) a person connected with a person falling within paragraph (a) or (b);
- B is the total amount of any other consideration in money or money's worth given as consideration under the original contract (directly or indirectly) by—
- (a) the purchaser (under the notional land transaction or, as the case requires, the additional land transaction), or
 - (b) a person connected with the purchaser;
- C is the amount of any consideration in money or money's worth given for the preceding assignment of rights by—
- (a) the purchaser (under the additional land transaction), or
 - (b) a person connected with the purchaser.
- (6) In the definition of amount C, “the preceding assignment of rights” means the assignment of rights as a result of which the purchaser became entitled to call for a conveyance of (what became) the subject-matter of the assignment of rights associated with the additional land transaction.
- (7) In sub-paragraph (2) “related assignment of rights” means a transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the implemented assignment of rights.

Paragraph 5: effect of rescission etc following substantial performance

- 6 (1) This paragraph applies where paragraph 5(1) (transferor treated as making separate acquisition) applies by virtue of the substantial performance by the transferee of the original contract.
- (2) If the original contract is (to any extent) subsequently rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of

paragraph 5(1), and any tax paid by virtue of paragraph 5(2), must (to that extent) be repaid by HMRC.

- (3) Repayment under sub-paragraph (2) must be claimed by amendment of the land transaction return made in respect of the notional or additional land transaction.

Assignment of rights relating to part only of subject-matter of original contract

- 7 Where the transferee under the assignment of rights referred to in paragraph 4(1) is entitled to call for the conveyance of part, but not the whole, of the subject-matter of the original contract—
- (a) paragraph 4 applies as if the original contract, so far as relating to that part of its subject-matter, were a separate contract, and
 - (b) the references in paragraph 5 to the original contract are to be read accordingly.

Assignment of rights: references to “the vendor”

- 8 (1) This paragraph applies where—
- (a) the pre-completion transaction is an assignment of rights, and
 - (b) either the subject-matter of the original contract is conveyed to the transferee or the original contract is substantially performed by the transferee.
- (2) This paragraph does not apply if the original contract is itself a free-standing transfer. See paragraphs 10 and 11 for the treatment of such cases.
- (3) In relation to a relevant land transaction, the general rule is that references in this Part of this Act to the vendor are to be read as references to the vendor under the original contract (but see sub-paragraphs (4) and (5)).
- (4) In cases where the original contract was substantially performed before the transferee became entitled to call for a conveyance of the whole or part of the subject-matter of the original contract, references in this Part of this Act to the vendor are to be read as references to the person who was the purchaser under the original contract when it was substantially performed.
- (5) In relation to a relevant land transaction, references to the vendor in the specified provisions (see sub-paragraph (6)) are to be read as including—
- (a) the vendor under the original contract, and
 - (b) the transferor under any relevant assignment of rights.
- (6) The specified provisions are—
- (a) section 61(1)(a) (compliance with planning obligations: conditions for exemption);
 - (b) section 66(1) and (2) (transfers involving public bodies);
 - (c) paragraph 8(1)(a) of Schedule 4 (debt as consideration);
 - (d) paragraph 10(2)(c) of Schedule 4 (carrying out of works);
 - (e) paragraph 16 of Schedule 4 (indemnity given by vendor).
- (7) The following are “relevant land transactions”—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. - (a) the land transaction effected by the conveyance mentioned in sub-paragraph (1)(b) or treated as effected by the substantial performance mentioned in that provision;
 - (b) the notional land transaction mentioned in paragraph 5(1)(b) and any additional land transaction under paragraph 5(2).
- (8) In determining under section 108(1) whether or not a relevant land transaction such as is mentioned in sub-paragraph (7)(a) is linked to another transaction, it may be assumed that any of the following is the vendor under the relevant land transaction—
- (a) the vendor (determined in accordance with sub-paragraph (3)), or
 - (b) the transferor under any relevant assignment of rights.
- (9) The following are “relevant assignments of rights” in relation to a relevant land transaction—
- (a) the assignment of rights mentioned in sub-paragraph (1)(a);
 - (b) any other transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the assignment of rights mentioned in paragraph (a).

Free-standing transfers: consideration and substantial performance

- 9 (1) This paragraph applies where the pre-completion transaction is a free-standing transfer.
- (2) If the transferee acquires the subject-matter of the free-standing transfer, the consideration for the transaction effecting that acquisition is taken to include the consideration given for the free-standing transfer (if that would not otherwise be the case).
- (3) References in sub-paragraph (2) to an acquisition include an acquisition deemed to take place under section 44(4) (and the reference to the transaction effecting that acquisition is read accordingly).
- (4) An action taken by the transferee (or an assignee of the transferee) that would, if taken by the original purchaser, constitute (for the purposes of section 44(5)) the taking of possession of the whole or substantially the whole of the subject-matter of the original contract is treated as effecting the substantial performance of the original contract.
- (5) If a transaction that is a free-standing transfer in relation to a contract is also a free-standing transfer in relation to another contract (in particular, where there have been successive free-standing transfers), each of those contracts may be regarded as “the original contract” for the purposes of separate applications of sub-paragraph (4).
- (6) In sub-paragraph (4)—
- (a) the reference to the transferee includes a person connected with the transferee, and
 - (b) the reference to an assignee of the transferee includes a person connected with such a person.
- (7) References in this paragraph to an assignee of the transferee are to a person who, as a result of a transaction that is an assignment of rights in relation to

Meaning of “the vendor”: cases involving free-standing transfers

- 10 (1) This paragraph applies where—
- (a) a land transaction is effected, or treated as effected, by an acquisition falling within paragraph 9(2) (read with paragraph 9(3)), or
 - (b) paragraph 8(1) (meaning of “vendor” where the transferee is the assignee under an assignment of rights) would apply but for paragraph 8(2) (exclusion of cases where the original contract is itself a free-standing transfer).
- (2) In this paragraph “the relevant land transaction” means the land transaction—
- (a) mentioned in sub-paragraph (1)(a), or
 - (b) in a case falling within sub-paragraph (1)(b), effected by the conveyance to the transferee of the subject-matter of the original contract or the substantial performance by the transferee of the original contract.
- (3) References in this paragraph to “the specified transaction” are to—
- (a) the free-standing transfer mentioned in paragraph 9(2), or
 - (b) the original contract the subject-matter of which is conveyed to the transferee or which is substantially performed by the transferee.
- (4) The general rule is that in relation to the relevant land transaction references in this Part of this Act to “the vendor” are to be read as references to the vendor or (as the case may be) transferor under the first appropriate transaction (but see sub-paragraph (5)).
- (5) In relation to the relevant land transaction, references to the vendor in the specified provisions (see sub-paragraph (6)) are to be read as including—
- (a) the vendor under the first appropriate transaction, and
 - (b) each person who is the transferor in the case of a relevant pre-completion transaction.
- (6) The specified provisions are—
- (a) section 61(1)(a) (compliance with planning obligations: conditions for exemption);
 - (b) section 66(1) and (2) (transfers involving public bodies);
 - (c) paragraph 8(1)(a) of Schedule 4 (debt as consideration);
 - (d) paragraph 10(2)(c) of Schedule 4 (carrying out of works);
 - (e) paragraph 16 of Schedule 4 (indemnity given by vendor).
- (7) In determining under section 108(1) whether or not the relevant land transaction is linked to another transaction it may be assumed that any of the following is the vendor under the relevant land transaction—
- (a) the vendor (determined under sub-paragraph (4)), or
 - (b) the transferor under any relevant pre-completion transaction.
- (8) The following are “relevant pre-completion transactions” in relation to the relevant land transaction—

Status: Point in time view as at 01/04/2014.

- (a) the specified transaction;
- (b) any other transaction that is a pre-completion transaction in relation to the original contract and has some subject-matter in common with the specified transaction.

Paragraph 10: “the first appropriate transaction” and “the original contract”

- 11 (1) Subject to the following provisions of this paragraph, “the first appropriate transaction” means the original contract.
- (2) If the original contract is not performed at the same time as, and in connection with the performance of, the specified transaction, “the first appropriate transaction” means a transaction that is a pre-completion transaction in relation to the original contract and meets the following conditions.
- (3) The conditions are that the pre-completion transaction—
- (a) is performed at the time when the specified transaction is performed and (if it is not itself the specified transaction) is performed in connection with the performance of the specified transaction,
 - (b) is a transaction on which the entitlement of the transferee to call for the conveyance of the subject-matter of the specified transaction depends, and
 - (c) is not preceded by another pre-completion transaction meeting the conditions in paragraphs (a) and (b).
- (4) For the purposes of this paragraph—
- (a) a contract for a land transaction is taken to be “performed” when it is substantially performed or completed (whichever is earlier);
 - (b) a free-standing transfer other than a contract is taken to be “performed” when the transferee under that free-standing transfer (or an assignee of that transferee, as defined in paragraph 9(7)) acquires the subject-matter of that free-standing transfer.
- (5) Where the specified transaction is a pre-completion transaction in relation to each of two or more contracts such as are mentioned in paragraph 1(1) (a) that together form a series of such contracts (each having some subject-matter in common with all the others), references in paragraph 10 and this paragraph to “the original contract” are to be read as references to the first contract in that series.
- (6) In this paragraph “the specified transaction” has the meaning given by paragraph 10(3).

Minimum consideration rule

- 12 (1) This paragraph applies where either of the following provisions applies—
- (a) paragraph 4(3) (assignment of rights: chargeable interest acquired or treated as acquired by transferee);
 - (b) paragraph 9(2) (free-standing transfers: chargeable interest acquired or treated as acquired by transferee).
- (2) If there is a relevant connection between parties, then for the purposes of paragraph 1(1) of Schedule 4 the consideration given by the purchaser for

the subject-matter of the land transaction referred to in paragraph 4(4) or 9(2) is taken to be—

- (a) the amount that it would be apart from this sub-paragraph, or
 - (b) (if higher) the first minimum amount, or
 - (c) (if higher than both those amounts) the second minimum amount.
- (3) There is a “relevant connection between parties” if—
- (a) the persons who are the transferor and transferee in relation to the pre-completion transaction mentioned in paragraph 4(1) or 9(1) (“the implemented transaction”) are connected with each other, or are not acting at arm's length, or
 - (b) sub-paragraph (4) applies.
- (4) This sub-paragraph applies if—
- (a) the implemented transaction is one in a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract, and
 - (b) a person who is the transferor in relation to a pre-completion transaction that precedes the implemented transaction in the chain of transactions is connected with, or not acting at arm's length in relation to, the transferee under the implemented transaction.
- (5) Where the implemented transaction is a pre-completion transaction in relation to—
- (a) a contract for a land transaction that is not itself a free-standing transfer in relation to any other contract, and
 - (b) a contract, or two or more successive contracts, that are themselves free-standing transfers in relation to the contract mentioned in paragraph (a),
- references in this paragraph to “the original contract” are to the contract mentioned in paragraph (a) (and do not include any contract mentioned in paragraph (b)).

The first minimum amount

- 13 (1) “The first minimum amount” means—
- (a) if the chargeable interest acquired (or treated as acquired) under the land transaction referred to in paragraph 4(4) or 9(2) is the whole subject-matter of the original contract, the amount of any consideration (in money or money's worth) agreed to be given, under the terms of the original contract, for the acquisition of that subject-matter, or
 - (b) if paragraph (a) does not apply, so much of the amount mentioned in paragraph (a) as is referable, on a just and reasonable apportionment, to the chargeable interest mentioned in that paragraph.

This is subject to sub-paragraph (2).

- (2) If conditions A to C are met, “the first minimum amount” means the amount of any consideration (in money or money's worth) agreed, under the terms of the transfer to the first T, to be given in respect of the subject-matter of

that transaction (including any consideration relating to an obligation of the transferor under the transfer to the first T).

(3) The conditions mentioned in sub-paragraph (2) are as follows.

Condition A is that the pre-completion transaction referred to in paragraph 4(4) or 9(2) is one of a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract.

Condition B is that a person (“T”) is the transferor under a pre-completion transaction that forms part of that chain and T is connected with, or not acting at arm's length in relation to—

- (a) the transferee under that transaction, or
- (b) the transferee under a subsequent transaction in the chain.

42B (1) This paragraph applies for the purposes of paragraph 42A(2) if the commodity deemed to be supplied is a quantity of a commodity falling within paragraph 3(1)(d) to (f).

(2) The number of gigajoules in the quantity supplied is to be determined by reference to the total gross calorific value of that quantity.

(3) Sub-paragraph (4) applies if there is included in that quantity any coal slurry taken from a slurry pit situated at the site of a coal mine (including a disused coal mine).

(4) The gross calorific value of the coal slurry is to be left out of account in determining the total gross calorific value of that quantity.

42C (1) Sub-paragraph (2) applies for the purposes of paragraph 42A(2) if, in the calendar year in which the deemed supply is treated as taking place, carbon capture and storage technology is operated in relation to carbon dioxide generated by the station in question in producing electricity.

(2) In relation to the deemed supply, only C% of the relevant carbon price support rate is to be applied (instead of the full rate).

(3) “C%” is 100% minus the station's carbon capture percentage for the calendar year.

(4) The station's “carbon capture percentage” for the calendar year is the percentage of the station's generated carbon dioxide for that year which, through the operation of the carbon capture and storage technology, is—

(a) captured, and

(b) then disposed of by way of permanent storage.

(5) The station's “generated carbon dioxide” for the calendar year is the amount of carbon dioxide generated in the year by the station from the use of carbon price support rate commodities in producing electricity.

(7) Sub-paragraph (8) applies for the purposes of sub-paragraph (4) in relation to any carbon dioxide if—

(a) the carbon dioxide is captured but then leaks out and therefore is not disposed of by way of permanent storage, but

(b) the leak does not occur—

(i) on the land on which the station is situated,

Section 1122 of the Corporation Tax Act 2010 (“connected” persons) applies for the purposes of paragraph (b).

- (8) The carbon dioxide is to be treated as if it had been disposed of by way of permanent storage.
- (9) If the percentage mentioned in sub-paragraph (4) is not a whole number, it is to be rounded to the nearest whole number (taking 0.5% as nearest to the next whole number).

42D(1) This paragraph applies if—

- (a) an amount is determined to be payable by way of levy on a deemed supply of a quantity of a commodity under paragraph 24A or 24B, but
- (b) it is later determined that that amount is too low.

(2) For the purposes of this Schedule—

STATUTORY RESIDENCE TEST

PART 1 U.K.

THE RULES

Introduction

- 1
- (1) This Part of this Schedule sets out the rules for determining for the purposes of relevant tax whether individuals are resident or not resident in the UK.
 - (2) The rules are referred to collectively as “the statutory residence test”.
 - (3) The rules do not apply in determining for the purposes of relevant tax whether individuals are resident or not resident in England, Wales, Scotland or Northern Ireland specifically (rather than in the UK as a whole).
 - (4) “Relevant tax” means—
 - (a) income tax,
 - (b) capital gains tax, and
 - (c) (so far as the residence status of individuals is relevant to them) inheritance tax and corporation tax.
 - (5) Key concepts used in the rules are defined in Part 2 of this Schedule.

Interpretation of enactments

- 2
- (1) In enactments relating to relevant tax, a reference to being resident (or not resident) in the UK is, in the case of individuals, a reference to being resident (or not resident) in the UK in accordance with the statutory residence test.
 - (2) Sub-paragraph (1) applies even if the reference relates to the tax liability of an actual or deemed person that is not an individual (for example, where the liability of another person depends on the residence status of an individual).
 - (3) An individual who, in accordance with the statutory residence test, is resident (or not resident) in the UK “for” a tax year is taken for the purposes of any enactment relating to relevant tax to be resident (or not resident) there at all times in that tax year.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) But see Part 3 of this Schedule (split year treatment) for cases where the effect of sub-paragraph (3) is relaxed in certain circumstances.
- (5) This Schedule has effect subject to any express provision to the contrary in (or falling to be recognised and acknowledged in law by virtue of) any enactment.

The basic rule

- 3 An individual (“P”) is resident in the UK for a tax year (“year X”) if—
 - (a) the automatic residence test is met for that year, or
 - (b) the sufficient ties test is met for that year.
- 4 If neither of those tests is met for that year, P is not resident in the UK for that year.

The automatic residence test

- 5 The automatic residence test is met for year X if P meets—
 - (a) at least one of the automatic UK tests, and
 - (b) none of the automatic overseas tests.

The automatic UK tests

- 6 There are 4 automatic UK tests.
- 7 The first automatic UK test is that P spends at least 183 days in the UK in year X.
- 8 (1) The second automatic UK test is that—
 - (a) P has a home in the UK during all or part of year X,
 - (b) that home is one where P spends a sufficient amount of time in year X, and
 - (c) there is at least one period of 91 (consecutive) days in respect of which the following conditions are met—
 - (i) the 91-day period in question occurs while P has that home,
 - (ii) at least 30 days of that 91-day period fall within year X, and
 - (iii) throughout that 91-day period, condition A or condition B is met or a combination of those conditions is met.
- (2) Condition A is that P has no home overseas.
- (3) Condition B is that—
 - (a) P has one or more homes overseas, but
 - (b) each of those homes is a home where P spends no more than a permitted amount of time in year X.
- (4) In relation to a home of P's in the UK, P “spends a sufficient amount of time” there in year X if there are at least 30 days in year X when P is present there on that day for at least some of the time (no matter how short a time).
- (5) In relation to a home of P's overseas, P “spends no more than a permitted amount of time” there in year X if there are fewer than 30 days in year X when P is present there on that day for at least some of the time (no matter how short a time).
- (6) In sub-paragraphs (4) and (5)—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a reference to 30 days is to 30 days in aggregate, whether the days are consecutive or intermittent, and
 - (b) a reference to P being present at the home is to P being present there at a time when it is a home of P's (so presence there on any other occasion, for example to look round the property with a view to buying it, is to be disregarded).
- (7) Sub-paragraph (1)(c) is satisfied so long as there is a period of 91 days in respect of which the conditions described there are met, even if those conditions are in fact met for longer than that.
- (8) If P has more than one home in the UK—
- (a) each of those homes must be looked at separately to see if the second automatic UK test is met, and
 - (b) the second automatic UK test is then met so long as it is met in relation to at least one of those homes.
- 9 (1) The third automatic UK test is that—
- (a) P works sufficient hours in the UK, as assessed over a period of 365 days,
 - (b) during that period, there are no significant breaks from UK work,
 - (c) all or part of that period falls within year X,
 - (d) more than 75% of the total number of days in the 365-day period on which P does more than 3 hours' work are days on which P does more than 3 hours' work in the UK, and
 - (e) at least one day which falls in both that period and year X is a day on which P does more than 3 hours' work in the UK.
- (2) Take the following steps to work out, for any given period of 365 days, whether P works “sufficient hours in the UK” as assessed over that period—
- Step 1* Identify any days in the period on which P does more than 3 hours' work overseas, including ones on which P also does work in the UK on the same day. The days so identified are referred to as “disregarded days”.
- Step 2* Add up (for all employments held and trades carried on by P) the total number of hours that P works in the UK during the period, but ignoring any hours that P works in the UK on disregarded days. The result is referred to as P's “net UK hours”.
- Step 3* Subtract from 365—
- (a) the total number of disregarded days, and
 - (b) any days that are allowed to be subtracted, in accordance with the rules in paragraph 28 of this Schedule, to take account of periods of leave and gaps between employments.
- The result is referred to as the “reference period”.
- Step 4* Divide the reference period by 7. If the answer is more than 1 and is not a whole number, round down to the nearest whole number. If the answer is less than 1, round up to 1.
- Step 5* Divide P's net UK hours by the number resulting from step 4.
- If the answer is 35 or more, P is considered to work “sufficient hours in the UK” as assessed over the 365-day period in question.
- (3) This paragraph does not apply to P if—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) P has a relevant job on board a vehicle, aircraft or ship at any time in year X, and
 - (b) at least 6 of the trips that P makes in year X as part of that job are cross-border trips that either begin in the UK, end in the UK or begin and end in the UK.
- 10 (1) The fourth automatic UK test is that—
- (a) P dies in year X,
 - (b) for each of the previous 3 tax years, P was resident in the UK by virtue of meeting the automatic residence test,
 - (c) even assuming P were not resident in the UK for year X, the tax year preceding year X would not be a split year as respects P (see Part 3 of this Schedule),
 - (d) when P died, either—
 - (i) P's home was in the UK, or
 - (ii) P had more than one home and at least one of them was in the UK, and
 - (e) if P had a home overseas during all or part of year X, P did not spend a sufficient amount of time there in year X.
- (2) In relation to a home of P's overseas, P “spent a sufficient amount of time” there in year X if—
- (a) there were at least 30 days in year X when P was present there on that day for at least some of the time (no matter how short a time), or
 - (b) P was present there for at least some of the time (no matter how short a time) on each day of year X up to and including the day on which P died.
- (3) In sub-paragraph (2)—
- (a) the reference to 30 days is to 30 days in aggregate, whether the days were consecutive or intermittent, and
 - (b) the reference to P being present at the home is to P being present there at a time when it was a home of P's.
- (4) If P had more than one home overseas—
- (a) each of those homes must be looked at separately to see if the requirement of sub-paragraph (1)(e) is met, and
 - (b) that requirement is then met so long as it is met in relation to each of them.

The automatic overseas tests

- 11 There are 5 automatic overseas tests.
- 12 The first automatic overseas test is that—
- (a) P was resident in the UK for one or more of the 3 tax years preceding year X,
 - (b) the number of days in year X that P spends in the UK is less than 16, and
 - (c) P does not die in year X.
- 13 The second automatic overseas test is that—
- (a) P was resident in the UK for none of the 3 tax years preceding year X, and
 - (b) the number of days that P spends in the UK in year X is less than 46.
- 14 (1) The third automatic overseas test is that—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) P works sufficient hours overseas, as assessed over year X,
 - (b) during year X, there are no significant breaks from overseas work,
 - (c) the number of days in year X on which P does more than 3 hours' work in the UK is less than 31, and
 - (d) the number of days in year X falling within sub-paragraph (2) is less than 91.
- (2) A day falls within this sub-paragraph if—
- (a) it is a day spent by P in the UK, but
 - (b) it is not a day that is treated under paragraph 23(4) as a day spent by P in the UK.
- (3) Take the following steps to work out whether P works “sufficient hours overseas” as assessed over year X—
- Step 1* Identify any days in year X on which P does more than 3 hours' work in the UK, including ones on which P also does work overseas on the same day. The days so identified are referred to as “disregarded days”.
- Step 2* Add up (for all employments held and trades carried on by P) the total number of hours that P works overseas in year X, but ignoring any hours that P works overseas on disregarded days. The result is referred to as P's “net overseas hours”.
- Step 3* Subtract from 365 (or 366 if year X includes 29 February)—
- (a) the total number of disregarded days, and
 - (b) any days that are allowed to be subtracted, in accordance with the rules in paragraph 28 of this Schedule, to take account of periods of leave and gaps between employments.
- The result is referred to as the “reference period”.
- Step 4* Divide the reference period by 7. If the answer is more than 1 and is not a whole number, round down to the nearest whole number. If the answer is less than 1, round up to 1.
- Step 5* Divide P's net overseas hours by the number resulting from step 4.
- If the answer is 35 or more, P is considered to work “sufficient hours overseas” as assessed over year X.
- (4) This paragraph does not apply to P if—
- (a) P has a relevant job on board a vehicle, aircraft or ship at any time in year X, and
 - (b) at least 6 of the trips that P makes in year X as part of that job are cross-border trips that either begin in the UK, end in the UK or begin and end in the UK.
- 15 (1) The fourth automatic overseas test is that—
- (a) P dies in year X,
 - (b) P was resident in the UK for neither of the 2 tax years preceding year X or, alternatively, P's case falls within sub-paragraph (2), and
 - (c) the number of days that P spends in the UK in year X is less than 46.
- (2) P's case falls within this sub-paragraph if—
- (a) P was not resident in the UK for the tax year preceding year X, and
 - (b) the tax year before that was a split year as respects P because the circumstances of the case fell within Case 1, Case 2 or Case 3 (see Part 3 of this Schedule).

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 16 (1) The fifth automatic overseas test is that—
- (a) P dies in year X,
 - (b) P was resident in the UK for neither of the 2 tax years preceding year X because P met the third automatic overseas test for each of those years or, alternatively, P's case falls within sub-paragraph (2), and
 - (c) P would meet the third automatic overseas test for year X if paragraph 14 were read with the relevant modifications.
- (2) P's case falls within this sub-paragraph if—
- (a) P was not resident in the UK for the tax year preceding year X because P met the third automatic overseas test for that year, and
 - (b) the tax year before that was a split year as respects P because the circumstances of the case fell within Case 1 (see Part 3 of this Schedule).
- (3) The relevant modifications of paragraph 14 are—
- (a) in sub-paragraph (1)(a) and (b) and sub-paragraph (3), for “year X” read “the period from the start of year X up to and including the day before the day of P's death”, and
 - (b) in step 3 of sub-paragraph (3), for “365 (or 366 if year X includes 29 February)” read “the number of days in the period from the start of year X up to and including the day before the day of P's death”.

The sufficient ties test

- 17 (1) The sufficient ties test is met for year X if—
- (a) P meets none of the automatic UK tests and none of the automatic overseas tests, but
 - (b) P has sufficient UK ties for that year.
- (2) “UK ties” is defined in Part 2 of this Schedule.
- (3) Whether P has “sufficient” UK ties for year X will depend on—
- (a) whether P was resident in the UK for any of the previous 3 tax years, and
 - (b) the number of days that P spends in the UK in year X.
- (4) The Tables in paragraphs 18 and 19 show how many ties are sufficient in each case.

Sufficient UK ties

- 18 The Table below shows how many UK ties are sufficient in a case where P was resident in the UK for one or more of the 3 tax years preceding year X—

<i>Days spent by P in the UK in year X</i>	<i>Number of ties that are sufficient</i>
More than 15 but not more than 45	At least 4
More than 45 but not more than 90	At least 3
More than 90 but not more than 120	At least 2
More than 120	At least 1

- 19 The Table below shows how many UK ties are sufficient in a case where P was resident in the UK for none of the 3 tax years preceding year X—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

<i>Days spent by P in the UK in year X</i>	<i>Number of ties that are sufficient</i>
More than 45 but not more than 90	All 4
More than 90 but not more than 120	At least 3
More than 120	At least 2

- 20 (1) If P dies in year X, paragraph 18 has effect as if the words “More than 15 but” were omitted from the first column of the Table.
- (2) In addition to that modification, if the death occurs before 1 March in year X, paragraphs 18 and 19 have effect as if each number of days mentioned in the first column of the Table were reduced by the appropriate number.
- (3) The appropriate number is found by multiplying the number of days, in each case, by—

$$\frac{A}{12}$$

where “A” is the number of whole months in year X after the month in which P dies.

- (4) If, for any number of days, the appropriate number is not a whole number, the appropriate number is to be rounded up or down as follows—
- if the first figure after the decimal point is 5 or more, round the appropriate number up to the nearest whole number,
 - otherwise, round it down to the nearest whole number.

PART 2 **U.K.**

KEY CONCEPTS

Introduction

- 21 This Part of this Schedule defines some key concepts for the purposes of this Schedule.

Days spent

- 22 (1) If P is present in the UK at the end of a day, that day counts as a day spent by P in the UK.
- (2) But it does not do so in the following two cases.
- (3) The first case is where—
- P only arrives in the UK as a passenger on that day,
 - P leaves the UK the next day, and
 - between arrival and departure, P does not engage in activities that are to a substantial extent unrelated to P's passage through the UK.
- (4) The second case is where—

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) P would not be present in the UK at the end of that day but for exceptional circumstances beyond P's control that prevent P from leaving the UK, and
 - (b) P intends to leave the UK as soon as those circumstances permit.
- (5) Examples of circumstances that may be “exceptional” are—
- (a) national or local emergencies such as war, civil unrest or natural disasters, and
 - (b) a sudden or life-threatening illness or injury.
- (6) For a tax year—
- (a) the maximum number of days to which sub-paragraph (2) may apply in reliance on sub-paragraph (4) is limited to 60, and
 - (b) accordingly, once the number of days within sub-paragraph (4) reaches 60 (counting forward from the start of the tax year), any subsequent days within that sub-paragraph, whether involving the same or different exceptional circumstances, will count as days spent by P in the UK.
- 23 (1) If P is not present in the UK at the end of a day, that day does not count as a day spent by P in the UK.
- (2) This is subject to the deeming rule.
- (3) The deeming rule applies if—
- (a) P has at least 3 UK ties for a tax year,
 - (b) the number of days in that tax year when P is present in the UK at some point in the day but not at the end of the day (“qualifying days”) is more than 30, and
 - (c) P was resident in the UK for at least one of the 3 tax years preceding that tax year.
- (4) The deeming rule is that, once the number of qualifying days in the tax year reaches 30 (counting forward from the start of the tax year), each subsequent qualifying day in the tax year is to be treated as a day spent by P in the UK.
- (5) The deeming rule does not apply for the purposes of sub-paragraph (3)(a) (so, in deciding for those purposes whether P has a 90-day tie, qualifying days in excess of 30 are not to be treated as days spent by P in the UK).

Days spent “in” a period

- 24 Any reference to a number of days spent in the UK “in” a given period is a reference to the total number of days spent there (in aggregate) in that period, whether continuously or intermittently.

Home

- 25 (1) A person's home could be a building or part of a building or, for example, a vehicle, vessel or structure of any kind.
- (2) Whether, for a given building, vehicle, vessel, structure or the like, there is a sufficient degree of permanence or stability about P's arrangements there for the place to count as P's home (or one of P's homes) will depend on all the circumstances of the case.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) But somewhere that P uses periodically as nothing more than a holiday home or temporary retreat (or something similar) does not count as a home of P's.
- (4) A place may count as a home of P's whether or not P holds any estate or interest in it (and references to "having" a home are to be read accordingly).
- (5) Somewhere that was P's home does not continue to count as such merely because P continues to hold an estate or interest in it after P has moved out (for example, if P is in the process of selling it or has let or sub-let it, having set up home elsewhere).

Work

- 26 (1) P is considered to be "working" (or doing "work") at any time when P is doing something—
 - (a) in the performance of duties of an employment held by P, or
 - (b) in the course of a trade carried on by P (alone or in partnership).
- (2) In deciding whether something is being done in the performance of duties of an employment, regard must be had to whether, if value were received by P for doing the thing, it would fall within the definition of employment income in section 7 of ITEPA 2003.
- (3) In deciding whether something is being done in the course of a trade, regard must be had to whether, if expenses were incurred by P in doing the thing, the expenses could be deducted in calculating the profits of the trade for income tax purposes.
- (4) Time spent travelling counts as time spent working—
 - (a) if the cost of the journey could, if it were incurred by P, be deducted in calculating P's earnings from that employment under section 337, 338, 340 or 342 of ITEPA 2003 or, as the case may be, in calculating the profits of the trade under ITTOIA 2005, or
 - (b) to the extent that P does something else during the journey that would itself count as work in accordance with this paragraph.
- (5) Time spent undertaking training counts as time spent working if—
 - (a) in the case of an employment held by P, the training is provided or paid for by the employer and is undertaken to help P in performing duties of the employment, and
 - (b) in the case of a trade carried on by P, the cost of the training could be deducted in calculating the profits of the trade for income tax purposes.
- (6) Sub-paragraphs (4) and (5) have effect without prejudice to the generality of sub-paragraphs (2) and (3).
- (7) Assume for the purposes of sub-paragraphs (2) to (5) that P is someone who is chargeable to income tax under ITEPA 2003 or ITTOIA 2005.
- (8) A voluntary post for which P has no contract of service does not count as an employment for the purposes of this Schedule.

Location of work

- 27 (1) Work is done where it is actually done, regardless of where the employment is held or the trade is carried on by P.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) But work done by way of or in the course of travelling to or from the UK by air or sea or via a tunnel under the sea is assumed to be done overseas even during the part of the journey in or over the UK.
- (3) For these purposes, travelling to or from the UK is taken to—
 - (a) begin when P boards the aircraft, ship or train that is bound for a destination in the UK or (as the case may be) overseas, and
 - (b) end when P disembarks from that aircraft, ship or train.
- (4) This paragraph is subject to express provisions in this Schedule about the location of work done by people with relevant jobs on board vehicles, aircraft or ships.

Rules for calculating the reference period

- 28
- (1) This paragraph applies in calculating the “reference period” (which is a step taken in determining whether P works “sufficient hours in the UK” or “sufficient hours overseas” as assessed over a given period of days).
 - (2) The number of days in the given period may be reduced to take account of—
 - (a) reasonable amounts of annual leave or parenting leave taken by P during the period (for all employments held and trades carried on by P during the period, whether in the UK or overseas),
 - (b) absences from work at times during the period when P is on sick leave and cannot reasonably be expected to work as a result of the illness or injury in question, and
 - (c) non-working days embedded within a block of leave for which a reduction is made under paragraph (a) or (b).
 - (3) But no reduction may be made in respect of any day that is a “disregarded day” (see paragraphs 9(2) and 14(3) in Part 1 of this Schedule).
 - (4) For any particular employment or trade, “reasonable” amounts of annual leave or parenting leave are to be assessed having regard to (among other things)—
 - (a) the nature of the work, and
 - (b) the country or countries where P is working.
 - (5) Non-working days are “embedded within” a block of leave only if there are, as part of that block of leave—
 - (a) at least 3 consecutive days of leave taken before the non-working day or series of non-working days in question, and
 - (b) at least 3 consecutive days of leave taken after the non-working day or series of non-working days in question.
 - (6) A “non-working day” is any day of the week, month or year on which P—
 - (a) is not normally expected to work (according to P's contract of employment or usual pattern of work), and
 - (b) does not in fact work.
 - (7) In calculating the reductions to be made under sub-paragraph (2)—
 - (a) if it turns out, after applying sub-paragraph (3), that the reasonable amounts of annual leave or parenting leave or, as the case may be, the absences from work on sick leave do not add up (across the period) to a whole number of

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

days, the number in that case is to be rounded down to the nearest whole number, but

(b) any such rounding is to be ignored for the purposes of sub-paragraph (2)(c).

(8) If—

(a) P changes employment during the given period,

(b) there is a gap between the two employments, and

(c) P does not work at all at any time between the two employments,

the number of days in the given period may be reduced by the number of days in that gap.

(9) But—

(a) if the gap lasts for more than 15 days, only 15 days may be subtracted, and

(b) if there is more than one change of employment during the period, the maximum number of days that may be subtracted under sub-paragraph (8) for all the gaps in total is 30.

Significant breaks from UK or overseas work

29 (1) There is a “significant break from UK work” if at least 31 days go by and not one of those days is—

(a) a day on which P does more than 3 hours' work in the UK, or

(b) a day on which P would have done more than 3 hours' work in the UK but for being on annual leave, sick leave or parenting leave.

(2) There is a “significant break from overseas work” if at least 31 days go by and not one of those days is—

(a) a day on which P does more than 3 hours' work overseas, or

(b) a day on which P would have done more than 3 hours' work overseas but for being on annual leave, sick leave or parenting leave.

Relevant jobs on board vehicles, aircraft or ships

30 (1) P has a “relevant” job on board a vehicle, aircraft or ship if condition A and condition B are met.

(2) Condition A is that P either—

(a) holds an employment, the duties of which consist of duties to be performed on board a vehicle, aircraft or ship while it is travelling, or

(b) carries on a trade, the activities of which consist of work to be done or services to be provided on board a vehicle, aircraft or ship while it is travelling.

(3) Condition B is that substantially all of the trips made in performing those duties or carrying on those activities are ones that involve crossing an international boundary at sea, in the air or on land (referred to as “cross-border trips”).

(4) Sub-paragraph (2)(b) is not satisfied unless, in order to do the work or provide the services, P has to be present (in person) on board the vehicle, aircraft or ship while it is travelling.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. - (5) Duties or activities of a purely incidental nature are to be ignored in deciding whether the duties of an employment or the activities of a trade consist of duties or activities of a kind described in sub-paragraph (2)(a) or (b).

UK ties

- 31 (1) What counts as a “UK tie” depends on whether P was resident in the UK for one or more of the 3 tax years preceding year X.
- (2) If P was resident in the UK for one or more of those 3 tax years, each of the following types of tie counts as a UK tie—
- (a) a family tie,
 - (b) an accommodation tie,
 - (c) a work tie,
 - (d) a 90-day tie, and
 - (e) a country tie.
- (3) Otherwise, each of the following types of tie counts as a UK tie—
- (a) a family tie,
 - (b) an accommodation tie,
 - (c) a work tie, and
 - (d) a 90-day tie.
- (4) In order to have the requisite number of UK ties for year X, each tie of P's must be of a different type.

Family tie

- 32 (1) P has a family tie for year X if—
- (a) in year X, a relevant relationship exists at any time between P and another person, and
 - (b) that other person is someone who is resident in the UK for year X.
- (2) A relevant relationship exists at any time between P and another person if at the time—
- (a) P and the other person are husband and wife or civil partners and, in either case, are not separated,
 - (b) P and the other person are living together as husband and wife or, if they are of the same sex, as if they were civil partners, or
 - (c) the other person is a child of P's and is under the age of 18.
- (3) P does not have a family tie for year X by virtue of sub-paragraph (2)(c) if P sees the child in the UK on fewer than 61 days (in total) in—
- (a) year X, or
 - (b) if the child turns 18 during year X, the part of year X before the day on which the child turns 18.
- (4) A day counts as a day on which P sees the child if P sees the child in person for all or part of the day.
- (5) “Separated” means separated—
- (a) under an order of a court of competent jurisdiction,

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) by deed of separation, or
 - (c) in circumstances where the separation is likely to be permanent.
- 33 (1) This paragraph applies in deciding for the purposes (only) of paragraph 32(1)(b) whether a person with whom P has a relevant relationship (a “family member”) is someone who is resident in the UK for year X.
- (2) A family tie based on the fact that a family member has, by the same token, a relevant relationship with P is to be disregarded in deciding whether that family member is someone who is resident in the UK for year X.
- (3) A family member falling within sub-paragraph (4) is to be treated as being not resident in the UK for year X if the number of days that he or she spends in the UK in the part of year X outside term-time is less than 21.
- (4) A family member falls within this sub-paragraph if he or she—
- (a) is a child of P's who is under the age of 18,
 - (b) is in full-time education in the UK at any time in year X, and
 - (c) is resident in the UK for year X but would not be so resident if the time spent in full-time education in the UK in that year were disregarded.
- (5) In sub-paragraph (4)—
- (a) references to full-time education in the UK are to full-time education at a university, college, school or other educational establishment in the UK, and
 - (b) the reference to the time spent in full-time education in the UK is to the time spent there during term-time.
- (6) For the purposes of this paragraph, half-term breaks and other breaks when teaching is not provided during a term are considered to form part of “term-time”.

Accommodation tie

- 34 (1) P has an accommodation tie for year X if—
- (a) P has a place to live in the UK,
 - (b) that place is available to P during year X for a continuous period of at least 91 days, and
 - (c) P spends at least one night at that place in that year.
- (2) If there is a gap of fewer than 16 days between periods in year X when a particular place is available to P, that place is to be treated as continuing to be available to P during the gap.
- (3) P is considered to have a “place to live” in the UK if—
- (a) P's home or at least one of P's homes (if P has more than one) is in the UK, or
 - (b) P has a holiday home or temporary retreat (or something similar) in the UK, or
 - (c) accommodation is otherwise available to P where P can live when P is in the UK.
- (4) Accommodation may be “available” to P even if P holds no estate or interest in it and even if P has no legal right to occupy it.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If the accommodation is the home of a close relative of P's, sub-paragraph (1)(c) has effect as if for “at least one night” there were substituted “ a total of at least 16 nights ”.
- (6) A “close relative” is—
- (a) a parent or grandparent,
 - (b) a brother or sister,
 - (c) a child aged 18 or over, or
 - (d) a grandchild aged 18 or over,
- in each case, including by half-blood or by marriage or civil partnership.

Work tie

- 35 (1) P has a work tie for year X if P works in the UK for at least 40 days (whether continuously or intermittently) in year X.
- (2) For these purposes, P works in the UK for a day if P does more than 3 hours' work in the UK on that day.
- 36 (1) This paragraph applies for the purposes of paragraph 35.
- (2) It applies in cases where P has a relevant job on board a vehicle, aircraft or ship.
- (3) When making a cross-border trip as part of that job—
- (a) if the trip begins in the UK, P is assumed to do more than 3 hours' work in the UK on the day on which it begins,
 - (b) if the trip ends in the UK, P is assumed to do fewer than 3 hours' work in the UK on the day on which it ends.
- (4) Those assumptions apply regardless of how late in the day the trip begins or ends (even if it begins or ends just before midnight).
- (5) For the purposes of sub-paragraph (3)(a), it does not matter whether the trip ends on that same day.
- (6) A day that falls within both paragraph (a) and paragraph (b) of sub-paragraph (3) is to be treated as if it fell only within paragraph (a).
- (7) In the case of a cross-border trip to or from the UK that is undertaken in stages—
- (a) the day on which the trip begins or, as the case may be, ends is the day on which the stage of the trip that involves crossing the UK border begins or ends, and
 - (b) accordingly, any day on which a stage is undertaken by P solely within the UK must (if it lasts for more than 3 hours) be counted separately as a day on which P does more than 3 hours' work in the UK.

90-day tie

- 37 P has a 90-day tie for year X if P has spent more than 90 days in the UK in—
- (a) the tax year preceding year X,
 - (b) the tax year preceding that tax year, or
 - (c) each of those tax years separately.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Country tie

- 38 (1) P has a country tie for year X if the country in which P meets the midnight test for the greatest number of days in year X is the UK.
- (2) If—
- (a) P meets the midnight test for the same number of days in year X in two or more countries, and
 - (b) that number is the greatest number of days for which P meets the midnight test in any country in year X,
- P has a country tie for year X if one of those countries is the UK.
- (3) P meets the “midnight test” in a country for a day if P is present in that country at the end of that day.

PART 3 U.K.

SPLIT YEAR TREATMENT

Introduction

- 39 This Part of this Schedule—
- (a) explains when, as respects an individual, a tax year is a split year,
 - (b) defines the overseas part and the UK part of a split year, and
 - (c) amends certain enactments to provide for special charging rules in cases involving split years.
- 40 (1) The effect of a tax year being a split year is to relax the effect of paragraph 2(3) (which treats individuals who are UK resident “for” a tax year as being UK resident at all times in that year).
- (2) When and how the effect of paragraph 2(3) is relaxed is defined in the special charging rules introduced by the amendments made by this Part.
- (3) Subject to those special charging rules (and any other special charging rules for split years that may be introduced in the future), nothing in this Part alters an individual's residence status for a tax year or affects his or her liability to tax.
- 41 This Part—
- (a) does not apply in determining the residence status of personal representatives, and
 - (b) applies to only a limited extent in determining the residence status of the trustees of a settlement (see section 475 of ITA 2007 and section 69 of TCGA 1992, as amended by this Part).
- 42 The existence of special charging rules for cases involving split years is not intended to affect any question as to whether an individual would fall to be regarded under double taxation arrangements as a resident of the UK.

Definition of a “split year”

- 43 (1) As respects an individual, a tax year is a “split year” if—
- (a) the individual is resident in the UK for that year, and

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the circumstances of the case fall within—
 - (i) Case 1, Case 2 or Case 3 (cases involving actual or deemed departure from the UK), or
 - (ii) Case 4, Case 5, Case 6, Case 7 or Case 8 (cases involving actual or deemed arrival in the UK).
- (2) The 8 Cases are described in paragraphs 44 to 51.
- (3) In those paragraphs, the individual is referred to as “the taxpayer” and the tax year as “the relevant year”.
- (4) In applying Part 2 of this Schedule to those paragraphs, for “P” read “the taxpayer”.

Case 1: starting full-time work overseas

- 44 (1) The circumstances of a case fall within Case 1 if they are as described in sub-paragraphs (2) to (4).
- (2) The taxpayer was resident in the UK for the previous tax year (whether or not it was a split year).
- (3) There is at least one period (consisting of one or more days) that—
 - (a) begins with a day that—
 - (i) falls within the relevant year, and
 - (ii) is a day on which the taxpayer does more than 3 hours' work overseas,
 - (b) ends with the last day of the relevant year, and
 - (c) satisfies the overseas work criteria.
- (4) The taxpayer is not resident in the UK for the next tax year because the taxpayer meets the third automatic overseas test for that year (see paragraph 14).
- (5) A period “satisfies the overseas work criteria” if—
 - (a) the taxpayer works sufficient hours overseas, as assessed over that period,
 - (b) during that period, there are no significant breaks from overseas work,
 - (c) the number of days in that period on which the taxpayer does more than 3 hours' work in the UK does not exceed the permitted limit, and
 - (d) the number of days in that period falling within sub-paragraph (6) does not exceed the permitted limit.
- (6) A day falls within this sub-paragraph if—
 - (a) it is a day spent by the taxpayer in the UK, but
 - (b) it is not a day that is treated under paragraph 23(4) as a day spent by the taxpayer in the UK.
- (7) To work out whether the taxpayer works “sufficient hours overseas” as assessed over a given period, apply paragraph 14(3) but with the following modifications—
 - (a) for “P” read “the taxpayer”,
 - (b) for “year X” read “the period under consideration”,
 - (c) for “365 (or 366 if year X includes 29 February)” read “the number of days in the period under consideration”, and
 - (d) in paragraph 28(9)(b), as it applies for the purposes of step 3, for “30” read “the permitted limit”.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) The permitted limit is—
- (a) for sub-paragraphs (5)(c) and (7)(d), the number found by reducing 30 by the appropriate number, and
 - (b) for sub-paragraph (5)(d), the number found by reducing 90 by the appropriate number.
- (9) The appropriate number is the result of—

$$A \times \frac{B}{12}$$

where—

“A” is—

- (a) 30, for sub-paragraphs (5)(c) and (7)(d), or
- (b) 90, for sub-paragraph (5)(d), and

“B” is the number of whole months in the part of the relevant year before the day mentioned in sub-paragraph (3)(a).

Case 2: the partner of someone starting full-time work overseas

- 45 (1) The circumstances of a case fall within Case 2 if they are as described in sub-paragraphs (2) to (6).
- (2) The taxpayer was resident in the UK for the previous tax year (whether or not it was a split year).
 - (3) The taxpayer has a partner whose circumstances fall within Case 1 for—
 - (a) the relevant year, or
 - (b) the previous tax year.
 - (4) On a day in the relevant year, the taxpayer moves overseas so the taxpayer and the partner can continue to live together while the partner is working overseas.
 - (5) In the part of the relevant year beginning with the deemed departure day—
 - (a) the taxpayer has no home in the UK at any time, or has homes in both the UK and overseas but spends the greater part of the time living in the overseas home, and
 - (b) the number of days that the taxpayer spends in the UK does not exceed the permitted limit.
 - (6) The taxpayer is not resident in the UK for the next tax year.
 - (7) If sub-paragraph (3)(a) applies, the “deemed departure day” is the later of—
 - (a) the day mentioned in sub-paragraph (4), and
 - (b) the first day of what is, for the partner, the overseas part of the relevant year as defined for Case 1 (see paragraph 53).
 - (8) If sub-paragraph (3)(b) applies, the “deemed departure day” is the day mentioned in sub-paragraph (4).
 - (9) The permitted limit is the number found by reducing 90 by the appropriate number.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(10) The appropriate number is the result of—

$$A \times \frac{B}{12}$$

where—

“A” is 90, and

“B” is the number of whole months in the part of the relevant year before the deemed departure day.

Case 3: ceasing to have a home in the UK

- 46 (1) The circumstances of a case fall within Case 3 if they are as described in sub-paragraphs (2) to (6).
- (2) The taxpayer was resident in the UK for the previous tax year (whether or not it was a split year).
- (3) At the start of the relevant year the taxpayer had one or more homes in the UK but—
- (a) there comes a day in the relevant year when P ceases to have any home in the UK, and
 - (b) from then on, P has no home in the UK for the rest of that year.
- (4) In the part of the relevant year beginning with the day mentioned in sub-paragraph (3) (a), the taxpayer spends fewer than 16 days in the UK.
- (5) The taxpayer is not resident in the UK for the next tax year.
- (6) At the end of the period of 6 months beginning with the day mentioned in sub-paragraph (3)(a), the taxpayer has a sufficient link with a country overseas.
- (7) The taxpayer has a “sufficient link” with a country overseas if and only if—
- (a) the taxpayer is considered for tax purposes to be a resident of that country in accordance with its domestic laws, or
 - (b) the taxpayer has been present in that country (in person) at the end of each day of the 6-month period mentioned in sub-paragraph (6), or
 - (c) the taxpayer's only home is in that country or, if the taxpayer has more than one home, they are all in that country.

Case 4: starting to have a home in the UK only

- 47 (1) The circumstances of a case fall within Case 4 if they are as described in sub-paragraphs (2) to (4).
- (2) The taxpayer was not resident in the UK for the previous tax year.
- (3) At the start of the relevant year, the taxpayer did not meet the only home test, but there comes a day in the relevant year when that ceases to be the case and the taxpayer then continues to meet the only home test for the rest of that year.

Status: Point in time view as at 01/04/2014.

Changes to legislation: Finance Act 2013 is up to date with all changes known to be in force on or before 14 June 2024. There are changes that may be brought into force at a future date. - (4) For the part of the relevant year before that day, the taxpayer does not have sufficient UK ties.
- (5) The “only home test” is met if—
- (a) the taxpayer has only one home and that home is in the UK, or
 - (b) the taxpayer has more than one home and all of them are in the UK.
- (6) Paragraphs 17 to 20 (and Part 2 of this Schedule so far as it relates to those paragraphs) apply for the purposes of sub-paragraph (4) with the following adjustments—
- (a) references in those paragraphs and that Part to year X are to be read as references to the part of the relevant year mentioned in sub-paragraph (4), and
 - (b) each number of days mentioned in the first column of the Table in paragraphs 18 and 19 is to be reduced by the appropriate number.
- (7) The appropriate number is found by multiplying the number of days, in each case, by—

$$\frac{A}{12}$$

where “A” is the number of whole months in the part of the relevant year beginning with the day mentioned in sub-paragraph (3).

- (8) Sub-paragraph (6)(a) does not apply to the references to year X in paragraphs 32(1) (b) and 33 of this Schedule (which relate to the residence status of family members) so those references must continue to be read as references to year X.

Case 5: starting full-time work in the UK

- 48 (1) The circumstances of a case fall within Case 5 if they are as described in sub-paragraphs (2) and (3).
- (2) The taxpayer was not resident in the UK for the previous tax year.
- (3) There is at least one period of 365 days in respect of which the following conditions are met—

 - (b) in the part of the relevant year before the period begins, the taxpayer does not have sufficient UK ties,
 - (c) the taxpayer works sufficient hours in the UK, as assessed over the period,
 - (d) during the period, there are no significant breaks from UK work, and
 - (e) at least 75% of the total number of days in the period on which the taxpayer does more than 3 hours' work are days on which the taxpayer does more than 3 hours' work in the UK.

Status: Point in time view as at 01/04/2014.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) To work out whether the taxpayer works “sufficient hours in the UK” as assessed over a given period, apply paragraph 9(2) but for “P” read “the taxpayer”.
- (5) Paragraphs 17 to 20 (and Part 2 of this Schedule so far as it relates to those paragraphs) apply for the purposes of sub-paragraph (3)(b) with the following adjustments—
 - (a) references in those paragraphs and that Part to year X are to be read as references to the part of the relevant year mentioned in sub-paragraph (3)(b), and
 - (b) each number of days mentioned in the first column of the Table in paragraphs 18 and 19 is to be reduced by the appropriate number.
- (6) The appropriate number is found by multiplying the number of days, in each case, by—

$$\frac{A}{12}$$

where “A” is the number of whole months in the part of the relevant year beginning with the day on which the 365-day period in question begins.

- (7) Sub-paragraph (5)(a) does not apply to the references to year X in paragraphs 32(1)(b) and 33 of this Schedule (which relate to the residence status of family members) so those references must continue to be read as references to year X.

Case 6: ceasing full-time work overseas

- 49
- (1) The circumstances of a case fall within Case 6 if they are as described in sub-paragraphs (2) to (4).
 - (2) The taxpayer—

 - (b) was resident in the UK for one or more of the 4 tax years immediately preceding that year.
 - (3) There is at least one period (consisting of one or more days) that—
 - (a) begins with the first day of the relevant year,
 - (b) ends with a day that—
 - (i) falls within the relevant year, and
 - (ii) is a day on which the taxpayer does more than 3 hours' work overseas, and

- (a) for “P” read “the taxpayer”,
 - (b) for “year X” read “the period under consideration”,
 - (c) for “365 (or 366 if year X includes 29 February)” read “the number of days in the period under consideration”, and
 - (d) in paragraph 28(9)(b), as it applies for the purposes of step 3, for “30” read “the permitted limit”.
- (8) The permitted limit is—
- (a) for sub-paragraphs (5)(c) and (7)(d), the number found by reducing 30 by the appropriate number, and
 - (b) for sub-paragraph (5)(d), the number found by reducing 90 by the appropriate number.
- (9) The appropriate number is the result of—

$$A \times \frac{B}{12}$$

where—

“A” is—

- (a) 30, for sub-paragraphs (5)(c) and (7)(d), or
- (b) 90, for sub-paragraph (5)(d), and

 - (b) the first day of what is, for the partner, the UK part of the relevant year as defined for Case 6 (see paragraph 54).
- (8) If sub-paragraph (3)(b) applies, the “deemed arrival day” is the day mentioned in sub-paragraph (4).

 - (a) the asset was acquired by the taxpayer in the temporary period of non-residence,
 - (b) it was so acquired otherwise than by means of a relevant disposal that by virtue of section 58, 73 or 258(4) is treated as having been a disposal on which neither a gain nor a loss accrued,
 - (c) the asset is not an interest created by or arising under a settlement, and
 - (d) the amount or value of the consideration for the acquisition of the asset by the taxpayer does not fall, by reference to any relevant disposal, to be treated as reduced under section 23(4)(b) or (5)(b), 152(1)(b), 153(1)(b), 162(3)(b) or 247(2)(b) or (3)(b).
- (2) “Relevant disposal” means a disposal of an asset acquired by the person making the disposal at a time when that person was resident in the United Kingdom and was not Treaty non-resident.
- (3) Subsection (1) does not apply if—
 - (a) the gain is one that (ignoring section 10A) would fall to be treated by virtue of section 116(10) or (11), 134 or 154(2) or (4) as accruing on the disposal of the whole or part of another asset, and
 - (b) that other asset meets the requirements of paragraphs (a) to (d) of subsection (1), but the asset in respect of which the gain actually accrued or would actually accrue does not.
- (4) Nothing in any double taxation relief arrangements is to be read as preventing the taxpayer from being chargeable to capital gains tax in respect of any chargeable gains treated under section 10A as accruing to the taxpayer in the period of return (or as preventing a charge to that tax from arising as a result).
- (5) Nothing in any enactment imposing any limit on the time within which an assessment to capital gains tax may be made prevents any assessment for the year of departure from being made in the taxpayer's case at any time before the end of the second anniversary of the 31 January next following the year of return (as defined in section 10A).”

 - (b) there are amounts on which beneficiaries of the settlement are charged to tax under section 87 or 89(2) for one or more tax years, each of which is earlier than the year of return, and

 - (b) if the property comprised in the settlement has at any time included property not originating from the settlor, so much (if any) of that sum as, on a just and reasonable apportionment, is properly referable to the settlor.
 - (5) If a reduction falls to be made under subsection (3) for the year of return, the deduction to be made in accordance with section 87(4)(b) for the settlement for that year must not be made until—
 - (a) all the reductions to be made under subsection (3) for that year for each settlor have been made, and
 - (b) those reductions are to be made starting with the year immediately preceding the year of return and working backwards.
 - (6) Subsection (7) applies if, with respect to year A, an amount remains to be treated under section 10A as accruing to any of the settlors in the period of return after having made the reductions under subsection (3) with respect to year A.
 - (7) The aggregate of the amounts remaining to be so treated (for all of the settlors) is to be applied in reducing so much of the section 2(2) amount for year A as has not already been matched with a capital payment under section 87A for any year prior to the year of return (but not so as to reduce the section 2(2) amount below zero).
 - (8) In this section—
 - (a) “the settlement” means the settlement in relation to which the settlor mentioned in subsection (1)(a) is a settlor,
 - (b) a reference to “the settlors” or “each settlor” is to the settlors or each settlor in relation to the settlement,

 - (d) paragraph 8 of Schedule 5 applies in construing the reference to property originating from the settlor.”

- (4) But the notional UK tax on that distribution is to be allowed as a credit against the individual's liability to income tax for the year of return under Step 6 of the calculation in section 23.
- (5) If the distribution year is the year of return, the tax charged under this Chapter in respect of the relevant distribution is to be charged and assessed without regard to the existence of double taxation relief arrangements.

 - (b) it is a dividend of a company that would be a close company if the company were UK resident,
 - (c) the individual receives or becomes entitled to it by virtue of being at a relevant time—
 - (i) a material participator in the company, or
 - (ii) an associate of a material participator in the company, and

(1) This section applies if—

- (a) a claim is made under Chapter 9 of Part 9A (controlled foreign companies: exemptions for profits from qualifying loan relationships) in relation to an accounting period (“the relevant period”) of a CFC (“the creditor CFC”),

Status: Point in time view as at 01/04/2014.

- (b) in the relevant period, the creditor CFC has a qualifying loan relationship in relation to which another CFC is the ultimate debtor by virtue of section 371IG(4) or (5), and
 - (c) a UK resident company (“the relevant UK company”) has loan relationship credits which arise in the relevant period from—
 - (i) loan B (see section 371IG(3)(b)), or
 - (ii) loans out of which loan B is wholly or partly funded (directly or indirectly).
- (2) So far as any credit allowed under section 18(2) to the relevant UK company is referable to loan relationship credits falling within subsection (1)(c) which arise in an accounting period of the relevant UK company, the credit must not exceed—

Step 2 Deduct from the amount determined at step 1 above the credits from the creditor CFC's qualifying loan relationship determined at step 1 in section 371IF for the relevant period. The result is the relevant profit amount.

Step 3 On a just and reasonable basis, apportion the relevant profit amount amongst all the persons falling within subsection (5) (although the amount apportioned to a person may be nil). The relevant UK company's share of the relevant profit amount is the amount apportioned to it (and is nil if no amount is apportioned to it).

- (5) The following persons (apart from the creditor CFC) fall within this subsection—

 - (b) any person who has made or received a loan out of which loan B is wholly or partly funded (directly or indirectly).

 - (ii) may make repayments in respect of any amount of the tax paid, or any amount paid on account of the tax, before the plan is entered into.
- (3) As regards interest—

where—

“A” is the income, profits or gains arising in respect of the asset or liability in the migration accounting period by virtue of the relevant exit charge provision only,
