

Energy Act 2013

CHAPTER 32

ENERGY ACT 2013

PART 1

DECARBONISATION

- 1 Decarbonisation target range
- 2 Matters to be taken into account
- 3 Further duties of the Secretary of State
- 4 Meaning and calculation of “carbon intensity of electricity generation in the United Kingdom”

PART 2

ELECTRICITY MARKET REFORM

CHAPTER 1

GENERAL CONSIDERATIONS

- 5 General considerations relating to this Part

CHAPTER 2

CONTRACTS FOR DIFFERENCE

- 6 Regulations to encourage low carbon electricity generation
- 7 Designation of a CFD counterparty
- 8 Duties of a CFD counterparty
- 9 Supplier obligation
- 10 Direction to offer to contract

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- 11 Standard terms
- 12 CFD notifications
- 13 Allocation of CFDs
- 14 CFD notification: offer to contract on standard terms
- 15 Modification of standard terms
- 16 Sections 12 to 15: further provision
- 17 Payments to electricity suppliers
- 18 Application of sums held by a CFD counterparty
- 19 Information and advice
- 20 Functions of the Authority
- 21 Regulations: further provision
- 22 Enforcement
- 23 Limits on costs to be incurred
- 24 Consultation
- 25 Shadow directors, etc.
- 26 Licence modifications

CHAPTER 3

CAPACITY MARKET

- 27 Power to make electricity capacity regulations
- 28 Capacity agreements
- 29 Capacity auctions
- 30 Settlement body
- 31 Functions of the Authority or the national system operator
- 32 Other requirements
- 33 Electricity capacity regulations: information and advice
- 34 Power to make capacity market rules
- 35 Provision about electricity demand reduction
- 36 Enforcement and dispute resolution
- 37 Licence modifications for the purpose of the capacity market
- 38 Amendment of enactments
- 39 Principal objective and general duties
- 40 Regulations under Chapter 3
- 41 Capacity market rules: procedure
- 42 Capacity market rules: further provision
- 43 Pilot scheme for electricity demand reduction

CHAPTER 4

INVESTMENT CONTRACTS

- 44 Investment contracts

CHAPTER 5

CONFLICT OF INTEREST AND CONTINGENCY ARRANGEMENTS

- 45 Modifications of transmission and other licences: business separation
- 46 Power to transfer EMR functions
- 47 Orders under section 46: fees and other supplementary provision
- 48 Energy administration orders

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

CHAPTER 6

ACCESS TO MARKETS ETC

Market participation and liquidity

- 49 Power to modify licence conditions etc: market participation and liquidity

Power purchase agreement scheme

- 50 Power to modify licence conditions etc to facilitate investment in electricity generation
- 51 Power purchase agreement scheme: regulations
- 52 Power purchase agreement scheme: disclosure of information
- 53 Principal objective and general duties: power purchase agreement scheme

Supplementary

- 54 Licence modifications under sections 49 and 50: further provisions

CHAPTER 7

THE RENEWABLES OBLIGATION: TRANSITIONAL ARRANGEMENTS

- 55 Closure of support under the renewables obligation
- 56 Transition to certificate purchase scheme

CHAPTER 8

EMISSIONS PERFORMANCE STANDARD

- 57 Duty not to exceed annual carbon dioxide emissions limit
- 58 Introduction of carbon capture and storage: exemption from emissions limit
- 59 Suspension etc of emissions limit in exceptional circumstances
- 60 Monitoring and enforcement
- 61 Interpretation of Chapter 8
- 62 Regulations under Chapter 8

CHAPTER 9

MISCELLANEOUS

- 63 Exemption from liability in damages
- 64 Licence modifications: general
- 65 Consequential amendments
- 66 Review of certain provisions of Part 2

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

PART 3

NUCLEAR REGULATION

CHAPTER 1

THE ONR'S PURPOSES

- 67 The ONR's purposes
- 68 Nuclear safety purposes
- 69 Nuclear site health and safety purposes
- 70 Nuclear security purposes
- 71 Notice by Secretary of State to ONR specifying sensitive nuclear information
- 72 Nuclear safeguards purposes
- 73 Transport purposes

CHAPTER 2

NUCLEAR REGULATIONS

- 74 Nuclear regulations
- 75 Nuclear regulations: offences
- 76 Nuclear regulations: civil liability

CHAPTER 3

OFFICE FOR NUCLEAR REGULATION

- 77 The Office for Nuclear Regulation

CHAPTER 4

FUNCTIONS OF THE ONR

Functions of ONR: general

- 78 Principal function
- 79 Codes of practice
- 80 Procedure for issue, revision or withdrawal of codes of practice
- 81 Proposals about orders and regulations
- 82 Enforcement of relevant statutory provisions
- 83 Inspectors
- 84 Investigations
- 85 Inquiries
- 86 Inquiries: payments and charges

Other functions

- 87 Provision of information
- 88 Research, training etc
- 89 Provision of information or advice to relevant authorities
- 90 Arrangements with government departments etc
- 91 Provision of services or facilities

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Exercise of functions: general

- 92 Directions from Secretary of State
- 93 Compliance with nuclear safeguards obligations
- 94 Consent of Secretary of State for certain communications
- 95 Power to arrange for exercise of functions by others
- 96 Co-operation between ONR and Health and Safety Executive

Information etc

- 97 Power to obtain information
- 98 Powers of HMRC in relation to information
- 99 HMRC power to seize articles etc to facilitate ONR and inspectors
- 100 Disclosure of information

Fees

- 101 Fees

CHAPTER 5

SUPPLEMENTARY

General duties of employers, employees and others

- 102 General duty of employees at work in relation to requirements imposed on others
- 103 Duty not to interfere with or misuse certain things provided under statutory requirements
- 104 Duty not to charge employees for certain things

Offences

- 105 Offences relating to false information and deception
- 106 Provision relating to offences under certain relevant statutory provisions

Civil liability

- 107 Civil liability: saving for section 12 of the Nuclear Installations Act 1965

Supplementary

- 108 Reporting requirements of Secretary of State
- 109 Notices etc
- 110 Electronic delivery of notices etc
- 111 Crown application: Part 3
- 112 Interpretation of Part 3
- 113 Subordinate legislation under Part 3
- 114 Transitional provision etc
- 115 Transfer of staff etc
- 116 Minor and consequential amendments
- 117 Application of Part 3
- 118 Review of Part 3

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

PART 4

GOVERNMENT PIPE-LINE AND STORAGE SYSTEM

- 119 Meaning of “government pipe-line and storage system”
- 120 Rights in relation to the government pipe-line and storage system
- 121 Right of entry
- 122 Warrants for the purposes of section 121
- 123 Registration of rights
- 124 Compensation
- 125 Right to transfer the government pipe-line and storage system
- 126 Application of the Pipe-lines Act 1962
- 127 Rights apart from Part 4
- 128 Repeals
- 129 Power to dissolve the Oil and Pipelines Agency by order
- 130 Crown application: Part 4

PART 5

STRATEGY AND POLICY STATEMENT

- 131 Designation of statement
- 132 Duties in relation to statement
- 133 Exceptions from section 132 duties
- 134 Review
- 135 Procedural requirements
- 136 Principal objective and general duties in preparation of statement
- 137 Reporting requirements
- 138 Consequential provision

PART 6

CONSUMER PROTECTION AND MISCELLANEOUS

CHAPTER 1

CONSUMER PROTECTION

Domestic tariffs

- 139 Power to modify energy supply licences: domestic supply contracts
- 140 Section 139: procedure etc
- 141 General duties of Secretary of State
- 142 Consequential provision

Licensable activities

- 143 Powers to alter activities requiring licence: activities related to supply contracts

Consumer redress orders

- 144 Consumer redress orders

Fuel poverty

- 145 Fuel poverty

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

CHAPTER 2

MISCELLANEOUS

Feed-in tariffs

- 146 Feed-in tariffs: increase in maximum capacity of plant

Offshore transmission

- 147 Offshore transmission systems

Fees

- 148 Fees for services provided for energy resilience purposes
149 Fees in respect of decommissioning and clean-up of nuclear sites

Smoke and carbon monoxide alarms

- 150 Smoke and carbon monoxide alarms

Review

- 151 Review of certain provisions of Part 6

PART 7

FINAL

- 152 Interpretation of Act
153 Transfer schemes
154 Financial provisions
155 Extent
156 Commencement
157 Short title

SCHEDULES

SCHEDULE 1 — CFD counterparties: transfer schemes

Power to make transfer schemes

- 1 (1) The Secretary of State may make one or more...

Contents of a scheme

- 2 (1) A scheme may make provision— (a) for anything done...

Compensation

- 3 A scheme may contain provision for the payment of compensation...

SCHEDULE 2 — Investment contracts

PART 1 — INTRODUCTORY

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Meaning of “investment contract”

- 1 (1) In this Schedule an “investment contract” means a contract...

Varied investment contract

- 2 (1) An investment contract is a “varied investment contract” for...

Confidential information

- 3 (1) For the purposes of paragraphs 1 and 2, “confidential...

Interpretation for the purposes of this Schedule

- 4 (1) In this Schedule— “CFD” is to be construed in...

Investment contract counterparty

- 5 (1) The Secretary of State may by order made by...

PART 2 — REGULATIONS: GENERAL

Regulations for the purposes of investment contracts

- 6 (1) The Secretary of State may by regulations make further...

Supplier obligation

- 7 (1) Regulations may make provision for electricity suppliers to pay...

Payments to electricity suppliers

- 8 (1) Regulations may make provision about the amounts which must...

Application of sums

- 9 (1) Regulations may make provision for apportioning sums—

Information and advice

- 10 (1) Regulations may make provision about the provision and publication...

Investment contracts: functions of the Authority

- 11 Regulations may make provision conferring functions on the Authority for...

Enforcement

- 12 (1) Regulations may include provision for requirements under the regulations...

Consultation

- 13 (1) Before making regulations the Secretary of State must consult—...
PART 3 — FURTHER PROVISION ABOUT AN INVESTMENT CONTRACT
COUNTERPARTY AND A CFD COUNTERPARTY

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Duties and liabilities of an investment contract counterparty and a CFD counterparty

- 14 (1) An investment contract counterparty and a CFD counterparty must...

Shadow directors, etc.

- 15 The Secretary of State is not, by virtue of the...

PART 4 — TRANSFERS

Transfers

- 16 (1) The Secretary of State may make one or more...
17 (1) A scheme may make provision— (a) for anything done...
18 A scheme may contain provision for the payment of compensation...

PART 5 — SUPPLEMENTARY

Licence modifications

- 19 (1) The Secretary of State may modify—

Expenditure

- 20 (1) There may be paid out of money provided by...

SCHEDULE 3 — Orders under section 46: transfer schemes

Power to make transfer schemes

- 1 (1) The Secretary of State may exercise the power in...

Contents of a scheme

- 2 (1) A scheme may make provision— (a) for anything done...

Compensation

- 3 A scheme must contain provision for the payment by the...

SCHEDULE 4 — Application and modification of emissions limit duty

Application of duty: changes to main boilers

- 1 (1) Regulations under section 57(6)(b) may provide for the emissions...

Application of duty: generating stations not exporting to a network

- 2 Regulations under section 57(6)(b) may provide for the emissions limit...

Modifications where gasification or CCS plant associated with two or more generating stations

- 3 (1) Regulations under section 57(6)(b) may provide for the emissions...

Modifications where carbon capture and storage process used in relation to part of generating station

- 4 (1) Regulations under section 57(6)(b) may provide for the exemption...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Modifications of emissions limit duty for changes of circumstance during a year

- 5 Regulations under section 57(6)(b) may modify the emissions limit duty...

SCHEDULE 5 — Emissions limit duty: monitoring and enforcement

Matters that may be contained in enforcement regulations

- 1 (1) Provision that may be contained in enforcement regulations includes...

Enforcement notices

- 2 (1) Enforcement regulations may authorise an enforcing authority to serve...

Financial penalties

- 3 (1) Enforcement regulations may authorise an enforcing authority to serve...

General

- 4 (1) Enforcement regulations may— (a) make provision which corresponds or...
5 (1) Provision included in enforcement regulations by virtue of section...

Interpretation

- 6 In this Schedule “enforcement regulations” means regulations under section 60....

SCHEDULE 6 — Nuclear regulations

PART 1 — INTRODUCTORY

Provision that may be made by nuclear regulations

- 1 Nuclear regulations may, in particular, make provision of any of...
2 No provision in Part 2 of this Schedule is to...

Interpretation

- 3 In Part 2 of this Schedule, “activity” includes process, operation...
PART 2 — EXAMPLES OF PROVISION THAT MAY BE MADE BY NUCLEAR REGULATIONS

Nuclear installations etc

- 4 Imposing requirements with respect to the following, in relation to...

Research

- 5 Requiring research to be carried out in connection with any...

Import etc

- 6 (1) Regulating or prohibiting the import of things of specified...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Transport

- 7 Imposing requirements about how any radioactive material may be transported,...

Licences and approvals

- 8 (1) Prohibiting any specified activity except— (a) as permitted by...

Appointment of persons to carry out specified functions

- 9 (1) Requiring, in specified circumstances, the appointment (whether in a...

Restrictions on employment

- 10 Regulating or prohibiting the employment in specified circumstances of —

Instruction, training and supervision etc

- 11 Imposing requirements with respect to the instruction, training and supervision...

Registration, notification and records

- 12 Requiring any person, premises or thing to be registered—
13 (1) Requiring, in specified circumstances, specified matters to be notified...
14 Imposing requirements with respect to making and keeping of records...

Accidents and other occurrences

- 15 Securing that persons in premises of any specified description where...
16 Restricting, prohibiting or requiring any specified activity where any accident...

SCHEDULE 7 — The Office for Nuclear Regulation

Status

- 1 (1) The ONR is not to be regarded as a...

Membership

- 2 (1) The ONR is to consist of—
3 The executive members consist of— (a) the Chief Nuclear Inspector, ...
4 (1) The non-executive members consist of— (a) a chair appointed...
5 Service as a member of the ONR is not service...
6 Members of the ONR are to be regarded as Crown...

Terms of appointment

- 7 Subject to the following provisions of this Schedule, members of...
8 (1) The terms of a person's appointment as an executive...
9 (1) An executive member— (a) ceases to be a member...
10 (1) The Secretary of State may by notice remove any...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Remuneration, allowances and pensions etc of non-executive members

- 11 (1) The ONR may pay to non-executive members other than...

Employees and other members of staff

- 12 (1) The ONR may appoint persons to serve as its...
13 (1) The ONR may pay to or in respect of...
14 (1) Service as an employee of the ONR is not...
15 (1) The persons to whom section 1 of the Superannuation...

Committees

- 16 (1) The ONR may establish committees, and any committee may...

Procedure

- 17 (1) The ONR may make such provision as it considers...

Performance of functions

- 18 (1) The ONR may authorise— (a) a member of the...

Payment of allowances and expenses

- 19 The ONR may pay allowances or expenses to any person...

Indemnities

- 20 (1) The ONR may, in the circumstances specified in sub-paragraph...

Accounts

- 21 (1) It is the duty of the ONR—

Strategy

- 22 (1) The ONR must prepare a strategy for carrying out...

Annual plan

- 23 (1) The ONR— (a) must prepare, for each financial year,...

Reporting requirements of the ONR

- 24 (1) As soon as reasonably practicable after the end of...

Laying and publication

- 25 (1) This paragraph applies to— (a) the ONR's strategy, and...

Payments and borrowing

- 26 (1) The Secretary of State must pay to the ONR...

Supplementary powers

- 27 (1) The ONR may do anything which is calculated to...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Financial year

28 (1) In this Part of this Act “financial year” means...

SCHEDULE 8 — Inspectors

PART 1 — APPOINTMENT AND POWERS OF INSPECTORS

Appointment of inspectors

1 (1) The ONR may appoint persons (referred to in this...

Powers of inspectors

2 (1) An inspector's instrument of appointment may authorise the inspector...

PART 2 — POWERS EXERCISABLE BY INSPECTORS AUTHORISED BY INSTRUMENT OF APPOINTMENT: IMPROVEMENT NOTICES AND PROHIBITION NOTICES

Improvement notices

3 (1) This paragraph applies where an inspector is of the...

Prohibition notices

4 (1) This paragraph applies where an inspector is of the...

Improvement and prohibition notices: supplementary

5 (1) In this paragraph “a notice” means an improvement notice...

Appeal against improvement or prohibition notice

6 (1) In this paragraph “a notice” means an improvement notice...

Improvement and prohibition notices: offences

7 (1) It is an offence to contravene any requirement or...

PART 3 — OTHER POWERS EXERCISABLE BY INSPECTOR IF AUTHORISED BY INSTRUMENT OF APPOINTMENT

Power of entry

8 (1) An inspector may, if authorised, enter any premises which...

Power to take persons and equipment etc onto premises

9 In exercising the power of entry mentioned in paragraph 8,...

Power to deal with cause of imminent danger

10 (1) Sub-paragraph (2) applies where an inspector finds any article...

Powers exercisable in relation to particular articles or substances or in particular circumstances

11 (1) An authorised inspector may cause any article or substance...

12 (1) An authorised inspector may take possession of any article...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Powers of inspection and examination and to take samples

- 13 (1) An authorised inspector may carry out any examination or...
14 (1) An authorised inspector may direct that any relevant premises,...

Powers to require information and documents

- 15 (1) An authorised inspector may require any person who the...
16 (1) An authorised inspector may— (a) require any relevant documents...

Offences

- 17 (1) It is an offence for a person to contravene...
18 (1) It is an offence for a person intentionally to...
19 (1) It is an offence for a person falsely to...

Supplementary powers

- 20 A power conferred by this Schedule includes power to require...
21 A power conferred by this Schedule includes power to do...

Protection for documents subject to legal professional privilege etc

- 22 Nothing in this Part of this Schedule is to be...
PART 4 — SUPPLEMENTARY

Duty to provide information to employees or their representatives

- 23 (1) An inspector must provide to people employed at any...

Interpretation

- 24 (1) In this Schedule— “authorised” is to be read in...

SCHEDULE 9 — Disclosure of information

PART 1 — PROHIBITION ON DISCLOSURE OF PROTECTED INFORMATION

Meaning of “protected information” and related terms

- 1 (1) In this Schedule “protected information” means information which has...

PART 2 — OFFENCES RELATING TO DISCLOSURE AND USE OF PROTECTED INFORMATION

Prohibition on disclosing protected information

- 2 Protected information must not be disclosed— (a) by the original...

Offence of disclosing protected information in contravention of paragraph 2

- 3 It is an offence for a person to disclose information...

Offence of using protected information in contravention of a restriction in Part 3

- 4 It is an offence for a person to use protected...

Defence to offences under paragraphs 3 and 4

- 5 It is a defence for a person charged with an...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Penalty for offences under paragraphs 3 and 4

- 6 (1) A person who commits an offence under paragraph 3...
PART 3 — PROTECTED INFORMATION: PERMITTED DISCLOSURES AND
RESTRICTIONS ON USE

Disclosure with appropriate consent

- 7 (1) Paragraph 2 does not prohibit a disclosure of protected...

Disclosure by ONR, inspectors etc

- 8 Paragraph 2 does not prohibit a disclosure of protected information...

Disclosure to the ONR, inspectors etc

- 9 Paragraph 2 does not prohibit a disclosure of protected information...

Ministers, government departments and certain authorities

- 10 (1) Paragraph 2 does not prohibit the following disclosures of...

Health and safety etc

- 11 (1) Paragraph 2 does not prohibit the following disclosures of...
12 (1) Paragraph 2 does not prohibit the following disclosures of...
13 (1) Paragraph 2 does not prohibit the following disclosures of...

Local authorities and water authorities etc

- 14 (1) Paragraph 2 does not prohibit the following disclosures of...

Police

- 15 (1) Paragraph 2 does not prohibit the following disclosures of...

Disclosure required under legislation

- 16 Paragraph 2 does not prohibit a disclosure of protected information...

Legal proceedings, inquiries and investigations

- 17 Paragraph 2 does not prohibit a disclosure of protected information...
18 Paragraph 2 does not prohibit a disclosure of protected information...
19 (1) Paragraph 2 does not prohibit a disclosure of protected...

Disclosure for safeguards purposes

- 20 Paragraph 2 does not prohibit a disclosure of protected information...

Anonymised information

- 21 Paragraph 2 does not prohibit a disclosure of protected information...
PART 4 — GENERAL

Interaction with other legislation

- 22 The prohibition in paragraph 2 is to be disregarded for...
23 Nothing in this Part of this Act is to be...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

SCHEDULE 10 — Provisions relating to offences

Interpretation

- 1 In this Schedule— “offence” means an offence created by or...

Venue

- 2 (1) If an offence is committed in connection with any...

Extension of time for bringing summary proceedings

- 3 (1) This paragraph applies where— (a) a special report on...
4 (1) This paragraph applies to any offence that a person...

Continuation of offences

- 5 (1) This paragraph applies where an offence is committed as...

Offences due to fault of other person

- 6 (1) A person (“A”) is guilty of an offence if—...

Offences by bodies corporate

- 7 (1) Where an offence committed by a body corporate is...

Offences by partnerships

- 8 (1) Proceedings for an offence alleged to have been committed...

Restriction on institution of proceedings in England and Wales

- 9 Proceedings for an offence in England and Wales may be...

Prosecutions by inspectors in England and Wales

- 10 An inspector may prosecute proceedings for an offence before a...

Onus of proving limits of what is practicable etc

- 11 (1) This paragraph applies if regulations under this Part create...

Evidence

- 12 (1) This paragraph applies where a requirement is imposed by...

Power of court to order cause of offence to be remedied

- 13 (1) This paragraph applies where— (a) a person (“P”) is...

SCHEDULE 11 — Transfers to the Office for Nuclear Regulation

PART 1 — INTRODUCTORY

- 1 In this Schedule— “the HSE” means the Health and Safety...

PART 2 — STAFF TRANSFER SCHEMES

Power to make staff transfer schemes

- 2 (1) The Secretary of State may make one or more...

Status: Point in time view as at 18/02/2014.

Changes to legislation: Energy Act 2013 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Staff to whom a transfer may apply

- 3 (1) The employees to whom a transfer scheme may apply...

Content of a staff transfer scheme

- 4 (1) A staff transfer scheme may make provision for giving...
5 (1) A staff transfer scheme may apply to all, or...
6 (1) A staff transfer scheme may make provision enabling an...

PART 3 — PROPERTY TRANSFER SCHEMES

Power to make property transfer schemes

- 7 (1) The Secretary of State may make one or more...
8 The HSE may submit to the Secretary of State proposals...

Qualifying property

- 9 (1) References in this Part to “qualifying property, rights and...

Content of a property transfer scheme

- 10 (1) A property transfer scheme may, in particular, make provision—...

Compensation

- 11 A property transfer scheme may contain provision for the payment...
PART 4 — PROCEDURE FOR MAKING OR MODIFYING SCHEMES UNDER THIS
SCHEDULE
12 (1) Before making a staff transfer scheme or a property...

SCHEDULE 12 — Minor and consequential amendments relating to Part 3
PART 1 — AMENDMENTS OF THE HEALTH AND SAFETY AT WORK ETC. ACT
1974

Health and Safety at Work etc. Act 1974 (c. 37)

- 1 The Health and Safety at Work etc. Act 1974 is...
2 (1) Section 11 (functions of the Health and Safety Executive)...
3 In section 13 (powers of the Executive), after subsection (6)...
4 (1) Section 14 (power of the Executive to direct investigations...
