Section 27: Territorial Extent

121. **Section 27** makes provision about extent. The main impact of the Act's provisions is on Northern Ireland. However, because many of the enactments upon which the Act operates extend to the whole of the UK, as a technical matter much of the Act extends to the whole of the UK. The exceptions are provisions modifying enactments with a different extent. Those provisions have the same extent as the enactments being modified.
