21 Disguised investment management fees **U.K.**

- (1) In Part 13 of ITA 2007 (tax avoidance), after Chapter 5D insert—

“CHAPTER 5E **U.K.**

DISGUISED INVESTMENT MANAGEMENT FEES

809EZA Disguised investment management fees: charge to income tax

- (1) Where one or more disguised fees arise to an individual in a tax year from one or more investment schemes (whether or not by virtue of the same arrangements), the individual is liable for income tax for the tax year in respect of the disguised fee or fees as if—
 - (a) the individual were carrying on a trade for the tax year,
 - (b) the disguised fee or fees were the profits of the trade of the tax year, and
 - (c) the individual were the person receiving or entitled to those profits.
- (2) For the purposes of subsection (1) the trade is treated as carried on—
 - (a) in the United Kingdom, to the extent that the individual performs the relevant services in the United Kingdom;
 - (b) outside the United Kingdom, to the extent that the individual performs the relevant services outside the United Kingdom;and for this purpose “the relevant services” means the investment management services by virtue of which the disguised fee or fees arise to the individual in the tax year.
- (3) For the purposes of this Chapter a “disguised fee” arises to an individual in a tax year from an investment scheme if—
 - (a) the individual performs investment management services directly or indirectly in respect of the scheme under any arrangements,
 - (b) the arrangements involve at least one partnership,
 - (c) under the arrangements, a management fee arises to the individual directly or indirectly from the scheme in the tax year (see section 809EZB), and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (d) some or all of the management fee is untaxed;
and the amount of the disguised fee is so much of the management fee as is untaxed.
- (4) For the purposes of subsection (3) the management fee is “untaxed” if and to the extent that the fee would not (apart from this section)—
 - (a) be charged to tax under ITEPA 2003 as employment income of the individual for any tax year, or
 - (b) be brought into account in calculating the profits of a trade of the individual for the purposes of income tax for any tax year.
- (5) In subsection (4) “trade” includes profession or vocation.
- (6) In this Chapter “investment scheme” means—
 - (a) a collective investment scheme, or
 - (b) an investment trust.

809EZB Meaning of “management fee” in section 809EZA

- (1) Subject as follows, for the purposes of section 809EZA “management fee” means any sum (including a sum in the form of a loan or advance or an allocation of profits) except so far as the sum constitutes—
 - (a) a repayment (in whole or part) of an investment made directly or indirectly by the individual in the scheme,
 - (b) an arm's length return on an investment made directly or indirectly by the individual in the scheme, or
 - (c) carried interest (see sections 809EZC and 809EZD).
- (2) For the purposes of subsection (1)(b) a return on an investment is “an arm's length return” if—
 - (a) the return is on an investment which is of the same kind as investments in the scheme made by external investors,
 - (b) the return on the investment is reasonably comparable to the return to external investors on those investments, and
 - (c) the terms governing the return on the investment are reasonably comparable to the terms governing the return to external investors on those investments.
- (3) In this Chapter “sum” includes any money or money's worth (and other expressions are to be construed accordingly).
- (4) Where—
 - (a) a sum in the form of money's worth arises to the individual from the scheme in the ordinary course of the scheme's business, and
 - (b) the individual gives the scheme money in exchange for the sum,
the sum constitutes a “management fee” only to the extent that its market value at the time it arises exceeds the amount of the money given by the individual.

809EZC Meaning of “carried interest” in section 809EZA

- (1) For the purposes of section 809EZA “carried interest” means a sum which arises to the individual under the arrangements by way of profit-related return.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

This is subject to subsections (3) to (8) (sums where no significant risk of not arising); and see also section 809EZD (sums treated as carried interest).

(2) A sum which arises to the individual under the arrangements does so by way of “profit-related return” if under the arrangements—

- (a) the sum is to, or may, arise only if—
 - (i) there are profits for a period on the investments, or on particular investments, made for the purposes of the scheme, or
 - (ii) there are profits arising from a disposal of the investments, or of particular investments, made for those purposes,
- (b) the amount of the sum which is to, or may, arise is variable, to a substantial extent, by reference to those profits, and
- (c) returns to external investors are also determined by reference to those profits;

but where any part of the sum does not meet these conditions, that part is not to be regarded as arising by way of “profit-related return”.

(3) Where—

- (a) one or more sums (“actual sums”) arise to the individual under the arrangements by way of profit-related return in a tax year, and
- (b) there was no significant risk that a sum of at least a certain amount (“the minimum amount”) would not arise to the individual,

so much of the actual sum, or of the aggregate of the actual sums, as is equal to the minimum amount is not “carried interest”.

(See subsections (7) and (8) as to how the minimum amount is to be apportioned between the actual sums where more than one actual sum arises in the tax year.)

(4) For the purposes of subsection (3)(b) assess the risk both—

- (a) in relation to each actual sum (and the investments to which it relates) individually, taking into account also any other sums that might have arisen to the individual under the arrangements instead of that sum, and
- (b) in relation to the actual sum or sums and any other sums that might have arisen to the individual under the arrangements by way of profit-related return in the tax year (and the investments to which all those sums relate) taken as a whole;

(so that, in a particular case, some of the minimum amount may arise by assessing the risk in accordance with paragraph (a) and some by assessing it in accordance with paragraph (b)).

(5) For the purposes of subsection (3)(b) assess the risk as at the latest of—

- (a) the time when the individual becomes party to the arrangements,
- (b) the time when the individual begins to perform investment management services directly or indirectly in respect of the scheme under the arrangements, and
- (c) the time when a material change is made to the arrangements so far as relating to the sums which are to, or may, arise to the individual.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (6) For the purposes of subsection (3)(b) ignore any risk that a sum is prevented from arising to the individual (by reason of insolvency or otherwise).
- (7) Where more than one actual sum arises in the tax year, the minimum amount is to be apportioned between the actual sums as follows for the purposes of subsection (3)—
 - (a) so much of the minimum amount as is attributable to a particular actual sum is to be apportioned to that actual sum, and
 - (b) so much of the minimum amount as is not attributable to any particular actual sum is to be apportioned between the actual sums on a just and reasonable basis.
- (8) For the purpose of subsection (7) any part of the minimum amount is attributable to a particular actual sum to the extent that there was no significant risk that that part would not arise to the individual in relation to that actual sum, assessing the risk in accordance with subsection (4)(a).

809EZD Sums treated as “carried interest” for purposes of section 809EZB

- (1) A sum falling within subsection (2) or (3)—
 - (a) is to be assumed to meet the requirements of section 809EZC, and
 - (b) accordingly, is to be treated as constituting “carried interest” for the purposes of section 809EZB.
- (2) A sum falls within this subsection if, under the arrangements, it is to, or may, arise to the individual out of profits on the investments made for the purposes of the scheme, but only after—
 - (a) all, or substantially all, of the investments in the scheme made by the participants have been repaid to the participants, and
 - (b) each external investor has received a preferred return on all, or substantially all, of the investor's investments in the scheme.
- (3) A sum falls within this subsection if, under the arrangements, it is to, or may, arise to the individual out of profits on a particular investment made for the purposes of the scheme, but only after—
 - (a) all, or substantially all, of the relevant investments made by participants have been repaid to those participants, and
 - (b) each of those participants who is an external investor has received a preferred return on all, or substantially all, of the investor's relevant investments;

and for this purpose “relevant investments” means those investments in the scheme to which the particular investment made for the purposes of the scheme is attributable.
- (4) In this section “preferred return” means a return of not less than the amount that would be payable on the investment by way of interest if—
 - (a) compound interest were payable on the investment for the whole of the period during which it was invested in the scheme, and
 - (b) the interest were calculated at a rate of 6% per annum, with annual rests.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

 - (c) the participation condition is met in relation to C and P (see section 106),
 - (d) the material provision results in an effective tax mismatch outcome, for the accounting period, as between C and P (see sections 107 and 108),
 - (e) the effective tax mismatch outcome is not an excepted loan relationship outcome (see section 109),
 - (f) the insufficient economic substance condition is met (see section 110), and
 - (g) C and P are not both small or medium-sized enterprises for that period.
- (2) For the purposes of subsection (1)(b) provision made or imposed as between a partnership of which C is a member and another person is to be regarded as provision made or imposed as between C and that person.

81 Non-UK company: involvement of entities or transactions lacking economic substance **U.K.**

- (1) This section applies in relation to a company (“the foreign company”) for an accounting period if—
- (a) it is non-UK resident in that period,
 - (b) by reason of the foreign company carrying on a trade in the United Kingdom through a permanent establishment in the United Kingdom (“UKPE”), Chapter 4 of Part 2 of CTA 2009 (non-UK resident companies: chargeable profits) applies to determine the chargeable profits of the foreign company for that period, and
 - (c) section 80 would apply to UKPE for that period were it treated for the purposes of section 80 and sections 106 to 110—
 - (i) as a distinct and separate person from the foreign company (whether or not it would otherwise be so treated),
 - (ii) as a UK resident company under the same control as the foreign company, and
 - (iii) as having entered into any transaction or series of transactions entered into by the foreign company to the extent that the transaction or series is relevant to UKPE.
- (2) For the purposes of subsection (1)(c)(iii) a transaction or series of transactions is “relevant” to UKPE only if, and to the extent that, it is relevant, for corporation tax purposes, when determining the chargeable profits of the foreign company attributable (in accordance with sections 20 to 32 of CTA 2009) to UKPE.
- (3) Where section 1313(2) of CTA 2009 (UK sector of the continental shelf: profits of foreign company deemed to be profits of trade carried on by the company in the UK through a permanent establishment in the UK) applies to treat profits arising to

- (1) If section 80 or 81 applies in relation to a company (“the relevant company”) for an accounting period—
 - (a) no taxable diverted profits arise, in relation to the material provision in question, if section 83 applies, and
 - (b) in other cases, section 84 or 85 applies to determine the taxable diverted profits in relation to that material provision.
- (2) But see also section 96 for how a designated HMRC officer estimates those profits when issuing a preliminary notice under section 93 or a charging notice under section 95.
- (3) Subsections (4) to (9) define some key expressions used in sections 83 to 85 and this section.
- (4) “The material provision” has the same meaning as in section 80.
- (5) “The relevant alternative provision” means the alternative provision which it is just and reasonable to assume would have been made or imposed as between the relevant company and one or more companies connected with that company, instead of the material provision, had tax (including any non-UK tax) on income not been a relevant consideration for any person at any time.
- (6) For the purposes of subsection (5), making or imposing no provision is to be treated as making or imposing an alternative provision to the material provision.
- (7) “The actual provision condition” is met if—
 - (a) the material provision results in expenses of the relevant company for which (ignoring Part 4 of TIOPA 2010 (transfer pricing)) a deduction for allowable expenses would be allowed in computing—
 - (i) in a case where section 80 applies, its liability for corporation tax for the accounting period, and
 - (ii) in a case where section 81 applies, its chargeable profits attributable (in accordance with sections 20 to 32 of CTA 2009) to UKPE, and
 - (b) the relevant alternative provision—
 - (i) would also have resulted in allowable expenses of the relevant company of the same type and for the same purposes (whether or not payable to the same person) as so much of the expenses mentioned in paragraph (a) as results in the effective tax mismatch outcome mentioned in section 80(1)(d), but

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (ii) would not have resulted in relevant taxable income of a connected company for that company's corresponding accounting period.
- (8) “Relevant taxable income” of a company for a period is—
- (a) income of the company, for the period, which would have resulted from the relevant alternative provision and in relation to which the company would have been within the charge to corporation tax had that period been an accounting period of the company, less
 - (b) the total amount of expenses which it is just and reasonable to assume would have been incurred in earning that income and would have been allowable expenses of the company for that period.
- (9) “Connected company” means a company which is or, if the relevant alternative provision had been made, would have been connected with the relevant company.

83 Section 80 or 81 cases where no taxable diverted profits arise **U.K.**

- (1) Where section 80 or 81 applies in relation to a company for an accounting period, no taxable diverted profits arise to the company in that period in relation to the material provision in question if—

 - (i) there are no diverted profits of that company for the accounting period, or
 - (ii) the full transfer pricing adjustment has been made.
- (2) “Diverted profits” of the company for the accounting period means an amount—

 - (b) which, in a case where section 81 applies, is attributable (in accordance with sections 20 to 32 of CTA 2009) to UKPE.
- (3) “The full transfer pricing adjustment” is made if all of the company's diverted profits for the accounting period are taken into account in an assessment to corporation tax included, before the end of the review period, in the company's company tax return for the accounting period.

84 Section 80 or 81: calculation of profits by reference to the actual provision **U.K.**

- (1) This section applies where—

 - (c) section 83 (cases where no taxable diverted profits arise) does not apply for that period.
- (2) In relation to the material provision in question, the taxable diverted profits that arise to the company in the accounting period are the amount (if any)—
- (a) in respect of which the company is chargeable to corporation tax for that period by reason of the application of Part 4 of TIOPA 2010 (transfer pricing) to the results of the material provision,

- (2) The taxable diverted profits that arise to the relevant company in the accounting period in relation to the material provision in question are determined in accordance with subsections (3) to (5).
- (3) Subsection (4) applies if the actual provision condition would have been met but for the fact that the relevant alternative provision would have resulted in relevant taxable income of a company for that company's corresponding accounting period.
- (4) The taxable diverted profits that arise to the relevant company in the accounting period are an amount equal to the sum of—
 - (a) the amount described in section 84(2), and
 - (b) the total amount of any relevant taxable income of a connected company, for that company's corresponding accounting period, which would have resulted from the relevant alternative provision.
- (5) If subsection (4) does not apply, the taxable diverted profits that arise to the relevant company in the accounting period are the sum of—
 - (a) the notional additional amount (if any) arising from the relevant alternative provision, and
 - (b) the total amount (if any) of any relevant taxable income of a connected company, for that company's corresponding accounting period, which would have resulted from the relevant alternative provision,
- (6) In subsection (5) “the notional additional amount” means the amount by which—
 - (a) the amount in respect of which the company would have been chargeable to corporation tax for that period had the relevant alternative provision been made or imposed instead of the material provision, exceeds
 - (b) the amount—
 - (i) in respect of which the company is chargeable to corporation tax for that period by reason of the application of Part 4 of TIOPA 2010 (transfer pricing) to the results of the material provision,
 - (ii) which, in a case where section 81 applies, is attributable (in accordance with sections 20 to 32 of CTA 2009) to UKPE, and

 - (ii) at the end of the notification period for the current period, it is reasonable for the company to conclude that there has been no change in circumstances which is material to whether a charge to diverted profits tax may be imposed for the current period.
- (8) The Commissioners for Her Majesty's Revenue and Customs may also direct that the duty under subsection (1) does not apply in relation to an accounting period in other circumstances specified in the direction.
- (9) A notification under subsection (1) must—
- (a) state whether the obligation to notify arises by reason of section 80, 81 or 86 (as modified by subsection (5)) applying in relation to the company for the accounting period;
 - (b) if it states that section 86 applies, state the name of the avoided PE;

- (d) if it states that section 86 applies—
 - (i) state whether or not the mismatch condition is met, and
 - (ii) if it is met, contain a description of the material provision in question and the parties between whom it has been made or imposed.

Process for imposing charge

93 Preliminary notice **U.K.**

- (1) If a designated HMRC officer has reason to believe that—
 - (a) one or more of sections 80, 81 and 86 applies or apply in relation to a company for an accounting period, and
 - (b) as a result, taxable diverted profits arise to the company in the accounting period,the officer must give the company a notice (a “preliminary notice”) in respect of that period.
- (2) See sections 96 and 97 for provision about the calculation of taxable diverted profits for the purposes of a preliminary notice.
- (3) A preliminary notice must—
 - (a) state the accounting period of the company to which the notice applies;
 - (b) set out the basis on which the officer has reason to believe that one or more of sections 80, 81 and 86 applies or apply in relation to the company for that accounting period;
 - (c) explain the basis on which the proposed charge is calculated, including—
 - (i) how the taxable diverted profits to which the proposed charge would relate have been determined,
 - (ii) where relevant, details of the relevant alternative provision (see section 82(5) or 88(7)) by reference to which those profits have been determined, and
 - (iii) how the amount of interest comprised in that charge in accordance with section 79(2)(b) would be calculated,
 - (d) state who would be liable to pay the diverted profits tax;
 - (e) explain how interest is applied in accordance with section 101 of FA 2009 (late payment interest on sums due to HMRC) if the diverted profits tax is not paid, the period for which interest is charged and the rate at which it is charged.
- (4) Where the designated HMRC officer has insufficient information to determine or identify any of the matters set out in subsection (3), it is sufficient if the preliminary notice sets out those matters determined to the best of the officer's information and belief.
- (5) Subject to subsection (6), a preliminary notice may not be issued more than 24 months after the end of the accounting period to which it relates.
- (6) Where—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) notification under section 92 has not been received by an officer of Revenue and Customs in respect of an accounting period of a company within the period specified in subsection (2)(b) of that section, and
- (b) a designated HMRC officer believes, in relation to that accounting period, that an amount of diverted profits tax that ought to have been charged under this Part has not been charged,

a designated HMRC officer may issue to the company a preliminary notice in respect of that tax within the period of 4 years after the end of the accounting period.

- (7) Where a preliminary notice is issued to a company, the officer must give a copy of the notice—
 - (a) if the notice is issued on the basis that section 81 applies, to UKPE, and
 - (b) if the notice is issued on the basis that section 86 applies, to the avoided PE.

94 Representations U.K.

- (1) This section applies where a designated HMRC officer gives a preliminary notice, in respect of an accounting period, to a company under section 93 (and that notice is not withdrawn).
- (2) The company has 30 days beginning with the day the notice is issued to send written representations to the officer in respect of the notice.
- (3) Representations made in accordance with subsection (2) are to be considered by the officer only if they are made on the following grounds—
 - (a) that there is an arithmetical error in the calculation of the amount of the diverted profits tax or the taxable diverted profits or an error in a figure on which an assumption in the notice is based;
 - (b) that the small or medium-sized enterprise requirement is not met;
 - (c) that in a case where the preliminary notice states that section 80 or 81 applies—
 - (i) the participation condition is not met,
 - (ii) the 80% payment test is met, or
 - (iii) the effective tax mismatch outcome is an excepted loan relationship outcome;
 - (d) that in a case where the preliminary notice states that section 86 applies—
 - (i) section 87 (exception for companies with limited UK-related sales or expenses) operates to prevent section 86 from applying for the accounting period, or
 - (ii) the avoided PE is “excepted” within the meaning of section 86(5);
 - (e) that in a case where the preliminary notice states that section 86 applies and that the mismatch condition (within the meaning of section 86(2)) is met, the condition is not met because—
 - (i) the participation condition is not met,
 - (ii) the 80% payment test is met, or
 - (iii) the effective tax mismatch outcome is an excepted loan relationship outcome (within the meaning of section 109(2)).
- (4) But, unless they are representations under subsection (3)(a) in respect of arithmetical errors, nothing in subsection (3) requires the officer to consider any representations if, and to the extent that, they relate to—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) any provision of Part 4 of TIOPA 2010 (transfer pricing), or
 - (b) the attribution of profits of a company to a permanent establishment in the United Kingdom through which the company carries on a trade (including any notional attribution made for the purposes of section 89, 90 or 91).
- (5) “The small or medium-sized enterprise requirement” is—
- (a) where the notice was issued on the basis that section 80 or 81 applies, the requirement in section 80(1)(g), and
 - (b) where the notice was issued on the basis that section 86 applies to the company, the requirement in subsection (1)(h) or (2)(f) of that section.
- (6) “The participation condition” means—
- (a) where the notice was issued on the basis that section 80 or 81 applies, the condition in section 80(1)(c), and
 - (b) where the notice was issued on the basis that section 86 applies to the company, the condition in subsection (2)(b) of that section.
- (7) “The 80% payment test” means the requirement in section 107(3)(d).

95 Charging notice **U.K.**

- (1) This section applies where a designated HMRC officer has given a company a preliminary notice under section 93 in relation to an accounting period.
- (2) Having considered any representations in accordance with section 94, the officer must determine whether to—
- (a) issue a notice under this section (a “charging notice”) to the company for that accounting period, or
 - (b) notify the company that no charging notice will be issued for that accounting period pursuant to that preliminary notice,
- and must take that action before the end of the period of 30 days immediately following the period of 30 days mentioned in section 94(2).
- (3) A notification under subsection (2)(b) does not prevent a charging notice being issued for the same accounting period pursuant to any other preliminary notice the person may be given in respect of that period.
- (4) See sections 96 and 97 for provision about the calculation of taxable diverted profits for the purposes of a charging notice.
- (5) A charging notice must—
- (a) state the amount of the charge to diverted profits tax imposed by the notice;
 - (b) set out the basis on which the officer considers that section 80, 81 or 86 applies;
 - (c) state the accounting period of the company to which the notice applies;
 - (d) set out an explanation of the basis on which the charge is calculated, including—
 - (i) how the taxable diverted profits to which the charge relates have been determined,
 - (ii) where relevant, details of the relevant alternative provision (see section 82(5) or 88(7)) by reference to which those profits have been determined, and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (iii) how the amount of interest comprised in the charge under section 79(2)(b) has been calculated;
 - (e) state who is liable to pay the diverted profits tax;
 - (f) state when the tax is due and payable;
 - (g) explain how interest is applied in accordance with section 101 of FA 2009 (late payment interest on sums due to HMRC) if the diverted profits tax is not paid, the period for which interest is charged and the rate at which it is charged.
- (6) Where a charging notice is issued to a company, the officer must give a copy of the notice—
- (a) if the notice is issued by reason of section 81 applying, to UKPE, and
 - (b) if the notice is issued by reason of section 86 applying, to the avoided PE.

96 Section 80 or 81 cases: estimating profits for preliminary and charging notices U.K.

- (1) Where taxable diverted profits arising to a company in an accounting period fall to be determined under section 84 or 85, for the purposes of issuing a preliminary notice under section 93 or a charging notice under section 95 the taxable diverted profits to be specified in the notice, in relation to the material provision in question, are determined in accordance with this section.
- (2) The taxable diverted profits are such amount (if any) as the designated HMRC officer issuing the notice determines, on the basis of the best estimate that can reasonably be made at that time, to be the amount calculated in accordance with sections 84 or 85 (as the case may be).

But this is subject to subsections (4) to (6).

- (3) For the purposes of this section, “the inflated expenses condition” is met if—
- (a) the material provision results in expenses of the company for which a deduction has been taken into account by the company in computing—
 - (i) in a case where section 80 applies, its liability for corporation tax for the accounting period, and
 - (ii) in a case where section 81 applies, its chargeable profits attributable (in accordance with sections 20 to 32 of CTA 2009) to UKPE,
 - (b) the expenses result, or a part of the expenses results, in the effective tax mismatch outcome mentioned in section 80(1)(d), and
 - (c) in consequence of paragraphs (a) and (b), the designated HMRC officer issuing the notice considers that the relevant expenses might be greater than they would have been if they had resulted from provision made or imposed as between independent persons dealing at arm's length.
- (4) Subsection (5) applies where the designated HMRC officer issuing the notice considers that—
- (a) the inflated expenses condition is met, and
 - (b) it is reasonable to assume that section 84 or 85(4) applies.
- (5) Where this subsection applies, the best estimate made by the officer in accordance with subsection (2) is to be made on the assumption that—
- (a) so much of the deduction mentioned in subsection (3)(a) as relates to the relevant expenses is reduced by 30%, and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (b) in relation to the relevant expenses, Part 4 of TIOPA 2010 (transfer pricing) is ignored.
- (6) But—
 - (a) if the deduction for the expenses taken into account by the company in computing its liability for corporation tax takes account of an adjustment required by Part 4 of TIOPA 2010 (transfer pricing) which is reflected in the company's company tax return prior to the issue of the charging notice, and
 - (b) as a result that deduction is less than it would otherwise have been, the reduction required by subsection (5)(a) is reduced (but not below nil) to take account of that adjustment.
- (7) For the purposes of this section, sections 83(3) and 84(2)(c) have effect as if (in each case) the words “before the end of the review period” were omitted.
- (8) The Treasury may by regulations, made by statutory instrument, substitute a different percentage for the percentage for the time being specified in subsection (5)(a).
- (9) Regulations under this section are subject to annulment in pursuance of a resolution of the House of Commons.
- (10) In this section—
 - “the material provision” has the same meaning as in section 80;
 - “the relevant expenses” means so much of the expenses mentioned in subsection (3)(a) as result in the effective tax mismatch outcome as mentioned in subsection (3)(b).

97 Section 86 cases: estimating profits for preliminary and charging notices **U.K.**

- (1) Where taxable diverted profits arising to the foreign company in an accounting period fall to be determined under section 89, 90 or 91, for the purposes of issuing a preliminary notice under section 93 or a charging notice under section 95 the taxable diverted profits to be specified in the notice are determined instead in accordance with this section.
- (2) The taxable diverted profits are such amount as the designated HMRC officer issuing the notice determines, on the basis of the best estimate that can reasonably be made at that time, to be the amount calculated in accordance with section 89, 90 or 91 (as the case may be).

But this is subject to subsections (4) and (5).
- (3) For the purposes of subsection (4), “the inflated expenses condition” is met if—
 - (a) the mismatch condition is met,
 - (b) the material provision results in expenses of the foreign company for which (ignoring Part 4 of TIOPA 2010 (transfer pricing)) a deduction for allowable expenses would be allowed in computing the notional PE profits of the foreign company for the accounting period,
 - (c) the expenses result, or a part of the expenses results, in the effective tax mismatch outcome mentioned in section 86(2)(c), and
 - (d) in consequence of paragraphs (a) to (c), the designated HMRC officer issuing the notice considers that the relevant expenses might be greater than they would have been if they had resulted from provision made or imposed as between independent persons dealing at arm's length.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (4) Subsection (5) applies where the designated HMRC officer issuing the notice considers that—
 - (a) the inflated expenses condition is met, and
 - (b) it is reasonable to assume that section 90 or 91(4) applies.
- (5) Where this subsection applies, the best estimate made by the officer in accordance with subsection (2) is to be made on the assumption that—
 - (a) so much of the deduction mentioned in subsection (3)(b) as relates to the relevant expenses is reduced by 30%, and
 - (b) in relation to the relevant expenses, Part 4 of TIOPA 2010 (transfer pricing) is ignored.
- (6) The Treasury may by regulations, made by statutory instrument, substitute a different percentage for the percentage for the time being specified in subsection (5)(a).
- (7) Regulations under this section are subject to annulment in pursuance of a resolution of the House of Commons.
- (8) In this section—
 - (a) “the relevant expenses” means so much of the expenses mentioned in subsection (3)(b) as result in the effective tax mismatch outcome as mentioned in section 86(2)(c), and
 - (b) “the foreign company”, “the material provision” and “the mismatch condition” have the same meaning as in section 86.

Payment and recovery of tax

98 Payment of tax U.K.

- (1) This section applies where a charging notice is issued to a company.
- (2) Diverted profits tax charged by the notice must be paid within 30 days after the day the notice is issued.
- (3) The company is liable to pay the tax.
- (4) The payment of the tax may not be postponed on any grounds, and so the diverted profits tax charged by the charging notice remains due and payable despite any review being conducted under section 101 or any appeal in respect of the notice.
- (5) In Schedule 16—
 - (a) Part 1 contains provision treating a liability of a non-UK resident company to pay diverted profits tax as if it were also a liability of its UK representative;
 - (b) Part 2 contains provision enabling unpaid diverted profits tax due from a non-UK resident company to be recovered from a related company.

99 Diverted profits tax ignored for tax purposes U.K.

- (1) In calculating income, profits or losses for any tax purpose—
 - (a) no deduction, or other relief, is allowed in respect of diverted profits tax, and

- (b) no account is to be taken of any amount which is paid (directly or indirectly) by a person for the purposes of meeting or reimbursing the cost of diverted profits tax.
- (2) An amount paid as mentioned in subsection (1)(b) is not to be regarded for the purposes of the Corporation Tax Acts as a distribution (within the meaning of CTA 2010).

100 [^{F16}Credits for tax on the same profits] **U.K.**

- (1) Subsection (2) applies where a company has paid—
- (a) corporation tax, or
 - (b) a tax under the law of a territory outside the United Kingdom which corresponds to corporation tax,
- which is calculated by reference to profits of the company (“the taxed profits”).
- (2) Such credit as is just and reasonable is allowed in respect of that tax against any liability which either—
- (a) that company has to diverted profits tax in respect of the taxed profits, or
 - (b) another company has to diverted profits tax in respect of taxable diverted profits arising to that other company which are calculated by reference to amounts which also constitute all or part of the taxed profits.

[^{F17}(2A) Subsection (2)(b) does not allow a credit against a liability to diverted profits tax if or to the extent that the liability arises by virtue of section 88(5)(b) (payments of royalties etc).]

- (3) Subsection (4) applies where a company has paid—
- (a) the CFC charge within the meaning of Part 9A of TIOPA 2010 (controlled foreign companies) (see section 371VA), or
 - (b) a tax under the law of a territory outside the United Kingdom (by whatever name known) which is similar to the CFC charge,
- which is calculated by reference to profits of another company (“the CFC profits”).
- (4) Such credit as is just and reasonable is allowed in respect of that charge or tax against any liability which a company has to diverted profits tax in respect of taxable diverted profits arising to that other company which are calculated by reference to amounts which also constitute all or part of the CFC profits.

[^{F18}(4A) Subsection (4B) applies where—

- (a) a company’s notional PE profits for an accounting period include an amount under section 88(5)(b) determined by reference to a royalty or other sum,
- (b) the company’s liability to diverted profits tax for the accounting period is determined by reference to taxable diverted profits calculated under section 91(4) or (5), and
- (c) those taxable diverted profits include an amount of relevant taxable income referred to in section 91(4)(b) or (5)(b) determined by reference to the same royalty or other sum.

(4B) A credit equal to the company’s liability to diverted profits tax for that accounting period which arises by virtue of section 88(5)(b) in respect of the royalty or other sum, to the extent that it is included in relevant taxable income for the purposes of section 91(4)(b) or (5)(b), is allowed against the company’s total liability to diverted profits tax for that period.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (4C) Subsection (4D) applies where—
- (a) by reason of the payment of a royalty or other sum a company's liability to diverted profits tax for an accounting period includes liability arising by virtue of section 88(5)(b),
 - (b) the royalty or other sum is paid to a person who is resident in a country or territory outside the United Kingdom, and
 - (c) under any relevant provision relief would have been due to that person had the avoided PE been a permanent establishment in the United Kingdom through which the company carried on the trade mentioned in section 86(1)(b).
- (4D) Such credit as is just and reasonable having regard to the amount of the relief referred to in subsection (4C)(c) is allowed against the company's liability to diverted profits tax.
- (4E) In subsection (4C)(c) "relevant provision" means—
- (a) the provision of a double taxation arrangement (as defined by section 2(4) of TIOPA 2010), or
 - (b) section 758 of ITTOIA 2005 (exemption for certain interest and royalty payments).]
- (5) But nothing in this section allows a credit, against a liability to diverted profits tax, for an amount of tax or charge which was paid after the end of—
- (a) the review period in respect of the charging notice which imposed the charge to diverted profits tax, or
 - (b) where the charge to diverted profits tax was imposed by a supplementary charging notice, the review period within which that notice was issued.
- (6) For the purposes of subsection (1), any withholding tax paid on payments made to a person is (unless it is refunded) to be treated—
- (a) as tax within paragraph (a) or (b) of that subsection, and
 - (b) as paid by that person (and not the person making the payment).
- (7) For the purposes of subsection (6), an amount of withholding tax paid on payments made to a person is refunded if and to the extent that—
- (a) any repayment of tax, or any payment in respect of a credit for tax, is made to any person, and

- (4) The officer may, during the review period, issue to the company an amending notice which amends the charging notice so as to—

- (5) More than one amending notice may be issued to the company in respect of the charging notice.
- (6) Where an amending notice is issued, any tax overpaid must be repaid.
- (7) Subsection (8) applies if a designated HMRC officer is satisfied that the total amount of diverted profits tax charged on the company for the accounting period is insufficient having regard to sections 83, 84, 85, 89, 90 and 91 (calculation of taxable diverted profits).
- (8) The officer may, during the review period, issue a notice (a “supplementary charging notice”) to the company imposing an additional charge to diverted profits tax on the company in respect of the accounting period on taxable diverted profits which—

 - (b) nothing in section 94 applies to restrict the representations which the officer may consider.
- (15) Where a supplementary charging notice or an amending notice is issued to a company, the officer must give a copy of the notice—

CHAPTER 3 U.K.

RESTRICTIONS ON OBTAINING CERTAIN DEDUCTIONS

Introduction

Overview of Chapter

269(C) This Chapter contains provision restricting the amount of certain deductions which a banking company may make in calculating its taxable total profits for an accounting period.

- (2) Sections 269CA to 269CD contain the restrictions.
- (3) Sections 269CE to 269CH contain exceptions to the restrictions.
- (4) Section 269CK contains anti-avoidance provision.
- (5) Sections 269CL to 269CN contain supplementary provision and definitions.
- (6) For the meaning of “banking company”, see section 269B.

Restrictions on obtaining certain deductions

Restriction on deductions for trading losses

269C(A) This section has effect for determining the taxable total profits of a banking company for an accounting period.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) Any deduction made by the company for the accounting period in respect of a pre-2015 carried-forward trading loss may not exceed 50% of the company's relevant trading profits for the accounting period.

Section 269CD contains provision for calculating a company's relevant trading profits for an accounting period (see step 5 in subsection (1) of that section).

- (3) But subsection (2) does not apply where the amount given by step 1 in section 269CD(1) is not greater than nil.
- (4) In this Chapter “pre-2015 carried-forward trading loss”, in relation to a company and an accounting period (“the current accounting period”), means a loss which—
- (a) was made in a trade of the company in an accounting period ending before 1 April 2015, and
 - (b) is carried forward to the current accounting period under section 45 (carry forward of trade loss against subsequent trade profits).
- (5) See also sections 269CE to 269CH (losses to which restrictions do not apply).

Restriction on deductions for non-trading deficits from loan relationships

269CB) This section has effect for determining the taxable total profits of a banking company for an accounting period.

- (2) Any deduction made by the company for the accounting period in respect of a pre-2015 carried-forward non-trading deficit may not exceed 50% of the company's relevant non-trading profits for the accounting period.

Section 269CD contains provision for calculating a company's relevant non-trading profits for an accounting period (see step 6 in subsection (1) of that section).

- (3) But subsection (2) does not apply where the amount given by step 1 in section 269CD(1) is not greater than nil.
- (4) In this Chapter “pre-2015 carried-forward non-trading deficit”, in relation to a company and an accounting period (“the current accounting period”), means a non-trading deficit—
- (a) which the company had from its loan relationships under section 301(6) of CTA 2009 for an accounting period ending before 1 April 2015, and
 - (b) which is carried forward under section 457 of that Act (carry forward of deficits to accounting periods after deficit period) to be set off against non-trading profits of the current accounting period.
- (5) In subsection (4) “non-trading profits” has the same meaning as in section 457 of CTA 2009.
- (6) See also sections 269CE to 269CH (losses to which restrictions do not apply).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Restriction on deductions for management expenses etc

269C(1) This section has effect for determining the taxable total profits of a banking company for an accounting period.

- (2) Any deduction made by the company for the accounting period in respect of pre-2015 carried-forward management expenses may not exceed the relevant maximum (see subsection (7)).
- (3) But subsection (2) does not apply where the amount given by step 1 in section 269CD(1) is not greater than nil.
- (4) In this Chapter “pre-2015 carried-forward management expenses”, in relation to a company and an accounting period (“the current accounting period”), means amounts falling within subsection (5) or (6).

See also sections 269CE to 269CH (losses to which restrictions do not apply).

- (5) The amounts within this subsection are amounts—
 - (a) which fall within subsection (2) of section 1223 of CTA 2009 (carrying forward expenses of management and other amounts),
 - (b) which—
 - (i) for the purposes of Chapter 2 of Part 16 of CTA 2009 are referable to an accounting period ending before 1 April 2015, or
 - (ii) in the case of qualifying charitable donations, were made in such an accounting period, and
 - (c) which are treated by section 1223(3) of CTA 2009 as expenses of management deductible for the current accounting period.
- (6) The amounts within this subsection are amounts of loss which—
 - (a) were made in an accounting period ending before 1 April 2015, and
 - (b) are treated by section 63(3) (carrying forward certain losses made by company with investment business which ceases to carry on UK property business) as expenses of management deductible for the current accounting period for the purposes of Chapter 2 of Part 16 of CTA 2009.
- (7) The relevant maximum is determined as follows—

Step 1 Calculate 50% of the company's relevant profits for the accounting period. Section 269CD contains provision for calculating a company's relevant profits for an accounting period.

Step 2 Calculate the sum of any deductions made by the company for the accounting period which are—

 - (a) deductions in respect of a pre-2015 carried-forward trading loss, or
 - (b) deductions in respect of a pre-2015 carried-forward non-trading deficit.

Step 3 The relevant maximum is the difference between the amount given by step 1 and the amount given by step 2. If the amount given

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

by step 1 does not exceed the amount given by step 2, the relevant maximum is nil.

Relevant profits

269CD) To determine a company's relevant profits for an accounting period—

Step 1 Calculate the company's total profits for the accounting period, ignoring any pre-2015 carried-forward trading losses or pre-2015 carried-forward non-trading deficits. (If the amount given by this step is not greater than nil, no further steps are to be taken: see sections 269CA(3), 269CB(3) and 269CC(3).)

Step 2 Divide the amount given by step 1 into profits that are profits of a trade of the company (the company's "trade profits") and profits that are not profits of a trade of the company (the company's "non-trading profits").

Step 3 Calculate the proportion ("the trading proportion") of the amount given by step 1 that consists of the company's trade profits and the proportion ("the non-trading proportion") of that amount that consists of its non-trading profits.

Step 4 Calculate the sum of any amounts which can be relieved against the company's total profits for the accounting period (as calculated in accordance with step 1), ignoring the amount of any excluded deductions for the accounting period (see subsection (2)).

Step 5 Deduct the trading proportion of the amount given by step 4 from the company's trade profits for the accounting period. The amount given by this step is the company's relevant trading profits for the accounting period. If the amount given by this step is not greater than nil, the company's relevant trading profits for the accounting period are nil.

Step 6 Deduct the non-trading proportion of the amount given by step 4 from the company's non-trading profits for the accounting period. The amount given by this step is the company's relevant non-trading profits for the accounting period. If the amount given by this step is not greater than nil, the company's relevant non-trading profits for the accounting period are nil.

Step 7 The company's relevant profits for the accounting period are the sum of its relevant trading profits for the accounting period and its relevant non-trading profits for the accounting period.

(2) The following are "excluded deductions" in relation to an accounting period ("the current accounting period")—

- (a) a deduction made in respect of pre-2015 carried-forward management expenses;
- (b) a deduction for relief under section 37 (relief for trade losses against total profits) in relation to a loss made in an accounting period after the current accounting period;
- (c) a deduction for relief under section 260(3) of CAA 2001 (special leasing of plant or machinery: carry-back of excess allowances) in relation to capital allowances for an accounting period after the current accounting period;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (d) a deduction for relief under section 459 of CTA 2009 (non-trading deficits from loan relationships) in relation to a deficit for a deficit period after the current accounting period.

Losses to which restrictions do not apply

Losses arising before company began banking activity

269C(E) In this section “the first banking accounting period”, in relation to a company, means the accounting period in which the company first begins to carry on a relevant regulated activity.

- (2) References in this Chapter to a pre-2015 carried-forward trading loss do not include a loss which was made in a trade of a company in an accounting period ending before the first banking accounting period.
- (3) References in this Chapter to a pre-2015 carried-forward non-trading deficit do not include a non-trading deficit which a company had from its loan relationships under section 301(6) of CTA 2009 for an accounting period ending before the first banking accounting period.
- (4) References in this Chapter to pre-2015 carried-forward management expenses, in relation to a company, do not include—
- (a) any amounts falling within section 269CC(5) which—
 - (i) for the purposes of Chapter 2 of Part 16 of CTA 2009 are referable to an accounting period ending before the first banking accounting period, or
 - (ii) in the case of qualifying charitable donations, were made in an accounting period ending before the first banking accounting period, or
 - (b) any amounts of loss falling within section 269CC(6) which were made in an accounting period ending before the first banking accounting period.
- (5) Section 269CL contains provision for determining when a company first begins to carry on a relevant regulated activity.

Losses arising in company's start-up period

269C(F) References in this Chapter to a pre-2015 carried-forward trading loss do not include a loss which was made in a trade of a company in an accounting period ending in the company's start-up period.

- (2) References in this Chapter to a pre-2015 carried-forward non-trading deficit do not include a non-trading deficit which a company had from its loan relationships under section 301(6) of CTA 2009 for an accounting period ending in the company's start-up period.
- (3) References in this Chapter to pre-2015 carried-forward management expenses, in relation to a company, do not include—
- (a) any amounts falling within section 269CC(5) which—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (i) for the purposes of Chapter 2 of Part 16 of CTA 2009 are referable to an accounting period ending in the company's start-up period, or
 - (ii) in the case of qualifying charitable donations, were made in such an accounting period, or
 - (b) any amounts of loss falling within section 269CC(6) which were made in an accounting period ending in the company's start-up period.
- (4) For the purposes of this Chapter any amounts which, by virtue of subsections (1) to (3), are not relevant carried-forward losses of a company are to be regarded as having been taken into account in determining the taxable total profits of the company for accounting periods ending before 1 April 2015 before any amounts which are relevant carried-forward losses of the company.
- (5) Subsection (6) applies where a company has an accounting period (“the straddling period”) beginning before, and ending after, the last day of its start-up period.
- (6) For the purposes of this section—
 - (a) so much of the straddling period as falls within the start-up period, and so much of the straddling period as falls outside the start-up period, are treated as separate accounting periods, and
 - (b) any relevant carried-forward losses of the company for the straddling period are apportioned to the two separate accounting periods—
 - (i) in accordance with section 1172 (time basis), or
 - (ii) if that method would produce a result that is unjust or unreasonable, on a just and reasonable basis.
- (7) In subsection (6)(b) the reference to any relevant carried-forward losses of the company “for” the straddling period is a reference to—
 - (a) any pre-2015 carried-forward trading loss which was made in a trade of the company in the straddling period,
 - (b) any pre-2015 carried-forward non-trading deficit which the company had from its loan relationships for the straddling period, and
 - (c) any pre-2015 carried-forward management expenses which are referable to, or were made in, the straddling period (as the case may be).
- (8) For provision about determining a company's start-up period, see section 269CG.

The “start-up period”

269C(G) In this Chapter the “start-up period”, in relation to a company (“company C”), means the period of 5 years beginning with the day on which company C first begins to carry on a relevant regulated activity (“the start-up day”).

This is subject to the following provisions of this section.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) If on the start-up day—
- (a) company C is a member of a group,
 - (b) there are one or more other members of the group that have carried on a relevant regulated activity while a member of the group, and
 - (c) none of those members first began to carry on such an activity more than 5 years before the start-up day,
- company C's start-up period is the period beginning with the start-up day and ending with the relevant group period.
- (3) The “relevant group period”, in relation to a group, means the period of 5 years beginning with the earliest day on which any member of the group first began to carry on a relevant regulated activity.
- (4) If on the start-up day—
- (a) company C is a member of a group,
 - (b) there are one or more other members of the group that have carried on a relevant regulated activity while a member of the group, and
 - (c) any of those members first began to carry on such an activity more than 5 years before the start-up day,
- company C does not have a start-up period.
- (5) This subsection applies if—
- (a) on a day falling within company C's start-up period (“the relevant day”), company C becomes a member of a group,
 - (b) one or more of the members of the group which on the relevant day carry on a relevant regulated activity first began to do so before the beginning of company C's start-up period, and
 - (c) the relevant regulated activities carried on by company C do not form a significant proportion of the relevant regulated activities carried on immediately after the relevant day by the members of the group as a whole.
- (6) Where subsection (5) applies, company C's start-up period—
- (a) in the case where any of the members of the group first began to carry on a relevant regulated activity more than 5 years before the relevant day, ends immediately before the relevant day;
 - (b) in any other case, ends with the relevant group period.
- (7) This subsection applies if—
- (a) on a day falling within company C's start-up period (“the relevant day”), another company that carries on a relevant regulated activity (“the new member”) becomes a member of a group of which company C is a member,
 - (b) the new member first began to carry on a relevant regulated activity before the beginning of company C's start-up period, and
 - (c) the relevant regulated activities carried on by the new member form a significant proportion of the relevant regulated activities carried on immediately after the relevant day by the members of the group as a whole.
- (8) Where subsection (7) applies, company C's start-up period—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) in the case where the new member first began to carry on a relevant regulated activity more than 5 years before the relevant day, ends immediately before the relevant day;
 - (b) in any other case, ends with the relevant group period.
- (9) Any reference in this section to being, or becoming, a member of a group includes a reference to being, or becoming, a member of a partnership; and references to the “relevant group period” are to be read accordingly.
- (10) Section 269CL contains provision for determining when a company first begins to carry on a relevant regulated activity.

Losses covered by carried-forward loss allowance

269CH) This section applies to a banking company if—

- (a) it is a building society, or
 - (b) an amount of carried-forward loss allowance is allocated to the company by a building society in accordance with section 269CI or 269CJ.
- (2) If a banking company to which this section applies has an amount of carried-forward loss allowance (see subsection (5)), the company may designate as unrestricted losses any losses which, in relation to any accounting period, would (in the absence of this section) be relevant carried-forward losses.
- (3) A loss designated under this section as an unrestricted loss is to be treated for the purposes of this Chapter as if it were not a relevant carried-forward loss.
- (4) The amount of losses which a company may designate at any time must not exceed the amount of carried-forward loss allowance which the company has at that time.
- (5) The amount of carried-forward loss allowance which a company has at any time is the difference between the company's maximum available carried-forward loss allowance and the total amount of losses designated by the company under this section before that time.
- (6) The “maximum available carried-forward loss allowance” is—
- (a) in the case of a building society which has not made an allocation under section 269CI, £25,000,000;
 - (b) in the case of a building society which has made an allocation under section 269CI, the amount given by—

$$(A - B) + C$$

A is £25,000,000,

B is the sum of—

- (a) any amounts which it has allocated to another company under section 269CI, and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (b) any amounts allocated to another company under section 269CJ which immediately before the allocation were amounts of carried-forward loss allowance which the building society had, and

C is the sum of any amounts allocated to the building society under section 269CJ;

- (c) in the case of any other company, the total amount of carried-forward loss allowance allocated to the company under section 269CI or 269CJ.
- (7) References in this Chapter to an amount of carried-forward loss allowance allocated to a company are references to an amount allocated to the company under section 269CI or 269CJ.
- (8) For the meaning of “relevant carried-forward loss”, see section 269CN.
- (9) For information about the procedure for making a designation under this section, see Schedule 18 to FA 1998, in particular Part 9E of that Schedule.

Allocation of carried-forward loss allowance within a group

269C(1) This section applies where a building society—

- (a) is a member of a group, and
 - (b) has an amount of carried-forward loss allowance (see section 269CH(5)).
- (2) The building society may allocate some or all of that amount of carried-forward loss allowance to any other member of the group which is a banking company.
- (3) Where a building society makes an allocation under subsection (2), it must give HMRC a statement (a “statement of allocation”) which specifies—
- (a) the amount of carried-forward loss allowance which the building society had immediately before it made the allocation,
 - (b) the companies (“the relevant companies”) to which an amount of carried-forward loss allowance has been allocated,
 - (c) the amount of carried-forward loss allowance allocated to each of the relevant companies, and
 - (d) the total amount of carried-forward loss allowance allocated by the building society.
- (4) The statement of allocation must be given to HMRC on or before—
- (a) the first day after the allocation on which the building society, or any of the relevant companies, delivers a company tax return which includes a designation made under section 269CH, or
 - (b) if earlier, the first day after the allocation on which a company tax return of the building society, or any of the relevant companies, is amended so as to include such a designation.

This is subject to subsection (5).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (5) An officer of Revenue and Customs may provide that the statement of allocation may be given to HMRC on or before a later day specified by the officer.
- (6) An allocation made under subsection (2) is not effective unless the requirements of this section have been complied with.
- (7) A statement of allocation that has been given to HMRC under this section may not be amended or withdrawn.

This is subject to section 269CJ.

Re-allocation of carried-forward loss allowance

269CJ(1) This section applies where—

- (a) a building society is a member of a group,
 - (b) the building society has given HMRC a statement of allocation in accordance with section 269CI,
 - (c) the building society, or any other member of the group that is a banking company, (the “designating company”) would, if it had an amount (or an additional amount) of carried-forward loss allowance, be able to designate an amount of losses under section 269CH equal to that amount, and
 - (d) that amount is greater than the amount of carried-forward loss allowance which the building society could allocate under section 269CI.
- (2) In this section the “available carried-forward loss allowance” means the total of any amounts of carried-forward loss allowance which any member of the group, other than the designating company, has (see section 269CH(5)).
- (3) The building society may—
- (a) allocate some or all of the available carried-forward loss allowance to the designating company, and
 - (b) provide that, to the extent that any of the amount allocated to the designating company under this subsection is an amount of carried-forward loss allowance which, immediately before the allocation, was an amount allocated to another company, that amount is no longer allocated to that other company.
- (4) Where a building society makes an allocation under subsection (3), it must give HMRC a statement (a “revised statement of allocation”) which specifies—
- (a) the amount of the available carried-forward loss allowance immediately before the allocation,
 - (b) the companies which had an amount of carried-forward loss allowance immediately before the allocation, and the amount of carried-forward loss allowance which each of those companies had at that time, and
 - (c) the companies which have an amount of carried-forward loss allowance immediately after the allocation (“the relevant companies”), and the amount of carried-forward loss allowance which each of those companies has.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (5) The revised statement of allocation must be given to HMRC on or before—
- (a) the first day after the allocation on which any of the relevant companies delivers a company tax return which includes a designation made under section 269CH, or
 - (b) if earlier, the first day after the allocation on which a company tax return of any of the relevant companies is amended so as to include such a designation.

This is subject to subsection (6).

- (6) An officer of Revenue and Customs may provide that the revised statement of allocation may be given to HMRC on or before a later day specified by the officer.
- (7) An allocation made under subsection (3) is not effective unless the requirements of this section have been complied with.
- (8) Except as provided for by this section, a revised statement of allocation that has been given to HMRC under this section may not be amended or withdrawn.

Anti-avoidance

Profits arising from tax arrangements to be disregarded

269C(1) This section applies if conditions A to C are met.

- (2) Condition A is that—
- (a) the amount given by step 1 in section 269CD(1) as the total profits of a banking company for an accounting period includes profits which arise to the banking company as a result of any arrangements (“the tax arrangements”), and
 - (b) in the absence of those profits (“the additional profits”) any deduction which the banking company would be entitled to make for the accounting period in respect of any relevant carried-forward losses would be reduced.
- (3) Condition B is that the main purpose, or one of the main purposes, of the tax arrangements is to secure a relevant corporation tax advantage—
- (a) for the banking company, or
 - (b) if there are any companies connected with that company, for the banking company and those connected companies (taken together).
- (4) In this section “relevant corporation tax advantage” means a corporation tax advantage involving—
- (a) the additional profits, and
 - (b) the deduction of any relevant carried-forward losses from those profits.
- (5) Condition C is that, at the time when the tax arrangements were entered into, it would have been reasonable to assume that the tax value of the tax arrangements would be greater than the non-tax value of the tax arrangements.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (6) The “tax value” of the tax arrangements is the total value of—
- (a) the relevant corporation tax advantage, and
 - (b) any other economic benefits derived by—
 - (i) the banking company, or
 - (ii) if there are any companies connected with that company, the banking company and those connected companies (taken together),
- as a result of securing the relevant corporation tax advantage.
- (7) The “non-tax value” of the tax arrangements is the total value of any economic benefits, other than those falling within subsection (6)(a) or (b), derived by—
- (a) the banking company, or
 - (b) if there are any companies connected with that company, the banking company and those connected companies (taken together),
- as a result of the tax arrangements.
- (8) If this section applies, the additional profits are not to be taken into account in calculating the banking company's relevant profits for the accounting period (see section 269CD).
- (9) In this section—
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable);
- “corporation tax advantage” means—
- (a) a relief from corporation tax or increased relief from corporation tax,
 - (b) a repayment of corporation tax or increased repayment of corporation tax,
 - (c) the avoidance or reduction of a charge to corporation tax or an assessment to corporation tax,

- (3) In subsection (2), the reference to chargeable NRCGT gains does not include any such gains which accrue to a member of an NRCGT group.
- (4) The only deductions that can be made from chargeable NRCGT gains to which subsection (2) applies are those permitted by this section.

This is subject to section 62(2AA) (carry-back of losses accruing in year of death).

- (5) See section 57B and Schedule 4ZZB for how to determine—

- (5) Condition B is that—
 - (a) an investor in the scheme is an offshore fund, an open-ended investment company or an authorised unit trust (“the feeder fund”),

- (a) the period beginning with the day on which the scheme acquired the interest in UK land which (or part of which) is the subject of the non-resident CGT disposal and ending with the day on which that disposal occurs, or
 - (b) if shorter, the period of 5 years ending with the day on which that disposal occurs.
- (9) For the purposes of subsection (5), the “alternative period”, in relation to a scheme, is the shorter of—
- (a) the relevant ownership period, and
 - (b) the period beginning when the feeder fund first became an investor in the scheme and ending with the date of the disposal.
- (10) In this section—

14G Section 14F: divided companies

 - (b) would, without this section, be an eligible person for the purposes of section 14F in relation to the disposal.
- (2) In determining for the purposes of section 14F whether or not the company is an eligible company in relation to the disposal, the company is to be treated as if it were a closely-held company if the conditions in subsection (3) are met.
- (3) The conditions are that—
- (a) the gain or loss accruing on the disposal is primarily or wholly attributable to a particular division of the company, and
 - (b) if that division were a separate company, that separate company would be a closely-held company.
- (4) For the purposes of this section a company is a “divided company” if, under the law under which the company is formed, under the company’s articles of association or other document regulating the company or under arrangements entered into by or in relation to the company—
- (a) some or all of the assets of the company are available primarily, or only, to meet particular liabilities of the company, and

- (a) arrangements are entered into, and
 - (b) the main purpose, or one of the main purposes, of any party entering into them (or any part of them) is to avoid capital gains tax being charged under section 14D as a result of a person not being an eligible person in relation to the disposal by virtue of subsection (2) (diversely-held companies) or, as the case may be, subsection (3) (widely-marketed schemes) of section 14F (persons not chargeable under section 14D if a claim is made).
- (2) The arrangements (or that part of the arrangements) are to be disregarded in determining whether or not the company is an eligible person by virtue of that subsection.
- (3) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).”

12 In section 16 (computation of losses), in subsection (3), for “or 10B,” substitute “, 10B, 14D or 188D”.

13 After section 25 insert—

“25ZA Deemed disposal of UK residential property interest under section 25(3)

- (1) This section applies if, ignoring subsections (3) and (4)—
- (a) a gain or loss would accrue to a person on a disposal of a UK residential property interest deemed to have been made by virtue of section 25(3), and
 - (b) on the assumptions in subsection (2), that gain or loss would be an NRCGT gain chargeable to, or an NRCGT loss allowable for the purposes of, capital gains tax by virtue of section 14D (see section 57B and Schedule 4ZZB).
- (2) The assumptions are—
- (a) the disposal is a non-resident CGT disposal, and
 - (b) if the person is a company, any claim which the company could make under section 14F is made.
- (3) No gain or loss accrues to the person on that disposal.
- (4) But, on a subsequent disposal of the whole or part of the interest in UK land which is the subject of the disposal mentioned in subsection (1)(a), the whole

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

or a corresponding part of the gain or loss which would have accrued to the person were it not for subsection (3)—

- (a) is deemed to accrue to the person (in addition to any gain or loss that actually accrues on that subsequent disposal), and
 - (b) (if that would not otherwise be the case) is to be treated as an NRCGT gain chargeable to, or an NRCGT loss allowable for the purposes of, capital gains tax by virtue of section 14D accruing on a non-resident CGT disposal.
- (5) A person may make an election for subsections (3) and (4) not to apply in relation to the disposal mentioned in subsection (1)(a).
- (6) If the person is a company, such an election must be made within 2 years after the day on which the company ceases to carry on a trade in the United Kingdom through a branch or agency.
- (7) In this section, “interest in UK land” has the meaning given by paragraph 2 of Schedule B1.”

14 After section 48 insert—

“48A Unascertainable consideration

- (1) This section applies where—
- (a) a person (“P”) has made a non-resident CGT disposal in relation to which there accrued to P an NRCGT gain chargeable to, or an NRCGT loss allowable for the purposes of, capital gains tax by virtue of section 14D or 188D (“the original disposal”),
 - (b) P acquired a right as the whole or part of the consideration for that disposal,
 - (c) on P’s acquisition of the right, there was no corresponding disposal of it, and
 - (d) the right is a right to unascertainable consideration (see subsections (4) to (6)).
- (2) If P subsequently receives consideration (“the ascertained consideration”) representing the whole or part of the consideration referred to in subsection (1)(d) and condition A in section 14B would have been met in relation to the original disposal had a gain on that disposal accrued at the time of the receipt of the ascertained consideration—
- (a) the ascertained consideration is treated as not accruing on the disposal of the right,
 - (b) the costs of P’s acquisition of the right (or, in the case of a part disposal of the right, those costs so far as referable to the part disposed of) are taken to be nil, and
 - (c) the following steps are taken.

Step 1 Any amount by which the ascertained consideration exceeds the relevant original consideration is treated as consideration (or further consideration) accruing on the original disposal. If the relevant original consideration exceeds the ascertained consideration, the consideration accruing on the original disposal is treated as reduced by the amount of the excess.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Step 2 Compute the difference that the adjustment under step 1 makes to what (if any) NRCGT gain or loss, ATED-related gain or loss or other gain or loss accrues on the original disposal (computing this separately for each type of gain or loss). The difference is “positive” if a loss is decreased (to nil or otherwise) or a gain created or increased. The difference is “negative” if a gain is reduced (to nil or otherwise) or a loss created or increased.

Step 3 Any positive amount computed under step 2 is treated for the purposes of this Act and the Management Act as a gain (of the type appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration. Any negative amount computed under step 2 is treated for the purposes of this Act and the Management Act as a loss (of the type appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration.

- (3) In step 1 in subsection (2), “the relevant original consideration” means the consideration accruing on the original disposal, so far as referable to the right mentioned in subsection (1)(b) (or, in the case of a part disposal of the right, referable to the part disposed of).
- (4) A right is a right to unascertainable consideration if, and only if—
- (a) it is a right to consideration the amount or value of which is unascertainable at the time when the right is conferred, and
 - (b) that amount or value is unascertainable at that time on account of its being referable, in whole or in part, to matters which are uncertain at that time because they have not yet occurred.

This subsection is subject to subsections (5) and (6).

- (5) The amount or value of any consideration is not to be regarded as being unascertainable by reason only—
- (a) that the right to receive the whole or any part of the consideration is postponed or contingent, if the consideration or, as the case may be, that part of it is, in accordance with section 48, brought into account in the computation of the gain accruing to a person on the disposal of an asset, or
 - (b) in a case where the right to receive the whole or any part of the consideration is postponed and is to be, or may be, to any extent satisfied by the receipt of property of one description or property of some other description, that some person has a right to select the property, or the description of property, that is to be received.
- (6) A right is not to be taken to be a right to unascertainable consideration by reason only that either the amount or the value of the consideration has not been fixed, if—
- (a) the amount will be fixed by reference to the value, and the value is ascertainable, or
 - (b) the value will be fixed by reference to the amount, and the amount is ascertainable.”

- 15 In section 57A (gains and losses on relevant high value disposals), after subsection (2) insert—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

“(3) Subsection (2) does not apply where Part 4 of Schedule 4ZZB applies (non-resident CGT disposals which are or involve relevant high value disposals).”

16 In Part 2, after Chapter 5 insert—

“CHAPTER 6 U.K.”

COMPUTATION OF GAINS AND LOSSES: NON-RESIDENT CGT DISPOSALS

Gains and losses on non-resident CGT disposals

57B (1) Schedule 4ZZB makes provision about the computation of—

- (b) other gains or losses,

on non-resident CGT disposals.

(2) For further provision about non-resident CGT disposals and NRCGT gains and losses see sections 14B to 14H and 188D and 188E.”

17 (1) Section 62 (death: general provisions) is amended as follows.

(2) In subsection (2A), for the words from “are gains” to the end substitute “are—

- (a) gains that are treated as accruing by virtue of section 87 or 89(2) (read, where appropriate, with section 10A), or
- (b) NRCGT gains (see section 57B and Schedule 4ZZB).”

(3) After subsection (2A) insert—

“(2AA) Where allowable NRCGT losses (see section 57B and Schedule 4ZZB) are sustained by an individual in the year of assessment in which the individual dies, the losses may, so far as they cannot be deducted from chargeable gains accruing to the individual in that year, be deducted from any gains such as are mentioned in subsection (2A)(b) that accrued to the deceased in the 3 years of assessment preceding the year of assessment in which the death occurs, taking chargeable gains accruing in a later year before those accruing in an earlier year.”

- (b) the interest in UK land subsists for the benefit of land that has at any time in the relevant ownership period consisted of or included a dwelling.

(3) The second condition is that the interest in UK land subsists under a contract for an off-plan purchase.

(4) In sub-paragraph (2) “relevant ownership period” means the period—

- (a) beginning with the day on which P acquired the interest in UK land or 6 April 2015 (whichever is later), and
- (b) ending with the day before the day on which the disposal occurs.

(5) If the interest in UK land disposed of by P as mentioned in sub-paragraph (1) results from interests in UK land which P has acquired at different times (“the acquired interests”), P is regarded for the purposes of sub-paragraph (4) (a) as having acquired the interest when P first acquired any of the acquired interests.

(6) In this paragraph—

- (2) The grant of the option is regarded for the purposes of this Schedule as the disposal of an interest in the land in question (if it would not be so regarded apart from this paragraph).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) If the conditions in sub-paragraph (4) are met at, or at any time before, the completion of the disposal, the building is taken to have been unsuitable for use as a dwelling throughout the part of the relevant ownership period when the works were in progress.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) the building was undergoing any work, or put to a use, in relation to which planning permission or development consent was required but had not been granted, or
 - (b) anything was being done in contravention of a condition or requirement attached to a planning permission or development consent relating to the building.

- “building” includes a part of a building;
 - “relevant ownership period” has the meaning given by paragraph 1(4).

Retrospective planning permission or development consent

“open-ended investment company” has the same meaning as in Part 17 of the Financial Services and Markets Act 2000 (see section 236 of that Act);

“units” means the rights or interests (however described) of the participants in a unit trust scheme or open-ended investment company.”

38 (1) Schedule 4ZZA (relevant high value disposals: gains and losses) is amended as follows.

(2) In paragraph 1 the existing text becomes sub-paragraph (1).

(3) After that sub-paragraph insert—

“(2) See also Part 4 of Schedule 4ZZB, which—

- (a) makes provision about non-resident CGT disposals which are, or involve, relevant high value disposals, and
- (b) includes provision about the computation of gains or losses on such disposals which are neither NRCGT gains or losses (as defined in section 57B and Schedule 4ZZB) nor ATED-related.”

(4) In paragraph 2(1), after paragraph (b) insert—

“See also the special rule in paragraph 6 (which takes precedence over paragraphs 3 and 4 where it applies).”

(5) In paragraph 5, after sub-paragraph (3) insert—

“(3A) An election made in relation to an asset under paragraph 2(1)(b) of Schedule 4ZZB (disposals by non-residents etc of UK residential property interests: gains and losses) also has effect as an election made under this paragraph in relation to the asset.”

(6) After paragraph 6 insert—

“Special rule for certain disposals to which both this Schedule and Schedule 4ZZB relate

6A (1) This paragraph applies where conditions A and B are met.

(2) Condition A is that the relevant high value disposal is—

- (a) a non-resident CGT disposal (see section 14B), or
- (b) one of two or more disposals which are (by virtue of section 2C and this Schedule) treated as comprised in a non-resident CGT disposal.

(3) Condition B is that—

- (a) the interest disposed of by the relevant high value disposal was held by P on 5 April 2015,
- (b) neither Case 2 nor Case 3 in paragraph 2 applies, and
- (c) no election under paragraph 5 of this Schedule (or paragraph 2(1)(b) of Schedule 4ZZB) is or has been made in relation to the chargeable interest which (or a part of which) is the subject of the relevant high value disposal.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (4) The ATED-related gain or loss accruing on the relevant high value disposal is computed as follows.

Step 1 Determine the amount of the post-April 2015 ATED-related gain or loss.

Step 2 Determine the amount of the pre-April 2015 ATED-related gain or loss.

Step 3 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any gain or loss determined under Step 2,

(treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the ATED-related gain on the relevant high value disposal. If the result is a negative amount, that amount (expressed as a positive number) is the ATED-related loss on the relevant high value disposal.

- (5) The post-April 2015 ATED-related gain or loss is equal to the amount that would be given by paragraph 3(1) as the amount of the ATED-related gain or loss if the relevant year for the purposes of that paragraph were 2015.
- (6) The “pre-April 2015 ATED-related gain or loss” means the relevant fraction of the notional pre-April 2015 gain or loss.
- (7) “The relevant fraction” is—

$$\frac{CD}{TD}$$

where—

“CD” is the number of days in the relevant ownership period which are ATED chargeable days;

“TD” is the total number of days in the relevant ownership period.

- (8) If the interest disposed of was not held by P on 5 April 2013, the “notional pre-April 2015 gain or loss” is the gain or loss which would have accrued on 5 April 2015 had the interest been disposed of on that date for a consideration equal to its market value on that date.
- (9) If the interest disposed of was held by P on 5 April 2013, the “notional pre-April 2015 gain or loss” is the gain or loss which would have accrued on 5 April 2015 if P had—
- (a) acquired the interest on 5 April 2013 for a consideration equal to its market value on that date, and
 - (b) disposed of it on 5 April 2015 for a consideration equal to its market value on that date.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

(10) Paragraph 3(3) applies for the purposes of sub-paragraphs (8) and (9) as for the purposes of paragraph 3(2).

(11) In sub-paragraph (7) “relevant ownership period” means the period—

- (a) beginning with the day on which P acquired the chargeable interest or, if later, 6 April 2013, and
- (b) ending with 5 April 2015.

(12) For how to compute the amount of the gain or loss on the relevant high value disposal that is neither ATED-related nor an NRCGT gain or loss (as defined in section 57B and Schedule 4ZZB) see paragraphs 16 to 19 of Schedule 4ZZB.”

(7) After paragraph 7 insert—

“Wasting assets

- 8 (1) Sub-paragraph (2) applies where it is necessary, in computing in accordance with paragraph 3(2) the notional post-commencement gain or loss accruing to a person on a relevant high value disposal, to determine whether or not the interest which is the subject of the disposal is a wasting asset.
- (2) The assumption in paragraph 3(2) that the interest was acquired on a particular 5 April is to be ignored in determining that question.
- (3) Sub-paragraph (4) applies where it is necessary, in computing in accordance with paragraph 6A(9) the notional pre-April 2015 gain or loss accruing to a person on a disposal, to determine whether or not the interest which is the subject of the disposal is a wasting asset.
- (4) The assumption in paragraph 6A(9) that the interest was acquired on 5 April 2013 is to be ignored in determining that question.
- (5) In this paragraph references to a “wasting asset” are to a wasting asset as defined for the purposes of Chapter 2 of Part 2 of this Act.

Capital allowances

- 9 (1) Sub-paragraph (2) applies where it is to be assumed for the purpose of computing—
 - (a) the notional post-commencement gain or loss accruing to a person on a relevant high value disposal in accordance with paragraph 3(2), or
 - (b) the notional pre-April 2015 gain or loss accruing to a person on a disposal in accordance with paragraph 6A(9),
 that an asset was acquired by a person on 5 April 2013 for a consideration equal to its market value on that date.
- (2) For the purposes of that computation, sections 41 (restriction of losses by reference to capital allowances etc) and 47 (wasting assets qualifying for capital allowances) are to apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the person in acquiring or providing the asset as if that allowance were made

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

in respect of the expenditure treated as incurred by the person on 5 April 2013 as mentioned in sub-paragraph (1).”

39 After Schedule 4ZZA insert—

“SCHEDULE
4ZZB U.K.

NON-RESIDENT CGT DISPOSALS: GAINS AND LOSSES

PART 1 U.K.

INTRODUCTION

- 1 (1) This Schedule applies for the purpose of determining, in relation to a non-resident CGT disposal made by a person (“P”)—
 - (a) whether an NRCGT gain or loss accrues to P on the disposal, and the amount of any such gain or loss, and
 - (b) whether a gain or loss other than an NRCGT gain or loss accrues to P on the disposal, and the amount of any such gain or loss;(and see also sub-paragraph (2)(c)).
- (2) In this Schedule—
 - (a) Part 2 is about elections to vary the method of computation of gains and losses;
 - (b) Part 3 contains the main rules for computing the gains and losses;
 - (c) Part 4 contains separate rules for computing, in a case where the non-resident CGT disposal is, or involves, a relevant high value disposal (as defined in section 2C)—
 - (i) the amount of any NRCGT gains or losses accruing on the disposal, and
 - (ii) the amount of any gains or losses accruing on the disposal that are neither ATED-related nor NRCGT gains or losses;
 - (d) Part 5 contains special rules about non-resident CGT disposals made by companies;
 - (e) Part 6 (miscellaneous provisions) contains special rules relating to wasting assets and capital allowances;
 - (f) Part 7 contains definitions for the purposes of this Schedule.
- (3) See section 14B for the meaning of “non-resident CGT disposal”.

PART 2 U.K.

ELECTIONS FOR ALTERNATIVE METHODS OF COMPUTATION

- 2 (1) A person (“P”) making a non-resident CGT disposal of (or of a part of) an interest in UK land which P held on 5 April 2015 may—
 - (a) make an election for straight-line time apportionment in relation to the interest in UK land;
 - (b) make an election for the retrospective basis of computation to apply in relation to that interest,

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (but may not do both).
- (2) P may not make an election under sub-paragraph (1)(a) if the disposal is one to which Part 4 of this Schedule applies (cases involving relevant high value disposals).
 - (3) For the effect of making an election under sub-paragraph (1)(a), see paragraph 8.
 - (4) For the effect of making (or not making) an election under sub-paragraph (1) (b), see paragraphs 5(1)(b), 9(1)(b), 13(1)(b), 14(1)(a) and 15(1)(c) (and paragraph 6A(3)(c) of Schedule 4ZZA).
 - (5) An election made under paragraph 5 of Schedule 4ZZA (including any such election made before the coming into force of this paragraph) has effect as if it were also an election under sub-paragraph (1)(b).
- 3 (1) An election under paragraph 2(1) is irrevocable (and where an election has been made under paragraph 2(1) or paragraph 5 of Schedule 4ZZA in relation to an asset, no election may subsequently be made under either of those provisions in relation to the asset).
 - (2) An election under paragraph 2(1) may (regardless of section 42(2) of the Management Act) be made by being included in—
 - (a) a tax return under the Management Act for the tax year in which the first non-resident CGT disposal by P of the interest in UK land (or any part of it) is made, or
 - (b) the NRCGT return relating to the disposal,
(but not by any other method).
 - (3) References in sub-paragraph (2) to an election being included in a return include an election being included by virtue of an amendment of the return.
 - (4) All such adjustments are to be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to an election under paragraph 2(1).

PART 3 U.K.

MAIN COMPUTATION RULES

Disposals to which this Part applies

- 4 (1) This Part of this Schedule applies where a person (“P”) makes a non-resident CGT disposal of (or of a part of) an interest in UK land.
- (2) But this Part of this Schedule does not apply if the disposal is—
 - (a) a relevant high value disposal, or
 - (b) a disposal in which a relevant high value disposal is comprised (see paragraph 12(3)).
- (3) In this Part of this Schedule “the disposed of interest” means—
 - (a) the interest in UK land, or
 - (b) if the disposal is of part of that interest, the part disposed of.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Introduction to paragraphs 6 to 8

- 5 (1) Paragraphs 6 to 8 apply where—
- (a) the disposed of interest was held by P on 5 April 2015, and
 - (b) P has not made an election under paragraph 2(1)(b) in relation to the interest in UK land.
- (2) In paragraphs 6 and 7—
- (a) “notional post-April 2015 gain or loss” means the gain or loss which would have accrued on the disposal had P acquired the disposed of interest on 5 April 2015 for a consideration equal to its market value on that date;
 - (b) “notional pre-April 2015 gain or loss” means the gain or loss which would have accrued on 5 April 2015 had the disposed of interest been disposed of for a consideration equal to its market value on that date;
- but see also paragraph 8(1).
- (3) For the purpose of determining the amount of the hypothetical gain or loss mentioned in sub-paragraph (2)(a), no account is taken of section 57B or this Schedule (apart from paragraph 23).

Assets held at 5 April 2015: default method

- 6 (1) The NRCGT gain or loss accruing on the disposal is equal to the relevant fraction of the notional post-April 2015 gain or loss (as the case may be).
- But see also sub-paragraph (3).
- (2) “The relevant fraction” is—

$$\frac{RD}{TD}$$

where—

“RD” is the number of days in the post-commencement ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;

“TD” is the total number of days in the post-commencement ownership period.

- (3) If there has been mixed use of the subject matter of the disposed of interest on one or more days in the post-commencement ownership period, the NRCGT gain or loss accruing on the disposal is the fraction of the amount that would (apart from this sub-paragraph) be given by sub-paragraphs (1) and (2) that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (4) For the purposes of this paragraph there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.
- (5) “Post-commencement ownership period” means the period beginning with 6 April 2015 and ending with the day before the day on which the disposal occurs.
- 7 The gain or loss accruing on the disposal which is not an NRCGT gain or (as the case may be) loss is computed as follows.
- Step 1* Determine the amount of the notional pre-April 2015 gain or loss.
- Step 2* In a case where there is a notional post-April 2015 gain, determine the amount of that gain remaining after the deduction of the NRCGT gain determined under paragraph 6.
- Step 3* In a case where there is a notional post-April 2015 loss, determine the amount of that loss remaining after the deduction of the NRCGT loss determined under paragraph 6.
- Step 4* Add—
- (a) the amount of any gain or loss determined under Step 1, and
 - (b) the amount of any gain determined under Step 2 or (as the case may be) any loss determined under Step 3,
- (treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the gain on the disposal which is not an NRCGT gain. If the result is a negative amount, that amount (expressed as a positive number) is the loss on the disposal which is not an NRCGT loss.
- Modified application of paragraphs 5 to 7 where
election made for straight-line time apportionment*
- 8 (1) Where the non-resident CGT disposal is of (or of a part of) an interest in UK land in respect of which P makes, or has made, an election for straight-line time apportionment under paragraph 2(1)(a)—
- (a) paragraphs (a) and (b) of paragraph 5(2) do not apply in relation to the disposal, and
 - (b) for the purposes of paragraphs 6 and 7, the “notional pre-April 2015 gain or loss” and the “notional post-April 2015 gain or loss” are to be determined in accordance with the following steps.
- Step 1* Determine the amount of the gain or loss which accrues to P on the disposal. For the purpose of determining that amount, no account is taken of section 57B or this Schedule (apart from paragraph 23).
- Step 2* An amount equal to the post-commencement fraction of that gain or loss is the notional post-April 2015 gain or (as the case may be) loss.
- Step 3* An amount equal to the pre-commencement fraction of that gain or loss is the notional pre-April 2015 gain or (as the case may be) loss.
- (2) The “post-commencement fraction” is—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

$$\frac{\text{PCD}}{\text{TD}}$$

where—

“PCD” is the number of days in the post-commencement ownership period;

“TD” is the total number of days in the ownership period.

(3) The “pre-commencement fraction” is—

$$\frac{\text{TD} - \text{PCD}}{\text{TD}}$$

where “PCD” and “TD” have the same meanings as in sub-paragraph (2).

(4) In this paragraph—

“ownership period” means the period beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982 and ending with the day before the day on which the disposal occurs;

“post-commencement ownership period” has the meaning given by paragraph 6(5).

*Cases where asset acquired after 5 April 2015
or election made under paragraph 2(1)(b)*

9 (1) This paragraph applies if—

- (a) the disposed of interest was not held by P throughout the period beginning with 5 April 2015 and ending with the disposal, or
- (b) the non-resident CGT disposal is of (or of part of) an interest in UK land in respect of which P makes, or has made, an election under paragraph 2(1)(b).

(2) The NRCGT gain or loss accruing on the disposal is computed as follows.

Step 1 Determine the amount of the gain or loss which accrues to P. For the purpose of determining the amount of that gain or loss, no account is taken of section 57B or this Schedule (apart from paragraph 23).

Step 2 The NRCGT gain or (as the case may be) loss accruing on the disposal is an amount equal to the relevant fraction of that gain or loss (but see Step 3).

Step 3 If there has been mixed use of the subject matter of the disposed of interest on one or more days in the relevant ownership period, the NRCGT gain or loss accruing on the disposal is equal to the appropriate fraction of the amount given by Step 2.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (3) For the purposes of this paragraph there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.
- (4) In Step 3 “the appropriate fraction” means the fraction that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.
- (5) The gain or loss accruing on the disposal which is not an NRCGT gain or (as the case may be) loss is to be computed as follows.
- Step 1* In a case where there is a gain under Step 1 of sub-paragraph (2), determine the amount of that gain remaining after the deduction of the NRCGT gain determined under that sub-paragraph. That remaining gain is the gain accruing on the disposal which is not an NRCGT gain.
- Step 2* In a case where there is a loss under Step 1 of sub-paragraph (2), determine the amount of that loss remaining after deduction of the NRCGT loss determined under that sub-paragraph. That remaining loss is the loss accruing on the disposal which is not an NRCGT loss.
- (6) For the purposes of sub-paragraph (2), “the relevant fraction” is—

$$\frac{RD}{TD}$$

where—

“RD” is the number of days in the relevant ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;

“TD” is the total number of days in the relevant ownership period.

- (7) “The relevant ownership period” means the period—
- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - (b) ending with the day before the day on which the disposal mentioned in paragraph 4(1) occurs.

Interest subsisting under contract for off-plan purchase

- 10 (1) Sub-paragraph (2) applies where the non-resident CGT disposal referred to in paragraph 4(1) is a disposal of a UK residential property interest only because of the second condition in paragraph 1 of Schedule B1 (interest subsisting under a contract for the acquisition of land that consists of, or includes, a building that is to be constructed for use as a dwelling etc).
- (2) The land that is the subject of the contract concerned is treated for the purposes of this Part of this Schedule as consisting of (or, as the case requires, including) a dwelling throughout P's period of ownership of the disposed of interest.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

PART 4 U.K.

CASES INVOLVING RELEVANT HIGH VALUE DISPOSALS

Overview

- 11 (1) This Part is about non-resident CGT disposals which are, or involve, relevant high value disposals (see section 2B, which charges capital gains tax on ATED-related gains on relevant high value disposals).
- (2) Paragraphs 12 to 15 contain provision about how any NRCGT gains and losses on such a disposal are computed, including provision—
- (a) for the NRCGT gains or losses to be computed for each relevant high value disposal comprised in the non-resident CGT disposal (paragraphs 13 to 15), and
 - (b) for the results to be added (where necessary) to find the NRCGT gain or loss on the non-resident CGT disposal (see paragraph 12).
- (3) For provision about how to compute any ATED-related gains or losses accruing on the relevant high value disposals, see Schedule 4ZZA.
- (4) Paragraphs 16 to 19 contain provisions for computing any gains or losses accruing on the disposals mentioned in sub-paragraph (1) which are neither ATED-related nor NRCGT gains or losses, including provision—
- (a) for such balancing gains or losses to be computed for each relevant high value disposal comprised in the non-resident CGT disposal, and
 - (b) for the results to be added together (where necessary) to find the balancing gain or loss on the non-resident CGT disposal (see paragraph 16).
- (5) Paragraph 20 is about cases where a disposal which is not a relevant high value disposal is also comprised in the non-resident CGT disposal.

Disposal involving one or more relevant high value disposals

- 12 (1) This Part of this Schedule applies where—
- (a) a person (other than an excluded person) (“P”) makes a non-resident CGT disposal of (or of part of) an interest in UK land, and
 - (b) that disposal (“the disposal of land”) is a relevant high value disposal or a relevant high value disposal is comprised in it.

In this sub-paragraph “excluded person” has the meaning given by section 2B(2).

- (2) The NRCGT gain or loss accruing on the disposal of land is computed as follows.

Step 1 Determine in accordance with paragraphs 13 to 15 the amount of the NRCGT gain or loss accruing on each relevant high value disposal.

Step 2 Add together the amounts of any gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount).

If the result is a positive amount, that amount is the NRCGT gain on

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

the disposal of land. If the result is a negative amount, that amount (expressed as a positive number) is the NRCGT loss on the disposal of land. See paragraphs 16 to 19 for how to compute the gain or loss on the disposal of land which is neither ATED-related nor an NRCGT gain or loss.

- (3) For the purposes of this Schedule, a relevant high value disposal is “comprised in” a non-resident CGT disposal if—
- (a) the non-resident CGT disposal is treated for the purposes of section 2C and Schedule 4ZZA as two or more disposals, and
 - (b) the relevant high value disposal is one of those.
- (4) In this Part of this Schedule—
- (a) “the asset”, in relation to a relevant high value disposal, means the chargeable interest which (or a part of which) is the subject of that disposal, and
 - (b) “the disposed of interest”, in relation to a relevant high value disposal, means the asset or, if only part of the asset is the subject of the relevant high value disposal, that part of the asset.
- (5) For the purposes of this Part of this Schedule a day is a “section 14D chargeable day” in relation to a relevant high value disposal if—
- (a) it is a day on which the subject matter of the disposed of interest consists wholly or partly of a dwelling, but
 - (b) it is not an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).

Assets held at 5 April 2015 (where no election made and no rebasing in 2016 required)

- 13 (1) This paragraph applies where—
- (a) the disposed of interest was held by P on 5 April 2015,
 - (b) P has not made an election under paragraph 2(1)(b) (or paragraph 5 of Schedule 4ZZA) in respect of the asset, and
 - (c) paragraph 15 does not apply.
- (2) The NRCGT gain or loss accruing on the relevant high value disposal is equal to the special fraction of the notional post-April 2015 gain or loss (as the case may be) on that disposal.
- (3) “Notional post-April 2015 gain or loss” means the gain or loss which would have accrued on the relevant high value disposal had P acquired the disposed of interest on 5 April 2015 for a consideration equal to the market value of that interest on that date.
- (4) “The special fraction” is—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

$$\frac{SD}{TD}$$

where—

“SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the post-commencement ownership period;

“TD” is the total number of days in the post-commencement ownership period.

- (5) “The post-commencement ownership period” means the period beginning with 6 April 2015 and ending with the day before the day on which the relevant high value disposal occurs.

Asset acquired after 5 April 2015 or election made under paragraph 2(1)(b) (but no rebasing in 2016 required)

- 14 (1) This paragraph applies where—
- (a) P makes, or has made, an election under paragraph 2(1)(b) (or paragraph 5 of Schedule 4ZZA) in respect of the asset, or
 - (b) the disposed of interest was not held by P throughout the period beginning with 5 April 2015 and ending with the disposal.
- (2) But this paragraph does not apply if paragraph 15 applies.
- (3) The NRCGT gain or loss accruing on the relevant high value disposal is computed as follows.
- Step 1* Determine the amount of the gain or loss which accrues to P. (For the purpose of determining the amount of that gain or loss, no account need be taken of section 57B or this Schedule (apart from paragraph 23).)
- Step 2* The NRCGT gain or loss accruing on the relevant high value disposal is equal to the special fraction of that gain or loss.
- (4) For this purpose “the special fraction” is—

$$\frac{SD}{TD}$$

where—

“SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the relevant ownership period;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

“TD” is the total number of days in the relevant ownership period.

- (5) “Relevant ownership period” means the period—
- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - (b) ending with the day before the day on which the relevant high value disposal occurs.

Certain disposals after 5 April 2016 (computation involving additional rebasing in 2016)

- 15 (1) This paragraph applies where—
- (a) the disposed of interest was held by P on 5 April 2016,
 - (b) the relevant high value disposal falls within Case 3 for the purposes of Schedule 4ZZA (see paragraph 2(4) of that Schedule), and
 - (c) no election is or has been made (or treated as made) by P under paragraph 2(1)(b) in respect of the asset.

- (2) The NRCGT gain or loss accruing on the relevant high value disposal is computed as follows.

Step 1 Determine the amount equal to the special fraction of the notional post-April 2016 gain or loss (as the case may be).

Step 2 Determine the amount equal to the special fraction of the notional pre-April 2016 gain or loss (as the case may be).

Step 3 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any gain or loss determined under Step 2,

(treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the NRCGT gain on the relevant high value disposal. If the result is a negative amount, that amount (expressed as a positive number) is the NRCGT loss on the relevant high value disposal.

- (3) “The special fraction” is—

$$\frac{SD}{TD}$$

where—

“SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (4) The “relevant ownership period” is—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) for the purpose of computing under Step 1 of sub-paragraph (2) the special fraction of the notional post-April 2016 gain or loss, the period beginning with 6 April 2016 and ending with the day before the day on which the relevant high value disposal occurs;
 - (b) for the purpose of computing under Step 2 of sub-paragraph (2) the special fraction of the notional pre-April 2016 gain or loss, the period beginning with the day on which P acquired the disposed of interest or, if later, 6 April 2015 and ending with 5 April 2016.
- (5) “Notional post-April 2016 gain or loss” means the gain or loss which would have accrued on the relevant high value disposal had P acquired the disposed of interest on 5 April 2016 for a consideration equal to its market value on that date.
- (6) If the disposed of interest was not held by P on 5 April 2015, “notional pre-April 2016 gain or loss” means the gain or loss which would have accrued on 5 April 2016 had the disposed of interest been disposed of for a consideration equal to the market value of the interest on that date.
- (7) If the disposed of interest was held by P on 5 April 2015, “notional pre-April 2016 gain or loss” means the gain or loss which would have accrued to P on the disposal mentioned in paragraph (b), had P—
- (a) acquired the disposed of interest on 5 April 2015 for a consideration equal to the market value of that interest on that date, and
 - (b) disposed of that interest on 5 April 2016 for a consideration equal to the market value of that interest on that date.

Amount of gain or loss that is neither ATED-related nor an NRCGT gain or loss

- 16 (1) The gain or loss on the disposal of land (see paragraph 12(1)(b)) which is neither ATED-related nor an NRCGT gain or loss (“the balancing gain or loss”) is computed as follows.
- Step 1* Determine in accordance with paragraphs 17 to 19 the amount of the gain or loss accruing on each relevant high value disposal which is neither ATED-related nor an NRCGT gain or loss. This is the “balancing” gain or loss for each such disposal.
- Step 2* Add together the amounts of any balancing gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the balancing gain on the disposal of land. If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the disposal of land.
- (2) In relation to a relevant high value disposal, “balancing day” means a day which is neither—
- (a) a section 14D chargeable day (see paragraph 12(5)), nor
 - (b) an ATED chargeable day.
- (3) In relation to a relevant high value disposal, “non-ATED chargeable day” means a day which is not an ATED chargeable day.
- (4) The references in sub-paragraphs (2) and (3) to an “ATED chargeable day” are to be interpreted in accordance with paragraph 3(6) of Schedule 4ZZA.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- 17 (1) This paragraph applies in relation to a relevant high value disposal to which paragraph 13 applies.

- (a) the amount of the balancing gain or loss belonging to the notional post-April 2015 gain or loss, and
 - (b) the amount of the balancing gain or loss belonging to the notional pre-April 2015 gain or loss,
- (treating any amount which is a loss as a negative amount).
- If the result is a positive amount, that amount is the balancing gain on the relevant high value disposal.
- If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the relevant high value disposal.
- (3) If paragraph 6A of Schedule 4ZZA applies, the amount of the balancing gain or loss on the relevant high value disposal is found by adding—
- (a) the amount of the balancing gain or loss belonging to the notional post-April 2015 gain or loss,
 - (b) the amount of the balancing gain or loss belonging to the notional pre-April 2015 gain or loss, and
 - (c) if P held the disposed of interest on 5 April 2013, the amount of the notional pre-April 2013 gain or loss,
- (treating any amount which is a loss as a negative amount).
- If the result is a positive amount, that amount is the balancing gain on the relevant high value disposal.
- If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the relevant high value disposal.
- (4) The balancing gain or loss belonging to the notional post-April 2015 gain or loss is equal to the balancing fraction of the notional post-April 2015 gain or loss.
- (5) The balancing gain or loss belonging to the notional pre-April 2015 gain or loss is equal to the non-ATED related fraction of the notional pre-April 2015 gain or loss.

- (2) The assumption (which operates for the purposes of that computation) that the asset was acquired on 5 April 2015 or, as the case may be, 5 April 2016 is to be ignored in determining that question.

- (2) In those sections, references to the tax year to which an NRCGT return “relates” are to be interpreted in accordance with section 12ZB(7).
- (3) For the purposes of those sections the “completion” of a non-resident CGT disposal is taken to occur—
 - (a) at the time of the disposal, or
 - (b) if the disposal is under a contract which is completed by a conveyance, at the time when the asset is conveyed.
- (4) For the meaning in those sections of “non-resident CGT disposal” see section 14B of the 1992 Act (and see also section 12ZJ).
- (5) For the meaning of “NRCGT group” in those sections see section 288(1) of the 1992 Act.
- (6) In this section “conveyance” includes any instrument (and “conveyed” is to be construed accordingly).

- (2) In subsection (1) the “appropriate person” means—
 - (a) the taxable person in relation to the disposal, or

- (b) include a declaration by the person making it that the return is to the best of the person's knowledge correct and complete.
- (5) Subsection (1) does not apply to a non-resident CGT disposal to which section 188C of the 1992 Act applies (transfers within NRCGT group).
- (6) For the purposes of subsection (2)(b), the “relevant members” of the NRCGT group are—
 - (a) the companies which are members of that group when the disposal is made, and
 - (b) any other companies which are, at any time before the time of the disposal in the tax year to which the return relates, members of that group.
- (7) An NRCGT return “relates to” the tax year in which any gains on the non-resident CGT disposal would accrue.
- (8) The “filing date” for an NRCGT return is the 30th day following the day of the completion of the disposal to which the return relates.

But see also section 12ZJ(5).

Single return in respect of two or more non-resident CGT disposals

12ZC Where—

- (a) a person is required to make and deliver an NRCGT return with respect to two or more non-resident CGT disposals,
- (b) the date of the completion of each of the disposals is the same, and
- (c) any gains accruing on the disposals would accrue in the same tax year,

the person is to make and deliver a single return with respect to all those disposals.

NRCGT returns: grant and exercise of options

12ZD(1) This section applies where—

- (a) by virtue of section 144(2) of the 1992 Act, the grant of an option binding the grantor to sell an interest in UK land is, on the exercise of the option, treated as the same transaction as the sale, and
- (b) both the grant of the option and the transaction entered into by the grantor in fulfilment of the grantor's obligations under the option (“the sale”) would be non-resident CGT disposals (were they not treated as a single transaction).

(2) On completion of the sale—

- (a) the grantor is to be subject to the same obligations under sections 12ZB, 12ZE and 59AA (duties relating to returns and payments on account) in relation to the grant of the option as the grantor would be subject to were the option never to be exercised, and
- (b) the consideration for the option is to be disregarded (despite section 144(2) of the 1992 Act) in calculating under section 12ZF the amount of capital gains tax notionally chargeable at the completion date of the single transaction mentioned in subsection (1)(a).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

NRCGT return to include advance self-assessment

12Z(E) An NRCGT return (“the current return”) relating to a tax year (“year Y”) which a person (“P”) is required to make in respect of one or more non-resident CGT disposals (“the current disposals”) must include an assessment (an “advance self-assessment”) of—

- (a) the amount notionally chargeable at the filing date for the current return (see section 12ZF), and
- (b) if P has made (or is to make) a prior NRCGT return, the amount of any increase in the amount notionally chargeable for year Y.

But see the exceptions in section 12ZG.

- (2) In a case falling within subsection (1)(b)—
- (a) there is an “increase in the amount notionally chargeable” for year Y if the amount notionally chargeable at the filing date for the current return exceeds the corresponding amount for the prior NRCGT return (or the prior NRCGT return which has the most recent filing date, if there is more than one), and
 - (b) the amount of that increase is the amount of the excess.
- (3) “Prior NRCGT return” means an NRCGT return which—
- (a) relates to year Y, and
 - (b) is in respect of a non-resident CGT disposal (or disposals) the completion date of which is earlier than that of the current disposals.

The “amount notionally chargeable”

12Z(F) The “amount notionally chargeable” at the filing date for an NRCGT return (“the current return”) is the amount of capital gains tax to which the person whose return it is (“P”) would be chargeable under section 14D or 188D of the 1992 Act for the year to which the return relates (“year Y”), as determined—

- (a) on the assumption in subsection (2),
 - (b) in accordance with subsection (3), and
 - (c) if P is an individual, on the basis of a reasonable estimate of the matters set out in subsection (4).
- (2) The assumption mentioned in subsection (1)(a) is that in year Y no NRCGT gain or loss accrues to P on any disposal the completion of which occurs after the day of the completion of the disposals to which the return relates (“day X”).
- (3) In the determination of the amount notionally chargeable—
- (a) all allowable losses accruing to P in year Y on disposals of assets the completion of which occurs on or before day X which are available to be deducted under paragraph (a) or (b) of section 14D(2) or (as the case may be) section 188D(2) of the 1992 Act are to be so deducted, and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (b) any other relief or allowance relating to capital gains tax which is required to be given in P's case is to be taken into account, so far as the relief would be available on the assumption in subsection (2).
- (4) The matters mentioned in subsection (1)(c) are—
 - (a) whether or not income tax will be chargeable at the higher rate or the dividend upper rate in respect of P's income for year Y (see section 4(4) of the 1992 Act), and
 - (b) (if P estimates that income tax will not be chargeable as mentioned in paragraph (a)) what P's Step 3 income will be for year Y.
- (5) An advance self-assessment must, in particular, give particulars of any estimate made for the purposes of subsection (1)(c).
- (6) A reasonable estimate included in an NRCGT return in accordance with subsection (5) is not regarded as inaccurate for the purposes of Schedule 24 to the Finance Act 2007 (penalties for errors).
- (7) Where P is the relevant body of an NRCGT group—
 - (a) the references to P in subsections (2) and (3)(a) are to be read as references to any member of the NRCGT group;
 - (b) the reference to P in subsection (3)(b) is to be read as including any member of the NRCGT group.
- (8) For the purposes of this section—
 - an estimate is “reasonable” if it is made on a basis that is fair and reasonable, having regard to the circumstances in which it is made;
 - “Step 3 income”, in relation to an individual, has the same meaning as in section 4 of the 1992 Act.
- (9) In this section, references to the “relevant body” of an NRCGT group are to be interpreted in accordance with section 188D(4) of the 1992 Act.

- (6) Where a company has a pre-commencement period (“the straddling 2013 period”) which begins before 5 December 2013 and ends on or after that date, for the purposes of making a reduction under this section—

 - (b) so much of that period as falls on or after that date (“the post-2013 period”),are to be treated as separate pre-commencement periods.
- (7) Accordingly, any amount of qualifying pre-commencement expenditure, and any amount of the company's pre-commencement supplement, allocated to the pool for the straddling 2013 period is to be—
 - (a) apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each, and
 - (b) treated as allocated to the pool in question for the period in question (rather than the straddling 2013 period).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) The ring fence pool is to be taken to have been reduced at the time specified in subsection (6).
- (3) The amount of the reduction is the amount of the total pre-2013 pool reduced (but not below nil) by the amount of the total pre-2013 reduction.

 - (b) if later, 5 December 2013.
- (7) The amount (if any) in the non-qualifying pool under section 325(3) is reduced to nil (and so ceases to exist under section 325(4)).
- (8) Section 318A(6) (“the straddling 2013 period”) applies for the purposes of making a reduction under this section as it applies for the purposes of making a reduction under section 318A.
- (9) Accordingly—
- (a) any ring fence loss of the company added to the pool in the straddling 2013 period is to be apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as allocated to the pool for the period in question;
 - (b) any amount of the company's post-commencement supplement allocated to the pool for the straddling period is to be apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as allocated to the pool for the period in question;
 - (c) the total amount of reductions in the ring fence pool falling to be made in the straddling period is apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as a reduction falling to be made in the period in question.
- (10) If the basis of the apportionment in subsection (9)(a), (b) or (c) would work unjustly or unreasonably in the company's case, the company may elect for the apportionment to be made on another basis that is just and reasonable and specified in the election.
- (11) Once a reduction in the pool has been made under this section—
- (a) nothing in section 327 applies to require a reduction in the pool in respect of the use under section 45 of a loss if and to the extent that the loss is represented by the reduction made under this section, and
 - (b) if and to the extent that losses are represented by the reduction they are to be used under section 45 to reduce any profits of a post-commencement period before ring fence losses of the company the use of which would trigger a reduction of the ring fence pool under section 327.”

SUPPLEMENTARY CHARGE: INVESTMENT ALLOWANCE

Introduction

Overview

332A(1) This Chapter sets out how relief for certain expenditure incurred in relation to a qualifying oil field is given by way of reduction of a company's adjusted ring fence profits.

- (2) The Chapter includes provision about—
- (a) the oil fields that are qualifying oil fields (section 332B);
 - (b) the expenditure that is investment expenditure (section 332BA);
 - (c) the generation of allowance by the incurring of relievable investment expenditure in relation to a qualifying oil field (sections 332C and 332CA);
 - (d) restrictions on the expenditure that is relievable (sections 332D to 332DC);
 - (e) how allowance is activated by relevant income from the same oil field (sections 332F to 332FC and 332H to 332HB) in order to be available for reducing adjusted ring fence profits (sections 332E and 332EA);
 - (f) the division of an accounting period into reference periods where a company has different shares of the equity in a qualifying oil field at different times in the period (section 332G);

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (g) the transfer of allowance where shares of the equity in a qualifying oil field are disposed of (sections 332I to 332IB).
- (3) For provision about the conversion of field allowance under Chapter 7 (as it had effect before 1 April 2015) into allowance under this Chapter, see paragraphs 7 and 8 of Schedule 12 to FA 2015.

“Qualifying oil field” and “investment expenditure”

Meaning of “qualifying oil field”

332B In this Chapter “qualifying oil field” means an oil field that is not wholly or partly included in a cluster area (see section 356JD).

Meaning of “investment expenditure”

- 332B(1) For the purposes of this Chapter, expenditure incurred by a company is “investment” expenditure only if it is—
- (a) capital expenditure, or
 - (b) expenditure of such other description as may be prescribed by the Treasury by regulations.
- (2) Regulations under subsection (1)(b) may provide for any of the provisions of the regulations to have effect in relation to expenditure incurred before the regulations are made.
- (3) But subsection (2) does not apply to any provision of amending or revoking regulations which has the effect that expenditure of any description ceases to be investment expenditure.
- (4) Regulations under subsection (1)(b) may—
- (a) make different provision for different purposes;
 - (b) make transitional provision and savings.

Investment allowance

Generation of investment allowance

- 332(1) Subsection (2) applies where a company—
- (a) is a participator in a qualifying oil field, and
 - (b) incurs any relievable investment expenditure on or after 1 April 2015 in relation to the oil field.
- (2) The company is to hold an amount of allowance equal to 62.5% of the amount of the expenditure.
- Allowance held under this Chapter is called “investment allowance”.
- (3) For the purposes of this section investment expenditure incurred by a company is “relievable” only if, and so far as, it is incurred for the purposes of oil-related activities (see section 274).
- (4) Subsections (1) to (3) are subject to—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) section 332D (which prevents expenditure on the acquisition of an asset from being relievably in certain circumstances),
 - (b) section 332DA (which restricts relievably expenditure in relation to an oil field that previously qualified for a field allowance under Chapter 7 as a new oil field),
 - (c) section 332DB (which restricts relievably expenditure in relation to a project by reference to which an oil field previously qualified for a field allowance under Chapter 7 as an additionally-developed oil field), and
 - (d) section 332DC (which prevents certain expenditure from being relievably if it relates to an oil field in respect of which onshore allowance may be obtained under Chapter 8).
- (5) Investment allowance is said in this Chapter to be “generated” at the time when the investment expenditure is incurred (see section 332K) and is referred to as being generated—
- (a) “by” the company concerned;
 - (b) “in” the qualifying oil field concerned.
- (6) Where—
- (a) investment expenditure is incurred only partly for the purposes of oil-related activities, or
 - (b) the oil-related activities for the purposes of which investment expenditure is incurred are carried on only partly in relation to a particular qualifying oil field,
- the expenditure is to be attributed to the activities or field concerned on a just and reasonable basis.

Expenditure incurred before field is determined

332CA(1) This section applies to expenditure incurred by a company on or after 1 April 2015 for the purposes of oil-related activities if or to the extent that the following conditions are met.

- (2) The conditions are—
- (a) that the expenditure was in respect of an area,
 - (b) that, at the time the expenditure was incurred, the area had not been determined under Schedule 1 to OTA 1975 to be an oil field,
 - (c) that the area is subsequently determined under that Schedule to be an oil field, and
 - (d) that the company is a licensee in the oil field.
- (3) Where this section applies in relation to an amount of expenditure, that amount is treated for the purposes of this Chapter as incurred by the company—
- (a) in relation to the oil field, and
 - (b) at the time when the area is determined under Schedule 1 to OTA 1975 to be an oil field.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Restrictions on relievable expenditure

Expenditure on acquisition of asset: disqualifying conditions

332D(1) Investment expenditure incurred by a company (“the acquiring company”) on the acquisition of an asset is not relievable expenditure for the purposes of section 332C if either of the disqualifying conditions in this section applies to the asset.

(2) The first disqualifying condition is that investment expenditure incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset was relievable under section 332C.

(3) The second disqualifying condition is that—

(a) the asset—

- (i) is the whole or part of the equity in a qualifying oil field, or
- (ii) is acquired in connection with a transfer to the acquiring company of the whole or part of the equity in a qualifying oil field,

(b) expenditure was incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset, and

(c) any of that expenditure—

- (i) related to the qualifying oil field, and
- (ii) would have been relievable under section 332C if this Chapter had been fully in force and had applied to expenditure incurred at that time.

(4) For the purposes of subsection (3)(a)(ii) it does not matter whether the asset is acquired at the time of the transfer.

Restriction where field qualified for field allowance as new field

332DA(1) This section applies to expenditure which—

(a) is incurred by a company in relation to an oil field that was for the purposes of Chapter 7 a new oil field with an authorisation day before 1 January 2016,

(b) would in the absence of this section be relievable under section 332C, and

(c) is not excluded from this section by—

- (i) subsection (5) (material completion),
- (ii) subsection (7) (company without share of equity), or
- (iii) subsection (8) (additionally-developed oil fields).

In the following provisions of this section, expenditure to which this section applies is referred to as “relevant expenditure”.

(2) Relevant expenditure incurred by a company on any day (“the relevant day”) is not relievable expenditure for the purposes of section 332C except—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) if immediately before the relevant day the cumulative total of relevant expenditure attributable to the company's share of the equity in the oil field (see subsection (3)) exceeds the relevant field threshold (see subsection (4)), or
 - (b) to the extent that, in a case not within paragraph (a), the amount of relevant expenditure incurred on the relevant day, when added to that cumulative total, exceeds the relevant field threshold.
- (3) The “cumulative total of relevant expenditure attributable to the company's share of the equity in the oil field” at any time is the total amount of relevant expenditure which is incurred by the company during the period beginning with the start date and ending with that time, but this is subject to sections 332IA(3) and 332IB(4) (which relate to the disposal and acquisition of equity in an oil field).

In this subsection “the start date” means 1 April 2015 or, if later, the authorisation day (within the meaning of Chapter 7) for the field.

- (4) The “relevant field threshold” is an amount given by the formula—

$$160\% \times F \times E$$

where—

F is the total field allowance for the oil field, as originally determined under section 356 for the purposes of Chapter 7;

E is the company's share of the equity in the oil field at the end of the relevant day.

- (5) This section does not apply to expenditure which is incurred on or after the day determined by the Secretary of State as that on which the relevant project was materially completed.
- (6) “The relevant project” means—
- (a) in a case that fell within section 351(1)(a), the development described in the field development plan for the field, and
 - (b) in a case that fell within section 351(1)(b) or (c), the programme of development for the field.
- (7) This section does not apply to expenditure incurred by a company if—
- (a) at the time when the expenditure is incurred, the company is not a licensee in the oil field, and
 - (b) the expenditure is incurred in making an asset available in a way which gives rise to tariff receipts (as defined by section 15(3) of the Oil Taxation Act 1983) or tax-exempt tariffing receipts (as defined by section 6A(2) of that Act).

(8) This section does not apply to expenditure to which section 332DB applies.

Restriction where project in additionally-developed field qualified for field allowance

332D~~B~~) This section applies to expenditure which—

- (a) is incurred by a company in relation to a project by reference to which an oil field was immediately before 1 April 2015 an additionally-developed oil field for the purposes of Chapter 7,
- (b) would in the absence of this section be relievable under section 332C, and
- (c) is not excluded from this section by subsection (5) (material completion) or subsection (6) (company without share of project-related reserves).

In the following provisions of this section, expenditure to which this section applies is referred to as “relevant expenditure”.

- (2) Relevant expenditure incurred by a company in relation to a project on any day (“the relevant day”) is not relievable expenditure for the purposes of section 332C except—
 - (a) if immediately before the relevant day the cumulative total of relevant expenditure attributable to the company's share of project-related reserves (see subsection (3)) exceeds the relevant project threshold (see subsection (4)), or
 - (b) to the extent that, in a case not within paragraph (a), the amount of relevant expenditure incurred on the relevant day, when added to that cumulative total, exceeds the relevant project threshold.
- (3) The “cumulative total of relevant expenditure attributable to the company's share of project-related reserves” at any time is the total amount of relevant expenditure which is incurred by the company during the period beginning with 1 April 2015 and ending with that time, but this is subject to sections 332IA(5) and 332IB(6) (which relate to the disposal and acquisition of shares in project-related reserves).
- (4) The “relevant project threshold” is an amount given by the formula—

$$160\% \times F \times E$$

where—

F is the total field allowance for the oil field in relation to the project, as originally determined under section 356A for the purposes of Chapter 7;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

E is the company's share of project-related reserves at the end of the relevant day.

- (5) This section does not apply to expenditure which is incurred on or after the day determined by the Secretary of State as that on which the project was materially completed.
- (6) This section does not apply to expenditure incurred by a company if—
- (a) the company does not, at the time when the expenditure is incurred, hold a share of project-related reserves, and
 - (b) the expenditure is incurred in making an asset available in a way which gives rise to tariff receipts (as defined by section 15(3) of the Oil Taxation Act 1983) or tax-exempt tariffing receipts (as defined by section 6A(2) of that Act).
- (7) In this section “project-related reserves”, in relation to a project and an oil field, means the additional reserves of oil that the oil field has as a result of the project.

Restriction relating to fields qualifying for onshore allowance

- 332D(1) This section applies to investment expenditure which is incurred—
- (a) for the purposes of onshore oil-related activities in respect of an oil field which is a qualifying site within the meaning of section 356C (generation of onshore allowance), and
 - (b) on a day at the beginning of which neither of the disqualifying conditions in section 356CA (disqualifying conditions for section 356C(4)(b)) is met.
- (2) Expenditure to which this section applies is not relievable expenditure for the purposes of section 332C.
- (3) In this section “onshore oil-related activities” has the same meaning as in Chapter 8 (see section 356BA).

Reduction of adjusted ring fence profits

Reduction of adjusted ring fence profits

- 332E(1) A company's adjusted ring fence profits for an accounting period are to be reduced by the cumulative total amount of activated allowance for the accounting period (but are not to be reduced below zero).
- (2) In relation to a company and an accounting period, the “cumulative total amount of activated allowance” is—

$$A + C$$

where—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

A is the total of any amounts of activated allowance the company has, for any qualifying oil fields, for the accounting period (see section 332F(2)) or for reference periods within the accounting period (see section 332H(1)), and

C is any amount carried forward to the period under section 332EA.

Carrying forward of activated allowance

332E(A) This section applies where, in the case of a company and an accounting period, the cumulative total amount of activated allowance (see section 332E(2)) is greater than the adjusted ring fence profits.

(2) The difference is carried forward to the next accounting period.

Activated and unactivated allowance: basic calculation rules

Activation of allowance: no change of equity share

332(F) This section applies where—

- (a) for the whole or part of an accounting period, a company is a licensee in a qualifying oil field,
- (b) the accounting period is not divided into reference periods (see section 332G),
- (c) the company holds, for the accounting period and the qualifying oil field, a closing balance of unactivated allowance (see section 332FA) which is greater than zero, and
- (d) the company has relevant income from the qualifying oil field for the accounting period.

(2) The amount of activated allowance the company has for that accounting period and that qualifying oil field is the smallest of—

- (a) the closing balance of unactivated allowance held for the accounting period and the oil field;
- (b) the company's relevant income from that oil field for that accounting period;
- (c) in a case where section 332FB applies, the relevant activation limit for the accounting period and the oil field (see subsection (2) of that section).

(3) In this Chapter “relevant income”, in relation to a qualifying oil field and an accounting period of a company, means production income of the company from any oil extraction activities carried on in that oil field that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

The closing balance of unactivated allowance for an accounting period

332FA The closing balance of unactivated allowance held by a company for an accounting period and a qualifying oil field is—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Activation limit for former additionally-developed fields

- 332F(1) This section applies to a company for an accounting period in relation to an oil field if—
- (a) immediately before 1 April 2015 the oil field was an additionally-developed oil field for the purposes of Chapter 7 as a result of a project that fell within section 349A(1), and
 - (b) the project is not an excluded project (see subsection (3)).
- (2) For the purposes of section 332F(2)(c), the “relevant activation limit” for the accounting period and the oil field is the amount that would be the closing balance of unactivated allowance held by the company for the accounting period if paragraph 7(3) of Schedule 12 to FA 2015 (conversion of unactivated field allowance) had never applied to any allowance attributable to the project.
- (3) The project is an “excluded” project if condition A or condition B is met.
- (4) Condition A is that—
- (a) a substantial amount of work has been done in relation to the project, and
 - (b) the accounting period begins on or after the first day of the year of expected first production for the project.
- (5) The “year of expected first production” for the project is the year that was notified to the Secretary of State, on or before the day on which the project was authorised by the Secretary of State, as the calendar year in which additional reserves of oil were expected to be first won from the field as a result of the project.
- (6) Condition B is that the accounting period begins on or after the day determined under section 332DB(5) as that on which the project was materially completed.

Carrying forward of unactivated allowance

332F(1) If, in the case of an accounting period of a company and a qualifying oil field, the amount given by subsection (2) is greater than zero, that amount is treated as investment allowance held by the company for that oil field for the next period (and is treated as held with effect from the beginning of that period).

- (2) The amount is—

$$U - A - T$$

where—

U is the closing balance of unactivated allowance held for the accounting period and the qualifying oil field (see section 332FA);

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

A is the amount of activated allowance that the company has for the accounting period and the qualifying oil field (see section 332F(2));

T is any amount that is required by section 332IA(1) (reduction of allowance if equity disposed of) to be deducted in connection with a disposal or disposals made on the day following the end of the accounting period.

- (3) If the accounting period is followed by a reference period of the company belonging to that qualifying oil field (see section 332G), “the next period” means that period.
- (4) If subsection (3) does not apply “the next period” means the next accounting period of the company.

Changes in equity share: reference periods

Reference periods

332(G) This section applies where—

- (a) a company is a licensee in a qualifying oil field for the whole or part of an accounting period, and
 - (b) the company has different shares of the equity in the field on different days in the accounting period.
- (2) For the purposes of this Chapter, the accounting period is to be divided into as many consecutive periods (called “reference periods”) as are necessary to secure that—
- (a) a reference period begins with the first day of the accounting period,
 - (b) a reference period begins with the date of each disposal or acquisition of a share of the equity in the qualifying oil field that is made by the company in that accounting period (not including acquisitions or disposals made on the first day of the accounting period), and
 - (c) a reference period ends with the last day of the accounting period.
- (3) Each such reference period “belongs to” the qualifying oil field concerned.

Changes in equity share: activation of allowance

Activation of allowance: reference periods

332(H) The amount (if any) of activated allowance that a company has for a qualifying oil field for a reference period is the smallest of the following—

- (a) the total amount of unactivated allowance that is attributable to the reference period and the oil field (see section 332HA);
- (b) the company's relevant income from the oil field for the reference period (see subsection (2));
- (c) in a case where section 332FB (activation limit applying in case of certain fields) applies, the relevant activation limit for the reference period and the oil field (see subsection (3)).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) The company's relevant income from the oil field for the reference period is so much of the company's relevant income from the oil field for the accounting period (see section 332F(3)) as arises in the reference period.
- (3) If section 332FB (activation limit applying in case of certain fields) applies in relation to the oil field for the accounting period in which the reference period falls, the “relevant activation limit” for the reference period and the oil field is the amount that would be the total amount of unactivated allowance attributable to the reference period and the oil field if paragraph 7(3) of Schedule 12 to FA 2015 (conversion of unactivated field allowance) had never applied to any allowance attributable to the project in question.

Unactivated amounts attributable to a reference period

332H(A) For the purposes of section 332H(1)(a), the total amount of unactivated allowance attributable to a reference period and a qualifying oil field is—

$$P + Q$$

where—

P is the amount of allowance generated by the company in the reference period in the oil field (including any amount treated under section 332IB(1) as generated by the company in that oil field in that reference period);

Q is the amount given by subsection (2) or (3).

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 332FC(1).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount (if any) carried forward under section 332HB(1).

Carry-forward of unactivated allowance from a reference period

332H(B) If, in the case of a reference period (“RP1”) of a company, the amount given by subsection (2) is greater than zero, that amount is treated as investment allowance held by the company for the qualifying oil field for the next period (and is treated as held with effect from the beginning of that period).

- (2) The amount is—

$$U - A - T$$

where—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

U is the total amount of unactivated allowance attributable to the reference period and the qualifying oil field (see section 332HA(1));

A is the amount of activated allowance that the company has for the qualifying oil field for the reference period (see section 332H(1));

T is any amount that is required by section 332IA(1) (reduction of allowance if equity disposed of) to be deducted in connection with a disposal or disposals made on the day following the end of the reference period.

- (3) If RP1 is immediately followed by another reference period of the company (belonging to the same qualifying oil field), “the next period” means that reference period.
- (4) If subsection (3) does not apply, “the next period” means the next accounting period of the company.

Transfers of allowance on disposal of equity share

Introduction to sections 332IA and 332IB

332I Sections 332IA and 332IB apply where—

- (a) a company (“the transferor”) disposes of the whole or part of its share of the equity in a qualifying oil field, and
 - (b) one or more of the following conditions is met.
- (2) The “unactivated allowance condition” is that immediately before the disposal the transferor holds unactivated investment allowance for the oil field.

 - (a) immediately before the disposal the company has for the purposes of section 332DA (restriction where field qualified for field allowance as new field) a cumulative total of relevant expenditure attributable to its share of the equity in the oil field, and
 - (b) the date of the disposal falls before any date determined under section 332DA(5) (material completion).
 - (4) The “section 332DB expenditure condition” is that—
 - (a) immediately before the disposal the company has for the purposes of section 332DB (restriction where project in additionally-developed field qualified for field allowance) a cumulative total of relevant expenditure attributable to its share of project-related reserves in relation to the oil field, and
 - (b) the date of the disposal falls before any date determined under section 332DB(5) (material completion).
 - (5) In sections 332IA and 332IB—
 - (a) each of the companies to which a share of the equity is disposed of is referred to as “a transferee”, and
 - (b) references to conditions are to be read in accordance with this section.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Reduction of allowance if equity is disposed of

332IA) If the unactivated allowance condition is met, the following amount is to be deducted in calculating the total amount of unactivated investment allowance attributable to the qualifying oil field concerned that is to be carried forward under section 332FC or 332HB from an accounting period or reference period of the transferor—

$$(U - A) \times \frac{(E1 - E2)}{E1}$$

where—

U and A are—

- (a) in the case of a disposal made on the day following the end of an accounting period, the same as in section 332FC(2) (in its application to that period), or

- (2) Subsection (3) applies if the section 332DA expenditure condition is met.
- (3) As from the beginning of the accounting period or reference period that begins with the day on which the disposal is made, the following amount is to be deducted in calculating for the purposes of section 332DA the cumulative total of relevant expenditure attributable to the transferor's share of the equity in the oil field—

$$X \times \frac{(E1 - E2)}{E1}$$

where—

X is the cumulative total of relevant expenditure attributable to the transferor's share of the equity in the oil field (for the purposes of section 332DA), determined immediately before the disposal;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

$$X \times \frac{(E1 - E2)}{E1}$$

where—

X is the cumulative total of relevant expenditure attributable to the transferor's share of project-related reserves (for the purposes of section 332DB), determined immediately before the disposal;

E1 is the transferor's share, immediately before the disposal, of the additional reserves of oil that the oil field has as a result of the project;

E2 is the transferor's share, immediately after the disposal, of the additional reserves of oil that the oil field has as a result of the project.

Acquisition of allowance if equity acquired

332I(1) If the unactivated allowance condition is met, a transferee is treated as generating in the qualifying oil field concerned, at the beginning of the reference period or accounting period of the transferee that begins with the day on which the disposal is made, investment allowance of the amount given by subsection (2).

- (2) The amount is—

$$R \times \frac{E3}{E1 - E2}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(1);

E3 is the share of the equity in the qualifying oil field that the transferee has acquired from the transferor;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

E1 and E2 are the same as in section 332IA(1).

- (3) Subsection (4) applies if the section 332DA expenditure condition is met.
- (4) A transferee is treated for the purposes of section 332DA(3) as having incurred in respect of the qualifying oil field, at the beginning of the reference period or accounting period of the transferee that begins with the day on which the disposal is made, expenditure of the following amount—

$$R \times \frac{E3}{(E1 - E2)}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(3);

E1, E2 and E3 have the same meaning as in subsection (2).

$$R \times \frac{E3}{(E1 - E2)}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(5);

E3 is the share of the project-related reserves that the transferee has acquired from the transferor;

E1 and E2 have the same meaning as in section 332IA(5).

- (7) In subsection (6) “project-related reserves” means the additional reserves of oil that the oil field has as a result of the project.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

“CHAPTER 9 U.K.

SUPPLEMENTARY CHARGE: CLUSTER AREA ALLOWANCE

Introduction

Overview

356J(1) This Chapter sets out how relief for certain expenditure incurred in relation to a cluster area is given by way of reduction of a company's adjusted ring fence profits.

- (2) The Chapter includes provision about—
- (a) the determination of cluster areas (sections 356JD and 356JDA);
 - (b) the meaning of investment expenditure (section 356JE);
 - (c) the generation of allowance by the incurring of relievable investment expenditure in relation to a cluster area (section 356JF);
 - (d) how allowance is activated by relevant income from the same cluster area (sections 356JH to 356JHB and 356JJ to 356JJB) in order to be available for reducing adjusted ring fence profits (sections 356JG and 356JGA);
 - (e) the division of an accounting period into reference periods where a company has different shares of the equity in a licensed area or sub-area at different times in the period (section 356JI);

 - (g) elections to treat allowance attributable to an unlicensed part of a cluster area as if it were attributable to a licensed area or sub-area in the cluster area (section 356JL).

Determination of cluster areas

Meaning of “cluster area”

356J(1) In this Part “cluster area” means an offshore area which the Secretary of State determines to be a cluster area.

- (2) A cluster area is treated as not including any previously authorised oil field (or any part of such an oil field) (see section 356JDA).
- (3) An area is “offshore” for the purposes of this section if the whole of it lies on the seaward side of the baselines from which the territorial sea of the United Kingdom is measured.
- (4) Before determining an area to be a cluster area the Secretary of State must—
 - (a) give written notice of the proposed determination to every person who is a licensee in respect of a licensed area or sub-area which is wholly or partly included in the proposed cluster area and to any other licensee whose interests appear to the Secretary of State to be affected, and

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Meaning of “previously authorised oil field”

- 356JD(1) In section 356JD “previously authorised oil field”, in relation to a cluster area, means an oil field, other than a decommissioned oil field, whose development (in whole or in part) was authorised for the first time before the relevant day.
- (2) An oil field is a “decommissioned oil field” in relation to a cluster area if, immediately before the relevant day, all assets of the oil field which are relevant assets have been decommissioned.
 - (3) In this section, “relevant day”, in relation to an oil field and a cluster area, means the date of publication of the first determination, or variation of a determination, under section 356JD as a result of which the oil field is (ignoring section 356JD(2)) wholly or partly included in the cluster area.
 - (4) Sub-paragraphs (2) to (9) of paragraph 7 of Schedule 1 to OTA 1975 apply for the purpose of determining whether relevant assets of an oil field are decommissioned as they apply for the purpose of determining whether qualifying assets of a relevant area are decommissioned.
 - (5) For the purposes of this section, an asset is a relevant asset of an oil field if—
 - (a) it has at any time been a qualifying asset (within the meaning of the Oil Taxation Act 1983) in relation to any participator in the field, and
 - (b) it has at any time been used for the purpose of winning oil from the field.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (6) In this section references to authorisation of development of an oil field are to be interpreted in accordance with section 356IB.

Meaning of “investment expenditure”

Meaning of “investment expenditure”

- 356JF(1) For the purposes of this Chapter, expenditure incurred by a company is “investment” expenditure only if it is—
- (a) capital expenditure, or
 - (b) expenditure of such other description as may be prescribed by the Treasury by regulations.
- (2) Regulations under subsection (1)(b) may provide for any of the provisions of the regulations to have effect in relation to expenditure incurred before the regulations are made.
 - (3) But subsection (2) does not apply to any provision of amending or revoking regulations which has the effect that expenditure of any description ceases to be investment expenditure.
 - (4) Regulations under subsection (1)(b) may—
 - (a) make different provision for different purposes;
 - (b) make transitional provision and savings.

Cluster area allowance

Generation of cluster area allowance

- 356JF(1) Subsection (2) applies where a company—
- (a) is a licensee in a licensed area or sub-area which is wholly or partly included in a cluster area, and
 - (b) incurs any relievable investment expenditure on or after 3 December 2014 in relation to the cluster area.
- (2) The company is to hold an amount of allowance equal to 62.5% of the amount of the expenditure.
Allowance held under this Chapter is called “cluster area allowance”.
 - (3) For the purposes of this section investment expenditure incurred by a company is “relievable” only if, and so far as, it is incurred for the purposes of oil-related activities (see section 274).
 - (4) Subsections (1) to (3) are subject to section 356JFA (which prevents expenditure on the acquisition of an asset from being relievable in certain circumstances).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (5) Cluster area allowance is said in this Chapter to be “generated” at the time when the investment expenditure is incurred (see section 356JN) and is referred to as being generated—
- (a) “by” the company concerned;
 - (b) “in” the cluster area concerned.
- (6) Where—
- (a) investment expenditure is incurred only partly for the purposes of oil-related activities, or
 - (b) the oil-related activities for the purposes of which investment expenditure is incurred are carried on only partly in relation to a particular cluster area,
- the expenditure is to be attributed to the activities or area concerned on a just and reasonable basis.

Expenditure on acquisition of asset: disqualifying conditions

- 356JF(A) Investment expenditure incurred by a company (“the acquiring company”) on the acquisition of an asset is not relievable expenditure for the purposes of section 356JF if either of the disqualifying conditions in this section applies to the asset.
- (2) The first disqualifying condition is that investment expenditure incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset was relievable under section 356JF.
 - (3) The second disqualifying condition is that—
 - (a) the asset—
 - (i) is the whole or part of the equity in a licensed area or sub-area, or
 - (ii) is acquired in connection with a transfer to the acquiring company of the whole or part of the equity in a licensed area or sub-area,
 - (b) expenditure was incurred, at any time before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset, and
 - (c) any of that expenditure—
 - (i) related to the cluster area, and
 - (ii) would have been relievable under section 356JF if this Chapter had applied to expenditure incurred at that time.
 - (4) For the purposes of subsection (3)(a)(ii), it does not matter whether the asset is acquired at the time of the transfer.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Reduction of adjusted ring fence profits

Reduction of adjusted ring fence profits

356JG(1) A company's adjusted ring fence profits for an accounting period are to be reduced by the cumulative total amount of activated allowance for the accounting period (but are not to be reduced below zero).

(2) In relation to a company and an accounting period, the “cumulative total amount of activated allowance” is—

$$A + C$$

where—

A is the total of any amounts of activated allowance the company has, for any cluster areas, for the accounting period (see section 356JH(2)) or for reference periods within the accounting period (see section 356JJ(1)), and

C is any amount carried forward to the period under section 356JGA.

Carrying forward of activated allowance

356JG(1) This section applies where, in the case of a company and an accounting period, the cumulative total amount of activated allowance (see section 356JG(2)) is greater than the adjusted ring fence profits.

(2) The difference is carried forward to the next accounting period.

Activated and unactivated allowance: basic calculation rules

Activation of allowance: no change of equity share

356JH(1) This section applies where—

- (a) for the whole or part of an accounting period, a company is a licensee in a licensed area or sub-area which is wholly or partly included in a cluster area,
- (b) the accounting period is not divided into reference periods (see section 356JI),
- (c) the company holds, for the accounting period and the cluster area, a closing balance of unactivated allowance (see section 356JHA) which is greater than zero, and
- (d) the company has relevant income from the cluster area for the accounting period.

(2) The amount of activated allowance the company has for that accounting period and that cluster area is the smaller of—

- (a) the closing balance of unactivated allowance held for the accounting period and the cluster area;

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (b) the company's relevant income for that accounting period from that cluster area.
- (3) In this Chapter “relevant income”, in relation to a cluster area and an accounting period of a company, means production income of the company from any oil extraction activities carried on in that area that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

The closing balance of unactivated allowance for an accounting period

356JHA The closing balance of unactivated allowance held by a company for an accounting period and a cluster area is—

Carrying forward of unactivated allowance

356JHB) If, in the case of an accounting period of a company and a cluster area, the amount given by subsection (2) is greater than zero, that amount is treated as cluster area allowance held by the company for that cluster area for the next period (and is treated as held with effect from the beginning of that period).

- (2) The amount is—

$$U - A - T$$

where—

U is the closing balance of unactivated allowance held for the accounting period and the cluster area;

A is the amount of activated allowance that the company has for the accounting period and the cluster area (see section 356JH(2));

T is the sum of any amounts transferred by the company under section 356JK in connection with a disposal or disposals made on the day following the end of the accounting period.

- (3) If the accounting period is followed by a reference period of the company belonging to that cluster area (see section 356JI), “the next period” means that period.
- (4) If subsection (3) does not apply “the next period” means the next accounting period of the company.

Changes in equity share: reference periods

Reference periods

356JL) This section applies where—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (a) a company is a licensee for the whole or part of an accounting period in one or more licensed areas or sub-areas (“the relevant areas”) which are wholly or partly included in a cluster area, and
 - (b) in the case of at least one of the relevant areas, the company has different shares of the equity in the area on different days in the accounting period.
- (2) For the purposes of this Chapter, the accounting period is to be divided into as many consecutive periods (called “reference periods”) as are necessary to secure that—
- (a) a reference period begins with the first day of the accounting period,
 - (b) a reference period begins with the date of each disposal or acquisition of a share of the equity in any of the relevant areas that is made by the company in that accounting period (not including acquisitions or disposals made on the first day of the accounting period), and
 - (c) a reference period ends with the last day of the accounting period.
- (3) Each such reference period “belongs to” the cluster area concerned.

Changes in equity share: activation of allowance

Activation of allowance: reference periods

- 356JJ(1) The amount (if any) of activated allowance that a company has for a cluster area for a reference period is the smaller of the following—
- (a) the company's relevant income from the cluster area for the reference period;
 - (b) the total amount of unactivated allowance that is attributable to the reference period and the cluster area (see section 356JJA).
- (2) The company's relevant income from the cluster area for the reference period is so much of the company's relevant income from the cluster area for the accounting period (see section 356JH(3)) as arises in the reference period.

Unactivated amounts attributable to a reference period

- 356JJ(1) For the purposes of section 356JJ(1)(b), the total amount of unactivated allowance attributable to a reference period and a cluster area is—

$$P + Q$$

where—

P is the amount of allowance generated by the company in the reference period in the cluster area (including any amount treated under section 356JKB(1) as generated by the company in that area in that reference period);

Q is the amount given by subsection (2) or (3).

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 356JHB(1).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount (if any) carried forward under section 356JJB(1).

Carry-forward of unactivated allowance from a reference period

356JJ~~B~~) If, in the case of a reference period (“RP1”) of a company, the amount given by subsection (2) is greater than zero, that amount is treated as cluster area allowance held by the company for the cluster area concerned for the next period.

- (2) The amount is—

$$U - A - T$$

where—

U is the total amount of unactivated allowance attributable to the reference period and the cluster area (see section 356JJA);

A is the amount of activated allowance that the company has for the cluster area for the reference period (see section 356JJ);

T is the sum of any amounts transferred by the company under section 356JK in connection with a disposal or disposals made on the day following the end of the reference period.

- (3) If RP1 is immediately followed by another reference period of the company (belonging to the same cluster area), “the next period” means that reference period.
- (4) If subsection (3) does not apply, “the next period” means the next accounting period of the company.

Transfers of allowance on disposal of equity share

Disposal of equity share: transfer of allowance

356JK~~L~~) Subsections (2) and (3) apply where—

- (a) a company (“the transferor”) makes a disposal, on the day following the end of an accounting period or reference period, of the whole or part of its share of the equity in a licensed area or sub-area which is wholly or partly included in a cluster area (“the relevant cluster area”), and
- (b) the maximum transferable amount is greater than zero.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Each company to which a share of the equity is disposed of is referred to in this section as a “transferee”.

- (2) The transferor may, by an election, transfer to the transferee (or transferees) a specified amount of cluster area allowance (greater than zero) which—
 - (a) is not less than the minimum transferable amount, and
 - (b) is not more than the maximum transferable amount.
- (3) If the transferor does not make an election under subsection (2), the minimum transferable amount of cluster area allowance (if greater than zero) is transferred to the transferee (or transferees).
- (4) An election under subsection (2)—
 - (a) must be made within the 60 days beginning with the date of the disposal,
 - (b) must—
 - (i) specify the date of the disposal and the amount of cluster area allowance transferred, and
 - (ii) identify the transferees, and
 - (c) is irrevocable.
- (5) The minimum transferable amount is—

$$(G - A) \times \frac{E1 - E2}{E1}$$

where—

G is so much of the total generated allowance for the relevant cluster area (see subsection (6)) as is attributable on a just and reasonable basis to the licensed area or sub-area mentioned in subsection (1);

A is the total of any amounts of allowance which have, in relation to any accounting period or reference period of the transferor ending before the date of the disposal, been activated under section 356JH or 356JJ in relation to the relevant cluster area;

E1 is the transferor's share of the equity in the licensed area or sub-area immediately before the disposal;

E2 is the transferor's share of the equity in the licensed area or sub-area immediately after the disposal.

- (6) In the definition of “G” in subsection (5), “the total generated allowance for the relevant cluster area” means the total of—
 - (a) all amounts of cluster area allowance generated by the transferor in that cluster area before the date of the disposal, and
 - (b) any amounts treated under section 356JKB(1) as so generated on the date of the disposal.
- (7) The maximum transferable amount is—

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

$$M \times \frac{E1 - E2}{E1}$$

where—

M is the smaller of—

- (a) G (as defined in subsection (5)), and
- (b) the transferor's pre-transfer total of unactivated allowance for the relevant cluster area;

E1 and E2 have the same meaning as in subsection (5).

- (8) In subsection (7) the transferor's “pre-transfer total of unactivated allowance for the relevant cluster area” means—

$$P + Q - (A + S)$$

where—

P and Q are—

- (a) if the disposal is made on the day following the end of an accounting period, the same as in section 356JHA (in its application to that period), or
- (b) if the disposal is made on the day following the end of a reference period, the same as in section 356JJA(1) (in its application to that period);

A is—

- (a) if the disposal is made on the day following the end of an accounting period, the same as in section 356JHB(2) (in its application to that period), or
- (b) if the disposal is made on the day following the end of a reference period, the same as in section 356JJB(2) (in its application to that period);

S is the total of any amounts of allowance transferred by the transferor in connection with any prior disposals (see section 356JKA) made in relation to the relevant cluster area on the day on which the disposal is made.

- (9) For the effect of a transfer of cluster area allowance in relation to the transferor, see—
 - (a) for disposals made on the day following the end of an accounting period, section 356JHB (reduction of unactivated allowance carried forward from accounting period), or

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (b) for disposals made on the day following the end of a reference period, section 356JJB (reduction of unactivated allowance carried forward from reference period).

More than one disposal on a single day

356JK(A) Subsections (2) to (4) apply where a company makes, on a single day and in relation to a single cluster area, more than one disposal falling within section 356JK(1)(a).

- (2) The company may, by an election, choose the order of priority of the disposals for the purposes of section 356JK(8).
- (3) A disposal which is placed higher in the order of priority than another disposal is a “prior disposal” in relation to the other for the purposes of the definition of “S” in section 356JK(8).
- (4) An election under subsection (2) is irrevocable.

Effect of transfer of allowance for transferee

356JK(B) Where a transfer of cluster area allowance is made under section 356JK, each transferee is treated as generating in the cluster area concerned, at the beginning of the accounting period or reference period of the transferee that begins with the day on which the disposal is made, cluster area allowance of the amount given by subsection (2).

- (2) The amount is—

$$T \times \frac{E3}{E1 - E2}$$

where—

T is the total amount of cluster area allowance transferred in connection with the disposal;

E3 is the share of equity in the licensed area or sub-area that the transferee has acquired from the transferor;

E1 and E2 are the same as in section 356JK(5).

- (3) In this section references to the transferor and the transferees are to be read in accordance with section 356JK(1).

- (2) C may, by an election, assign to area A, or to any other relevant licensed area or sub-area in the cluster area, so much of the total of generated allowance for the cluster area as is attributable to area U.
- (3) The reference in subsection (2) to a “relevant” licensed area or sub-area is to a licensed area or sub-area in which C is a licensee.
- (4) In subsection (2), “the total of generated allowance for the cluster area” means the total of all amounts of cluster area allowance generated by C in the cluster area at any time on or before the day of the disposal (including any amounts treated under section 356JKB(1) as so generated).
- (5) An election under this section must be made within the 60 days beginning with the date of the disposal and must specify—
- (a) the amount of cluster area allowance transferred,
 - (b) the unlicensed area to which it was attributable, and
 - (c) the licensed area or sub-area to which it is assigned.
- (6) An election under this section is irrevocable.
- (7) Where an amount of cluster area allowance is assigned to a licensed area or sub-area by an election under this section, that amount is taken, for the purposes of this Chapter—
- (a) to have been attributable to that licensed area or sub-area with effect from the beginning of the day on which the disposal is made, and
 - (b) never to have been attributable to area U.
- (8) In this section—
- “attributable” means attributable on a just and reasonable basis;
 - “unlicensed area” means an area which is not (and is not part of) a licensed area or sub-area.

Section 121

PENALTIES IN CONNECTION WITH OFFSHORE ASSET MOVES

Penalty linked to offshore asset moves

- 1 (1) A penalty is payable by a person (“P”) where Conditions A, B and C are met.
- (2) Condition A is that—
- (a) P is liable for a penalty specified in paragraph 2 (“the original penalty”), and
- (b) the original penalty is for a deliberate failure (see paragraph 3).
- (3) Condition B is that there is a relevant offshore asset move (see paragraph 4) which occurs after the relevant time (see paragraph 5).
- (4) Condition C is that—
- (a) the main purpose, or one of the main purposes, of the relevant offshore asset move is to prevent or delay the discovery by Her Majesty's Revenue and Customs (“HMRC”) of a potential loss of revenue, and
- (b) the original penalty relates to an inaccuracy or failure which relates to the same potential loss of revenue.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

Original penalties triggering penalties under this Schedule

- 2 The penalties referred to in paragraph 1(2) are—
- (a) a penalty under paragraph 1 of Schedule 24 to FA 2007 (penalty for error in taxpayer's document) in relation to an inaccuracy in a document of a kind listed in the Table in paragraph 1 of that Schedule, where the tax at stake is income tax, capital gains tax or inheritance tax,
 - (b) a penalty under paragraph 1 of Schedule 41 to FA 2008 (penalty for failure to notify etc) in relation to the obligation under section 7 of TMA 1970 (obligation to give notice of liability to income tax or capital gains tax), and
 - (c) a penalty under paragraph 6 of Schedule 55 to FA 2009 (penalty for failures to make return etc where failure continues after 12 months), where the tax at stake is income tax, capital gains tax or inheritance tax.

“Deliberate failure”

- 3 The original penalty is for a “deliberate failure” if—
- (a) in the case of a penalty within paragraph 2(a), the inaccuracy to which it relates was deliberate on P's part (whether or not concealed);
 - (b) in the case of a penalty within paragraph 2(b), the failure by P was deliberate (whether or not concealed);
 - (c) in the case of a penalty within paragraph 2(c), the withholding of the information, resulting from the failure to make the return, is deliberate (whether or not concealed).

“Relevant offshore asset move”

- 4 (1) There is a “relevant offshore asset move” if, at a time when P is the beneficial owner of an asset (“the qualifying time”)—
- (a) the asset ceases to be situated or held in a specified territory and becomes situated or held in a non-specified territory,
 - (b) the person who holds the asset ceases to be resident in a specified territory and becomes resident in a non-specified territory, or
 - (c) there is a change in the arrangements for the ownership of the asset,
- and P remains the beneficial owner of the asset, or any part of it, immediately after the qualifying time.
- (2) Whether a territory is a “specified territory” or “non-specified territory” is to be determined, for the purposes of sub-paragraph (1), as at the qualifying time.
- (3) Where—
- (a) an asset of which P is the beneficial owner (“the original asset”) is disposed of, and
 - (b) all or part of any proceeds from the sale of the asset are (directly or indirectly) reinvested in another asset of which P is also the beneficial owner (“the new asset”),
- the original asset and the new asset are to be treated as the same asset for the purposes of determining whether there is a relevant offshore asset move.
- (4) “Asset” has the meaning given in section 21(1) of TCGA 1992, but also includes sterling.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (5) “Specified territory” means a territory specified in regulations made by the Treasury by statutory instrument; and references to “non-specified territory” are to be construed accordingly.
- (6) Regulations under sub-paragraph (5) are subject to annulment in pursuance of a resolution of the House of Commons.

“Relevant time”

- 5 (1) “The relevant time” has the meaning given by this paragraph.
- (2) Where the original penalty is under Schedule 24 to FA 2007, the relevant time is—
- (a) if the tax at stake as a result of the inaccuracy is income tax or capital gains tax, the beginning of the tax year to which the document containing the inaccuracy relates, and
 - (b) if the tax at stake as a result of the inaccuracy is inheritance tax, the time when liability to the tax first arises.
- (3) Where the original penalty is for a failure to comply with an obligation specified in the table in paragraph 1 of Schedule 41 of FA 2008, the relevant time is the beginning of the tax year to which that obligation relates.
- (4) Where the original penalty is for a failure to make a return or deliver a document specified in the table in paragraph 1 of Schedule 55 to FA 2009, the relevant time is—
- (a) if the tax at stake is income tax or capital gains tax, the beginning of the tax year to which the return or document relates, and
 - (b) if the tax at stake is inheritance tax, the time when liability to the tax first arises.

Amount of the penalty

- 6 (1) The penalty payable under paragraph 1(1) is 50% of the amount of the original penalty payable by P.
- (2) The penalty payable under paragraph 1(1) is not a penalty determined by reference to a liability to tax (despite the fact that the original penalty by reference to which it is calculated may be such a penalty).

Assessment

- 7 (1) Where a person becomes liable for a penalty under paragraph 1(1), HMRC must—
- (a) assess the penalty,
 - (b) notify the person, and
 - (c) state in the notice the tax period in respect of which the penalty is assessed.
- (2) A penalty under paragraph 1(1) must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (3) An assessment—
- (a) is to be treated for procedural purposes in the same way as an assessment to tax (except in respect of a matter expressly provided for by this Schedule),
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.

Status: Point in time view as at 19/10/2016. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2015. (See end of Document for details)

- (4) An assessment of a penalty under paragraph 1(1) must be made within the same period as that allowed for the assessment of the original penalty.
- (5) If, after an assessment of a penalty is made under this paragraph, HMRC amends the assessment, or makes a supplementary assessment, in respect of the original penalty, it must also at the same time amend the assessment, or make a supplementary assessment, in respect of the penalty under paragraph 1(1) to ensure that it is based on the correct amount of the original penalty.
- (6) In this paragraph—
 - (a) a reference to an assessment to tax, in relation to inheritance tax, is to a determination, and
 - (b) “tax period” means a tax year, accounting period or other period in respect of which tax is charged.

Appeal

- 8 (1) A person may appeal against a decision of HMRC that a penalty is payable by the person.
- (2) An appeal under this paragraph is to be treated in the same way as an appeal against an assessment to, or determination of, the tax concerned (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).
- (3) Sub-paragraph (2) does not apply in respect of a matter expressly provided for by this Schedule.
- (4) On an appeal under this paragraph, the tribunal may affirm or cancel HMRC's decision.

Commencement and transitionals

- 9 (1) This Schedule has effect in relation to relevant offshore asset moves occurring after the day on which this Act is passed.
- (2) For the purposes of this Schedule, it does not matter if liability for the original penalty first arose on or before that day, unless the case is one to which sub-paragraph (3) applies.
- (3) The original penalty is to be ignored if P's liability for it for arose before the day on which this Act is passed and before that day—
 - (a) if the original penalty was under Schedule 24 to FA 2007, any tax which was unpaid as a result of the inaccuracy has been assessed or determined;
 - (b) if the original penalty was under Schedule 41 to FA 2008 or Schedule 55 to FA 2009, the failure to which it related was remedied and any tax which was unpaid as a result of the failure has been assessed or determined.
