- (1) Where the OGA gives a sanction notice to an offshore licensee in respect of a failure to comply with a petroleum-related requirement, the matter is to be dealt with in accordance with this Chapter.
- (2) Any requirement under the licensee's licence to deal with the matter in a certain way (including by arbitration) does not apply in respect of that failure to comply.

Information

57 Sanctions: information powers

- (1) This section applies for the purposes of an investigation by the OGA which—
 - (a) concerns whether a person has failed to comply with a petroleum-related requirement, and
 - (b) is carried out for the purpose of enabling the OGA to decide whether to give the person a sanction notice, or on what terms a sanction notice should be given to the person.
- (2) The OGA may by notice in writing, for the purposes of that investigation, require the person to provide specified documents or other information.

Status: Point in time view as at 12/07/2016. This version of this part contains provisions that are not valid for this point in time.

*Changes to legislation: There are currently no known outstanding effects
for the Energy Act 2016, PART 2. (See end of Document for details)*

- (3) A requirement under subsection (2) only applies to the extent that the documents or information requested are—
 - (a) documents that are in the person's possession or control, or
 - (b) other information that is in the person's possession or control.
- (4) A requirement imposed by a notice under subsection (2) is sanctionable in accordance with this Chapter.
- (5) The documents or information requested—
 - (a) may include documents or information held in any form (including in electronic form);
 - (b) may include documents or information that may be regarded as commercially sensitive;
 - (c) may not include items that are subject to legal privilege.
- (6) The notice must specify—
 - (a) to whom the information is to be provided;
 - (b) where it is to be provided;
 - (c) when it is to be provided;
 - (d) the form and manner in which it is to be provided.
- (7) In this section, “specified” in a notice, means specified, or of a description specified, in the notice.

58 Appeals against information requests

- (1) A person to whom a notice is given under section 57 may appeal against it to the Tribunal on the grounds that—
 - (a) the giving of the notice is not within the powers of the OGA, or
 - (b) the length of time given to comply with the notice is unreasonable.
- (2) On an appeal under this section the Tribunal may—
 - (a) confirm, vary or cancel the notice, or
 - (b) remit the matter under appeal to the OGA for reconsideration with such directions (if any) as the Tribunal considers appropriate.

The OGA's procedures

59 Procedure for enforcement decisions

- (1) The OGA must determine the procedure that it proposes to follow in relation to enforcement decisions.
- (2) That procedure must be designed to secure, among other things, that an enforcement decision is taken—
 - (a) by a person falling within subsection (3), or
 - (b) by two or more persons, each of whom falls within subsection (3).
- (3) A person falls within this subsection if the person was not directly involved in establishing the evidence on which the enforcement decision is based.

Status: Point in time view as at 12/07/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2016, PART 2. (See end of Document for details)

- (4) The OGA must issue a statement of its proposals.
- (5) The statement must be published in a way appearing to the OGA to be best calculated to bring the statement to the attention of the public.
- (6) When the OGA takes an enforcement decision, the OGA must follow its stated procedure.
- (7) If the OGA changes its procedure in a material way, it must publish a revised statement.
- (8) A failure of the OGA in a particular case to follow its procedure as set out in the latest published statement does not affect the validity of an enforcement decision taken in that case.
- (9) But subsection (8) does not prevent the Tribunal from taking into account any such failure in considering an appeal under section 51 or 52 in relation to a sanction notice.
- (10) In this section “enforcement decision” means either of the following—
 - (a) a decision to give a sanction notice in respect of a failure to comply with a petroleum-related requirement;
 - (b) a decision as to the details of the sanction to be imposed by the notice.
