LAW ENFORCEMENT PROCESSING

CHAPTER 4

CONTROLLER AND PROCESSOR

Obligations relating to security

66 Security of processing

- (1) Each controller and each processor must implement appropriate technical and organisational measures to ensure a level of security appropriate to the risks arising from the processing of personal data.
- (2) In the case of automated processing, each controller and each processor must, following an evaluation of the risks, implement measures designed to—
 - (a) prevent unauthorised processing or unauthorised interference with the systems used in connection with it,
 - (b) ensure that it is possible to establish the precise details of any processing that takes place,
 - (c) ensure that any systems used in connection with the processing function properly and may, in the case of interruption, be restored, and
 - (d) ensure that stored personal data cannot be corrupted if a system used in connection with the processing malfunctions.
