## 2018 CHAPTER 18

### PART 2

#### ELECTRIC VEHICLES: CHARGING

##### *Requirements and prohibitions*

#### **13 Information for users of public charging or refuelling points**

- (1) Regulations may require operators of public charging or refuelling points to make available prescribed information relating to such points.
- (2) The information that may be prescribed under subsection (1) in relation to a public charging or refuelling point is such information as the Secretary of State considers likely to be useful to users or potential users of the point, for example information about—
  - (a) the location of the point and its operating hours,
  - (b) available charging or refuelling options,
  - (c) the cost of obtaining access to the use of the point,
  - (d) the method of payment or other way by which access to the use of the point may be obtained,
  - (e) means of connection to the point,
  - (f) whether the point is in working order, and
  - (g) whether the point is in use.
- (3) The regulations may make provision—
  - (a) about when, how, to whom and in what form the information is to be made available;
  - (b) for the information to be made available without restrictions on its use and disclosure.
- (4) The regulations may be made so as to have effect for a prescribed period.
