- (5) If the requirements of sub-paragraph (1)(a) to (d) in respect of a dumping investigation are met, the TRA must [^{F25}notify the Secretary of State that it intends to initiate a dumping investigation and, after the relevant interval, must take the following steps in the order in which they are set out]—

- (a) in the case of an application for a dumping investigation, the exporting foreign country or territory (within the meaning of paragraph 1(2)) of the alleged dumped goods;
 - (b) in the case of an application for a subsidisation investigation, a foreign country or territory within whose territory is located a foreign authority which is alleged to have granted one or more of the subsidies in question.
- (8) Notices under sub-paragraphs (5)(d) and (e) and (6)(c) and (d) must specify the date of the initiation of the investigation.

TRA's recommendations about an anti-dumping amount or a countervailing amount

- 18 (1) This paragraph applies to a recommendation by the TRA under paragraph 17(3) or (4) in relation to goods.
- (2) The specified period referred to in paragraph 17(3)(a) or (4)(a)—
- (a) must be a period of 5 years unless the TRA considers that a lesser period is sufficient to counteract—
- (i) the dumping of the goods which has caused or is causing injury to a UK industry in the goods, or
- (ii) the importation of the subsidised goods which has caused or is causing injury to a UK industry in the goods, and
- (b) if the recommendation is accepted by the Secretary of State, must begin on the day after the date of publication of the public notice under section 13 giving effect to the recommendation (see paragraph 20(5)(c)) unless the TRA is authorised by regulations under paragraph 19 to recommend a date before then.

- (3) In the case of a recommendation of such a prior date made by virtue of paragraph 19, the reference in sub-paragraph (2)(a) to a period of 5 years is to be read as a reference to a period of 5 years plus the relevant period (within the meaning of paragraph 19).
- (4) See also paragraph 21 regarding the possibility, following a review, of extensions or variations to the period for which an anti-dumping amount or a countervailing amount applies to goods.
- (5) The recommendation referred to in paragraph 17(3)(b) or (4)(b) as to how an anti-dumping amount or a countervailing amount applicable to goods should be determined may be by reference to either or both of the following—
 - (a) the value of the goods, and
 - (b) the weight or volume of the goods or any other measure of their quantity or size.
- (6) But that recommendation must be such that an anti-dumping amount or a countervailing amount applicable to goods does not exceed—
 - (a) the margin of dumping or, as the case may be, the amount of the subsidy, in relation to the goods, or
 - (b) the amount which the TRA is satisfied would be adequate to remove the injury to a UK industry in the goods if that amount is less than the margin of dumping or, as the case may be, the amount of the subsidy referred to in paragraph (a).
- (7) Regulations may make provision for the purposes of sub-paragraph (6)(b) about how the amount which the TRA is satisfied would be adequate to remove the injury described in that provision is to be determined.
- (8) A recommendation under paragraph 17(3) or (4) must include such other content as regulations may require.

- (a) that an additional amount of import duty (referred to in this Schedule as a “provisional safeguarding amount”) should be applicable for a specified period to all the relevant goods or to specified relevant goods;
 - (b) that all the relevant goods, or specified relevant goods, should be subject to a quota for a specified period during which a lower rate of import duty should be applicable to imports of goods within the amount of the quota than is applicable to imports of goods outside the amount of the quota (referred to in this Schedule as a “provisional tariff rate quota”).

- (6) The TRA may only make a recommendation under one or other of paragraphs (a) and (b) of sub-paragraph (3) in relation to any particular relevant good.

- ^{F94}(8A) Where the TRA makes a recommendation under sub-paragraph (3), it must advise the Secretary of State whether and why it considers that applying a provisional safeguarding amount to relevant goods, or making relevant goods subject to a provisional tariff rate quota, in accordance with the recommendation, would meet the economic interest test (see paragraph 23).]
- (9) If the TRA determines that there is no recommendation which it could make under sub-paragraph (3), it must—
- (a) publish notice of its provisional affirmative determination in relation to the goods,

PART 4

DEFINITIVE REMEDIES: DEFINITIVE SAFEGUARDING AMOUNT & TARIFF RATE QUOTAS

TRA's duty to recommend a definitive safeguarding amount or tariff rate quota

- 16 (1) This paragraph applies where the TRA makes a final affirmative determination in relation to goods which are the subject of a safeguarding investigation.
- (2) Goods in relation to which that determination is made are referred to in this paragraph as relevant goods.
- (3) The TRA may recommend to the Secretary of State—
- (a) that an additional amount of import duty (referred to in this Schedule as a “definitive safeguarding amount”) should be applicable for a specified period to all the relevant goods or to specified relevant goods;
 - (b) that all the relevant goods, or specified relevant goods, should be subject to a quota for a specified period during which a lower rate of import duty should be applicable to imports of goods within the amount of the quota than is applicable to imports of goods outside the amount of the quota (referred to in this Schedule as a “tariff rate quota”).
- (4) Where the TRA makes a recommendation under sub-paragraph (3)(a) in relation to relevant goods it must, as part of the recommendation, recommend to the Secretary of State how a definitive safeguarding amount applicable to those goods should be determined.
- (5) The TRA may make a recommendation under sub-paragraph (3) only if it is satisfied that—
- ^{F101}(a)
 - (b) there is in place an adjustment plan setting out how UK producers of the relevant goods intend to adjust to the importation of the goods in increased quantities.
- (6) But sub-paragraph (5) is to be read as if paragraph (b) were omitted if the TRA waived the requirement for the application to initiate a safeguarding investigation in relation to the relevant goods to be accompanied by a preliminary adjustment plan.
- (7) Regulations may make provision about the form and content of an adjustment plan.
- (8) The TRA may only make a recommendation under one or other of paragraphs (a) and (b) of sub-paragraph (3) in relation to any particular relevant good.
- (9) The TRA may make a recommendation under paragraph (a) or (b) of sub-paragraph (3) in relation to specified relevant goods (rather than all the relevant

goods) only if the recommendations which it makes under that sub-paragraph, when taken together, cover all the relevant goods.

- (10) If the TRA determines that there are one or more recommendations which it could make under sub-paragraph (3) in relation to all the relevant goods, or that there are one or more recommendations which it could make under sub-paragraph (3) in relation to specified relevant goods, it must make that recommendation or one of those recommendations (subject to sub-paragraphs (8) and (9)).
- [^{F102}(10A) Where the TRA considers that there are two or more options which it could recommend under sub-paragraph (3)(a) or (b), in relation to relevant goods or descriptions of relevant goods, it may give the Secretary of State each of those options as part of its recommendation.
- (10B) The Secretary of State may by regulations make provision requiring the TRA, in specified circumstances, to consider whether it could give the Secretary of State two or more options as part of its recommendation under sub-paragraph (3)(a) or (b) in relation to relevant goods or descriptions of relevant goods.
- (10C) Where, after considering whether it could give the Secretary of State two or more options as part of its recommendation in accordance with regulations under sub-paragraph (10B), the TRA considers that there is only one option which it could reasonably recommend under sub-paragraph (3)(a) or (b) in relation to relevant goods or descriptions of relevant goods, it must give the Secretary of State its reasons for reaching that conclusion.
- (10D) Where the TRA gives the Secretary of State options, it must—
- (a) give the Secretary of State its reasons for including each option, and
 - (b) inform the Secretary of State which option it prefers and why.
- (10E) Where the TRA makes a recommendation under sub-paragraph (3) it must advise the Secretary of State whether and why it considers that applying a definitive safeguarding amount or making relevant goods subject to a quota in accordance with—
- (a) its recommendation, or
 - (b) where the recommendation contains options given under sub-paragraph (10A), each option,
- would meet the economic interest test (see paragraph 23).]
- (11) If the TRA determines that there is no recommendation which it could make under sub-paragraph (3) it must—
- (a) publish notice of its final affirmative determination in relation to the goods,
 - (b) publish notice of its determination that there is no recommendation which it could make under sub-paragraph (3), and
 - (c) notify the Secretary of State and interested parties (see paragraph 31(3)) accordingly.
