(1) Section 71B has effect in relation to an accounting period of a company resident in the United Kingdom which has an overseas permanent establishment ("the PE") if, in that or any earlier accounting period, condition A or B is met.

(2) Condition A is met in relation to an accounting period if, for the purposes of any tax chargeable under the law of the PE territory—

(a) tax is chargeable under the law of the PE territory in respect of the aggregate profits, or aggregate profits or gains, of the PE and persons other than the company,

(b) a loss or other amount attributable to the PE is deducted from or otherwise allowed against, or is brought into account as a deduction or other allowance in calculating, amounts other than amounts of the PE, and

(i) in accordance with section 1172 of CTA 2010 (time basis), or

(ii) if that method would produce a result that is unjust or unreasonable, on a just and reasonable basis.

(7) In determining whether or not section 71B of TIOPA has effect in relation to an accounting period of a company—
  (a) it is to be assumed that the amendments made by this section were in force in relation to all previous accounting periods of the company except those beginning before 22 November 2011, and

(5) The fourth condition is that—

(a) the transaction is not linked to another land transaction, or

(b) the transaction is linked only to land transactions that are within sub-paragraph (6).

(6) A land transaction is within this sub-paragraph if the main subject-matter of the transaction consists of—
