- (1) The Secretary of State may by regulations make a scheme for determining the charges that are payable to the Secretary of State in respect of the performance of such of his functions under this Act as are specified in the scheme.
- (2) A scheme under this section may, as respects any of those functions—
 - (a) specify the amount of the charge or a scale of charges by reference to which that amount is to be determined or provide that the charges are to be of such amount, not exceeding that specified in the scheme, as may be decided by the Secretary of State, having regard to the expense incurred by the Secretary of State and to such other factors (if any) as may be so specified;
 - (b) specify different charges for different cases;
 - (c) specify the description of person who is liable to pay the charge;
 - (d) specify the time at which the charge is to be paid.
- (3) A scheme under this section may specify the manner in which any charge is to be paid.

But the Secretary of State may waive the whole or part of the charge if the Secretary of State thinks fit to do so in a particular case.

- (6) Subsection (5) does not affect the Secretary of State's power to enter into an agreement for the payment to him of charges in respect of the performance of functions in respect of which a scheme under this section does not provide for the payment of a charge.
