- (1) This section applies where the substantive operational period of this Act is longer than the period of one year beginning with the day on which this Act is passed.
- (2) A Minister of the Crown must make arrangements for—
  - (a) a motion in neutral terms, to the effect that the House of Commons has considered the one-year status report, to be moved in that House by a Minister of the Crown within the period of 14 Commons sitting days beginning with the day after the end of the sixth reporting period, and
  - (b) a motion for the House of Lords to take note of the one-year status report to be moved in that House by a Minister of the Crown within the period of 14 Lords sitting days beginning with the day after the end of the sixth reporting period.
- (3) The “one-year status report” is the report required to be prepared by the Secretary of State under section 97 in respect of the sixth reporting period.
- (4) In this section—
 

“Commons sitting day” means a day on which the House of Commons is sitting (and a day is only a day on which the House of Commons is sitting if the House begins to sit on that day);

“Lords sitting day” means a day on which the House of Lords is sitting (and a day is only a day on which the House of Lords is sitting if the House begins to sit on that day);

“reporting period” and “substantive operational period of this Act” have the same meaning as in section 97.
