### *Making CRR rules*

#### **Matters to consider when making CRR rules**

144(1) When making CRR rules, the PRA must, among other things, have regard to—

- (a) relevant standards recommended by the Basel Committee on Banking Supervision from time to time,
  - (b) the likely effect of the rules on the relative standing of the United Kingdom as a place for internationally active credit institutions and investment firms to be based or to carry on activities,
  - (c) the likely effect of the rules on the ability of CRR firms to continue to provide finance to businesses and consumers in the United Kingdom on a sustainable basis in the medium and long term,
  - (d) the target in section 1 of the Climate Change Act 2008 (carbon target for 2050), and
  - (e) any other matter specified by the Treasury by regulations.
- (2) For the purposes of subsection (1)(b), the PRA must consider the United Kingdom's standing in relation to the other countries and territories in which, in its opinion, internationally active credit institutions and investment firms are most likely to choose to be based or carry on activities.
- (3) When making CRR rules, the PRA must consider, and consult the Treasury about, the likely effect of the rules on relevant equivalence decisions.
- (4) For the purpose of this section, an equivalence decision is “relevant” if the Treasury have, by notice in writing, informed the PRA that it is relevant for that purpose.

(5) In this section—

“consumer” means an individual who is acting for purposes outside those of any trade, business or profession carried on by the individual;

“equivalence decision” means a decision as to whether the law and practice of one country or territory is equivalent to the law and practice of another country or territory, either generally or as it relates to a particular matter;

(6) This section is subject to section 144E.

#### **Explanation to accompany consultation on CRR rules**

144(1) A draft of proposed CRR rules published in accordance with section 138J(1) (b) must be accompanied by an explanation of the ways in which having regard to the matters specified in or under section 144C(1) has affected the proposed rules (as well as being accompanied by the information listed in section 138J(2)).

*Status: Point in time view as at 28/06/2021.*

*Changes to legislation: Financial Services Act 2021 is up to date with all changes known to be in force on or before 27 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (2) If the PRA makes the proposed CRR rules, it must publish—
  - (a) a summary of the purpose of the proposed rules, and
  - (b) an explanation complying with subsection (1),(as well as the information required by section 138J(4) and (5)).
- (3) This section is subject to section 144E.

#### **Exceptions from sections 144C and 144D etc**

- 144E) Sections 144C and 144D do not apply where the PRA makes CRR rules—

  - (b) in order to act in accordance with a recommendation made by that Committee under section 9Q of that Act (recommendations about the exercise of the PRA's functions).
- (2) Section 144C does not apply where the PRA makes CRR rules to the extent that they make provision (“CRR restatement provision”) reproducing without any changes which, in the PRA's opinion, are material—
  - (a) a provision of the capital requirements regulation as it had effect immediately before it was revoked by regulations made under section 3 of the Financial Services Act 2021, or
  - (b) a provision of an instrument made under the capital requirements regulation as it had effect immediately before it was revoked by such regulations.

  - (c) section 144D,but, if it makes rules making such provision, the PRA must publish a statement of which provisions of the capital requirements regulation, or of the instrument made under that regulation, are reproduced and what changes (if any) are made.
- (4) Section 144D does not apply in relation to CRR rules if the PRA considers that the delay involved in complying with that section would be prejudicial to the safety and soundness of PRA-authorized persons.
- (5) If the PRA proposes CRR rules that change existing CRR rules and the changes consist of or include changes which, in the PRA's opinion, are not material—
  - (a) the explanation described in section 144D(1) is not required in relation to the rules to the extent that they make those changes, but
