Capital allowances: super-deductions etc

9 Super-deductions and other temporary first-year allowances

- (1) Part 2 of CAA 2001 has effect as if—
- (a) in section 39 (first-year allowances available for certain types of qualifying expenditure only) a reference to this section were included in the list of provisions describing first-year qualifying expenditure, and

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

(b) in the Table in section 52(3) (amount of first-year allowances), at the end there were inserted—

“Expenditure qualifying under section 9(2) of FA 2021	130%
Expenditure qualifying under section 9(3) of that Act	50%
Expenditure qualifying under section 9(4) of that Act	100%”.

(2) Expenditure is qualifying under this subsection if—

- (a) it is incurred on or after 1 April 2021 but before 1 April 2023,
- (b) it is incurred by a company within the charge to corporation tax,
- (c) it is expenditure on plant or machinery which is unused and not second-hand,
- (d) it is not within any of the general exclusions in section 46(2) of CAA 2001,
- (e) it is not special rate expenditure, and
- (f) it is not expenditure on the provision of plant or machinery for use wholly or partly for the purposes of a ring fence trade.

Expenditure qualifying under this subsection is referred to as “super-deduction expenditure” and a first-year allowance made as a result of expenditure qualifying under this subsection is referred to as a “super-deduction”.

(3) Expenditure is qualifying under this subsection if—

- (a) it is special rate expenditure,
- (b) it is incurred on or after 1 April 2021 but before 1 April 2023,
- (c) it is incurred by a company within the charge to corporation tax,
- (d) it is expenditure on plant or machinery which is unused and not second-hand, and
- (e) it is not within any of the general exclusions in section 46(2) of CAA 2001.

Expenditure qualifying under this subsection is referred to as “SR allowance expenditure” and a first-year allowance made as a result of expenditure qualifying under this subsection is referred to as an “SR allowance”.

(4) Expenditure is qualifying under this subsection if—

- (a) it is expenditure on the provision of plant or machinery for use partly for the purposes of a ring fence trade and partly for the purposes of another qualifying activity,
- (b) it is incurred on or after 1 April 2021 but before 1 April 2023,
- (c) it is incurred by a company within the charge to corporation tax,
- (d) it is not within any of the general exclusions in section 46(2) of CAA 2001, and
- (e) it is not special rate expenditure.

(5) A first-year allowance made as a result of expenditure qualifying under subsection (4) is to be allocated between the ring fence trade and the other qualifying activity on a just and reasonable basis.

(6) This section has effect as if it were contained in Chapter 4 of Part 2 of CAA 2001 (which, among other things, means that sections 5 and 50 of that Act are relevant for the purpose of determining when expenditure is incurred).

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (7) For the purpose of determining when expenditure is incurred for the purpose of subsection (2)(a) or (3)(b), if an amount of expenditure is incurred as a result of a contract entered into before 3 March 2021—
- (a) section 5 of CAA 2001 does not apply, and
 - (b) the expenditure is instead treated for that purpose as incurred when the contract was entered into (whether or not an unconditional obligation to pay it arises on or after that date).
- (8) For the purpose of determining whether a person is entitled to a super-deduction or an SR allowance, section 67 of CAA 2001 (plant or machinery treated as owned by person entitled to benefit of contract, etc) applies as if for subsection (1)(b) of that section there were substituted—
- “(b) the expenditure is incurred under a contract in respect of which Conditions A and B in section 1129 of CTA 2010 (definition of hire-purchase agreement) are met on the basis that—
 - (i) the “goods” referred to in those conditions are the plant or machinery, and
 - (ii) the person to whom they are bailed or hired is the person who incurs the expenditure.”
- (9) General exclusion 6 in section 46(2) of CAA 2001 (expenditure on provision of plant or machinery for leasing) does not prevent expenditure being super-deduction expenditure or SR allowance expenditure if the plant or machinery is provided for leasing under an excluded lease of background plant or machinery for a building (as defined by section 70R of that Act).
- (10) Section 130(1) of CAA 2001 (postponement of first-year allowances on the provision of a ship) does not apply in relation to a super-deduction or an SR allowance.
- (11) In this section “ring fence trade” means a ring fence trade in respect of which tax is chargeable under section 330(1) of CTA 2010 (supplementary charge in respect of ring fence trades).

10 Further provision about super-deductions etc

- (1) Sections 11 to 14 contain further provision in connection with super-deductions and SR allowances.
- (2) Section 11 contains provision that modifies the percentage that as a result of section 9(1)(b) would otherwise apply to—
- (a) super-deduction expenditure incurred in a chargeable period that ends on or after 1 April 2023;
 - (b) an additional VAT liability accruing in a chargeable period that ends on or after 1 April 2023 that is regarded as super-deduction expenditure as a result of section 236(2) of CAA 2001 (additional VAT liability generates first-year allowance).
- (3) Section 12 contains provision about the disposal of plant or machinery in respect of which a super-deduction was made and section 13 contains similar provision in relation to plant or machinery in respect of which an SR allowance was made.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (4) Section 14 contains provision about counteracting tax advantages in connection with super-deductions and SR allowances (but see also Chapter 17 of Part 2 of CAA 2001 which contains other provisions about anti-avoidance).
- (5) Sections 11, 12 and 13 have effect as if they were contained in Chapter 5 of Part 2 of CAA 2001 (allowances and charges).
- (6) In this section, and in sections 11 to 14—
 - “super-deduction expenditure” and “super-deduction” are to be construed in accordance with section 9(2);
 - “SR allowance expenditure” and “SR allowance” are to be construed in accordance with section 9(3);
 - “additional VAT liability” has the meaning given by section 547(1) of CAA 2001.

11 Reduced super-deduction

- (1) Subsection (2) applies where a person incurs super-deduction expenditure in a chargeable period (“the relevant period”) that ends on or after 1 April 2023.
- (2) Where this subsection applies, section 9(1)(b) applies as if for “130%” there were substituted the relevant percentage.
- (3) Subsection (4) applies where a person becomes entitled in a chargeable period (“the relevant period”) that ends on or after 1 April 2023 to a super-deduction as a result of section 236(2) in respect of an additional VAT liability that is regarded (as a result of that section) as super-deduction expenditure.
- (4) Where this subsection applies, section 9(1)(b) applies as if for “130%” there were substituted—
 - (a) where the person becomes entitled to the super-deduction before 1 April 2023, the relevant percentage, or
 - (b) otherwise, “100%”.
- (5) For the purposes of subsections (2) and (4)(a), the relevant percentage is X% where X is determined by—
 - (a) dividing the number of days in the relevant period before 1 April 2023 by the total number of days in that period,
 - (b) multiplying that amount by 30, and
 - (c) adding 100 to the result.

12 Disposal of assets where super-deduction made

- (1) This section applies to plant or machinery in respect of which a person incurred super-deduction expenditure if a super-deduction was made in respect of some or all of that expenditure.
- (2) Where a disposal event occurs in relation to plant or machinery to which this section applies, the person who incurred relevant super-deduction expenditure in respect of it is liable to a balancing charge for the chargeable period in which the event occurs (whether or not the person is also liable to any other balancing charge for that period).

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (3) The amount of the balancing charge is, subject to subsection (6), the relevant proportion of the disposal value of the plant or machinery (see sections 61 to 63 of CAA 2001 which, among other provisions of Part 2 of that Act, contain provision about disposal values).
- (4) The relevant proportion is determined by dividing the amount of relevant super-deduction expenditure incurred in respect of the plant or machinery by the amount of total relevant expenditure in relation to it.
- (5) For the purposes of this section—
 - super-deduction expenditure is “relevant” if a super-deduction was made in respect of it;
 - “total relevant expenditure” in relation to plant or machinery means the sum of the following expenditure incurred in respect of it—
 - (a) relevant super-deduction expenditure;
 - (b) any expenditure in respect of which any other first-year allowance was made;
 - (c) any expenditure that was allocated to a pool for any chargeable period (including for the period in which the disposal event occurs).
- (6) If the disposal event occurs in a chargeable period that commenced before 1 April 2023 the amount of the balancing charge is the amount determined under subsection (3) multiplied by the relevant factor.
- (7) The relevant factor is 1.3 if the chargeable period ends before 1 April 2023.
- (8) If the chargeable period ends on or after 1 April 2023, the relevant factor is determined by—
 - (a) dividing the number of days in the period before 1 April 2023 by the total number of days in that period,
 - (b) multiplying that amount by 0.3, and
 - (c) adding 1 to the result.
- (9) The balance of an amount of super-deduction expenditure in respect of which a super-deduction is made after deducting that super-deduction is to be treated as nil for the purposes of section 58(5)(b) and (6) of CAA 2001 (allocation of balance of first-year qualifying expenditure to a pool).
- (10) In relation to the chargeable period in which the disposal event occurred, TDR (see section 55(1)(b) of CAA 2001) for the pool to which the relevant super-deduction expenditure was allocated is to be reduced by the relevant proportion of the disposal value of the plant or machinery.
- (11) Section 135(1) of CAA 2001 (claim for deferment of balancing charges) does not apply in relation to a disposal event in respect of a ship to which this section applies.
- (12) This section has effect in relation to disposals occurring on or after 1 April 2021.

13 Disposal of assets where SR allowance made

- (1) This section applies to plant or machinery in respect of which a person incurred SR allowance expenditure in a chargeable period (“the allowance period”) if an SR allowance was made in respect of some or all of that expenditure.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) Where a disposal event occurs in relation to plant or machinery to which this section applies, the person who incurred relevant SR expenditure in respect of it is liable to a balancing charge for the chargeable period in which the event occurs (whether or not the person is also liable to any other balancing charge for that period).
- (3) The amount of the balancing charge is the relevant proportion of the disposal value of the plant or machinery (see sections 61 to 63 of CAA 2001 which, among other provisions of Part 2 of that Act, contain provision about disposal values).
- (4) The relevant proportion is determined by—
 - (a) dividing the amount of relevant SR allowance expenditure incurred in respect of the plant or machinery by 2, and
 - (b) dividing that amount by the amount of total relevant expenditure in relation to the plant or machinery.
- (5) For the purposes of this section—

SR allowance expenditure is “relevant” if an SR allowance was made in respect of it;

“total relevant expenditure” in relation to plant or machinery means the sum of the following expenditure incurred in respect of it—

 - (a) relevant SR allowance expenditure,
 - (b) any expenditure in respect of which any other first-year allowance was made, and
 - (c) any expenditure that is not relevant SR allowance expenditure that was allocated to a pool for any chargeable period (including for the period in which the disposal event occurs).
- (6) In relation to the chargeable period in which the disposal event occurred, TDR (see section 55(1)(b) of CAA 2001) for the pool to which the SR allowance expenditure in respect of the plant or machinery was allocated is to be reduced by the amount of the balancing charge.
- (7) Section 135(1) of CAA 2001 (claim for deferment of balancing charges) does not apply in relation to a disposal event in respect of a ship to which this section applies.
- (8) This section has effect in relation to disposals occurring on or after 1 April 2021.

14 Counteraction where arrangements are contrived etc

- (1) Any relevant tax advantage that would (in the absence of this section) be obtained as a result of relevant arrangements is to be counteracted by the making of such adjustments as are just and reasonable.
- (2) A tax advantage is “relevant” if that advantage is connected with a super-deduction or an SR allowance (for example, the obtaining of such a first-year allowance or the avoidance of a balancing charge under section 12 or 13).
- (3) Arrangements are “relevant” if—
 - (a) the purpose, or one of the main purposes, of the arrangements is to obtain a relevant tax advantage, and
 - (b) it is reasonable, taking account of all the relevant circumstances—
 - (i) to conclude that the arrangements are, or include steps that are, contrived, abnormal or lacking a genuine commercial purpose, or

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (ii) to regard the arrangements as circumventing the intended limits of relief under CAA 2001 or otherwise exploiting shortcomings in that Act.
- (4) Any adjustments required to be made under this section (whether or not by an officer of Revenue and Customs) may be made by way of—
- (a) an assessment,
 - (b) the modification of an assessment,
 - (c) amendment or disallowance of a claim (whether a claim for a first-year allowance or otherwise),
- or otherwise.
- (5) In this section—
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable);
 - “tax advantage” is to be construed in accordance with section 577(4) of CAA 2001.
- (6) This section has effect in relation to any relevant arrangements entered into on or after 3 March 2021.

Capital allowances: other measures

15 Extension of temporary increase in annual investment allowance

- (2) In consequence of the amendment made by subsection (1)—

- (3) Condition B is that—
- (a) a condition is imposed by the Secretary of State, or an agreement is made with the Secretary of State, before the approval of an abandonment programme, and

“CHAPTER 12A

ALLOCATION OF DUAL INCLUSION INCOME WITHIN GROUP

Introduction

Overview of Chapter

- 259ZM1) This Chapter contains provision that allows surplus dual inclusion income to be allocated within a group of companies.
- (2) Section 259ZMA contains the conditions that must be met for this Chapter to apply.
 - (3) Subsection (2) of that section defines “the DII surplus” and subsection (3) of that section defines “the DII shortfall”.
 - (4) Sections 259ZMB to 259ZMD contain provision allowing the unused part of the DII surplus of one company to be treated as dual inclusion income of another company in the same group, where it can be matched against the unused part of the DII shortfall of the other company.
 - (5) Section 259ZME identifies when companies are in the same group.

Application of Chapter

Circumstances in which Chapter applies

- 259ZM1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that, for an accounting period (“the surplus period”), the dual inclusion income of a company (“company A”) exceeds its counteraction amount.

In this Chapter, the amount of the excess is referred to as “the DII surplus”.
 - (3) Condition B is that, for an accounting period (“the shortfall period”), the counteraction amount of another company (“company B”) exceeds its dual inclusion income.

In this Chapter, the amount of the excess is referred to as “the DII shortfall”.
 - (4) See section 259ZMF for the meanings of “dual inclusion income” and “counteraction amount”.
 - (5) Condition C is that there is a period (“the overlapping period”) that is common to both the surplus period and the shortfall period (and see subsections (8) and (9)).
 - (6) Condition D is that there is a time during the overlapping period when both company A and company B are within the charge to corporation tax.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (7) Condition E is that there is a time during the overlapping period when company A and company B are members of the same group of companies (see section 259ZME).
- (8) Subsection (9) applies if, during any part of the overlapping period—
 - (a) either company A or company B is not within the charge to corporation tax, or
 - (b) company A and company B are not members of the same group of companies.
- (9) That part is treated as not forming part of the overlapping period but instead as—
 - (a) forming part of the surplus period that is not included in the overlapping period, and
 - (b) forming part of the shortfall period that is not included in the overlapping period.

Allocation of DII surplus

Claims for allocation of DII surplus

259ZM~~B~~) Company B may make a claim (an “allocation claim”) for all or part of the unused part of the DII surplus of company A for the overlapping period (see section 259ZMC) to be allocated to company B for the shortfall period, if the following requirements are met.

Requirement 1 Company A consents to the allocation claim.

Requirement 2 The allocation claim identifies the amount of the DII surplus to which it relates.

Requirement 3 Company B has an amount of ordinary income for the shortfall period (“matchable income”) that—

- (a) is not dual inclusion income, and
- (b) is equal to or exceeds the amount of the DII surplus to which the allocation claim relates.

Requirement 4 The allocation claim identifies the amount of matchable income to which the claim relates.

Requirement 5 The amount of matchable income to which the claim relates—

- (a) is equal to the amount of the DII surplus to which the claim relates, and
- (b) does not exceed the unused part of the DII shortfall of company B for the shortfall period (see section 259ZMD).

- (2) If company B makes an allocation claim—
 - (a) the amount of company A's dual inclusion income for the surplus period is reduced by the amount of matchable income to which the claim relates, and
 - (b) the amount of matchable income to which the claim relates is treated in relation to company B as if the following assumptions were made.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (3) The assumptions are that—
- (a) things done by or to company A in relation to that amount are treated as done by or to company B, and
 - (b) all other factual circumstances (or circumstances treated as existing as a result of any provision made by this Part) in relation to that amount are unchanged.

The unused part of the DII surplus

259ZM(1) This section identifies the unused part of the DII surplus of company A for the overlapping period, for the purposes of an allocation claim made by company B (“the current allocation claim”).

- (2) The unused part of the DII surplus of company A for the overlapping period is the amount equal to—
- (a) the DII surplus for the overlapping period (see subsection (3)), less
 - (b) the amount of prior allocations for that period (see subsections (4) to (7)).
- (3) To determine the DII surplus for the overlapping period—
- (a) take the proportion of the surplus period included in the overlapping period, and
 - (b) apply that proportion to the DII surplus for the surplus period.

The DII surplus for the overlapping period is the amount given as a result of paragraph (b).

- (4) To determine the amount of prior allocations for the overlapping period—
- (a) identify any prior allocation claims for the purposes of this section (see subsection (5)), and
 - (b) take the steps set out in subsection (6) in relation to each such claim.

The amount of prior allocations for the overlapping period is the total of the previously used amounts given at Step 3 in subsection (6) for all the prior allocation claims.

- (5) An allocation claim is a prior allocation claim for the purposes of this section if—
- (a) it is an allocation claim made by a company in respect of all or part of the DII surplus of company A for the surplus period,
 - (b) it is made before the current allocation claim, and
 - (c) it has not been withdrawn.

- (6) These are the steps referred to in subsection (4)(b) to be taken in relation to each prior allocation claim.

Step 1 Identify the overlapping period for the prior allocation claim.

Step 2 Identify any period that is common to the overlapping period for the current allocation claim and the overlapping period for the prior allocation claim. If there is a common period, go to Step 3. If there is no common period, there is no previously allocated amount in relation to the prior allocation claim (and ignore Step 3).

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Step 3 Determine the previously allocated amount of the DII surplus in relation to the prior allocation claim (see subsection (7)).

- (7) To determine the previously allocated amount of the DII surplus in relation to the prior allocation claim—
- (a) take the proportion of the overlapping period for the prior allocation claim that is included in the common period identified at Step 2 in subsection (6) in relation to that claim, and
 - (b) apply that proportion to the amount of the DII surplus allocated on the prior allocation claim.

The previously allocated amount of the DII surplus in relation to the prior allocation claim is the amount given as a result of paragraph (b).

- (8) If two or more allocation claims are made at the same time, for the purposes of this section treat the claims as made—
- (a) in such order as the companies making them may jointly elect, or
 - (b) if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (9) For the purposes of Step 3 in subsection (6), the amount of the DII surplus allocated on a prior allocation claim is determined on the basis that an amount is allocated on the claim before it is allocated on a later claim.
- (10) If the use of the proportion mentioned in subsection (3) or (7) would, in the circumstances of a particular case, produce a result that is unjust or unreasonable, the proportion is to be modified so far as necessary to produce a result that is just and reasonable.

The unused part of the DII shortfall

259ZM(1) This section identifies the unused part of the DII shortfall of company B for the shortfall period, for the purposes of an allocation claim made by company B (“the current allocation claim”).

- (2) The unused part of the DII shortfall of company B for the shortfall period is the amount equal to—
- (a) the DII shortfall for the shortfall period, less
 - (b) the amount of prior matches for the shortfall period (see subsections (3) to (5)).
- (3) To determine the amount of prior matches for the shortfall period—
- (a) identify any prior allocation claims for the purposes of this section (see subsection (4)), and
 - (b) determine the previously matched amount of the DII shortfall in relation to each prior allocation claim (see subsection (5)).

The amount of prior matches for the shortfall period is the total of the previously matched amounts of the DII shortfall in relation to all the prior allocation claims.

- (4) An allocation claim is a prior allocation claim for the purposes of this section if—

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) it is an allocation claim made by company B for the shortfall period,
 - (b) it is made before the current allocation claim, and
 - (c) it has not been withdrawn.
- (5) The previously matched amount of the DII shortfall in relation to a prior allocation claim is the amount that is treated as dual inclusion income of company B for the shortfall period as a result of the claim (see section 259ZMB(3)(a)).

its profits or income would be profits or income of its participants for the purposes of that tax.

(2) In this section—

“AIF” has the meaning given by regulation 3 of the Alternative Investment Fund Managers Regulations 2013 (S.I. 2013/1773);

“collective investment scheme” has the meaning given by section 235 of the Financial Services and Markets Act 2000;

“participant”, in relation to a transparent fund, means a person who—

- (a) takes part in the arrangements constituting the fund, whether by becoming the owner of, or of any part of, the property that is the subject of the arrangements or otherwise, and
- (b) does not have day-to-day control over the management of the property, whether or not they have the right to be consulted or to give directions.

Application of Chapters 3, 4, 5 and 7

259M(B) This section applies where—

- (a) Chapter 3, 4, 5 or 7 applies in respect of a payment or quasi-payment,
- (b) the relevant structured arrangement condition is not met, and
- (c) it is reasonable to suppose that a proportion of the payment or quasi-payment is attributable to a person as a result of that person's interest (direct or indirect) in a transparent fund that is the primary fund in relation to that person.

(2) For the purposes of this section, a proportion of a payment or quasi-payment is attributable to a person if, as a result of that payment or quasi-payment—

- (a) ordinary income arises to that person, or
- (b) would arise if the person were resident for tax purposes in the United Kingdom.

(3) The primary fund in relation to a person is—

- (a) where the income arises or would arise because of an indirect interest the person has in a transparent fund as a result of another transparent fund, or a series of transparent funds, having an interest in that first fund, that first fund, or
- (b) where the income arises or would arise because of a direct or indirect interest the person has in a single transparent fund, that fund.

(4) The relevant structured arrangement condition is the condition—

- (a) where Chapter 3 applies, in section 259CA(6)(c),
- (b) where Chapter 4 applies, in section 259DA(6)(c),
- (c) where Chapter 5 applies, in section 259EA(7)(c), and
- (d) where Chapter 7 applies, in section 259GA(7)(c).

(5) The Chapter in question applies subject to subsection (6).

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (6) If it is reasonable to suppose that the proportion of the payment or quasi-payment that is attributable to a person as a result of the person's interest in the primary fund is less than 10% of the relevant amount, that proportion is to be ignored for the purposes of determining the extent of a mismatch under the Chapter in question.
- (7) For the purposes of subsection (6) “the relevant amount” means the amount of ordinary income that it would, on the relevant assumption, have been reasonable to expect to arise to the primary fund as a result of—
- (a) in the case of a payment, the payment, or
 - (b) in the case of a quasi payment, the circumstances giving rise to the relevant deduction (see section 259BB(2)).
- (8) The relevant assumption is that the primary fund were a person to whom ordinary income would arise as a result of that payment or those circumstances.
- (9) Where a person to whom a proportion of the payment or quasi-payment is attributable as a result of the person's interest in the primary fund is connected (within the meaning given by section 1122 of CTA 2010, ignoring subsections (4) and (7) of that section) to another person to whom a proportion is attributable as a result of that person's interest in that same fund, the rights and interests of those persons are to be aggregated (and accordingly if the proportion attributable between them is 10% or more of the relevant amount, that proportion is not to be ignored).

Application of Chapter 9

259M(1) This section applies where—

- (a) Chapter 9 applies in relation to a hybrid entity double deduction amount (see section 259IA(4)) in respect of an investor in a hybrid entity,
 - (b) the condition in section 259IA(6)(b) is not met, and
 - (c) that investor in the hybrid entity is an investor in it as a result of an interest (direct or indirect) it has in a transparent fund (“the relevant fund”) that directly holds an interest in—
 - (i) the hybrid entity, or
 - (ii) another entity that is not a transparent fund and which holds a direct or indirect interest in the hybrid entity.
- (2) Chapter 9 applies subject to subsection (3).
- (3) If it is reasonable to suppose that—
- (a) some or all of the hybrid entity double deduction amount that relates to the investor arises as a result of the investor's interest in the relevant fund, and
 - (b) the amount that arises as a result of that interest (“the relevant amount”) is less than 10% of the potential double deduction amount,

the relevant amount is to be ignored for the purposes of determining the extent of a mismatch under that Chapter.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

(4) In this section “potential double deduction amount” means the hybrid double deduction amount that would arise in relation to the relevant fund if it were an investor in the hybrid entity.

(5) Where the investor is connected (within the meaning given by section 1122 of CTA 2010, ignoring subsections (4) and (7) of that section) to another investor with an interest in the relevant fund, the rights and interests of those investors are to be aggregated (and accordingly, if the sum of the relevant amounts in respect of each of them is 10% or more of the potential double deduction amount, that proportion is not to be ignored).

Application of Chapter 11

259MD) Subsection (2) applies where—

- (a) Chapter 11 applies as a result of sub-paragraph (i), (ii), (iii) or (iv) of section 259KA(6)(a) applying as a result of a payment or quasi-payment to which section 259MB would apply if the Chapter corresponding to that sub-paragraph applied in relation to that payment or quasi-payment, and
- (b) the condition in section 259KA(9)(c) is not met.

(2) Where this subsection applies, section 259MB(6) applies for the purposes of determining the extent of a relevant mismatch under Chapter 11.

(3) The Chapters corresponding to the sub-paragraphs of section 269KA(6)(a) mentioned in subsection (1) are as follows—

Sub-paragraph (i)	Chapter 3
Sub-paragraph (ii)	Chapter 4
Sub-paragraph (iii)	Chapter 5
Sub-paragraph (iv)	Chapter 7.

(4) Subsection (5) applies where—

- (a) Chapter 11 applies as a result of section 259KA(6)(a)(vi) applying as a result of a hybrid double deduction amount to which section 259MC would apply if Chapter 9 applied in relation to that amount, and
- (b) the condition in section 259KA(9)(c) is not met.

(5) Where this subsection applies, section 259MC(3) applies for the purposes of determining the extent of a relevant mismatch under Chapter 11.”

PART 1

SECONDARY LIABILITY AND ASSESSMENT NOTICES

Effect of secondary liability and assessment notice

- 1 A secondary liability and assessment notice given to a person (“R”) makes that person liable to pay an amount which is equal to or less than an amount of plastic packaging tax which another person (“P”) is liable to pay in relation to an accounting period of P (the “relevant time”) but which P has failed to pay on or before the date on which the amount became due and payable.

Test for giving a secondary liability and assessment notice

- 2 (1) The Commissioners may give a secondary liability and assessment notice to R if they consider that—
- (a) R is acting in the course of a related business, and

 - (b) R knows or ought to know that R is or was so concerned.
- (3) This sub-paragraph applies to R if—

 - (b) issue directions about those factors.
- (5) The Commissioners may—
 - (a) give R more than one secondary liability and assessment notice in relation to the same relevant time;
 - (b) give R a secondary liability and assessment notice whether or not P has asked HMRC to review, or has appealed against, a decision that P is liable to pay some or all of the amount of plastic packaging tax which P has failed to pay as mentioned in paragraph 1.

Content of secondary liability and assessment notice

- 3 (1) A secondary liability and assessment notice must—

 - (e) specify how late payment interest will accrue if R does not make the payment by the date on which it is due and payable;
 - (f) set out how the Commissioners assessed the amount which R is required to pay.
- (2) The amount must be an amount which the Commissioners consider just and reasonable, having regard in particular to their reasons for considering that paragraph 2(2) or (3) applies to R.
- (3) The Commissioners must publish guidance on the matters which they will take into account when determining whether an amount is just and reasonable.
- (4) A secondary liability and assessment notice may not require R to pay an amount before the end of the period of 30 days beginning with the day on which the notice is given to R.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (5) An amount assessed and notified to R in a secondary liability and assessment notice is recoverable on the basis that it is an amount of plastic packaging tax due from R.
- (6) But sub-paragraph (5) does not apply if, or to the extent that, the assessment has been withdrawn or reduced.

Copy of notice to be given to P

- 4 When the Commissioners give a secondary liability and assessment notice to R, they must, as soon as practicable, give a copy of that notice to P.

Application to revoke or reduce amount

- 5 (1) R may apply to the Commissioners to—
- (a) revoke a secondary liability and assessment notice, on the grounds that R took all reasonable steps to establish that P had paid or intended to pay all the plastic packaging tax which P was liable to pay in relation to the relevant time, or
 - (b) reduce the amount which R is required to pay by a secondary liability and assessment notice, on the grounds that the amount is not just and reasonable.
- (2) The Commissioners may by regulations make provision about—
- (a) the steps which are to be regarded as reasonable for the purposes of sub-paragraph (1)(a);
 - (b) applications for the purposes of sub-paragraph (1).
- (3) The regulations may (among other things) make provision about information that must be supplied as part of an application.
- (4) The Commissioners must notify R of their decision in response to an application under sub-paragraph (1) within the period of 30 days beginning with the day on which they receive the application.
- (5) If the Commissioners decide to reduce the amount which R is required to pay, the notification of their decision must specify—
- (a) the new amount which R is liable to pay, and
 - (b) how and when R must pay.
- (6) R may not be required to pay the new amount before the end of the period of 30 days beginning with the day on which the notification is given to R.
- (7) The Commissioners must repay any amount which R has paid in excess of the new amount.

Limitation on secondary liability

- 6 (1) The Commissioners may not give a secondary liability and assessment notice to R in respect of an amount of plastic packaging tax after the end of the period of 2 years beginning with—
- (a) the day after the last day of the accounting period by reference to which P was liable to pay the amount, or, if later,
 - (b) the day on which a court or tribunal finally determines that P is liable to pay the amount.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) But in a case involving a loss of tax brought about deliberately by R or P (whether acting alone or with another person) sub-paragraph (1) has effect as if the reference to 2 years were to 20 years.

Reduction of amount where P's liability is reduced

- 7 (1) Where the amount which P is liable to pay in relation to the relevant time is reduced for any reason the Commissioners must consider whether to reduce the amount which R is liable to pay.
- (2) If the Commissioners decide to reduce or cancel the amount which R is liable to pay, they must, within the period of 30 days beginning with the day on which they make their decision—
- (a) inform R of the new amount which R is liable to pay (if any), and
 - (b) repay any amount which R has paid in excess of the new amount.
- (3) The new amount must be such amount as the Commissioners consider just and reasonable, having regard in particular to their reasons for considering that paragraph 2(2) or (3) applies to R.
- (4) Where P's liability to pay in relation to the relevant time is cancelled, the Commissioners must, within the period of 30 days beginning with the day on which that happens—
- (a) notify R that the secondary liability and assessment notice is revoked, and
 - (b) repay any amount which R has paid.

No double payment

- 8 (1) R may not be required to pay any amount by a secondary liability and assessment notice if or to the extent that P has paid the amount mentioned in paragraph 1.
- (2) P may not be required to pay the amount mentioned in paragraph 1 if or to the extent that R has paid an amount referable to that amount.

PART 2

JOINT AND SEVERAL LIABILITY NOTICES

Effect of joint and several liability notice

- 9 A joint and several liability notice given to a person (“R”) makes that person jointly and severally liable to pay plastic packaging tax that another person (“P”) will be liable to pay in respect of so much of any accounting period of P as falls within the period of two years beginning with—
- (a) the day on which the notice is given to R, or
 - (b) if a joint and several liability notice is given to R at a time when another joint and several liability notice already has effect in relation to R, the day after the day on which the previous notice ceases to have effect.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Test for giving joint and several liability notice

- 10 (1) The Commissioners may give a joint and several liability notice to R if the Commissioners consider that—
- (a) R is acting in the course of a related business, and
 - (b) sub-paragraph (2) or (3) applies to R.
- (2) This sub-paragraph applies to R if—
- (a) R is concerned in, or in the taking of steps with a view to, P not paying plastic packaging tax, and
 - (b) R knows or ought to know that R is so concerned.
- (3) This sub-paragraph applies to R if—
- (a) R is involved in transporting, storing or otherwise dealing with a chargeable plastic packaging component in respect of which P is or will be liable to pay plastic packaging tax,
 - (b) P has not paid that tax in respect of that component, and
 - (c) P intends not to pay that tax in respect of that component.
- (4) The Commissioners may—
- (a) by regulations make provision about the factors which they may take into account in considering whether they may give a joint and several liability notice to R;
 - (b) issue directions about those factors.

Content of joint and several liability notice

- 11 A joint and several liability notice must—
- (a) state that R is jointly and severally liable with P to pay any plastic packaging tax that P is liable to pay in respect of so much of any accounting period of P as falls within the period of two years determined in accordance with paragraph 9, and
 - (b) set out why the Commissioners consider that it is appropriate to give a joint and several liability notice to R under paragraph 10(1), including whether the Commissioners consider that paragraph 10(2) or (3) (or both) applies to R.

Copy of notice to be given to P

- 12 When the Commissioners give a joint and several liability notice to R, they must, as soon as practicable, give a copy of that notice to P.

Revocation

- 13 (1) After being given a joint and several liability notice R must notify the Commissioners if paragraph 10(2)(a) or, as the case may be, (3)(a) (or both), does not apply or ceases to apply to R, including as a result of R ceasing to have dealings with P, at any time within the period of two years mentioned in paragraph 9.
- (2) If—
- (a) R notifies the Commissioners under sub-paragraph (1) within the period of 30 days beginning with the day on which R is given the joint and several liability notice (the “cancellation period”), and

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) as a result of the notification the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), does not apply to R, including as a result of R ceasing to have dealings with P during the cancellation period, the Commissioners must notify R that the joint and several liability notice is revoked with the result that R is not liable to pay any plastic packaging tax as mentioned in paragraph 9.
- (3) If R does not notify the Commissioners under sub-paragraph (1), or notifies them only after the end of the cancellation period, R must be treated in relation to the period of liability as—
- (a) knowing that R is concerned in, or in the taking of steps with a view to, P not paying plastic packaging tax as mentioned in paragraph 10(2), or
- (b) knowing that P has not paid and intends not to pay tax as mentioned in paragraph 10(3).
- (4) The period of liability is—
- (a) if R does not notify the Commissioners under sub-paragraph (1) within the period of two years mentioned in paragraph 9, that period of two years, or
- (b) if R does notify the Commissioners under sub-paragraph (1) within that period of two years but after the cancellation period, and as a result of the notification the Commissioners accept that paragraph 10(2)(a) or, as the case may be, (3)(a), does not apply to R—
- (i) the cancellation period, or,
- (ii) if the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), applied to R after the cancellation period, the period beginning with the day on which the joint and several liability notice was given to R and ending with the day on which the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), ceased to apply to R.
- (5) The Commissioners must inform R and P of the result of a notification under sub-paragraph (1) within the period of 30 days beginning with the day on which they are given the notification.
- 14 (1) P may apply to the Commissioners to revoke a joint and several liability notice given to R, on the ground that the Commissioners were wrong to consider that paragraph 10(2) or (3) applies to R so far as relating to anything done or not done by, or any intention of, P.
- (2) An application under sub-paragraph (1) must be made within the period of 30 days beginning with the day on which the Commissioners give a copy of the notice to P.
- (3) The Commissioners must notify R and P of their decision in response to an application under sub-paragraph (1) within the period of 30 days beginning with the day on which they receive the application.
- 15 (1) The Commissioners may by regulations make further provision about—
- (a) notifications for the purposes of paragraph 13(1);
- (b) applications for the purposes of paragraph 14(1).
- (2) The regulations may (among other things) make provision about information that must be supplied as part of the notification or application.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Assessments of liability

- 16 (1) Where P is liable to pay an amount of plastic packaging tax, the Commissioners may assess that R is liable to pay an amount equal to or less than the amount due from P.
- (2) Where such an assessment is made, the Commissioners must notify R of—
- (a) the amount due from P;
 - (b) the amount assessed as due from R;
 - (c) how the Commissioners assessed the amount due from R;
 - (d) the date by which payment must be made;
 - (e) how payment must be made;
 - (f) how late payment interest will accrue if R does not make the payment by the date on which it is due and payable.
- (3) The amount assessed as due from R must be an amount which the Commissioners consider just and reasonable, having regard in particular to—
- (a) their reasons for considering that paragraph 10(2) or (3) applies to R, and
 - (b) the requirement mentioned in paragraph 13(3) (requirement to treat R as knowingly involved in P's failure to pay tax).
- (4) The Commissioners must publish guidance on the matters which they will take into account when determining whether an amount is just and reasonable.
- (5) The date by which payment must be made may not be before the end of the period of 30 days beginning with the day on which R is notified in accordance with subparagraph (2).
- (6) An amount may be assessed and notified to R even if R has made a notification under paragraph 13(1) (and the Commissioners must repay any amount that is subsequently found to have been overpaid).

Adjustments

- 17 (1) Where an assessment to P is withdrawn or reduced, or P's liability in respect of plastic packaging tax is otherwise adjusted, the Commissioners may determine that R's liability is to be cancelled or reduced, or otherwise adjusted, in whatever way they consider just and reasonable, having regard in particular to their reasons for considering that paragraph 10(2) or (3) applies to R.
- (2) If the Commissioners decide to reduce or cancel the amount which R is liable to pay, or make any other adjustment to the assessment to R, they must, within the period of 30 days beginning with the day on which they make their decision—
- (a) inform R of the new amount which R is liable to pay (if any), and
 - (b) repay any amount which R has paid in excess of the new amount.

Limitation on assessments

- 18 R may not be notified of any assessment under paragraph 16(2) or of any increase in an assessment under paragraph 4(2) of Schedule 10 in respect of an amount after the end of the period of 2 years beginning with—
- (a) the day after the last day of the accounting period by reference to which P was liable to pay the amount, or, if later,

- (b) the day on which a court or tribunal finally determines that P is liable to pay the amount.

No double payment

- 19 R may not be required to pay plastic packaging tax if or to the extent that P has paid it (and vice versa).

PART 3

APPLICATION OF SCHEDULE 10

- 20 (1) Schedule 10 applies with any necessary modifications, and subject as follows, in relation to any amount which R is liable to pay as a result of a secondary liability and assessment notice or a joint and several liability notice.
- (2) Paragraphs 4 to 6 of that Schedule apply in relation to an assessment under paragraph 16(1) of this Schedule as they apply to an assessment under paragraph 2(2) of that Schedule, except that paragraph 6 applies as if, in sub-paragraph (2), “4” were “2”.

SCHEDULE 10

Section 61

PLASTIC PACKAGING TAX: RECOVERY AND OVERPAYMENTS

PART 1

RECOVERY

Recovery as a debt due

1 Plastic packaging tax is recoverable as a debt due to the Crown.

Assessments of amounts of plastic packaging tax due

- 2 (1) Sub-paragraph (2) applies where it appears to the Commissioners—
- (a) that any period is an accounting period by reference to which a person who is registered or who is liable to be registered is liable to pay plastic packaging tax,
 - (b) that an amount of plastic packaging tax for which that person is liable to account by reference to that period has become due, and
 - (c) that there has been a relevant default by that person (see sub-paragraph (3)).
- (2) The Commissioners—
- (a) may—
 - (i) in a case where the amount of plastic packaging tax due from the person for that period cannot be ascertained, assess the amount due from the person for that period to the best of their judgement;
 - (ii) in any other case, assess the amount due from the person for that period, and
 - (b) where such an assessment is made, must notify the person of that amount.
- (3) The following are “relevant defaults”—
- (a) a failure to comply with a requirement of regulations under section 58;
 - (b) a failure to make a return required to be made by regulations under section 61;
 - (c) a failure to keep documents, or provide facilities, necessary to verify returns required by those regulations;
 - (d) the making, in purported compliance with a requirement of those regulations, of an incomplete or incorrect return;
 - (e) a failure to comply with a requirement imposed by or under section 63;
 - (f) a failure to provide the Commissioners with complete or accurate information in complying with any requirement imposed by or under this Part;
 - (g) an unreasonable delay in complying with a requirement, where the failure to comply would be a default within any of paragraphs (a) to (f).

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (4) Where it appears to the Commissioners that a default falling within sub-paragraph (3) is a default by a person (A) on whom the requirement to make a return is imposed in A's capacity as the representative of another person (B), sub-paragraph (1)(b) applies as if the reference to the amount of plastic packaging tax due included a reference to any plastic packaging tax due from B.
- 3 (1) Sub-paragraph (2) applies where—
- (a) the Commissioners have made an assessment for an accounting period as a result of a person's failure to make a return for that period,
 - (b) the plastic packaging tax assessed has been paid but no proper return has been made for that period, and
 - (c) as a result of a failure to make a return for a later accounting period, the Commissioners make another assessment (“the later assessment”) under paragraph 2 in relation to the later period.
- (2) The Commissioners may, if they consider it appropriate in light of the absence of a proper return for the earlier period, specify in the later assessment an amount of plastic packaging tax due that is greater than the amount that they would have considered to be appropriate had they had regard only to the later period.

Supplementary assessments

- 4 (1) Sub-paragraph (2) applies where—
- (a) an assessment has been notified to a person under paragraph 2(2), and
 - (b) it appears to the Commissioners that the amount which ought to have been assessed as due exceeds the amount that has already been assessed.
- (2) The Commissioners—
- (a) may make a supplementary assessment of the amount of plastic packaging tax due from the person to the best of their judgement, and
 - (b) where such an assessment is made, must notify the person of that amount.

Further provision about assessments under paragraphs 2 and 4

- 5 (1) An amount assessed and notified to a person under paragraph 2 or 4 is recoverable on the basis that it is an amount of plastic packaging tax due from that person.

Time limits for assessments

- 6 (1) An assessment under paragraph 2 or 4 may not be made after the relevant time.
- (2) Except in a case within sub-paragraph (3) the relevant time is the earlier of—
- (a) the end of the period of 4 years from the end of the accounting period to which the assessment relates, or
 - (b) the end of the period of 1 year beginning with the day on which evidence of facts, sufficient in the opinion of the Commissioners to justify the making of the assessment, comes to their knowledge.
- (3) Where an assessment of an amount due from a person is made in a case involving loss of plastic packaging tax—

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) brought about deliberately by the person, or
 - (b) attributable to a failure by the person to comply with a requirement of section 55 or a requirement of regulations under section 58,
- the relevant time is the end of the period of 20 years from the end of the accounting period to which the assessment relates.
- (4) In sub-paragraph (3) the reference to a loss brought about by a person includes a reference to a loss brought about by another person acting on behalf of that person.

PART 2

REPAYMENTS

Repayments of overpaid tax

Supplementary provision about repayment etc

- 8 (1) The Commissioners are not liable, on any claim for a repayment of plastic packaging tax, to repay any amount—
- (a) paid more than 4 years before the making of the claim;
 - (b) if, or to the extent that, any person has become entitled to a tax credit in respect of that amount.
- (2) It is a defence to any claim for repayment of an amount of plastic packaging tax that the repayment of that amount would unjustly enrich the claimant.
- 9 (1) This paragraph applies where—
- (a) an amount has been paid by way of plastic packaging tax which (apart from paragraph 8(2)) would fall to be repaid to a person (P), and
 - (b) the whole or a part of the cost of the payment of that amount to the Commissioners has, for practical purposes, been borne by a person other than P.
- (2) Where loss or damage has been, or may be, incurred by P as a result of mistaken assumptions made in P's case about the operation of any provisions relating to plastic packaging tax, that loss or damage is to be disregarded, except to the extent of the quantified amount, in the making of a relevant determination.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

- (3) In sub-paragraph (2)—

 - (b) a “relevant determination” means a determination for the purposes of paragraph 8(2) as to—
 - (i) whether or to what extent the repayment of an amount would enrich P, or
 - (ii) whether or to what extent any enrichment of P would be unjust.
- (4) The reference in sub-paragraph (2) to provisions relating to plastic packaging tax is a reference to—
- (a) any provision made by or under any enactment which relates to the tax or to any matter connected with it, or
 - (b) any notice published by the Commissioners under or for the purposes of any such provision.

Reimbursement arrangements

- 10 (1) The Commissioners may by regulations make provision for reimbursement arrangements to be disregarded for the purposes of paragraph 8(2) except where the arrangements—
- (a) contain such provision as may be required by the regulations, and
 - (b) are supported by such undertakings to comply with the provisions of the arrangements as may be required by the regulations to be given to the Commissioners.
- (2) In this paragraph “reimbursement arrangements” means arrangements for the purposes of a claim to a repayment of plastic packaging tax which—
- (a) are made by a person for the purpose of securing that the person is not unjustly enriched by the repayment of any amount in pursuance of the claim, and
 - (b) provide for the reimbursement of a person who has for practical purposes borne the whole or any part of the cost of the original payment of that amount to the Commissioners.
- (3) Regulations under this paragraph may (among other things) make provision requiring reimbursement arrangements to contain provision—

 - (b) for the repayment of amounts to the Commissioners where those amounts are not reimbursed in accordance with the arrangements;
 - (c) requiring interest paid by the Commissioners on any amount repaid by them to be treated in the same way as that amount for the purposes of any requirement under the arrangements to make reimbursement or to repay the Commissioners;

 - (e) imposing obligations on specified persons for the purposes of provision made under paragraphs (a) to (d).

Assessment for excessive repayment

- 11 (1) Sub-paragraph (3) applies where—
- (a) an amount has been paid at any time to a person by way of a repayment of plastic packaging tax, and
 - (b) the amount paid exceeded the amount which the Commissioners were liable at that time to repay to that person.
- (2) Sub-paragraph (3) also applies where a person is liable to pay any amount to the Commissioners in pursuance of an obligation imposed by regulations under paragraph 10(3)(b), (c) or (e).
- (3) The Commissioners may—
- (a) to the best of their judgement, assess the amount of the excess (in a case within sub-paragraph (1)) or the amount due (in a case within sub-paragraph (2)), and
 - (b) where such an assessment is made, notify the amount to the person.
- (4) Subject to sub-paragraph (5), where—
- (a) an assessment is made on any person under this paragraph in respect of a repayment of plastic packaging tax, and
 - (b) the Commissioners have power under Part 1 of this Schedule to make an assessment on that person as to an amount of plastic packaging tax due from that person,
- the assessments may be combined and notified to the person as one assessment.
- (5) A notice of a combined assessment under sub-paragraph (4) must separately identify the amount being assessed in respect of repayments of plastic packaging tax.

Supplementary assessments

- 12 (1) Sub-paragraph (2) applies where—
- (a) an assessment has been notified to a person under paragraph 11, and
 - (b) it appears to the Commissioners that the amount which ought to have been assessed as due exceeds the amount that has already been assessed.
- (2) The Commissioners may—
- (a) on or before the last day on which the assessment under paragraph 11 could have been made, make a supplementary assessment of the amount of plastic packaging tax due from the person, and
 - (b) where such a supplementary assessment is made, notify the amount to that person.

PART 3

APPEALS

“Appeal tribunal”

- 9 In this Schedule “appeal tribunal” means the First-tier Tribunal or, where determined by or under Tribunal Procedure Rules, the Upper Tribunal.

Bringing of appeals

- 10 (1) An appeal under paragraph 1 is to be made to the appeal tribunal before—
- (a) the end of the period of 30 days beginning with—
 - (i) in a case where P is the appellant, the date of the document notifying P of the decision to which the appeal relates, or
 - (ii) in a case where a person other than P is the appellant, the day on which that person becomes aware of the decision, or
 - (b) if later, the end of the period for requiring a review (within the meaning of paragraph 6).
- (2) But that is subject to sub-paragraphs (3) to (5).
- (3) In a case where HMRC are required to undertake a review under paragraph 5—
- (a) an appeal may not be made until the conclusion date, and
 - (b) any appeal is to be made within the period of 30 days beginning with that date.
- (4) In a case where HMRC are requested to undertake a review under paragraph 7—

- (5) In a case where paragraph 8(8) applies, an appeal may be made at any time from the end of the period specified in paragraph 8(6) to the date 30 days after the conclusion date.

- (7) In this paragraph, “conclusion date” means the date of the document notifying the conclusions of the review.

Further provision about appeals

- 11 (1) An appeal relating to a decision that an amount is due from a person may not be considered by the appeal tribunal unless the amount which HMRC have determined to be due has been paid or deposited with HMRC.
- (2) But sub-paragraph (1) does not apply if—
 - (a) HMRC are satisfied or, if HMRC are not satisfied but the appeal tribunal have decided, on the application of the appellant, that the requirement to pay or deposit the amount would cause the appellant to suffer hardship, and
 - (b) the appellant has paid or deposited such other amount (if any) by way of security as HMRC or, as the case may be, the appeal tribunal consider appropriate.
- (3) Notwithstanding the provisions of sections 11 and 13 of the Tribunals, Courts and Enforcement Act 2007, the decision of the appeal tribunal as to the issue of hardship is final.

Determinations on appeal

- 12 (1) Where, on an appeal under paragraph 1—
 - (a) it is found that an assessment of the appellant is an assessment for an amount that is less than it ought to have been, and
 - (b) the appeal tribunal give a direction specifying the correct amount,
 the assessment has effect as an assessment of the amount specified in the direction and (without prejudice to any power under this Schedule to reduce the amount of interest payable on the amount of an assessment) as if it were an assessment notified to the appellant in that amount at the same time as the original assessment.
- (2) On an appeal under paragraph 1, the powers of the appeal tribunal in relation to any decision of the Commissioners includes a power, where the tribunal allow an appeal on the ground that the Commissioners could not reasonably have arrived at the decision, either—
 - (a) to direct that the decision, so far as it remains in force, is to cease to have effect from such time as the tribunal may direct, or
 - (b) to require the Commissioners to conduct, in accordance with the directions of the tribunal, a review or a further review of the original decision as appropriate.
- (3) Where, on an appeal under paragraph 1, the appeal tribunal find that a liability to a penalty or to an amount of interest arises, the tribunal must not give any direction for the modification of the amount payable in respect of that liability except—
 - (a) in exercise of a power conferred on the tribunal by section 80(6) (penalties), or
 - (b) for the purpose of making the amount payable conform to the amount due in accordance with this Part.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

- (a) it is used by the purchaser or a connected person in the course of a commercial trade or profession,
 - (b) it is developed or redeveloped by the purchaser or a connected person for use (by any person) in the course of a commercial trade or profession,

 - (d) it is used in two or more of the ways described in paragraphs (a) to (c).
- (2) But land is not used in a qualifying manner to the extent that it is—
- (a) used as a dwelling or as the garden or grounds of a dwelling,
 - (b) developed or redeveloped to become residential property,
 - (c) exploited as a source of rents or other receipts payable by a person using the land as a dwelling or as the garden or grounds of a dwelling, or
 - (d) held (as stock of the business) for resale without development or redevelopment.
- (3) For the purposes of this paragraph, use of land in the course of a commercial trade or profession includes use of land for a purpose that is ancillary to the use of other land which—
- (a) is situated in a freeport tax site, and
 - (b) is being used, or developed or redeveloped, in the course of a commercial trade or profession.

- 5 (1) This paragraph applies to a land transaction if at least 90% of the chargeable consideration for the transaction is attributable to qualifying freeport land.
- (2) The transaction is exempt from charge.

Other relief

- 6 (1) This paragraph applies to a land transaction if the proportion of the chargeable consideration for the transaction that is attributable to qualifying freeport land (“the relevant proportion”) is less than 90% but at least 10%.
- (2) The tax chargeable in respect of the transaction is reduced by the relevant proportion.

Attributing chargeable consideration to land

- 7 (1) For the purposes of this Schedule, the consideration attributable to qualifying freeport land must be determined on a just and reasonable basis.
- (2) Sub-paragraphs (3) and (4) apply if less than 100% of the chargeable consideration attributable to transaction land situated in a freeport tax site (“the freeport consideration”) is attributable to land that satisfies the condition in paragraph 2(b).
- (3) If at least 90% of the freeport consideration is attributable to land that satisfies the condition in paragraph 2(b) then, for the purposes of this Schedule, all of the freeport consideration is to be treated as being attributable to qualifying freeport land.

PART 3

WITHDRAWAL OF RELIEF

Withdrawal of relief

- 8 (1) This paragraph applies where relief under Part 2 of this Schedule has been allowed in respect of a land transaction.
- (2) The relief is withdrawn if, at any time during the control period, the qualifying freeport land is not used exclusively in a qualifying manner.
- (3) But the relief is not withdrawn where, because of a change in circumstances that is unforeseen and beyond the purchaser's control, it is not reasonable to expect the qualifying freeport land to be used exclusively in a qualifying manner at that time.
- (4) Where, at a time during the control period, the use of all or part of the qualifying freeport land in a qualifying manner has not yet begun, that land, or that part of the land, is to be treated as being used exclusively in a qualifying manner if reasonable steps are being taken to ensure that it is used in that manner.
- (5) Where, at a time during the control period, the use of all or part of the qualifying freeport land in a qualifying manner has ceased, that land, or that part of the land, is to be treated as being used exclusively in a qualifying manner if reasonable steps are being taken—
- (a) to ensure that it is used in that manner, or
 - (b) to dispose of all chargeable interests in that land, or that part of the land, that are held by the purchaser and connected persons in a timely manner.

The control period

- 9 (1) In this Schedule, “the control period”, in relation to a land transaction, means the shorter of—
- (a) the period of three years beginning with the effective date of that transaction, and
 - (b) the period beginning with the effective date of that transaction and ending with the effective date of the final transaction.
- (2) For the purposes of this paragraph, a land transaction is “the final transaction” if, immediately after the effective date of the transaction, neither the purchaser nor a connected person holds a chargeable interest in the qualifying freeport land (whether as a result of that transaction alone or as a result of that transaction and other land transactions).

Disposal of interest in part of qualifying freeport land during control period

- 10 (1) This paragraph applies where the purchaser ceases to hold a chargeable interest in part of the qualifying freeport land during the control period.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) The references in paragraphs 8 and 9 to the qualifying freeport land are to be treated as references only to the part of the qualifying freeport land in relation to which the purchaser still holds a chargeable interest (whether the chargeable interest acquired in the land transaction in respect of which relief was allowed under Part 2 of this Schedule or another chargeable interest).

PART 4

ALTERNATIVE FINANCE ARRANGEMENTS

Cases involving alternative finance arrangements

- 11 (1) This paragraph applies where either of the following applies—
- (a) section 71A (land sold to financial institution and leased to person), or
 - (b) section 73 (land sold to financial institution and re-sold to person).
- (2) This paragraph applies for the purposes of determining—
- (a) whether relief is available under Part 2 of this Schedule for the first transaction, and
 - (b) whether relief allowed for the first transaction is withdrawn under Part 3 of this Schedule.
- (3) For those purposes this Schedule has effect as if—
- (a) references to the purchaser were references to the relevant person, and
 - (b) the reference in paragraph 3(2)(d) to land held (as stock of the business) for resale without development or redevelopment were a reference to land held in that manner by the relevant person.
- (4) The first transaction does not qualify for relief under Part 2 of this Schedule except where it does so by virtue of this paragraph.
- (5) In this paragraph—
- “the first transaction” has the same meaning as in section 71A or 73 (as appropriate);
 - “the relevant person” means the person, other than the financial institution, who entered into the arrangements mentioned in section 71A(1) or 73(1) (as appropriate).

- (2) If the regulations are not approved by the House of Commons before the end of the period of 28 days beginning with the day on which they are made, they cease to have effect at the end of that period (if they have not already ceased to have effect under sub-paragraph (3)).
- (3) If, on any day during that period of 28 days, the House of Commons, in proceedings on a motion that (or to the effect that) the regulations be approved, comes to a decision rejecting the regulations, they shall cease to have effect at the end of that day.
- (4) In reckoning any such period of 28 days, no account is to be taken of any time during which—
- (a) Parliament is prorogued or dissolved, or

- 7 (1) Paragraph 8 provides for reductions in the penalty under this Schedule where the person discloses information which has been withheld by a failure to make a return (“relevant information”).

- (3) In sub-paragraph (2), the reference to “any other penalty” does not include—
- (a) a penalty under Schedule 26 (penalties for failure to pay tax),

Determination of penalty where no return made

- 11 (1) For the purposes of a penalty under this Schedule references to a liability to tax which would have been shown in a return are references to the amount which, if a complete and accurate return had been delivered on the due date, would have been shown to be due or payable by the taxpayer in respect of the tax concerned for the period to which the return relates.
- (2) In the case of a penalty which is assessed at a time before the person makes the return to which the penalty relates, HMRC may either—
- (a) proceed on the assumption that the amount in paragraph 3(3)(a) is less than the amount in paragraph 3(3)(b), or the amount in paragraph 3(5)(a) is less than the amount in paragraph 3(5)(b), or
 - (b) determine the amount mentioned in sub-paragraph (1) to the best of HMRC's information and belief.
- (3) If the person subsequently makes a return, the penalty must be re-assessed by reference to the amount of tax shown to be due and payable in that return (but subject to any amendments or corrections to the return).

Assessments

- 12 (1) Where a person is liable to a penalty under this Schedule HMRC may assess the penalty.
- (2) Where HMRC assess a penalty they must—
- (a) notify the person, and
 - (b) state in the notice the failure (or failures) for which the person is liable to a penalty.
- (3) A penalty under this Schedule must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (4) An assessment of a penalty under this Schedule—
- (a) is to be treated for procedural purposes in the same way as an assessment to tax (except in respect of a matter expressly provided for in this Schedule),
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.

Supplementary assessments

- 13 (1) A supplementary assessment may be made in respect of a penalty under this Schedule if an earlier assessment—
- (a) is based on a liability to tax that would have been shown in a return, and that liability is found by HMRC to be an underestimate, or
 - (b) is based on a liability to tax that is found by HMRC to be insufficient.
- (2) Sub-paragraph (3) applies if an assessment in respect of a penalty—
- (a) is based on a liability to tax that would have been shown in a return, and that liability is found by HMRC to be an overestimate, or
 - (b) is based on a liability to tax that is found by HMRC to be excessive.
- (3) HMRC may by notice to the person amend the assessment so that it is based upon the correct amount.

Status: Point in time view as at 09/03/2021. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (4) An amendment under sub-paragraph (3)—
- (a) does not affect when the penalty must be paid;
 - (b) may be made after the last day on which the assessment in question could have been made under paragraph 14.

Time limit for assessments

- 14 (1) An assessment of a penalty under this Schedule may not be made after the later of Date A and (where it applies) Date B.
- (2) Date A is the end of the period of 2 years beginning with the due date.
- (3) Date B is the last day of the period of 12 months beginning with—
- (a) the end of the appeal period for the assessment of the liability to tax which would have been shown in the return, or
 - (b) if there is no such assessment, the date on which that liability is ascertained or it is ascertained that the liability is nil.
- (4) In sub-paragraph (3)(a) “appeal period” means the period during which—
- (a) an appeal could be brought (ignoring any possibility of an appeal out of time), or
 - (b) an appeal that has been brought has not been determined or withdrawn.
- (5) Sub-paragraph (1) does not apply to a re-assessment under paragraph 11(3).
- (6) A re-assessment under that paragraph must be made before the end of the period of 2 years beginning with the day on which the return is made.

- (3) If a representative partner, a successor of a representative partner or a nominated partner is liable to a penalty under paragraph 3, every relevant partner is liable to a penalty under that paragraph.
- (4) The amount of the penalty to which the representative partner, a successor of the representative partner, the nominated partner or a relevant partner is liable is £300 (and accordingly paragraphs 3(3) to (8), 4 to 8, 10, 11 and 13 do not apply).
