- (a) is actually made, or
- (b) is (in substance) treated as being made for corporation tax purposes.
- (4) Condition B is that it is reasonable to suppose that—
- (a) the circumstances giving rise to the amount will not result in—
- (i) a reduction in the taxable profits of the company for a relevant taxable period, or
- (ii) an increase in a loss made by the company for a relevant taxable period,
- for the purposes of a tax charged under the law of the parent jurisdiction, or
- (b) those circumstances will result in such a reduction or increase for one or more relevant taxable periods, but the amount exceeds the aggregate effect on taxable profits.
- (5) “The aggregate effect on taxable profits” is the sum of—

- (a) any reductions, resulting from the circumstances giving rise to the amount, in the taxable profits of the company, for a relevant taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, and
 - (b) any amounts by which a loss made by the company, for a relevant taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, is increased as a result of the circumstances giving rise to the amount.
- (6) For the purposes of subsections (4) and (5), any reduction in taxable profits or increase of losses is to be ignored in any case where tax is charged at a nil rate under the law of the parent jurisdiction.
- (7) A taxable period of the company is “relevant” for the purposes of subsections (4) and (5) if—
- (a) the period begins before the end of 12 months after the end of the accounting period mentioned in section 259JD(8)(a), or
 - (b) where the period begins after that, it is just and reasonable for the question of whether the circumstances giving rise to the amount will result in a reduction in taxable profits or an increase in a loss to be determined by reference to that taxable period rather than an earlier period.”

PART 5

DEEMED DUAL INCLUSION INCOME: ANTI-AVOIDANCE

- 14 In Chapter 13 of Part 6A of TIOPA 2010 (hybrid and other mismatches: anti-avoidance), in section 259M(4) (countering the effect of avoidance arrangements), omit the “or” after paragraph (a) and after paragraph (b) insert “, or
- (c) the person does anything which, to any extent, results in an amount being treated as dual inclusion income of that person under any provision of this Part.”

PART 6

ALLOCATION OF DUAL INCLUSION INCOME WITHIN GROUP

- 15 (1) Part 6A of TIOPA 2010 is amended as follows.

“CHAPTER 12A

ALLOCATION OF DUAL INCLUSION INCOME WITHIN GROUP

Introduction

Overview of Chapter

- 259ZM1) This Chapter contains provision that allows surplus dual inclusion income to be allocated within a group of companies.
- (2) Section 259ZMA contains the conditions that must be met for this Chapter to apply.
 - (3) Subsection (2) of that section defines “the DII surplus” and subsection (3) of that section defines “the DII shortfall”.
 - (4) Sections 259ZMB to 259ZMD contain provision allowing the unused part of the DII surplus of one company to be treated as dual inclusion income of another company in the same group, where it can be matched against the unused part of the DII shortfall of the other company.
 - (5) Section 259ZME identifies when companies are in the same group.

Application of Chapter

Circumstances in which Chapter applies

- 259ZM1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that, for an accounting period (“the surplus period”), the dual inclusion income of a company (“company A”) exceeds its counteraction amount.

In this Chapter, the amount of the excess is referred to as “the DII surplus”.
 - (3) Condition B is that, for an accounting period (“the shortfall period”), the counteraction amount of another company (“company B”) exceeds its dual inclusion income.

In this Chapter, the amount of the excess is referred to as “the DII shortfall”.
 - (4) See section 259ZMF for the meanings of “dual inclusion income” and “counteraction amount”.
 - (5) Condition C is that there is a period (“the overlapping period”) that is common to both the surplus period and the shortfall period (and see subsections (8) and (9)).
 - (6) Condition D is that there is a time during the overlapping period when both company A and company B are within the charge to corporation tax.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (7) Condition E is that there is a time during the overlapping period when company A and company B are members of the same group of companies (see section 259ZME).
- (8) Subsection (9) applies if, during any part of the overlapping period—
- (a) either company A or company B is not within the charge to corporation tax, or
 - (b) company A and company B are not members of the same group of companies.
- (9) That part is treated as not forming part of the overlapping period but instead as—
- (a) forming part of the surplus period that is not included in the overlapping period, and
 - (b) forming part of the shortfall period that is not included in the overlapping period.

Allocation of DII surplus

Claims for allocation of DII surplus

259ZMB) Company B may make a claim (an “allocation claim”) for all or part of the unused part of the DII surplus of company A for the overlapping period (see section 259ZMC) to be allocated to company B for the shortfall period, if the following requirements are met.

Requirement 1 Company A consents to the allocation claim.

Requirement 2 The allocation claim identifies the amount of the DII surplus to which it relates.

Requirement 3 Company B has an amount of ordinary income for the shortfall period (“matchable income”) that—

- (a) is not dual inclusion income, and
- (b) is equal to or exceeds the amount of the DII surplus to which the allocation claim relates.

Requirement 4 The allocation claim identifies the amount of matchable income to which the claim relates.

Requirement 5 The amount of matchable income to which the claim relates—

- (a) is equal to the amount of the DII surplus to which the claim relates, and
- (b) does not exceed the unused part of the DII shortfall of company B for the shortfall period (see section 259ZMD).

- (2) If company B makes an allocation claim—
- (a) the amount of company A's dual inclusion income for the surplus period is reduced by the amount of matchable income to which the claim relates, and
 - (b) the amount of matchable income to which the claim relates is treated in relation to company B as if the following assumptions were made.
- (3) The assumptions are that—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) things done by or to company A in relation to that amount are treated as done by or to company B, and
- (b) all other factual circumstances (or circumstances treated as existing as a result of any provision made by this Part) in relation to that amount are unchanged.

The unused part of the DII surplus

259ZM(1) This section identifies the unused part of the DII surplus of company A for the overlapping period, for the purposes of an allocation claim made by company B (“the current allocation claim”).

- (2) The unused part of the DII surplus of company A for the overlapping period is the amount equal to—
 - (a) the DII surplus for the overlapping period (see subsection (3)), less
 - (b) the amount of prior allocations for that period (see subsections (4) to (7)).
- (3) To determine the DII surplus for the overlapping period—
 - (a) take the proportion of the surplus period included in the overlapping period, and
 - (b) apply that proportion to the DII surplus for the surplus period.

The DII surplus for the overlapping period is the amount given as a result of paragraph (b).

- (4) To determine the amount of prior allocations for the overlapping period—
 - (a) identify any prior allocation claims for the purposes of this section (see subsection (5)), and
 - (b) take the steps set out in subsection (6) in relation to each such claim.

The amount of prior allocations for the overlapping period is the total of the previously used amounts given at Step 3 in subsection (6) for all the prior allocation claims.

- (5) An allocation claim is a prior allocation claim for the purposes of this section if—
 - (a) it is an allocation claim made by a company in respect of all or part of the DII surplus of company A for the surplus period,
 - (b) it is made before the current allocation claim, and
 - (c) it has not been withdrawn.

- (6) These are the steps referred to in subsection (4)(b) to be taken in relation to each prior allocation claim.

Step 1 Identify the overlapping period for the prior allocation claim.

Step 2 Identify any period that is common to the overlapping period for the current allocation claim and the overlapping period for the prior allocation claim. If there is a common period, go to Step 3. If there is no common period, there is no previously allocated amount in relation to the prior allocation claim (and ignore Step 3).

Step 3 Determine the previously allocated amount of the DII surplus in relation to the prior allocation claim (see subsection (7)).

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (7) To determine the previously allocated amount of the DII surplus in relation to the prior allocation claim—
- (a) take the proportion of the overlapping period for the prior allocation claim that is included in the common period identified at Step 2 in subsection (6) in relation to that claim, and
 - (b) apply that proportion to the amount of the DII surplus allocated on the prior allocation claim.

The previously allocated amount of the DII surplus in relation to the prior allocation claim is the amount given as a result of paragraph (b).

- (8) If two or more allocation claims are made at the same time, for the purposes of this section treat the claims as made—
- (a) in such order as the companies making them may jointly elect, or
 - (b) if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (9) For the purposes of Step 3 in subsection (6), the amount of the DII surplus allocated on a prior allocation claim is determined on the basis that an amount is allocated on the claim before it is allocated on a later claim.
- (10) If the use of the proportion mentioned in subsection (3) or (7) would, in the circumstances of a particular case, produce a result that is unjust or unreasonable, the proportion is to be modified so far as necessary to produce a result that is just and reasonable.

The unused part of the DII shortfall

259ZMD) This section identifies the unused part of the DII shortfall of company B for the shortfall period, for the purposes of an allocation claim made by company B (“the current allocation claim”).

- (2) The unused part of the DII shortfall of company B for the shortfall period is the amount equal to—
- (a) the DII shortfall for the shortfall period, less
 - (b) the amount of prior matches for the shortfall period (see subsections (3) to (5)).
- (3) To determine the amount of prior matches for the shortfall period—
- (a) identify any prior allocation claims for the purposes of this section (see subsection (4)), and
 - (b) determine the previously matched amount of the DII shortfall in relation to each prior allocation claim (see subsection (5)).

The amount of prior matches for the shortfall period is the total of the previously matched amounts of the DII shortfall in relation to all the prior allocation claims.

- (4) An allocation claim is a prior allocation claim for the purposes of this section if—
- (a) it is an allocation claim made by company B for the shortfall period,
 - (b) it is made before the current allocation claim, and
 - (c) it has not been withdrawn.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (5) The previously matched amount of the DII shortfall in relation to a prior allocation claim is the amount that is treated as dual inclusion income of company B for the shortfall period as a result of the claim (see section 259ZMB(3)(a)).
- (6) If two or more allocation claims are made at the same time, for the purposes of this section treat the claims as made—
 - (a) in such order as company B may elect, or
 - (b) if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (7) For the purposes of subsection (3)(b), the amount of the DII shortfall matched in relation to a prior allocation claim is determined on the basis that an amount is matched on the claim before it is matched on a later claim.

Groups

Groups of companies

- 259ZM(F)) For the purposes of this Chapter, company A and company B are members of the same group of companies if—
- (a) one is a 75% subsidiary of the other, or
 - (b) both are 75% subsidiaries of a third company.
- (2) In subsection (1), “75% subsidiary” has the same meaning as in Part 5 of CTA 2010 (group relief) (see section 151 of that Act).
 - (3) Sections 154, 155A, 155B and 156 of CTA 2010 (members of group of companies: arrangements for transfers of companies) apply for the purposes of this Chapter as they apply for the purposes of Part 5 of CTA 2010, but as if references to a surrenderable amount were to the DII surplus.

“Dual inclusion income” and “counteraction amount”

Meaning of “dual inclusion income” and “counteraction amount”

- 259ZM(F)) This section applies for the purposes of this Chapter.
- (2) The “dual inclusion income” of a company for an accounting period means the amount of any income that is dual inclusion income of the company for that period for the purposes of any provision of this Part.
 - (3) An amount of income that is dual inclusion income of a company for the purposes of more than one provision of this Part is not counted more than once for the purposes of subsection (2).
 - (4) The “counteraction amount” of a company for an accounting period means the total of all the following amounts that are applicable to the company for that period—
 - (a) the restricted deduction, within the meaning given by section 259EC(2);

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) where section 259ED applies and there is only one payee, the relevant amount, within the meaning given by section 259ED(3);
- (c) where section 259ED applies and there is more than one payee, the payee's share of the relevant amount, within the meaning given by section 259ED(3) and (6);
- (d) the excessive PE deduction, within the meaning given by section 259FA(8);
- (e) where section 259IB applies, the hybrid entity double deduction amount, within the meaning given by section 259IA(4);
- (f) where section 259IC applies, the restricted deduction, within the meaning given by section 259IC(3);
- (g) the dual territory double deduction amount, within the meaning given by section 259JA(5), reduced by the amount of the impermissible overseas deduction (if any), within the meaning given by section 259JC(2);
- (h) a dual territory double deduction, within the meaning given by section 259KB(2);
- (i) an excessive PE deduction, within the meaning given by section 259KB(3) to (5)."

16 In Schedule 18 to FA 1998 (company tax returns, assessments and related matters), after Part 8 insert—

“PART 8A

CLAIMS FOR ALLOCATION OF SURPLUS DUAL INCLUSION INCOME

Introduction

- 77B (1) This Part of this Schedule applies to allocation claims under Chapter 12A of Part 6A of TIOPA 2010 (hybrid and other mismatches: allocation of dual inclusion income within group).
- (2) Expressions used in this Part of this Schedule and in that Chapter have the same meaning in this Part of this Schedule as they have in that Chapter.

Claims to be included in company tax return

- 77C (1) An allocation claim must be made by being included in the company tax return of the claimant company (“company B”) for the shortfall period.
- (2) It may be included in the return originally made or by amendment.

Consent to allocation claim

- 77D (1) In accordance with Requirement 1 in section 259ZMB of TIOPA 2010, an allocation claim in respect of all or part of the DII surplus of a company (“company A”) requires the company's consent.
- (2) The necessary consent must be given—
- (a) by notice in writing,

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) to an officer of Revenue and Customs,
- (c) at or before the time the allocation claim is made.

Otherwise the allocation claim is ineffective.

- (3) An allocation claim by company B is ineffective unless it is accompanied by a copy of the notice of consent to the allocation claim given by company A.

Notice of consent

- 77E
- (1) Notice of consent to an allocation claim given by company A must contain all the following details—
 - (a) the name of company A;
 - (b) the name of company B;
 - (c) the amount of the DII surplus to be allocated to company B;
 - (d) the accounting period of company A which is the surplus period.
 - (2) Notice of consent may not be amended, but it may be withdrawn and replaced by another notice of consent.
 - (3) Notice of consent may be withdrawn by notice to an officer of Revenue and Customs.
 - (4) Except where the consent is withdrawn under paragraph 77I (withdrawal in consequence of reduction of DII surplus), the notice of withdrawal must be accompanied by a notice signifying the consent of company B to the withdrawal.

Otherwise the notice of withdrawal is ineffective.

- (5) Company B must, so far as it may do so, amend its company tax return for the accounting period for which the allocation claim was made so as to reflect the withdrawal of consent.

Notice of consent requiring amendment of return

- 77F
- (1) Where company A gives notice of consent to an allocation claim in respect of all or part of an accounting period after filing its company tax return for the accounting period, company A must amend its company tax return for the accounting period so as to reflect the notice of consent.
 - (2) The time limits otherwise applicable to amendment of a company tax return do not prevent an amendment being made under sub-paragraph (1).
 - (3) If company A fails to comply with sub-paragraph (1), the notice of consent is ineffective.

Withdrawal or amendment of allocation claim

- 77G
- (1) An allocation claim may be withdrawn by company B only by amending its company tax return.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) An allocation claim may not be amended, but must be withdrawn and replaced by another allocation claim.

Time limit for allocation claims

- 77H (1) An allocation claim may be made or withdrawn at any time up to whichever is the last of the following dates—
- (a) the first anniversary of the filing date for the company tax return of company B for the accounting period for which the claim is made;
 - (b) if notice of enquiry is given into that return, 30 days after the enquiry is completed;
 - (c) if after such an enquiry an officer of Revenue and Customs amends the return under paragraph 34(2), 30 days after notice of the amendment is issued;
 - (d) if an appeal is brought against such an amendment, 30 days after the date on which the appeal is finally determined.
- (2) An allocation claim may be made or withdrawn at a later time if an officer of Revenue and Customs allows it.
- (3) The time limits otherwise applicable to amendment of a company tax return do not apply to an amendment to the extent that it makes or withdraws an allocation claim within the time allowed by or under this paragraph,
- (4) The references in sub-paragraph (1) to an enquiry into a company tax return do not include an enquiry restricted to a previous amendment making or withdrawing a claim.
- (5) An enquiry is so restricted if—
- (a) the scope of the enquiry is limited as mentioned in paragraph 25(2), and
 - (b) the amendment giving rise to the enquiry consisted of the making or withdrawing of an allocation claim.

Reduction in DII surplus

- 77I (1) This paragraph applies if, after company A has given one or more notices of consent to an allocation claim or claims, the unused part of the DII surplus of company A is reduced to less than the amount stated in the notice of consent, or the total of the amounts stated in the notices of consent.
- (2) Company A must within 30 days withdraw the notice of consent, or as many of the notices of consent as is necessary to bring the total amount of the DII surplus to which the claim or claims relate within the new unused part of the DII surplus of company A.
- (3) Company A may give one or more new notices of consent.
- (4) Company A must give notice in writing of the withdrawal of consent, and send a copy of any new notice of consent—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) to each of the companies affected, and
 - (b) to an officer of Revenue and Customs.
- (5) If company A fails to act in accordance with sub-paragraph (2), an officer of Revenue and Customs may by notice to company A give such directions as the officer thinks fit as to which notice or notices are to be ineffective or are to have effect in a lesser amount.
- (6) The power in sub-paragraph (5) must not be exercised to any greater extent than is necessary to secure that the total amount stated in the notice or notices is consistent with the unused part of the DII surplus of company A.
- (7) An officer of Revenue and Customs must at the same time send a copy of the notice to each company affected by the exercise of the power.
- (8) A company which receives—
- (a) notice of the withdrawal of consent, or a copy of a new notice of consent, under sub-paragraph (4), or
 - (b) a copy of a notice containing directions by an officer of Revenue and Customs under sub-paragraph (7),
- must, so far as it may do so, amend its company tax return for the accounting period for which the claim is made so that it is consistent with the new position with regard to consent to an allocation claim.
- (9) An appeal may be brought by company A against any directions given by an officer of Revenue and Customs under sub-paragraph (5).
- (10) Notice of appeal must be given—
- (a) in writing,
 - (b) within 30 days after the notice containing the directions was issued, and
 - (c) to the officer of Revenue and Customs by whom the notice was given.

Assessments on other companies

- 77J (1) This paragraph applies where, after company A has given notice of consent to an allocation claim, company B has become liable to tax in consequence of receiving—
- (a) notice of the withdrawal of consent, or a copy of a new notice of consent, under paragraph 77I(4), or
 - (b) a copy of a notice containing directions by an officer of Revenue and Customs under paragraph 77I(7).
- (2) If any of the tax is unpaid 6 months after company B's time limit for allocation claims, an officer of Revenue and Customs may make an assessment to tax in the name of company B on any other company that has benefited as a result of the consent given by company A.
- (3) The assessment may not be made more than two years after that time limit.
- (4) The amount of the assessment must not exceed—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) the amount of the unpaid tax, or
 - (b) if less, the amount of tax which the other company saves by virtue of the consent.
- (5) A company assessed to an amount of tax under sub-paragraph (2) is entitled to recover from company B—
- (a) a sum equal to that amount, and
 - (b) any interest on that amount which it has paid under section 87A of the Taxes Management Act 1970 (interest on unpaid corporation tax).
- (6) For the purposes of this paragraph, company B's time limit for allocation claims is the last of the dates mentioned in paragraph 77H(1) on which company B could make or withdraw an allocation claim for the accounting period for which the claim in question is made.

Assessment to recover excessive amount claimed

- 77K (1) If an officer of Revenue and Customs discovers that any amount which is the subject of an allocation claim is or has become excessive, the officer may make an assessment to tax in the amount which in the officer's opinion ought to be charged.
- (2) This power is without prejudice to—
- (a) the power to make a discovery assessment under paragraph 41(1);
 - (b) the making of all such adjustments by way of discharge or repayment of tax or otherwise as may be required where an amount claimed by company B on an allocation claim is excessive or company A has given consent to an allocation claim in respect of a corresponding amount.
- (3) If an assessment under this paragraph is made because company B fails, or is unable, to amend its company tax return under paragraph 77I(8), the assessment is not out of time if it is made within one year from—
- (a) the date on which company A gives notice of the withdrawal of consent, or (if later) sends a copy of a new notice of consent, to company B under paragraph 77I(4), or
 - (b) the date on which an officer of Revenue and Customs sends company B a copy of a notice containing the officer's direction under paragraph 77I(7).

Joint amended returns

- 77L (1) The Treasury may by regulations make provision for arrangements under which—
- (a) an allocation claim may be made without being accompanied by a copy of the notice of consent to the claim given by company A, provided authority for the claim being so made is given by a company which is authorised in relation to company B as mentioned in paragraph (b), and

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) one company may be authorised to act on behalf of two or more companies in the same group in amending their company tax returns for the purpose of making an allocation claim or giving consent to an allocation claim or revising the amount to which an allocation claim or consent relates.
- (2) Regulations under this paragraph may add to, exclude or modify the operation of any provisions of this Part of this Schedule to such extent as the Treasury think necessary or expedient for the purpose of, or in connection with, such arrangements.
- (3) Provision may in particular be made—
 - (a) altering the conditions for making and withdrawing allocation claims, and
 - (b) giving an officer of revenue and Customs power to recover from the authorised company or another company in the group any amount which might be recovered from company B by an assessment under paragraph 77K.”

- (2) In section 259FA(4) (circumstances in which the Chapter applies), omit the “and” after paragraph (a) and after paragraph (b) insert “, and

- (3) After Chapter 13 insert—

“CHAPTER 13A

SPECIAL PROVISION CONCERNING TRANSPARENT FUNDS

Meaning of “transparent fund”

259M(A) In this Chapter “transparent fund” means a collective investment scheme, or an AIF (that is not a collective investment scheme), if—

- (a) were all of the profits or income of the fund to arise from sources inside the United Kingdom and
- (b) were all of its participants within the charge to income tax, its profits or income would be profits or income of its participants for the purposes of that tax.

(2) In this section—

“AIF” has the meaning given by regulation 3 of the Alternative Investment Fund Managers Regulations 2013 (S.I. 2013/1773);

“collective investment scheme” has the meaning given by section 235 of the Financial Services and Markets Act 2000;

“participant”, in relation to a transparent fund, means a person who—

- (a) takes part in the arrangements constituting the fund, whether by becoming the owner of, or of any part of, the property that is the subject of the arrangements or otherwise, and
- (b) does not have day-to-day control over the management of the property, whether or not they have the right to be consulted or to give directions.

Application of Chapters 3, 4, 5 and 7

259M(B) This section applies where—

- (a) Chapter 3, 4, 5 or 7 applies in respect of a payment or quasi-payment,
- (b) the relevant structured arrangement condition is not met, and
- (c) it is reasonable to suppose that a proportion of the payment or quasi-payment is attributable to a person as a result of that person's interest (direct or indirect) in a transparent fund that is the primary fund in relation to that person.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) For the purposes of this section, a proportion of a payment or quasi-payment is attributable to a person if, as a result of that payment or quasi-payment—
- (a) ordinary income arises to that person, or
 - (b) would arise if the person were resident for tax purposes in the United Kingdom.
- (3) The primary fund in relation to a person is—
- (a) where the income arises or would arise because of an indirect interest the person has in a transparent fund as a result of another transparent fund, or a series of transparent funds, having an interest in that first fund, that first fund, or
 - (b) where the income arises or would arise because of a direct or indirect interest the person has in a single transparent fund, that fund.
- (4) The relevant structured arrangement condition is the condition—
- (a) where Chapter 3 applies, in section 259CA(6)(c),
 - (b) where Chapter 4 applies, in section 259DA(6)(c),
 - (c) where Chapter 5 applies, in section 259EA(7)(c), and
 - (d) where Chapter 7 applies, in section 259GA(7)(c).
- (5) The Chapter in question applies subject to subsection (6).
- (6) If it is reasonable to suppose that the proportion of the payment or quasi-payment that is attributable to a person as a result of the person's interest in the primary fund is less than 10% of the relevant amount, that proportion is to be ignored for the purposes of determining the extent of a mismatch under the Chapter in question.
- (7) For the purposes of subsection (6) “the relevant amount” means the amount of ordinary income that it would, on the relevant assumption, have been reasonable to expect to arise to the primary fund as a result of—
- (a) in the case of a payment, the payment, or
 - (b) in the case of a quasi payment, the circumstances giving rise to the relevant deduction (see section 259BB(2)).
- (8) The relevant assumption is that the primary fund were a person to whom ordinary income would arise as a result of that payment or those circumstances.
- (9) Where a person to whom a proportion of the payment or quasi-payment is attributable as a result of the person's interest in the primary fund is connected (within the meaning given by section 1122 of CTA 2010, ignoring subsections (4) and (7) of that section) to another person to whom a proportion is attributable as a result of that person's interest in that same fund, the rights and interests of those persons are to be aggregated (and accordingly if the proportion attributable between them is 10% or more of the relevant amount, that proportion is not to be ignored).

Application of Chapter 9

259M(1) This section applies where—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

 - (b) the condition in section 259IA(6)(b) is not met, and
 - (c) that investor in the hybrid entity is an investor in it as a result of an interest (direct or indirect) it has in a transparent fund (“the relevant fund”) that directly holds an interest in—
 - (i) the hybrid entity, or
 - (ii) another entity that is not a transparent fund and which holds a direct or indirect interest in the hybrid entity.
- (2) Chapter 9 applies subject to subsection (3).
- (3) If it is reasonable to suppose that—
- (a) some or all of the hybrid entity double deduction amount that relates to the investor arises as a result of the investor's interest in the relevant fund, and
 - (b) the amount that arises as a result of that interest (“the relevant amount”) is less than 10% of the potential double deduction amount,
- the relevant amount is to be ignored for the purposes of determining the extent of a mismatch under that Chapter.
- (4) In this section “potential double deduction amount” means the hybrid double deduction amount that would arise in relation to the relevant fund if it were an investor in the hybrid entity.
- (5) Where the investor is connected (within the meaning given by section 1122 of CTA 2010, ignoring subsections (4) and (7) of that section) to another investor with an interest in the relevant fund, the rights and interests of those investors are to be aggregated (and accordingly, if the sum of the relevant amounts in respect of each of them is 10% or more of the potential double deduction amount, that proportion is not to be ignored).

Application of Chapter 11

259MD(1) Subsection (2) applies where—

- (a) Chapter 11 applies as a result of sub-paragraph (i), (ii), (iii) or (iv) of section 259KA(6)(a) applying as a result of a payment or quasi-payment to which section 259MB would apply if the Chapter corresponding to that sub-paragraph applied in relation to that payment or quasi-payment, and
 - (b) the condition in section 259KA(9)(c) is not met.
- (2) Where this subsection applies, section 259MB(6) applies for the purposes of determining the extent of a relevant mismatch under Chapter 11.
- (3) The Chapters corresponding to the sub-paragraphs of section 269KA(6)(a) mentioned in subsection (1) are as follows—

Sub-paragraph (i)	Chapter 3
Sub-paragraph (ii)	Chapter 4

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Sub-paragraph (iv)

Chapter 7.

- (4) Subsection (5) applies where—
- (a) Chapter 11 applies as a result of section 259KA(6)(a)(vi) applying as a result of a hybrid double deduction amount to which section 259MC would apply if Chapter 9 applied in relation to that amount, and
 - (b) the condition in section 259KA(9)(c) is not met.
- (5) Where this subsection applies, section 259MC(3) applies for the purposes of determining the extent of a relevant mismatch under Chapter 11.”

SCHEDULE 9

Section 59

PLASTIC PACKAGING TAX: SECONDARY LIABILITY AND
ASSESSMENT NOTICES AND JOINT AND SEVERAL LIABILITY NOTICES

PART 1

SECONDARY LIABILITY AND ASSESSMENT NOTICES

Effect of secondary liability and assessment notice

- 1 A secondary liability and assessment notice given to a person (“R”) makes that person liable to pay an amount which is equal to or less than an amount of plastic packaging tax which another person (“P”) is liable to pay in relation to an accounting period of P (the “relevant time”) but which P has failed to pay on or before the date on which the amount became due and payable.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Test for giving a secondary liability and assessment notice

- 2 (1) The Commissioners may give a secondary liability and assessment notice to R if they consider that—
- (a) R is acting in the course of a related business, and
 - (b) sub-paragraph (2) or (3) applies to R.
- (2) This sub-paragraph applies to R if—
- (a) R is or has been concerned in, or in the taking of steps with a view to, P failing to pay plastic packaging tax, and
 - (b) R knows or ought to know that R is or was so concerned.
- (3) This sub-paragraph applies to R if—
- (a) R is or has been involved in transporting, storing or otherwise dealing with a chargeable plastic packaging component, and
 - (b) R knows or ought to know that P has failed to pay plastic packaging tax which P is liable to pay in respect of the component.
- (4) The Commissioners may—
- (a) by regulations make provision about the factors which they may take into account in considering whether they may give a secondary liability and assessment notice to R;
 - (b) issue directions about those factors.
- (5) The Commissioners may—
- (a) give R more than one secondary liability and assessment notice in relation to the same relevant time;
 - (b) give R a secondary liability and assessment notice whether or not P has asked HMRC to review, or has appealed against, a decision that P is liable to pay some or all of the amount of plastic packaging tax which P has failed to pay as mentioned in paragraph 1.

Content of secondary liability and assessment notice

- 3 (1) A secondary liability and assessment notice must—
- (a) set out why the Commissioners consider that it is appropriate to give a secondary liability and assessment notice to R under paragraph 2(1);
 - (b) specify the amount which the Commissioners have assessed that P has failed to pay as mentioned in paragraph 1;
 - (c) specify the amount which the Commissioners have assessed that R is liable to pay;
 - (d) specify how and when R must pay;
 - (e) specify how late payment interest will accrue if R does not make the payment by the date on which it is due and payable;
 - (f) set out how the Commissioners assessed the amount which R is required to pay.
- (2) The amount must be an amount which the Commissioners consider just and reasonable, having regard in particular to their reasons for considering that paragraph 2(2) or (3) applies to R.
- (3) The Commissioners must publish guidance on the matters which they will take into account when determining whether an amount is just and reasonable.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (4) A secondary liability and assessment notice may not require R to pay an amount before the end of the period of 30 days beginning with the day on which the notice is given to R.
- (5) An amount assessed and notified to R in a secondary liability and assessment notice is recoverable on the basis that it is an amount of plastic packaging tax due from R.
- (6) But sub-paragraph (5) does not apply if, or to the extent that, the assessment has been withdrawn or reduced.

Copy of notice to be given to P

- 4 When the Commissioners give a secondary liability and assessment notice to R, they must, as soon as practicable, give a copy of that notice to P.

Application to revoke or reduce amount

- 5 (1) R may apply to the Commissioners to—
 - (a) revoke a secondary liability and assessment notice, on the grounds that R took all reasonable steps to establish that P had paid or intended to pay all the plastic packaging tax which P was liable to pay in relation to the relevant time, or
 - (b) reduce the amount which R is required to pay by a secondary liability and assessment notice, on the grounds that the amount is not just and reasonable.
- (2) The Commissioners may by regulations make provision about—
 - (a) the steps which are to be regarded as reasonable for the purposes of sub-paragraph (1)(a);
 - (b) applications for the purposes of sub-paragraph (1).
- (3) The regulations may (among other things) make provision about information that must be supplied as part of an application.
- (4) The Commissioners must notify R of their decision in response to an application under sub-paragraph (1) within the period of 30 days beginning with the day on which they receive the application.
- (5) If the Commissioners decide to reduce the amount which R is required to pay, the notification of their decision must specify—
 - (a) the new amount which R is liable to pay, and
 - (b) how and when R must pay.
- (6) R may not be required to pay the new amount before the end of the period of 30 days beginning with the day on which the notification is given to R.
- (7) The Commissioners must repay any amount which R has paid in excess of the new amount.

Limitation on secondary liability

- 6 (1) The Commissioners may not give a secondary liability and assessment notice to R in respect of an amount of plastic packaging tax after the end of the period of 2 years beginning with—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) the day after the last day of the accounting period by reference to which P was liable to pay the amount, or, if later,
 - (b) the day on which a court or tribunal finally determines that P is liable to pay the amount.
- (2) But in a case involving a loss of tax brought about deliberately by R or P (whether acting alone or with another person) sub-paragraph (1) has effect as if the reference to 2 years were to 20 years.

Reduction of amount where P's liability is reduced

- 7
- (1) Where the amount which P is liable to pay in relation to the relevant time is reduced for any reason the Commissioners must consider whether to reduce the amount which R is liable to pay.
 - (2) If the Commissioners decide to reduce or cancel the amount which R is liable to pay, they must, within the period of 30 days beginning with the day on which they make their decision—
 - (a) inform R of the new amount which R is liable to pay (if any), and
 - (b) repay any amount which R has paid in excess of the new amount.
 - (3) The new amount must be such amount as the Commissioners consider just and reasonable, having regard in particular to their reasons for considering that paragraph 2(2) or (3) applies to R.
 - (4) Where P's liability to pay in relation to the relevant time is cancelled, the Commissioners must, within the period of 30 days beginning with the day on which that happens—
 - (a) notify R that the secondary liability and assessment notice is revoked, and
 - (b) repay any amount which R has paid.

No double payment

- 8
- (1) R may not be required to pay any amount by a secondary liability and assessment notice if or to the extent that P has paid the amount mentioned in paragraph 1.
 - (2) P may not be required to pay the amount mentioned in paragraph 1 if or to the extent that R has paid an amount referable to that amount.

PART 2

JOINT AND SEVERAL LIABILITY NOTICES

Effect of joint and several liability notice

- 9
- A joint and several liability notice given to a person (“R”) makes that person jointly and severally liable to pay plastic packaging tax that another person (“P”) will be liable to pay in respect of so much of any accounting period of P as falls within the period of two years beginning with—
- (a) the day on which the notice is given to R, or

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) if a joint and several liability notice is given to R at a time when another joint and several liability notice already has effect in relation to R, the day after the day on which the previous notice ceases to have effect.

Test for giving joint and several liability notice

- 10 (1) The Commissioners may give a joint and several liability notice to R if the Commissioners consider that—
- (a) R is acting in the course of a related business, and
 - (b) sub-paragraph (2) or (3) applies to R.
- (2) This sub-paragraph applies to R if—
- (a) R is concerned in, or in the taking of steps with a view to, P not paying plastic packaging tax, and
 - (b) R knows or ought to know that R is so concerned.
- (3) This sub-paragraph applies to R if—
- (a) R is involved in transporting, storing or otherwise dealing with a chargeable plastic packaging component in respect of which P is or will be liable to pay plastic packaging tax,
 - (b) P has not paid that tax in respect of that component, and
 - (c) P intends not to pay that tax in respect of that component.
- (4) The Commissioners may—
- (a) by regulations make provision about the factors which they may take into account in considering whether they may give a joint and several liability notice to R;
 - (b) issue directions about those factors.

Content of joint and several liability notice

- 11 A joint and several liability notice must—
- (a) state that R is jointly and severally liable with P to pay any plastic packaging tax that P is liable to pay in respect of so much of any accounting period of P as falls within the period of two years determined in accordance with paragraph 9, and
 - (b) set out why the Commissioners consider that it is appropriate to give a joint and several liability notice to R under paragraph 10(1), including whether the Commissioners consider that paragraph 10(2) or (3) (or both) applies to R.

Copy of notice to be given to P

- 12 When the Commissioners give a joint and several liability notice to R, they must, as soon as practicable, give a copy of that notice to P.

Revocation

- 13 (1) After being given a joint and several liability notice R must notify the Commissioners if paragraph 10(2)(a) or, as the case may be, (3)(a) (or both), does not apply or ceases to apply to R, including as a result of R ceasing to have dealings with P, at any time within the period of two years mentioned in paragraph 9.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) If—
- (a) R notifies the Commissioners under sub-paragraph (1) within the period of 30 days beginning with the day on which R is given the joint and several liability notice (the “cancellation period”), and
 - (b) as a result of the notification the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), does not apply to R, including as a result of R ceasing to have dealings with P during the cancellation period, the Commissioners must notify R that the joint and several liability notice is revoked with the result that R is not liable to pay any plastic packaging tax as mentioned in paragraph 9.
- (3) If R does not notify the Commissioners under sub-paragraph (1), or notifies them only after the end of the cancellation period, R must be treated in relation to the period of liability as—
- (a) knowing that R is concerned in, or in the taking of steps with a view to, P not paying plastic packaging tax as mentioned in paragraph 10(2), or
 - (b) knowing that P has not paid and intends not to pay tax as mentioned in paragraph 10(3).
- (4) The period of liability is—
- (a) if R does not notify the Commissioners under sub-paragraph (1) within the period of two years mentioned in paragraph 9, that period of two years, or
 - (b) if R does notify the Commissioners under sub-paragraph (1) within that period of two years but after the cancellation period, and as a result of the notification the Commissioners accept that paragraph 10(2)(a) or, as the case may be, (3)(a), does not apply to R—
 - (i) the cancellation period, or,
 - (ii) if the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), applied to R after the cancellation period, the period beginning with the day on which the joint and several liability notice was given to R and ending with the day on which the Commissioners consider that paragraph 10(2)(a) or, as the case may be, (3)(a), ceased to apply to R.
- (5) The Commissioners must inform R and P of the result of a notification under sub-paragraph (1) within the period of 30 days beginning with the day on which they are given the notification.
- 14 (1) P may apply to the Commissioners to revoke a joint and several liability notice given to R, on the ground that the Commissioners were wrong to consider that paragraph 10(2) or (3) applies to R so far as relating to anything done or not done by, or any intention of, P.
- (2) An application under sub-paragraph (1) must be made within the period of 30 days beginning with the day on which the Commissioners give a copy of the notice to P.
- (3) The Commissioners must notify R and P of their decision in response to an application under sub-paragraph (1) within the period of 30 days beginning with the day on which they receive the application.
- 15 (1) The Commissioners may by regulations make further provision about—
- (a) notifications for the purposes of paragraph 13(1);
 - (b) applications for the purposes of paragraph 14(1).

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) The regulations may (among other things) make provision about information that must be supplied as part of the notification or application.

Assessments of liability

- 16 (1) Where P is liable to pay an amount of plastic packaging tax, the Commissioners may assess that R is liable to pay an amount equal to or less than the amount due from P.
- (2) Where such an assessment is made, the Commissioners must notify R of—
- (a) the amount due from P;
 - (b) the amount assessed as due from R;
 - (c) how the Commissioners assessed the amount due from R;
 - (d) the date by which payment must be made;
 - (e) how payment must be made;
 - (f) how late payment interest will accrue if R does not make the payment by the date on which it is due and payable.
- (3) The amount assessed as due from R must be an amount which the Commissioners consider just and reasonable, having regard in particular to—
- (a) their reasons for considering that paragraph 10(2) or (3) applies to R, and
 - (b) the requirement mentioned in paragraph 13(3) (requirement to treat R as knowingly involved in P's failure to pay tax).
- (4) The Commissioners must publish guidance on the matters which they will take into account when determining whether an amount is just and reasonable.
- (5) The date by which payment must be made may not be before the end of the period of 30 days beginning with the day on which R is notified in accordance with subparagraph (2).
- (6) An amount may be assessed and notified to R even if R has made a notification under paragraph 13(1) (and the Commissioners must repay any amount that is subsequently found to have been overpaid).

Adjustments

- 17 (1) Where an assessment to P is withdrawn or reduced, or P's liability in respect of plastic packaging tax is otherwise adjusted, the Commissioners may determine that R's liability is to be cancelled or reduced, or otherwise adjusted, in whatever way they consider just and reasonable, having regard in particular to their reasons for considering that paragraph 10(2) or (3) applies to R.
- (2) If the Commissioners decide to reduce or cancel the amount which R is liable to pay, or make any other adjustment to the assessment to R, they must, within the period of 30 days beginning with the day on which they make their decision—
- (a) inform R of the new amount which R is liable to pay (if any), and
 - (b) repay any amount which R has paid in excess of the new amount.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

Limitation on assessments

- 18 R may not be notified of any assessment under paragraph 16(2) or of any increase in an assessment under paragraph 4(2) of Schedule 10 in respect of an amount after the end of the period of 2 years beginning with—
- (a) the day after the last day of the accounting period by reference to which P was liable to pay the amount, or, if later,
 - (b) the day on which a court or tribunal finally determines that P is liable to pay the amount.

No double payment

- 19 R may not be required to pay plastic packaging tax if or to the extent that P has paid it (and vice versa).

PART 3

APPLICATION OF SCHEDULE 10

- 20 (1) Schedule 10 applies with any necessary modifications, and subject as follows, in relation to any amount which R is liable to pay as a result of a secondary liability and assessment notice or a joint and several liability notice.
- (2) Paragraphs 4 to 6 of that Schedule apply in relation to an assessment under paragraph 16(1) of this Schedule as they apply to an assessment under paragraph 2(2) of that Schedule, except that paragraph 6 applies as if, in sub-paragraph (2), “4” were “2”.

- (a) that any period is an accounting period by reference to which a person who is registered or who is liable to be registered is liable to pay plastic packaging tax,
 - (b) that an amount of plastic packaging tax for which that person is liable to account by reference to that period has become due, and
 - (c) that there has been a relevant default by that person (see sub-paragraph (3)).
- (2) The Commissioners—
- (a) may—
 - (i) in a case where the amount of plastic packaging tax due from the person for that period cannot be ascertained, assess the amount due from the person for that period to the best of their judgement;
 - (ii) in any other case, assess the amount due from the person for that period, and
 - (b) where such an assessment is made, must notify the person of that amount.
- (3) The following are “relevant defaults”—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (4) Where it appears to the Commissioners that a default falling within sub-paragraph (3) is a default by a person (A) on whom the requirement to make a return is imposed in A's capacity as the representative of another person (B), sub-paragraph (1)(b) applies as if the reference to the amount of plastic packaging tax due included a reference to any plastic packaging tax due from B.

- (a) the Commissioners have made an assessment for an accounting period as a result of a person's failure to make a return for that period,
 - (b) the plastic packaging tax assessed has been paid but no proper return has been made for that period, and
 - (c) as a result of a failure to make a return for a later accounting period, the Commissioners make another assessment (“the later assessment”) under paragraph 2 in relation to the later period.
- (2) The Commissioners may, if they consider it appropriate in light of the absence of a proper return for the earlier period, specify in the later assessment an amount of plastic packaging tax due that is greater than the amount that they would have considered to be appropriate had they had regard only to the later period.

Supplementary assessments

- 4 (1) Sub-paragraph (2) applies where—
- (a) an assessment has been notified to a person under paragraph 2(2), and
 - (b) it appears to the Commissioners that the amount which ought to have been assessed as due exceeds the amount that has already been assessed.
- (2) The Commissioners—
- (a) may make a supplementary assessment of the amount of plastic packaging tax due from the person to the best of their judgement, and
 - (b) where such an assessment is made, must notify the person of that amount.

Further provision about assessments under paragraphs 2 and 4

- 5 (1) An amount assessed and notified to a person under paragraph 2 or 4 is recoverable on the basis that it is an amount of plastic packaging tax due from that person.
- (2) But sub-paragraph (1) does not apply if, or to the extent that, the assessment has been withdrawn or reduced.

Time limits for assessments

- 6 (1) An assessment under paragraph 2 or 4 may not be made after the relevant time.
- (2) Except in a case within sub-paragraph (3) the relevant time is the earlier of—
- (a) the end of the period of 4 years from the end of the accounting period to which the assessment relates, or
 - (b) the end of the period of 1 year beginning with the day on which evidence of facts, sufficient in the opinion of the Commissioners to justify the making of the assessment, comes to their knowledge.
- (3) Where an assessment of an amount due from a person is made in a case involving loss of plastic packaging tax—

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) brought about deliberately by the person, or
 - (b) attributable to a failure by the person to comply with a requirement of section 55 or a requirement of regulations under section 58,
- the relevant time is the end of the period of 20 years from the end of the accounting period to which the assessment relates.

 - (b) the whole or a part of the cost of the payment of that amount to the Commissioners has, for practical purposes, been borne by a person other than P.
- (2) Where loss or damage has been, or may be, incurred by P as a result of mistaken assumptions made in P's case about the operation of any provisions relating to plastic packaging tax, that loss or damage is to be disregarded, except to the extent of the quantified amount, in the making of a relevant determination.

Status: Point in time view as at 10/06/2021.

 - (i) whether or to what extent the repayment of an amount would enrich P, or

- (2) In this paragraph “reimbursement arrangements” means arrangements for the purposes of a claim to a repayment of plastic packaging tax which—

 - (b) provide for the reimbursement of a person who has for practical purposes borne the whole or any part of the cost of the original payment of that amount to the Commissioners.

- (2) Sub-paragraph (3) also applies where a person is liable to pay any amount to the Commissioners in pursuance of an obligation imposed by regulations under paragraph 10(3)(b), (c) or (e).
- (3) The Commissioners may—
- (a) to the best of their judgement, assess the amount of the excess (in a case within sub-paragraph (1)) or the amount due (in a case within sub-paragraph (2)), and
 - (b) where such an assessment is made, notify the amount to the person.
- (4) Subject to sub-paragraph (5), where—
- (a) an assessment is made on any person under this paragraph in respect of a repayment of plastic packaging tax, and

PART 3

APPEALS

“Appeal tribunal”

- 9 In this Schedule “appeal tribunal” means the First-tier Tribunal or, where determined by or under Tribunal Procedure Rules, the Upper Tribunal.

Bringing of appeals

- 10 (1) An appeal under paragraph 1 is to be made to the appeal tribunal before—
- (a) the end of the period of 30 days beginning with—
 - (i) in a case where P is the appellant, the date of the document notifying P of the decision to which the appeal relates, or
 - (ii) in a case where a person other than P is the appellant, the day on which that person becomes aware of the decision, or
 - (b) if later, the end of the period for requiring a review (within the meaning of paragraph 6).
- (2) But that is subject to sub-paragraphs (3) to (5).
- (3) In a case where HMRC are required to undertake a review under paragraph 5—
- (a) an appeal may not be made until the conclusion date, and
 - (b) any appeal is to be made within the period of 30 days beginning with that date.
- (4) In a case where HMRC are requested to undertake a review under paragraph 7—
- (a) an appeal may not be made to the appeal tribunal—
 - (i) unless HMRC have notified P, or the other person, as to whether or not a review will be undertaken, and

 - (b) any appeal where paragraph (a)(ii) applies is to be made within the period of 30 days beginning with the conclusion date;
 - (c) if HMRC have notified P, or the other person, that a review will not be undertaken, an appeal may be made only if the appeal tribunal gives permission to do so.
- (5) In a case where paragraph 8(8) applies, an appeal may be made at any time from the end of the period specified in paragraph 8(6) to the date 30 days after the conclusion date.

- (7) In this paragraph, “conclusion date” means the date of the document notifying the conclusions of the review.

Further provision about appeals

- 11 (1) An appeal relating to a decision that an amount is due from a person may not be considered by the appeal tribunal unless the amount which HMRC have determined to be due has been paid or deposited with HMRC.
- (2) But sub-paragraph (1) does not apply if—
- (a) HMRC are satisfied or, if HMRC are not satisfied but the appeal tribunal have decided, on the application of the appellant, that the requirement to pay or deposit the amount would cause the appellant to suffer hardship, and
 - (b) the appellant has paid or deposited such other amount (if any) by way of security as HMRC or, as the case may be, the appeal tribunal consider appropriate.
- (3) Notwithstanding the provisions of sections 11 and 13 of the Tribunals, Courts and Enforcement Act 2007, the decision of the appeal tribunal as to the issue of hardship is final.

Determinations on appeal

- (a) it is found that an assessment of the appellant is an assessment for an amount that is less than it ought to have been, and
 - (b) the appeal tribunal give a direction specifying the correct amount,
- the assessment has effect as an assessment of the amount specified in the direction and (without prejudice to any power under this Schedule to reduce the amount of interest payable on the amount of an assessment) as if it were an assessment notified to the appellant in that amount at the same time as the original assessment.
- (2) On an appeal under paragraph 1, the powers of the appeal tribunal in relation to any decision of the Commissioners includes a power, where the tribunal allow an appeal on the ground that the Commissioners could not reasonably have arrived at the decision, either—
- (a) to direct that the decision, so far as it remains in force, is to cease to have effect from such time as the tribunal may direct, or
 - (b) to require the Commissioners to conduct, in accordance with the directions of the tribunal, a review or a further review of the original decision as appropriate.
- (3) Where, on an appeal under paragraph 1, the appeal tribunal find that a liability to a penalty or to an amount of interest arises, the tribunal must not give any direction for the modification of the amount payable in respect of that liability except—
- (a) in exercise of a power conferred on the tribunal by section 80(6) (penalties), or
 - (b) for the purpose of making the amount payable conform to the amount due in accordance with this Part.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (a) the references to section 83 of that Act included references to paragraph 1 of this Schedule, and

- (3) Sub-paragraph (4) states the “reckonable date” for any other case where an amount carrying interest under section 74 is assessed under section 74(1) or (2) in reliance on paragraph 16, or could have been so assessed.
- (4) The “reckonable date” is taken to be the latest date by which a non- UK return was required to be made for the tax period to which the amount assessed relates.
- (5) Where section 74(1) or (2) (interest on VAT recovered or recoverable by assessment) applies in relation to an amount assessed under section 73(3A) (treated as inserted by paragraph 17(2)), the “reckonable date” for the purposes of section 74(1) or (2) is taken to be the day after the end of the tax period referred to in paragraph 27(2).

- 21 (1) A person who is required to make a relevant special scheme return for a tax period is regarded for the purposes of this paragraph and paragraph 22 as being in default in respect of that period if either—
- (a) conditions 1A and 2A are met, or
 - (b) conditions 1B and 2B are met,
- (but see also paragraph 23).
- (2) The conditions are as follows—

 - (b) condition 2A is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the obligation to submit the return;
 - (c) condition 1B is that, by the deadline for submitting the return, those tax authorities have received the return but have not received the amount of VAT shown on the return as payable by the person in respect of the tax period;

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (3) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
- (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.
- (4) A period specified under sub-paragraph (3) is a “special surcharge period”.
- (5) If a special surcharge liability notice is served in respect of a tax period which ends on or before the day on which an existing special surcharge period ends, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 22 (1) If a person on whom a special surcharge liability notice has been served—
- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and
 - (b) has outstanding special scheme VAT for that tax period,
- the person is to be liable to a surcharge of the amount given by sub-paragraph (2).
- (2) The surcharge is equal to whichever is the greater of—
- (a) £30, and
 - (b) the specified percentage of the person's outstanding special scheme VAT for the tax period.
- (3) The specified percentage depends on whether the tax period is the first, second or third etc period in respect of which the person is in default and has outstanding special scheme VAT, and is—
- (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a special scheme in respect of qualifying supplies of goods treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a special scheme return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 23 (1) A person who would otherwise have been liable to a surcharge under paragraph 22(1) is not to be liable to the surcharge if the person satisfies the

Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—

- (a) the special scheme return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
- (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
- (a) it is the default which gives rise to the surcharge, under paragraph 22(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 21(3) and 22(1) if—
- (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.
- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 21(3) and 22(1).
- (6) Section 71(1) (meaning of “reasonable excuse”) applies for the purposes of this paragraph as it applies for the purposes of sections 59 to 70.

Interest in certain cases of official error

- 24 (1) Section 78 (interest in certain cases of official error) applies as follows in relation to a case where, due to an error on the part of the Commissioners—
- (a) a person has accounted under a special scheme for an amount by way of UK VAT that was not UK VAT due from the person, and as a result the Commissioners are liable under paragraph 25 to pay (or repay) an amount to the person, or
 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a special scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK special scheme.
- (4) In section 78, as it applies as a result of this section, “output tax” has the meaning that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Overpayments

- 25 (1) A person may make a claim if the person—
- (a) has made a special scheme return for a tax period relating wholly or partly to qualifying supplies of goods treated as made in the United Kingdom,
 - (b) has accounted to the tax authorities for the administering member State for VAT in respect of those supplies, and
 - (c) in doing so has brought into account as UK VAT due to those authorities an amount (“the overpaid amount”) that was not UK VAT due to them.
- (2) A person may make a claim if the person has, as a participant in a special scheme, paid (to the tax authorities for the administering member State or to the Commissioners) an amount by way of UK VAT that was not UK VAT due (“the overpaid amount”), otherwise than in the circumstances mentioned in sub-paragraph (1)(c).
- (3) A person who is or has been a participant in a special scheme may make a claim if the Commissioners—
- (a) have assessed the person to VAT for a tax period, and
 - (b) in doing so, have brought into account as VAT an amount (“the amount not due”) that was not VAT due.
- (4) Where a person makes a claim under sub-paragraph (1) or (2), the Commissioners must repay the overpaid amount to the person.
- (5) Where a person makes a claim under sub-paragraph (3), the Commissioners must credit the person with the amount not due.
- (6) Where—
- (a) as a result of a claim under sub-paragraph (3) an amount is to be credited to a person, and
 - (b) after setting any sums against that amount under or by virtue of this Act, some or all of the amount remains to the person's credit,
- the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.
- (7) The reference in sub-paragraph (1) to a claim is to a claim made—
- (a) by correcting, in accordance with Article 61 of the Implementing Regulation, the error in the special scheme return mentioned in sub-paragraph (1)(a), or

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (b) (after the expiry of the period during which the special scheme return may be amended under Article 61) to the Commissioners.
- (8) Sub-paragraphs (1) and (2) do not require any amount to be repaid except to the extent that is required by Article 63 of the Implementing Regulation.

Overpayments: supplementary

- 26 (1) In section 80 (credit for, or repayment of, overstated or overpaid VAT), subsections (3) to (3C) (unjust enrichment) and (4A), (4C) and (6) (recovery by assessment of amounts wrongly credited) have effect as if—
- (a) a claim—
 - (i) under paragraph 25(1) were a claim under section 80(1),
 - (ii) under paragraph 25(2) were a claim under section 80(1B),
 - and
 - (iii) under paragraph 25(3) were a claim under section 80(1A);
 - (b) references in that section to a prescribed accounting period included a tax period.
- (2) In section 80(3) to (3C), (4A), (4C) and (6), as modified by sub-paragraph (1), references to the crediting of amounts are to be read as including the payment of amounts.
- (3) The Commissioners are not liable to repay the overpaid amount on a claim made—
- (a) under paragraph 25(2), or
 - (b) as mentioned in paragraph 25(7)(b),
- if the claim is made more than 4 years after the relevant date.
- (4) On a claim made under paragraph 25(3), the Commissioners are not liable to credit the amount not due if the claim is made more than 4 years after the relevant date.

 - (b) in the case of a claim under paragraph 25(1) resulting from an incorrect disclosure, the end of the tax period in which the disclosure was made;
 - (c) in the case of a claim under paragraph 25(2), the date on which the payment was made;
 - (d) in the case of a claim under paragraph 25(3), the end of the quarter in which the assessment was made.
- (6) A person makes an “incorrect disclosure” where—
- (a) the person discloses to the tax authorities in question (whether the Commissioners or the tax authorities for the administering member State) that the person has not brought into account for a tax period an amount of UK VAT due for the period (“the disclosed amount”),
 - (b) the disclosure is made in a later tax period, and
 - (c) some or all of the disclosed amount is not in fact VAT due.

 - (b) after the return has been made the amount of the consideration for the UK supply increases or decreases.
- (2) The person must, in the tax period in which the increase or decrease is accounted for in the person's business accounts—
- (a) amend the special scheme return to take account of the increase or decrease, or
 - (b) (if the period during which the person is entitled under Article 61 of the Implementing Regulation to amend the special scheme return has expired) notify the Commissioners of the adjustment needed to the figures in the special scheme return because of the increase or decrease.
- (3) Where the change to which an amendment or notice under sub-paragraph (2) relates is an increase in the consideration for a UK supply, the person must pay to the tax authorities for the administering member State (in accordance with Article 62 of the Implementing Regulation) or, in a case falling within sub-paragraph (2)(b), the Commissioners, the difference between—
- (a) the amount of VAT that was chargeable on the supply before the increase in consideration, and
 - (b) the amount of VAT that is chargeable in respect of the whole of the increased consideration for the supply.
- (4) Where the change to which an amendment or notice under sub-paragraph (2) relates is a decrease in the consideration for a UK supply, the amendment or notice has effect as a claim; and where a claim is made the Commissioners must repay any VAT paid by the person that would not have been VAT due from the person had the consideration for the supply always been the decreased amount.
- (5) The Commissioners may by regulations specify—
- (a) the latest time by which, and the form and manner in which, a claim or other notice under sub-paragraph (2)(b) must be given;
 - (b) the latest time by which, and the form in which, a payment under sub-paragraph (3) must be made in a case within sub-paragraph (2)(b).

- (b) amends the return to take account of the writing-off as a bad debt of the whole or part of the consideration for a qualifying supply of goods that is treated as made in the United Kingdom,

the amending of the return may be treated as the making of a claim to the Commissioners for the purposes of section 36(2) (bad debts: claim for refund of VAT).

- 29 Where a person corrects a special scheme return in a way that constitutes telling the tax authorities for the administering member State about—

 - (c) a withholding of information,

the person is regarded as telling HMRC about that for the purposes of paragraph 9 of Schedule 24 to the Finance Act 2007 (reductions for disclosure).

Set-offs

- 30 Where a participant in a special scheme is liable to pay UK VAT to the tax authorities for the administering member State in accordance with the scheme, the UK VAT is regarded for the purposes of section 130(6) of the Finance Act 2008 (set-off) as payable to the Commissioners.

- (b) the purchaser intends it to be used exclusively in a qualifying manner.

Status: Point in time view as at 10/06/2021.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

 - (d) it is used in two or more of the ways described in paragraphs (a) to (c).
- (2) But land is not used in a qualifying manner to the extent that it is—
- (a) used as a dwelling or as the garden or grounds of a dwelling,
 - (b) developed or redeveloped to become residential property,
 - (c) exploited as a source of rents or other receipts payable by a person using the land as a dwelling or as the garden or grounds of a dwelling, or
 - (d) held (as stock of the business) for resale without development or redevelopment.
- (3) For the purposes of this paragraph, use of land in the course of a commercial trade or profession includes use of land for a purpose that is ancillary to the use of other land which—
- (a) is situated in a freeport tax site, and
 - (b) is being used, or developed or redeveloped, in the course of a commercial trade or profession.

- (2) The transaction is exempt from charge.

Other relief

- 6 (1) This paragraph applies to a land transaction if the proportion of the chargeable consideration for the transaction that is attributable to qualifying freeport land (“the relevant proportion”) is less than 90% but at least 10%.
- (2) The tax chargeable in respect of the transaction is reduced by the relevant proportion.

Attributing chargeable consideration to land

- 7 (1) For the purposes of this Schedule, the consideration attributable to qualifying freeport land must be determined on a just and reasonable basis.

- (2) The relief is withdrawn if, at any time during the control period, the qualifying freeport land is not used exclusively in a qualifying manner.
- (3) But the relief is not withdrawn where, because of a change in circumstances that is unforeseen and beyond the purchaser's control, it is not reasonable to expect the qualifying freeport land to be used exclusively in a qualifying manner at that time.
- (4) Where, at a time during the control period, the use of all or part of the qualifying freeport land in a qualifying manner has not yet begun, that land, or that part of the land, is to be treated as being used exclusively in a qualifying manner if reasonable steps are being taken to ensure that it is used in that manner.
- (5) Where, at a time during the control period, the use of all or part of the qualifying freeport land in a qualifying manner has ceased, that land, or that part of the land, is to be treated as being used exclusively in a qualifying manner if reasonable steps are being taken—
- (a) to ensure that it is used in that manner, or
 - (b) to dispose of all chargeable interests in that land, or that part of the land, that are held by the purchaser and connected persons in a timely manner.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2021. (See end of Document for details)

- (2) The references in paragraphs 8 and 9 to the qualifying freeport land are to be treated as references only to the part of the qualifying freeport land in relation to which the purchaser still holds a chargeable interest (whether the chargeable interest acquired in the land transaction in respect of which relief was allowed under Part 2 of this Schedule or another chargeable interest).

PART 4

ALTERNATIVE FINANCE ARRANGEMENTS

Cases involving alternative finance arrangements

- 11 (1) This paragraph applies where either of the following applies—
- (a) section 71A (land sold to financial institution and leased to person), or
 - (b) section 73 (land sold to financial institution and re-sold to person).
- (2) This paragraph applies for the purposes of determining—
- (a) whether relief is available under Part 2 of this Schedule for the first transaction, and
 - (b) whether relief allowed for the first transaction is withdrawn under Part 3 of this Schedule.
- (3) For those purposes this Schedule has effect as if—
- (a) references to the purchaser were references to the relevant person, and
 - (b) the reference in paragraph 3(2)(d) to land held (as stock of the business) for resale without development or redevelopment were a reference to land held in that manner by the relevant person.
- (4) The first transaction does not qualify for relief under Part 2 of this Schedule except where it does so by virtue of this paragraph.
- (5) In this paragraph—
- “the first transaction” has the same meaning as in section 71A or 73 (as appropriate);
- “the relevant person” means the person, other than the financial institution, who entered into the arrangements mentioned in section 71A(1) or 73(1) (as appropriate).

- 13 (1) An instrument containing regulations under paragraph 12 must be laid before the House of Commons after being made.
- (2) If the regulations are not approved by the House of Commons before the end of the period of 28 days beginning with the day on which they are made, they cease to have effect at the end of that period (if they have not already ceased to have effect under sub-paragraph (3)).
- (3) If, on any day during that period of 28 days, the House of Commons, in proceedings on a motion that (or to the effect that) the regulations be approved, comes to a decision rejecting the regulations, they shall cease to have effect at the end of that day.
- (4) In reckoning any such period of 28 days, no account is to be taken of any time during which—
 - (a) Parliament is prorogued or dissolved, or
