

Environment Act 2021

2021 CHAPTER 30

PART 5

WATER

Storm overflows

84 Report on elimination of discharges from storm overflows

- (1) The Secretary of State must prepare a report on—
 - (a) the actions that would be needed to eliminate discharges from the storm overflows of sewerage undertakers whose areas are wholly or mainly in England, and
 - (b) the costs and benefits of those actions.
- (2) The Secretary of State must publish the report before 1 September 2022.
- (3) The report must be laid before Parliament once it is published.
