103 Power to transfer functions between bodies

- (1) The Secretary of State may by regulations transfer a function of a relevant body to another relevant body.
- (2) Regulations under this section may be made only if the Secretary of State considers that they serve the purpose of improving the exercise of public functions, having regard to—

 - (d) securing appropriate accountability to Ministers.
- (3) Regulations under this section may not transfer a function of NHS England if the Secretary of State considers that to do so would make NHS England redundant.

 - (a) modifying functions of either relevant body (see further section 105(1));
 - (b) modifying the constitutional or funding arrangements of either relevant body (see further section 105(2) and (3));
 - (c) abolishing the relevant body from which functions are transferred, where the Secretary of State considers that it is redundant as a result of the transfer of functions.
