- (3) Estimates under paragraph A10(6) and (7) are to be made on the basis of information available to the Secretary of State on such date as the Secretary of State determines.
- (4) The reference in paragraph A10(7)(a) to rateable values which will be shown in lists for the first day of the chargeable financial year concerned once all alterations to those lists have been made includes a reference to rateable values which will be shown in lists for a later day as a result of any alterations of the lists because of the inaccuracy of the lists for that first day.
