Third parties affected by vesting provisions

- 3
- (1) Without prejudice to the provisions of the last foregoing paragraph, any transaction effected between the Boards in pursuance of paragraph 1 of this Schedule not more than five years after the vesting date shall be binding on all other persons, and notwithstanding that it would, apart from this sub-paragraph, have required the consent or concurrence of any other person.
 - (2) It shall be the duty of the Boards who effect any transaction in pursuance of paragraph 1 of this Schedule to notify any person who has rights or liabilities which thereby become enforceable as to part by or against one Board and as to part by or against another Board, and if such a person applies to the Minister and satisfies him that the division or apportionment operated unfairly against him, the Minister may give such directions to the Boards as appear to him appropriate for varying the division or apportionment.
 - (3) It shall also be the duty of the Boards to notify any person who has rights or liabilities which become enforceable as to part by or against one Board and as to part by or against another Board in consequence of a direction given by the Minister under sub-paragraph (2) of paragraph 1 of this Schedule.
 - (4) If in consequence of the provisions of the principal sections and this Schedule, or of anything done in pursuance of those provisions, the rights or liabilities of any person other than a Board or the Holding Company or any subsidiary of a Board or of the Holding Company which were enforceable against or by the Commission become enforceable as to part against or by one Board and as to part against or by another Board, and the value of any property or interest of that person is thereby diminished, the Boards shall pay to that person such compensation as may be just, and any dispute as to whether and if so how much compensation is so payable, or as to the person to whom it shall be paid, shall be referred to and determined by an arbitrator appointed by the Lord Chancellor or, where the proceedings are to be held in Scotland, by an arbiter appointed by the Lord President of the Court of Session.
 - (5) A conveyance or transfer whereby a Board purport to transfer to some person other than a Board or the Holding Company for consideration any land or any other property which belonged to the Commission, or which is an interest in property which belonged to the Commission, shall be as effective as if all the other Boards had been parties to the conveyance or transfer and had thereby conveyed or transferred all their interest in the property conveyed or transferred.
 - (6) If at any stage of any court proceedings which have been instituted before the vesting date or later, but not more than five years after the vesting date, and which are proceedings to which a Board and a person other than a Board are parties, it appears to the court that the issues in the proceedings depend on any demarcation of boundaries or division or apportionment under the principal sections or this Schedule which the

Boards have not yet effected, or raise a question of construction on those provisions which would not arise if all the Boards constituted a single person, the court may if it thinks fit on the application of a party to the proceedings other than a Board hear and determine the proceedings on the footing that the Board or Boards who are parties to the proceedings represent and are answerable for all the Boards, and that the Boards constitute a single person, and any judgment or order given by the court shall bind all the Boards accordingly.

- (7) It shall be the duty of each Board to keep any other of the Boards informed of any case where that other Board may be prejudiced by sub-paragraph (5) or sub-paragraph (6) of this paragraph, and if a Board claim that they have been so prejudiced and that some other Board ought to indemnify or make a payment to them on that account, and that the other Board have unreasonably failed to meet that claim, they may refer the matter to the Minister for determination by him.

Minister's power to alter distribution of property and functions

- 4 (1) The Minister shall have power—
- (a) for the purpose of removing any difficulties or uncertainties in the application of sections thirty-one and thirty-two of this Act, or of reconciling the operation of those sections, or
 - (b) for the purpose of facilitating the discharge of the Boards' functions,
- by order to direct that notwithstanding those sections any property, rights or liabilities of the Commission, and any functions of the Commission under any local enactments, shall be transferred to such Board or Boards as may be specified in the order.
- (2) An order under this paragraph may adapt or modify any local enactment so far as appears to the Minister expedient for the purpose of regulating the manner in which functions of the Commission thereunder are distributed and may contain such other transitional and supplemental provisions as appear to the Minister expedient, including provisions which might be included in an agreement between the Boards under paragraph 1 of this Schedule and provisions having retrospective effect.
- (3) An order under this paragraph shall by virtue of this Act have effect to vest any property, rights or liabilities transferred by the order without further assurance.
- (4) An order under this paragraph shall not be made more than five years after the vesting date unless it is one which relates, and is expressed to relate, only to a local enactment which authorises the carrying out of works.
- (5) An order made under this paragraph may be varied or revoked by a subsequent order so made, and unless the order relates, and is expressed to relate, only to a local enactment which authorises the carrying out of works, shall be made by statutory instrument.

- (3) Where any transferred heritage is immediately before the vesting date, or becomes at any time thereafter, the subject of a lease granted by the Commission, or, as the case may be, the Board to whom the heritage is transferred, the lease shall not be challengeable (notwithstanding any rule of law to the contrary effect) on the ground that the Commission, or, as the case may be, the Board, were not at the time of the granting of the lease infert in the transferred heritage.
- (4) This paragraph shall apply to any heritable property or right in Scotland transferred to two or more of the Boards jointly or to the Holding Company as it applies to any such property or right transferred to a Board, and references therein to a Board shall be construed accordingly.

- (3) A Board who claim that another Board should in pursuance of their duty under the last foregoing sub-paragraph afford to the claimant Board any rights or safeguards shall give particulars of their claim by notice in writing to the other Board, and if within three months the Boards fail to agree on the claim, the claim shall be referred to an arbitrator appointed by the Boards or, in default of appointment by them, appointed by the Minister.
- (4) If it appears to a Board who are proposing to begin or continue with works to which this paragraph applies that another Board may wish to consider whether to make a claim under this paragraph regarding the works, they shall not without the consent of that other Board begin or continue with the works—
 - (a) until one month after they have served a notice on that other Board of their proposal with sufficient particulars of the works, and any necessary plans and specifications, and
 - (b) if within one month of the service of the notice the other Board make a claim under this paragraph regarding the works, until the two Boards have agreed

Provided that the Minister may authorise a Board without compliance with paragraph (b) of this sub-paragraph to continue works begun by the Commission.

- (5) Any agreement concluded between any of the Boards under this paragraph, and any award of an arbitrator under this paragraph, may itself provide for the reference of any issue to arbitration.
- (6) In this paragraph references to affording rights and safeguards to a Board include references to granting to the Board interests in and rights over land, and undertaking to give to the Board appropriate notices.
