

# Mines and Quarries Act 1954

1954 CHAPTER 70 2 and 3 Eliz.2

## PART III

SAFETY, HEALTH AND WELFARE (MINES)

*[<sup>F1</sup> Roads]*

### 36 Prohibition of use of vehicles and conveyors in roads not affording free movement.

- (1) The manager of a mine—
- (a) shall not permit vehicles to run in any road therein unless neither the vehicles nor their loads, nor (if the vehicles run as part of rope haulage apparatus) the ropes to which they are attached, nor (if the vehicles are hauled by animals) the animals nor their harnesses rub against the roof or sides of the road, anything supporting the roof and sides of the road or either of them or anything in the road not provided for the purpose of controlling the vehicles or (in the case of vehicles which run as part of rope haulage apparatus) the ropes to which they are attached;
  - (b) shall not permit a conveyor to be operated in any road therein unless neither the conveyor nor its load rubs against the roof or sides of the road, anything supporting the roof and sides of the road or either of them or anything in the road.
- (2) In any prosecution for a contravention of this section with respect to the running of vehicles or the operation of a conveyor in a road in a mine on any occasion, it shall be a defence to prove either—
- (a) that the sole purpose for which the vehicles were being run or the conveyor was being operated on that occasion was to facilitate the carrying out to the road of repairs the purpose of the carrying out whereof was to enable the manager of the mine, without contravention of this section, to permit vehicles to run or a conveyor to be operated in that road; or
  - (b) that—

- (i) the fact that rubbing occurred on that occasion was due to a sudden decrease of the height or width of the road which it was impracticable to prevent; and
- (ii) there was no reasonable ground for apprehending that the running of the vehicles or the operation of the conveyor, as the case may be, on that occasion would result in bodily injury to persons or animals using the road; and
- (iii) no avoidable delay was incurred in taking the steps necessary to complete the carrying out to the road, at the place where rubbing occurred, of such repairs as aforesaid.
