Status: Point in time view as at 01/02/1991. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Agricultural Marketing Act 1958 is up to date with all changes known to be in force on or before 20 June 2024. to the Minister for his approval by the board or boards administering the scheme or schemes revoked by the substitutional scheme.

- (2) A scheme may be applicable to Great Britain or any part thereof or to Great Britain or any part thereof and also to Northern Ireland or any part thereof but shall not be applicable only to Northern Ireland or a part thereof.
- (3) For the purpose of satisfying himself as mentioned in subsection (1) of this section, the Minister shall have regard both to the number of persons represented and to the quantity of the agricultural product to which the scheme relates produced by them in the area to which the scheme is applicable during some recent period before the scheme is submitted.
- (4) Before a substitutional scheme is submitted to the Minister under subsection (1) of this section it shall be published in the prescribed manner to all producers registered under the scheme revoked by it or (where it revokes more schemes than one) to all producers registered under each of them, and if, within the prescribed period after it has been so published to producers registered under a scheme revoked by it, a poll on the question whether it shall be submitted to the Minister is demanded by the prescribed number or the prescribed proportion, as the case may be, of the producers registered under the scheme revoked, the substitutional scheme shall not be submitted to him unless a poll on that question has been taken and the result thereof shows that the requisite majority of those producers has voted in favour of its submission.

In this subsection “prescribed” means, in relation to a scheme revoked by a substitutional scheme, prescribed by the scheme revoked.

2 Approval of schemes. U.K.

- (1) Before approving a scheme submitted under the foregoing section, the Minister shall cause to be published, in the Gazette and in such other manner as he thinks best for informing persons affected, a notice—
 - (a) stating that the scheme has been submitted to him.
 - (b) specifying the place where copies of the scheme may be obtained, on payment of such fee as may be specified in the notice, and inspected, and
 - (c) specifying the period, which shall not be less than six weeks after the date of publication of the notice in the Gazette, within which objections and representations with respect to the scheme may be made.
- (2) Every objection shall be made to the Minister in writing and shall state the grounds of objection and the specific modifications required.
- (3) Where an objection has been duly made to a scheme by a person affected thereby and has not been withdrawn, the Minister, unless he considers the objection to be frivolous, or unless he proposes to modify the scheme to meet the objection, shall, before taking any further action under this section, direct a public inquiry to be held and consider the report of the person who held the inquiry.
- (4) After considering any scheme duly submitted to him under the foregoing section and any objections and representations duly made with respect thereto, and after holding such inquiries, if any, as he thinks fit or is required to hold under this section, the Minister may, subject to the following provisions of this section, make such modifications in the scheme as he thinks proper.

- (5) No scheme shall be modified by the Minister so as to be applicable to any area to which it would not have been applicable without modification.
- (6) Before making any modifications in a scheme, the Minister shall give notice of the proposed modifications to such persons (not being less than nine nor more than twenty-one) as may be nominated for the purpose, at the time of the submission of the scheme, by the persons submitting the scheme, and unless, within four weeks after notice has been so given or such longer time as the Minister may allow, more than half the persons so nominated notify the Minister that they assent to the modifications, the Minister shall take no further action under this section.
- (7) If the Minister, after making such modifications, if any, as aforesaid, is satisfied that the scheme will conduce to the more efficient production and marketing of the regulated product, he may, subject to subsection (9) of this section, lay before Parliament a draft of the scheme, and if each House of Parliament resolves that the scheme shall be approved the Minister shall make an order approving the scheme in terms of the draft.
- (8) The Minister, on laying before Parliament a draft of a scheme under the last foregoing subsection, shall at the same time lay before Parliament—
 - (a) if the scheme is not a substitutional scheme, a report as to the evidence by which he has been satisfied for the purposes of subsection (1) of section one of this Act that the persons submitting the scheme were duly representative; or
 - (b) if the scheme is a substitutional scheme, a report showing that the provisions of subsection (4) of the said section one have been complied with.
- (9) A draft of a scheme which, by the terms of the draft, is to apply to Northern Ireland or any part thereof shall not be laid before either House of Parliament under subsection (7) of this section unless each House of the Parliament of Northern Ireland has resolved that it is expedient that a scheme in the terms of the draft should, if approved under the said subsection (7), extend to Northern Ireland.
- (10) If the draft of a scheme which, by the terms of the draft, is to be applicable to Northern Ireland or any part thereof has been laid before either House of the Parliament of Northern Ireland and that House has resolved that it is not expedient that the scheme should extend to Northern Ireland, the Minister may thereupon make in the draft of the scheme such modifications as are necessary in order to prevent the scheme applying to any part of Northern Ireland and such other modifications, being modifications consequential on the modifications aforesaid, as he may think fit; and subsection (6) of this section shall apply in relation to the modifications and they shall be taken into account by the Minister under subsection (7) of this section before he lays the draft of the scheme before Parliament.
- (11) Where the Minister has made an order under subsection (7) of this section approving a scheme, the scheme shall, subject to the provisions of this Part of this Act, come into force on such date as may be specified in the order, being a date after the latest date on which either House of Parliament resolves that the scheme shall be approved; and the making of the order shall be conclusive evidence that the requirements of this Act have been complied with and that the order and the scheme approved thereby have been duly made and approved and are within the powers conferred by this Act.
- (12) As soon as possible after making an order under subsection (7) of this section, the Minister shall cause the order to be published in the Gazette and in such other manner as he thinks best for informing persons affected.

Provided that no determination shall be made under this subsection by any board except after consultation with such a committee as the Minister may have approved for the purpose as representing the interests of purchasers of milk by wholesale.

- (5) For the removal of doubt, it is hereby declared that any power of the board administering a milk marketing scheme to determine the price at, below or above which milk produced in the area to which the scheme applies, or any kind, grade or description of milk so produced, may be sold by any registered producer, includes power to determine, in relation to milk so produced or any kind, grade or description of milk so produced, as the case may be, different prices by reference to the different purposes for which it is sold or used.

AMENDMENT AND REVOCATION OF SCHEMES

- (2) Before an enactment of a scheme is submitted to the Minister under this paragraph the amendment shall be published in the prescribed manner to all registered producers and if, within the prescribed period after it has been so published, a poll on the question whether it shall be submitted to the Minister is demanded by the prescribed number or the prescribed proportion, as the case may be, of the registered producers, the amendment shall not be submitted to the Minister unless a poll on that question has been taken and the result thereof shows that the requisite majority of registered producers has voted in favour of its submission.

In this sub-paragraph “prescribed” means prescribed by the scheme.

- (3) No scheme shall be amended so as to be applicable to any area to which it would not have been applicable without amendment.
- (4) Where an amendment of a scheme is duly submitted to the Minister in accordance with the foregoing provisions of this paragraph, the following provisions of section two of this Act, that is to say, subsections (1), (2), (3), (4), (6), (7), (11), (13) and (14), shall apply in relation to the amendment as if it were a scheme, but subject to the following modifications, that is to say:—
- (a) the reference in the said subsection (4) to the following provisions of the said section two shall be construed as including a reference to the provisions of sub-paragraph (3) of this paragraph;
 - (b) for the said subsection (6) there shall be substituted the following subsection:—

“(6) Before making any modifications, the Minister shall give notice of the proposed modifications to the board and unless, within four weeks after notice has been so given or within such longer time as the Minister may allow, the board notify the Minister that they assent to the modifications, the Minister shall take no further action in the matter”
 - (c) in the said subsection (7) for the words “the more efficient production and marketing of the regulated product” there shall be substituted the words “the more efficient operation of the scheme” and the words “subject to subsection (9) of this section” shall be omitted; and

In this paragraph “new board” means the board administering the subsequent scheme, and “existing board” means the board administering the scheme revoked.
