Termination of proceedings under section 65 of Act of 1936 on giving of a direction

- 6 If before the giving of a direction to which this Part of this Schedule applies a notice has been given under section sixty-five of the Public Health Act, 1936, and the contravention of building regulations by virtue of which the notice was given comes to an end when the direction is given, the local authority shall not, after the giving of the direction, be entitled to proceed under subsection (3) of the said section sixty-five by virtue of that notice.
