1929 CHAPTER 25

PART I

LOCAL GOVERNMENT ADMINISTRATION.

Miscellaneous.

32 Settlement and irremovability.

- (1) The settlement of a person shall, instead of being ascertained by reference to a parish as under the existing law, be ascertained by reference to a county or large burgh.
- (2) In the case of a parish which is situated within the areas of two or more transferee authorities, a person shall be deemed to have a settlement in the area of that transferee authority within which the portion of the parish from which his settlement is derived is situated, and where the settlement of a person within a parish is derived partly from residence in a part of the parish within the area of one transferee authority and partly from residence in a part of the parish within the area of another transferee authority, the area of the transferee authority within which the person resided at the time he acquired a settlement by residence in the parish shall be deemed to be the area within which he has his settlement.
- (3) The foregoing provisions of this section shall, with the necessary modifications, apply as respects the status of irremovability under the Poor Law Acts as they apply as respects settlement.
