

Finance Act 1932

1932 CHAPTER 25

PART III

NATIONAL DEBT

21 Provision as to permanent annual charge for National Debt for 1932-33

The permanent annual charge for the National Debt for the financial year ending on the thirty-first day of March, nineteen hundred and thirty-three, shall be the sum of three hundred and eight million, five hundred thousand pounds, instead of the sum of three hundred and twenty-two million pounds.
