

# Local Government (Emergency Provisions) Act 1916

1916 CHAPTER 12

## PART II

### MISCELLANEOUS ADMINISTRATIVE PROVISIONS

#### **19 Powers of sanitary authorities in connection with the storage of furniture**

It shall be lawful for any sanitary authority, if they think fit, to make or to join with any other sanitary authorities in making arrangements and to incur reasonable expenditure in connection with the storage of furniture and effects belonging to persons serving in or with His Majesty's forces (including the cost of insurance against fire and other loss or damage), upon such terms and conditions as they may impose, and any expenditure incurred by the authority shall be defrayed out of any fund or rate out of which any expenses of the authority are payable.
