

Public Health Act 1936

1936 CHAPTER 49

PART IV

WATER SUPPLY.

Public wells, pumps, &c.

125 Power of parish council to utilise wells, springs or streams for obtaining water.

- (1) A parish council may utilise any well, spring or stream within their parish and provide facilities for obtaining water therefrom, and may execute any works, including works of maintenance or improvement, incidental to, or consequential on, any exercise of that power:

Provided that nothing in this subsection shall be construed as authorising them to interfere with the rights of any person, or as restricting, in the case of a public well or other works, any powers of the local authority under the last preceding section.

- (2) A parish council may contribute towards the expenses incurred by any other parish council, or by any other person, in doing anything authorised by the preceding subsection.
- (3) Nothing in this section shall derogate from any obligation of a district council with respect to the supply of water.
