*Transition to the code in this Part of this Act and exclusion of other regulative provisions*

### **24 Time for taking effect of the code in this Part, and exclusion of other statutory provisions.**

- (1) The code in this Part of this Act shall have effect, in such a case as is mentioned in subsection (1) of section twenty-one of this Act, if the authority's works were substantially begun after, but not if they were so begun before, the following time, that is to say—
- (a) the expiration of six months from the passing of this Act unless some corresponding enactment within the meaning of this section, being special legislation making provision in respect of that case, was then in force; or
  - (b) such time, not being earlier than the expiration of six months from the passing of this Act, as the Minister may by order appoint (if the preceding paragraph does not apply by reason of there being some such corresponding enactment as therein mentioned in force at the expiration of the said six months).

The references in this section to a corresponding enactment are to any enactment in so far as it makes provision extending to any such case as is mentioned in subsection (1) of section twenty-one of this Act for regulating in any respect the relations between the promoting authority and the undertakers, whether by enabling the promoting authority to execute undertakers' works in relation to apparatus affected by the authority's works, by enabling them to require the undertakers to execute any such works, by rendering them liable for the expense of such works, or otherwise howsoever.
