

# Public Health (Scotland) Act 1897

## 1897 CHAPTER 38

### PART III

#### GENERAL PREVENTION AND MITIGATION OF DISEASE.

##### *Mortuaries, &c.*

#### **71 Power to sanitary authorities to unite for providing mortuary.**

Any local authorities may, with the approval of the Board, execute their duty under this Act with respect to mortuaries and buildings for post-mortem examinations by combining for the purpose thereof, or by contracting for the use by one of the contracting authorities of any such mortuary or building provided by another of such contracting authorities, and may so combine or contract upon such terms as may be agreed upon.
