2. The obligation to make restitution applies to all identifiable property at present in Hungary which was removed by force or duress by any of the Axis Powers from the territory of any of the United Nations, irrespective of any subsequent transactions by which the present holder of any such property has secured possession.

3. If, in particular cases, it is impossible for Hungary to make restitution of objects of artistic, historic or archaeological value, belonging to the cultural heritage of the United Nation from whose territory such objects were removed by force or duress by Hungarian forces, authorities or nationals, Hungary shall transfer to the United Nation concerned objects of the same kind as, and of approximately equivalent value to, the objects removed, in so far as such objects are obtainable in Hungary.

4. The Hungarian Government shall return the property referred to in this Article in good order and, in this connection, shall bear all costs in Hungary relating to labour, materials and transport.

5. The Hungarian Government shall co-operate with the United Nations in, and shall provide at its own expense all necessary facilities for, the search for and restitution of property liable to restitution under this Article.

7. Claims for the restitution of property shall be presented to the Hungarian Government by the Government of the country from whose territory the property was removed, it being understood that rolling stock shall be regarded as having been removed from the territory to which it originally belonged. The period during which such claims may be presented shall be six months from the coming into force of the present, Treaty.

8. The burden of identifying the property and of proving ownership shall rest on the claimant Government, and the burden of proving that the property was not removed by force or duress shall rest on the Hungarian Government.

### PART VI

#### ECONOMIC CLAUSES

##### *Article 26*

1. In so far as Hungary has not already done so, Hungary shall restore all legal rights and interests in Hungary of the United Nations and their nationals as they existed on September 1, 1939, and shall return all property in Hungary of the United Nations and their nationals as it now exists.

2. The Hungarian Government undertakes that all property, rights and interests passing under this Article shall be restored free of all encumbrances and charges of any kind to which they may have

become subject as a result of the war and without the imposition of any charges by the Hungarian Government in connection with their return. The Hungarian Government shall nullify all measures, including seizures, sequestration or control, taken by it against United Nations property between September 1, 1939, and the coming into force of the present Treaty. In cases where the property has not been returned within six months from the coming into force of the present Treaty, application shall be made to the Hungarian authorities not later than twelve months from the coming into force of the Treaty, except in cases in which the claimant is able to show that he could not file his application within this period.

**3.** The Hungarian Government shall invalidate transfers involving property, rights and interests of any description belonging to United Nations nationals, where such transfers resulted from force or duress exerted by Axis Governments or their agencies during the war.

In the case of Czechoslovak nationals, this paragraph shall also include transfers after November 2, 1938, which resulted from force or duress or from measures taken under discriminatory internal legislation by the Hungarian Government or its agencies in Czechoslovak territory annexed by Hungary.

- (a) (a) The Hungarian Government shall be responsible for the restoration to complete good order of the property returned to United Nations nationals under paragraph 1 of this Article. In cases where property cannot be returned or where, as a result of the war, a United Nations national has suffered a loss by reason of injury or damage to property in Hungary, he shall receive from the Hungarian Government compensation in Hungarian currency to the extent of two-thirds of the sum necessary, at the date of payment, to purchase similar property or to make good the loss suffered. In no event shall United Nations nationals receive less favourable treatment with respect to compensation than that accorded to Hungarian nationals.
- (b) United Nations nationals who hold, directly or indirectly, ownership interests in corporations or associations which are not United Nations nationals within the meaning of paragraph 9(a) of this Article, but which have suffered a loss by reason of injury or damage to property in Hungary, shall receive compensation in accordance with sub-paragraph (a) above. This compensation shall be calculated on the basis of the total loss or damage suffered by the corporation or association and shall bear the same proportion to such loss or damage as the beneficial interests of such nationals in the corporation or association bear to the total capital thereof.
- (c) Compensation shall be paid free of any levies, taxes or other charges. It shall be freely usable in Hungary but shall be subject to the foreign exchange control regulations which may be in force in Hungary from time to time.
- (d) The Hungarian Government shall accord to United Nations nationals the same treatment in the allocation of materials for the repair or rehabilitation of their property in Hungary and in the allocation of foreign exchange for the importation of such materials as applies to Hungarian nationals.
- (e) The Hungarian Government shall grant United Nations nationals an indemnity in Hungarian currency at the same rate as provided in sub-paragraph (a) above to compensate them for the loss or damage due to special measures applied to their property during the war, and which were not applicable to Hungarian property. This sub-paragraph does not apply to a loss of profit.

**5.** The provisions of paragraph 4 of this Article shall apply to Hungary in so far as the action which may give rise to a claim for damage to property in Northern Transylvania belonging to the United Nations or their nationals took place during the period when this territory was subject to Hungarian authority.

7. United Nations nationals and their property shall be exempted from any exceptional taxes, levies or imposts imposed on their capital assets in Hungary by the Hungarian Government or any Hungarian authority between the date of the Armistice and the coming into force of the present Treaty for the specific purpose of meeting charges arising out of the war or of meeting the costs of occupying forces or of reparation payable to any of the United Nations. Any sums which have been so paid shall be refunded.

8. The owner of the property concerned and the Hungarian Government may agree upon arrangements in lieu of the provisions of this Article.

9. As used in this Article:

- (a) "United Nations nationals" means individuals who are nationals of any of the United Nations, or corporations or associations organised under the laws of any of the United Nations, at the coming into force of the present Treaty, provided that the said individuals, corporations or associations also had this status at the date of the Armistice with Hungary. The term "United Nations nationals" also includes all individuals, corporations or associations which, under the laws in force in Hungary during the war, have been treated as enemy;
- (b) "Owner" means the United Nation, or the United Nations national as defined in sub-paragraph (a) above, entitled to the property in question, and includes a successor of the owner, provided that the successor is also a United Nation, or a United Nations national as defined in sub-paragraph (a). If the successor has purchased the property in its damaged state, the transferor shall retain his rights to compensation under this Article, without prejudice to obligations between the transferor and the purchaser under domestic law;
- (c) "Property" means all movable or immovable property, whether tangible or intangible, including industrial, literary and artistic property, as well as all rights or interests of any kind in property.

10. The Hungarian Government recognizes that the Brioni Agreement of August 10, 1942, is null and void. It undertakes to participate with the other signatories of the Rome Agreement of May 29, 1923, in any negotiations having the purpose of introducing into its provisions the modifications necessary to ensure the equitable settlement of the annuities which it provides.

#### *Article 29*

1. Each of the Allied and Associated Powers shall have the right to seize, retain, liquidate or take any other action with respect to all property, rights and interests which at the coming into force of the present Treaty are within its territory and belong to Hungary or to Hungarian nationals, and to apply such property or the proceeds thereof to such purposes as it may desire, within the limits of its claims and those of its nationals against Hungary or Hungarian nationals, including debts, other than claims fully satisfied under other Articles of the present Treaty. All Hungarian property, or the proceeds thereof, in excess of the amount of such claims, shall be returned.

2. The liquidation and disposition of Hungarian property shall be carried out in accordance with the law of the Allied or Associated Power concerned. The Hungarian owner shall have no rights with respect to such property except those which may be given him by that law.

3. The Hungarian Government undertakes to compensate Hungarian nationals whose property is taken under this Article and not returned to them.

4. No obligation is created by this Article on any Allied or Associated Power to return industrial property to the Hungarian Government or Hungarian nationals, or to include such property in

determining the amounts which may be retained under paragraph 1 of this Article. The Government of each of the Allied and Associated Powers shall have the right to impose such limitations, conditions and restrictions on rights or interests with respect to industrial property in the territory of that Allied or Associated Power, acquired prior to the coming into force of the present Treaty by the Government or nationals of Hungary, as may be deemed by the Government of the Allied or Associated Power to be necessary in the national interest.

5. The property covered by paragraph 1 of this Article shall be deemed to include Hungarian property which has been subject to control by reason of a state of war existing between Hungary and the Allied or Associated Power having jurisdiction over the property, but shall not include:

- (a) Property of the Hungarian Government used for consular or diplomatic purposes;
- (b) Property belonging to religious bodies or private charitable institutions and used for religious or charitable purposes;
- (c) Property of natural persons who are Hungarian nationals permitted to reside within the territory of the country in which the property is located or to reside elsewhere in United Nations territory, other than Hungarian property which at any time during the war was subjected to measures not generally applicable to the property of Hungarian nationals resident in the same territory;
- (d) Property rights arising since the resumption of trade and financial relations between the Allied and Associated Powers and Hungary, or arising out of transactions between the Government of any Allied or Associated Power and Hungary since January 20, 1945;
- (e) Literary and artistic property rights.

#### *Article 31*

1. The existence of the state of war shall not, in itself, be regarded as affecting the obligation to pay pecuniary debts arising out of obligations and contracts which existed, and rights which were acquired, before the existence of the state of war, which became payable prior to the coming into force of the present Treaty, and which are due by the Government or nationals of Hungary to the Government or nationals of one of the Allied and Associated Powers to the Government or nationals of Hungary.

2. Except as otherwise expressly provided in the present Treaty, nothing therein shall be construed as impairing debtor-creditor relationships arising out of pre-war contracts concluded either by the Government or nationals of Hungary.

#### *Article 32*

1. Hungary waives all claims of any description against the Allied and Associated Powers on behalf of the Hungarian Government or Hungarian nationals arising directly out of the war or out of actions taken because of the existence of a state of war in Europe after September 1, 1939, whether or not the Allied or Associated Power was at war with Hungary at the time, including the following:

2. The provisions of this Article shall bar, completely and finally, all claims of the nature referred to herein, which will be hence forward extinguished, whoever may be the parties in interest. The Hungarian Government agrees to make equitable compensation in Hungarian currency to persons who furnished supplies or services on requisition to the forces of Allied or Associated Powers in Hungarian territory and in satisfaction of non-combat damage claims against the forces of Allied or Associated Powers arising in Hungarian territory.

3. Hungary likewise waives all claims of the nature covered by paragraph 1 of this Article on behalf of the Hungarian Government or Hungarian nationals against any of the United Nations whose diplomatic relations with Hungary were broken off during the war and which took action in co-operation with the Allied and Associated Powers.

4. The Hungarian Government shall assume full responsibility for all Allied military currency issued in Hungary by the Allied military authorities, including all such currency in circulation at the coming into force of the present Treaty.

5. The waiver of claims by Hungary under paragraph 1 of this Article includes any claims arising out of actions taken by any of the Allied and Associated Powers with respect to Hungarian ships between September 1, 1939, and the coming into force of the present Treaty, as well as any claims and debts arising out of the Conventions on prisoners of war now in force.

1. Any disputes which may arise in connection with Articles 24, 25 and 26 and Annexes IV, V and VI of the present Treaty shall be referred to a Conciliation Commission composed of an equal number of representatives of the United Nations Government concerned and of the Hungarian Government. If agreement has not been reached within three months of the dispute having been referred to the Conciliation Commission, either Government may require the addition of a third member to the Commission, and failing agreement between the two Governments on the selection of this member, the Secretary-General of the United Nations may be requested by either party to make the appointment.

2. The decision of the majority of the members of the Commission shall be the decision of the Commission and shall be accepted by the parties as definitive and binding.

## PART VIII

### FINAL CLAUSES

#### *Article 39*

1. For a period not to exceed eighteen months from the coming into force of the present Treaty, the Heads of the Diplomatic Missions in Budapest of the Soviet Union, the United Kingdom and the United States of America, acting in concert, will represent the Allied and Associated Powers in dealing with the Hungarian Government in all matters concerning the execution and interpretation of the present Treaty.

2. The Three Heads of Mission will give the Hungarian Government such guidance, technical advice and clarification as may be necessary to ensure the rapid and efficient execution of the present Treaty both in letter and in spirit.

3. The Hungarian Government shall afford the said Three Heads of Mission all necessary information and any assistance which they may require in the fulfilment of the tasks devolving on them under the present Treaty.

#### Article 40

1. Except where another procedure is specifically provided under any Article of the present Treaty, any dispute concerning the interpretation or execution of the Treaty, which is not settled by direct diplomatic negotiations, shall be referred to the Three Heads of Mission acting under Article 39, except that in this case the Heads of Mission will not be restricted by the time limit provided in that Article. Any such dispute not resolved by them within a period of two months shall, unless the parties to the dispute mutually agree upon another means of settlement, be referred at the request of either party to the dispute to a Commission composed of one representative of each party and a third member selected by mutual agreement of the two parties from nationals of a third country. Should the two parties fail to agree within a period of one month upon the appointment of the third member, the Secretary-General of the United Nations may be requested by either party to make the appointment.

2. The decision of the majority of the members of the Commission shall be the decision of the Commission, and shall be accepted by the parties as definitive and binding.

## ANNEX IV

### Special Provisions Relating to Certain Kinds of Property

#### A

#### INDUSTRIAL, LITERARY AND ARTISTIC PROPERTY

- (a) (a) A period of one year from the coming into force of the present Treaty shall be accorded to the Allied and Associated Powers and their nationals without extension fees or other penalty of any sort in order to enable them to accomplish all necessary acts for the obtaining or preserving in Hungary of rights in industrial, literary and artistic property which were not capable of accomplishment owing to the existence of a state of war.
  - (b) Allied and Associated Powers or their nationals who had duly applied in the territory of any Allied or Associated Power for a patent or registration of a utility model not earlier than twelve months before the outbreak of the war with Hungary or during the war, or for the registration of an industrial design or model or trade mark not earlier than six months before the outbreak of the war with Hungary or during the war, shall be entitled within twelve months after the coming into force of the present Treaty to apply for corresponding rights in Hungary, with a right of priority based upon the previous filing of the application in the territory of that Allied or Associated Power.
  - (c) Each of the Allied and Associated Powers and its nationals shall be accorded a period of one year from the coming into force of the present Treaty during which they may institute proceedings in Hungary against those natural or juridical persons who are alleged illegally to have infringed their rights in industrial, literary or artistic property between the date of the outbreak of the war and the coming into force of the Treaty.
2. A period from the outbreak of the war until a date eighteen months after the coming into force of the present Treaty shall be excluded in determining the time within which a patent must be worked or a design or trade mark used.
3. The period from the outbreak of the war until the coming into force of the present Treaty shall be excluded from the normal term of rights in industrial, literary and artistic property which were in force in Hungary at the outbreak of the war or which are recognized or established under part A of this Annex and belong to any of the Allied and Associated Powers or their nationals. Consequently, the normal duration of such rights shall be deemed to be automatically extended in Hungary for a further term corresponding to the period so excluded.

4. The foregoing provisions concerning the rights in Hungary of the Allied and Associated Powers and their nationals shall apply equally to the rights in the territories of the Allied and Associated Powers of Hungary and its nationals. Nothing, however, in these provisions shall entitle Hungary or its nationals to more favourable treatment in the territory of any of the Allied and Associated Powers than is accorded by such Power in like cases to other United Nations or their nationals, nor shall Hungary be thereby required to accord to any of the Allied and Associated Powers or its nationals more favourable treatment than Hungary or its nationals receive in the territory of such Power in regard to the matters dealt with in the foregoing provisions.

5. Third parties in the territories of any of the Allied and Associated Powers or Hungary who, before the coming into force of the present Treaty, had bona fide acquired industrial, literary or artistic property rights conflicting with rights restored under part A of this Annex or with rights obtained with the priority provided thereunder, or had bona fide manufactured, published, reproduced, used or sold the subject matter of such rights, shall be permitted, without any liability for infringement, to continue to exercise such rights and to continue or to resume such manufacture, publication, reproduction, use or sale which had been bona fide acquired or commenced. In Hungary, such permission shall take the form of a non-exclusive licence granted on terms and conditions to be mutually agreed by the parties thereto or, in default of agreement, to be fixed by the Conciliation Commission established under Article 35 of the present Treaty. In the territories of each of the Allied and Associated Powers, however, bona fide third parties shall receive such protection as is accorded under similar circumstances to bona fide third parties whose rights are in conflict with those of the nationals of other Allied and Associated Powers.

6. Nothing in part A of this Annex shall be construed to entitle Hungary or its nationals to any patent or utility model rights in the territory of any of the Allied and Associated Powers with respect to inventions, relating to any article listed by name in Annex III of the present Treaty, made, or upon which applications were filed, by Hungary, or any of its nationals, in Hungary or in the territory of any other of the Axis Powers, or in any territory occupied by the Axis forces, during the time when such territory was under the control of the forces or authorities of the Axis Powers.

7. Hungary shall likewise extend the benefits of the foregoing provisions of this Annex to France, and to other United Nations which are not Allied or Associated Powers, whose diplomatic relations with Hungary have been broken off during the war and which undertake to extend to Hungary the benefits accorded to Hungary under the said provisions.

8. Nothing in part A of this Annex shall be understood to conflict with Articles 26, 29 and 31 of the present Treaty.

### INSURANCE

1. No obstacles, other than any applicable to insurers generally, shall be placed in the way of the resumption by insurers who are United Nations nationals of their former portfolios of business.

2. Should an insurer, who is a national of any of the United Nations, wish to resume his professional activities in Hungary, and should the value of the guarantee deposits or reserves required to be held as a condition of carrying on business in Hungary be found to have decreased as a result of the loss or depreciation of the securities which constituted such deposits or reserves, the Hungarian Government undertakes to accept, for a period of eighteen months, such securities as still remain as fulfilling any legal requirements in respect of deposits and reserves.

## ANNEX V

### Contracts, Prescription and Negotiable Instruments

#### A

#### CONTRACTS

1. Any contract which required for its execution intercourse between any of the parties thereto having become enemies as defined in part D of this Annex, shall, subject to the exceptions set out in paragraphs 2 and 3 below, be deemed to have been dissolved as from the time when any of the parties thereto became enemies. Such dissolution, however, is without prejudice to the provisions of Article 31 of the present Treaty, nor shall it relieve any party to the contract from the obligation to repay amounts received as advances or as payments on account and in respect of which such party has not rendered performance in return.

2. Notwithstanding the provisions of paragraph 1 above, there shall be excepted from dissolution and, without prejudice to the rights contained in Article 29 of the present Treaty, there shall remain in force such parts of any contract as are severable and did not require for their execution intercourse between any of the parties thereto, having become enemies as defined in part D of this Annex. Where the provisions of any contract are not so severable, the contract shall be deemed to have been dissolved in its entirety. The foregoing shall be subject to the application of domestic laws, orders or regulations made by any of the Allied and Associated Powers having jurisdiction over the contract or over any of the parties thereto and shall be subject to the terms of the contract.

3. Nothing in part A of this Annex shall be deemed to invalidate transactions lawfully carried out in accordance with a contract between enemies if they have been carried out with the authorization of the Government of one of the Allied and Associated Powers.

4. Notwithstanding the foregoing provisions, contracts of insurance and re-insurance shall be subject to separate agreements between the Government of the Allied or Associated Power concerned and the Government of Hungary.

#### B

#### PERIODS OF PRESCRIPTION

1. All periods of prescription or limitation of right of action or of the right to take conservatory measures in respect of relations affecting persons or property, involving United Nations nationals and Hungarian nationals who, by reason of the state of war, were unable to take judicial action or to comply with the formalities necessary to safeguard their rights, irrespective of whether these periods commenced before or after the outbreak of war, shall be regarded as having been suspended, for the duration of the war, in Hungarian territory on the one hand, and on the other hand in the territory of those United Nations which grant to Hungary, on a reciprocal basis, the benefit of the provisions of this paragraph. These periods shall begin to run again on the coming into force of the present Treaty. The provisions of this paragraph shall be applicable in regard to the periods fixed for the presentation of interest or dividend coupons or for the presentation for payment of securities drawn for repayment or repayable on any other ground.

2. Where, on account of failure to perform any act or to comply with any formality during the war, measures of execution have been taken in Hungarian territory to the prejudice of a national of one of the United Nations, the Hungarian Government shall restore the rights which have been detrimentally affected. If such restoration is impossible or would be inequitable, the Hungarian Government shall provide that the United Nations national shall be afforded such relief as may be just and equitable in the circumstances.

2. Where the period within which a negotiable instrument should have been presented for acceptance or for payment, or within which notice of non-acceptance or non-payment should have been given to the drawer or endorser, or within which the instrument should have been protested, has elapsed during the war, and the party who should have presented or protested the instrument or have given notice of non-acceptance or non-payment has failed to do so during the war, a period of not less than three months from the coming into force of the present Treaty shall be allowed within which presentation, notice of non-acceptance or non-payment, or protest may be made.

3. If a person has, either before or during the war, incurred obligations under a negotiable instrument in consequence of an undertaking given to him by a person who has subsequently become an enemy, the latter shall remain liable to indemnify the former in respect of these obligations, notwithstanding the outbreak of war.
