PART III

TRANSFER FROM NATIONAL HEALTH SERVICE TO LOCAL GOVERNMENT

Reckoning of national service

7. Where after leaving his former employment and before entering his new employment a person to whom rule 6 of these rules has become applicable had been engaged in national service the period of service which he becomes entitled to reckon under the said rule shall be treated as being increased to the extent (if any) to which the said period of national service would have been reckonable as service for the purposes of the Health Service Regulations, had the person again become an officer on the termination of such national service:

Provided that this rule shall not apply unless the transfer value received from the Minister of Health under rule 6 of these rules was calculated so as to include the liability of which the Minister of Health was relieved in respect of the said period of national service.
