EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These regulations amend the Legal Aid (Scotland) (Assessment of Resources) Regulations 1960 in consequence of the Ministry of Social Security Act 1966.

The regulations apply the rules for disregarding income, other than earnings, in the Ministry of Social Security Act 1966 to the assessment of the resources of an applicant for legal aid under the Legal Aid (Scotland) Act 1949. The deductions made in respect of an applicant's dependants are based on the scales for benefit under the Ministry of Social Security Act 1966. The provisions for disregarding the capital value of the dwellinghouse in which the applicant resides are extended to any dwelling in which he resides.

Hitherto provisions of the National Assistance Act 1948 had been applied.
