EXPLANATORY NOTE

(This Note is not part of the Rules.)

These Rules amend the Superannuation (the Civil Service and the Federated Superannuation System for Universities) Transfer Rules 1953 by giving the Treasury discretion to allow a longer period than that specified in the 1953 Rules for a person transferring from the Civil Service to employment pensionable under the Federated Superannuation System for Universities to give notice that he desires the 1953 Rules to apply to him.

The Rules also amend the 1953 Rules, which require a civil servant transferring to employment pensionable under the Federated Superannuation System for Universities to obtain the consent of the Head of his Department beforehand, by enabling him to obtain such consent either before or after so transferring.
